SEPTEMBER 1991 VOLUME XVI NUMBER 4

9/4/91 #1 HATONN WEDNESDAY

First, briefly, I, Hatonn, need to speak with you. So much happened on the yesterday which needs expression and instructions but we will not take Germain's precious time in the discussion herein. I ask for a meeting early enough this evening that we can have immediate discussion about the upcoming group session in which I ask participation. They are in no way in conjunction with the publications but are a most personal series of ongoing support opportunities wherein we can utilize group "numbers" in an attempt to structure HOW to come into personal capability to get through these tough times which blast you with everything from addictions to simple distress. All may not wish to spend the time--certainly all participation, as always, is totally optional and we can discuss it before the meeting with the Pilot Group speakers this evening. I will have to warn you now, some are literally controlled by very real dark energies--with the thrust to destroy the entity housing such energy and to attack "leaders" through these avenues. In some instances it is now reached critical proportion and must be stopped.

No one will, please, error by any supposition that what we do is in any way a "religious" "thing". It will be equated more appropriately to Alcoholic, Overeaters, drug,

etc., Anonymous "addiction"-handling with the twelve steps expanded and with the assistance of more in-depth TOOLS. The full intent is to set up a working guideline, with the tools, and then they can be available to all--anywhere. If mankind cannot find his balance in this evil infested world, what we do otherwise is quite hopeless for the individual is binded by the shackles of daily bombardment and depressed hopelessness.

GUN CONTROL?

I thank "Orion" for sending a couple of articles in support of what I have been telling you: One--(AP) "Federal agents arrested hundreds of people on firearms charges Thursday in a nationwide roundup of what one official called "the cream of the crud" behind violent crime. Many could face prison terms of at least 15 years for violating federal gun laws [this is JUST for failure to have proper registration], said Stephen E. Higgins, director of the Bureau of Alcohol, Tobacco and Firearms. The bureau said 425 people had been arrested by 4 p.m. and the total was expected to exceed 600."

This is the real beginning of the END, dear ones--it is now, in many states (and this is where the show begins), illegal to have any unregistered handguns and many classifications of rifles. Moreover, the forces will begin with known criminals so they can show you-

the-people that they are of "good intent"--NO, IT IS TO SUCKER YOU IN AND YOU WILL HAND OVER ALL METHODS OF SELF-DEFENSE--VERY, VERY SOON!

Now try this one and see how many of you become ill: **POLICE SEIZE FIRM, 'SELL' IT BACK.** Rocky Mountain News, Sun., Aug. 25, 1991: Edgewater (Colorado): Edgewater pawnshop owner accused of not filling out paperwork, ordered to pay \$50,000.

Edgewater police closed the business of a man accused of violating a law by not filling out paperwork properly, then demanded he pay them \$50,000 to get his business back.

The seizure of Sheridan Trading Post and Pawn Shop, 2495 Sheridan Blvd., has raised questions about Colorado's "asset forfeiture" laws and has sparked accusations that police harassed a business that didn't fit the plans of Edgewater's city government.

On May 17, a team of armed "examiners" led by Edgewater Detective Mike Marchese entered the business, which police suspected of being a fencing operation.

Police were armed with an "asset forfeiture order" signed by Jefferson County District Judge Tom

Woodford. It declared the shop an "ongoing criminal activity" and a "class-one public nuisance."

The officers boarded up windows, seized cash, checkbooks and merchandise, padlocked the doors and kicked out owner Dean R. Porter, 59.

But when police examined the business, they found no evidence of fencing. In fact, Marchese said his squad wasn't even looking for stolen property because Porter wasn't accused of dealing in stolen goods.

Instead, he was accused of improperly filing the reports pawnbrokers must make to police on loans and purchases.

"It was for criminal violations of the reporting procedure," said officer Marchese.

But Tom Leadabran, the deputy district attorney in Jefferson County who handled the asset forfeiture case, insisted that the case against Porter was a serious one.

"It wasn't a single isolated incident," he said, "He had committed a string of felonies. Failure to report, theft by receiving...I don't know how many." [Look carefully--this is for this NEW gun confiscation, friends--no matter what they do or how they do it--further, the D.A. said: "I don't know how many..." So, what happened to citizen's rights? What happened to "innocent until proven ----?" YOU are likely NEXT!]

Those laws, said Leadabrand, are to prevent thieves from using pawnshops to unload stolen goods.

