Soviet Empire restructuring

10/11/91 #2 HATONN
FRIDAY

Gorbachev: "We are not going to change Soviet power, of course, or abandon its fundamental principles, but we acknowledge the need for changes that will strengthen socialism."

For the past months the headlines and then the follow-up pages of the paper and the media have been filled with drivel about the disintegrating of the Soviet Union. That is, of course, when there is room for such comment aside from Thomas' misadventures and cavoring escapades with his staff. These kinds of distractors are the worst kind for it keeps all other news from your attention.

Watch out, California, for regardless of what you are "watching" you ARE enduring "Earthquake" weather--presented for the timing clues from the heatwave in Southern California to the clouds moving in today--right on schedule! Take note

and stay alert! Perhaps Mr. Christo's art-form umbrellas will become MOVING ART-FORM. Let us just proceed with our work, please.

You are being fed the lie that communism and socialism are abandoned and dead at last, that the Communist Party of the Soviet Union and the KGB are being dismantled, disbanded and relegated to the waste dump of history. Certainly the demise of the "gang of eight", the rise of Yeltsin to power, the official condemnation of the CPSU and KGB, and the independence of many of the Soviet republics would all seem to signal the end of the "evil empire". But looks can be most deceptive when hidden behind false news releases, and so can the Marxist-Leninist dialectic.

The Soviet Empire is NOT disintegrating as the Western press and leaders keep telling you. It is restructuring, rearranging, reorganizing, streamlining, purging the

deadwood, and rearming preparatory to its final thrust for world domination over the next few years. Gorbachev said in 1989: "*Through restructuring (perestroika) we want to give Socialism a second wind. To achieve this, the Communist Party of the Soviet Union returns to the origins and principles of the Bolshevik Revolution, to the Leninist ideas about the construction of a new society.*" And further back, in 1987 he said: "*In October 1917, we parted with the old world, rejecting it once and for all. We are moving toward a new world, the world of communism. We shall never turn off that road.*"

THE ABOVE PARAGRAPH MIGHT WELL BE THE MOST IMPORTANT THING YOU READ AND HEAR TODAY. YOU ARE AGAIN INTO THE MONTH OF OCTOBER AND THERE MAY YET BE SOME "OCTOBER SURPRISES" OF WHICH YOU ARE NOT AWARE! THOSE SOVIETS ARE FAR MORE "SENTIMENTAL" REGARDING HOLIDAYS AND IMPORTANT DATES, ETC., THAN YOU MIGHT IMAGINE--READ SATAN'S DRUMMERS!

Does this all sound like a man who is presiding over the death of communism? The Lenin whom Gorbachev worships, quoting Sun Tsu, said: "*We advance through retreat...when we are weak, we boast of strength, and when we are strong, we feign weakness.*" The old dialectic Leninist doctrine of taking two steps forward and then

one back to confuse your enemies is certainly being applied by his disciple, Gorbachev, this day. It is called "scientific socialism" and "psychopolitics" by the faithful, and of course Gorbachev has said that he does not want to discard socialism but renew, restructure and strengthen it. It should be remembered that all present changes in the Soviet Union are within the framework of socialism.

ABOLISHING THE COMMUNIST PARTY OF THE SOVIET UNION AND THE KGB

The Soviets are NOT abolishing the CPSU or the KGB, they are re-naming them, reorganizing them, purging them of inefficient deadwood, and EXPANDING their mission:

The KGB has had six name changes since 1917: 1. CHEKA; 2. OGPU; 3. GPU; 4. NKVD; 5. MVD; and 6. KGB. All of these name changes were accompanied by purges whereby thousands of heads at the top rolled from the mountain, by restructuring or reorganization, by an expansion of the role of the secret police, and by public pronouncements that the secret police had been abolished. The leaders remain on and retain and acquire even more power. In the 1950's Beria, the brutal and infamous head of the NKVD, was purged and executed. Vladimir Kryuchkov, head of the KGB until the recent phoney

coup and counter-coup, has similarly been removed and it remains to be seen what will be done with him. You see, it is not even as simple as "taking out" these people for many have been replaced by replicas, just to take them out for the watching world when the time is appropriate.

