2/5/91 HATONN

## TODAY'S WATCH

Hatonn present in the total source of ALL, in presence with Source that our journey home might be in perfection. Let us tarry a moment in communion for your burden is heavy and some of it I can bear--most of it must be borne alone, chela.

Each thing that must be set aside while urgent messages are translated are painful for the queries and responses are ones of "neglect". These ones forget that there are six billion plus people on this planet and the messages are for ALL--if ones ONLY perceive themselves as important enough to disallow those six billion individuals to receive their life-saving instructions in order to prove something or another to self--then I suggest "self" is not looking within for Truth but is, instead, searching for that which there is no "self intention" of finding. I request that you print the letter from BLT, Pittsburgh, that we might use it for discussion. I hold this child in great compassion and caring love. I do suggest that she get busy and read all of the material and do her own homework. I would ask if you would expect Foreign Minister Bessmertnykh to sit and pen you a personal letter regarding their status to suit your satisfaction.

I am a Commander in the Federation Fleet. I am in Command of Shan (Earth) transition. I function as a multi-dimensional being (restricted to not higher than fourth) to better relate to you of density two, third dimension manifestation. I am Aton of Highest Source, the One Light as described through the ancient lineage of Deity. I serve with this group from Pleiades for

this is the heritage of most Earth humans, no more and no less.

Earth has reached the time of transition--the age of Kali (chaos) just prior to the ending of an era of the major cycle (ending times) of perception and graduation. Your peoples have gained knowledge which can and shall destroy your planet if not put into check--you show no probability of so-doing. You have learned to reduce soul essence to death and that is unacceptable. You have been sent as caretakers to a wondrous creation upon which to experience and you have destroyed her--THAT, also, will not be tolerated. As of August 17, 1987 your ancient calendars ENDED--THAT MEANS SOMETHING, WORLD! It now means that you are at (on the 13th/14th of this month of February, 1991, the ending point of the year 4 (exactly 3 and 1/2 years into the cycle of ending). How will it end? You be the judge--where are you headed?

I, Hatonn, serve as a Commander in house with Sananda (who was recognized as A Christed being upon your placement). He was a messenger--A TEACHER! He has attained his level of progression into the oneness with God Perfection and he went forth as a Host to prepare a placement for each and all of you who would come home to Source. He perfected His portion--however, YOU were to prepare a place for his return in that which you call "second coming"--YOU HAVE NOT DONE YOUR PORTION! Instead, you have projected through the lies of the false teachers that you would not need do anything save sit and wait and somehow just to believe HE existed that you would be scooped into the clouds and escape all confrontation with the truth of your actions--BAD NEWS!--IT WON'T BE THUSLY

SO!

I, Hatonn, come as Commander of those Hosts to prepare receivers for that "Coming" for it is so that the Kingdom of God, Creation of/by God shall be reclaimed. I Command from a starship of massive size, alongside Sananda (Jesus/Buddha/The Cristos) for he is both MY son and myself. He is not yet upon your Earth in any form of manifestation as you would recognize and you have not prepared his placement. The name of the starship Command is the Phoenix for it is the symbol of the rebirth and the renewal of the tribes of winged beings--the Cosmic races who travel through space. My LOGO, if you will, is the symbol of the Phoenix within a triangle--representing the triune of existence and infinity thereof.

I am labeled Commander of the United Federation Fleet/Inter-Galactic Federation Command in direct reporting to the Federation Higher Council of Intra-Planetary Constellations. I am hampered by time, restricting how much my scribe can produce in Earthly time limitations. When you demand response from me--YOU DEMAND THAT THIS SCRIBE GET NO REST WHATSOEVER FOR WRITING IS ONLY A PITTANCE MEASURE OF HER TASKS IN PREPARATION FOR THE "RETURN".

How do I know that you do not do your homework? Because I respond to each and every inquiry or if it be for another entity, it is accepted and given response--YOU DO NOT HEAR IT! What you do, as in this instance, is expect very Earthly response so what, actually, do you expect? Dharma does not claim anything save fatigue at a task beyond description--YOU WANT GOD TO BE YOUR OWN REFLEC-

TION AND YET YOU ONES CAN- NOT BEAR IT IF GOD TURNS OUT TO BE THAT REFLECTION--YOU ONES HAD BEST GO PONDER THIS POINT! I, Hatonn, Commander, do not even pretend to cover all resources--it is my job to bring forth the "Truth" according to God's LAST AND FINAL PROMISE! YOU WILL DO WITH IT THAT WHICH YOU WILL.

As we print this letter from BLT, I would ask that all be quite kind for this is a youth, searching for something called Truth, from the garbage of that which has been given unto her. She has received lengthy information from the staff herein, but demands response from "Hatton". This in itself, proves she reads not all the material for my name is Hatonn. I am a Commander with a great task--not a nursemaid to those who would quibble and harass. All inquiries will be attended but most likely not from my scribe through this mode of transmission. May we please come into understanding of that which is at hand.

