GAIA Grabbed Over Gold Commissions

9/26/07 (21-41)

Wed., September 26, 2007, Year 21, Day 41
Manila, Philippines

If you wonder what has happened to your nation and the world, friends, LOOK AROUND YOU AND AT THOSE YOU THOUGHT TO BE WORKING IN LIGHTED GOODNESS (AND STILL CLAIM SAME) WHILE SERVING SATAN IN ALL HIS ANTICS.—GCH, 9/30/00

TRUTH SURFACES FROM 13 YEARS AGO

At a meeting held in Tehachapi, California almost 13 years ago (a one-quarter turn of the 52-year “wheel”), a whole bunch of beans were spilled but it seems few if any at the time could really understand what was going on. From my perspective at the time, for example, I had no focus whatsoever on the monetary/financial aspects of the Mission, as I was completely overwhelmed by the spiritual teachings.

One year before this meeting I had taken a personal “vow of poverty” following a personal bankruptcy and at that time, I decided to simply “let go and let God” use my life energies.

Yes, I recall a whole bunch of “James Bond” type of associations with ones such as Ronn Jackson, Bo Gritz (the original “Rambo”) and one, Gunther Russbacher—all of which seemed to amount to NOTHING. With that as background, it has been VERY REVEALING to go back over the information so freely provided for our use over almost two decades throughout which Commander Hatonn conveyed his teachings through Doris Ekker.

As you are about to discover, there is quite a bit of information contained in some of the old meeting tapes in addition to the many, many writings. It seems incredible now, how Doris just whipped out a new 200-page Phoenix Journal every 3 weeks or so, on average—in addition to all the face-to-face meetings when Commander Hatonn would speak through her voice-box. If nothing else, the sheer prodigious nature

of the output covering such a wide variety of meaningful information, all in TRUTHFUL presentation, provides confirmation that there was more than “just Doris” behind these communications.

The meeting from which the following transcript has been made was UNUSUAL, to say the least. Almost invariably, by the time Doris sat down she had already gone through her relaxation and self-hypnosis so that the powerful, confident voice of Gyeorgos Ceres Hatonn would greet the meeting participants. In this case, however, as EJ notes at the start of the tape, there’s just Doris sitting there and no sign of the Commander’s presence.

In HINDSIGHT, it seems this may have been a set-up, in which EJ Ekker was caused to put on the record of a BOARD MEETING (presumably for all Mission-related corporations), in his own voice, his personal involvement with a MAMMOTH (1.4 million tons) gold transaction, documenting the fact that he was to earn a rather large personal commission upon success. The commission was apparently never paid,

and that just might be the reason WHY EJ Ekker now claims total personal ownership and control over ALL assets related to Commander Hatonn's earthly Mission, which has always been presented as existing FOR THE BENEFIT OF ALL PEOPLE.

With that introduction, we'll jump into the meeting starting at about the 10-minute mark, where Doris introduces a very REVEALING letter received from Rayelan Russbacher and entreats EJ to read it into the record. **All bolding is MY EMPHASIS.** My comments are in square braces and *bold italics*.

PARTIAL TRANSCRIPT OF 10/10/94 MEETING

➤ **941010-1a: 10'05"-14'26"**

[DORIS:] This one just came this morning and this is the most distressing thing I have received in—I don't know when. **It is from Rayelan Russbacher and it is a many-page catch-up on the TRUE STORY of her and— and Gunther, and how [pause] the CONTACT and us are actually proprietary organizations for the CIA.** Well, I want to tell you, they are the lousiest paymasters I have EVER run into. [laughter] [RK: *Just kidding?*]

You struggle along, and you struggle along and, and the meanest thrust in here is that we somehow did them in over, after they got into Austria. What happened was, they called and they had one, one night they needed guaranteed in this hotel—that was \$750 a night, for ONE ROOM. And there were, like, 4 ROOMS being used. And, us, I don't, I don't want to just sit and call somebody a LIAR but I want to tell you, there's some things in here, I can even go and say, "Well, I can't prove that Commander is not with the CIA." HE may be with the KGB, I don't—you know. I know He comes in a LIGHT and I don't HAVE to do THAT part of this discernment. But I DO KNOW that Gunther has told people that, about 10 years ago, I had some dental work done and, and the reason that I receive, and I receive from the ones that I'm intended to receive from—because of these implants in my teeth.

Now, I would, uh, I would maybe check my teeth a little more carefully, but as Princeton knows, he and I just get white-knuckled, and we sit and we hold hands and promise each other that if there's ever enough money, we're going to the dentist. [laughter] It has been TWENTY-FOUR YEARS since I have been to a DENTIST, so I did NOT get tooth implants some 10 years ago. Now, I KNOW that to be UNTRUE.

And I don't know, I guess maybe I, I would have to hear from ones in the room. We can have a break in a little while. Do, do you want to do business first and, and, let's talk about some of these things, maybe share this letter? **It's going to HAVE TO BE DONE, and if we do it all right here—the one thing that Commander has ALWAYS done** and I've wondered why in the World He does it because then, when we are confronted, it's all OUT THERE for our enemies and everybody ELSE to use. And boy, they haven't missed a THING.

[RK: *As you can see, I'm not about to take anything out of context. The context is IMPORTANT to establishing what was really going on in this BOARD MEETING.*]

Out of three days of depositions, they pick one

sentence out of CONTACT—out of context to use in the court document. So, I know what we're up against and I wonder always, well, maybe if WE kept secrets, it would be safer and easier for US. But I guess NOT and I don't think that—for **TWO reasons**: I believe that Rayelan has a right to be heard; she came back, things are very bad as near as we know, Gunther is in JAIL. I don't know whether this is, uh, because of clandestine operations, or if—I don't KNOW what it is.

[RK: *So, what was the SECOND reason? The identification of certain "clandestine operations", perhaps? If so—and it certainly seems to be so—this has been accomplished in absolutely the most SUBTLE of manners BUT ON THE RECORD.*]

Doris Ekker regarding having EJ Ekker read Rayelan Russbacher's letter into the record: "It gets a little embarrassing because EJ, you know, is the RIP-OFF ARTIST. But that's why I think we need to do it."

I know that Kurt Waldheim [RK: *Austrian Secretary General of the United Nations from 1972 to 1981, deceased June 14, 2007*] is INVOLVED WITH THEM. Uh, let's, Ed Cleary is not back, is he. And Mike [Blinston] isn't here, either, is he.

[Unidentified voice:] No. No.

[Doris:] Well, since both of them are so mentioned in here, I hate to, to go on or, with this little STORY but **sometimes the only sanity you've GOT is that other people ARE INVOLVED and they are witnessing what goes on.** And first of all, we were accused of, of closing HIS CIA credit card. [laughter, sounds like Rick Martin getting the best laugh]

➤ **14'26"-17'15"**

[redacted: more about the credit card charges; Gunther "has gone bonkers" and become a "total alcoholic"; attempted military take-out of either Gunther or Doris and EJ, "whoever got to that part of the freeway first" (interesting, surely, but a distraction from the flow otherwise)]

➤ **17'15"- 39'43"**

[Doris:] My head just REELS with this stuff. I can't—and I think ALL of you need to know and hear her [Rayelan Russbacher's] side—and then let's discuss it because this is really—**THIS IS GOOD STUFF!** [light laughter]

Do you want to read it, EJ, so I save my voice for Commander, or—somebody else, or—? [pause, sound of a chair sliding]

It gets a little embarrassing because EJ, you know, is the RIP-OFF ARTIST. But that's why I think we need to do it. I—. [NO LAUGHTER, background voices, paper shuffling]

[RK: *"EJ, you know, is the RIP-OFF ARTIST." Most everyone, myself included at the time, probably thought Doris was simply being sarcastic. At this point, EJ is "ON THE SPOT" big-time. Throughout the following commentary, watch what he tries to AVOID, pay close attention to Doris' comments along the way and remember, this is a BOARD MEETING. If you get the chance, listen to the audio tape for yourself and you will witness how hurriedly Mr. Ekker reads through some sections and how he just can't seem to find "the bad stuff" Doris asks that he reads into the record.*]

Well, he got the date right but his batteries ran down. [laughter, background comments]

Well, I realize that I'm married to him and so it's—a little biased but I don't know how he puts up with it. I really do not know how he's made it—I—. [background noises, EJ clears throat]

[EJ:] I guess I can answer that question: it comes from, uh, what she gives me lots of—perspiration. [much laughter]

[Doris:] Well, it's totally inspiring. [more laughter and comment from the audience, could be Brent Moorhead's voice: "... inspiring?"]

[EJ:] This starts off with "Epilog". [clears throat] Maybe that's the way it SHOULD start off. [EJ begins reading the letter from Rayelan Russbacher:]

"Trying to figure out what's going on, I called a few of my contacts and told them that I thought Gunther had been SET UP. Someone had told him he was reactivated. Someone had told him to check into a hotel." [someone in the audience asks to turn up the

volume]

Do we have a problem?

[Doris:] They can't hear.

[EJ:] Ummm [squawking sound, louder] That improve the volume? [audience voices: "yah", "yes"] [EJ clears throat] Thank you for letting me know. [clears throat again]

"Someone had told him to check into a hotel. Someone had told him to wait until he was picked up. But WHO had set him up?

"One of the telephone calls Gunther made after he had been reactivated was to the Foreign Ministry. He told the minister he'd been reactivated and was afraid he'd have to give up his Austrian citizenship. The minister said, 'Whatever you do, don't give up that piece of paper.' Gunther said he didn't think Austria would allow him to serve in the American Navy and still keep his Austrian citizenship. The minister told him that if the U.S. didn't object, neither would Austria.

"I mentioned all of this to my friend, who had been in Navy Intelligence but was now retired and involved in the Patriot Movement. He agreed that it sounded like someone HAD set Gunther up but he wasn't sure it was the American government. He said it sounded more like the AUSTRIANS didn't want him to go back to the United States.

"I then received a call from another former Navy Intelligence officer, who I KNEW wasn't retired. I quickly ran down what had transpired. I didn't watch what I said because Gunther had told me that I didn't know ANYTHING that the whole intelligence world didn't ALREADY know. I said I had been told by another operative that Gunther never went to Cambodia in February.

"The man quickly replied, 'Yah, I knew that. He went to The Farm.'

"The Farm' was a CIA installation in Virginia where briefings, debriefings, programming and other top-secret operations were conducted. I had been told this by my first contact. Gunther had been programmed at The Farm to believe he had been in Cambodia. Gunther still believes he went to Cambodia and saw his two best friends killed.

"My second contact said, 'They can do anything at The Farm. If they needed a firefight, they could

have staged one, either real or in the theater. With the drugs, hypnosis and electrodes in his brain, they can make him believe anything.’

“What about his two friends: do you think they are alive or do you think they were killed in front of him to make him believe his programming?” I asked.

“It doesn’t make sense that they would kill two highly trained officers. More than likely they moved them into loops that never connect with Gunther. Of course, they could have killed them. Nothing is out of the question with these guys.’

“I then changed the subject and asked him why he thought *CONTACT* had turned against Gunther.

“He answered quickly, without a hesitation, ‘They were TOLD to.’

“By whom?” I asked.

“Well, if I wanted to know, I’d look at who’s giving the orders.’ I knew he meant Gunther’s boss, the one who was a large contributor to the Phoenix Institute. I had already been told that the boss had been feeding Doris and EJ misinformation about Gunther and it now seemed like he might have been feeding Gunther and me misinformation about EJ and Doris. Why would he want to turn the *CONTACT* against Gunther, I asked?

“There are a lot of reasons. He could want to keep Gunther in jail to keep him alive. He could have sold out to the Mossad. He could have sent Gunther on a mission and is using the jail as a cover.’

“I had already been told by my Philippine contacts that Gunther and Kurt Waldheim were in the Philippines.

“Concluding thoughts. I have presented the story as I ...”

[Doris:] **I, I’m going to interrupt along the way, so, if he heads for me, everybody protect ME.** [laughter]

[RK: *Well, the audience laughed—but was Doris really JOKING? When you see the VALUE of this transaction and understand the COVERT nature of EJ Ekker’s gold and money operations—perhaps there is some truth to the statement that “Much truth is spoken in jest.”*]

Number one, his “Philippine contacts” are Mike [Blinston, identified elsewhere as a ‘former Navy Seal’ or special-ops person] and Ed [retired Roman Catholic Father, Ed Cleary], and, and their contacts, so it’s [pause]

[Unidentified female:] Excuse me.

[Doris:] Yes.

[Unidentified female:] Is this from Rayelan?

[Doris:] Yes. It came to Audrey’s daughter, Laurie. Laurie has always been the go-between with them—they ... [pause]

[EJ:] “Concluding thoughts.”

[Unidentified female:] “I hope Laurie’s alright.”

[Doris:] I think Laurie’s alright, too! [pause, light laughter] Probably works for the CIA! But [trails off, light laughter]

[EJ:] “I have presented the story as I have seen it. I know it is complicated and it doesn’t have the neat resolution that novels have. The story is still unfolding. The main reason I took the time to write this is to let people know that there is more going on than is reported. **I know Gunther is working on Operation White Robe. It involves returning**

enough gold to Austria to create a gold standard for the new European Community, as well as the United States.”