The KGB has over 1.5 million members worldwide, with about 50,000 sequestered in the U.S. KGB military units will now be moved under the Soviet army command and the new KGB will fall under the Soviet military command and ultimately lead the U.N. military force. This is not all being done to destroy the KGB but to make it stronger, more efficient, leaner and meaner. It is perceived to have become fat, dumb and lazy. As in the Romanian secret police, the Securitate, which was 50,000 strong under Ceausescu, the force continues to operate in a Romania which is allegedly noncommunist--but still is totally dominated by the communists--so the KGB will continue to function in the USSR, which will be allegedly noncommunist--but still totally dominated by the communists.

RESTRUCTURING AND RENAMING

The CPSU (Communist Party of the Soviet Union) has 20 million members and another 45 million members in its Lenin youth organization, komsomol. Komsomol is a young adult organization with members from the Red Army, the KGB, the Red Navy, the Air Force, and a majority of the young factory workers. The CPSU has grown top heavy and, inefficient with bureaucratic deadweight. It is about to be reorganized, restructured, trimmed in size, or purged, to increase its efficiency, and then renamed. It is not going to be abolished as Gorbachev, Bush, and the Soviet and Western press keep telling you.

It must be remembered that the Communist Party of the Soviet Union has undergone a number of metamorphoses in name: At its inception, it was called the Russian Social Democratic Worker's Party.

In 1912, following an internal feud, it split into the Bolsheviks and Mensheviks, the "big ones" and the "little ones". The big ones ate the little ones. The name then became the Russian Social Democratic Workers Party of Bolsheviks. In 1918, it became the Russian Communist Party (Bolshevik). In 1925, the name was changed to the All-Soviet Communist Party (Bolshevik). *Then in 1952, it became the Communist Party of the Soviet Union, which it has remained until the present. It is now about to be renamed again and it will probably be to the "Social Democratic Party".*

Each of these name changes was accompanied by major fanfare and whoopla and offered as **absolute proof that the communists had completely changed**, and the declaration that all the political, economic, and repressive evils had been perpetrated by the previous party--but that the new party would be benign, democratic, freedom-loving and thus and so, repeat after repeat. In reality, all of the old evils continued under the new, revamped party with only more heinous power and control--nothing changed. The present change will not alter any of the principles or goals of the CPSU.

Each of the major communist party name changes under Lenin and Stalin were accompanied by massive purges, called "party rejuvenation", to streamline the organization and bring it under formidable discipline. Millions of Russian communists went to the wall or the gulag in those purges. Today's CPSU has become fat, dumb, lazy, careless, apathetic and passive, and is ten times larger than during World War II. It has lost sight of its goal, it has become diluted, and will probably be trimmed by several million members. This is not abolition of the Party--it is reorganization, restructuring, and *strengthening* of the Party.

The communists believe that Americans and most Westerners are shallow, superficial, gullible, and easily seduced by media-generated illusions. Hence, if they change the name of one of their fronts or parties and declare the old organization

to be dead, most Westerners will believe it. For decades they have routinely changed the names of their communist front organizations in this manner. They just renamed the Communist Party in Italy, now calling it the Democratic Party. In Poland, they renamed the Communist Party, which was called the Polish United Workers Party to the Social Democratic Party. In Romania, they renamed the old Romanian Communist Party, calling the new party the New Salvation Front. In none of those cases, or many others, did they really abolish those communist parties. They simply renamed, reorganized and restructured the parties, while gullible, naive Westerners believed the charade. It has been said and I use it often, "*a rose, by any other name, is still a rose.*" Calling the CPSU the Social Democratic Party, or some such similar name, will NOT alter the fact that it is the same old CPSU with a new label and some new faces, or old ones scrambled around a bit for confusion.

Today, the Communist Party of the Soviet Union operates through elected representatives, the Politburo, and the Central Committee. The Central Committee of the CPSU, made up of 300-450 members, wields the real power in the USSR, and an inner circle of about 100 members really calls the shots. These Central Committee members dominate the military and the KGB, as well as the "visible" politicians such as Gorbachev, Yeltsin, Shevardnadze and the various cabinet ministers. Gorbachev is simply an actor, an employee who is implementing the policy laid down by the Central Committee since the early '80's when they, and the KGB, drafted the script for glasnost/perestroika number six.

The new, refurbished, renamed Communist Party was discussed at length at the CPSU's Congresses in 1986 and 1990. Gorbachev described the "new party" as: "*A Party of socialist choice and communist perspective...A Party adhering to humanistic (not humanitarian) ideals common to all mankind...intolerant of chauvinism, nationalism, racism, and any manifestation or reactionary ideol-*

ogy and obscurantism...A Party confirming the independence of communist parties of the Union republics...A Party open for contacts, co-actions with the communists, social democrats, and socialists of various countries."