Quote:

*Dear Hatton, (Tuesday, J/29/91)*

*I hope that you are going to write me. This is XXXX XXXX AGAIN. I will not bother you further after this.*

*My previous letter & its contents are very important TO ME. God is very important TO ME. Living life correctly, though I do not always, is very important TO ME. So, your response is also very, very important (TO ME).*

*Now, if this is some human, with a twisted, creative nevertheless, mind who is using a deceptive gimmick to obtain money for books, then I hope that you get what you deserve. And you will. But kindly do not play this game. Just have enough integrity to write me back & even lie if you must. I will see straight thru it anyway.*

*But if this is truly Hatton, alien to me because I do not know who or what you are, please do not play a game with me either. If you don't want to be bothered, just say so. But write back your rejection. But I assume that you care & I assume that you will respond, since you are a part of CCET; the Earth representative, Commander-in-Chief.*

*How do I know? I don't know.*

*Thank you for your time, once again.*

*Emphatically & Sincerely,*

XXXXXXXXXX

*P.S. I hope this letter does not offend you, if this is truly Hatton. If this is someone else, then I don't really care.*

END QUOTE

Precious, have you ones not been lied to quite often and long enough? If you can see through lies--why can you not see Truth which is all about you in every breath that you take, every thing that is thrust upon you to deceive you? Please do not think for even a moment that you have just obtained some sort of private Guru to attend your every whim. If you wish spiritual guidance beyond all understanding--turn unto God and your Master Teacher and listen! I fly a spacecraft and direct Operation Shan. Should I perhaps call it "OPERATION SHAN-STORM?" It, further, is my commission that Truth be put to print as historical data through the hands of human to be utilized by humanity and then placed in security as historical documentation of a changing time in akashic record-keeping so that Truth be balanced against the lies already present upon your placement in full bloom.

Precious BLT, you have already said it far better than I can reproduce your words but I shall rephrase your comment. The decision as to myself and my status is solely within your own discernment for you have even invited me to lie unto you, child, if necessary, if only I will respond. WORLD! IS THIS WHAT YOU HAVE ATTAINED? DO YOU REALIZE THAT THE WORLD IS SO FILLED WITH LIES THAT YOUR CHILDREN MUST ASK "EVEN FOR LIES" JUST TO BE HEARD? SHAME UPON THE HUMAN SPECIES HAVING REACHED SUCH A STATE OF DEGRADATION AS TO GIVE FEASTS OF NAUGHT BUT LIES UNTO YOUR BABES AND THEN SEND THEM UNTO THEIR DEATH IN A FOREIGN AND DISTANT DESERT WHILST YOU WAVE YELLOW RIBBONS AND THEIR BLOOD SOAKS THE DESERT SANDS? IS THIS WHAT YE HAVE COME TO

REPRESENT? AH, YES INDEED, EVEN UNTO THE REST OF THE WORLD THIS IS WHAT YE AMERICANS HAVE COME TO REPRESENT!

BLT, be patient child, and Truth will come into thine perception for ye actually desire a Commander and leader--not some pious mush-mouth to feed you on sugar water and more lies. The false teachers overflow the lands just as were told unto you. I do not walk your land nor does the Master Teacher nor the Deity in physical format--THAT is one of the very clues you should be seeing herein. GO READ YOUR HOMEWORK!!! I, further, can fragment my attention--but not to the same given extent of Sananda, for instance. I am restricted in dimensional form so that I can better function as you must function so that understanding can be balanced--so be it. Rest in peace for ye are precious unto me and I thank you for your efforts and attention for so few care enough to even think about it and blindly accept that which is fed them from the silver spoons of evil liars--be it from the streets or the pulpits of your churches. AHO.

TODAY

Listen up because the confirmations are now beginning to flood back upon you as to that which I have been presenting. Dharma, please now, type the letter of January 31, 1991, from Alan F. Don't concern with resource, for it is valid and I care not that you look it up for clarification for I have scanned the material and it is accurate to the point in attention. It came not to me, Hatonn, but rather, to GG of America West. A "fax" has been forwarded to this location for information for Dharma who must wait confirmation as it flows back along the flow-stream. However, if things are confirmation to her consciousness--they must be confirmation for ye who read the documents we send forth. After we reprint the letter, we shall speak more in-depth regarding Israeli participation from onset of this war, even unto the first bombing of Iraq, for it is now publicly documented as far back as the 17th of January as to bombing missions into Iraq of the Israeli Air Force.

QUOTE: (Dharma, just the headline portions please.)

## IS U.S. SENDING SOLDIERS TO THE PERSIAN GULF IN CHAINS?

Last fall, Nancy Spannus, the only Democratic candidate to challenge Republican John Warner for his seat as U.S. Senator from Virginia, was told during her campaign by a source in the U.S. military that some Americans in uniform who expressed their reluctance to go to war against Iraq, were being clapped in the brig and shipped to Saudi Arabia in chains. Now similar reports have surfaced in Europe, notably in the Italian press, indicating a serious morale problem.