[Doris:] Now, I want to say something HERE. I, I am going, whatever I’m going to say, just know that it’s, it’s all I HAVE—**this is all I’ve been FED, this is all I’ve been TOLD.**

White Robe was something set up, uh, by Mike [Blinston, the special-ops guy], to handle the Philippine transaction that started out as a Philippine lady. Now, you have to know that Mike is married to a Philippine lady, Willy, and she’s just delightful and she comes from one of the, quote, higher-ranking families in the Philippines. And I don’t know by what

Doris Ekker prefacing her remarks with regard to the MAMMOTH Philippines gold transfer and the COMMISSIONS involved: “I’m going to interrupt along the way, so, if he heads for me, everybody protect ME.”

route they first got in touch with the woman that has quite a lot of what, what I refer to as the El Dorado gold—or the stash left by our ancestors for use TODAY, for us to get a remnant through and I, I’m not even going to pretend I know anything about that. **I just know that the NAME, White Robe, was set up as an identification for THOSE [RK: “El Dorado”-type] early gold transactions.**

So, when this **SECOND** one came along, that lady ended up with tuberculosis and is, I assume, hospitalized, waiting. So, she’s still THERE. That whole transaction, for all of you who have waited like WE have, is—that is still a very VALID THING but it is not what we’re talking about now. Although—it, it sprang—where Gunther came into it is—it kind of sprang out of that. **Um, through those resources—part of them over in the Philippines, part of them just—and this is a fact in the, in the Intelligence Community [RK: *How would Doris, who does not use the word “fact” loosely, KNOW that it was “a fact in the Intelligence Community”—possibly through EJ?—uh, we’re told that there was some other gold there that needed to be RELEASED—and it, it as near as I can tell is Imelda Marcos and the Philippine, uh, entourage of the Marcos family and it’s Japanese gold that was put there out of the war, the Second World War.***

[RK: *For clarification: The gold that “needed to be released” was, according to Commander Hatonn, the 1.4 million tons transferred out of the Philippines in 1993-1994, as referenced in the last issue. And since I am interrupting: I do not know if this is “tons” or “tonnes”; the difference is that a metric tonne is 1,000 kilograms, 10% MORE than a ton. “Operation White Robe” was NOT the transfer of the 1.4 million tons but seems to refer to another deal altogether—which did not, apparently, fall into place. The transfer of the 1.4 million tons was SUPPOSED to earn someone(s)—INCLUDING GCH and apparently EJ Ekker as well—some commissions, which apparently were never paid.]*

Now that, that could be wrong, too, but that’s what we were told, and—. But they didn’t have anybody with enough deep pockets to purchase the full amount of gold. And the amount of gold that

needed to be purchased was MAMMOTH. It didn’t start out that way but before you can turn over twice, it’s, it’s BIG! Now what are you gonna do?

Well, Commander at that point asked them to contact Gunther because he HAD resources in the National Bank of Austria. Would he please check and see if they were interested in that gold—that there were a lot of things going on. And um, and they needed to have a single purchaser and the, the amount just kept SKYROCKETING. And all of you will remember that Commander laughed and said that He could put that gold on the bottom of the ocean if it got tampered with. Well, as far as we KNOW it did NOT get tampered with and it didn’t get sent to the bottom of the ocean.

It did, eventually, get brought into Langley, Virginia and—part of it, at least—and put into our coffers, waiting to establish a gold standard. Now that has CHECKED OUT. Uh, and it checked out that Gunther DID know the people in the Austrian bank and Austria said, “Yes, sir, we’ll take it, every bit of it.” Well, now, Austria would not have those kind of resources for the amount of GOLD being talked about. **Now, this was not coming to Commander and it wasn’t coming to Mike and it wasn’t coming to Gunther but, on all of these transactions there are COMMISSIONS.**

[RK: *Conspicuous by its absence is the name of EJ Ekker in the above list. At today’s price for gold the 1.4 million tons would be worth over \$30 trillion. A 5% commission, for example, would come to \$1.5 trillion.]*

So, it was ONLY commissions we were talking about and THEY kept getting bigger and bigger and bigger until you don’t even want to hear about them because, oh, my, that’s not what we NEED and, and certainly we don’t need the INDIGESTION that goes along with, with a world in turmoil. And if they’ll go and set up a military operation in Haiti against some, some literally primitive, uh, tribes people, what will they do to US?

Well, apparently, **they’re not gonna do very much to Commander except try to discredit Him.** [RK: *Yes, just as the overlay of the “Jonur” writings is being used right now to try to discredit Commander Hatonn. THIS FOOLISH PLAN SHALL NOT SUCCEED, HOWEVER.]* Now, we’ve learned THAT. And we’ve learned it, what I consider the HARD way. Somehow we keep getting the fire sticks thrown at us but it doesn’t quite burn us up; it just hurts a lot. And uh, so there’s where we came with the, with the situation with the Austrian bank and the Austrian gold. And Gunther got right into it with BOTH feet—and so, I think that’s probably, that’s enough for—until we get to the next paragraph or so. [loud laughter]

[EJ:] **I have an observation about this meeting—and that is that all of these lovely people didn’t travel all these zillions of miles to hear me read something from Rayelan Russbacher and you to try to explain what she’s talkin’ about. So, it, it would be really nice if you’d get the Commander so we could go on with the REAL meeting.** [light laughter]

[RK: *How very convenient, however, that all of this was read into the record of a BOARD MEETING—BY EJ EKKER. Remember, please,*

that at the start of this session Doris said this might be a little EMBARRASSING for EJ and then used Rayelan's words to call him a RIP-OFF ARTIST. And then she asked for the audience to PROTECT her if EJ should come after her. Was this all "JUST KIDDING AROUND" as the audience seemed to think at the time?]

[Doris:] Well, why don't you just read it then, I'll be quiet. [laughter] And we'll have another meeting after the meeting. [light laughter]

[EJ:] I will read one or two more pages, just ...

[Doris:] Well, **I want you to read the BAD PART over there where it talks about "us" because this is what I want people to know.** I don't, we are not runnin' around HIDING anything. And I think it goes about, into the fourth page, before ...

[RK: Doris directs EJ to read after page 4 but he insists on continuing to read from within the first 4 pages. Later, instead of reading from just after page 4, he jumps all the way to page 9 and then page 14, allowing an unidentified female in the audience to "misdirect" him. It does not appear to ME that he ever got to "the BAD PART".]

[EJ:] I'll have to finish the Epilog because she, it's kind of a summary. [clears throat]

"This operation will destroy the Federal Reserve paper money scheme, not only in the United States but around the world.

[RK: Well, that operation concluded SUCCESSFULLY and it DID NOT destroy the Federal Reserve System. It seems entirely probable that this MAMMOTH gold transaction is THE REASON the U.S. economy did not go "T.U." long before now.]

"I also know that another, even larger operation is going on that will change the face of the world forever but I have no idea what that operation is.

[RK: I believe it is called "THE MISSION"—of Gyeorgos Ceres Hatonn.]

"I DO know that the Haiti crisis is totally contrived by those who needed a cover, a reason to put the United States military on alert status all around the world. In other words, as a result of the Haiti crisis, military personnel and equipment can travel freely anywhere on the U.S. or around the world using the cover of the Haiti crisis. I also know that we will soon see many more resignations from Clinton and Clinton's cabinet until Clinton's administration is no longer recognizable.

[RK: The "Haiti Crisis" is probably a reference to the SILVER CERTIFICATES which ALSO apparently constituted a valid claim against the U.S. Treasury and Federal Reserve. You DO remember U.S. armed forces going into Haiti, don't you? And the notorious involvement of one, John Negroponte, who is STILL IN THE NEWS TODAY as the U.S. Deputy Secretary of State?]

"Why do you think that the CONTACT has attacked us? I don't know. I told Gunther over two years ago that if we agreed to let CONTACT help us that they would eventually turn against us like they had against George Green, Bo Gritz, Ross Perot and several others. [moans and groans from the audience]

"In January I began to get messages from Commander Hatonn over my fax. I was told that I

was causing Gunther too many problems. Another fax told me that I should grow up and stop complaining about things that I didn't understand. I was told to shut up or leave.

"While Gunther was awaiting HIS trial, EJ Ekker forbid me to go to Austria.

[RK: Although at this point on the tape EJ makes a sound indicating he would like to rebut the comment, I believe we have established that EJ Ekker WAS CALLING AT LEAST SOME OF THE SHOTS and was involved in all of this up to his eyeballs, just as Rayelan's comment indicates.]

Doris Ekker attempting to direct EJ Ekker to read the most pertinent part of the letter from Rayelan: "I want you to read the BAD PART over there where it talks about 'us' because this is what I want people to know."

"I called Gunther's boss and asked his advice. He told me, do what my husband said. Gunther told me to come to Austria.

"I have no idea why EJ, Doris and the Commander have turned against Gunther and me. It could be one of the Commander's 'lessons in discernment'. It could also be that Gunther has served his part and is no longer needed. I don't know the reason and I know that no one else knows either.

"There are things that I do know. I know that Gunther is now an alcoholic. He came back from Cambodia as one. He was better when he was released in August from the Austrian prison but after four heart attacks he'd been drinking to help the pain. It may have helped the pain but he soon became totally dependent on alcohol. He was still rational most of the time. Then his ex-wife showed up and he was never the same.

"One of our friends taught me some 'trigger words' which I could use to bring him back to con, consciousness and keep him on track until we were finished with our work. But even these trigger words stopped working and he sank deeper and deeper into his own programmed world. In the days before I left Austria, he was conscious of his surroundings about one hour a day. The rest of the time he just moved through the motions as if in a trance.

"I do not know what has happened to Gunther. I don't know if he will ever be the same. But I DO know that he is NOT a criminal, nor did he have any intention to defraud anyone. My husband has been used and discarded by the United States government for his entire life. It has been—it is my belief that he has been used again and now that his part of the mission is complete, he is discarded.

"I know of no human who has suffered as Gunther has suffered and I do not understand how a compassionate God can, a, continue to allow this to go on. And I especially don't understand how a representative of God, as Commander Hatonn calls himself, can view this situation and then publish the lies and distortions that the CONTACT has published. I will be very interesting, interested, to see how the Commander explains the, his way out of this one. [Doris exhales audibly, as she usually does when GCH takes over] I just hope he, Gunther, lives long enough to explain it for himself ...

[Doris/GCH:] Get some glasses!

[EJ:] "which has happened. He is the only one who knows and I can only pray that his mind will be restored once the alcohol and drug trichotamine [There is no such drug but can't be sure of the spelling?] is out of his system. [more audible exhalation from Doris]

"The above version is true, to the best of my knowledge. I don't have a newspaper like EJ and Doris have. I can't continue to defend us and explain their attacks. I need to devote my time to raising \$810 to pay Gunther's hotel bill, so he can be released. I also need \$2,000 to keep my phone turned [another audible exhalation from Doris] on. I don't have the time or the money to continue rebutting the CONTACT's slanderous lies.

"All I can ask is that you be as patient as the farmer and wait until God gets through with it before you judge us. You have my permission to copy this and distribute it. Thank you for keeping an open mind." [several seconds pause] If I recall, that other stuff was back around page 9 or 10?

[BM:] Yah, I think it was at 9.

[Unidentified female:] Page 9, fourth paragraph down.

[EJ:] Alright, we'll start on—about there, then [several seconds pause]

[Unidentified female:] And then on page 14 [inaudible] the last page was a goody, too.

[RK: Remember, Doris said "the BAD PART" was after the fourth page. Instead, EJ refers to "that other stuff" as "way back around page 9 or 10" and an unidentified female conveniently confirms that for him, allowing him to skip over at least four pages. I don't know about YOU but I'd like to see the entire piece. If any readers availed themselves of a copy and can still locate it, please feel free to share.]

[EJ:] Alright. [clears throat, resumes reading from Rayelan's letter]

"At present, the Fed knows that its existence is threatened. The Fed also knows that CONTACT has helped and supported Gunther and that **Gunther is one of the key men in the movement to destroy the Fed and give control of our money back to the United States Treasury**, if not to the individual states themselves. To keep the CONTACT from further supporting Gunther, the Fed and its wholly-controlled government agencies such as the FBI, ATF, as well as the international agency, Interpol, could easily have targeted CONTACT. These agencies could have let key people at CONTACT know they were targeted, if they didn't cooperate."

That must explain why Ed Young is so reticent these days. [laughter] Well, Ed Young will get a chance to respond to that in a little while. [more laughter]

"While CONTACT has a history of building up heroes only to cut them down, the attacks on Gunther have been some of the most vitriolic and vile attacks that CONTACT has ever launched at ANYONE. This public attack against Gunther came out of nowhere and has caused many CONTACT readers to question the truthfulness of all the information printed in CONTACT. Many CONTACT readers have stated that they now are questioning the attacks that CONTACT has launched on OTHER people, such as George

Green and Bo Gritz. Attacking Gunther was an act in the best interests of *CONTACT*. Why would *CONTACT* [sic] CHOOSE to launch a continual barrage of defaming attacks against a legend they helped create? The attacks against Gunther ...

[GCH:] Does everybody hear that? [answers from the audience: "No", "No."]

A "LEGEND that *CONTACT* helped create." Commander's HERE, so hello, and GREETINGS, all of you! [audience: "GREETINGS, Commander!" followed by a few seconds of applause]

I am the knight on the white horse! I'm going to rescue EJ. [much laughter] The damsel is not in that much distress. [light laughter]

[RK: *The "knight on the white horse" is GEORGE THE DRAGON SLAYER, that one pictured on the Russian Coat of Arms, for instance—and the Dragon Slayer PUTS DOWN THE SERPENT.*]

I don't blame him for not wanting to read it. There comes a time when your heart says, "Enough is enough is enough and I just don't want to even listen to it." Dharma is a typical woman living in your world, in your time, in the confusion, and "Somebody, PLEASE, come along and make it RIGHT." And I find that SHE wants to defend ME. And I'm—bigger.

Rayelan [pause] is in PAIN. [pause] Commander HATONN has NEVER other than confronted directly anyone who might be a subject of any of my dissertations. I have confronted HER, I have confronted Gunther, I have confronted the energy forms that infiltrate their very space.