Reading the "new party" profile as conceived by the CPSU leadership, it is clear that the only difference between the "old party" and the "new Party" is in the new one's wide acceptance of all revolutionary movements THROUGHOUT THE WORLD.

"SOCIALISM" NOW SUBSTITUTED FOR "COMMUNISM"

Gorbachev, October 1989: "*The concept, the main idea, lies in the fact that we want to give a new lease on life to SOCIALISM through perestroika and to reveal the potential of the socialist system.*"

Then in Dec., 1989: "*Today we have perestroika, the salvation of socialism, giving it a second breath, revealing everything good which is in the system.*"

I remind you, dear ones, that there was NEVER A PRACTICING OF "COMMUNISM" IN THE SOVIET UNION AND IT WON'T BE NOW, EITHER. SOCIALISM HAS ALWAYS BEEN THE INTENT JUST AS IT HAS BECOME IN THE UNITED STATES OF AMERICA--UNDER TOTAL DICTATORSHIP. SOCIALISM BY DICTATORSHIP IS JUST ABOUT AS BAD AS IT CAN GET.

The word "socialism" will be substituted for "communism" and the latter will be almost completely stricken from the communist's vocabulary. From Lenin to Gorbachev, the communists have used the two words interchangeably. Socialism, as defined by Karl Marx in the *Communist Manifesto*, is what has been imposed on the peoples of the USSR, China, Cuba and so on. Socialism, as the stepping stone to the final utopian goal of commu-

nism, involves abolition of private property, draconian political and financial regulations and control on the people, huge bureaucracy, a progressive income tax, an end to inheritance, a monopolistic central bank, central control of education, and state control of the family, children, religion, etc. DOES IT SOUND PRETTY MUCH LIKE AMERICA IN 1991???

What do George Bush, Helmut Kohl, John Major, Mikhail Gorbachev, Shevardnadze, Yeltsin and most Western leaders all have in common? They are ALL socialists, secular humanists and globalists--working for a common socialist global government--called by Bush and Gorbachev "the New World Order".

A few years ago the "convergence theory" of history emerged. It held that America and the West would move to the political "left", the Soviets would move to the political "right", and you would all meet and merge in the middle as socialists or Social Democrats. The "convergence theory" of history seems to be right on track. Socialist Russia, socialist Eastern Europe and socialist Western Europe are all moving toward merging into one

giant unitary state or federation over the next few years. A massive Soviet subversion and absorption of Western Europe will immediately follow.

REORGANIZING THE USSR

Soviet leaders in the Central Committee, the Politburo, the KGB and the Soviet Academy of Sciences began to conclude over a decade ago that, in spite of the USSR's vast natural and human resources, the country was utilizing those resources in a most "barbaric manner". They have concluded over the past decade that Soviet industry is lagging badly behind the West, especially in controlling wastefulness of materials and energy, as well as human resources. Soviet industry uses two to two-and-a-half times more material resources and one to one-and-a-half times more energy per unit of production than Western countries do.

Gorbachev and the Soviet leaders have therefore called for the reorganization of Soviet society from top to bottom--*but within the framework of socialism*. The "new economic policy" is called "free market" and borrows much terminology from the West, but to Gorbachev and the Soviet leadership "free market" means state and collectively owned property, busi-

nesses still state-run and state-controlled, business or investment profits are still illegal. To the Soviets, "free market" means only that they will trade with you, while to Westerners, when the Soviets use the term, you think the USSR is in a transition to capitalism--no way!

Another example of word/concept manipulation is "liberation theology". The Soviets hatched "liberation theology" about a decade and a half ago, which is a diabolical and seductive use of Marxist-Leninist doctrine wrapped up in Christian/Biblical terminology, doctrines, etc. Liberation theology has been a smashing success for the communists in Central and Latin America, South Africa, and the Philippines. Now they are taking **Marxist and socialist concepts and wrapping them up in free market terminology, concepts, etc.,--to seduce gullible western political and business leaders.**

When Gorbachev talks about stagnation, electronization of industry, opening the country to market economy, democratization of society, etc., he is really talking about getting rid of the corrupt, overpaid, inefficient bureaucrats who are now running the Soviet Union instead of the workers. The bloated bureaucracy is about to be cut away, be-

cause it has lost its revolutionary fervor.