"U.S. Soldiers are Condemned," forced to go to the Gulf, "in some cases loaded on the airplanes with their hands and feet tied together," reported the Jan. 8, Corriere della Sera. Is the U.S. military shipping its war resisters out to die?

**HOSTAGE TO BAKER: WHERE IS AMBASSADOR GLASPIE NOW?**  
by Scott Thompson, journalist.

JAN. 15 (EIRNS)—As the world teeters on the brink of war, this reporter tried to get the U.S. State Department to do as Iraqi President Saddam Hussein has already done, namely, release its hostages. The hostage in question, U.S. Ambassador to Iraq April Glaspie, who is being held incommunicado, is a witness to how Secretary of State James Baker lured Iraq to invade Kuwait.

No wonder that, with President Bush ranting that "Saddam Hussein is worse than Adolf Hitler," he wants to silence an ambassador who can tell first-hand how his administration helped rig the Iraqi invasion.

## HAUNTING THE STATE DEPARTMENT

Assuming those at the State Department's Near East Affairs Bureau are not lying (like press spokesman David Good, who claims to have seen Glaspie—he called her the "gray ghost"—wandering somewhere around the corridors of the State Department), she has fared much better than a dozen-odd witnesses to Bush's ROLE IN IRAN-GATE, WHO SEEM TO HAVE DIED UNDER MYSTERIOUS CIRCUMSTANCES. Still, her "ghost" haunting State should be a lesson to employees who carry out the treacher-

ous policies of the administration.

This reporter has tried to make contact with the U.S. Ambassador to Iraq for over three months, since her role as the siren helping to lure Iraq to invade Kuwait became known. Aides to her boss, Assistant Secretary for the Near East John Kelly, would say that she was somewhere in Europe, while others would claim they had seen her that morning. Yesterday, a staffer at the Iraq desk blurted: "We've been ordered not to talk about her."

Press spokesman Good used "Foggy Bottom Bafflogab" to say Glaspie was "under consultation in the building," but said he could provide no further details. Asked about the text Iraq released of Glaspie's July 25th meeting with Iraqi President Saddam Hussein, in which Glaspie told Saddam that, "We have no opinion on the Arab-Arab conflicts like your border dispute with Kuwait," Good added: "I cannot get into the substance, but on background I can say that the Iraqi account was inaccurate and incomplete...I can neither confirm nor deny that the State Department said Iraqi action against Kuwait would be seen as an inter-Arab affair."

It is not just reporters who've had trouble reaching Glaspie. Congressmen report that President Bush, himself, blocked their ability to subpoena her, so Congress could get to the bottom of how the Persian Gulf crisis was rigged, when Bush exempted executive branch personnel from testimony. It would have taken a major constitutional fight to get Glaspie under oath.

## WHAT IS BAKER HIDING?

As New Federalist has documented, the Anglo-American Establishment, with the aid of Israel, waged economic and psychological warfare against Iraq, denying it reconstruction after the 1988 end of the Iran-Iraq War. British-influenced Kuwait played a role by denying Iraq development credit and by driving oil prices through the floor, so that Iraq could barely maintain debt service on its war debt, let alone fund new projects.

On the eve of the Iraqi invasion, Glaspie met Saddam Hussein. The text of their discussion, released by Iraq, was printed by the NEW YORK TIMES on Sept. 23. Not only did Glaspie tell

Saddam that James Baker had emphasized that the U.S. would treat Iraq's dispute with Kuwait as an "Arab-Arab conflict," but Glaspie said: "Mr. President, not only do I want to say that President Bush wants better and deeper relations with Iraq, but he also wants an Iraqi contribution to peace and prosperity in the Middle East."

Certainly, Glaspi's remarks to Saddam reflect the position taken initially by Bush, who refused to send troops to the Gulf until after he had been brainwashed by Britain's then Prime Minister Thatcher. It seems the administration, through Baker, is holding Glaspie hostage to cover for having lured Iraq into Kuwait. It's time Baker does what Saddam did, and let his hostage go.

END OF QUOTE FROM LETTER

Thank you Alan, for your input and documentation. We do not need the document but I trust you will keep it on record for reference for any desiring source.

Now, we are going to have a discussion regarding some other things I have told you and I wish to reiterate several points. Firstly, those of you who labor under the delusion that prime community centers are not targeted in Iraq, had best look again—the toll in death is now into the tens and tens of thousands—does this make you proud, America? The truth and proof is now hitting the isolated presses of truthful reporting and the European presses. Here is one:

**BAGDAD;** (Dateline Jan. 29 and obviously obsolete in numbers) The 10,000 U.S.-led air raid sorties over Iraq (they now claim over 46,000 sorties by today's claim) have so far dropped the equivalent of 46 Hiroshima bombs on that country.

