Opposing Error, Defending Truth

Iranian President's Letter to George W. Bush

This letter was submitted to U.S. president George W. Bush via the Swiss embassy in Tehran on May 8, 2006. It was originally written in Farsi. This translation was provided by the Islamic Republic News Agency, the official news agency of the Islamic Republic of Iran.

We are very pleased to be able to share this letter from the President of Iran, who addresses eloquently the grievances of the people of many nations and declares the truth of the tyranny of George Bush and the Neo-con New World Order controllers, by showing with simple reason and logic in the language of his fellow human beings the error of their ways.

The immediate U.S. government response to this truthful and questioning letter from Iran was to label it "irrelevant" with regard to resolution of the contrived "nuclear issue" which the Neo-cons need as an excuse for their belligerent posture. We pray for more world leaders like Mr. Ahmadinejad.

[QUOTING, emphasis added:]

In the Name of God, the Compassionate, the Merciful Mr. George Bush, President of the United States of America:

For sometime now I have been thinking, how one can justify the undeniable contradictions that exist in the international arena, which are being constantly debated, especially in political forums and amongst university students. Many questions remain unanswered. These have prompted me to discuss some of the contradictions and questions, in the hopes that it might bring about an opportunity to redress them.

Can one be a follower of Jesus Christ (PBUH) [Praise Be Upon Him], the great Messenger of God, Feel obliged to respect human rights, Present liberalism as a civilization model, Announce one's opposition to the proliferation of nuclear weapons and WMDs, Make "War and Terror" his slogan, And finally, Work towards the establishment of a unified international community, a community which Christ and the virtuous of the Earth will one day govern, But at the same

time, Have countries attacked. The lives, reputations and possessions of people destroyed and on the slight chance of the presence of a few criminals in a village, city or convoy for example, the entire village, city or convoy set ablaze.

Or because of the possibility of the existence of WMDs in one country, it is occupied, around one hundred thousand people killed, its water sources, agriculture and industry destroyed, close to 180,000 foreign troops put on the ground, sanctity of private homes of citizens broken, and the country pushed back perhaps fifty years. At what price? Hundreds of billions of dollars spent from the treasury of one country and certain other countries and tens of thousands of young men and women, as occupation troops, put in harm's way, taken away from family and loved ones, their hands stained with the blood of others, subjected to so much psychological pressure that everyday some commit suicide and those returning home suffer depression, become sickly and grapple with all sorts of ailments; while some are killed and

their bodies handed to their families.

On the pretext of the existence of WMDs, this great tragedy came to engulf both the peoples of the occupied and the occupying country. Later it was revealed that no WMDs existed to begin with.

Of course Saddam was a murderous dictator. But the war was not waged to topple him, the announced goal of the war was to find and destroy weapons of mass destruction. He was toppled along the way towards another goal; nevertheless the people of the region are happy about it. I point out that throughout the many years of the imposed war on Iran Saddam was supported by the West.

Mr. President,

You might know that I am a teacher. My students ask me how can these actions be reconciled with the values outlined at the beginning of this letter and duty to the tradition of Jesus Christ (PBUH), the Messenger of peace and forgiveness?

There are prisoners in Guantanamo Bay that have not been tried, have no legal representation, their families cannot see them and are obviously kept in a strange land outside their own country. There is no international monitoring of their conditions and fate. No one knows whether they are prisoners, POWs, accused or criminals.

European investigators have confirmed the existence of secret prisons in Europe too. I could not correlate the abduction of a person, and him or her being kept in secret prisons, with the provisions of any judicial system. For that matter, I fail to understand how such actions correspond to the values outlined in the beginning of this letter, i.e. the teachings of Jesus Christ (PBUH), human rights and liberal values.

Young people, university students, and ordinary people have many questions about the phenomenon of Israel. I am sure you are familiar with some of them.

Throughout history many countries have been occupied, but I think the establishment of a new country with a new people, is a new phenomenon that is exclusive to our times.

Students are saying that sixty years ago such a country did not exist. They show old documents and globes and say try as we have, we have not been able to find a country named Israel.

I tell them to study the history of WWI and II. One of my students told me that during WWII, which more than tens of millions of people perished in, news about the war, was quickly disseminated by the warring parties. Each touted their victories and the most recent battlefield defeat of the other party. After the war they claimed that six million Jews had been killed. Six million people that were surely related to at least two million families.

Again let us assume that these events are true. Does that logically translate into the establishment of the state of Israel in the Middle East or support for such a state? How can this phenomenon be rationalized or explained?

Mr. President,

I am sure you know how, and at what cost, Israel was established:

- Many thousands were killed in the process.
- Millions of indigenous people were made refugees.
- Hundreds of thousands of hectares of farmland, olive plantations, towns and villages were destroyed.

This tragedy is not exclusive to the time of establishment; unfortunately it has been ongoing for sixty years now. A regime has been established which does not show mercy even to kids, destroys houses while the occupants are still in them, announces beforehand its list and plans to assassinate Palestinian figures, and keeps thousands of Palestinians in prison. Such a phenomenon is unique, or at the very least extremely rare, in recent memory.

Another big question asked by the people is “why is this regime being supported?” Is support for this regime in line with the teachings of Jesus Christ (PBUH) or Moses (PBUH) or liberal values? Or are we to understand that allowing the original inhabitants of these lands, inside and outside Palestine, whether they are Christian, Muslim or Jew, to determine their fate, runs contrary to principles of democracy, human rights and the teachings of prophets? If not, why is there so much opposition to a referendum?

The newly elected Palestinian administration recently took office. All independent (observers) have confirmed that this government represents the electorate. Unbelievably, they have put the elected government under pressure and have advised it to recognize the Israeli regime, abandon the struggle and follow the programs of the previous government.

If the current Palestinian government had run on the above platform, would the Palestinian people have voted for it? Again, can such position taken in opposition to the Palestinian government be reconciled with the values outlined earlier? The people are also saying “why are all UNSC (UN Security Council) resolutions in condemnation of Israel vetoed?”

Mr. President,

As you are well aware, I live amongst the people and am in constant contact with them, many people from around the Middle East manage to contact me as well. They do not have faith in these dubious policies either. There is evidence that the people of the region are becoming increasingly angry with such policies.

It is not my intention to pose too many questions, but I need to refer to other points as well.

Why is it that any technological and scientific achievement reached in the Middle East region is translated into and portrayed as a threat to the Zionist regime? Is not scientific R and D one of the basic rights of nations?

You are familiar with history. Aside from the Middle Ages, in what other point in history has scientific and technical progress been a crime? Can the possibility of scientific achievements being utilized for military purposes be reason enough to oppose science and technology altogether? If such a supposition is true, then all scientific disciplines, including physics, chemistry, mathematics, medicine, engineering, etc. must be opposed.

Lies were told in the Iraqi matter. What was the result? I have no doubt that telling lies is reprehensible in any culture, and you do not like to be lied to.

Mr. President,

Don't Latin Americans have the right to ask why their elected governments are being opposed and coup leaders supported? Or, Why must they constantly be threatened and live in fear?

The people of Africa are hardworking, creative and talented. They can play an important and valuable role in providing for the needs of humanity and contribute to its material and spiritual progress. Poverty and hardship in large parts of Africa are preventing this from happening. Don't they have the right to ask why their enormous wealth, including minerals, is being looted, despite the fact that they need it more than others?

Again, do such actions correspond to the teachings of Christ and the tenets of human rights?

The brave and faithful people of Iran too have many questions and grievances, including: the *coup d'etat* of 1953 and the subsequent toppling of the legal government of the day, opposition to the Islamic revolution, transformation of an Embassy into a headquarters supporting, the activities of those opposing the Islamic Republic (many thousands of pages of documents corroborate this claim), support for Saddam in the war waged against Iran, the shooting

down of the Iranian passenger plane, freezing the assets of the Iranian nation, increasing threats, anger and displeasure vis-a-vis the scientific and nuclear progress of the Iranian nation (just when all Iranians are jubilant and celebrating their country's progress), and many other grievances that I will not refer to in this letter.

Mr. President,

September Eleven was a horrendous incident. The killing of innocents is deplorable and appalling in any part of the world. Our government immediately declared its disgust with the perpetrators and offered its condolences to the bereaved and expressed its sympathies.

All governments have a duty to protect the lives, property and good standing of their citizens. Reportedly your government employs extensive security, protection and intelligence systems, and even hunts its opponents abroad. September Eleven was not a simple operation. Could it be planned and executed without coordination with intelligence and security services, or their extensive infiltration? Of course this is just an educated guess.

Why have the various aspects of the attacks been kept secret? Why are we not told who botched their responsibilities? And, why aren't those responsible and the guilty parties identified and put on trial?

All governments have a duty to provide security and peace of mind for their citizens. For some years now, the people of your country and neighbors of world trouble spots do not have peace of mind. After 9/11, instead of healing and tending to the emotional wounds of the survivors and the American people, who had been immensely traumatized by the attacks, some Western media only intensified the climates of fear and insecurity, some constantly talked about the possibility of new terror attacks and kept the people in fear. Is that service to the American people? Is it possible to calculate the damages incurred from fear and panic?

American citizens lived in constant fear of fresh attacks that could come at any moment and in any place. They felt insecure in the streets, in their place of work and at home. Who would be happy with this situation? Why was the media, instead of conveying a feeling of security and providing peace of mind, giving rise to a feeling of insecurity?

Some believe that the hype paved the way, and was the justification, for an attack on Afghanistan. Again I need to refer to the role of media. In media charters, correct dissemination of information and honest reporting of a story are established tenets. I express my deep regret about the disregard shown by certain Western media for these principles. The main pretext for an attack on Iraq was the existence of WMDs. This was repeated incessantly, for the public to finally believe, and the ground set for an attack on Iraq.

Will the truth not be lost in a contrived and deceptive climate? Again, if the truth is allowed to be lost, how can that be reconciled with the earlier mentioned values? Is the truth known to the Almighty lost as well?

Mr. President,

In countries around the world, citizens provide for the expenses of governments so that their governments in turn are able to serve them.

The question here is “what has the hundreds of billions of dollars, spent every year to pay for the Iraqi campaign, produced for the citizens?”

As your Excellency is aware, in some states of your country, people are living in poverty. Many thousands are homeless and unemployment is a huge problem. Of course these problems exist, to a larger or lesser extent, in other countries as well. With these conditions in mind, can the gargantuan expenses of the

campaign, paid from the public treasury, be explained and be consistent with the aforementioned principles?

What has been said are some of the grievances of the people around the world, in our region and in your country. But my main contention, which I am hoping you will agree to some of it, is:

Those in power have a specific time in office and do not rule indefinitely, but their names will be recorded in history and will be constantly judged in the immediate and distant futures.

The people will scrutinize our presidencies. Did we (manage) to bring peace, security and prosperity for the people or insecurity and unemployment?

Did we intend to establish justice or just supported (special) interest groups, and by forcing many people to live in poverty and hardship, made a few people rich and powerful—thus trading the approval of the people and the Almighty with theirs? Did we defend the rights of the underprivileged or ignore them? Did we defend the rights of all people around the world or imposed wars on them, interfered illegally in their affairs, established hellish prisons and incarcerated some of them? Did we bring the world peace and security or raised the specter of intimidation and threats? Did we tell the truth to our nation and others around the world or presented an inverted version of it? Were we on the side of people or the occupiers and oppressors? Did our administrations set out to promote rational behavior, logic, ethics, peace, fulfilling obligations, justice, service to the people, prosperity, progress and respect for human dignity or the force of guns, [i]ntimidation, insecurity, disregard for the people, delaying the progress and excellence of other nations, and trample on people's rights? And finally, they will judge us on whether we remained true to our oath of office, to serve the people, which is our main task, and the traditions of the prophets, or not?

Mr. President,

How much longer can the world tolerate this situation? Where will this trend lead the world to? How long must the people of the world pay for the incorrect decisions of some rulers? How much longer will the specter of insecurity—raised from the stockpiles of weapons of mass destruction, hunt the people of the world? How much longer will the blood of the innocent men, women and children be spilled on the streets, and people's houses destroyed over their heads? Are you pleased with the current condition of the world? Do you think present policies can continue?

If billions of dollars spent on security, military campaigns and troop movement were instead spent on investment and assistance for poor countries, promotion of health, combating different diseases, education and improvement of mental and physical fitness, assistance to the victims of natural disasters, creation of employment opportunities and production, development projects and poverty alleviation, establishment of peace, mediation between disputing states, and distinguishing the flames of racial, ethnic and other conflicts, (where) would the world be today? Would not your government and people be justifiably proud? Would not your administration's political and economic standing have been stronger? And I am most sorry to say, would there have been an ever increasing global hatred of the American government?