No criminal charges have been filed, however. Jefferson County deputy district attorney Joseph Gilmore said he was "still reviewing files."

But Porter said the incident "has already cost me what I spent most of my life working for."

The confiscated goods--both from his pawnshop business and his separate gun business under the same roof called Dean's Firearms--were worth almost \$500,000, the largest seizure in Edgewater history.

Under Colorado's "asset forfeiture laws", authorities may seize the assets of suspected criminal enterprises without proving crimes or even making formal charges. Suspects must go to court to win back their possessions by proving they were not ill-gotten gains. Law enforcement agencies get to keep what they seize.

After the raid, Edgewater and Jefferson County authorities offered to settle the case by giving Porter back his business in exchange for \$50,000.

Originally, police didn't want cash. Instead, they presented Porter with a lengthy list of items they wanted from his pawnshop, including guns, ammunition, tools and photo and office equipment.

He refused and considered fighting the seizure in court. But on June 7, with his bills mounting and on the advice of attorneys, Porter compromised.

"I agreed to pay them \$50,000 for the keys, promised not to sue them, agreed to move out of Edgewater and not open another pawn-shop in Jefferson County for five years," he said.

In court documents, the authorities describe the agreement as "judicial economy".

"It was extortion," Porter said.

The seizure is the first police confiscation of a pawnshop under the asset forfeiture provisions of Col-

orado's "public nuisance" law, said Howard Mendelsohn, executive director of the Colorado Pawn Brokers Association.

That law is normally used to close drug houses, prostitution houses or similar nuisances and confiscate them as the fruits of illegal activities.

The seizure also may be the first time Colorado police have confiscated a building and property because employees failed to fill out paperwork correctly.

"I have never heard of such a thing as this," said Mendelsohn, who helped write state reporting statutes for pawnbrokers. "It sounds like a fairy tale. How do they justify taking a man's business over something like this?"

This story goes on for another couple of columns but I think you get the picture. Accidental that it came on the very day that Bush had this "gun sweep by breaking and entering without warrant"? You see, a state doesn't even need restrictive gun registration laws to invade and seize. Remember that, in the case above, the \$50,000 was IN ADDITION TO THE OVER \$500,000 IN CONFISCATED GOODS.

Well, where are all those attorneys and judges who stand up for the law? This man could not find an attorney who would take his case and he had funds left to fight the case. If you, America, don't need a Constitutional Law Center then I cannot imagine who does!

LEGAL SHENANIGANS

Update on the Dharma/Oberli property case, after already into the case by hundreds of thousands of dollars--a lot of it your own taxpayer (RTC) money to the little slime sucker who represents the opposition. Yesterday morning was "another" hearing to "insist

that he (S.H.) accompany a photographer" through D&O's dwelling--"to make sure they haven't "trashed it". He already did the photo bit on the outside. Now, thousands of dollars later--he pushes for "inside visitation" and the session went as follows. D&O's attorneys came specifically for this nuisance hearing--from San Francisco and Sacramento--Horn from Beverly Hills/Santa Monica (at RTC (your) expense, of course). "Our" attorneys met D&O adequately ahead of court time (8:30 a.m.) and walked to the court house. They then went to the appointed courtroom but went upstairs to find it was in error. So, some less than five minutes "late" they were rushing down the corridor just outside the courtroom--only to find Mr. Horn RUSHING MADLY down the hall in opposite direction. The assumption was he had forgotten something and was hurrying to retrieve it prior to the case being called. Dharma said to "Claude"--nope, the slime pushed the case and it's over. "No, he couldn't do that," was the reply. Scott halted Horn long enough to actually serve papers in a packet to Mr. Horn--who accepted it without comment and rushed on. Once in the courtroom all took their seat prepared to await Mr. Horn's return. Dharma said, "He won't be back, he is half way to L.A. by now!"--so more waiting. Then Scott inquired of the Bailiff if the case had perchance been called and he indicated yes.

Nothing was happening in the courtroom--nothing being heard, etc. Scott asked permission of the judge to inquire regarding the case. The Judge said Horn was rushed and since no one was here for O&D that he had had to rule by default in favor of Mr. Horn--with sanctions. He said, "If you can return Horn to this courtroom--I will hear the case." Of course **no HORN**. Back to the courtroom where the encounter in the hall was

relayed to the Judge who said that that was improper--that Mr. Horn, as an "officer of the court", was obligated to acknowledge presence and return to the courtroom. So another search was made for Horn--missing of course, like the 13th amendment while, I'm sure, Mr. Horn recited his Kol Nidre vows to lie, cheat and steal.

