APRIL 1991 VOLUME XI NUMBER 6

4/8/91 HATONN

MONDAY, APRIL 8, 1991

As I effort to decide what time it is to label the document I find my self quandering whether or not there is ANYTHING with which you ones don't tamper--you even lie to yourselves about what time it is, change it by an hour twice annually to make "longer" days!?!? Interesting concept! Why don't you do something reasonable like adding, say, six hours? I note that you also change your holidays so you have "three" day weekends which by any definition is "one" day which was already changed to "two". Is it truly any wonder that the Khazars slipped a bit of misinformation into your thought patterns? I'm sure that if you call a dog a cat long enough, it will become known as a cat of the canine species.

This time situation should point out something else that might well also be in error--"God made the world in six days and rested on the seventh?" *How in HIS name would you know? Your "MODERN" Man doesn't even seem to understand that the counting calendars of validity--RAN OUT IN AUG. 1987 AND YOU ARE INTO DAY 235 OF YEAR 4. YOU ARE RULED AND ENSLAVED TO AND BY MANIPULATORS AND MIND-CONTROLLERS AND WORSE, IT DOESN'T SEEM TO EVEN ANNOY YOU. AS WITH TAXES, YOU JUST GO RIGHT ON PAYING YOUR MONEY TO THE PRISON WARDENS--"WELL, SOMEBODY HAS TO PAY THE GOVERNMENT TO TAKE CARE OF US." SO BE IT!*

BACK TO THE SUBJECT OF GUN/WEAPONS CONTROL

I shall dispense with "Today's Watch" of idiotic parachuting of supplies to the Kurds--right after you led them to believe that if they rose up against Hussein--YOU WOULD MILITARILY FINISH THE DICTATOR--(Just like Hungary perhaps?). Now you rush in there when they are all but starved to death and do a big splash of spending millions and millions of dollars in supplies and dropping it all over the landscape--costing enough additional funds in parachutes and equipment to double the food supplies.

And your little charade of "space walking" is more than a "space cadet" can endure. You are in REAL trouble, America. Listen to them! The "mission is going so well that they do a space maneuver a day early!" Yes, I think just adding six hours a day and rearranging your "hours on the clock" is equally as sensible. It is that there has to be "proof" to fool you ones because the adversary of your particular Elite is planning to blow your cover! What a refreshing bit of blackmail--ah, but your administration will capitulate--they always do! So, back to defense and no-defense for the populace of peaceful/free American citizens.

There are numerous current anti-gun legislative initiatives--so many in fact, that we shall only look at a few. They run the scale of registration and criminal check (the criminals already have plenty of guns and simply "make" more for they know how--YOU don't) to total illegality of some varieties (that the Elite use).

One piece of legislative brilliance, for example, has been introduced which would ban nationally the sale of all

new semi-automatic rifles and pistols capable of holding a ten-shot magazine, which is almost ALL of them, and shotguns and .22 rifles with tubular magazines holding more than six rounds. Every person who presently owns one of these "assault weapons" would have to register, it with the BATF (Bureau of Alcohol, Tobacco and Firearms) within thirty days (i.e., fingerprints and the same kind of information now needed to get a "machine gun" license--including permission of the local police). All magazines holding ten rounds or more and fitting a semi-automatic rifle, pistol, or shotgun become illegal to possess. So--you won't find any clips holding more than 7 rounds--but attach one to the other so you can have as many attachable clips as you can lift off the ground--good, clear thinking.

Another bill specifically names AR-15's, Ruger Mini-14's, and eight others, but says the Attorney General and Treasury Secretary can ban all others. *A person who fails to register his .22 rifle (or other semi-automatic) or turn in his ten-round magazines is subject to a five-year jail sentence as a criminal felon. This bill calls for confiscation within thirty days after enactment into law with no compensation.*

In California, bills have passed both legislative houses (on April 17, 1989) making it a felony to possess, sell, or manufacture an "assault weapon" or semi-automatic rifle or pistol. *Failure to register these firearms in California will carry prison terms of up to eight years.* Is this Constitutional, you might inquire? Of course not--but it is now LEGAL.

"Well", you say, "we have to get the guns off the streets!" Do you? Will this disarming of you-the-people get

the guns away from the criminals? How many guns do you think have been registered? The ONLY ones coming forth are you nice citizens--no criminally-oriented persons have come forth at all--regardless of that which they tell you. The reason the public is honest? They say it is because "...the American people are so basically 'good'!" I don't believe I would call the definition of the people as "good", although I do have some other adjectives I could apply but I fear would offend.