Mr. President, it is not my intention to distress anyone.

If Prophet Abraham, Isaac, Jacob, Ishmael, Joseph, or Jesus Christ (PBUH) were with us today, how would they have judged such behavior? Will we be given a role to play in the promised world, where justice will become universal and Jesus Christ (PBUH) will be present? Will they even accept us?

My basic question is this: Is there no better way

to interact with the rest of the world? Today there are hundreds of millions of Christians, hundreds of millions of Moslems and millions of people who follow the teachings of Moses (PBUH). **All divine religions share and respect one word and that is "monotheism" or belief in a single God and no other in the world.**

The Holy *Koran* stresses this common word and calls on all followers of divine religions and says: (3.64) Say: O followers of the Book! Come to an equitable proposition between us and you that we shall not serve any but Allah and (that) we shall not associate aught with Him and (that) some of us shall not take others for lords besides Allah; but if they turn back, then say: Bear witness that we are Muslims. (The Family of Imran)

Mr. President,

According to divine verses, we have all been called upon to worship one God and follow the teachings of divine Prophets. "To worship a God which is above all powers in the world and can do all He pleases." "The Lord which knows that which is hidden and visible, the past and the future, knows what goes on in the Hearts of His servants and records their deeds." "The Lord who is the possessor of the heavens and the earth and all universe is His court." "Planning for the universe is done by His hands, and gives His servants the glad tidings of mercy and forgiveness of sins." "He is the companion of the oppressed and the enemy of oppressors." "He is the Compassionate, the Merciful." "He is the recourse of the faithful and guides them towards the light from darkness." "He is witness to the actions of His servants." "He calls on servants to be faithful and do good deeds, and asks them to stay on the path of righteousness and remain steadfast." "Calls on servants to heed His prophets and He is a witness to their deeds." "A bad ending belongs only to those who have chosen the life of this world and disobey Him and oppress His servants" and "A good end and eternal paradise belong to those servants who fear His majesty and do not follow their lascivious selves."

We believe a return to the teachings of the divine prophets is the only road leading to salvation. I have been told that Your Excellency follows the teachings of Jesus (PBUH) and believes in the divine promise of the rule of the righteous on Earth.

We also believe that Jesus Christ (PBUH) was one of the great prophets of the Almighty. He has been repeatedly praised in the *Koran*. Jesus (PBUH) has been quoted in *Koran* as well: (19.36) And surely Allah is my Lord and your Lord, therefore serve Him; this is the right path. Service to and obedience of the Almighty is the credo of all divine messengers.

The God of all people in Europe, Asia, Africa, America, the Pacific and the rest of the world is one. He is the Almighty who wants to guide and give dignity to all His servants. He has given greatness to Humans.

We again read in the Holy Book: "The Almighty God sent His prophets with miracles and clear signs to guide the people and show them divine signs and purify them from sins and pollutions. And He sent the Book and the balance so that the people display justice and avoid the rebellious."

All of the above verses can be seen, one way or the other, in the Good Book as well. Divine prophets have promised: The day will come when all humans will congregate before the court of the Almighty, so that their deeds are examined. The good will be directed towards (Heaven) and evildoers will meet divine retribution. I trust both of us believe in such a day, but it will not be easy to calculate the actions of rulers, because we must be answerable to our nations

and all others whose lives have been directly or indirectly affected by our actions.

All prophets speak of peace and tranquility for man based on monotheism, justice and respect for human dignity.

Do you not think that if all of us come to believe in and abide by these principles, that is, monotheism, worship of God, justice, respect for the dignity of man, belief in the Last Day, **we can overcome the present problems of the world, that are the result of disobedience to the Almighty and the teachings of prophets**, and improve our performance?

Do you not think that belief in these principles promotes and guarantees peace, friendship and justice?

Do you not think that the aforementioned written or unwritten principles are universally respected?

Will you not accept this invitation? That is, a genuine return to the teachings of prophets, to monotheism and justice, to preserve human dignity and obedience to the Almighty and His prophets?

Mr. President,

History tells us that repressive and cruel governments do not survive. God has entrusted the fate of men to them. The Almighty has not left the universe and humanity to their own devices. **Many things have happened contrary to the wishes and plans of governments. These tell us that there is a higher power at work and all events are determined by Him.**

Can one deny the signs of change in the world today? Is the situation of the world today comparable to that of ten years ago? Changes happen fast and come at a furious pace.

The people of the world are not happy with the *status quo* and pay little heed to the promises and comments made by a number of influential world leaders. Many people around the world feel insecure and oppose the spreading of insecurity and war and do not approve of and accept dubious policies.

The people are protesting the increasing gap between the haves and the have-nots and the rich and poor countries.

The people are disgusted with increasing corruption.

The people of many countries are angry about the attacks on their cultural foundations and the disintegration of families. They are equally dismayed with the fading of care and compassion. The people of the world have no faith in international organizations, because their rights are not advocated by these organizations.

Liberalism and Western style democracy have not been able to help realize the ideals of humanity. Today these two concepts have failed. Those with insight can already hear the sounds of the shattering and fall of the ideology and thoughts of the Liberal democratic systems.

We increasingly see that people around the world are flocking towards a main focal point that is the Almighty God. Undoubtedly through faith in God and the teachings of the prophets, the people will conquer their problems. My question for you is: "Do you not want to join them?"

Mr. President,

Whether we like it or not, the world is gravitating towards faith in the Almighty and justice and the will of God will prevail over all things.

Hatonn Is Most Certainly NOT Dead

Well obviously as the title for this writing says the Commander is certainly not dead. We are getting confirmations from the sky (see last edition) and on Earth, as in our front page lead article the letter to President George Bush.

Enjoy this writing from Ron which summarizes quite accurately the current phase and position we are at in the mission. Take note, readers, we will continue the convention of dating all writings in "cosmic time" as Commander Hatonn always did through Doris & E.J and for very good reasons which will become clearer as real time passes, or should we say: in the proper sequence of events.

RE: VK DURHAM IDIOCY; NEXT PHASE REALIZATION; STATUS REPORT RELATIVE TO COSMIC CALENDAR

RUMORS OF DEMISE GREATLY EXAGGERATED

Only a very dim bulb would even suggest that the Light has gone with the passing of Commander Hatonn's scribe. As EJ and I view things there is no doubt Doris accomplished her Mission and now has the reward she so richly deserves. By many measures her work was done many years ago already and it was only her desire to nurture which held her within this compression. When Mother Hen KNEW her brood was going to be alright and when GCH no longer had need of a scribe to provide course corrections—it was time to move on and she did so in such a gracious fashion as to not so much as inconvenience anyone with unnecessary concerns over her health or expenses of a drawn-out passing.

VK Durham's pronouncement that "Hatonn Is Dead" only shows her cosmic idiocy. The Sun is still shining, VK, and God is still very much in command! There simply is no need to repeat and repeat ad nauseam the Truth, which was pretty much fully expressed in the published Journals. And from our perspective, we must be so close and so much "on target" that we could no longer screw it up.

We have a very exciting project underway, converting the old cassette-based meeting tapes into modern, digital, MP3 format. A friend of Carol's in South Africa appears eager to share some of the work load with our overwhelmed teammate Maurice in Canada and we certainly welcome the assistance. The goal in the long run is to make all of the meetings available on a single, loaded, MP3 player, so anyone can cue up any meeting of their choice at any time. It will take many more months to complete the project but meanwhile, readers with Internet access can sample the KTALK Radio interview from 1992 right now on the PSD website:

www.PhoenixSourceDistributors.com.

Enjoy!

The picture of a higher-dimensional shuttlecraft in the May 10 issue of the paper was thrilling for all of us—but probably scares the socks off "the powers that be". Yes, the lords of this world are subject to the Overlords (not to mention the Overmind) and their remaining days are numbered. I for one sure wouldn't

want to be one of them right now. Not only are their plans falling apart at every turn, not only is every evil intent exposed at the most awkward of moments—but now they have to contend with the reality of etheric forms condensing in this "dimension", too.

NEXT PHASE—REALIZATION!

I have only been in this country for a couple of weeks but already I have been introduced to a mind-boggling variety of interested parties, (mostly) earnest individuals very interested in bringing about positive change in this intentionally impoverished nation. Every one of them seems to know there exists fabulous wealth here, though few seem to understand exactly why most citizens are forced to subsist on an average of just 35 pesos (about 70 cents) a day. The reason, of course, is that the Money Masters have decided to allocate only \$29 billion in money supply to the populace of 80-some million people (about \$340 per person). No matter how hard these people would work, there simply won't be more money in the system. If anything, there will be even LESS as the controllers squeeze the life out of this nation in order to economically (in both senses of that word) plunder her resources. And believe it in the rest of the world where the elite have engineered populations of lowing cattle: There but for the grace of God go you.

Everyone knows about oodles and boodles of gold stashed about the countryside and we have documented the existence of at least 400,000 TONS of the stuff but still the squatters must live one on top of the other along the railroad tracks—until someone comes along and tells them they have to move. One taxi driver related how he was forced to move almost an hour away from his work, cutting still further into his "profits" for a day's work, if you can call them that, a handful of pesos if he keeps the air conditioning and motor shut off between fares.

On the way here, as "luck" (and an airline snafu) would have it, I happened to end up sharing a room in a Hong Kong hotel with none other than Alex, the former World Champion Filipino pool player. I'm pretty sure Doris had something to do with that "chance" meeting because according to EJ she used to really enjoy watching young Alex play 9-ball on television. We ended up in a room with just one large bed in it and I volunteered to share it with Alex but his answer surprised me: "I'm Filipino," he said proudly, almost defiantly, "I can sleep on the floor." And so he did, after we enjoyed a wide-ranging discussion covering everything from bank shots to the Heavens Above. Filipinos are proud to be Filipinos. They've taken a lot of abuse and can come back smiling. Now that their resilience has been thoroughly tested it will be an absolute joy to see how they deal with abundance!

On Doris' passing EJ and I, like many of you no doubt, came to the realization that something really BIG was "up". We discussed the significance of the event and arrived at the same conclusion almost simultaneously: This marks the beginning of an entirely new phase of operations. We'll call it Phase Two. This phase is, we believe, all about REALIZATION of the Gift of Gifts bestowed upon us through the efforts of many (not least of which, Doris) throughout Phase One.

Realization relates to time and as we know, time is naught but a change of perception. Therefore we

understand that this phase of realization will come about just as quickly as humankind can shift its perceptions. ALL that binds people of this planet at this moment is ILLUSION. The entire monetary system is nothing but smoke-and-mirrors, based on NOTHING at all beyond human perceptions. People are prisoners of their own thinking.

In the Philippines, for instance, all it would take to QUINTUPLE the wealth of this nation would be the infusion of something on the order of 10,000 tons of gold—and we have already "proven up" at least forty times that amount through the Foundation. What will it take to REALIZE the blessings of abundance? Not as much as many would think. And when the first domino falls the rest will follow in due course. Yes, we are VERY close.

ON THE COSMIC CALENDAR

We are nearing the end of Year 19 on the Cosmic Calendar, which started in August 1987. We were told this Transition would take some 25 (possibly 26) years to run its course. Thus we are into the "seven year countdown", the time when the fit really hits the Shan. The tectonic plates have been loosened and we have experienced one very major earthquake and attendant (though greatly mitigated) tsunami and globally, weather has been changing at a breathtaking pace. And yet, somehow, we know that this time we MADE IT. Things could be a whole lot WORSE than they are and we have our cosmic brethren to thank for the difference.

A thousand years from now I believe every school child will know a particular date which many of you wouldn't immediately appreciate: February 16, 1999. What's so important about that date? Aside from being almost exactly halfway into the Transition, it just happens to be the date on which the tables were tipped on the Money Masters, the date when Global Alliance perfected its claim against the United States Treasury and Federal Reserve. (Curiously, it is also the time when many of our presumed "friends" "went south" and turned their backs on this planet-changing Mission.)

Today, when a government agency wants to cause trouble to any Mission-related entity, we feel totally and completely within bounds to establish our truthful position as THE CREDITOR in all proceedings. Every wholly-owned subsidiary of Cosmos Seafood Energy Marketing, Ltd. and Global Alliance Investment Association SHARES in that status. We choose to be exemplary corporate citizens, however, and see no benefit in making any waves, as long as our position is understood and respected.