Back to the courtroom and this time to ask the Bailiff if he had been asked to step outside to check on lawyers or clients. Bailiff said "no" because "the Judge asked Horn if he had seen you outside! Mr. Horn said no."

Now, I am going to tell you the punch-line that these ones don't yet know--Steven Horn saw the group enter the building and go up the escalator toward the wrong courtroom and rushed like mad to the proper place where he could be "first" heard!

I repeat, America, you are in desperate circumstances--there is nothing--NOTHING--the adversary will not do to stop you--the people. God help you all to see and hear. Well, what do you do? You keep on keeping on for just as long as you can breathe. We can get the Law Center going and get some lawyers of honor working for you--but they cannot do it without living also even though they are willing to do it at rock-bottom costs. You will have to help, dear ones--and appreciation is great unto you who have done so.

The remainder of yesterday was spent with ones on the subject of the Constitution and to make the next move in the legal aspects; this time on taxation unconstitutional--but it is a mammoth chore at best. All groups MUST harness power of unity for as you can see herein--it has begun. The "disarm Americans" is under way--it has nothing to do with "crime"--it is an all out attempt to disarm America and abolish your Constitution!

Now, precious ones, you are going to face facts and TRUTHS or you are not going to salvage freedom. I know not how to cause you to see and hear that it is YOU who are at stake. The Anti-Christ/God of the aeons of prophecy is upon you and enslavement and terror are at your very door--your own door. This is a play for Total Control of Your World!

REVELATION

I am going to quote you something from the Book of Revelation and in reading it keep in mind all of our lessons, including the term "Jew" as being only a reference since the late 1700's. You ones had best begin to face facts that the evil adversary has stolen the Judean heritage and taken the birthright of the very Hebrew people. Today you are faced with total evil of ungodly beings.

Revelation 2:9. *I know how much you suffer for the Lord, and I know all about your poverty (but you have heavenly riches!). I know the slander of those opposing you, who say that they are Jews--the children of God--but they are not, for they support the cause of Satan.*

Rev. 3:9. Note this: *I will force those supporting the causes of Satan while claiming to be mine (but they aren't--they are lying) to fall at your feet and acknowledge that YOU ARE THE ONES I LOVE.*

There is no way that I can stress the urgings to read and re-read that which is called "REVELATION" for each time you do with petition for my clarification--shall you see the truth.

Most was not tampered with in the book of Revelation for none of the scholars who changed the books of what you call "the Bible" knew and understood John's prophecies well enough to change it. What they understood, they did change--but you will not find these passages

spouted from the local pulpit in truth.

By the way, you beloved ones who are deeply concerned about Rev. Robert Schuller's recently being stricken--**YOU SHOULD BE** for the man is no longer the one you believe him to be. He is now a "tool" of the adversary and the blessed one realizes it not. He will become even more "patriotic" and urge capitulation on all demands by the government--he has long been taken as a tool of the dark government New World Order and it will become very transparent here on in.

I am going to take leave now, so that Germain can have opportunity to work for if we can finish his JOURNAL this week, we can move back into more current adventures. However, this series of PLEIADES CONNECTIONS, with the OPERATORS/OWNER MANUAL ARE THE MOST IMPORTANT BOOKS TO BE PLACED ON YOUR PLANET--EVER! **WE HAVE NOT NEARLY BROUGHT ALL, BUT IF YOU DIGEST THESE YOU WILL COME INTO KNOWING!** Blessings be upon you as you walk this critical journey for we can light the path and show the way, we can even carry you part-way if you ask--but we cannot do it FOR you. Salu.

I have but one more painful statement to make for you close ones. Allow the situation with ASSK to go its way. From the letter received, you can see that the once warm and loving House of God has fallen to the adversary.

Another point which also pains you as to one who once spoke for me and for the Brotherhood of Light, now speaks only for the elementals (which is ridiculous for "guides" are not of "lesser" stature and ones of the "fringe commands". If my name appears as speaker among the writings of these various ones--IT

IS NOT ME--ATON/HATONN. They have been placed in your pathway to stop your journey into the Truth and Light with God. All have opportunity to come into truth but they choose to drift farther and farther from the fold--so be it for each has free-will choice of pathways.