The censorship and disinformation enforced by Secretary of Defense Richard Cheney has embargoed the news that the bombings have resulted in large numbers of civilian casualties. The continual emphasis by U.S. officials on describing the missions as surgical bombing being conducted with "high precision," allegedly directed solely against "strategic targets", is designed to cover up the huge civilian casualties among the general Iraq population.

*(These civilian casualties are euphemistically referred to by U.S. officials as "collateral losses".) (Hatonn: Does it rather remind you readers of "Other Losses"?) Reports from Palestinian and Lebanese refugees streaming out of Iraq describe mass panic, general chaos and great loss of life, in direct contradiction to official U.S. releases.*

*In direct violation of the UN resolution authorizing the use of force solely to dislodge Iraqi troops from Kuwait, the Bush administration has instead followed a course to totally destroy Iraq.*

*According to experts on saturation bombing, huge civilian casualties are unavoidable when population centers are hit by such massive tonnage of explosives.*

*Most of the so-called strategic targets were located in the middle of Bagdad, a densely populated city of 4.5 million people. Although underground shelters had been dug in the days preceding the January 16 surprise attack, there was no way that U.S. commanders could ensure that civilians would be spared through "precision bombing."*

*Bush's cover-up of massive civilian deaths among Iraqis is actually aided by an Arab cultural trait, which, in fact is similar to almost all other cultures. Arabs feel shame when they complain about catastrophes befalling them. Iraqis in particular have been fighting invaders for the last 5,000 years and would rather die than let the world know they were severely hit. It would also, they believe, simply invite the enemy to strike harder.*

END OF QUOTE.

Now, I would like one of your own scientific "experts" to explain to me just how you can "bomb a chemical/biological factory in such a way as to offer NO HAZARD TO THE PUBLIC"? That is what is pouring from your own military leader's mouth! Also, I believe that if you are watching the disinformation news you are now witnessing EXACTLY that layout I described for you of burms, mine-fields, trenches etc., between you and your ground enemy. Of course the diagrams are fairly accurate but there is no mention of burning crude oil, fuel-air bombs, napalm, etc., in those trenches--you are told that you will

simply carry with you, folding bridges, flop them across the trenches and move in without objection following air strikes with "smart weapons"--the same type smart weapon that blew up your own tank by your own hands!!! Oops, well, the men's families will just have to accept errors from time to time and surely the men "are with a kinder and gentler Father". Where are you, America?

How about Israel's bombing of Lebanon TODAY? Oh, well, you just can't keep up with everything, can you? And what of the West Bank and the Palestinians? They are still restricted to their homes under penalty of death--with constant patrols and less than one gas-mask per ten persons. No food and no water and loss of all jobs. Where are you, America?

Let us consider this headline as presented in a major news-press: ISRAELI PLANES ATTACK IRAQ, SECRET CORRIDOR IN SYRIA.

*Despite its claims to "non-belligerent" status, Israel has been at war with Iraq since January 17. This has been learned from highly placed diplomatic and military sources. Its actions follow the pattern of "undeclared wars" which it has employed in the past.*

*Allowed to use a secret air corridor over Syria, Israeli F-14 and F-16 attack jets have joined the air battle in the gulf with a priority mission to track down strongman Saddam Hussein and other top Iraqi leaders, then "terminate" them with so-called "smart" bombs.*

*One of the key targets assaulted by Israeli fighter-bombers has been the small town of Tikrit (AND AGAIN TODAY) in Northern Iraq. Known as the birthplace of Saddam Hussein and several of his senior aides, Tikrit is reported to have been "obliterated" by the mini-state's raids, with more than half of its 24,000 civilian inhabitants killed in the aerial holocaust. These have been women, children and old men. All the younger men are in the army.*

Now, please weep for history and evil destruction as you read on: *The ancient town of Nineveh has been bombed, as well as Mosul and Kirkuk, bringing heavy loss of life of women and children. This is widely published news coming out of Jordan, which also re-*

*ported the destruction of St. Toma Cathedral in Nineveh. St. Toma, built in the first century, is reputed to be the oldest Christian church in the world. (Is this what a REAL HOLY POPULACE DOES TO THE MOST HOLY OF HOLY SITES OF GOD?)*

*The Israeli air offensive, coordinated with the Bush administration at the very highest level, has been spearheaded by U.S.-supplied all-weather fighter-bombers. Some of the aircraft bore deceptive U.S. Air Force markings (while others were unmarked) well-informed sources on the military staff of the UN Security Council have revealed.*

### AERIAL ASSASSIN

*Since the first days of August, Israel has been "pushing hard" behind the scenes to be granted the role of "aerial assassin" tasked with eliminating Iraq's leadership, this knowledgeable source asserted.*

*"The Israelis claimed that they had the best intelligence assets--that is, teams of spies and saboteurs--on the ground in Iraq," related one experienced official, who asked not to be identified, "They boasted that they succeeded in destroying Iraq's nuclear research station in 1981 with a single bombing run because operatives of the Mossad guided the attack aircraft to their target with high-tech beacons."*