Many of our most constant financial supporters are now in the desirable position of seeing the price of gold doubled from levels at which they contributed. Unfortunately (?) we simply cannot at this time repay such loans in "dollars". Ask yourself: Is this really a good time to be converting your GOLD loans into DOLLARS? We don't think so, either, which is why we have agreed to convert the original loans into OUNCES OF GOLD, which we will offer to pay out just as soon as we can say this phase of REALIZATION is complete. TIMING IS NEVER ACCIDENTAL, friends.

May God smile upon your every thought and deed,
Ron

Islamic Banking: Part Eight

This is the final installment in the Islamic Banking series, which has been presented to afford insights into the type of banking system toward which mankind should be moving, i.e., non-usurious, non-predatory banking.

Man will not find freedom until the existing banking system of enslavement is changed out. In the future, money will be apportioned "moralistically", so there will be abundant funding for all humanitarian purposes and little to no money available for those things which are contrary to the human spirit.

8/13/99—#1 (12-362)

Saturday, August 13, 1999, Year 12, Day 362

We are extremely grateful to John Ray for sending this good reference on Islamic contracts and their role in business interchanges.

I am asked if "I" am Islamic. Yes! I am Islamic, Catholic, Protestant, Hindi, Buddhist—whatever. I am with GOD. And right here is a good place before going further to just list a FEW of the names you might use which are totally acceptable for "God".

ATON	ATEN	hATONn
Ra	Krishna	Rama
Buddha	Mahanta	Waaken Tanka
Ahdonay	Adonai	Brahma
Siddha	Ahura Mazda	Shiva

Jehovah (Check the LIGHT around this one, please.)

Maheo	Kami Sama	Nagual
Kali	Durga Tat	Sugmad
Gaiana	Mahanta	Mahavira
Anu	Khoda	Akua
Ahura Mazda	Atva	Nanak
Osembula	Yehweh	God
Ato		ALLAH

etc., etc., etc. This doesn't even begin to count the ways to say "GOD". So, you must learn to check out your sources and recognize energy forms and the MESSAGE given. Then, above ALL, you must demand identification of the RECEIVER who speaks or writes in the NAME OF "GOD", HOSTS, CHRISTS, ET AL. I have only given you a FEW names and note they are all written in the English alphabet—so stop being silly, students. The world does not represent the universe nor does the world called Shan (Earth) represent the center of your tiny solar system. It is also reasonable that YOU as a fragment of GOD do not have everything revolving AROUND YOU! When you understand this phenomenon we will move ever so much more quickly ahead, mischief-makers and all.

So, this is Yeorgos Ceres hATONn (Hatonn, if you choose) and my secretary-translator is Dharma (Doris Ekker, again, if you choose).

Our topic is still regarding Islamic LAW as regards banking, business and today, "contracts".

Why do I choose Islamic LAW? Because all the other business doctrines are OF MAN, use usury and other nasty little hooks to "getcha" and "gettall" you ever thought to have or hold. Since you "can't take it with you" when you transfer out of there, you should try to honorably hold and utilize what God offers to LOAN you and HE doesn't charge you INTEREST or BREAK HIS CONTRACTS.

[QUOTING:]

THE ROLE OF CONTRACTS IN ISLAM

Throughout history Muslims have been renowned traders. Many of the Sahabah (ra) were shrewd businessmen. Indeed, trading is an issue that has been implicitly and explicitly encouraged in the *Qur'an* and *Sunnah*.

"O you who believe! Eat not up your property among yourselves in vanities: But let there be amongst you Traffic and trade by mutual good-will." [TMQ 4:29] "and when the (Friday) prayer is finished, then may you disperse through the land, and seek of the Bounty of Allah: and celebrate the Praises of Allah often (and without stint) that you may prosper." [TMQ 62:10] "Allah has permitted trade and forbidden usury." [TMQ 2:275]

"And O my people! Give just measure and weight; do not withhold from the people the things that are their due: commit not evil in the land with intent to do mischief. That which is left you by Allah is best for you, if you (but) believed! But I am not set over you to keep watch!" [TMQ 11:85]

Rasul-Allah (saw) was asked what type of earning was the best, to which Rasul-Allah (saw) answered, "The work of a man's own hand, and every pious sale." [Hakim] Rasul-Allah (saw) said, "A trustworthy and an honest and truthful businessman will rise up with martyrs on the Day of Resurrection." [Ibn Majah, Hakim] He (saw) also said, "A truthful and trustworthy trader will rise up with the prophets, the righteous and the martyrs." [al-Hamim, Tirmidhi]

As Muslims, we should not consider that Allah (swt) left us to trade in whichever manner we choose without giving us a guide. Allah (swt) sent Rasul-Allah (saw) as that guide. 'A'isha (ra) reported that Rasul-Allah (saw) said, "He who does an act which is not in accordance with our matter will have it rejected." The basis of all trading is the contract. As we are encouraged to trade we are therefore encouraged to understand the subject of contracts within Islam. Further to this, it is not just merchants and entrepreneurs that are involved in trading. All humans, not just this, it is not just merchants and entrepreneurs that are involved in trading. All humans, not just Muslims, need to exchange in some form. Therefore, if we are to perform our transactions in accordance with what has been revealed, it is necessary for us to understand some basic principles of contract.

THE CONTRACT ('AQD) IN ISLAM

It is obligatory for us to honor our contracts and agreements.

"O you who believe! Fulfill all your covenants." [TMQ 5:1]

"Fulfill (every) engagement, for (every) engagement will be inquired into (on the Day of Reckoning)." [TMQ 17:34]

Contracts may be generally described as the effective mode of acquisition of ownership and transfer of property or services. It expresses the combination of offer and acceptance. The contract, 'aqd or tie, forges legal relations between two parties over a particular matter. It is formed with the declaration of offer *al-ijaab* (offer) and *al-qabool* (acceptance). An example of *ijaab* by a seller would be, "I sold this to you for the price of..." *Al-qabool* would then be "I accepted". Regardless of how elaborate a transaction may be, this simple model is the basis of all Islamic contracts.

Contracts and agreements should preferably involve the spoken word. The maximum degree of clarity must be given by the one who makes the offer, and the maximum degree of clarity must be ascertained by the one who accepts. This is the underlining principle of contracts in Islam. The period between the offer and its acceptance should not be longer than what is customary. The offer should not be made conditional (*t'aliq*) upon an occurrence outside the agreement. For example, the contract is invalid if a person sells his car under the stipulation that the purchaser shall not sell it again, "I will sell 'x', provided you sell it back to me, should you decide to sell it." [Sarkhasi, Mabsoot]

[H: Don't take this example as to meaning something that is not appropriate. You CAN build into a contract a very substantial phrase in such an instance and that would be "I will sell you this car and 'should' you wish to sell it, I ask that I be given right of first refusal for purchase (not RE-purchase)." This assumes, of course, that the object (car in this instance) is going to be sold on the "open market". First refusal is a gracious way of allowing someone to eventually gain back use of something should he be at a future time better able to afford to have the object. This in itself assumes that the object had to be sold for reasons of necessity, shortage of living funds, and general need. It is not a BINDING law and can only be as a "side agreement" between seller and purchaser.]

On the authority of 'Urwa, 'A'isha (ra) said Burairah came to me and said, "My people (masters) have written the contract for my emancipation for nine ounces (of gold) to be paid in yearly installments, one ounce per year; so help me." 'A'isha (ra) said (to her), "If your masters agree, I will pay them the whole sum provided the allegiance will be for me." Burairah went to her masters and told them about it, but they refused the offer and she refused the offer and she returned from them while Allah's Messenger (saw) was sitting. She said, "I presented the offer to them, but they refused unless the allegiance would be for them." When the Prophet (saw) heard that and 'A'isha told him about it, he (saw) said to her, "Buy Burairah and stipulate that her allegiance will be for them, as the allegiance is for the slave-freer." 'A'isha (ra) did so. After that Allah's Messenger (saw) stood up amidst the people, glorified and praised Allah (swt) and said, "What is wrong with some people who stipulate things which are not in Allah's laws? Any condition which is not in Allah's laws is invalid even if there were a hundred such conditions. Allah's rules are the most valid and Allah's conditions are the most solid. The allegiance is for the slave-freer" [Sahih al-Bukhari]

GENERAL ISLAMIC RULES CONCERNING CONTRACTS

According to Imam Ghazali, "A Muslim who makes up his mind to adopt trade as a profession or to set up his own business should first acquire a thorough understanding of the rules of business transactions codified in the Islamic *Shari'ah*. Without such understanding he will go astray and fall into serious lapses making his earning unlawful."

There are several general rules about trading agreements with which we should all acquaint ourselves. We are all directly or indirectly involved in these types of agreements. As stated, one of the key issues is clarity. Many ahadeeth concerning buying and selling indicate that clarity in the agreement is paramount:

Ibn 'Umar (ra) related that Rasul-Allah (saw) said, "If palm trees are sold after they have been pollinated, the fruit belongs to the seller unless the buyer makes a stipulation about the inclusion." [Muwata, Muslim]

Hakim bin Hizam (ra) related that Rasul-Allah (saw) said, "Both parties in a business transaction have the right to annul it so long as they have not separated; and if they speak the truth and make everything clear they will be blessed in their transaction; but if they tell a lie and conceal anything the blessing on their transaction will be blotted out." [Muslim]

Ibn 'Umar (ra) also related that Rasul-Allah (saw) forbade the sale of a heap of dates, the weight of which is unknown, in accordance with the known weight of dates. [Muslim]

Jabir bin 'Abdullah (ra) related that Rasul-Allah (saw) forbade the sale of a "heap of dates", the weight of which is unknown, in accordance with the known weight of dates. [Muslim]

There are many unique mannerisms that Islamic traders should adopt. These are very different to those adopted in the West. Moreover, these manners are not just a gentleman's code of ethics; rather they are the direct product of the sayings of Rasul-Allah (saw). It is forbidden to buy and sell with any undue advantage over other traders. For example, trading in ignorance of the current market prices.

Ibn 'Umar (ra) related that Rasul-Allah (saw) said, "Do not go out to meet merchandise on the way, (wait) until it is brought into the market." [Muslim]

Abu Hurayrah (ra) related that Rasul-Allah (saw) said, "The townsman should not sell for a man from the desert (with a view to taking advantage of his ignorance of the market conditions of the city)." [Muslim]

Ibn 'Umar (ra) related that Rasul-Allah (saw) said, "No-one amongst you should enter into a transaction when another is bargaining."

Ibn 'Umar (ra) related that Rasul-Allah (saw) said, "A person should not enter into a transaction when his brother has already made a proposal except when he gives permission."

These two last ahadeeth have many implications for sale such as auctioning and guzzumping, which may involve Muslims.

TODAY'S SITUATION

We now live in a situation in which Islam is not implemented in its correct form anywhere in the world. This fact has left Muslims focusing on ritual aspects of Islam. For example, prayer and fasting, etc. Generally, there is a good understanding of the rules of prayer amongst the Ummah. However, there remains a general lack of knowledge of contract law. There are many problems that we face in modern life that we can not take for granted. We can not assume that the ways in which we buy, sell, rent and hire are all allowed in Islam. In an article like this, space does not allow comprehensive answers to questions about trading. However, we should question many of the common trading methods employed today. To follow are a few examples of trading methods that we should consider.

The verbal offer and acceptance is certainly the best contract in Islam. This manner of transaction can easily be performed even in the modern age and even in Europe or America. However, it is common practice today to place orders by purchase order form, by FAX machine, merely quoting a catalogue or part number of the items to be purchased. Further to this, items can be bought

over the internet from anywhere in the world from one's living room. Also, Rasul-Allah (saw) forbade "...making one contract of sale into two transactions". [Nisa'i, Tirmidhi]. So, it is not permitted to sell a car, stipulating that the buyer buys parts from the seller alone. Nor is it permitted to sell a house, whilst insisting that all the furniture is to be bought from the seller. He (saw) also said, "...the attachment of an extra condition with a sale transaction" [Tibran]. Issues such as vending machines, hire-purchase agreements, the involvement of separate financing companies, insurance cover, trading in stocks and share companies, selling things that are not yet in one's possession and sub-contracting of orders, are all issues we cannot assume are allowed or not allowed in Islam. As a final example, the employment contract is a contract that should be honored in Islam. There are many comprehensive rules mentioned directly in the *Quar'an* and *Sunnah* concerning employment of labor.

"The duty of feeding, clothing, and nursing mothers in a seemingly manner is upon the father of the child." [TMQ 2:233]

Abu Hurayrah (ra) narrated that Rasul-Allah (saw) said, "Three persons I am their opponent on the day of judgment; a person who gave in my name and then betrayed, one who sold a free person and used his price, and the person who hired a laborer and did not give his wage." Rasul-Allah (saw) also said, "Whosoever hired a person he has to inform him about his wage."