Similar legislation is under way in Florida, Colorado, Oregon, Washington, Minnesota, Massachusetts, Connecticut, Rhode Island, New York, New Jersey, Maryland, Illinois, Wisconsin, and about a dozen other states; as well as local legislation in Cleveland, New Orleans, Los Angeles, New York City, Denver, etc. (Gosh, I thought Los Angeles was a part of California!) One bill introduced in the Colorado legislature even calls for the police and highway patrol to set up roadblocks to stop cars and check them for firearms. **ARE YOU TRULY FREE--AMERICA?**

Still other legislation in the U.S. Congress calls for the following gun-control measures (which will apply to gun stores, at gun shows, and in all private gun transactions):

1. The legislation gives the *Secretary of the Treasury* (strange "authority" since "Treasury Dept., I assumed, dealt with money, taxes, etc.) power to outlaw the possession, sale, or gift of any semi-automatic rifle HE deems not to be suitable for sports (and this office is not even an elected official). Well, it will be good for God's other creatures who walk, fly and crawl--but it bodes pretty sad for you two-legged, "thought-gifted" people. You can tell they write the rules most carefully and intelligently--would not "possession" include "sale or gift" at some time or other?

The NEW Constitution is written in language which also gives open-ended enforcement rights to the government and NO rights to you at all--if it deviates one iota from that which they "decide" is illegal--WITHOUT RECOURSE!

The above bill will ban specific

semi-automatic firearms and within a short period of time all other semi-automatics will be included. The most dangerous aspect of the bill is that it gives a government bureaucrat the authority as to which guns he can arbitrarily ban.

2. This legislation allows the *Secretary of the Treasury* to decide what reason is good enough to own a firearm. HE could unilaterally, at any time, be free to rule that only hunting (or no hunting as the case might be) is a suitable reason, and as a practical matter, the BATF has already so ruled.

NOTE: There is a quiet move on among environmentalists and liberal government bureaucrats to ban most public lands (national forests, wilderness, BLM property) from hunting. That would be rather nice for God's creatures in protection from the "mighty hunters" of your species. So, if gun ownership is restricted to hunting, and hunting is banned in most areas, then the gun controllers will argue that guns are no longer needed.

Does Hatonn suggest that guns are wonderful? No, but I guarantee you that as soon as you no longer have them--**YOU WILL HAVE NO FREEDOM REMAINING!**

Listen to what the administration tells you about national arms and "defense weapons and stockpiles--"...if we get behind in military capability and nuclear/missile/weapons buildup and reserves, we have no means of strength from which to keep secure!" IF YOU ONES DON'T BEGIN TO LISTEN TO AND WATCH FOR THAT WHICH "THEY" DO FOR SELVES AND ACT IN LIKE MANNER FOR SELF FOR PROTECTION, YOU CANNOT SURVIVE AS A NATION. THE INTENT IS TO HAVE ONE BIG GLOBAL NATION (CALLED "WORLD") AND YOU WILL NOT BE THE RULERS OF THAT WORLD.

3. This legislation requires that before a rifle can be transferred by sale or gift, the recipient must undergo a comprehensive background check (which will take a

month or more) which includes a portrait (mug shot), fingerprints, and an interview with the local police--and therefore a nice long file on record with at least five branches of law enforcement and government--instantly (they have no waiting period for entering you into their surveillance system).

The local police chief has to sign off on the approval, and if he is a nice "liberal" (as is the case in most of America's large cities today where the police chiefs are appointed by liberal mayors, he will probably refuse to approve the transfer. In most of the larger cities in the United States it is already virtually impossible to get a gun permit from the police. Oh yes, they have thought of just about everything.

4. This legislation outlaws possession, sale, or gift of magazines with a capacity of more than seven rounds of ammunition--oh, by the way, a LOT of ammunition is also banned!
5. This legislation will criminalize the possession of firearm springs, pins, screws, etc., because the bill's wording says any part or combination of parts used in a restricted firearm is restricted as well. Then it will go on from there, as with drugs--if "parts" are found on your premises no matter who might have left them there or how long past--the entire property will be up for confiscation! Ridiculous? Not on your belly-button! This is exactly what they plan and how they plan to get rid of all opposition--by raiding (and/or planting evidence) in or around private property which then allows incarceration and/or confiscation of all property! Scared? Shocked? I certainly do hope so!
6. This legislation bans the manufacture of any firearm capable of receiving a bayonet without alteration of the gun. Since a bayonet fits over virtually all gun barrels, virtually all guns are covered by this provision. So, back to arrows (well, not exactly for it is fully planned to ban cross-bows)--so, how about back to stone spears on birch branches to defend your Hogan and life from the criminals

who have the machine guns and splatter bullets, lasers and atomic bombs?

Failure to register firearms or adhere to all new gun transference procedures will render the gun owner a felon and render it illegal for him to ever again own a firearm.

The bottom line is that rifles, shotguns, and pistols will be covered by the above legislation. There are 200 million privately owned firearms in the U.S. today, owned by about 70 million Americans (or about half of American households). There are 20 million handgun owners in the U.S. The lion's share of these owners are very emotional and possessive about their firearms--and see them as a way to protect their families. They will not take kindly to the government confiscating \$25 billion to \$50 billion worth of their firearms. Bloodshed and even a revolution would undoubtedly follow prior to killing enough citizens to bring it under control.