Gorbachev said it very well at the CPSU Congress: "What we see today is not the working class running the Soviet Union, but the bureaucracy--which is satisfied to occupy soft and lucrative positions, but is hardly interested in revolutionary movements, political underminings of the rest of the world, or military expansion of communism. This is clearly stagnation."

Again, "a rose by any name is still a rose." Note that this is what has happened with the Khazarian shift into the integrated system of world domination by use of stealing land, calling themselves "Jews", accusing others who object of being "anti-Semitic" (when none of the ones in point are Semites) and thus on down the line of lies. You are trained to accept a term and definition and then a new idea is thrust upon you and you bite the bait like hungry fish.

Dharma, I would like to close this now for I need you to take a bit of rest prior to the meeting and you only have an hour. Walk gently, beloved ones, for the road is long and the rocks jagged--but it is clearing a bit and you must keep within the balance for the thrust is tedious indeed.

Hatonn to stand-by. Salu.

Hatonn still on duty

10/14/91 #1 HATONN
MONDAY

Peace in the Light of Radiance, Hatonn present.

For the movement afoot in the "NEW AGE MOVEMENT" that Hatonn has had to leave "Dharma", whatever that means, I respectfully submit to you that I am most surely right on duty. I find it extremely amusing, if not factual, to watch and listen. Number one, God nor Hosts LEAVE anyone, anytime, anywhere--human moves from God and not the alternative. Where is it that you would place me now? In the NEW AGE MOVEMENT where you can represent that I sanction your physical behaviors and allow MAN to grant you abso-

lution for your misbehaviors? Not likely, beloved chelas, for it is your business that which you do and our work is far too critical and the mission too great to dwell on your individual opinions of "rightness" of actions. All is right with your actions as you proclaim or disclaim them. The truth is in the actions and intent and you can remain separate from God as long as ye wish. Do not, however, expect sanctions upon your lawbreaking from the Lighted Source who gave unto you the Laws in the first place. Physical intent will not be brought into the Kingdom of God--so be it. You do that which you choose and preach that which you will--I believe if you look about you, however, you have not done such a wondrous job with balance thus far.

Fine Senators at work

How many of you have watched all of the hearings for Judge Thomas? Why not? Other things too pressing? Did you need relaxation, spiritual baths, conference with the trees, a walk through the marigolds? This was the MOST IMPORTANT thing taking place in your nation and you thought it was over Sexual Harassment or something as foolish. That is a daily part of your world which YOU have built and insured functions well to divide you people into separation and ability to "conquer". This display of total evil was orchestrated against one of the highest offices of your nation. YOU WATCHED, AND/OR COULD SEE, THE FRAUD,

DECEIT AND PLANNING IN ACTION. This display was the planned destruction of a good man at the hands of the Elite--A SYSTEM SO CORRUPT AS TO BRING WITHIN AND SANCTION EVIL LIES AND ATTACKS WITH NO RECOURSE. You had better be praying hard that a fine man such as Thomas, even with his blind perceptions, be given a seat on the bench for hearings.

He is a dangerous man now, to the Elite Khazarian would-be rulers and next, they will try every method left, including murder, to keep him out.

See SENATORS Page 4.

All are welcome

All are welcomed into my presence and within hearing of my speakings--beware those who come and make mighty projections and judgements, claiming the speakings not to be judging, and keep you from your responsibility. Oh, you don't like that which another says to you? What has that to do with Hatonn? When God sends speakers--where are you who claim to be present in this locale to serve God? It is not for me that I speak thusly--it is that you ones must ALL and EACH look within at intent whether you be in New York or Goatneck, Texas. There is no difference in the sight of God.

Further, why, if you claim to honor my visitation, do you put God aside and await the wondrous gift of keys to "Free energy", "frequency machines" and thus and so? My message is of God and not to fulfill your earthly physical desires to further separate God from Man. **WHAT IS YOUR INTENT?** Why do you expect me to give you that which you DESIRE for self without even giving respect to God who has allowed you life?

One has come among you in good example--and further, has given the

SENATORS: cont. from Page 3.

This whole thing was set up to "show Bush" and allow you to all see the "control"--You just saw evil set out to "judge" Goodness and you had better pay attention to the "tool" used to destroy--for you had best discern the tool of choice for your destruction.