In today's situation both the employer and employee must honor the work contract not for the sake of humanity but for the sake of fulfilling Allah's (swt) command. However, this has implications for trade unions and strike action. Withdrawal of labor in industrial action is a violation of the original contract and is therefore forbidden in Islam. Trade unions are established to protect the rights of the worker. Whilst in Islam, only the Islamic State is allowed to protect worker's rights. It is not allowed for Muslims to participate in such 'industrial action'. However, this is the normal way of settling disputes in a Capitalist system.

[H: STOP! Let us have a closer understanding of what this is actually stating. There is an assumption here that somehow "Capitalism" is some kind of alien "state of being". No, I would define CAPITALISM so that you better understand that Capitalism is THE SYSTEM UNDER WHICH ANY PERSON OR BODY OF PERSONS ALREADY OPERATES IF YOU HAVE A VALUE- AND QUALITY-BASED STRUCTURE. When definitions of terms are not changed or misdefined:

CAPITALISM: A SOCIAL SYSTEM BASED ON THE RECOGNITION OF INDIVIDUAL RIGHTS, INCLUDING PROPERTY RIGHTS, IN WHICH ALL PROPERTY IS PRIVATELY OWNED. This is actually that which allows a person to act as responsible party for things such as signing contracts, selling or buying property of any type and thus and so. This is a total recognition of a person's (individual) rights to hold a "thing" and transact business regarding "that thing". We all recognize that all things MANIFEST are actually only "on loan" or presented for the USE of mankind. But while a living person has control he is responsible and under correct contractual circumstances is considered the "owner". This of course is inclusive of items assumed or determined to be "owned" by a living individual. Other human beings cannot be owned for that is enslavement. But here I only wish to define capitalism for it is the only philosophy which allows FREEDOM.]

PRE-ISLAMIC CONTRACTS

It is clear from the seerah of Rasul-Allah (saw) that the business ethic of the pre-Islamic Arabs was riddled with corruption. Indeed, the dishonesty in *jahiliyyah* is condemned in the *Qur'an*.

"Woe to those that deal in fraud, those who, when they have to receive by measure from men exact full measure, but when they have to give by measure or weight to men, give less than due. Do they not think that they will be called to account?" [TMQ 83:1-3]

The Jews, Christians and Persians at the time were again not noted for the fairness in transactions. The first Muslims were on the one hand encouraged to adopt trade as their profession and on the other hand exhorted to observe truthfulness and honesty in the transactions. This was surely a unique situation at that time. Similarly today the Islamic society should have a very unique character.

CAPITALISM AND CONTRACTS

Western style contracts and agreements are usually in the written form only. Buying and selling agreements are always underpinned with the maxim caveat emptor or buyers beware. Not only is it in the written form but they involve reams of very small print. This small print is written in language that is harder to interpret than Shakespeare's sonnets. This combination of jargon, oxymorons and tautologies all contribute to enshrouding agreements with the mystique of ambiguity. Loophole and get-out clauses are always woven into the agreement in contract-speak. Any person who has ever tried to end a contract of line rental for a mobile telephone fully should understand this. Western trading is often based on maximizing profits through deceiving the purchaser.

[H: I am stressing this because it is to be understood by all who work with me that we attempt to be as simplistic, straightforward, and honorable as is possible under ANY and ALL circumstances. We have NOTHING to "sell"; we wish to be mutually beneficial to one another to further FREEDOM and INTEGRITY among humankind while protecting to our utmost ability those things which return natural creations (ALL THINGS) into harmony, balance and brotherhood. This is WHY we offer what turns out to be MORE THAN HALF of any asset to remain and be used in a given area of funding to both support ongoing projects and meet unforeseen needs, for WE ARE OF GOD AND THIS IS GOD'S OFFERING UNTO MAN TO ACCOMPLISH AND ACHIEVE THE BEST WITHIN EACH IN HIMSELF. OUR WORD IS OUR TOTAL BOND EVEN IF A PAPER CONTRACT IS LOST. THIS IS THE WAY MANKIND MUST COME TO FUNCTION IN TRUTH, LOVE AND HONOR. WE ARE HAPPY TO MEET THE NEEDS OF ANY "GROUP" AS TO CUSTOM EXCEPT THOSE VERY CONTRACTS WHICH DECEIVE AND THIEVE FROM UNSUSPECTING PARTICIPANTS OR WHICH FINALLY CONFISCATE THE FUNDS, THE PROJECTS, AND THE PEOPLE'S HONORABLE STATUS. IF YOU ARE NOT SURE WHAT THIS SAYS: STUDY IT CAREFULLY. THIS IS THE "TIME" OF GOD THAT MANKIND MAY COME INTO BALANCE AND FREEDOM SO THAT THIS OLD PLANET MIGHT HAVE REPRIEVE FROM THE PROPHECIES OFFERED BY THE ADVERSARY OF GOD CREATOR. EVIL IS DESTINED TO FALL FOR WE SHALL BUILD A BETTER WORLD! KNOW IT! OUR BRINGERS OF THIS GIFT ARE OUR BELOVED AND DARING TRUTHBRINGERS

AND GIFT BEARERS. EVIL INTENT WILL NOT BE HONORED AND IF IT APPEARS THAT EVIL-INTENDED PERSONS ARE DOING WONDROUSLY WELL—COUNT THE DAYS—FOR EVIL SHALL FALL. SO BE IT.]

FULFILLING OBLIGATIONS FOR SERVICES

Agreements are not necessarily based on items and objects. Contracts to fulfill a service or duty are common both in Islam and in the capitalist system. Marital services are agreed upon in the *'aqd zawaj*. It is not allowed for either partner to withdraw marital obligations and duties. One can also make agreements for services from a cleaner, bookkeeper or a physician.

Islam is charged with the duty of implementing the law of Allah over the people. This is laid down and defined contractually. Unfortunately this is little understood by Muslims today. This is not because we are ignorant but because of our situation. The time is such that there is no living memory where this system of *bay'ah* (contract) actually existed as a working example. Muslims can only read about it in books. Nonetheless it is hard for Muslims to study this subject.

[H: I am going to interrupt here to tell you who probably have not read much of my writings so that we can example what the earlier adversaries of God of Light and Honor had perfected at the time of OIL development in the area we shall call the Middle East, and this will hold true for any area on the globe, but is more easily exemplified by, say, using Saudi Arabia as the Muslim "country" as focus. We shall refer to the "landholders" or leadership as "Sheik" for brevity and identification. We shall call the other parties involved, the Banksters.

When it was time to make a play to get control of OIL and all assets of the Muslim areas, the following scenario became the pattern for working, stealing, and then hopefully, wiping out the Muslims first through wealth and then through war. We will leave the "war" for another writing for we will here deal with the tale of Saudi Arabia. We could speak for hours on this one topic and have already done so several years ago. Therefore, rather than make this unduly long we will leave the story as it is here presented.

Along came those Banksters representing the British-Israel/U.S. groupies of Oil Companies and corporations. What they would do is move into a country and says to Mr. Sheik: "We know you have oil and we can develop it FOR YOU. We also know that you cannot accept USURY so we have made a plan whereby you are included in all profits but we have to handle it in a specific way to cover your religious attitudes.

"We will take the development and all profits and then pay you for some things right up front and the rest, since you can't accept 'interest', we will handle for you while allowing profits to build." BUT, came the next clincher: "To organize properly we demand that your assets be placed for a period of time (at that time, 30 years) into CHASE MANHATTAN BANK. OK so far? There was plenty of cash flow so Mr. Sheik didn't notice he was being "had". The money was then taken into the bank, OK, but was immediately transferred into myriads of smaller "holding companies". Ok so far—until it neared time to settle the accounts. As the time limitation got closer those holding companies started "COLLAPSING", one after another. No profits were forthcoming and all the bank had to say was, "Sorry Mr. Sheik Camel Driver, the corporation FAILED and all the assets

ARE GONE! There is nothing we can do about it." Trillions of Arab funds were down the drain and into the pockets of the Power Elite Controllers.

What could have been done about it? Well, note what happened in the Middle East! What could anyone DO about it against such war-power lords of insanity? Worse, however, to survive, the contracts were extended and since it was DEMANDED that oil and other precious things be paid for in DOLLARS wow, what a deal. The Muslims of this old globe have every bone to pick with these criminal elements from Satan, the Evil Empire and the Great Satan. But note, Muslims: that old "christian" nation of the U.S.A. is NOT. It is now considered the homeland of the Jews WHO ARE NOT EVEN JEWS. You need to help your brothers wherever you find them and in the U.S.A. look to the Nation of Islam Farrakhan. Never mind that one group may well not understand all the rules and foundation of the traditional LAWS but they are trying to both survive and change things. God will bless those who accept HIS gifts. But getting MAN to understand the gifts and the messengers is a tremendous undertaking. Therefore we work where we can.]

Please KNOW that man is a free-will entity living in physical form on the globe. We do not interfere with ongoing workings as man constructs them to be. We do, however, have to consider how to reclaim those things and freedoms taken through usurpation, usury and outright fraud and theft. We can only restructure THROUGH what IS AVAILABLE and therefore have to work "through" systems less than ideal to gain our ends. Once we can establish a basis of exchange (money) which is based on a valued commodity (gold is the choice already understood) all the global currencies will have value. THERE IS NO MONETARY SYSTEM ON THE GLOBE ACTUALLY BASED ON SUCH A STANDARD IN THIS DAY, 1999.

Man must come to some stability in his value systems and this does not include "spiritual values" for that is of higher understanding with that which is God and Self. We speak now of physical "living".]

Ironically, we see Western systems of government nurture the citizens in such a way that they understand the concept of the pledge to rule. The U.S. has widely broadcast (even internationally) inauguration ceremonies. This is where the president makes a pledge to honor the obligations laid down in the Constitution. U.S. school children all memorize the, "We the people..." preamble to the Constitution.

"WE THE PEOPLE OF THE UNITED STATES, IN ORDER TO FORM A MORE PERFECT UNION, ESTABLISH JUSTICE, INSURE DOMESTIC TRANQUILITY, PROVIDE FOR THE COMMON DEFENSE, PROMOTE THE GENERAL WELFARE, AND SECURE THE BLESSINGS OF LIBERTY TO OURSELVES AND OUR POSTERITY, DO ORDAIN AND ESTABLISH THIS CONSTITUTION FOR THE UNITED STATES OF AMERICA."

[H: Sorry to note for the world at large: THE CONSTITUTION OF THE UNITED STATES OF AMERICA HAS BEEN GENERALLY SET ASIDE UNDER FEDERAL RULE OF ADMINISTRATION ORDERS. SO WHEN YOU LOOK FOR FREEDOM, DO NOT LOOK TO THE U.S.A. FOR SAME UNTIL THE U.S. HOUSE IS CLEANED OF THE TREASONISTS AND TRAITORS, CORRUPTION, CORRUPTORS, AND SLAVE SELF-APPOINTED SLAVE MASTERS. THE U.S. NOW OPERATES BASICALLY ON "ZIONIST (JEWISH) TALMUDIC Laws of Zion".]

That small paragraph reminds the American people of the obligations they have to the state and the state's

obligation to the citizens. Their system of democracy is such that they believe that 'The People' are the actual rulers and are charged with the duty of upholding the Constitution. A direct parallel in the actual detail of the American system cannot be drawn with Islam. Its basis, democracy, is the antithesis of Islam. However, the principle of pledge of obedience to the khaleefah and the obedience of the Khaleefah to Allah (swt) must be ingrained within all Muslim. It is this principle of nurturing the citizens of the state to understand the position of pledges and duties that oils the machinery of the state.

CONCLUSIONS

Buying and selling is an agreement. The procedure of buying and selling should not be seen as a mundane and routine necessity. Rather, it is a normal human action from which we can derive many rewards both in this life and in the hereafter, i.e., it is an act of worship. The converse is also true. If one performs the act of buying or selling in a manner that contradicts the law one is sinful.

Many contracts made today are made without considering Islam. This is entirely unacceptable. For although they do not involve camels, dates and slaves, the principles laid down in the *Qur'an* and *Sunnah* are just as applicable today as they were in the time of Rasul-Allah (saw). None of us as Muslims should take any agreement lightly or assume that because that is the way things are done today, then that is the way we should do them. [H: EVERYBODY NOT JUST MUSLIMS!]