The political "left" has decided to declare war on 70 million American families. This war is not against assault weapons, *but against honest, law abiding citizens----you--YOU!*. To take the guns out of the hands of American citizens at a time when criminal rage in America is exploding is insane, unconstitutional, and, in itself, criminal. Your judges and courts are still coddling and releasing dangerous felons (e.g. the Stockton murderer had been in jail and released by liberal judges seven times). Ah, but you have to have room to incarcerate the ones who do not pay the prescribed amount of taxes. The U.S. cities like New York and Washington, which have stringent gun control bans, *have the highest crime rates (including murder) in America AND the highest incidence of the use of handguns in the perpetration of crimes against unarmed victims. (THE CRIMINAL CAN ALWAYS GET A GUN!)*.

Switzerland, on the other hand, insists that every male of military age must keep a powerful, fully automatic assault rifle in his home--every home must be armed-by law--and some even keep mortars. There is one beautiful little town in the U.S. where it is mandatory for all citizens to own a gun! You won't hear much "good" about that on CNN--and certainly not two days in a row. THEY DON'T

HAVE ANY CRIME! AND, FURTHERMORE THEY LIKE IT THAT WAY! Switzerland has one of the most law abiding citizenry, the lowest crime rate, and least violence of any country in the free world. They also have a magnificent underground shelter system for the population as a whole. It has remained free for over a thousand years. Compare it to New York and Washington where handguns are completely banned. In fact, in Washington, black Chief of Police Maurice Turner recently said that the District of Columbia gun-ban law had completely failed, and he has called for an armed citizens Police Auxiliary to help restore order.

Hard statistics have proven that armed citizens are far less likely to be crime victims than unarmed. Citizens acting in self-defense kill about three times more assailants and robbers than do police. But don't guns kill people? Yes they do--but in 1985, 45,901 Americans died in auto accidents; 12,001 died from falls; 4,938 died in fires; 4,407 drowned; 3,612 died from drugs or medication (legal); 1,663 died by choking to death while eating; and 1,649 died from gunshot wounds. Undoubtedly all of these deaths were tragic, but should you now eliminate autos, all "high" places, all fire, all water, all drugs/medication, and all food--as well as all guns?

I am not sure how this next bit of wisdom slipped through and into the *Wall Street Journal* but it is worthy of reprinting. They summed up the potential disaster if the anti-gunners from Bush to Kennedy, from Bill Bennett to Jane Fonda (since she is marrying Ted Turner, owner of CNN--how much unbiased information do you think you will get from CNN on the matter?), from Metzenbaum to Dan Rather get their way:

"What will happen if severe restrictions on semi-automatic rifles pass Congress or the state legislatures today? Millions of citizens who still believe in the Constitution will not forfeit or register their firearms; squads of federal and state agents will snoop; massive no-knock warrants will be issued; and both citizens and police will die in raids. While previously law abiding citizens (now felons) and police battle each other, the drug lords will continue their nefarious trafficking. Adding

firearms prohibition to drug prohibition means war on the innocent (and perhaps a police state), and by diverting police resources, will give armed pushers even more free reign."

Thus perhaps the most dangerous of all the socialist attacks on America in the 1990's is the onslaught to register and confiscate America's firearms. America cannot be subjugated to communism or a socialist dictatorship until Americans are first disarmed. Poland has strict gun control; so does Cambodia, the Soviet Union, and Red China. Over 100 million people were brutally slaughtered in those countries, but first they were disarmed. The danger to people when they can't own guns is far greater than any danger gun ownership can ever create.

Alexander Solzhenitsyn wrote in his Nobel Prize winning book, GULAG ARCHIPELAGO, after eleven years in communist (Khazar socialist) concentration camps:

"...At what exact point, then should one resist the communists?...How we burned in the prison camps later thinking: what would things have been like if every security operative, when he went out at night to make an arrest, had been uncertain whether he would return alive and had to say good-bye to his family?"

"Or if during periods of mass arrests people had not simply sat there in their lairs, paling with terror at every step on the staircase, but had understood they had nothing to lose and had boldly set up in the downstairs hall an ambush of half a dozen people with axes, hammers, pokers, or whatever else was at hand...The Organs (police) would very quickly have suffered a shortage of officers...and notwithstanding all of Stalin's thirst, the cursed machine would have ground to a halt."

Please don't think the increasing violence in the police departments is accidentally increasing. As the restraints and unconstitutional acts against citizens increase--only those willing to use violence against neighbors, brothers and family will become policemen--you are even training your military to kill, kill and destroy hundreds of thousands

and then turn about and celebrate as heroes from the hunt. Further, a lot of attention was given to "peaceful" working in coalition with Soviet officers from their forces. Don't be stupid, America--you are training your police forces in direct management by KGB/Mossad agents! These are the most brutal terrorists on the globe.