*Moreover, the Israelis argued that tracking down Saddam Hussein and killing him with a "tele-guided" bomb would "end the war before it really began," and save lives as well as costs, these sources related. (So, you can see that death and expense are built into the plan. Further, as soon as we finish quoting from this article I ask that Dharma copy the portions of the article on pending plans in the works, by Israel, as was in the Bakersfield Californian two days ago.)*

*In an unforeseen side effect; planning for the covert raids flown by Israeli war jets appears to have been the hidden trigger that precipitated the firing of Gen. Michael Duggan, the U.S. Air Force commander in the gulf last November.*

*Reports reaching the White House--that the outspoken combat aviator had not only outlined the administration's bombing strategy to reporters, but also*

told CBS defense correspondent David Martin of the closely guarded plan to liquidate Saddam Hussein from the air--led to demands for Duggan's immediate dismissal by national security bureaucrats.

Martin subsequently revealed the aerial assassination tactics used against the Iraqi strongman in a network broadcast on January 21, but failed to mention the role played by disguised Israeli warplanes.

Nor did he mention the destruction by U.S. bombing of yet another ancient Chaldean, or Nestorian, Christian cathedral in the Old City of Bagdad.

According to Anwar Halimi, an Egyptian journalist who has recently returned to New York from the gulf front: "That church was a cherished cultural treasure of all mankind.

"It has now been smashed to bits, along with the abodes, possessions and simple lives of more than 100,000 Iraqi civilians in those areas. If there will actually be war crimes trials in the aftermath of this war, the wanton bombing of Iraq's population and priceless cultural treasures may well form the most searing indictment."

END OF QUOTATION. AND WHERE ARE YOU, AMERICA?

### WAR PLAN

**ISRAELIS PONDER WAR PLAN:** Impatient Leaders May Target Scuds, etc.: WASHINGTON (AP)--Israel's military is considering a plan to use commandos to destroy Scud launchers and other targets in western Iraq, informed sources say. But Israel is telegraphing conflicting signals and deliberate ambiguity about its willingness to try such a daring raid.

Top Israeli defense officials indicate they are impatient with the restraint urged on them by the United States, which hopes to hold off an Israeli attack by finding and destroying the Scud launchers itself. . . . (Enough, people can research the article if they wish.)

Now just why do you think the U.S. "targets (TODAY, 2/5/91)--TIKRIT?" Let us quote another article from prominent press source:

### ISRAEL: 'VENGEANCE IS MINE'

On January 17, before the Iraq Scud attacks on Tel Aviv, Israel had already exacted "eye for an eye" vengeance on Iraq. This is true despite what is being reported on American television, radio and in the press.

Israel carried out its own mission on the innocent residents of Saddam Hussein's hometown.

On January 18, Pentagon briefers let slip that the Iraqi town of Tikrit, had been "wiped out". With a population of 24,000, Tikrit is located on the Tigris River north of Bagdad. It has never been a strategic or military center.

Its only claim to fame is that it is the hometown of Iraq's leader Saddam Hussein and his family. He is known in his own country as Saddam Hussein at-Takriti, meaning Saddam Hussein from Tikrit.

Confirmation from eyewitnesses who have supplied reliable information in the past verified that the town had, in fact, been wiped out along with a majority of its population. (So why this attack again on this date? Do you suppose the "allies" are covering-up again?)

The decision to destroy Tikrit was made at the urging of Mossad, Israel's secret service "advisers" in Saudi Arabia. There are reportedly at present 862 Israeli "advisers" in Saudi Arabia, telling the U.S. command how to run the war. All are members of the Mossad.

They advise the Americans as experts on Arab custom, strengths and weaknesses, and also relay their interpretation of intelligence received from Iraqi Jews inside Iraq. The Israelis argued that the destruction of Tikrit would deal a mortal blow to Saddam Hussein because it was his birthplace.

Whether this will have the desired impact remains to be seen. Reports from Baghdad, however, indicate that the massive bombings have not thrown the population into terror and submission, but have instead enraged them and solidified their resolve to fight to the death. END QUOTE.

I REPEAT TO YOU WHO WILL LISTEN IN TIME TO STOP THIS

INSANITY: YOU MUST PAY ATTENTION TO GATHERINGS OF MOSLEMS, ETC. SUCH AS WERE SEEN IN MOROCCO ON SUNDAY LAST--HUNDREDS OF THOUSANDS IN UPRISING AGAINST YOU--YOU! AMERICANS!