Lastly, we should remind ourselves of the one obligatory contract that none of us are performing today. That is the contract of *bay'ah* to the Khaleefah. Ibn 'Umar (ra) related that Rasul-Allah (saw) said, "Whosoever takes off his hand from allegiance (*bay'ah*), Allah will meet him on the Day of Resurrection without having any proof for himself, and whosoever dies while there was no allegiance on his neck dies a death of the Days of Ignorance (*jahiliyyah*)." [Muslim]

[END OF QUOTING]

This set of reminders is certainly not to burden anyone with some religious doctrine or another. We are moving WITH GOD and, no, we don't need brokers' in-between, i.e., priests, etc. Man may do what which he chooses but the ultimate LAWS OF GOD are really very easily noted as handed down IN THE BEGINNING. Almost all religions have moved AWAY from Allah and long ago ceased moving TOWARD PERFECTION IN GOD. This is fine, friends, for now all we have to do is TURN ABOUT AND GET IT RIGHT WITH GOD ALLAH AND LET US BALANCE THIS WONDROUS CREATION CALLED EARTH. EVERYTHING IS SACRED EVERYTHING. EVERY BEING IS "OF GOD" AND THOSE ARE THE FACTS WITHOUT NEED OR PURPOSE IN 'ARGUMENT' OR 'DEBATE'. THIS MEANS THAT THE LEAST IS AS PRECIOUS AS THE ASSUMED KING AND IT IS THE TIME OF THE LORD IN WHICH THESE THINGS SHALL AGAIN BE SET TO "STRAIGHT".

It is with such great love and care that we bring these gifts and there are very few "conditions" placed thereon, that we come to share in this awakening within the LIGHT OF CREATOR. And yes, take my hand FOR I KNOW THE "WAY" I AM THE "WAYSHOWER" YOU HAVE AWAITED.

IN THE NAME AND PRAISE OF ALLAH

I AM!

Status Report From the Phillipines

5/7/06 - #1 (19-264)

Sunday, May 7, 2006 7:00 P.M. YR 19, DAY 264
Manila, Philippines

RE: FOUNDATION, GAIA, E.J.'S PHYSICAL

FOUNDATION

Albeit slowly, progress is being made. The Supreme Court has not responded to our Petition, which seems to come as no surprise to our attorney, although Cenon has learned from a friend in the Clerk's office that the case has been "raffled" to one of the several Divisions. As a technique to keep some pressure on the court, we have filed a "supplement" further reinforcing the non-performance of Tallano as Administrator preparatory to an action we intend to take in the Regional Trial Court to have him replaced by the Foundation. That will be a red letter day when it happens but we are now two courts away from filing that petition, although most of the work is already done.

In his "spare time" Ron is beginning to work on a GAIA website. At first we will do links for Foundation documents on that site. When the Foundation can pay for it, it will get its own site. Cenon's daughter-in-law has typed the first five and most important court cases, so that we soon will not have to copy some 300 pages when we are trying to educate someone to the validity of the claim; we will be able to refer them to the place to find them on the Net. Even Filipinos gulp a bit when we talk about 400,000 metric tons of gold.

We have now met with several groups to introduce Ron. Friday we had 4 meetings that took a solid 10 hours. We were both a little draggy yesterday but managed a couple of meetings. Only one today so I have caught up the email. Although we are probably less than half-way through the groups we should introduce to Ron, I think we have seen most of the ones we should see first and can ease up on the marathons. Word is getting around so there will be plenty of action without our having to initiate all of it.

TONGA

We have been taught that there are no coincidences. A week ago (April 30) we met with a group of Tongans who spend most of their time in San Francisco, brought to us by a Filipino who also lives there but comes here often. After a few meetings we issued them a DEED to start a bullion-based Islamic-style bank, the first DEED for Ron and I. Three days later Tonga was hit with an 8-point quake, the tsunami alert went up and even the New Zealanders headed for the hills. The tsunami was measured at 10 INCHES! Maybe there are lots of explanations for that but please be reminded of this when you see the picture Ron took from our balcony a few days ago. Strangely, the coincidence didn't stop there. The next day after the 8-point quake I got a call from our friend

in Papua New Guinea saying that he had some friends in Tonga and could we work with them. Entirely different group so we will have to be careful that they do not stumble over each other.

SUDAN

If we were to look all around the world for the most likely candidate to join the Global Alliance, it would have to be Sudan. There may be many others but right now they seem to be the most committed to establishing their own sovereignty. Whether the pool of oil beneath Sudan is as large as the one beneath Saudi Arabia is open to very quiet debate. The Saudis have, however, spent a lot of money to keep it from being tapped because it would surely return the market to a much lower level and break the Saudi control of the price. In terms of area, Sudan is the largest country in Africa, even though it has less than 50 million people.

In western Sudan, on its border with Chad, is a huge semi-desert called Darfur. For a few years now somebody has been stirring the ethnic pot in that area and in the past 2-3 years those people have taken up arms, giving the government the excuse to indirectly "cleanse" the area and causing some 2 million to run across the border into Chad. The US, Brits, and the UN have been trying to negotiate a peace agreement from Abuja in Nigeria. That agreement has been signed by some of the combatants as of yesterday so maybe they will take time off to lick their wounds so that the people we need to be active in our program can go back home for the few days that we need them there. Our solution to that problem, in case I haven't mentioned it before, would be to put another dam in the Nile and use most of the power generated to pump water out to that area to irrigate the Reforestation/Ethanol projects about which we have raved so much. Getting the ground ready and building the cities required can start immediately so the effect could be almost instant and very dramatic, although it might not suit the Saudis and the IBC.

SOUTH AFRICA

Carol is quietly working away to get some doors opened so that if Ron needs to go in that direction he will have more than one country to talk to. She has about 4 very good prospects so something could begin to come together there.

OIC

No—not Only In Canada. That stands for the Organization of Islamic Conferences. Our friend from Mindanao has many friends and is influential in the organization. He is getting some help from them to have Nur Misuari released by this government, after which he could be very effective in introducing Ron to some of them, especially Brunei and Indonesia. Mindanao also needs an Islamic-style bank and there are lots of gold treasure sites as well as un-mined gold

in Mindanao. One of the meetings he wants Ron to attend with him is at Baku on the Caspian Sea in Azerbaijan. Lots of Muslims in that area.

TOM TAYLOR

Tom is back at work and his Father-in-Law was only in the hospital a few days. He was to go to Mindanao over this weekend. I mention him only because I have before, because he seemed to have had the same bug that Doris had. I have never been able to choke the name of that bug out of any doctor—they have a "closed shop" here, also.

EJ's HEALTH

After the fact that seems like a rather silly heading but I owe you all the "bottom line". If I change my life-style a bit and lose 20 pounds I can live a long and productive life. I have to eat fish instead of steak, some chicken (not fried), lots of raw fruit and salad veggies, etc., and take a hypertension pill every morning. Right now, after only 8 pills my BP is 124/79—56. In a couple of weeks I will go back and pass their stress test. Now if there was a miracle fix for the macular degeneration in my left eye I could take up flying again.

PHILIPPINE POLITICS

There isn't enough time in a week to cover that one. It appears the Supreme Court has decided they have paid GMA for all the favors they got from her. They have ruled against Executive Order 464 applying "executive privilege" (the right to decline to answer questions of the House and Senate, or to even attend their hearings), her "calibrated preemptive response" wherein she ordered the police to break up rallies before they could reach "critical mass", and her EO 1017 "Emergency Powers" authorizing the warrantless arrest and seizure of properties, including businesses. She has threatened arrest of journalists and taking over newspapers and media so there is a lot of whoopee over the actions of the Supreme Court. The special court set up to prosecute Erap is about to run out of excuses not to let him go so one of these days it will come together. In the meantime we are doing all we can think of to be ready for a change of the tide.

SUMMARY

Ron and I are doing very well together. His bed finally came and we have shifted most of the stuff around. We still have a huge pile of luggage and boxes in the middle of the living room, some of which can go under some tables when we quit moving them around, and the rest can go to storage in the basement of this building. Business wise it looks like Phase II is well underway so we will just keep pushing ahead. Our best to all,

EJ & Ron

Introduction to the Divine Plan

As we enter into Phase Two this is a very good time to review the overall Divine Plan, as alluded to by President Ahmadinejad of Iran in this issue's cover story. Here we present a special introduction to the Divine Plan as written by GCH late last year.

11/30/05—#1 (19-106)

Wed., November 30, 2005 7:45 A.M. YR 19, DAY 106
MANILA, PHILIPPINES

RE: LET'S TALK THE FACTS MA'AM: CREATION, MYTHOLOGY AND EVEN A BIT ON THE PHILIPPINES!—GCH/d

HAVING YOUR INTEREST HELPS!

Most of you have long forgotten the early messages which we poured forth and sometimes two books a month and this continued until in this 19th year we have published hundreds of volumes and have as many more waiting for the press as participation in "events" and "jobs at hand" took precedence.

To you who might be waiting for our more earthly adventures to conclude in our favor I want you each to know that YOU (yes, YOU) are, IF INVOLVED, carefully chosen, respected and CAN PERFORM AS NECESSARY IN THE CAPACITY OF YOUR POSITION—AS ACCEPTED BY YOU.

It is time to further remind you of how things WERE AND ARE! Debating and arguing over opinions and perceptions is fine but unworthy of righteous realization. You ask God for help and solution, HE SENDS IT, and you argue and turn away in your bog-fog of what OTHERS say or do and pronounce upon you. So be it.

I again have your attention as we speak of those "extraterrestrial" things and beings still quite invisible to your sensing manifest bodies. Mostly this is because you have now been trained as puppets to accept what the enforcers of "how it will be" have drummed into your brains and subconscious minds like daily poison.

The ancient elders REMEMBER but quickly now that too shall pass for the very tribal "Wisdomkeepers" are moved on and the "modern" world with its vices and hate has replaced the TRUTH. Crying over it will not help for just "knowing" does nothing if action is not forthcoming in some level of understanding. Sometimes you simply have to find a level of acceptance in that which is sent to help you in trust and faith of recognition. DISCERNMENT IS ALWAYS MANDATORY LEST YOU BE LED COMPLETELY ASTRAY AND DEEPER IN DESPAIR.

I am not going to have my scribe take the hours required to completely re-present that which is already written but it is certainly time that you refresh your memories and yes, indeed, get the books AGAIN and actually help, at the same time, carry the burden which must be borne by the load carriers in this venture through the worst of time and space on your planet.

I have no need to be dramatic or frightening for what we offer has long been offered and expected while the ultimate PROMISE was that the "word would go forth to the four corners of the world that all would be reminded and warned of that which would follow." That being noted as we write in this new Millennium already now moving into its sixth year. This means that what we wrote on this particular topic

in 1992 is now over a decade ago.

Two volumes to bring to your attention are *THE DIVINE PLAN VOL. 1*, Journal No. 50 and *DIVINE PLAN VOL. 11*, Journal No. 57. Therefore you will note that a very, very important series of Journals came in the middle called the TANGLED WEBS Series: The Funnel's Neck, Marching to Zion and Sex and the Lottery. Each one is as important as another so don't be stingy with yourself for this is the truth of the journey and unless you KNOW it you cannot possibly participate.

As to you who would want more about "stargazing" I suggest you also consider the Journals we offered on Pleiades and the Cosmos along with whatever Cosmology was allowed to remain in our "rewritten" journals for some of the first were BANNED BY THE COURTS.

Some of the books will by now be out of print but I do believe it is time to again run a list of Journals available for readers' information and consideration.

It will probably also be noted as you acquire books that there is OLD information as to publisher, etc. I THEREFORE ASK THAT EVERY BOOK SHIPPED BE GIVEN AN INSERT, IF OTHER THAN CURRENTLY APPROPRIATE, WITH CORRECT PUBLISHING INFORMATION. THOSE INSERTS CAN BE PRINTED IN BULK WHERE NECESSARY AND SIMPLY NOTED AS EACH ORDER IS FILLED.

Please know that every cent from the Journals moves back into keeping publication, especially of the paper, going. And no, readers, most of your acquaintances will STILL think you are somewhat NUTS. Nobody WANTS to hear TRUTH for it is uncomfortable and, if believed, requires assumption of some responsibility of which nobody wishes to be saddled as long, especially, as "someone" (anyone) ELSE will bear the burden while you "wait". It really is a lonely task at this station while the jobs are myriad indeed. Energy is oozed out like hemorrhaging wounds from my people for it is for "me" they bear this load and it is most often unacceptable for dharma cries out that it is "enough already". Well, until we are finished it is NOT ENOUGH ALREADY OR OTHERWISE.