Further, please remember what I have said many, many times--the military forces of the U.N. are required, by charter, to be headed by a Soviet! THEY ARE GETTING READY TO CLAMP DOWN LIKE THE PRESSING MACHINES USED AGAINST THE WITCHES OF THE DARK AGES! HOW LONG DO YOU THINK IT WILL TAKE THE NATIONS AND PEOPLES OF THOSE NATIONS TO DIE? YOU ARE IN THE FINAL DEATH THROES NOW--HOW MUCH LONGER WILL IT TAKE?

CAR SEARCHES/SOBRIETY CHECKS (TO BEGIN WITH)

The key words in the Bill of Rights protection against government harassment of individuals are "freedom from unreasonable search and seizure". The Fourth Amendment to the U.S. Constitution says:

"The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated."

At this point many of you are saying, "Well, damn it, I don't have anything to hide--I don't drink and drive, I don't use drugs and I don't carry a gun--so let them stop me!" Ah so, it reminds me of one of your own stories:

"Two men were sitting in a living room visiting--in front of a very large window.

"Outside the police came and starting shooting through the window--(oops, wrong house).

"First man shouts to his friend to 'get down' as Second man gets up and goes to the window to look out.

THE LAST THING MAN NUMBER TWO (EVER) SAID WAS: 'WHY SHOULD I GET DOWN, I HAVEN'T DONE ANYTHING WRONG!'"

WHAT WILL YOUR LAST WORDS BE?

In June of 1990, the U.S. Supreme Court (that same group of nine persons who ruled that flag burning is legal) ruled six to three that police checkpoints to apprehend drunks are legal. Police roadblocks to stop cars and interrogate drivers, give sobriety tests, and search the car if the police choose to do so seem far more in line with the East bloc police state tactics than the good old Free America.

Roadblocks, auto searches, and the running of sobriety checks on all drivers (ninety-nine percent of whom are not drinking) has a current parallel in the government's monitoring all of your bank accounts (of course they do), your deposits and withdrawals, to find *that nasty old occasional big deal money-launderer or drug dealer--so they say!* It is done to keep TOTAL SURVEILLANCE ON ALL OF YOU. In all instances honest, law-abiding citizens are assumed guilty until they can prove themselves innocent--and they are now removing all manners to prove innocence. Just suppose, for a minute, that you have five thousand dollars cash on your person and you are stopped. If you cannot PROVE innocence of reason for carrying such a sum of cash--you may well be incarcerated and, at the least, the cash WILL BE CONFISCATED--YES, RIGHT IN THE GOOD OLD U.S.A.

Then what happens next? A few years hence, after you have all gotten used to roadblocks, sobriety interrogations, and searches (just as you have learned and demand airport searches for granted), what if Big Brother decides he wants to search your cars and your homes for possible "illegal" firearms, or for cash, or "for some yet to be declared illegal suspicious activity, like group meetings", or "wants to check your papers", as they do freely at East bloc checkpoints. The Constitution says there first has to be reasonable cause before you are pulled over and searched. A soviet-style police state will give you no such protection and neither will your present Supreme Court. DOESN'T THIS TELL YOU

THAT THE CONSTITUTION IS ALREADY CAST ASIDE BY THE CONTROLLERS OF YOUR DESTINY?

RED DAWN OVER MEMPHIS

I owe this example to another speaker--I am not sure WHO, however, so I just give blanket "thanks".

Big Brother and his agents are harassing more and more U.S. citizens and businesses, churches, etc., using gestapo-type tactics of intimidation, interrogation, formerly illegal search and seizure techniques, and imprisonment. A case in point is Franklin Sanders, a Christian, a coin dealer, a newsletter writer (ouch) (he writes *The Money Changer*), and a patriot who has long warned his clients, readers, and friends about the growing abuse of government power, especially by the IRS.

In January, Sander's home was raided at dawn by ten IRS revenue agents and seven SWAT team members carrying automatic weapons, who proceeded to hold him and his pregnant wife and seven children captive for eight hours while the agents waited for a search warrant. The interview which follows between Sanders and former Congressman Ron Paul is terrifying--it might come right out of Orwell's 1984 or East Germany, Russia, or Red China. But it happened right in America in 1990, and you can begin to plan on it happening to you if you don't get up and stand with your brothers risking everything to regain and maintain FREEDOM:

- Q. *Why were you abused?*
A. *In 1985, I was the first person to publish an interview with an IRS whistle-blower showing that the IRS intended to have a computer dossier on everybody in the country. The dossier would include everything you did with your money. About two weeks later, the IRS's Criminal Investigation Division (CID) told me I was the subject of a criminal investigation. I wrote a letter to the agent, who claimed he was a Christian, and rebuked him on scriptural grounds. That is one of the overt acts I am charged with. They say it was a threatening letter. Well, if one Christian can't tell another when he is violating Scripture, then put me in jail.*

Q. What else are you charged with?
A. They said I am operating a secret banking business. In 1984 my partner and I started a gold and silver "bank", a warehouse exchange system. I have written about the dangers of our shaky banking system for ten years. I sent thousands of announcements to people and went up and down the country making speeches promoting the bank. That's hardly secret. Also, the indictment cites as overt acts the fact that customers of mine closed their regular bank accounts. The government must now consider it a crime to close your bank account.