I have even worse news for you who have come to listen to "channels" who tell you of wondrous "landings" and "evacuations" by space brothers. The projections are so tainted now as to be as foolish as the "rapture" to fluffy radioactive "clouds". I plead with you to study and read ALL with reason and WITH GOD, for the time of LIES is upon you--you are in chaos and control of evil and it will consume you if you cast it not off.

Dharma, you will, child, continue to be painfully tested and pushed, threatened and pulled. You will stay within my hand and heed my voice for some of the most disappointing assaults are yet to come. Bless those ones who give unto you the testing for it is their job to do so and it is not yours to know why. So be it.

Hatonn to clear, please.

9/6/91 #1 HATONN
FRIDAY

Whatever ye perceive that you must bear--I will bear it with you. Strength comes in many forms and you shall be given to recognize the steps if you but LISTEN.

It is a time, Dharma, when the adversary wishes to silence you the most and the game shall become drastic for they KNOW that I shall warn the people and tell their evil plans.

HEBREW HOLY DAYS

You approach Hebrew Holy Days. I did not say "JEW" Holy Days.

They plan the most heinous manner in which to "celebrate" these days. While the Judaists are honoring their heritage and traditions the Khazar Zionists plan to invade Jordan. Now, these ones claim to be in service and ask winning strength from god--yes indeed, it is just that their "god" is the Luciferian Satan God of Evil.

I am going to write something herein which can be confirmed and I ask that the ones who write for the public (who know this information, to publish it NOW) for it is going to be one of the most SHOCKING statements I will have tossed at you ones.

As you know, there has been great discussion of the organization known as Skull and Bones, wherein Prescott and George Bush are active participants. Citizens of so-called Godly America who believe yourselves to be good "Christian" people (of whatever faith) had best harken up because you are about to be silenced by the adversary. In Skull and Bones Society one of the very rituals practiced by the membership is to bring within the secret hall a cadaver which they call "Jesus" and each member takes a knife and stabs the being in the heart and then the heart is removed for further ritual. This practice comes directly from the Gnostic Satanic practices of sacrifice--and is very closely akin to exactly the rituals practiced by the Zionists of Israel in their so-called "temple worship". The subject in point is not always a cadaver but often is, in fact, a person--most usually a child or infant which represents the purity of Christ.

Shocking? I certainly do hope so. Ones who leak this information are killed. There are always spies and tattlers who either "find God of Light" and/or are paid spies.

If we can bring enough attention to the focus points in the Holy Lands

a massacre may be avoided but the plans are so massive and troops are already in place, as the entire "underground" CIA and surveillance forces KNOW.

In honor of the Holy Days you have just awarded the West Bank and the rest of Palestine to Israel along with \$10 BILLION dollars to foot the bill. You are still sending in military equipment to back them and the entire Russian facade is to distract you. What you have just seen in Russia is a reversal of Bolshevism and a return of Monarchical rule by Dictatorship. The splitting off and recognition of the "Baltic States" and offering central representation is nothing more than cementing the coffin lid on the casket. How does it make you feel, Americans, to know that you foot the bill for your own executioner?

ALAS, LAWYERS

Now, a note about the 13th Amendment! This is not for our lawyers, specifically, but for all attorneys who wish to argue the point of "nobility", "Esquire", etc. You will all note that when Mr. Horn sends "copies" to other attorneys in HIS GROUP--they are addressed to "Steven Berg, Esquire", etc. Do not lie to selves for until you STOP lying to selves, you can change NOTHING.

Do I hate lawyers? No, I "hate" no thing but rather, accept truth and lessons from all things. The Judicial system does give the most wondrous "lesson" of almost any group. Most lawyers and judges I DO despise for their total evilness. Those who work in truth also deplore the darkness which shrouds their own profession. Remember, dear ones, YOU NEED LAWYERS ALSO--TO EVEN GET RECOGNIZED IN A COURT OF LAWLESSNESS. I HONOR BEYOND OTHERS, THE LAWYERS WHO WORK IN TRUTH. IT IS AMAZING TO NOTE THAT THE LAWYERS