A petition of the moment has now represented that camel's back-breaking "straw" that bewilders and brings hurt to the heart as one more "take-on" comes up from an already overloaded entropy pile and which has nothing to do with our program—but relatives of others with a severe back-problem. Where does it stop? It doesn't, don't you see?

Turn from the moment, dharma, and let us consider our ongoing writing here underway. I think it better in wisdom to ask you to, before we move further, copy the back cover of the Divine Plan Vol II. YOU NEED TO BE ALSO REMINDED OF THE "PLAN"—THE UNFOLDING AND COMMITMENT "ACCEPTED" FROM "THEE TO ME".

[COPY: Summation, Oct. 1992:]

GOD, TOO, HAS A PLAN 2000!

DIVINE PLAN, VOL. II

Gyeorgos Ceres Hatonn

A Phoenix Journal

[Excerpt from front cover:]

"In the beginning is reflected that which would come to be.

"WILL YOU COME AND WALK WITH ME?"

I AM BUT YOUR BROTHER COME TO HOLD THE LAMP UNTO THINE STEPS THAT YOU MIGHT ALSO FIND YOUR WAY HOME. BUT IT IS FOR YOU WHO MUST DETERMINE THE DWELLING PLACE OF YOUR CHOICE FOR FATHER HAS MANY MANSIONS AND MANY PLACEMENTS AND ONLY YOU CAN DETERMINE WHEREIN YE SHALL DWELL."

[Now to the back cover for a quoted excerpt:]

"Did you not KNOW that God Creator has a Divine PLAN for the unfoldment into LIGHT? Would HE who cherishes you as self allow you no port unto which to enter and find refuge? Ah, but you thought - -? No, if you perceived there would be no plan by which that of evil would be put down, then you erred in knowledge and must attend, better, your lessons. YOU turn from GOD—GOD TURNS NOT FROM YOU—EVER!

"How think you, however, that you can understand and act wisely and clearly upon or within a 'Plan' when you are still in ignorance as the babe with experience yet to be unfolded? You must learn that which was in the beginning and understand that which has come to be and now, WHICH IS! Although it may seem unclear and the doubts beset your way—in your reason you can know that which IS by its signs and actions all about you—NOW. These things did not come upon you only in the yesterday—these things of today have grown and become the octopus smothering you—since onset of the 'play'."

[END COPY]

Perhaps I need to also refresh the reader's memory in that "dharma" has NEVER received even one cent from any of the books, the paper or any product which she herself had to "create" and bear responsibility. I tell you this because it is somehow "assumed" that any work FOR GOD must be returned with boundless wealth as enemies shout and spew, total joy and luxury, etc., etc.

NO, that assumption is incorrect.

In the early writing days, the GREENS of America West Publishers did clear about \$200,000 a year and did "take" the first 50 Journals as their own. They literally "stole" 110 THOUSAND volumes and which were ordered RETURNED, by the courts. There was an additional "Settlement Agreement" with an additional \$25,000 plus \$1,000 "sanction" which was never collected by failure of the lawyer to do other than spend the Trust Funds while rendering NO SERVICE. Nothing ever happened as somehow George Green "misplaced" them and then said they were destroyed by a flood in, yet, Carson City, Nevada. It is much like the gold that Green buried in his backyard for himself which belonged to "us". Now, please, realize that perhaps dharma has a bit of a right to feel somewhat used and a lot abused. By the time of "collection", finally concluded, Ekkers were in the Philippines so nobody carried the "ball". Oh well? Oh well.

Hatonn will fix it? Indeed, I CERTAINLY AM! Meanwhile we LEARN OUR LESSONS!

A recognition you all must come to appreciate is that GOD PROVIDES THE "WAY" AND THE "WORD"—YOU MUST DO THE JOB.

GOD HAS A DIVINE PLAN TO MOVE INTO PLACE IN THIS TIME AND SPACE BUT "YOU" ARE THE HANDS AND FEET WHICH SHALL "CREATE" THE MANIFEST AND ACCEPTABLE WAY. WE GIVE "YOU" THE PLAN AND "THE

WAY” BUT IF YOU WANT CHANGE AND COMPLETION—YOU SHALL DO THE WORK. THAT IS THE BOTTOM-LINE WHICH SOMEHOW RELIGIONS FAIL TO SHARE WITH YOU IN YOUR JOURNEY TO “SALVATION” AND “RAPTURE”. SO BE IT.

God has now provided you with the most important one holding on the face of the globe along with the very ability to back it with HARD COLLATERAL COMMODITY. And yet still we must confront the dragon-King at every breath. Well, you were never promised a Rose Garden or even thornless roses of any kind. Many come and many claim to want to participate UNTIL — ! The minute there is personal “call” there is an evaporation process which takes place and people learn to become “invisible”—a trick we can all appreciate.

Ours is not to “complain” but neither is ours to be the endless “Goodie two-shoes” or “Pollyanna” grabbing at Pandora’s leftovers from the “Trouble Box”. Blame comes from every direction and insinuations of our “taking” and living somehow in “life-styles” of luxury while hiding assets from certain individuals who actually have better knowledge as to truth than what is publicly offered in accusation-mode. The debts will be repaid but as with the sharing, it was well understood as to circumstances while the hurt becomes great in the human heart when such things are thrust against us. “I” use it as absolute “sorting” but the human expression is wounded and feels “failure” in performing in the face of such devastating losses as to bring us to our knees, for if my people are on their knees, THERE TOO AM I AND SHALL REMAIN FOR AS LONG AS IS REQUIRED. And yes indeed, YOU TOO ARE “MY PEOPLE”. Thank you for allowing this interchange for the “refueling” stops are far apart with few in-between.

It is, however, that I MUST HAVE MY TEAM moving ON no matter what the interim circumstance for it is only through this integral trust and duty done that we can accomplish the task and attain the goal laid forth.

I know that you readers don’t take much stock in our saying that we are preparing a place for YOU—but that is exactly that which we do. YOU are going to need some alternatives and hopefully we can achieve some of those alternatives before you in the U.S. fall into total collapse or disaster.

Ah but, you say, you do not want to live in a third-world trap of corruption. So be it for that is what we are about and THAT is to bring this up from the trap it is in and bringing possibility of “survival” (frankly, for your very bodies as now established)—nearer the equator where devastation from magnetic shifts and wobbling can best be stabilized.

Ah but, you don’t want to live here? Fine, but our accepted responsibility is to make a place, secure that place and tell you how it is going to be so that you can make your choices in wisdom and with intelligent action. You don’t, certainly, have to go ANYWHERE except to your “grave” if you die.

This is a job with nothing but confrontations and piles of foolish accusations. We are NOT your spiritual gurus or your psychic know-it-alls. We are in knowing what is expected from your idiots abounding but to push and shove is not among our daily chores even if it appears to dharma otherwise.

To accomplish our “duty” we must make sure that we can offer jobs and placements for both security, living and an ability to, yes, make intelligent choices before the NEED OF FINAL SOLUTIONS. This is actually offered as “no more—no less”. It is not today we flit away to Wonderland through the looking-glass and that is all

we have, this day, to even consider—BUT WE WILL “GET THERE”, chelas. KNOW IT!

Ah but, others of you say: “Mr. Scallion says that the Philippines will be gone.” Oh? And who is “Mr. Scallion”? You had better check out the deepest ocean trenches on your globe and recognize where the support commodities have been laid aside for your use in a time of such global change.

GOD NEVER LEAVES YOU WITHOUT SOLUTIONS, EVEN TO PLACEMENT CHOICES. But NO, today is not even for consideration for such hop and flit about to here; you would not thrive. By the way GOD can judge “time” far better than can you in our assumption of self-intentions. And no, we will NOT ACCEPT even one more bit of load for we have a job to do. These points are for your consideration as days begin to look darker at the hands of the enforcers and corrupted super-manipulators. We still have hounding enemies who must be “contained”, rebutted and moved “beyond”.

We do not separate the activities in the Philippines and the Foundation as in any way separate or apart from Global Alliance and here we come right up against the strongest and most powerful players IN THE WORLD. Be kind to us and also a bit patient.

I don’t wish to discuss this more at this time but we too must consider our steps as we enter into a new year and a new perception. We always need a few course corrections and detail wrap-up needs.

Your spiritual “Christmas” message must also be appropriately and honestly offered for we must spiritually and emotionally make it through the difficult times of mind-push and pull. WE CAN DO THIS, FRIENDS, and WE SHALL DO IT.

For you who are weary and a bit down-trodden let us move out of sequence and see if we can boost your own “feelings” with a bit of reminding of TRUTH and circumstances (consequences?).

I think that the most appropriate reference for this minute in time and space is to simply re-run the writing which is the “INTRODUCTION” I wrote for Vol II as referenced above. Then, please, get your books and STUDY them for you need fuel in TRUTH for your journey and most of you are about to run out of “gas” so to speak.

[COPY:]

INTRODUCTION

WED., OCTOBER 28, 1992 2:32 P.M. YEAR 6, DAY 73
WRITING NO. 4 (OF THE DAY)

(So there have been MANY days of weariness and fatigue to meet our needs.)

Did you not KNOW that God Creator has a Divine PLAN for the unfoldment into LIGHT? Would HE who cherishes you as self allow you no port unto which to enter and find refuge? Ah, but you thought - -? No, if you perceived there would be no plan by which that of evil would be put down, then you erred in knowledge and must attend, better, your lessons. YOU turn from GOD—GOD TURNS NOT FROM YOU—EVER!

How think you, however, that you can understand and act wisely and clearly upon or within a “Plan” when ye are still in ignorance as the babe with experience yet to be unfolded? You must learn that which was in the beginning and understand that which has come upon you only in the yesterday—these things today have grown and become the octopus smothering you—since onset of the “play”.

It is not that valid information is not present, actually flourishing, all about you from the same “beginning”. It is simply that you did not notice when

it was changed, tampered, rewritten to gain power and control and then became a deliberate intent to displace all of God—into the physical expression and control of the Evil of the physical dimension. It is that integration of Truth and history which is our intent. Not even in “allness” do we offer the story unfolded unto you—only that which causes you to go and research for your confirmations. We cannot give the “whole” of ALL in but a few journals, nor do we wish to effort at it—for great beings and men throughout the years have offered Truth—but you failed to grant them hearing as the evil adversary has swept across the globe in the never-ending plan of global domination and enslavement, depopulation and sustained ignorance of the soul of man.

Many of the “great” are not honored by my recognition of them—for they too perceive me as a hoax of some kind. How think they that God would present HIMSELF? How do you have promise of the Hosts and then not allow them hearing? It is fine, for those of whom I give recognition will some day understand and recognize that honor for the infinite greatness which it is. It is a “spiritual” transition and, therefore, it shall be through the path of spiritual expression that you will come into KNOWING. This means that it is not through sleight-of-hand, fortune telling and magic tricks of photography or even reality of presence that understanding will come. First must come the understanding in perception and THEN can come the presence in that which you can recognize in your physical expression.

This means, therefore, that you must face the truth of who you are, how you got here, wherefrom you came and began to experience in this place—then meet the “Beast” sent to destroy—and stand in Godness strength to dissolve this entity of destruction. You are given the tools by which to accomplish the mission if and when you recognize them. You would not accept them if they did so. Why do you not use thine reasoning gift of wisdom and top hiding in the dark corners of enforced ignorance? You have accepted the bindings into ignorance for so long that you no longer care beyond that ignorance or sham of lies.

Your personality, in fact, has become so engrossed in trying to get rid of or to exchange many of the things I have given you for other things you thought were better, that of course you could not and some still cannot even dream, much less acknowledge, Me or that reflection of your own self, as The Giver. I only represent the I AM which is also YOU. My own expression can only be fulfilled by the very acceptance and recognition of ME as that reflection through the expression of GOD CREATOR in the Lighted KNOWING.

Possibly you do not acknowledge Me as The Giver or the representative of The Giver, as the Inner Essence and Creator of all things in your world and in your life, even of your present attitude toward these things. For you must find in the infinite understanding that I am but a portion, as are you, of THAT WHOLENESS OF SOURCE.

Both are My doing just as they are YOUR doing, for they are but the outer phases of the process I AM using in the expression of “Idea” of your inner Perfection and calling upon it for attention and recognition. This Perfection is My perfection and that of our Source gradually unfolding from within you. Not mystically as in a fog—but in reality as in progression into the solving of the mysteries.

As you more and more realize this, will the true meaning and the use of the things, conditions and experience I bring be revealed unto you. For you will then begin to glimpse God’s Idea Within, and when you glimpse that Idea will you begin to KNOW Me

and He who comes with me in my journey within your own. This is when you recognize your REAL AND OWN—SELF.