Q. The IRS has also harassed your wife?

A. Yes, in May 1986, while I was out of town, a Vietnam vet, a man I barely knew, sent a threatening letter to the agent. The IRS-CID followed my wife around with two carloads of armed men. She had three children with her and was two months pregnant at the time, and I wasn't in town to protect her. When I got back, they hauled me into court. They arranged with the Tennessee Revenue Department to raid my office. They sent two armed men and held me hostage for four hours. They went through my files and took records.

Q. And they have harassed members of your church?

A. I'm a member of the Presbyterian Church of America. In April 1989 they subpoenaed nine members of my congregation to appear before a grand jury and asked them all sorts of crazy questions, such as: Do you have a paramilitary group ready to overthrow the U.S. government? Did anybody in your church teach or preach that you should not file tax returns? Did anybody preach that you can avoid filing tax returns? Well, my pastor has never preached about taxes, except to once say property tax is ungodly.

Q. But so what if he did?

A. Exactly. The IRS wanted the church to turn over all its records. The church has a two thousand-year-old history of not doing that. The General Assembly of the PCA stuck by us even though they indicted eleven members of the church, four of them women.

[Hatonn: I can promise you that MOST of the current churches would not stand ten minutes behind you.]

Q. What was the January assault?

A. They arrested us in the middle of the night on January 9, and to do so sent seven SWAT team members and ten revenue agents. They were wearing black ninja suits and carried automatic weapons. My seven children were in the house. These men were cowboys. They only had a search warrant for me and my wife, and yet they kept the children captive. They stole my computer and all my records. They have my bond set at \$100,000.

Q. How are you holding up?

A. The biggest problem is financial. I have been reduced to charity. As you know, justice in the United States is for the rich. Lawyers want \$25,000 to \$100,000 to begin to defend my case. But it is either that or get a Soviet-style court-appointed attorney who is paid a pittance by the government. And even if I'm exonerated, I won't get any reimbursement.

NOTE: Thousands of U.S. citizens are similarly being harassed, persecuted, and jailed today by various agencies of the U.S. government in what is rapidly becoming the United Socialist States of America. New government regulations and old ones which carried civil penalties are BEING CRIMINALIZED, with stiffer prison terms handed out than for murder, rape, burglary, and drug dealing. It is being done to intimidate the masses into compliance. Violators of new gun registration laws will become the next group to come under attack.

We must have a rest break but I am going to have to speak of a subject which might seem distant to that which we have covered so far in this Journal--the relationship, and Communizing/Socializing of South Africa and the involvement of America. The dragon has too many heads to ignore even one of the tiny, tiny ones--worse, for every head he has a thousand arms--further, he simply "slips" his tail when stepped upon and grows two new ones immediately. My God in the Heavens, I wish I could offer you lambs a Rapture

for I see such discouragement. Let us not wallow in the discouragement--let us come together in the shelter of God and stand strong. This dragon cannot stand and survive in the presence of God of Truth. So be it.

Hatonn to stand-by. Thank you for your attention.

4/8/91 HATONN

PERSONAL NOTES TO
CORRESPONDEANTS

My heart is filled as I move through your inquiries and support letters. We do have a long way to journey, friends (and please know that among our brotherhood there is not greater emotion or attachment than that of "friend"), but as ones awaken one after another and begin to swing the ship around--it will pick up steam. Then as brother works with brother in Truth instead of blindness, the speed of change can increase and then nation can join with nation and then you can achieve that which is the opposite type of "one world unity" than that which the conspirators plan for you. I wish I could cause you to remember how wondrous it is to live in a world of true freedom within God's just laws--in absence of evil. You who have taken up the "cross" in this journey do remember in the recesses of your mind-banks or you would not be serving at this time of evolution.

I have a particularly heartfelt letter from my beloved friend in New Zealand--and oh, if you all could but see it unfolding. EVERYTHING is being sold off by the government in New Zealand and there seems no way to get the full impact of such a statement across to the readers in general. Thank you who write, for it gives us knowledge that ones are hearing and understanding--for the questions are so much more advanced in wisdom as we all grow one with another. I am hard-pressed not to use every letter as an entire Express for the questions are of great thought and sincerity. Also, ones are sending so many points of confirmation but it would take a daily press to share them all--oh would it not be wondrous to have a daily press? Dharma says emphatically--NO! It would not be such a change, chela, for it is as with lifting the small calf each day--you grow with the load and soon you can lift the cow. At any rate, I have many letters to answer so please

bear with us and we shall get to response. Perhaps tomorrow we shall take up a few of them but this afternoon I wish to finish what is already begun. Dharma claims I skip about too much and she can't keep up for she forgets that I just ask her to write--not try to keep up with the subject material.