[39'43"-41'46" redacted for readability: Commander Hatonn discusses the types of negative energies associated with Gunther Russbacher]

➤ 41'46"-43'47"

[GCH:] Dharma says, "Well, I just don't understand where all of this GARBAGE could be coming from."

LISTEN TO IT.

All of you are welcome to a copy of this. I'm going to ask that it be PRINTED IN THE PAPER. I ALWAYS ask that the DERISIVE information be printed.

[RK: *I looked, perhaps not diligently enough, though, because I did not find Rayelan's letter printed in the following issue. WHY NOT? THIS IS REALLY, REALLY INTERESTING STUFF! Actually, due to some kind of "overload", the staff was encouraged to take TWO WEEKS OFF right at this time. EJ Ekker certainly had a major involvement with what was chosen for publication, notwithstanding the frequent protests that "EJ Ekker has NOTHING to do with the paper." WHO FIRED ED YOUNG? AND WHO (SUPPOSEDLY but UNLAWFULLY) TERMINATED MY SERVICES? Has the point been made?]*

THIS, *CONTACT*, IS NOT "MY" PAPER. And it will be less and less "my" paper. YOU ARE A WORLD IN TROUBLE. AND WHAT IS THAT TROUBLE? YOU ARE COMING TO THE CONFRONTATION OF THE AGES—and I am NOT one to go picking on little ladies.

My commission is to bring the TRUTH to you, so that IF you choose to do anything about it on a physical plane, you know what it is that needs to be

done. I am NOT obligated to do MORE for you than to BRING IT TO YOU.

Just like Bob James might feel very bad that so-and-so and so-and-so didn't show up to his meeting. THAT IS NOT HIS PROBLEM. HE MADE ARRANGEMENTS, HE BROUGHT THE SPEAKERS, HE PRESENTED THE TRUTH. HE'S DONE HIS JOB—and if he wants to stop this day, I would applaud him for it, because YOU ones in this room, for instance, THIS IS NOT YOUR JOB. And taking this kind of BATTERING IS NOT YOUR JOB.

So, I get from EVERYBODY IN THIS ROOM,

[GCH:] What I said to EJ was, "I want MY share put into our corporations that have been prepared—and we don't WANT \$30 billion! DO NOT EVEN CONSIDER SENDING \$30 BILLION ANYWHERE. But you WILL SEND the AMOUNT AGREED UPON." And he will put it there as a hundred million dollars. That IS NOT SO. It is JUST UNDER TWO BILLION. But we were going to settle for \$280 million.

"Well, what the HELL IS my job?" [light laughter] WE'RE GONNA TALK ABOUT IT. [more laughter] And Dharma says, "Well, THANK GOODNESS." [End transcription of 941011-1a]

Tape 941010-1b

[0'0"-9'11" redacted: Commander Hatonn asserts that HE is not with ONI, CIA, etc.; says Larry King had a meeting he will NEVER FORGET; denounces ones for treating Pleiades Travel as if it is a CIA proprietary company; Gunther Russbacher is who he said he is—right out of the Habsburg Family, same double-headed eagle crest as the Romanovs; Gunther Russbacher sent for his wife Peggy and his two sons to come to Austria and what he put them through is UNFORGIVABLE. What follows are excerpted, IDENTIFIED (time-wise) slices from tape 1b.]

➤ 9'11"-12'15"

[GCH:] I am Commander Gyeorgos Ceres Hatonn and in my opinion that kind of behavior against CHILDREN is UNFORGIVABLE. He's gotta take it up with GOD. HE WAS GOING TO DUMP \$30 BILLION onto his SON'S account—and make THAT KID come back to New York to retrieve it. He was out of his mind. And Rayelan's going to say that EJ demanded that \$30 BILLION be put into his account. Now you're beginning to get an idea, though, the size of these commissions, aren't you. Well, that's NOTHING—it's at least TWICE that. It's into the trillions, actually—JUST COMMISSIONS.

What I said to EJ was, "I want MY share put into our corporations that have been prepared—and we don't WANT \$30 billion! DO NOT EVEN CONSIDER SENDING \$30 BILLION ANYWHERE. But you WILL SEND the AMOUNT AGREED UPON." And he will put it there as a hundred million dollars. That IS NOT SO. It is JUST UNDER TWO BILLION. But we were going to settle for \$280 million.

Now, that would make the day, wouldn't it? We'd manage quite nicely: that does our motion

picture and our studio and that does all of the things we need to do for the PROJECTS that we need to HAVE. And I specifically said, "All of the rest of it, you can do whatever you want to with it."

Now why would I DO THAT? Because in comes Ronn Jackson, he has MORE THAN THAT. AND THEY, OF THE COMMITTEE, HAVE AN AGREEMENT WITH ME. Now, do I need to go change my LABEL? For the *CONTACT*, possibly; for the stories I write, possibly; for the COMMAND, NO, THANK YOU. Hatonn/Aton has served me for the eons of time and I don't intend to change to suit Rayelan.

[As background to the following excerpt: The Court had just ruled that the Overton gold (several hundred thousand dollars' worth) should go back to the donor; Atty. Horton told the press, "Well, that just means it will go to Ekker."]

➤ 21'53"-22'16"

[GCH:] Say again? Ekker has NO PART. EKKER HAS NO PART IN THIS. THIS IS THE INSTITUTE!! Do you think that came from the Judge? The Judge can read: The PHOENIX INSTITUTE versus—.

[RK: *This is MORE evidence to show that EJ Ekker HAD NO RIGHT WHATSOEVER in unilaterally taking control of the Phoenix Institute for Research & Education—or any of the other Mission-related corporations. These corporations DO NOT BELONG TO EJ EKKER. THEY WERE ESTABLISHED FOR THE BENEFIT OF ALL PEOPLE.*]

➤ 33'02"-33'41"

[GCH:] It is already DETERMINED and it has been MADE PUBLIC that AS YOU CHANGE YOUR MONETARY SYSTEM, GOLD WILL BE A MINIMUM OF TWELVE HUNDRED DOLLARS AN OUNCE—MINIMUM! They're going to try to freeze it there or at fifteen hundred for a given period of time, THEN THEY EXPECT IT TO TOP OUT AT TWO THOUSAND, where they will HOLD IT AGAIN. And quite frankly, it is PLANNED that it will go to FIVE THOUSAND TO EIGHT THOUSAND DOLLARS AN OUNCE.

[End transcription of tape 941010-1b]

CONCLUSIONS

It's hard to arrive at definitive conclusions without being able to see the entire letter from Rayelan. Despite that handicap, we can observe:

- the 1.4 million ton gold transaction was successful;
- the commissions, including GCH's share amounting to \$280 million, were not paid.

WHY THE DISCREPANCY between EJ Ekker, who "will put it there as a hundred million dollars" and GCH, who says, "That is NOT SO. It is JUST UNDER TWO BILLION. But we were going to settle for \$280 million"?

Postulation: EJ Ekker was trying to claim PERSONAL commissions separate from GCH.

I'm going to borrow Commander Hatonn's voice to make a concluding point about all of the foregoing. The POINT is that the Divine Plan has been VERY WELL SERVED by the self interests of those who have attached themselves to it, even in cases where they are part of the Intelligence Community and their COVERT motives have OPPOSED THE PLAN.

God can see the end from the beginning and those who think their narrow human focus can OUT-THINK GOD are quite simply MISTAKEN.

[GCH:] I don't ask people to make a decision whether I'm on YOUR side or THEIR side or ANY SIDE. HEAR ME WELL. I do not CONDEMN/CONDONE.

We have known ALL THE WHILE that there are literal AGENTS among us—Federal agents, from intelligence forces, etc. Some of those are to PROTECT, some are for gathering information. IT DOES NOT MATTER, DO YOU SEE! WE DO NOTHING THAT WE CANNOT HAVE OUR ENEMY WITH US. And **when you go into a court of law YOU DO NOT HAVE TO lie, cheat and steal. TRUTH will suffice.**

In a writing from 9/24/93, Commander Hatonn stated flatly: "THE EKKERS HAVE **NOTHING!** ... Nor shall they ever be able to have anything." He also said:

"The adversary came, murdered, mutilated and ran away—WHILE LEAVING HIS SPIES AND WORKERS TO CONTINUE HIS SURVEILLANCE AND DEEDS. So be it—GOD, TOO, HAS A PLAN 2000!"

EJ EKKER CAUGHT IN A TRAP
OF HIS OWN MAKING

If you are not out there trying to selfishly glean FOR SELF and can put that EGO aside, you are going to be secure. If you cannot do that, you're going to be caught IN A TRAP.—GCH 10/9/93

A year before this confrontation with EJ Ekker, Commander Hatonn spelled things out for any and all who would participate in HIS program. IT IS A BIG MISTAKE to glean for SELF.

Tape 931009-1a

➤ **42'45"-47'00"**

You're going to have to raise your level of interrelationships and for goodness' sakes, you're going to have to be discerning—because you can be undone by the "friend" that claims to be your friend and is not. But to make this work, there has to be honor, integrity and trust. CAN YOU SEE how, by having someone in your business arena who is not REALLY your friend and what incredible damage they can do to you?

Do you also see that if you have followed your instructions and you DO YOUR JOB TO PERFECTION, IT WILL HOLD right into a court of law. If you are not out there trying to selfishly glean FOR SELF and can put that EGO aside, you are going to be secure. If you cannot do that, you're going to be caught IN A TRAP. Mr. MARIO T. PAPA

Senior Vice President & Attorney-in-Fact
Of Prince Julian Morden Tallano
Lakan Tagean Realty & Development Inc.
1483 F. Castillo Street
Bambang Bukid, Pasig City

Dear Mr. Papa:

This is to acknowledge your letter dated 27 August 2007 regarding your complaint against Messrs Eddyjo Ekker and Atty. Alejo F. Estepa relative to their alleged misrepresentations and illegal acts pertaining to Lakan Acuna Tagean (Maharlika) Inc. and Pangulo ng Lakan Tagean (Maharlika) Inc.

Please be informed that your letter, which was received on 31 August 2007, was forwarded to the office of Atty. Hubert Dominic B. Guevara, Director, Compliance and Enforcement Department, for proper action.

Very truly yours,

FE B. BARIN
FE B. BARIN
Chairperson

all the time. On the OTHER hand, those same traps ensure your security and protect you behind them.

Now, ones have been wanting to get at EJ and Doris FOREVER here—they are the PRIME example. They don't have anything, THEY WON'T EVER HAVE ANYTHING—and then they don't have to worry about it.

What is it that you want from your journey? Does that mean that no one around them can have anything simply because they seem to have gotten here first and she is my speaker. NO. You can have GREAT abundance; it depends on what you want. IF YOU HAVE TO HAVE IT ALL—to be a "big shot"—you're going to be very, very sorry. If you handle that which is gifted unto you—because it is ALL God's; that is BAD NEWS but it is ALL GOD's. And if He chooses through your labors to reward you, He expects you to be stewards—of even the personal gift.

Do it right. I AM NOT AS NICE AS GOD TO YOU. I am the Commander of one of the biggest missions ever brought forth. It makes it HARD on you ones who work with me. It most certainly makes it incredibly difficult for you who function as my hands and feet—until I can attend that myself.

[End transcription]

EJ Ekker claimed it ALL for HIMSELF when he came right out and directed Janet Carriger to ILLEGALLY "change my name for his [RK's]" on a number of Mission-related corporations. GLOBAL ALLIANCE CANNOT EVEN FUNCTION PROPERLY WITH LESS THAN TWO DIRECTORS.

As the ADVERSARY ALWAYS DOES, HE HAS SERIOUSLY OVERPLAYED HIS HAND—and tripped the snare Commander Hatonn set for those who would gain FOR SELF so very long ago.

TALLANO-ACOP FOUNDATION
DEVELOPMENTS

The *de jure* Don Esteban Benitez Tallano & Don Gregorio Madrigal Acop Foundation Inc. continues to function although it is handicapped by a total lack of funding as well as the ridiculous antics of the Ekker-backed *de facto* (illegitimate) version of this Foundation. Most of that nonsense was covered in the April 25 “*De Jure vs De Facto*” issue but dealing with this smelly stuff has prevented the Foundation from focusing on its primary mission.

For example, on July 31 Probe TV here in the Philippines, apparently invited over by the Ekker group, conducted interviews with EJ Ekker and the FIRED attorney, Alejo Estepa. The captions under their images identified these two as the “Chairman” and “President” of something called either Foundation Lacan Tagean (Maharlika) Inc. or Foundation Lacan Acuna Tagean (Maharlika) Inc.

At the time this Probe TV report was done, THERE WAS NO SUCH ENTITY IN EXISTENCE according to the records of the Securities Exchange Commission. There already existed a Lakan Tagean Realty & Development Inc., however, and the people behind it were surprised, to say the least, by the use of a name deceptively similar to their own, engaged in an identical field of operations.

Our inquiries to the SEC showed that despite our previously noted objections to any actions undertaken by the Ekker group, the SEC received paperwork from the Ekker group on August 13 proposing to amend the name of the Foundation! Keep in mind that this was TWO WEEKS AFTER Probe TV displayed “Chairman” Ekker and “President” Estepa.

As far as we know, the SEC has not and will not approve the proposed amendment for name change for various reasons, not least of which being the objection of Lakan Tagean Realty & Development Inc. You can see the response to their complaint from the SEC on the previous page, referring the complaint to the Compliance and Enforcement Department for action.

It really SHOULD be a simple matter for the SEC to prevent usurpers from taking over an existing entity and the SEC SHOULD be able to make a simple administrative decision as to who is who, based on publicly filed records of membership and **PROOF OF QUORUM**. Unfortunately, here in the Philippines, such matters can apparently only now be determined in Regional Trial Court—or criminal investigation.