Before you can truly know God, however, or the PLAN of GOD in understanding, you must learn that ALL things given you by we of the Hosts and reflection of God are of necessity in perfection of “goodness”—and, that they are for USE. They are not simply for the holding in being, but the movement of the thought projection of that which is ALL-lighted presence of motion and expression in experience. The Truth can be of nothing in value until ye take unto thee and use of it.

God, through us, or others of YOU, may be expressing through you beautiful symphonies of sound, color or language that manifest as music, art or poetry, according to human terminology, and which so affect others as to cause them to acclaim you as one of the great ones of the day. However, if you do not use that expression—NONE can ever hear or see that which was meant by God to be their gift THROUGH YOU. The ultimate plan of GOD is the fulfillment of this expression in the reflection of that which HE IS AND YOU ARE.

I dislike the mundane to make a point—but chelas, as with the prince and the frog—there are many frogs before comes the Prince. IF YOU CANNOT TELL THE DIFFERENCE BETWEEN THE FROG AND THE PRINCE—YOU CANNOT REACH A GOAL. THE ONLY ONE, IN THIS CASE, THAT I CAN SEE AS BEING IN BENEFIT—IS THE LADY FROG FOR SHE IS MORE APT TO FIND HER OWN “PRINCE” THAN ARE YOU TO FIND YOUR REAL “PRINCE”. Mostly, you will find the “toads” take the path to confuse and distract and spew their noxious spittle upon you. Does this insult the “toad”? In no way—for it is through your own lack of knowledge that you would tread upon the toad in the first place. Perhaps it is time you came to recognize a frog from a toad—and the “Prince” will come into proper perspective?

Almighty and infinite God Source says unto you brethren:

“You are ONE WITH ME. I AM in You, in Your human personality, in Your body, mind and intellect. I AM in every cell of Your Body; You are an Attribute of My Mind; You are a Faculty of My Intellect. You are a part of Me, yet You are Me, My self. We are ONE, and always have been and so shall always be!”

HOW DO YOU REFLECT THIS WONDROUS BEING WITHIN? DO YOU HIDE IN ACTIONS WHICH CAUSE REMAINING IN THE DARK CORNERS LEST YOU BE SEEN AND KNOWN IN ACTIONS LESS THAN GOODLY? OR, DO YOU SEEK AND STRIVE TO WALK IN LIGHTED PASSAGES AND BEAR THE LAMP OF TRUTH IN REFLECTION WORTHY OF YOUR GIFT OF LIFE? WHERE DO YOU CAUSE CHRIST-GOD TO EXPERIENCE?

ARE YE WORTHY TO KNOW THE DIVINE PLAN? SO BE IT!

I am sorry, students, for truth and knowledge will not come unless you make an effort to expose selves. It does not somehow, like a virus, jump onto you and become you.

We have done the work so that YOU can have access to TRUTH and THE PLAN. It is now up to you that which you will do with it. You will “bother” to come into knowledge or you will pass in ignorance and that choice is solely your own.

Here is another fine piece from Ed Haas which further explains the real truth of the intentions of the Neocon elite and how their long-term strategies shape the Middle East.

[QUOTING:]

ISRAEL AND THE APPROACHING WAR IN IRAN

By Ed Haas, *Muckraker Report*, 4/28/06

April 28, 2006 – In a February 27, 2003 New York Times article by James Bennet, Israel Says War on Iraq Would Benefit the Region, Israeli Defense Minister Shaul Mofaz said that “after Iraq, the United States should generate political, economic, and diplomatic pressure” on Iran. Mofaz also said that Israel has a “great interest in shaping the Middle East the day after a war.” According to Bennet, that same month, Efraim Halevy, Prime Minister Ariel Sharon’s National Security Advisor and former Chief of Israel’s spy agency, Mossad, said, “We have hopes of great stability, greater enhanced confidence from the Persian Gulf to the Atlantic shores of Morocco.” Halevy went on to say, “The shock waves emerging from post-Saddam Baghdad could have wide-ranging effects in Tehran, Damascus, and in Ramallah.”

Please note that the U.S. did not begin the invasion of Iraq until March 20, 2003; three weeks after two of Israel’s top officials, Mofaz and Halevy, made their forward leaning remarks regarding a post-invasion Iraq and Middle East. What is so remarkable about the comments of Mofaz and Halevy, beyond the fact that both spoke of the future of the Middle East “after” the War in Iraq, before it even started, is the arrogance and audacity of Israel to lay claim to the spoils of war – the right to shape the Middle East – with the clay created by Iraqi sand mixed with American blood.

Considering Israel’s publicly stated plans for shaping the Middle East, the fact that without the events of 9/11 the United States would not be fighting any wars in the Middle East cannot be ignored. Consequently, it is not conspiratorial to recognize that the events of September 11th 2001 helped advance Israel’s goal of someday shaping the Middle East from the Persian Gulf to the shores of Morocco because as the direct result of 9/11, and 9/11 only, the U.S. is making war in the Middle East. In police language, this is called a motive. This fact does not necessarily mean that elements of Israel’s government such as Mossad had direct or indirect involvement in 9/11. It just communicates a fact; that the events of 9/11 fit nicely into Israel’s overall objective of having the U.S. militarily engaged in the Middle East.

The most important news story that went widely unreported by the censoring, Zionist controlled U.S. news media in 2001 involved a clear Israeli connection to 9/11. The story, as reported in Haaretz – Israel News involved Jewish employees working in the World Trade Center receiving warnings of the 9/11 attacks 2 hours prior to the first plane flying into World Trade Center Building 1. An Israeli software company, Odigo, which has offices in New York and Israel, transmitted the warnings through its instant messaging service. The FBI was provided this information and so were the major media outlets in the United States. To date, the FBI has not released any investigation results, and the Israel-at-all-cost sympathizers who own and therefore control what Americans learn from their evening news have obviously and purposely refused to aggressively investigate this story even though it should have been headline news! After all, if every person working in the Twin Towers on September 11, 2001 had received a two-hour notice to get out of the buildings – zero people working in the buildings would have died

because the buildings would have been evacuated. There’s more to this story. The employees working in the Twin Towers that received the instant message warning from Odigo did in fact get out of the buildings before the attacks – without sounding the alarm to warn others in the buildings. There is no report or record of these forewarned employees passing this critical information onto anybody – until after the buildings collapsed and thousands of people died. It was only then that the FBI was contacted.

So what should the reader make of the Odigo story? There’s no need to read into it. It does not mean more than what is clear – a warning was transmitted into the World Trade Center Complex from an Israeli software company that provided instant messaging services, mostly to Israeli Ashkenazi Jews around the world, that an attack on the Twin Towers was imminent. Those receiving the warnings got out of the buildings before they were struck. The collapses of the Twin Towers propelled the War on Terror, which resulted in U.S. troops invading Afghanistan and Iraq – the Middle East. Israel wants to be the dominant nation in the Middle East not just for its own security – but also for expansion. Israel could not and cannot accomplish this objective without unwavering economic support and military protection from the United States.

Absent Israel’s infiltration into power positions and positions of influence within the Federal Reserve Banking Cartel, U.S. Congress, and U.S. media, the U.S. foreign policy in the Middle East would in fact be more even handed if not unfavorable towards the Zionist state. Without the Israel Lobby terrorizing Washington DC with its threat of destroying an elected official’s reputation if he or she even remotely suggest that Israel might be part of the problem when talking of peace in the Middle East, it is doubtful that the United States would tolerate the brutality, oppressiveness, and deception that is the state of Israel today.

Most people, particularly American Christians, are under the misconception that the interests of Israel are in the best interest of the United States. Sentimental Christians, who believe that the state of Israel is a reflection of biblical Israel when it clearly is not, fortify this misconception. From a biblical perspective, today’s Israel is a great deception that is detrimental, a clear liability, for the United States. Arguably, if the U.S. stopped giving Israel \$3 billion per year, if we demanded accountability regarding Israel’s nuclear weapons as we do of India and Pakistan, if we refused to act as Israel’s de facto bodyguard, then and only then will the possibility of peace in the Middle East materialize. Unfortunately, the Zionist influence and control within the U.S. media, banks, and government has the American people in a stranglehold, with most too preoccupied with self to question the Israel-at-any-cost status quo.

What’s next on the U.S. military radar? It is obvious to even the casual observer that the Iraq rhetoric is ramping down as the Iran rhetoric is ramping up. Israel wants Iran badly, and because of the Zionist influence within the American Jewish and Fundamentalist Christian communities, the U.S. will in fact bomb or invade Iran, not because it is in the best interests of the United States, but because it is what Israel wants. Obviously, nobody in the U.S. government, particularly the U.S. Congress or White House, will acknowledge that Israel has the United States by the proverbial balls, yet it absolutely does. If you question the absolute power Israel wields in Washington DC, look no further than the U.S. government’s official response to the Israeli attack on the U.S.S. Liberty on June 8, 1967. For all practical

purposes, the U.S. government has allowed Israel to get away with murder.

According to the U.S.S. Liberty Veterans Association, on June 8, 1967, while patrolling in international waters in the Eastern Mediterranean Sea, USS Liberty (AGTR-5) was savagely attacked without warning or justification by air and naval forces of the state of Israel. Of a crew of 294 officers and men (including three civilians), the ship suffered thirty four (34) killed in action and one hundred seventy three (173) wounded in action.. Within the U.S. Intelligence communities today, it is a shared belief that Israel, who claims that the attack on the U.S.S. Liberty was a tragic case of mistaken identity, did in fact knowingly and maliciously attack a U.S. Naval Vessel in international waters, although few will publicly speculate as to why Israel would do such a thing.

It is the belief of the Muckraker Report that the “why” of it isn’t that difficult to understand when looking at Israel absent of any religiously induced sentimentalism. The attack on the U.S.S. Liberty occurred two days into the Six Day War. (June 5 – June 10, 1967) I suspect that Israel had every intention of sinking the U.S.S. Liberty – killing all onboard, and then blaming the attack on Egypt, Jordan, Syria, or Iraq with the expectation that the U.S. would then strike back militarily and thus create a permanent U.S. military footprint in the Middle East that would guarantee Israel’s future security at the United States’ burden and expense.

Israel claimed that it thought that the U.S.S. Liberty was an Egyptian vessel; a total improbability because the crew of the U.S.S. Liberty – every last one of them – attest to the absolute fact that the U.S.S. Liberty was flying a clearly visible American flag. The attack lasted 75 minutes. Here’s an excerpt from the History Channel report on the attack:

We survivors say the attack was deliberate because what we saw argues that it was: Prolonged, low-level pre-attack reconnaissance in which the recon pilots were heard telling their HQ that we were American; an extended close air attack with large colors flying throughout; selective jamming of the very frequencies we needed to call for help; torpedo boats that examined the ship and flag from 50 feet away and CONTINUED to fire from close range for another 40 minutes; machine gunning of our life rafts in the water. Then they lied about everything and claimed that they recognized us as American even while the torpedoes were in the water and never fired again. Nonsense. They claim falsely that the boats called in the air attack because they miscalculated our speed from 22 miles away when in fact their maximum radar range was 16 miles and that they judged our speed at 30 knots when we were moving five knots. Nonsense. They claim we flew no flag. Nonsense. If it was a mistake, at least they could tell the truth. If they didn’t know we were American, why did they jam American radio frequencies?

The Muckraker Report predicts that left unchecked by the American people, the United States will be coaxed or hoaxed into bombing / invading Iran before the end of the Bush Administration. If Israeli / American Intelligence determines that the American people are losing their will to start a new war in the Middle East, the United States will experience another terror attack on American soil with all initial intelligence pointing at Iran as the perpetrator. By the time truth surfaces, the U.S. will already be militarily committed in Afghanistan, Iraq, and Iran, with no end in sight, and Israel will be busy “shaping the Middle East” with the blood, sweat, and tears of the American people.

[QUOTING, emphasis added:]

THE END GAME STRATEGY
THE PURPOSE OF OUR QUEST:
TERMINATING THE PERPETUAL HOLOCAUST
 By John Kaminski, *skylax@comcast.net*, 4/30/06

"The minute you let her under your skin, then you begin to make it better."

- The Beatles, Hey Jude

"Anyone who criticizes Israel's actions or argues that pro-Israel groups have significant influence over US Middle East policy," the authors have written, "...stands a good chance of being labeled an anti-Semite. Indeed, anyone who merely claims that there is an Israeli lobby runs the risk of being charged with anti-Semitism ... Anti-Semitism is something no-one wants to be accused of." This is strong stuff in a country where - to quote the late Edward Said - the "last taboo" (now that anyone can talk about blacks, gays and lesbians) is any serious discussion of America's relationship with Israel.