SOUTH AFRICA

Why would I choose Africa? Because nowhere is America's plunge toward the political "left" and socialism more evident than in its efforts to overthrow the pro-Western government of South Africa and establish in its place a communist government under the ANC and its Marxist/Leninist revolutionary leader, Nelson Mandela. I'm sorry, friends, I mean exactly that which I say. Mandela is not who you have been led to believe he is and what he represents. Perhaps this is only important in its own category of discussion for I am hard-put not to talk first about Brazil for Brazil is next on the "New World Order" hit list, and yet that requires an entire three days of writing. The plans of the conspirators are to make an example, just like Iraq, of Brazil's Amazon. And worse programs are being forced upon the citizens of Brazil as vicious as those of the Chinese Communists--perhaps even more so. There is a deliberate depopulation policy taking place in that besieged country which rends the heart.

Meanwhile, however, back in Africa, where the "other" war is going on via holocaust. This war zone is even bigger in terms of the number of hapless victims.

First come the epidemics. AIDS spreads unchecked throughout Africa, and now you have the reappearance of diseases like cholera in many countries; Zambia and Uganda are very hard hit. A U.S. statistical study gives minimal estimates projecting some 70 million people in Africa will be infected and actively experiencing AIDS by the end of another decade. Already in Tanzania, 40% of the adults are infected with HIV; in Kigali, the capital of Rwanda, 30% are infected. In the hospitals of Zambia, almost 80% of all patients are infected. Remember that this disease compounds itself continually.

In parts of the Ivory Coast whose total population is around 12 million, over

700,000 KNOWN persons are infected with active AIDS; in the capital, Abidjan, it's every 10th person. AIDS is already the number-one cause of death overall, and number two for women in the capital. Twelve percent of pregnant women are infected with AIDS. In other Ivory Coast cities the infected percent is around 7.5%; in the villages, almost 5%. Hospitals are filled to overflowing and do not have the equipment to help people. If there is medicine, it is only to help against pain, diarrhea, and itching. In the Rakai district of Uganda, a rural area with about 330,000 people, some 40,000 children have lost their parents to AIDS; 250,000 African children are orphans for this reason. By the year 2015 even your own projectors predict over 16 million AIDS orphans.

FAMINE

Twenty to 30 million Africans will face famine this year--are already into famine circumstances with no relief in sight in the growing areas. Ethiopia, Sudan, Mozambique, Angola, and Liberia are especially threatened. The German aid organization Caritas has warned that this will be the year of famine in the Sâhel. Especially in the West African nations, a decline in rainfall in 1990 has led to 20-80% crop deficits. In Burkina Faso alone, the drought affects nearly 2.5 million people--and the World Bank is pulling power blackmail on these people for supplies and loans. Can you comprehend that 2.5 million people is half of the whole population?

All aid relief from the U.S. to Sudan was cut because of its pro-Iraqi position. Yemen is in the same position for the same fate as the U.S. goes forward to break the backs of these nations who opposed the Iraqi war. I tell you this is selective genocide and can be called nothing short of that.

Let me share with you a circumstance shared by America and you-the-people don't even know it.

NOTHING IS UNTHINKABLE

Under the headline "Nothing Is Unthinkable", the *Lancet*, Britain's leading medical publication (and very prestigious in the U.S.) recently supported a physician's suggestion that sick Third World babies should not be treated, but be allowed to die. The article, by one Dr. Maurice King of

Leeds University School of Public Health, says, "This statement should jolt many people into thinking very carefully about the explosion in human numbers."

Robert S. McNamara (yes, your old McNamara), the former president of the World Bank, had outlined a Blueprint for Africa, published in January in the official magazine of the International Planned Parenthood Federation, *People*. IPPF and McNamara propose nearly a 50% reduction in the total fertility rate of Africans by 2025. *People* reads: "Populations in sub-Saharan Africa are the fastest growing in the world, fueled by declining death rates and weakening traditional patterns of child spacing. Doubling times of 22 years are not likely to be radically changed by the AIDS epidemic."

McNamara and IPPF regret that the AIDS epidemic is not going to decimate the African population as fast as they thought when the disease was introduced. They discuss the costs to provide African couples with contraceptives, calling for \$650 million a year by the end of the century and for a doubling of funding for environmental action plans.

The following comment from the *Hindustan Times* reflects growing resistance to this genocidal policy: "Dr. King's and *Lancet's* proposal is barbaric. When Hitler called for the killing of the disabled and mentally sick, people everywhere were outraged. What should one now think of civilized Englishmen, calling for the killing of infants? Is it not possible that there has always been a rat or two in the rafters and you-the-people of the world were sorely lied to? Does this not give rise to thoughts of racism, Third World babies being mostly brown or black? Dear ones, it is only a tiny piece of the picture of global arrangements, depopulation and control.