Separately, the **criminal libel complaint** filed by Canon C. Marcos and Professor Jaime B. Ramirez advanced to the stage of “final submissions” to the Prosecutor’s Office yesterday, September 25. Mr. Ekker apparently did not show up and neither did his “Secretary”, also named in the criminal complaint. There is a rumor that he is sick and if so, we hope he gets well soon so this case may proceed in court, assuming the Prosecutor rules that it has *prima facie* merit.

The National Security Council seems to have gotten into motion with regard to the seditious “Philippines Future” document and questions are being raised over at the Bureau of Immigration.

Is this progress? Well, it certainly is tedious going through this sorting but in the end, the stage will be set for the WILL OF THE PEOPLE to prevail.

Ronald Kirzinger (“of” Hatonn)

You Must AWAKEN to Create Goodly Change

As you read through the following writing from seven years ago, and especially with regard to the Global Alliance Program, you might ask yourself, “So, what progress has been made since then?” And if you draw the answer from WITHIN, you just might hear the response, “What have YOU done for those last seven years?”

In truth, a great deal of progress has been made in the area of ELIMINATING PLAUSIBLE DENIABILITY with regard to the underlying asset. It is IN USE and many ones have become aware of that inescapable fact, while some ones have gone to great lengths to have that fact ignored or ridiculed and the vast majority have merely slept on. As the snoozers are discovering, IGNORANCE IS NOT BLISS—while AWAKENING SURELY COULD BE.

RE: GENERAL COMMENTS ON INTERESTING AFFAIRS—GCH/D

UNIDENTIFIED FLYING OBJECTS

Question to the Philippine authorities: “What are those things in the sky and are they UFOs?”

Response: “Yes, we have seen them and tracked them, even on the radar scanners, but we don’t know if they are UFOs (unidentified flying objects) or not because we can’t identify them.”

Oh, OK.

Question of more importance: “Why is the Southeastern Asian ‘sea’ such an important area when there appears to be nothing there?”

My response? Nothing there? Perhaps you just haven’t looked closely enough at either our own focus or the efforts of the New World Order.

Several things bear notice in that Ocean area where Mr. Cohen (U.S. Sec. of Defense) is demanding obedience to the World Order, one of which is a location which holds the very things of the “future” and a transitional mineral-oil supply which must be brought within control of the Masters lest they lose the advantage of maintaining world control. And, don’t forget us, the “alien visitors”, of whom great myths and tales have been offered to distract from TRUTH.

BIGGER QUESTION: WHERE IS LEMURIA?

And: Do landmasses rise or orbs tilt enough to relocate the seas? If you aren’t sure of one how can you even guess about the other?

Are you lost in the fog of confusion because of details? INDEED.

Never mind “aliens” watching you for aliens have been watching YOU for a very, very long time.

And about those little flying “things”. They are

“alien”, of course—but not necessarily “space alien” in origin or purpose. And remember, life students, stars nor ships disappear in the daytime—it is only that you can’t see them.

Continuing daily question: “Why don’t we get our job done, finished and working right now?”

Because at this point we are MESSENGERS and only through very low-profile presentation can our people be allowed to work and interchange AT ALL. If each reader were injected within the setting you would see a different world than you expect, for here in Southeast Asia are nations and peoples in desperation and political chaos.

When you think it should be a simple thing to “give away” something wondrous, it is that you have to certainly think again, very carefully.

In a world undergoing total destabilization by the Elite Master-criminals a thing that will bring stability is not very welcome—especially when it is going to uncover the very criminals themselves.

Furthermore, when people are swamped in poverty and there is nothing of which to deprive them to make a point, therefore, terror is the only tool left to the evil minds to foist off onto the hapless citizens. It is easy these days of weather manipulation to simply destroy the crops, drown the people and devastate whole regions which cannot recover their very life-sustaining resources.

What did YOU think was meant by “famines”, “earth changes” and general “apocalypse”? If YOU are in the middle of a “sea”, which was your rice field, what might you think of the day’s events? Moreover, you would be right there with these people in that God would surely “have deserted”, so surely “Spiritual Truth” is a poor substitute for a boat of some kind.

MAN WILL GO TOO FAR—HE ALWAYS DOES!

WILL GOD INTERFERE OR EVEN INTERVENE?

God IS.

Man is given that “free-will” choice of actions in your world of physical expression. This means exactly what it says: “FREE WILL”. Interference is not of the program of even “God’s Plan 2000”. Intervention is only in the “expressing” of potential capabilities. These expressions will be in the manner of a “better way” and, further, an offering of recognition of potential thought manifestation. In other words, things will be brought into your realization—from mind-thought or expression—which allow a way to REALIZE outcome according to intent and that manifestation of intent and purpose.

When you search for GOD CREATOR you must realize that you have SPIRITUAL connection FIRST and manifestation follows.

Think in terms of the now accepted “100th monkey theory” wherein without even connections in a

physical recognition the first monkey washes his potato and finally across the very islands others evolve to wash theirs and it becomes a “trait” of those particular monkeys—or even all primates.

Thought is another “wave” or frequency network which travels infinitely through the ethers to be picked up as would be radio frequencies. **THIS IS THE VERY MAKEUP OF MANIFESTATION.**

You want ME to give you the MAGIC FORMULA so you can ascend, exist (in physical form) in a non-physical environment, and thus and so, eternally. WHY? What would YOU do running around in an environment where NOBODY else is physical?

We can make transitions, yes, but why would you choose to be the only one running around, say, in Jupiter’s space shell? This “reaction” of human brain-projection needs a lot of thoughtful and creative consideration, doesn’t it?

What you are looking for is that ability to TRANPOSE selves to infinite environments in choice of “form”. This is a worthy desire but going about it in the typical human fashion does not produce that result, but does, in fact, produce the opposite reality. Evolvment comes through mind growth OUTSIDE the human compression or limitations. **IT IS THE MIND THAT DOES THE WALKING BEYOND THE FINGERS IN THE YELLOW PAGES.**

It is mind that causes the physical hands to manifest something for use and this includes food growth, gold mining, house building and you name it—as the human needs express.

SO WHAT GOES WITH GAIA?

If you refer to “GAIA assets”, as have come to be valid and now presented, we CAN address that matter. We CAN, further, discuss all manners of “gaia” interests—all of which are connected and interconnected until there is already a hard foundation structured and waiting realization and actual human manifestation.

Too hard to think about? It gives you a headache, when you just want magical answers? Creation and LIFE don’t work that way—in magical moments of “rather be”. Moreover, taken out of proper sequence a thing or action can be lost in value indefinitely. About all I, for instance, do about that is simply guide the activities as I CAN so that those involved can come to SEE and ACCEPT truth as it is offered.

THIS is why all the needs for the adversary to DISTRACT. Remember that God of Light (Creator) is the Source of Spirit AND manifestation through and of that Spirit. The manifested THINGS called physical are tampered with by the very little physical consciousness focus.

Is YOUR soul journey determined by how much gold you glean or hold in your physical lifetime? NO. It must be determined by your INTENT and purpose for the gold itself as to SPIRITUAL perception. At death of the body—all the gold on the globe means nothing to the dead person’s soul except in ATTITUDE WITHIN THOUGHT. This is a rather nasty realization, isn’t it? It is only in HOW YOU USE THE PHYSICAL EXPERIENCE—RELATIVE TO INTENT AND POTENTIAL (100% PURE) THAT DETERMINES THE OUTCOME, AND TO ATTAIN REALIZATION OF THAT HIGHEST LEVEL OF INTERCONNECTION WITH CREATOR—YOU HAVE TO STUMBLE THROUGH THE VARIOUS

LEVELS OF REALIZATION.

You will come into realization that a thing, say gold itself, is not so important in its mineral-metal state as it is for the potential USE of it in a most practical “perceived” presentation of “value”, which is also established through mind and not physical attribute. You can take a seashell or a rock and mentally cause it to represent the most precious thing on the face of the physical world. As an example, you can take a piece of flint, which was useful for arrowheads, or a diamond in the raw. Guess which would have been more precious to the warriors of native arrow-users.

This is as true about Spiritual TRUTH as it is about arrows and slingshots. It is NOT the MAN in the point of a tale, as in “Jesus”, as good example—**IT IS THE CHRIST ASPECT OF MIND THAT IS THE REALITY. CHRIST PRINCIPLES ARE THE GUIDELINES OF IMPORTANCE—NOT THE MAN OR THE CROSS. FREEDOM IS REPRESENTED IN THIS REALIZATION.**

We do not come along and offer something that has only a purpose of making this little group wealthy or that little bunch more at peace in the moment of holding “things”. That is NOT a purpose Creator would endorse although HE WOULD RESPOND TO PETITION OF EVEN THAT FOCUSED AND NARROW INDIVIDUAL NEED—FOR YOU ARE HIS THOUGHT AND WHAT YOU NEED AND MANIFEST SIMPLY BECOMES.

What the expression of manifestation and allowance is “about” is that ability to have that which has capability of bringing about a revolvment and establish feasible processes to move out of bondage and back into a consciousness of freedom potential. In a physical environment it requires physical realization even if it has no physical manifestation as in hard-form. Here you might think “electronic” form or “hard-copy”.

When you have no base value to which to relate there is nothing for evaluation of what you have. However, when the Puppet-Master demands and states his value system onto you, you become the puppet-slave for you have to change the value acceptance or you can’t ever compete with the illusion foisted off onto your sensing physical consciousness.

Mankind as a species running about planet Earth (or anywhere) IS TRAINED. Moreover, you are trained to NOT THINK but simply to robotically express whatever you are instructed to be or do. **You don’t have to be “altered” to have an expression of “altered state” consciousness.**

To you who would “awaken” and bring about goodly change—THAT IS YOUR PURPOSE AND EXPRESSED REASON FOR PHYSICAL FORM AT THIS TIME IN EVOLUTION. IN OTHER WORDS: THIS IS YOUR GAME!

Furthermore, it will manifest EXACTLY as you choose it to be for in the realm of higher consciousness is the realization of higher expression of “creating”. With “Source” (Creator) you hold THE HIGHER POWER for manifestation for you have all that IS while the adversary to God Creator can only use that which is already manifest and YOUR PHYSICAL FIVE SENSES!

It really shouldn’t be a “battle” at all. Therefore, when the battle rages it is only within your own mind for it is only YOUR PERCEPTION of a thing which gives it meaning—to you.

You are born with soul and knowing of “right” and “wrong” in a general conceptual sense. So you can’t even say that you are a “clone” of some kind—for clones have that same consciousness as from that original aspect of “original”. Even a mechanical ROBOT will pick up an electrical sensing “realization” of intent and purpose from the manufacturers of same, for programming is but a reflection of the programmer. Furthermore, in KNOWING your purpose you will create or clone or program your own reflection. Never mind physical appearance for that is but a short physical expression. You will create that which is a true reflection of your immortal being.

IS IT OK, THEN, TO DO NOTHING?

Yes, but that would certainly negate your wondrous ability to experience in achievement and growth. If all you do is tag along behind some nerdnik, it is fine with God, for it is YOUR EXPERIENCE. Creator is getting HIS experience from HIS own creative thought projections, one of which is YOU.

What motivates you? What stops you from expression? What makes you tick? What immobilizes you? Whom do you blindly follow or even talk yourself into being a guide? Are your actions genuinely and sincerely honorable or do you move for the convenient course to protect self from truth of self? All these things make up your journey in a free-will environment for you can create or destroy, or anything in-between.

When you pray that another “loses”, you err. When you ask for that insight or ability to bring about that which allows all to have progress and freedom, you are right on track to better ways of “creating” balance and harmony as a movement away from “fear” and into “happiness”. Intelligence (through wise considerations) is what allows the first movement away from the immobility and into wise actions. Following a success at such attempts it is noted you get ever more brave and in retrospect find that you could actually have accomplished the same “freedom” without the immobilization period. So, again: **YOU ARE NOT IN LACK OF ANYTHING EXCEPT IDEAS.** Check your possibilities through ideas and choose a way to go. It is, however, through the choice of action that makes the difference in a PHYSICAL ENVIRONMENT. Thoughts without actions are fine if you write them for other realizations, or actually you are only playing games with self. “FAITH WITHOUT WORKS IS...” Where do YOU fit?

BUT WHY DO OUR PEOPLE SEEM TO LOSE?

Say what? Now I ask you, students of LIFE, is a pile of boards and mortar-bricks having more than a dual walk with God and Hosts through the very reality of Truth in LIVING? If rental property is lost—is there actual LOSS? All you need is a place to store your holdings elsewhere.

I can think of several places to stash that “stuff” so come on, team, there is only freedom to be gained through the seemingly endless bondage and assaulting.

Let us say the birds simply “got loose” through a hole in the cage—what would you do? You might grieve a bit but you would probably be unable to recover them again. After the cat has killed the bird

it is even more difficult to put it together again and expect it to fly. LIFE GOES ON!

If you need storage space—go put it in Gene's lower basement for the interim—for your need for space is so much lessened these days. INTERIM CHANGE IS AS EVERYTHING, TEMPORARY AT BEST.

If landlords do not wish to hold WITH you, then they are in the right to do that which they will and that is simply the WAY IT IS.

What happens is that the minute things get a bit tough, the first crew flees the ship to grab as much as possible for their own purposes. Then when it gets tougher, more take leave and finally—when you know that what you are doing is RIGHT—there will be the support system that works through one idea after another to allow for bringing to harvest the planted crop. The ones who destroy the crops short of fruiting, so be it—THEY MADE THEIR CHOICES. Don't you see?

As to farm, etc.? We will meet our commitments if given time to do so. If not we will meet interim demands—no more; no less. We will certainly demand that those who deliberately brought damage and loss are required to make restitution in some manner.