AND JUDGES SOMEHOW THINK THAT THEY WILL SOMEHOW BE BEYOND JUDGMENT AS ARE ALL MORTAL MEN. YOUR WORLD JUDICIAL SYSTEM FUNCTIONS AS IF YOU NO LONGER HAVE A CONSTITUTION ANYWHERE IN THE WORLD. BUT WHO SUFFERS? YOU--THE-PEOPLE FOR HE WHO HAS THE MONEY WINS FOR NO LAWYER WHO WOULD DEFEND CAN WORK AND LIVE WITHOUT INCOME FOR HIS OWN FAMILY AND CANNOT TAKE CASES WITH NO REMUNERATION--SO, YOU--THE-PEOPLE ARE CAUGHT BETWEEN TWO TRAPS. As in the case of my scribe, Mr. Horn made sure that the defendants were never even recognized in the courtroom until they had acquired a lawyer--then, after over 30 hearings--THEY STILL NEVER HAVE BEEN RECOGNIZED BY A JUDGE NOR ALLOWED TO SPEAK.

Yes, I am going to tell you facts about the "law" and my own beloved friends within the Constitutional Law Center and other brothers who try so hard to act in justice--please accept my apologies that I do what the Master Teacher did in Biblical times.

I thank Citizens For Justice in the Legal System, Box 013236, Miami, Fl. 33101 for the following: ALAS! ALAS! YE LAWYERS!

Before I quote the article, I do wish to tell you readers that our Constitutional Law Center is working with organized groups who have now gained the legal methods for getting "un-taxed" and out of the system.

I remind you, however, that the impact of this information has been such a blast to the government that they are laying plans to interrupt your ability to accomplish your

task through "emergency orders" wherein they will attach your bank accounts, etc., to fight a "common enemy". You are being set up for economic collapse AND the plans are finalizing to present you with happenings which they will tell you come from outer space and that "YOU MUST UNITE ALL THE GLOBE AGAINST THE COMMON ENEMY." You have no enemies outside your own heinous traitors. THESE INCIDENTS ARE PLANNED TO BEGIN HAPPENING IN SEPTEMBER AND THE UFO DECEIVER GROUPS ARE ALREADY WARNING YOU OF EXPECTED "SPACE ALIEN" DISASTERS EXPECTED BY YOUR GOVERNMENT AROUND THE MIDDLE OF SEPTEMBER. Is this not too much? This comes right in the middle of the Holy Days of the "Jews" and just before the end of your national American fiscal year where the budget MUST BE BROUGHT FORTH, WORKED OUT AND SIGNED SO YOUR CONGRESS CAN GO OFF ON VACATION AGAIN AND THE WORLD CAN BE BROUGHT TO ITS KNEES WITHOUT BOTHERING THE BLACKMAILED CONGRESSMEN! REMEMBER, THEY HAVE ALSO PROMISED TO BLOW UP THE SAN ANDREAS FAULT WITH MASSIVE EARTHQUAKE ON THE 17TH OF SEPTEMBER! I CAN ONLY TELL YOU WHAT THEY PLAN--YOU MUST DECIDE WHAT YOU WILL DO WITH THE INFORMATION.

Please Quote, Dharma:

Throughout history, great religious leaders have sought to bring order out of chaos. The most effective method of doing this has always been by preaching the Truth. The Truth brings light to darkness; it establishes a foundation for order, and it destroys false concepts.

Yet, there have always been groups

who twist the Truth to serve their own purposes. Typically, these groups are not productive in the ordinary sense, but they establish rules and laws that permit them to control and exploit other groups that are productive. In this manner they achieve power and wealth. But their lust for more of these two impostors eventually ends in the weakening or demise of their position.

History repeats itself. If one studies the Bible one finds certain passages of Matthew, Mark, and Luke referring to lawyers of that era. Today, as in Biblical times, lawyers continue to exploit the people.

"Alas! Alas! for you lawyers and Pharisees, hypocrites that you are! You shut the door of the kingdom of Heaven in men's faces; you do not enter yourselves, and when others are entering, you stop them. Alas for you, lawyers and Pharisees, hypocrites! You travel over sea and land to win one convert; and when you have won him you make him twice as fit for hell as you are yourselves." Matthew 23:13-15

[No, nice people who decide what portion of the "Bible" you will use--you may not discount this! You use that book to denounce me and my people--you are GOING TO FACE THAT WHICH YOU DO--SELECTIVE INTERPRETATIONS UNTIL NOTHING YOU SAY HAS MEANING!]

Since our legislators are primarily lawyers, lawyers make the majority of our laws and write them in "legalese". In doing so, they've made this nation increasingly dependent on their trade. For example: probate is an unnecessary and expensive system created by lawyers to profit from making the wills and getting themselves appointed as executors. They charge 5% to 15% of a person's life earnings to complete a simple task.