For well over a decade the U.S. has held a gun to the head of the South African government, blackmailing and intimidating the South Africans to surrender their government to the communist ANC (African National Congress).

That the African National Congress (ANC) is a Soviet-backed terrorist organization, armed, trained, and financed by the KGB since the 1950's, is well known to your George Bush (former head of the CIA), your State

Department, your intelligence services, and your Congress. That the South African Communist Party (a surrogate of the Soviet Union headed by a white Lithuanian communist and colonel in the KGB, Joe Slovo), totally dominates the ANC *is well-known to your American leaders!*

That the ANC has brutally butchered thousands of moderate, non-communist, Christian South African blacks via the "necklace" treatment and other horrific methods of slaughter, *is also known to American leaders. That Nelson Mandela and his murderous wife, Winnie, are hardcore communist revolutionaries who have paid one hundred percent allegiance to the Soviet Union, and to communist revolution in South Africa for the past forty years is well-known to Bush, your congressional leaders, and your intelligence services.*

That Mandela has promised a communist-style confiscation of virtually all private property when he comes to power, that he consistently gives the communist clenched-fist salute in public, that he constantly marches and speaks before the Soviet flag, all in plain sight before the television and newspaper reporters of America and the West, *is also well-known to your leaders.*

That U.S. economic sanctions against South Africa, far more draconian than any ever directed at any communist dictatorship in the world, have pushed millions of moderate South African blacks out of work, impoverishing them and preparing them for conquest by the "necklace"/AK-47 wielding ANC comrades, *is well-known to the Administration, the State Department, congressional leaders, and your intelligence services.* That Mandela *pledged his comradeship, loyalty, and allegiance to his allies, Fidel Castro, Colonel Kadafi and Arafat and Communism--on television before millions of American viewers during his American tour in June 1990 is well-known to the American people and the liberal leadership of America.* And all you did was "hail Mandela".

Mandela, dear ones, and his murderous ANC terrorists have been in bed with, armed by, and allied to the Cubans, Libyans, and PLO (America's sworn enemies)--BUT, funny thing is that the terrorists are trained primarily by the KGB/Khazarian Mossad. Now,

isn't that interesting? These ones have been sworn enemies for decades and this is all *well-known by your socialist leadership in America*, as is Mandela's televised statement that the enemies of Castro, Kadafi, and Arafat are Mandela's enemies as well. Mandela publicly offered to return to America after his visit in the summer of 1990 *and help stir up a revolution among American Indians on behalf of the far-left American Indian Movement (AIM)--as if they weren't already in plenty of misery. This is well-known to the Administration, the congressional leaders and your liberal media--and BEWARE; IT EVEN MADE IT TO THE PUBLIC TELEVISION PICTURE TUBES. THAT MEANS SOMETHING REALLY NASTY IS IN THE WORKS.*

The facade begins to slip however, for the American leadership wants you to believe that you are totally dependent on the vast treasure chest of strategic minerals found in South Africa that are *absolutely essential* to the running of your defense, auto, space, and heavy manufacturing industries; and that if these minerals were to fall into the hands of a hostile, pro-Soviet, Marxist/Leninist government, America would be brought to its economic knees almost overnight. We have been over this before so I won't bore you a second time--you DO NOT need the minerals of South Africa!

So, you must wonder why Mandela received a ticker tape parade in New York, which cost millions of dollars, normally reserved for great American heroes? Why was Mandela wined and dined in your White House by your President and his State Department? Why was he allowed to speak before a joint session of the U.S. Congress, an honor only accorded to three civilians in U.S. history? Why was he given the greatest television and newspaper coverage of any foreign leadership, including Churchill, deGaulle, and Gorbachev, in U.S. history?

The answer becomes obvious--America's political leaders have plunged totally into becoming a socialist and "one-world oriented body" which accepts *evil as good*. You can accept your enemies as friends if they be politically useful, and you can accept the false as truth. Lenin once said, and it bears repeating:

"We will spit in their face (i.e.,

the faces of the Western capitalist leaders) and they will call it dew."

Surely Mandela was spitting in the faces of your congressional leaders and more surely in the faces of the American people as he publicly pledged his allegiance and friendship to your deadliest enemies and the communist revolution. Your leaders smiled in joy and said, literally: "It doesn't get any better than this," right on the floor of Congress.

Can't you see the seriousness of your plight? If the liberal political and media leadership of America can sell Mikhail Gorbachev and Nelson Mandela (two of history's bloodiest Marxist/Leninist revolutionaries, avowed atheists, and evil men) to the American people as great leaders and men of peace, then selling socialism, the environmental crisis, gun-control, world government, or even the Anti-Christ to the American people should be an easy task indeed--and the Anti-Christ is already sold to you hook, line and Khazarian Elite New World Order.