There is NO WAY our team in Manila can fail, readers: NO WAY! The program, the product has been validated and scattered too far and wide to be recalled under ANY CIRCUMSTANCES. Can it come to bear the full harvest hoped for? YES INDEED, for through the very structures conjured for the Elite, we have based our own foundation and for **“them” to secure themselves they are caused to secure US.**

So, what we recognize is “time”-flow. This is often inconvenient but certainly not impossible.

Low profile of our immediate team is MANDATORY, for to get this done requires appropriate parties in participation in THEIR OWN NATION OR AREA.

The “white eyes” can bring the message or the “way” but to be acceptable in lands now grown to despise the “white eyes” the connections must be through the citizens who want change enough to care enough to run the race and not just watch the coach run the race. For one thing, the “white eyes” in this race have a limited job to accomplish and can assist but cannot do FOR the ones who must do their share. **Our team has no way to even know who lies and who is truthful—until after a while into the game.** That does not lessen the work we have presented nor negate the scattered documents or recognition. We have built personal recognition of stability and integrity, stayed out of the political push-pull, and the rest of the flow can only move with the “river”. Furthermore, it is a matter of sorting the positive potential from the dead-end or negative aspects.

What we have will remain valid as a claim in value for longer than there is a United States of America. Even if there ceases to be a U.S.A., it will be called something and the fact will remain that the debt accepted will be mandatory to all succeeding entities. Will it be honored? Some of it shall and much of it won't—but that will be because of political mandates, not actual realization. This is because the BASE upon which the debt is founded is something that may well “melt” but does not ever go away and the value established will only vary with that value assigned it. By its own realization it will not ever be “non-valuable”, even if disassociated from paper currency.

Every day this holding's “VALUE” grows exponentially and it can't JUST BE WIPED OUT BY EDICT OR HUMOR. IT IS.

This does not mean, however, that the Elite won't try everything to gain the asset or negate it. It DOES mean that it is now “established” and its “use” becomes the larger issue in point.

We have committed to limitations of use but **those with whom we have made agreements have reneged on theirs but have, in fact, continued to use the same asset. Wow, now isn't that interesting? To negate our holdings they have to uncover their own criminal activities.** Furthermore, in failure to keep their commitments and agreements, they cancel the agreed-to limitations in our contract. It is much like a chess game underway.

The next and most obvious question is always: What if “they” don't let you use it or those with whom you share don't use it honorably? Again: IT JUST IS. GOD ALLOWS—MAN AVOWS.

Yes, I have answered some questions prior to their having been asked in my secretary's attention. This is because she also has to choose her way through her own choices.

[EJ: Editors: please remove the following. For Ron, especially: all of the above was written prior to my bringing your email to D's attention.]

[RK: I believe this was a reference to connections through to RUSSIA's highest levels at the time, so what follows SHOULD NOT BE REMOVED but rather, focused on from that perspective. As I recall, the Russian connection claimed that USE of the asset would rather immediately lead to all-out WAR.]

There are concerted efforts at MAJOR confrontations on the old globe as nations pit existence against one another in an attempt to gain control and total authority and jurisdiction.

Is Creator just playing games with all of “US”? In that manifestation itself is a game, yes. In that “goodness” or “evil” is at issue, NO.

The point in each individual choice or action is that you must consider your own direction and either take a (the) step or do NOT. What will happen if YOU DO NOTHING? What are the potential POSSIBILITIES for better realization IF YOU ACT ON WHAT YOU HAVE ACQUIRED? Are you actually declaring some kind of outright “war”? Well, that depends upon your own consideration. And by the way, students, LIFE IS FILLED WITH CONTRADICTIONS BECAUSE OF INTERPRETATION AND PERCEPTION OF EACH ISSUE AND EACH INDIVIDUAL.

How will you feel about self, God and nation, if you have a possible way to make a positive statement or stand in ACTUAL presentation and DO NOT? THE GODS ARE NOT CRAZY FOR GOD REALIZES YOUR INDIVIDUAL POTENTIAL FAR BETTER THAN ANY OF YOU IN YOUR EXPERIENCING FORM. YOU PLACE YOUR OWN LIMITS.

Now, the final question for this writing? What if you do nothing? (This is for each and every reader.) Cast the bread upon the water, my friends. Some bread will go to the good fishes, some to the sharks, and some will be lost to the water itself. However, if you want fish to eat you have to use the bait you hold and that might just be “bread”.

It matters not WHO brings the possible assets to

the attention of any other in such a major opportunity as is now available—for it will go forth regardless. And no, there is no way to even monitor the agreed upon mandates from the earthly level of input once it falls to the larger predators or controllers. Only MAN has individual physical potential of goodness vs. evil and therein is the only place the “Gods might be considered a bit nuts.” God, however, is NOT FORCE, and therefore is an equal opportunity developer.

You can elect to NOT offer input and my team can withdraw offers—but what are the alternatives? You KNOW where you are headed without assistance in this opportunity so wherein lies YOUR own intent and desire?

My own intent and purpose? To get a remnant THROUGH a major transition in realization, consciousness, and ultimately, simply a necessary species survival. When might that confrontation come to necessity of facing? NOW. And yes, some need to make it THROUGH a nuclear war, should that become the fact of man's idiotic stupidity. But know, students of what IS—you have gone far beyond the old A-bomb of Japan's experience. You are now into serious possibilities and, yes indeed, the adversary is quite capable of devastating the physical environment.

So, what does that “God” expect of you? It matters not for “that” God Creator KNOWS and does not “expect”. What do you expect or want of self? It is NOT a “nation” to consider herein—it is individual participation in WHAT IS. If you have “opportunity” to serve, then you really are far out front, aren't you? Consideration and points can be debated or argued but the facts remain that YOU shall decide for self according to your circumstances. I suggest you get really attuned to yourself and LISTEN to guidance instead of macho-showmanship because it can be a serious impact on your own experience and that of all those aspects around you.

Move away from the individual “ego-trap” and trappings and see what contribution you can actually make; in the conclusion it can only be self in the answering.

By the way, the Greek [RK: the Russian connection—NOT “Terry the Greek” familiar to long-time readers, who transitioned several years ago] is correct in most considerations, but he is not correct in his realization of potential possibilities from a perception yet to be known. He is likewise a “part” and not the “whole”. In each circumstance we are both testor and tested. So be it.

As a professor in teaching I must, as with all teachers, focus on that which serves to give recognition, training and growth to my students who serve in different circumstances. Therefore I will use that which gives final graduation in purpose and others must find their own status and position from the lessons shared. If you only focus on that which seems a contradiction you have missed the very purpose of your “education”.

If you make no effort to change in a better direction, then expect the full extent of that which has been projected as your outcome for what is expected will be that which comes to present. But remember, it does NOT “have” to be so.

It is like arguing over what to call “me”. It matters not in the least iota.

I AM, and further, that is sufficient. If you don't understand it now—you will!

GAIA Plan So GOOD That It Ends Corruption

The following is an excerpt from the second writing of September 21, 2000, selected for its emphasis on the merits of the GAIA Program. All the GRABBING, you see, has eliminated any plausible deniability of the existence and validity of the underlying asset. We THANK the adversarial forces for their efforts in this regard.

#2 PFC09212

Thu., Sep. 21, 2000, 12:07 P.M., Yr. 14, Day 36

RE: CONSPIRACIES & CONTROVERSIES—GCH/D

... Since my secretary's work brings her to Manila and thus our focus must be also primarily a focus in this location, we center our attention here. Why this is necessary will become more and more evident as the puzzle pieces and players become more easily recognized. This neither means stoppage of input on work elsewhere but does mean that we move forward HERE and the outflow can extend onward.

What we are unfolding is the REMOVAL of "plausible denial" of that which we bring and share—at one of the centers or hub of the program itself as established by this currently active New World Order fragment. There are many factions in the "opposition" as well as "opposition" to the program itself.

[RK: It can no longer be DENIED that the Global Alliance asset is real because it is IN USE and it also can no longer be denied that those in power KNEW it to be real and yet, would not avail of its use despite the fact that the people have suffered enormously as a result. THE CORRECT QUESTION for any central bank to ask of the United States Treasury is simply: "DO YOU HAVE ANY OBJECTION TO THE USE OF THIS AS BANKING RESERVES?" There is no motivation to ask the question and so they continue to IGNORE the reality of the Global Alliance asset FOR AS LONG AS THEY CAN.]

We are not here to argue or even debate our own program, or that which is our own asset acquisition for use. It IS and that is sufficient for consideration. However, to move further in use thereof you have to see who are the players and for what purpose they serve either themselves or their nation or their controllers.

First man had to be brought to uselessness in his own limited capacity to strive for and maintain that which is luxury to his sensing self. Then corruption is offered in order to keep the individual in a state of either self-corrupt intent or in, at the least, a position to be blackmailed. Any of these self-needs are sufficient to put down whole societies as people try to maintain that power and wealth-status, or to gain same.

Could nations accomplish this "better economic way" by themselves and without need of our instruments and plan? Yes and No. Yes, they could establish a "way" to "sort of" bring into

some form a method of currency evaluation—but NO, there is no leverage within the system established to network the globe OR to have impact on the supreme player.

Moreover, since our portion of the program itself resides with the developing country as to the program or holdings themselves, why NOT share the strength of the program itself along with its wealth and potential?

[RK: Why won't they work with the Global Alliance asset? On October 2, 2000 Doris Ekker wrote: "Over here it actually is not that the instruments are not good—they are so good that the FEAR, it turns out, is that we will somehow pay the IMF debt off and the corrupted employees who suck in billions a year on that debt interest payment will be off the payroll. I kid you not."]

The countries in point of use of our GAIA instruments are simply securing themselves, and also PROTECTING THEMSELVES at the same time from currency destroyers. All save some 20% of one half which goes back into the Alliance itself to be drawn from by the individual nation or other nations in the association—but based on value, without usury and without ultimate destruction or devastation of the users of the assistance.

[RK: Under the GAIA Program, 90% of all funding accomplished within any particular jurisdiction—inclusive of GAIA's 50%—remains within that jurisdiction. If the Philippines availed itself of, say, \$40 billion, a Deed of Assignment for \$100 billion could be emitted (allowing for the acquisition of \$100 billion of physical gold collateral sufficient to establish two equal lines of credit of \$40 billion—one for the Philippines and the other for Global Alliance). Only 20% of Global Alliance's half, or \$8 billion, would be used in other jurisdictions. The rest would remain within the Philippines for projects here.]

What is structured on the globe today is a BASELESS "idea" which destroys all potential of recovery of any "borrower" from the international funds made available. Worse, when there are more than one vying for control of a given nation you have real problems, and that is taking place in vivid color right in the Philippines TODAY.

The IMF, for instance, comes along and offers funding according to ITS perception or calculations of payback and ability to meet interest payments—along with a bunch of rules and regulations. One requirement of the Philippines to get a tranche of funds currently in argument is to have the Philippine National Bank be privatized. So, fine, Mr. Tan agreed to buy it. Ah, but Mr. Tan failed to meet the requirements so the IMF loan is "off" and the cost to the government is massive. Now all Mr. Tan has to do is wait for the next forced sale of that bank—AT A FAR LOWER PRICE—and go right in and grab it. That is simply "good business", people. Moreover, he

has been set up for the fall and he just didn't fall over dead. The game is only just begun and you can count on it.

Do WE want PNB? Do we want an airline? Do we want into the fray? GOOD GRIEF, NO. NONE OF THE ABOVE.

Neither do we want any political interchange [RK: Note to EJ—that includes POLITICAL INTERFERENCE], except as friends of the people themselves, in any country. Political change is up to the people and holds no wish for involvement from any of us. We offer what could help the citizens regain some of their precious realizations and, frankly, a hope and plan for some modicum of FREEDOM in livelihood and community.

Our people, however, have both desire and right to live equally well and in freedom of choice and also livelihood! It is called SOVEREIGNTY. In addition a major intent is to serve those Native Americans who were abused and misused from the takeover of their sovereign nation of the Americas.

Is this because they are somehow BETTER or "more equal"? No, but it is because they ARE equal "under God" and justice must become as self-evident as that man is created in basic equality.

Why America, as in U.S.A.? Well, it is NOT "just" U.S.A. but the facts are that the opportunity itself is a product of the United States of America—called Treasury "debt" assumed by and through the United States of America and ratified by the Congress thereof along with becoming due and payable through the Federal Reserve "System", inclusive of that old now infamous International Monetary Fund who pays the salaries of the ones who RUN THE U.S.A.

We make no expectation for exceptional treatment of such as China or Russia or little Brunei—OR THE UNITED STATES OF AMERICA. Facts are, the (u)nited States of America have been given as recipients 48% of 50% of the value of the asset itself for the claiming. The work outside the United States mainland was a REQUIREMENT of the corporate New World Order.

If you think GOD has some preference of the white race over the red race or the golden, brown, black or greenish-purple people—WRONG! GOD IS LIGHT—NOT "WHITE". Moreover, equality does not mean that some races are more "equal" than others. That is a tampering nastiness of man himself.

So, what prevents some from simply taking the loot and running? Nothing—except God and Hosts. It just isn't working out too successfully for those who grab and run while scamming, conning and lying their way down that primrose pathway to self-greed. It just isn't working out well for them and the more they grab, deny, defile and mock—the more realized becomes the fact of the proposal itself. ...

[END QUOTING]

So, HERE WE ARE. Seven years after the date of this writing, anyone who looks into this matter can KNOW there's "something to" the GAIA Program.

Mr. Ekker's GRAB for all Mission-related corporations and assets are icing on the cake because in overplaying his hand to the extent of ILLEGAL and CRIMINAL conduct, he has set things up for re-establishment of proper control over the Program. Ronald Kirzinger ("of" Hatonn)

‘Old’ Meetings Contain Priceless Information

This “article” is the painstaking transcription of a meeting with Commander Hatonn in Tehachapi, California fourteen years ago.