In order to pass your belongings to others at your death, your estate must not only pay taxes to the government, but also a "tax" to lawyers in the probate courts. The horrors of probate permit "stealing from widows and orphans"--, how often we hear about an estate being bled by unscrupulous lawyers!

"Beware of the doctors of the laws, who love to walk up and down in long robes, receiving respectful greetings in the street; and to have the chief seats in synagogues, and places of honor at feasts. These are the men who eat up the property of widows, while they say long prayers for appearance' sake, and they will receive the severest sentence." Mark 12:38-41

Many people involved in disputes have turned to the legal system for help only to find themselves in an endless morass of legal maneuvering that ends only when their money is gone. To dissolve a marriage, the cost can be minimal for those who have nothing, but astronomical to those with a few holdings. Far from helping to make an unpleasant and emotionally devastating event easier, many lawyers compound, complicate and prolong the proceedings so that distrust and even hate prevail where love once lived.

"When you are going with your opponent to court, make an effort to settle with him while you are still on the way; otherwise he may drag you before the judge, and the judge hand you over to the constable, and the constable put you in jail. I tell you, you will not come out till you have paid the last farthing!" Luke 11:58-59

Delayed justice, postponed trials, minimal sentences, early parole and ever increasing crime feed a system where good policemen see their dangerous work frustrated by the release of criminals based on a miniscule technicality or worse, a judge's whim.

"Alas for you, lawyers and Pharisees, hypocrites! You clean the outside of the cup and dish, which you have filled inside by robbery and self-indulgence! Blind Pharisees! Clean the inside of the cup first; then the outside will be clean also." Matthew 23:25-26

Our "tort" system of law is the cruelest of all legal maneuvers. It immediately enriches a few lawyers while destroying professions, businesses, professional amenities, and individuals. Our lawyer-dominated government refuses to end this insanity, so insurance rates rise until many people can't afford them. Not to be denied, the lawyer-legislators then pass laws requiring people to carry unaffordable insurance in order to maintain a treasure trove to be looted by the lawyers.

Lawyers use half-truths and falsehoods to create suspicion, confusion, and controversy so more legal work will result. There is little the other professions can do but comply with the huge paper work load imposed by the lawyers' imperious bureaucracy. But as a result, honorable professions lose their ability to provide reasonable services at reasonable prices, and both they and the public suffer.

"The Doctors of the law and the Pharisees sit in the chair of Moses; therefore do what they tell you; pay attention to their words.' But do not follow their practice; for they say one thing and do another. They make up heavy packs and pile them on men's shoulders, but will not raise a finger to lift that load themselves. Whatever they do is done for show." Matthew 23:3-5

[By the way--remember who are the Pharisees? Ah so. They are the ones from whom come and ARE the self-styled, so-called self-named "Jews" (Zionists). They are not Semites for they come not from the tribe of Shem and therefore you cannot be "anti-Semite" for disclaiming and/or denouncing the

false persons who are stealers of their brother's heritage and tradition and even claim their lineage--**YOU ARE THE SEMITES!**]

The litany of abuses goes on to involve every segment of American life. While the concept of the "law" is correct, it is being cleverly twisted to achieve the ambition of one select profession. The search for truth, justice, and safety still remain only an ideal.

Democracy is sweeping the nations of the world and freedom is ringing in every heart. Yet here in the greatest democracy of all, we find ourselves progressively enslaved by a profession composed of less than 1/2 per cent of our people.

"Alas for you, lawyers and Pharisees, hypocrites! You pay tithes of mint and dill and cumin; but you have overlooked the weightier demands of the law, justice, mercy, and good faith. It is these you should have practiced, without neglecting the others." Matthew 23:23

And so today, despite the teachings of Jesus Christ, the same profession is again practicing the same excesses. It's as obvious now as it was then that lawyers strive to control our lives--for their benefit. To prevent this control and save ourselves and our nation, we must not vote for them. For once they control our government, and they almost do now, they can control our lives. We must elect legislators who represent the interests of the people, not the Bar.

Once they are elected, we must: Restore our criminal justice system so it makes our lives safe--we do not need legal maneuvering that prolongs and weakens the process of the courts and saps the energy of the nation; and, Second, create a civil justice system which permits our nation to innovate, produce and trade effectively. Onerous laws enforced by a massive bu-

reaucrazy are robbing our people of their ability and desire to compete with the nations of the world.