- Robert Fisk, Breaking the Last Taboo,

The United States of Israel

The woman I love speaks of the need for "an end game," something that will begin to resolve this cancerous impasse that separates spin from reality and gives us wars for profit and misery for all those not on the inside of the big money game.

She more than I know that the Jewish question and its manipulative influence on every aspect of human endeavor is the pivot point of any possible solution. The actual Jewish question is simply this: How dangerous is it for everybody else when one group, acting only in the interests of itself because this is its stated goal gains ascendance over every other group when this stated goal is the destruction or subjugation of every other group?

How dangerous is it? Just look at the world.

The epiphany that triggers the "end game" investigation is realizing that this calculated ascendance has already happened, and that the preponderance of people in the world are ruled by the vicious mercy of those who control the money. If you have any question about who controls the money then you are deficient in history, as is most of the world's human population.

The necessity for "an end game" strategy, she told me, was to avoid a worldwide Jewish holocaust a new, real one, not like the fake, old one because once everybody found out what was really going on and what had been done to them and those they love every Jew anywhere would be in very serious trouble. The backlash when you realize the monstrous magnitude of the manipulation and the thievery not to mention the outright senseless slaughter would be chilling.

Now, you may ask, what have Jews done to deserve such rancor and alarm?

The answer depends of how much of the story you think you know how much of the history of destabilized

societies (think Bolshevik Revolution, a wholly Jewish enterprise), of gaining control of other religions (think Scofield Bible and Martin Luther, not to mention those televangelists who profane their pulpits), and think most relevantly about who presently dominates world wide media.

Do you know about Palestine, really? Jewish media flipped the labels: the real story is Palestinian freedom fighters and Jewish terrorists. Israel is a "country" founded on terror and maintained in the same way.

Most importantly, remember this. Use of the word "holocaust" triggers a pre-programmed response in everyone, due to four decades of intense propaganda about the abuse of Jews by Germans. The dumbed-down American populace (you know! the bunch that accepts torture as part of democracy) now fully endorses the fabricated Jewish media view of the events of World War II, even though it was principally invented and embellished in the 1960s. The mainstream accounts of the Holocaust are so phony that many countries controlled by Jews have passed laws making it illegal to even discuss these matters as a way to stifle the debate, maintain the mindset, and conceal the fraud.

Yet a majority of the world's people especially savvy politicians who realize what it takes to get ahead accept this fiction as the cost of doing business. It is called selling your soul.

The dead children of Palestine and the radioactive families of Iraq are an acceptable cost of doing business to the creeps who push the buttons and drop the bombs all of them guilty of genocide under the terms of Nuremburg and Geneva. At whose behest were these crimes committed? That is the question everyone in the world needs to ask.

Remember? When Poppy Bush told reporter Sarah MacClendon: "*If people really knew what we're doing, they'd drag us out into the streets and hang us.*" This is the future each Jew faces when the general public finally learns what has been done to them over time by a small group which, through control of money and media, has finally managed to turn the society of humans into a fluoride-numbed herd of programmable consumers with consciences permanently anesthetized.

Those who would defend the Hebrew tribe would counter: It has always been this way. Why blame Jews?

Because Judaism and its unnatural offspring Christianity and Islam are at the center of all this turmoil back to time immemorial. And because today, Jewish money controls all of the banks and newspapers in the entire Western world, at least through advertising pressure, but principally by actual ownership.

The answer would be (and the knowledge every member of the tribe seeks to conceal) that "yes, it has always been this way", is precisely BECAUSE OF the history of the tribe, which even in the days before Babylon was establishing itself as a divisive force in ancient India before it brought the scourge of religious mind control into the palaces of Western civilization. Now we see it clearly in the depleted uranium dust now wafting around the world as America strangles itself for the profit of its Jewish overlords.

The report by Walt and Mearsheimer referred to by Robert Fisk at the top of this essay was a recent

brouhaha created for media consumption to test the public's perception of Israel's rule of the United States. Now, of course, Israel doesn't rule the United States, the Jewish community that lives in the U.S. and supports Israel rules the United States.

The Walt-Mearsheimer report merely restates the obvious: that no one gets elected to Congress without Jewish support. Thus we have a one-sided view of events in the world which is shaped by bought-off legislators and reinforced by media, all controlled by the Jewish community.

Public response to these conclusions has been muted and in fact barely heard as big media has stifled its dissemination except in some obvious cases of character assassination, principally by Alan Dershowitz and other knee-jerk Jewish spin doctors.

The public can't understand the events of the world because virtually all the information disseminated about it is controlled by Jewish partisans, from twisted schoolbooks to dangerous medical myths to popular movies that denigrate the family and promote irresponsible promiscuity and betrayal.

Worse, otherwise principled news outlets are intimidated not run stories germane to this critical theme because of potential and inevitable losses to their profit making future.

And principled historians who attempt to point out the fraud of this Jewish Holocaust mystique remain moldering in European jails, imprisoned for "defaming the memory of the dead." Free speech crushed under the Jewish media heel.

What will happen when everybody finds out about Jewish control of medicine through the invention of psychology? Or how the American family system was undermined and destroyed by Jewish media and a wholly Jewish women's liberation movement? What will happen when everybody finds out that America's higher educational system is now completely controlled by those who control the thoughts of those young malleable minds it molds? And feeds them fatal drugs as it does so.

How do we stop this madness? By identifying what is being done to us, and who is doing it.

When the world does that (IF the world ever does that), then Jews will certainly need protection from the surviving irate victims of the harm they have done with their selfish social engineering schemes.

But the alternative to considering potential "end game" strategies is even worse.

It means we will never find out who we really are, or what kind of world we really live in. It means a perpetual future of semi-conscious slavery, with no chance of transcending the controls that diminish our lives.

It means we give up the last chance we'll ever have to attain genuine, self-actualized freedom, because every single second and every single cell in our bodies will have been taken over and polluted by the forces of evil now running the world.

And if you don't believe that, just sit back and listen to the bombs until it's your turn to cry.

GAIA PROGRAM FOR "CLEARING" GOLD BULLION CERTIFICATES

April 30, 2006

The GLOBAL ALLIANCE INVESTMENT ASSOCIATION (GAIA) asset is a debt of the United States Treasury (UST) created when the UST assumed the debt of Peru in 1906 pursuant to the Monroe Doctrine of December 2, 1823. The basis of the debt was a bearer bond issued and sold in New York City on behalf of Peru May 1, 1875 that had not been redeemed and the interest continued to accrue. The bond was a gold certificate (meaning the principal and interest were payable in gold), thus creating a huge debt of the UST payable only in gold. When the Federal Reserve System (FED), a private company authorized to act as the Central Bank of the USA, was authorized by the Federal Reserve Act of 1913, the FED became the guarantor of the debt. That means that the owners of the FED, commonly known as the International Banking Cartel (IBC), would have to either pay the debt or bankrupt the FED if the creditor were to demand payment.

In 1977 the bond, known as "Bonus 3392" (of the series 181), was in the possession of a friend and business associate of George Herbert Walker Bush, Russell Herman. At that time Bush was the Director of the CIA and Herman was one of his officers. After Bush became Vice President he and Herman used the asset as collateral for loans from several banks with which Bush purchased stocks and properties. Their partnership ended nastily when Herman refused to fund a project that Bush wanted to do with Saddam Hussein.

Herman had set up a corporation in Nevada in 1985, Cosmos Seafood Energy Marketing, Ltd. (CSEML), and assigned the asset to the corporation, canceling the "bearer bond" in favor of a contract of identifiable ownership so that a theft of the bond would have no effect upon its ownership and further use. In 1993 Herman was diagnosed as having cancer and asked the publishers of the CONTACT newspaper to accept control and stewardship of CSEML so that his legacy to the world would not be lost to Bush and others who were attempting to take it. (The current officers and directors of the corporation, E J Ekker and Ronald Kirzinger, can be confirmed by going to:

<https://esos.state.nv.us/SOSServices/AnonymousAccess/CorpSearch/CorpSearch.aspx>

on the Internet and entering "cosmos seafood" in the "search" box.)

Another of Herman's business partners that has continued to claim ownership of the bond, or something she refers to as a "commodity contract", is Vina Katherine Durham, who also claimed, after his death in August of 1994, to be Herman's wife. That claim has been proven to be a fraud and she has never been able to collect any spouse benefits from the US government but she makes a lot of noise on the Internet, which is easily seen through by most observers.

The purpose of this background is to firmly establish Cosmos Seafood Energy Marketing, Ltd (CSEML) as the CREDITOR of the UST, guaranteed by the FED and its owners, the International Banking Cartel, and to further confirm that the Directors of CSEML have assigned 50% of the value of the asset to Global Alliance Investment Association (GAIA), establishing GAIA also as a CREDITOR of the UST, guaranteed by the FED and its owners, the International Banking Cartel, who own/control all of the major international banks as well as the Bank of International Settlements (BIS), which is a major controller of virtually all of the Central Banks in the world.

As the creditor of most of the banks holding the assets of the former President of the Philippines, Ferdinand Marcos and his former business associate, Father Jose Antonio Diaz, also known as Colonel Severino Garcia Santa Romana, GAIA could be in a position to assist in the collection of Gold Bullion Certificates and/or return to the Philippines of their underlying physical assets pursuant to legitimate Letters of Instruction and signatories. We can state categorically that this cannot be accomplished without the friendly cooperation of the Philippine government and the Marcos family.

In the title of this paper we have referred to a "clearing program". Our experience with a dozen or so GBCs, especially those associated with the Ang Bagong Lipunan (ABL) program, indicates that there have been so many abortive attempts to negotiate them that the situation has become muddled, allowing the holding banks to deny having the deposits. We believe that a "disinterested" third party such as GAIA could serve a very useful purpose by pre-auditing the documentation and coordinating the collection procedure so that all of the appropriate parties are represented and the holding banks are thus confronted with not only solid documentation but also a substantial creditor to support the claims.

GAIA stands ready, willing, and able to discuss the mechanics of this proposed program with responsible parties that wish to do so. GAIA can be contacted as follows:

NEVADA CORPORATIONS:

When Is A Corporation NOT "Doing Business"?

Budget's "Tip of the Week" #15:

Operating in a Foreign Jurisdiction Without Having to Qualify the Corporation

Since most people who form Nevada corporations reside in jurisdictions other than Nevada, one of the first questions that needs to be addressed is how to properly use the corporation while they themselves operate from within their home state (or country). Is it necessary to register or qualify the Nevada corporation to do business within their jurisdiction? Often it is—especially if there is a physical presence involving employees—but there are often many useful exceptions to the rule.

Let's look at the exemptions from qualification in the State of California—which is generally known for both its stringent regulations and its repressive taxation—to see what "loopholes" exist. You should look up the regulations in your own particular jurisdiction but as a general rule they will tend to be quite similar.

Business Exempt from Qualification in the State of California

Without excluding other activities which may constitute transacting business, a foreign corporation shall not be considered to be transacting business solely by reason of carrying on any one or more of the following activities:

- 1) A foreign corporation shall not be considered to be transacting intrastate business merely because its subsidiary transacts intrastate business.
- 2) Maintaining or defending any action or suit or administrative action.
- 3) Holding meetings of its board or shareholders or carrying out other activities concerning its internal affairs.
- 4) Maintaining bank accounts.
- 5) Maintaining offices or agencies for the transfer, exchange or registration of its securities.
- 6) **Effecting sales through independent contractors.**
- 7) **Soliciting or procuring orders either by mail or through employees or agents or otherwise where such orders require acceptance without this state before becoming binding contracts.**
- 8) Creating evidences of debt or mortgages on real property.
- 9) Conducting an isolated transaction within a period of 180 days and not in the course of a number of repeated transactions of like nature.

We have highlighted number 6 because this provision is used by an increasing number of businesses in the area of consulting. When the consultant is an independent contractor and the income is earned by a Nevada corporation, the corporation has no presence in the foreign jurisdiction, only the contractor does. So, the contractor must pay home-state tax on his income but the corporation earns its income in Nevada. There can be tremendous tax savings if the contractor lives modestly and draws only what is needed to meet living expenses. Note: It is essential that the corporation exists "at arm's length" from the contractor.

Where the business is more product-related rather than service-related, provision number 7 can come into play. Just ensure that the orders generated require acceptance from Nevada before becoming binding contracts!