Many, many hours of work go into a transcription like this and I would like to acknowledge beloved NICKY for her efforts despite having to deal with a leaking roof and other exigencies of daily existence. Her heart bursts with gratitude to be “allowed” to do this work and SHARE FOR THE BENEFIT OF ALL. Thank you, Nicky, on behalf of all who might benefit from your sincere contribution.

An excerpt from Tape 1a was already included on page 6 of this issue, in which GCH admonished: “IF YOU HAVE TO HAVE IT ALL—to be a ‘big shot’—you’re going to be very, very sorry.”

Further along in this meeting, as Commander Hatonn opened things up for questions and answers, some very important spiritual matters were addressed, so find a quiet moment, sit back and IMBIBE from the spiritual fountain that sustains us all.

➤ 931009-2b

[GCH:] Don’t let all these stories that are thrust at you—GOD wouldn’t this and GOD wouldn’t that—GOD WILL DO EXACTLY WHAT HE WANTS TO DO! KNOW IT! Without your limitations—YOUR limitations limit YOU and YOU limit what God may do through you.

I don’t know about all the rest of you in this room but Dharma intends to MAKE IT. So maybe she’s not a bad one to trip along after. You get far enough along, you UNDERSTAND this mechanism, and FAILURE is not among your favorite words.

We are going to have energy ABUNDANTLY and in the creating of this energy we will also SHIELD abundantly. And it all comes from the same simple source of cellular LIFE in LIGHT. Sounds pretty complicated. It is until you understand it and it is so simple that you cannot find those little FRAGMENTS to hook them up because you complicate everything. That’s fine, the time is not at hand. But, I’m going to say NOW in wrapping this up: Whether you like it, don’t like it, deny it, turn away from it—and each one makes that decision—it’s not mine. You don’t say, “Oh, hey, Hatonn...” You can say to Hatonn, “Hey, buddy, count me IN.” It’s still between YOU big guys. I’m the messenger.

I had a petition from one whose family is missing in India: would I tell them—is there death or is there still living? It’s very, very hard for me to respond as I have to. I cannot tell them—I am not a fortune teller. Dharma is accused and edicted in a court of law that she is me. Now, supposing these lips say, “Sabu is alive.” That may give some measure of relief. Supposing these lips say, “Sabu is dead.” The hope is gone, the prayers are gone. Why would I do that? Because always as long as you are connected to GOD—THERE IS HOPE! Hope. Stranger things have happened, haven’t they, as they unearth a child

after a week. Don’t limit God by limiting your own hope mechanism.

My journey here is not for fortune telling, not for causing her to be a psychic. There are great and gifted ones with insight—Maya here, Maya is ATTUNED to that as, as a, a GIFT. Dharma is a writer. And understand that I understand why these petitions come to her, simply because that is your way of knowing they GET TO ME. But if I respond through her then we have put it on a very human level. I will also do that often because I know that ones are not hearing, because you’re focused on getting your response from where you sent the message. And sometimes it is nothing more and I know that many, many ones write because early on I said sit down and write it and if you have no place to send it, send it to ME—because in the WRITING of it you have looked at it. And in THOSE INSTRUCTIONS TO YOURSELF you have the resolution. Don’t undersell yourselves. **You are the reflection of GOD and YOU WOULD NOT BE HERE TO SERVE NOW were you not worthy and accepted in that capacity—even if you do not know yet what it is. When the time is at hand—you will know.** And for some it may never materialize. That depends on YOU and what you WANT to happen. I, like all your other brothers and sisters in here, want you to want—the same—the same goal. That’s unrealistic. Every individual has its own metamorphosis.

Tell me...

[EJ:] Would you like another tape?

[GCH:] No—unless we’re going to get some questions. [Pause, someone says, “I have—.”] Then let’s let him change it.

[EJ:] Uh, Paul go ahead, QUICKLY.

[PL:] Uh, you’ve got time on the tape—OK.

[EJ:] Let’s try.

[PL:] Look, Commander, when you talk about becoming one with GOD and the Creation, are you talking objectively? Like two, there are actually two objects, uh, me and you, that are distinct, separate beings now, that become one?

[GCH:] NO. [sounds like a break in the recording, then laughter]

[PL:] Um, the reason I’m asking that is because I, I, I find myself often, in speaking of, objectively, as if we were separate and therefore the idea of—even the idea of BECOMING One carries the idea of, to me of, of not yet attaining, of having, uh, to ARRIVE, uh, one’s in one place and one’s in another place and, and the two have to get into the SAME place. And therefore it’s, it, it SOUNDS objective and yet it, it seems to me that it must be the subjective under it where we’re already ONE. GOD IS ONE. THE CREATION IS ONE.

[GCH:] Keep going, you’re doing fine. [laughter]

[PL:] Um, and if, if, um, if GOD and the Creation are one, then I can assume that God and the Creation is inherently and perfectly SUBJECTIVE rather than

OBJECTIVE. [baby cries]

[GCH:] Well, it becomes BOTH, just as you have gone through this rigamarole. There are different ROLES to be played, different EXPRESSIONS and experiences to be GONE THROUGH.

[PL:] Yes, but is that not IN the OBJECTIVE REALM?

[GCH:] Well, we could talk objective/subjective, you know, and, and NEVER come into a oneness with the concept because the TWO do not REALLY merge and what you’re asking is something that says, “It’s either-OR.”

[PL:] No, I, no, I, maybe I sound like I am but I, I don’t think it’s either-or. I think the one comes out of the other.

[GCH:] It DOES.

[PL:] I think the objective comes OUT of the subjective.

[GCH:] The entirety of everything is the ALL-ness of it. Now where you get into a BOGGLE is trying to make some kind of SENSE out of this EXPERIENCE. And when you try to figure out the EXPERIENCE of a physical expression on a given planet, is where you go into trouble because you have to WASH THAT OUT before you can be ONE with Creator and KNOW this was an ILLUSION of an experiencing/expressing Creator. And within the CREATION there is only ALL-ness when God CREATOR is expressing as Creation also. So this is highly, highly complicated in its perception to HUMAN consciousness because your CONSCIOUSNESS is all of THIS that appears to be but is only a MEMORY the moment that you—in the moment of experience it becomes the memory, you see.

[PL:] So, then everything in the objective realm is MEMORY.

[GCH:] Right—THOUGHT. It is the thought expression projected, manifested by GOD. So, Where ARE you? WHERE ARE YOU? You ain’t HERE. [laughter]

[PL:] You’ve got to be PRIOR to that—to ALL of that.

[GCH:] You’re also AFTER that, aren’t you. And you’re not HERE now. Well, you try to explain that to... [laughter, someone says, “... answer the question, ‘Who ARE you?’”]

[GUEST:] I have a question.

[GCH:] Lets hear it, I’m tired of that one. [laughter] If yours is, is like that, I, you know.

[GUEST:] It is but it’s a little bit different. My question is this, uh: Can you correct me—um, uh, something which you wrote which said that, uh, “Dispersion of an entity’s physical body—by nuclear blast affects the spirit PART and, or, and/or SCARS it.”

[GCH:] Yes.

[GUEST:] For ETERNITY. Is that correct?

[GCH:] It doesn’t necessarily have to be throughout ALL eternity, but yes, and ...

[GUEST:] Of, a, a scarring nature upon the spirit-soul entity?

[GCH:] Damaging, yes. Does that make ...

[GUEST:] For at least for a period or a blocked period. And if that be true then, eh, ah, to have any, even one spirit-entity soul fragment of God reflection-LIGHT be harmed in such MANNER, uh, nuclear blast and so forth, would be kind of like, uh, in MY eyes, personally, letting, uh, the enemy’s darkest

forces WIN by doing the scarring of a soul-entity because death by any other means, might—to my knowledge of reading and so forth—is not harmful except for the nuclear blast, right?

[GCH:] No, there are other things, too, but nuclear blast is what you can RELATE to. What we're talking about—and maybe it'll make it a little more SIMPLE to consider in your thinking process: There are other things that are more DAMAGING or more DISPERSING to the energy form that is your SOUL. Now, we have to go BACK to this being ILLUSION. So, what have you basically done?

This one always gets me in trouble when I say, "Alright, let's assume you now are GOD," and yet there's NO OTHER WAY to express this particular thought: YOU ARE NOW GOD. God THINKS—THINKS—you and you become manifest. Now where is this thought going to EXPERIENCE that is now manifest? Well, if it is in a CONSCIOUSNESS it's going to be in basically a PHYSICAL realm, where CONSCIOUSNESS can perceive and make choices. So this becomes the soul-growing-lesson phase of God's EXPRESSION. Have I CREATED myself out there into a situation that I can PROPERLY control through the LAWS—ALSO structured—and become working creation?

Particle beam blasts will disperse that SOUL energy, if it is drawn from prana energy which is life RESOURCE—everything around you. ALWAYS when you are getting into these massive subjects of, "Who am I? Who is GOD?"—you have to stop thinking in terms of ANYTHING that you recognize around you.

You are talking now about WHAT IS GOD. And GOD IS LIGHT—FOCUSED. There's no, even, you know, there's no REALLY going out and coming back. There is the PERCEPTION of going away from and coming back, that is the life-perception cycle. What is actually happening is, you are going NOWHERE, everything is going like this: constricting, compressing, expanding. God is BREATHING, lets say. So, you will FIND an EXPRESSION in which to EXPERIENCE. Obviously, you want to experience something that ones around here are experiencing or you would be in Lower Slobovia today. You might not think that an alternative but you see EVERYTHING is an alternative, your next BREATH is an alternative. So when we talk about the damage to the soul, you also have to understand that in the manifestation or the CONDENSING of this energy form—let's get into physics. This always makes Dr. Young moan, groan and, "Oh, GOODNESS, he's going to get into physics and—nobody ever tells it like THAT."

[laughter, someone says, "It's ok, he left"—more laughter]

He knew I was going to get into physics. [laughter] You are about six ounces—YOU. That'll be a relief to all of you always on a diet. [laughter, someone says, "Just tell me WHERE"—more laughter]

Well, after you have a baby there is a bit more—you know, you're feeding two. [more background comments, unintelligible]

But there is legitimately a way to measure that—at death—if you could measure body, you would find it to be approximately six ounces lighter after the spirit

has withdrawn. So you literally have a traveling, pulsing, living energy form.

Now do you really GO anywhere? No. You will STUDY all of this that is manifest AROUND you for awhile. You MAY sever that cord and go home. You may travel around for awhile. Once that energy form is SEVERED from the body, RARELY, rarely will it take a presence in it again. For that reason, MANY won't let go of that body for quite awhile just in case you change your mind. And depending on the LEVEL of your PROGRESSION and understanding and KNOWING, is how attached you will be to that physical FORM. Most of YOU would be very happy to cut out—just, "Well, I remember now and that's enough." But you won't do that because of the responsibility accepted by that energy form to help OTHER fragments—also, EQUALLY, little manifestations beginning their journey—so that God can express in His THOUGHT.

Now, what happens? You have six ounces, give or take a little, floating around integrated with ALL THAT IS. So you are now a part of that magnificent ALL. But it still has direction, it still has identity, it still has its DNA IMPRINT—in each energy MOLECULE, each energy ATOM of YOU there is blueprint. Prana energy under FORCE can cause a chain reaction that will BLOW APART your ENERGY FORM. That does not mean it cannot reassemble because you cannot—you cannot destroy.

You are like a hologram: you blow up a hologram, each PARTICLE will bear your blueprint or the blueprint of that whole that you were visualizing. NUCLEAR blast will SEVER—very frequently, SEVER—parts of your genetic BLUEPRINT. Does that mean that it cannot recover? If it is ALONE out here in this mass with nothing for it to—to associate with of its own SELF, it will drift around—much like the little mitochondria—until it finds the REST of itself. And when you have NUCLEAR destruction, it HURTS you. It treats, it treats the soul very much as an EXPLOSION of physical form would treat the body: it blows it apart. And it sometimes just takes infinite, infinite amounts of experience for it to reassemble. CAN it be reassembled? Of course, because with Creator form it WILL be. But part of the experience is to allow that to RE-FIND itself.

Now, you're talking a long time, but I want to tell you: in infinity there IS a long time, NOT AS LONG AS YOU MIGHT THINK FOR ACTIVE PARTICIPATION—BECAUSE THERE WILL ALWAYS COME AFTER THE MYRIAD CYCLES A PERIOD OF VOIDANCE where expression has gone out there and it will pause, before it returns completely back, within itself. And in that time of voidance there will be rest—of ALL. Maybe you'll call it re-creation, maybe you'll call it sleep. But everything in a moment of time—or perceived time—will REST.

It IS the reason for the downfall of civilizations. **Nuclear holocaust will always bring a finalizing of the play.** Now why would that be? That is because it's bad enough when man learns to create LIFE. You can now create and duplicate. You cannot breathe life into what you duplicate but it's close enough that if it can rise above its programming it can REGAIN ITS BREATH OF LIFE, its SOUL expression. When man can CREATE DEATH, it's unacceptable—and you've

been able to do it. **When you can create the destruction of SOUL ENERGY, you damage GOD and it will not be allowed. And at THOSE times we mop-up crew always get sent in.**

[GUEST:] Before or after?

[GCH:] BEFORE ...

[GUEST:] Thank you.

[GCH:] so you can be there AFTER.

[GUEST:] I, I can see how that would be ACCEPTABLE to GOD to have that happen. And the second part to the question—I didn't mean to interrupt you—would be how often on placements does that HAPPEN? Does it happen very infrequently, often, sometime, not too often, TOO often ...?

[GCH:] OFTEN ...

[GUEST:] Too often ...