PLEASE HEAR MY PETITION--THERE IS A HOLY WAR BREWING MORE HEINOUS THAN ANYTHING WITNESSED ON THE FACE OF YOUR EARTH AND YOU MARCH BLINDLY INTO THE FRAY WAVING YOUR BANNERS AND TOUTING LONG LIVE BUSH, EVEN TO NOMINATING THIS DICTATOR FOR THE NOBEL PEACE PRIZE. WHERE ARE YOU, AMERICA? I HEREIN TELL YOU AGAIN--YOU ARE DEALING, NOT WITH JEWS OR ZIONISTS OR ANY OTHER SAVE THE ANTI-CHRIST, SATAN, HIMSELF!! YE WHO HAVE EARS TO HEAR HAD BETTER LISTEN-UP AND YE WHO CAN SEE MUST TURN INTO SEEING THAT WHICH IS--FOR THE TIME OF THE CONFRONTATION CALLED BY YE ONES AS ARMAGEDDON IS AT HAND, OH YE PEOPLE OF ISRAEL. I REFER NOT TO PALESTINE WHERE YE SEEM TO BELIEVE THE PEOPLE OF ISRAEL ABIDE. NAY, NAY--NOT SO FOR YE LOOK WITHIN THE WRONG PLACES FOR THE ISRAELIS OF GOD.

Dharma, allow us to print another article from another press which I will dictate unto you: this one bears a dateline of January 29, 1991, BAGHDAD:

Israeli Prime Minister Yitzhak Shamir (little gray alien) ordered his air force to bomb Iraqi targets using Saudi and Syrian airspace at the moment Bush started bombing Iraq, contrary to Establishment news reports that Israel has stayed out of the conflict.

Israel's participation has been kept top secret by the U.S. government and an obedient media.

The Israeli military has a very low opinion of American war performance and felt it necessary to add their bombs to the U.S.-led effort.

The panic which the first Iraqi Scud missile attack on Israel created among the allies reportedly amazed even Shamir, who saw his opportunity to demand an additional \$13 billion from

the U.S. treasury in return for keeping a "low profile." He also received batteries of Patriot air defense missiles, manned by U.S. military personnel, to protect Israeli cities.

The oil sheiks and potentates who face mounting opposition within their respective countries to their participation in the destruction of Iraq have also offered billions to Israel. Shamir will ask for additional money after each Scud attack, or he will "officially" bomb Iraq.

According to our sources, Israel received \$2.25 billion from Saudi Arabia, \$1 billion in secret CIA funds, \$600 million from the British, and \$500 million from the French for its forbearance.

The Israeli Cabinet scoffs at Bush's fears that open Israeli participation will break up the coalition arrayed against Saddam Hussein. After all, it was the best coalition that money could attain--YOUR MONEY! Israel would welcome the chance to destroy the coalition, thereby inviting open hostilities with Syria and Jordan. This would give Israel the opportunity to conquer both countries and seize their lands--both of which are claimed by Israel as part of Eretz Israel (Greater Israel), which extends from the Nile to the Euphrates Rivers.

Thus, Israel's agenda is very different from the official objectives of the Western-Arab coalition against Iraq.

END QUOTE

Enough? I have ample documentation from your own placement to go on ad nauseam! But one more little one--where it might just get your attention. Your sons and daughters dying don't seem to touch you but what about your pocket books?

**PAYING THE PIPER:** Israeli Finance Minister Yitzhak Modai submitted Israel's request for an additional \$13 billion in U.S. tax dollars over the next three years. Of this amount, \$3 billion is for property damage Israel says it sustained so far in the Persian Gulf war (from those bombs that never landed because of Patriot interceptors). The remaining \$10 billion is for the resettlement of Soviet Jews in Israel. Modai also said he would ask the European Community for \$10 billion. Israel's U.S. ambassador, Zal-

man Shoval, insists the \$23 billion "request" is not a bill for Israel maintaining a low profile in the Gulf War . . .

### HONOR TO EDITOR

I ask that you reprint the "EDITORIAL--PERSONAL" which I will give to you, from the journal called "SPOTLIGHT" for it says it in wondrous, brave, blunt and forceful words--exactly how it is and allows you to know exactly on which platform stands truth. I applaud this man, that paper and the service given unto you as a people. Once upon a time you had a paper which stood for truth and then, as now, the publishers stood against assault after assault--it was called the *LIBERATOR*. Ones work again in the shadow of death at the hands of the irate and misinformed but you of America are fortunate beyond measure for there are still those brave patriots who are true to America and that for which she *STOOD*--and would still say--"Give me liberty or give me death." **I BOW IN HONOR AND SALUTE UNTO YOU ONES WHO BEAR THIS HEAVENLY BANNER UNTO TRUTH FOR THE WAY IS STORMY AND, FRAUGHT WITH HAZARDS TO YOUR VERY BEINGS FOR PEOPLE SIMPLY DO NOT YET SEE THE TRUTH AS IT LAYS BEFORE THEM BUT, RATHER, STILL LIVE THE DREAM AS THEY "WOULD HAVE IT BE".**

I will let the quoted word speak for itself, please:

### PERSONAL...FROM THE EDITOR

Our position on the war currently raging in the the Middle East is clear and has been stated twice now in full-page editorials, the first one in the issue of January 21 and the second one in the current issue on the back page (WE WILL REPRINT IT HEREIN).