The American people have been gradually poisoned and prepared for socialism and world government by your leaders, your educational system, and the media for decade following decade. The 1990's is the decade of destiny--the decade in which the forces of evil plan to converge and establish their global government. Whether it be the New World Order, the New Age Movement, the massive Soviet military juggernaut, or a combination of all three, a socialist dictatorship is to be imposed on the people of America and the West before year 2000.

But first, America, the last great bastion of freedom and capitalism must be socialized, and made into a second-class power, and its people turned into passive, non-aggressive, intimidated, obedient serfs and docile "me" oriented "wimps", as you define weak-do-nothings. How can such a transformation of a formerly great, great nation and people take place? Socialize, centralize, and mediocratize the country, its people and its institutions. Right along the rules of the Communist Manifesto and the Protocols of the Zionist Men of Wisdom--go back and check them out closely.

With all the uprising and confusion in South Africa--read the death note on the wall. This is exactly that which happened in South Africa, as well as

many other places--but more recently for your reflection, and the majority of their people are now *passively awaiting their government's handover of power to the communist/socialist one world rulers.*

The process of socializing America has been lost to most Americans. You haven't even noticed the transition. A few new freedoms removed every few weeks or months, a few new controls or restrictions added "for your own good", and over a period of a few hard-rock noise-filled decades, the freedom is gone--GONE--GONE! Now that the globalists have their target in sight, however, they are beginning to accelerate the process on every front, every law and in every segment of your lives.

Environmentalism will be one of the primary vehicles for accelerating the socialization of America and Europe, hence the Clean Air Act and a host of other environmentalist absurdities which will cause the industries "to have to move" to other nations in order to meet legal "pollution levels"--so for your own good your industrial capacity will drop to zilch. People control, especially of dissidents or reactionaries who will not accept the new system, is essential and detention facilities are already set in place and ready to receive occupants. Hence, the Hate Crimes bill, gun-control and confiscation, new search-and-seizure powers, elimination of financial privacy and computerization of people's lives and financial affairs, arrest and imprisonment of tax protestors, conservatives, anti-abortion protestors, and other maverick patriots who will not adapt to, or who may potentially lead opposition to the new system.

MUST WEAKEN AMERICA

Weakening America is essential to merging America into a one-world socialist system where a dominant superpower would just not fit. That weakening has come and is coming via massive disarmament; undermining America's financial strength via massive debt financing; diluting American business with massive imports produced with cheap Third World, or communist bloc slave labor; selling off your national assets to foreigners made possible by a weak and declining dollar; transferring your high technology, your food surpluses, and your industrial strength to communist bloc

countries; squeezing the American free enterprise system to death with an avalanche of socialistic regulations, red tape, taxes, and bureaucratic controls, and opening the flood gates of pornography, abortion, and pro-homosexual initiatives.

The three watershed events that will signal that the end of a free America is near and that a socialist America has arrived have been projected by some and are worthy of listing:

1. The collapse of South Africa into a communist revolution--prosperous industrial America DOES NOT WISH TO LOSE THOSE STRATEGIC MINERALS.
2. Gun control and confiscation in America--a socialist dictatorship will be imposed immediately after the American people are disarmed and the New Constitution will take the place of the old without even a Convention.
3. The merger of America with a united Europe--it will be called the Atlantic Community or something equally as cute.

Further, to really understand all of this, you must know more about the historical evolution of the Khazars and thus we will close this portion and get some needed rest prior to starting again on such a massive subject. I am sorry, chelas, there is no longer way to separate these subjects--they are so interrelated that we will just move along in bits and pieces until we fit in some of the more urgent information. Thank you for your attention. Thank you for your love and caring which is flowing back to us each and every day--THAT, dear ones, is the fuel for the engines that keep us running. As we come into brotherhood in unity of cause of God-ness, our strength builds and each step of the hard journey becomes worthy of the taking. One reason for the urgent need to disperse this information so rapidly is to offer protection and bring back into protection those daring ones who walked ahead and now MUST HAVE BACKUP BY THE "FREE" BROTHERS FOR SOME ARE ALREADY INCARCERATED AND CANNOT HELP THEMSELVES. WE MUST ATTEND OUR BROTHERS WITHIN THE HELL OF PRISONS AT THE HANDS OF THE EVIL CONSPIRATORS. WE CANNOT ALLOW

THEM TO PAY THE FULL PRICE WHILE WE RIDE UPON THEIR SHIRT-TAILS OR SIMPLY ALLOW FAILURE. TIME IS SO SHORT, BELOVED ONES, BUT WE CAN DO IT IF WE WANT TO BADLY ENOUGH.

You do not walk alone! You have called upon the Lord and He has sent his Hosts. So be it, and salu.

Hatonn to clear.

SOME OF THE PHOENIX JOURNALS:

From Here To Armageddon
Cry of The Phoenix
Rape of The Constitution
You Can Slay The Dragon