[GCH:] EVERY civilization does it. EVERY CIVILIZATION does it! You have a larger cycle change: you are moving into an INCREDIBLE cycle change, where, seven years ago—you're into the seventh year, actually—you literally, Mother became a breathing, thinking entity of her own right. You have—I, this—and I'm going to sound like, you know, one of these—

You, GOD prepares a place. Actually, you prepare it for self. And there IS A PLACE—and you will very much perceive it to be a duplicate of what you have here on which to express, because you see, you are in a cycle that many of you will not change energy FORMS. You're working to make that transition in some kind of recognizable FORM. That's an experience that you want to do. It also means that you are—as guides and leaders, etc.—moving into an area where you must also be the leader—the teacher. And you must have some of that same FORM recognized by your STUDENTS, if you will. This is—I'm trying to make it simplistic, please understand that.

[GUEST:] Thanks.

[GCH:] **And this is the transition point at which YOU'VE arrived—in this expression.** Don't for ONE MINUTE think this is your only expression. You're OLD HANDS! You would've thought you'd LEARNED by now. And the facts are, you DID. And the follow-on to those facts are something that bothers you—and bothers you and bothers you—because at some level you KNOW. And yet you are TRAINED and you are accepting a ROLE in which you must consider that that could not be, that far-out thought on my part. I must not somehow consider myself GOD to the, to the POINT that I think I can CONTROL these things—because once you KNOW that that is true, you have a tendency to WIPE OUT. YOU'RE THERE. It's OVER. There's no POINT in any of this other MISERY going on. And when you came back this time, you of the COMMAND came back KNOWING that you knew and agreeing not to DO THAT: not to bring damage, not to bring instant gratification.

It is very, very HARD for me to watch YOU ones—who LITERALLY have been MY teachers—going through some of the CONSCIOUS confusion and agony that I know I could fix. Just like the mother and father, I don't want my children to blunder out there in front of that train, it's going to HURT them! And yet my JOB is to teach you not to GO in front of the train or at the LEAST get out of the WAY

of it. So, you are EXPRESSING. You're NOT young, new souls.

These babies are not young, new souls and they KNOW it—and they'll make you dance a jig [laughter] before they succumb to that FINAL CURTAIN that you always pull down over them, so that they cannot MAKE their journey. And yet, the largest error that all parents make is in ALSO coming to the realization that they ARE KNOWING and let them become little BRATS with no discipline—because let me tell you, for every little, good angel on their shoulder, you've got forty-seven over here: "Go ahead and do it, it'll really tick her off." I give up. "I'm going to stomp that cat ... I'm going to squash that bird..."

A child has to GROW, but you cannot have invisible angels running your WORLD. You've got to do it. There had to be the physical expression on YOUR PLACE—to do the physical work. **It all may be in the SPIRIT as far as what you are efforting to accomplish, but confound it, it requires hands and feet—and you're "it". All these other ones around you are experiencing in the PHYSICAL. And if you can do it, you can show your brother the way.** If you just want MIRACLES—and magic—you have gained nothing. And I know that most of you get weary and you'd just as soon not gain any more. But you would not still be here if at some level—you know, and you wouldn't miss it for anything.

➤ 33'20"-34'46"

[At this point there is an interruption in the flow occasioned by an extraneous question from an unidentified individual: "To become a minister in this church, do you need to go to divinity school or go through that stuff, or how do you go about doing that?" I have chosen to exclude this 1'20" diversion from the transcript for readability.]

➤ 34'46"

[GUEST:] Alright, thank you. What I wanted to ask is, I've heard you say many times over again that nuclear war will be coming, it IS coming, it WILL be there, it WILL HAPPEN and so forth but [expels breath] my confusion here is, uh, the "mopping crews"—I mean, they will come, they are HERE or it will happen—will it, will it or will it not? I'm not, I'm not exactly sure.

[GCH:] Nuclear war?

[GUEST:] Yes.

[GCH:] The way you're headed in the, in the hierarchy of the world, you are marching along, number one, to the prophecies. Uh, Dharma may not remember specifically your letter. I do. And that was a very humble question and I'm glad that you would speak up and ask that question again.

[GUEST:] Thank you.

[GCH:] I am not a psychic. I'm not going to tell your fortune and yet I make a statement that says you are GOING to have a nuclear war. Why do I think you are going to have a nuclear war? Because I see no SIGNS of it being OTHERWISE and you are ON THE RAGGED EDGE OF IT NOW.

When YOU, when and IF you rise up in the United States and say, "I will not TAKE a Russian [RK: Bolshevik/Necon] hierarchy. I will not TAKE an ANTICHRIST as MY leader." That's one thing—put that aside. You are structured so that every radical, extremist nation—and of course the nation is

not "nations with LEADERS"—having been bribed, promised, GIVEN AWAY, SOLD OUT their people.

When THESE ones come into conflict and you will see WHY it will be in the Middle East that the conflict will start, because this is the seat of both the Anti-christ at this moment AND the CHRIST perception. It doesn't matter whether they're THERE or not; this is the PERCEPTION. And SOMEONE—WHEN THE TIME IS ABSOLUTELY APPROPRIATE AND PROPER—WILL PUSH THAT BUTTON. And once you have LOOSED MISSILES—then comes the RESPONSE. You don't have even to physically respond. Once they are released—say, those missiles aimed at you from the UKRAINE, once out of their HOLDERS—triggers these over here of yours and they're going to go. So, it is just a matter of WILL YOU BE ABLE TO CHANGE THE THOUGHT travel of the ones who have this power in their hands? And I see no signs that it lessens—it worsens.

There WAS a time not too many years ago that had ones gathered in and gone up and insisted—but I have to remind you, the Plan 2000 has been in ACTIVE OPERATION since LONG before the turn of your century. And I want to put it there because the BIG first step to this One World controlling order under literally SATAN'S rule—and I use that as the total absence of godly behavior, nothing else. I don't want to get into moralistic things. I'm talking now about ones who SAY they do not believe in God, are basically your adversary if you DO. And when we speak of GOD, of course the most EVIL monster SATAN IS A "GOD". So what are we talking about?

I am talking wholly about the positive LIGHTED GOD OF CREATION. You see this other GOD over here cannot CREATE. He can only DESTROY and MANIPULATE that which has already been created. So, all ones will come and they'll play—back and forth, back and forth. It is now time to come into the alignment WITH. Are you going to come into the alignment with CREATOR—regardless of what you think of His messengers or anything else—or are you going to continue locked in this illusion of physical limitations, where you can only deal with the manipulators and manipulations, whether that be through cloning, reproduction of human, reproduction of animal. You cannot be Creator of Life. You can only be creator of THINGS. [pause]

The BEST thing that you can do for EVERYONE around including self is to UNDERSTAND that. Well, you don't have to understand it. Acknowledge it, so that it's always there as you witness and watch what happens. When you get the players, you get the picture and you see what's happening.

And then I'm going to repeat what I've said over and over again and—**NOBODY feels Godly enough to accept the responsibility. ONE energy fragment could change everything—if you take the POWER. But you WILL not take the power until you have GROWN into the responsibility of that power that you take. That is the difference in GOD CREATOR and SATANIC HIERARCHY. They will always get you by FORCE, one way or another: BRIBERY—TRICKERY—OR FORCE.** God will never do that. Therefore, you've got to learn your lessons. You've got to EXPERIENCE what's going on. You've got to know your enemy—even if

you don't recognize him. And then one day, you will take that responsibility and you will say, "Change this thing."

[GUEST:] **It's just that, how, how will that person know?**

[GCH:] **You will know. You will KNOW. YOU WILL KNOW. There will just not be a question of not KNOWING.** And until then, you live your OWN experience in your own expression, as well as you can WITHIN those concepts, knowing ALSO that you're in a bad position. All of you are because you are the most compassionate of all the beings expressing. And to think of those children—this is WHY they can manipulate you—this is WHY your enemy can manipulate you, because you cannot leave that starving child in Ethiopia, or Sudan or Somalia. It, it bears on your soul. And as you make this journey THROUGH you're going to have to KNOW, if they bring down the population of this planet—WHICH THEY WILL DO—this planet was created for 500 million beings, walking beings. It will be reduced in number—if it SURVIVES.

So, KNOWING that, YOU know that you're going to have to either succumb also—hopefully to get away from this experience coming—or you will have to BLIND YOURSELF and KEEP GOING. ALL of these ones off to the side, this is—**THIS IS THE LESSON OF NOAH: NOT A BOAT, NOT A BUNCH OF ANIMALS—they DENIED GOD when he gave His instructions. It DOESN'T MATTER what you're going to go through. It matters if you can HEAR THE INSTRUCTIONS.** And it was not TIME that Noah and his bunch just simply learned to express in a higher dimension. THEY HAD TO DO THEIR PHYSICAL THING, TOO. And it was no more unrealistic at THAT time in the evolution of the planet to think there would be water to wipe them out because once again you would be TILTING.

You're going to have WATER where there is LAND. Water will seek its—you know, it's going to run, it's going to run downhill. And sure, they were all lined up—just like they're going to be by the silver craft—only the silver craft is going to be like NOAH'S ARK: It's going to be "out there, somewhere" and you're going to have to be able to get from here, OUT THERE.

Does that mean that all those nice craft will not be visible? NO, THEY WILL BE VISIBLE—to receive visible, physical FORM. That means there are going to be so MANY that they will not be able to get down here. **CAN I get YOU—I, Hatonn, get you THROUGH that light beam? YES. But the SERVERS must get THROUGH THE LIGHT BEAM and be able to function and that impact of that kind of energy will probably cause MOST bodies just to transition right there.**

So, we have a very physical job to be done and you're going to have to do it while all those are clinging to you now, "TAKE ME, TAKE ME, TAKE ME!" Have you changed your mind about the way it is? "No, but I want off of here! And you're my mother (my father, my brother, you're my friend)! **I know, I stomped you and I hurt you and I sent you to prison, and I cut your throat—but I changed my MIND now. And you're Godly, so you've GOTTA take me!" NO. There will be**

no evil brought into the kingdom of GOD. THAT journey MUST be made into the next expression. That is the LEVEL OF YOUR GROWTH and if you have not grown enough yourself to be able to LET GO and take up your responsibility where it lies, then you will be here with them. You will not yet have LEARNED. And unfortunately for ALL OF YOU—and this is why...

[Tape 2b ends]

➤ **931009 3a**

[GCH:] The Journals were written and brought forth were for ones like you. I'm not interested in the UFO group sitting down there in San Diego trying to decide whether I'm real or not or Whitley Streiber's visions, you know, were—. They were produced right out of the UNDERGROUND not far from right HERE. And if you cannot come into the understanding that has taken place, then you are not well enough educated and THAT becomes your responsibility. THAT'S WHY it's all written down, not to go make ten billion dollars off of selling books. I said that from the beginning, this seems to be what was not understood. The WORD of God is not going to be your resource. It DOES need to at least pay for itself because MAN can only seem to appreciate that which he works for.

[Guest:] I have another question regarding ah, ah, nuclear subs off the coast. If that, if it takes just a few MINUTES for all the coastal cities, is there enough time for evacuation/liftoff or however you may say it [unintelligible] coastal cities? Uh, those other [unintelligible] team, crew and so forth? [long pause]

[GCH:] Time is in the perception. I worry about my crew. You'll be where you need to be at a given time. If you pay attention, you'll know when it's time to not be there. If you are perceiving, "Is there time from the time that a nuclear sub would launch missiles?"—no, there's not. And it will not, you know, regardless of what I want, no. [background noise, EJ says something about "an extra copy"]

In a way that's what I'm talking about. This is part of the de-population plans. On the other hand, when you are concerned about nuclear subs off the coast it becomes almost insignificant compared to what will happen when the coast GOES.

Now, I'll say this for Tracey. Because there is PLENTY of evidence on your place of what these plates are doing underneath you, whether they are man triggered or, or nature just finally spins itself away. The lower part of California is going to BREAK AWAY. This is why I don't get too CONCERNED about ones in the family, for instance, in San Diego. San Diego's going to drift out there and head North. Now you may have to SWIM awhile but when THAT kind of massive upheaval comes, this place will be an island anyway.

What about ALL THOSE PEOPLE ALONG THE COAST in Los Angeles, San Francisco? They will go according to their PRE-FLIGHT TRAINING. If they have more service to do for GOD, they will be brought into safety. MY TEAM, because of MY PROMISE TO THEM, let us take Dharma, MY PROMISE TO HER—but she has to be mature enough to understand exactly what I'm saying—we don't snatch bodies, but on that DAY of such UPHEAVAL I've got to have my people. And if she is going to be WORTHLESS TO EVERYBODY because of her ones over on that coast and "Oh, God what is happening?"—it will IMMOBILIZE you by TOTAL FEAR. So, in those times—and I am not going to write this out and spell it out for you—as you come into your knowing you will know, accept and

understand this and release it. There are ones there, **THEY need to begin to make their CHOICES. It is not so imminent that they don't have to make them TODAY, they may have to make them by a day after tomorrow, but at some point you've got to do this anyway.** [RK: "Are we 'there' yet?"]

What are you going to be when you grow up? And if you wait until you've grown up and died and never decided, then what, what are we talking about anyway? So, at some point you're going to have to come into the recognition, "Oh my goodness this may be true, and I'm getting a warning. I better really begin to consider." But in exchange for you ones who SERVE in THOSE TIMES, I'll bring your people into safety—if they are kicking, screaming, cursing, every inch of the way. Unless you understand they have the right to make their choices and you have the RESPONSIBILITY to release them. But, because I know the emotional makeup of the human character will not allow that to be happening that day. So my agreement is, I will take them off, I'm gonna take the children anyway. I don't care what you think about it. Now, I cannot put an age limit on that because there is the recognition which means MATURITY IN THE CHOOSING. All the children—the little children—will be taken into security.