The destruction of an ancient civilization, the enormous cost to the United States in both blood and treasure (\$1 billion a day, a few billion here and there in the form of bribes to corrupt leaders, \$13 billion for Israel's "cooperation," \$7 billion in loan forgiveness for the Egyptians and hundreds of billions more for the permanent occupation by U.S. forces of the region after the war), the threat of continual terrorist reprisals inside the

United States and looming economic ruination--these all signal the end of the American era.

We are reprinting the editorials on two sides of a single sheet of paper to make them available for wide distribution. They will be the same size as *THE SPOTLIGHT* and are available from our offices at 300 Independence Ave. SE, Washington, D.C. 20003; 50 copies for \$4; 500 or more, 7 cents each; *postpaid* (subject to change).

There is no question that the greatest number of American people oppose this war, and even more would join the opposition if the "news" permitted them was truthful. That is why we have reprinted our editorials, since they summarize the numerous articles we have run containing information that has been blacked out by the obedient Establishment media.

The editorials also summarize the point *THE SPOTLIGHT* has been making through out its 15 years of publication, and which its publisher, Liberty Lobby, has been espousing since its founding 35 years ago. That is, simply--America First. We have wasted millions of lives and trillions of dollars enforcing the dictates of the international elite, the bankers and Big Money interests across the globe through out the century. Our country would be a paradise now, rather than a teetering, hollow giant, were our leaders inclined to follow the advice of our Founding Fathers.

### SUPPORT OUR TROOPS. GET US OUT OF THE MIDDLE EAST!

EDITORIAL. FEB. 4, 1991'

### THIS IS ANOTHER NO-WIN WAR

BUSH'S WAR IS WORSE THAN VIETNAM BECAUSE WE HAVE ALREADY LOST IT. IT'S ANOTHER NO-WIN WAR.

Thoughtful American taxpayers and citizens should look beyond the initial euphoria caused by the mass slaughter in Iraq (more than 100,000 civilian casualties in Bagdad as of January 20) and consider the future, even if such an exercise may diminish their enthusiasm for all the gore.

The great pundits and intellectuals

who are bringing this "extravaganda" (extravaganza/propaganda) into our homes via the magic of TV never tire of assuring us that "This will not be another Vietnam," and "We are fighting to win this time."

The two statements are not necessarily compatible. The master strategists who brought us the bitter cup of defeat in Vietnam fought a no-win war, meaning that they tried to lose.

(Incidentally, during the Vietnam War they all lied, denying that they were deliberately fighting to lose. Now they admit it. So you now believe that they're telling you the truth about this war?)

Contrary to Vietnam, the present war will not be fought to lose.

It will be fought to win. But because it is impossible to win this war, we will inevitably lose it. Thus, THIS IS ANOTHER NO-WIN WAR and our defeat will be far, far greater than that in Vietnam.

Why is this war a loser? Why can't we win it? Here are some of the reasons:

\* The absolute minimum cost of this war will be a trillion dollars and the cost will drag on for years and years. The American economy, in its weak condition (created mainly by the same free-trade theorists who are directing the war) cannot support this loss on top of everything else. The cost of the war will complete the devastation of the economy.

\* Even if we win the battles quickly and conquer Iraq, the cost of providing minimum sustenance for the subjugated civilians and trying to repair enough of the devastated country to get the country functioning again will be astronomical.

\* Even if we win the battles and kill Saddam's troops by the hundreds of thousands, our troops will have to remain in the area indefinitely. Perpetual guerrilla warfare against our troops and continuing casualties are to be expected. The annual cost in lives and dollars cannot be estimated.

The war will--and already is--turning all of the Moslem and Third World people around the world against us. It is a total public relations disaster for America--once the world's bea-

con of hope. Our destruction of Baghdad and the Israeli pulverizing of Tikrit cannot be approved by any decent person.

\* Terrorism inside America is to be expected indefinitely, and thanks to the lunatics who have made our national borders as porous as a sieve, terrorism could get serious.

\* The Bill of Rights is certain to be set aside if terrorism becomes a problem. If the war continues, critics are likely to be thrown into concentration camps with real or imagined terrorists. (*Hatonn: I want it herein noted that on the demonstrators as the most massive anti-war rally (San Francisco, January 27) there were police patrols who directed MILITARY HELICOPTERS TO THE AREA AND DUMPED "ROTTEN-EGG" GAS ON THE DEMONSTRATORS AND THEN CLAMPED A LID ON THE PRESS AND DISALLOWED MEDIA ACKNOWLEDGMENT. IS THIS AMERICA? IS THIS PEACEFUL DEMONSTRATION? WHERE ARE YOU, AMERICA? WHO ACTUALLY SUPPORTS THE TROOPS?--YOU WHO PROCLAIM WAR AT ALL COSTS OR THOSE WHO DEMAND BRINGING HOME THE TROOPS AND NO WAR--WHICH IS TRULY PATRIOTISM, AMERICA?*)

\* If (*when*) the war escalates to a ground war and American casualties mount, social upheaval is to be expected, especially among minorities.