A new call for a real representative democracy is being issued by the distressed of our nation. A beginning has been made and our people are awakening to the subtle control of our government by a profession that has failed its purpose to serve the people while it strives only to enrich itself with more power and wealth.

Amos 5:7,10,12,15,24: *"...You who turn justice into bitterness...you hate the one who reproves you in court and despise him who tells the truth...You oppress the righteous and take bribes and deprive the poor of justice in the courts...Hate evil, love good; maintain justice in the courts...but let justice roll on like a river...."*

[H: Not fair to the so-called, self-styled "Jews" by quoting the New Testament?? 'Ah, but note that "Amos" is in the Old Testament so you had best find something else to make YOUR case.]

NOTATION TO HEED

There was one called Aeschylus, the Greek tragedian...We find Prometheus attached to the rock, victim of the gods of Olympus, who think they are above God.

They say, "We have the power, and the nations will do as we please." Prometheus replies: "No. There's a power greater than you, gods of Olympus. You are defying it and **you will be destroyed....**" So be it and so shall it come to be thus. You, even in America, and most soon now as the shackles are locked upon thineselves--You were not destroyed by the Soviets. You were not destroyed by the Japanese or the Germans. You as a nation have been destroyed by nobody but yourselves, because you were fools to accept ideas which are contrary to everything you stood for.

CORPORATIONS NOTE

I need Dharma elsewhere so we will close this writing but I wish to make another statement regarding current "business". Dear ones, it is so very important that if you are going to use incorporation as a shelter--**USE IT CORRECTLY OR HAVE SOMEONE DO IT FOR YOU WHO KNOWS WHAT IS NEEDED.** I WISH TO QUOTE A QUESTION WHICH WAS DIRECTED TO THE INCORPORATED NEWS, NEVADA:

QUESTION: *A friend of mine who owns a corporation was sued and the people suing him went "through" the corporation and he was held personally liable. How can this happen? And how can it be avoided?*

ANSWER: What happened to your friend was that the "corporate veil" was pierced, leaving him personally liable for the acts of his corporation. This can **ONLY HAPPEN** when a judge decides that a corporation is not a separate, legal person but is merely the "alter ego" of the corporation's shareholders. A judge will only invoke the "alter ego" doctrine **IF A CORPORATION HAS NOT OBSERVED THE SIMPLE CORPORATE FORMALITIES--DIRECTORS' AND SHAREHOLDERS' MEETINGS, MIN-**

UTES OF THOSE MEETINGS, RESOLUTIONS, SEPARATE BANK ACCOUNTS, ETC.-- THAT INDICATE THAT THE CORPORATION HAS A SEPARATE EXISTENCE FROM ITS SHAREHOLDERS.

It is crucial to understand that for a corporation to be considered as a separate, legal person, it must be treated that way by its shareholders and directors. Corporations do things for "corporate" reasons. Corporations take actions to further the aims and interest of the "corporation" and not necessarily those of its "shareholders". The actions and decisions that shareholders and directors take on behalf of the corporation are evidenced by the records that the corporation maintains. Without those records there is no evidence that the corporation's affairs are in any way separate from those of its shareholders.

it is sad to see a corporate veil being pierced because it is such a **SIMPLE MATTER TO OBSERVE CORPORATE FORMALITIES AND TO KEEP THE CORPORATION'S PAPERWORK IN ORDER. IT IS JUST A QUESTION OF FILLING IN THE RIGHT FORMS AND KEEPING TRACK OF DECISIONS AND ACTIONS AS THEY ARE DECIDED AND ACTED UPON.**

Thank you for your attention to this matter. If the shoe fits, please attend the "baby". There are ones to help you--I have no intention of doing it herein. If you run and ask your accountant and/or lawyer--he wants money from you and **KNOWS NOTHING ABOUT NEVADA CORPORATIONS UNLESS HE IS IN THE NEVADA BUSINESS OF FORMATION OF CORPORATIONS!** So be it.

I will herein put one more re-

minder: The government is getting ready for a push like you can't believe on gathering up your guns--I suggest you act timely and NOW or any that YOU have WILL SOON BE CONFISCATED AND YOU ARRESTED IF YOU HAVE BROKEN EVEN THE MOST SLIGHT REGISTRATION RULE! I can do not more than warn you.

Let us close this now. Thank you for your attention.

Hatonn to close, please.