Does that mean that all will be taken in physical form? NO, and you're going to have to leave that to God. ALL of YOUR people will be taken aboard into what I will now classify to you as PHYSICAL SAFETY. Then OTHER decisions will be made after the MOMENT because we are working in the constraints of your TIME PERCEPTION. Doesn't matter what mine is, it only matters at that moment what YOURS is and what YOU perceive must be done—and this is the experience. And just like yesterday, it too will become the memory.

Now, what are you going to do with energies you brought aboard and the memory is that they have not grown enough to be anywhere. NOW what are you going to do? YOU are going to have grown enough to realize they can have other placement—plenty of places I mean, literally just they won't even know what hit them—they'll just be experiencing at the same level of growth somewhere.

You're not locked to this place because of the inability to have other places, you're locked to this place because you have no perception of being anywhere else. There are myriads—as many as God needs out there—places to put already experiencing individuals in their physical form.

[Guest:] There's another part of the question, I don't want to keep anybody over and I want to thank you for your response ...

[GCH:] Everyone is enjoying this. Anyone who NEEDS to go certainly may.

[Guest:] Ah, the other part of this, ah, question, that was in the letter—some of the others would know—a thought of mine was take up those that, uh, say aren't, uh, say, ticket-holders, are doing evil, and place them on other placements—because my personal opinion is that surely other people, most people, even those that are absolutely ignorant, blind, or deaf and dumb even by choice and even loving every minute of it—surely, uh, are pliable enough to eventually be, have at least some insight that more to reality and perception than they believe. And that they can learn truth and learn to love truth and, you know, they can, then can change, let's say—to just say take up those who are good or souled beings and, you know, eventually when we see that, all of the glories that, that the, ah, hosts and so forth have to offer, they surely will

change their mind and then find them other placements and let those instructors down here, you know, have everything—destroy each other eventually and then come back here after they're all done.

[GCH:] Well, your perception is very nearly what happens. The only thing wrong with your perception is you think that, that has to be done in a human, physical way.

[Guest:] Ya, that, that's ...

[GCH:] There are no souls lost. There are ZERO souls lost. When we talk about a mass evacuation, it may appear to you that many ones are being lost. There will be no souled beings, no SOULS will be lost—NONE, zero!

[Guest:] Or, or fragmented?

[GCH:] I can't promise no fragmentation, that depends on what happens on Earth, but no SOUL will be lost, and when you, you're talking about—get them off, let them go ahead and explode the world or whatever—you must know and if you haven't known this before, I'm going to repeat it: **over two-thirds of the population of your planet are SOULLESS beings ...**

[Guest:] You see way ahead of us.

[GCH:] That should ease your mind considerably. When you consider that, you know, only a third of what you see out here is in question at this point. And those are things you're going to have to leave to God. Every soul is attached, every soul is numbered, every SOUL has nothing to worry about. It will be placed somewhere else. There was already the period of time where ones could make that evacuation.

There are very few floating energies and when I say floating I mean Earth-bound energies—some, yes. But of the Godly, souled energy forms out there in the Astral plane, we've already evacuated almost all of them and we can get the rest to move them out of that danger area, if you explode your atmosphere. Because NEVER again will it be allowed, even the perception of the destruction of, say, Maldek.

You move your finger, that motion travels throughout the Universe. A PLANET in destruction—especially from a light energy form that explodes it or causes this intense disintegration of the MASS, as perceived—leaves a GREAT VOID. That will not happen in this instance.

If it comes right to the deadline and you are going to explode this planet, we can evacuate all souled beings within fifteen minutes of your counting—and will do so. And that's why there is such confusion with Commander Ashtar's command and my business.

You have brothers from all of your Universe that is within traveling knowingness here to help you. Because the only thing going anywhere anyway is that soul energy. You need a place to park it. And if you can make it in the physical form you will continue your journey and all souled beings will be placed at the level of their progression—in family units. It's prepared, it's ready, it's waiting. And this is what God will not allow, and that is the dispersion of soul energy on such a massive scale.

[Guest:] You're saying that, uh, that, that in that case that the soul energy will be, uh, taken up, those that transition will be taken into place.

[GCH:] Oh, ALWAYS those making transition. I'm talking about that there will be MANY ones lifted off IN HUMAN FORM that will MAKE that journey.

[Guest:] I hate to burden you with so many questions but I have a lot of them ...

[GCH:] How are you going to get the answers, if you don't burden me? [laughter]

[Guest:] That's true. That just brought me up a point: There are two-thirds souls that are six billion

from the [requests from ones in the audience that the guest use the mike] there are two-thirds that are soulless beings, say six billion, that means there are what, four billion that are soulless? And I'm sure that a lot of them, you know, around and about that we see. How is one to know? We just know, we shouldn't, we don't have to, doesn't matter, don't worry about it, doesn't matter, just curious ...

[GCH:] Yes, you have to worry about it. I wish that I could just say don't worry about it. And technically speaking, or casually speaking, don't worry about it. You can SEE that you are dealing at a level of out grown soul—God soulness—in the hierarchy of these manipulators that would be the anti-God, if you will. And these ones are bound to Earth, they're not going to go anywhere anyway. You know, they are—this IS their domain, this is their kingdom, this physical world.

YOU have to bother about them because YOU do not who they are. And if you lose your compassion and you say, "Oh, well, get rid of that one anyway, just blow him away. We don't need him anymore, he's not a souled being anyway." What has that done to YOUR soul? You have placed judgment and death on another BEING that you do not know whether he lives or dies. So the importance of this is never to make that judgment.

Now in defending yourself, if that one comes against you and is going to take your life or the life of your souled being next to you, you not only have the right, you have an OBLIGATION to defend self. And interestingly enough, **by the time we get to having to make some of THOSE choices, you ones will know how to defend yourselves without touching a gun.** You may not be able to do that TODAY, but the gun will become your DEATH KNELL if you rely on it for your security. And so will thinking that "I can just handle myself according to Spike training."

You are going to have to take your power of control over those energies. They are lesser energies and I'm telling you, 95% of all them in your, in your realm—as they come against you—will fit this category. And the ones who will actually confront you will go away when you produce God because all of those who would kill you are living in that perception that that is alright behavior—and that is not alright behavior. And therefore, you can know from this moment forward, you still—no matter what it appears to you to be—you still have more power than your enemy, as long as you call upon God in RIGHTEOUSNESS.

If you are no better than they—"But now I don't want them to hurt me"—you're in bad trouble. But you can grow into that knowingness that they cannot touch you, all you have to do is your energy form pronouncing, "YOU WILL GET THEE FROM ME."

[PL:] Commander, where did all of this two-thirds of our population soulless come from?

[GCH:] Part of them are replicas, part of them are simply cloned creations of test tubes, uh, MOST of them are birthed.

[PL:] From ...

[GCH:] They have just grown away from their soul, their soul has departed, that ...

[PL:] In other words, they ...

[GCH:] That soul has already gone. It's already in security. It has left this, this mechanism.

[PL:] What would have been the occasion for that? Because of ...

[GCH:] Any occasion.

[PL:] Choice, freewill, choice I don't want to be

here?

[GCH:] Being caught in a situation where you are birthed into a situation where already you have ones with NO intent toward God at all. They birth another and another, and so down through the eons of time you have produced soulless beings.

[PL:] So, are you saying by "birthed", by the chain of, uh ...

[GCH:] Procreation.

[PL:] Are you saying by a being who had a soul, say, in a child-abuse home, for example, and doesn't see any other way in sight, he wants to leave, the soul body stays and soul goes ...

[GCH:] Well, that sometime happens, but SOUL goes.

[End of Tape]

➤Tape 931009 3b

[GCH:] ... what you need to do. But the ENTICEMENT and this is EXACTLY what the MAJOR, major battle is.

YOU are an expression of GOD and the ANTI-GOD wants you: "Come on over to my team." And you'll get in this human physical shroud and you'll get lost. And it'll look so GOOD over here and this one's up here TELLING you in the ear how good it is: "Don't go with those frauds".

"Uh, well, what's wrong with the frauds?"

"Oh, LOOK AT THEM: CRAZY NUTS."

"Well, but what are they REALLY doing? What have I got to lose to go with them?"

"Well, you come on over here I'll give you a piece of the BUSINESS and a piece of the ACTION and I'll get you a woman or a man," or **whatever it is that will PULL TO YOUR WEAKNESS.** [RK: *Would, say, \$30 billion turn your head? Grab for it and you will LOSE.*] And it will always be the EGO! And if you can experience—especially coming down from the ALL-KNOWING and EXPERIENCE—YOU ARE MAKING YOUR GRAVE.

SOMEBODY had to have once been LORD MICHAEL. SOMEBODY had to have been—GABRIEL. You see, I'm having to search because ALL of these are known to you. Many of them ARE you—polishing off one more facet of that diamond. I come back to experience because I'm polishing up my OWN diamond. And I can HELP you polish YOURS.

Some of you have been my, quote, SUPERIORS—in other expressions and experiences like this. GOD WOULD NEVER ASK YOU TO DO SOMETHING HE HAS NOT DONE. I can't EXPLAIN that to you more in your consciousness than that, simply BECAUSE some of you may be experiencing NOT in that form. But when you really run into TROUBLE is when you have a nice, cute little perfection of a son called Lucifer. Taught GOD a lesson, too. And yet, without that NEGATIVE energy there would be no way to EXPRESS the POSITIVE—and there must be both.

[Guest:] One last one: Well, what more can I do? I'll ask another question besides that. [laughter]

[GCH:] You'll know. You'll know—and part of the biggest pain that you will have is trying to figure it out. I know that.

[Guest:] Yah, it's very painful.

[GCH:] It's that SEARCHING within. And it, you know, you KNOW you could fix it. I, I relate to you. I relate to ALL of you. **You KNOW at a level beyond even your breath that you could fix it. And you get so frustrated: "I know and they won't listen. I could just SHAKE them and they will not LISTEN. They won't HEAR me." And they**

won't. And you'll have to move on—through it. But you will. You will. Ones either move on through it or they fall away and there is never any peace again ON the planet for them.

If you come to the realization that your journey does not INCLUDE this, then you may very WELL be able to come to peace. Only you will know that. It's not for anyone else, it's not for me. It's not for me to say to you: "Do this, do this, do this, do this—and the door will open."

I can tell you NOW that except through the CHRIST expression of GOODNESS—I didn't say even PERFECTION. When he SAID TO YOU: "Except through ME shall ye come into the Kingdom," that's exactly what he meant—not through a MAN but through CHRIST.

There are ALL sorts of OTHER places you can go but if you want into the KINGDOM OF GOD you must take that ROUTE—and that choice is YOURS.

"Well, maybe I would like to just stick around this old human form awhile longer." Fine—fine. You will DO that—even if you transition from THIS place this DAY, you will DO that. But MOST of you are tired now—as souls—of learning these lessons: "I'd like to go express in a higher place of perfection."

You see, there are a LOT things to do EVEN IN A HUMANOID FORM that YOU guys, you know, stick around here thinking this is a great thing. You haven't even BEGUN to express in the WONDERS of the technologies of Creation. You LIMIT yourself worrying about this human form and this little human soul. JUST WORRY ABOUT YOURS—and God will take care of all the rest.

Ones say "How could you do this to the children? What about all those dying children? HOW COULD GOD LET THIS HAPPEN?"

God didn't let ANYTHING happen. Guess where all those children ARE. I HAVE THEM. YOU KILLED THEM! God has TROUBLE every now and then in FORGIVING you, those STUPID things that you DO. It doesn't mean that he doesn't DO it. He allows you to grow THROUGH it—or you DON'T. And THOSE are the consequences that MUST come TO the individual—only the individual—at the moment of Judgment and transition. And there IS NO ALL-KNOWING on this side of the veil. You're stuck in THIS side without knowing for sure. You can be confident, you can TRUST. In your gut you can KNOW. It's not your GUT, IT IS YOUR SOURCE.

[Guest:] How can I slip, how can I slip under the curtain?

[GCH:] THAT IS THE SECRET. [Rick Martin laughs]

[Guest:] For another time? [light laughter] I want to thank you very much. I appreciate.

[GCH:] Thank you for ASKING. These are the LESSONS we're here for. All the rest is simply expression. And yet, how can I go and write all of this and expect ones to UNDERSTAND. So, you have to start at kindergarten and work up. We'll get there. Hold to the truth and there is no way you ... [shrill feedback from the mic]

Making a little noise ... [laughter]

May you GO now. I think it's a good idea. [laughter and voices saying, "Thanks, Commander!"]

I'm going to end up with a zombie here on my hands anyway. [light laughter] I appreciate this from the bottom of your seats. [laughter]

Go in PEACE. YOU'RE CHERISHED. YOU'RE LOVED. SALU

[Audience:] Salu!

Publishing Hiatus Seems Unavoidable

We are entirely out of funds and production of the next issue cannot be assured. We have the TRUTH to offer but apparently there is simply not sufficient interest to support the work or even the valid, legal positions. Oh, well.

It is alright. Over the last 15 issues enough solid information has been provided to undo the actions of Eddyjo Ekker, King Usurper of the Divine Plan, whenever sufficient interest is shown.

Accordingly, publication is expected to cease for a period of time, though hopefully not FOREVER! Meanwhile, I can still, for now, be reached at the email address and telephone shown below.

We are “there”. All that remains is for you to choose the role you will play in the outworking of the Divine Plan. For my part, I will continue to contribute 100% of my life energies to “The Mission” as put forth by Commander Gyeorgos Ceres Hatonn through his scribe, “Dharma”.

Sincerely,

I can blow a bit of wind beneath your wings but to soar, my friends, you must do so with your own wings lest it only be “my” flight. When you want to fly badly enough—you shall.—GCH 8/10/00 (13-359)