\* War always destabilizes the social order, and is felt in a million ways. The effects of the Vietnam misadventure created tremendous changes in the way America thinks, acts and looks, and none were to the good. Respect for America and the American system will further erode, especially among youth, which will identify the criminal brutality of this "kinder and gentler" war as the American system.

\* War upsets all business plans, projections and calculations. It will bankrupt millions and make fortunes for the dregs of society, the sleazy crooks, con men and profiteers who always surface during war.

\* War always increases the size and power of the government. Expect more socialism, more bureaucracy, more corruption, more government interference, more restrictions on the

law-abiding public.

\* The war channels attention toward itself, and away from the really important things that are happening in America and the rest of the world. It thus paralyzes attempts to cure our own ills as we insanely try to cure the ills of others.

\* The fact is, there is absolutely nothing of any value whatsoever that the American people can derive from this war. This is not to say that no one will profit from it. Many will, but not the people who are supposed to be running this onetime Republic.

\* Most importantly, this is a no-win war because there is no legitimate war aim--a war aim visualizing an attainable goal in the interest of the United States that will justify the cost. The reasons that Bush has given for this war are pathetic but the best he can come up with. Because there is no legitimate war aim, we lost the war the instant it started.

\* The real purposes of the war are to destroy an enemy of Israel, to perpetuate the Trilateral monopoly on Mideast oil, to further move America toward a world government (Bush's "New World Order"), and to distract attention from the corruption of the crooks in the federal government. These will be the winners of the war; everybody else, except the Arabian and Kuwaiti oiligarchs, will be the losers.

So not everyone will lose the war.

Only the people who have to fight and pay for it.

That's why--THIS IS ANOTHER NO-WIN WAR.

**SUPPORT OUR TROOPS--GET  
OUT OF THE MIDEAST  
AND IMPEACH BUSH!**

And so, there you have truth from the mouths of neighborly mortals. America,---yea, WORLD, if ye cannot see that which IS, plead for mercy for ye shall receive that which ye sow--even if it be sown in ignorance for the harvest shall always be in "kind". These ones emphatically say: "America First!" Nay, nay, nay--friends; **I MOST SURELY SUGGEST THAT YE PLACE "GOD" FIRST!!!!** And, *so be it!* For that which has been prophesied for lo, the eons--are at

hand--in this very generation upon your placement! Ye had best be looking most carefully unto that which ye petition from God for thine "so-called" enemy is NOT your enemy and ye are asking for prevailing of evil which does not mix in Godly sanction just as oil and blood do not mix but forever remain in separation one from the other. Ponder it!

### REVELATION: 5:5--:

But one of the twenty-four Elders said to me, "Stop crying, for look! The Lion of the tribe of Judah, the Root of David, has conquered, and proved himself worthy to open the scroll and to break its seven seals."

I looked and saw a Lamb standing there before the twenty-four Elders, in front of the throne and the Living Beings, and on the Lamb were wounds that once had caused his death. He had seven horns and seven eyes which represent the seven-fold Spirit of God, sent out into every part of the world. He stepped forward and took the scroll from the right hand of the one sitting upon the throne. And as he took the scroll, the twenty-four Elders fell down before the Lamb, each with a harp and golden vials filled with incense--the prayers of God's people!

Dear ones, the Lamb is at hand and the breaking of the seventh seal is upon you. It is not mine to do other than tell you of truth for the apocolypse has begun and you seem to see it not. May the hand of the one upon the throne, God of Creation, please bear a "kinder and gentler" confrontation for ye who bring destruction unto His other wondrous Creations than I would suspect in the garnering of justice at time of judgment. Where are you, citizen of the Earth? The time is at hand for the deciding! Salu.

### **SACRIFICE OF THE PHOENIX BY Gyeorgos Ceres Hatonn**

This is the 24th book in the *Phoenix Journal* series that has been published in the last eighteen months. They include detailed topics from all walks of life, including current information on the Middle East War as of January 28, 1991.

These books, which are entered into a computer by "Dharma", ARE THE WORDS OF TRUTH WHICH GOD PROMISED HE WOULD SEND FORTH AT THE ENDTIMES TO GIVE MAN ONE LAST CHANCE TO CHOOSE TRUTH OVER THE LIE.

Hatonn gives us an excellent background coverage of why the world is on the downward path to ONE WORLD GOVERNMENT, the "NEW WORLD ORDER" that President Bush mentions many times and how the present Middle East War is the beginning of the Battle of Armageddon, the greatest battle to ever be fought on this planet. This is the battle that has been predicted for several thousand years and **THE TIME IS NOW HERE.**

He gives us details of what hardships even the Americans must be prepared for (INCLUDING INVASION, DESTRUCTION OF OUR TROOPS, STARVATION, TERRORISTS AND EVEN CONCENTRATION CAMPS HERE IN THE UNITED STATES) if we do not DEMAND that our Constitution be restored and start living under the **LAWS OF GOD VERY SOON.**