Now what? Well, for my own proclaimed "workers" I would guess that most of you would now allow Dharma and/or John to write about it and tend it for you rather than having taken the "time" to view the proceedings. Then what do I get? Pressure on my scribe to write quickly so as not to inconvenience formatters of the paper. What in the world do you want of one another? Dharma is totally exhausted and yet she is the one given to attend it all--at my command!

community some nice juicy tid-bits to prattle about and use against you. Why do ones come and why do you who claim to be Godly fall into the trap? There is always the need of a Godly person to reflect that which is Godly and worthy of notice--you serve in the "night" with and call it "helping" another to find balance and direction--pooh, you serve self in a most direct affront to Truth. What you do is your business but what you do while CLAIMING to be a member of my "team" is quite another. If ones wish to find direction, then one comes where the directions are given and the instruction written. You ones are just like Judge Thomas in that you proclaim to be of ME and yet you bring the magnifying glass upon your brethren so that a community can giggle and laugh at your duality of intent. This goes on in every nook and cranny of your planet so this is very much a universal message. It is not enough to sit with pious countenance while the heart is intent on physical self-centered lust for "whatever". Spare me the pain of speaking of it for you do these things one to another and it is not of God.

If one comes unto this "place" to see if they fit and/or can participate and then pull away along with "pulling another, or more", other ones then there is little strength within, is there? You have freedom on your placement and within each to do that which you will--but DO NOT SAY IT IS OF GOD--FOR IT IS OF MAN PHYSICAL. Would it not be more reasonable for ones coming to "experience" and "see if they fit" to attend the resources to find out? How can you find out that which might serve you if you refuse to participate and then spout your views of dissent. No indeed, old friends, Hatonn has withdrawn from no one but constantly ones, who claim to be his friends, distract from him and thusly denounce him and his mission.

Oh I hear it constantly--"Well, I can't work with thus and so"--so, who did you come to assist? Then who do you hurt if you pull away?

Surely it is NOT the one who wanted you to depart anyway! We come to bring the WORD and not to hold your individual hands for my interest is in holding your soul in comfort and directed journey--not your hands or ego gatherings of the physical.

Ones still come unto this place and ask for the keys to the "secrets" and yet take not even the time to read of the passages wherein the key is given! What expect ye? When ye forsake God and/or me--so be it for ye shall be allowed the privilege but what input do ye think ye have when ye return? If ye have forsaken God in the hour or moment of His need, even if be for only a tiny portion, why expect Him to serve you in your ponderings when you have just proven your rejection of Him?

If you prefer the NEW AGE MOVEMENT or Jimmy Swaggart's tutoring then go that path but I suggest you beware the pitfall for I think you will note that as of this very week-end Mr. Swaggart proved his intent with prostitute and facade of expensive automobile, not even registered yet. You ask for mercy and insight? Then I suggest you go forth into communion with God and at least stop misleading your brother. When will you tend of your job equally as you tend of Dharma's? Thus far we have projected the "impossible" and yet you demand more and more and more--even a robot would blow its circuits. Nay, nay--Hatonn has not "left Dharma" as is going about the New Age Community and who is projecting my next stop-over? Who do I serve now? Am I supposed to be serving the new age groupies as the little bunch from Pleiades? How about one of the channels for the little elementals? Perchance Hatonn is now supposed to be speaking at your civic center? I suggest that ones who project this nonsense had best take notice and, preferably, from whence they came from in the first place for the intent is certainly not in the intent of God. Man may serve self until his very death of body but he will not find

peace nor balance--he will forever continue to search and sorrow on the physical plane for it is an illusion with no possibility of finding the elusive golden ring, for the golden ring is attached to a higher dimension and the passage into same is through intent--no more and no less--and the journey is yours to travel.

You ones desire me to capitulation and compromise and sanction your actions and thoughts--no, I will do nothing of the sort. You have the rules and you will do that which you will. I DO NOT, HOWEVER, JUDGE YOU. YOU WILL JUDGE SELF AND THAT WILL NOT BE LIFTED FROM YOUR LOAD OF BURDEN BY ME OR ANY OTHER HIGHER RESOURCE AND IF IT IS OFFERED BY HIGHER RESOURCE YOU WILL FIND THE DARK INTENT WRAPPED QUITE FIRMLY AROUND THE SO-GIFTER. Ah, the adversary packages his plagues in wondrously desirable packages--even AIDS. Then, when it is too late, you call on God and then pronounce God to be at fault. It is your journey, friends, and you are destined to walk it and whether or not you like Hatonn is no business of mine. I would suggest that if the bombardment is so intense as to pronounce that Hatonn has withdrawn from his commitment, then it is that we are making inroads into the evil one's kingdom. Oh, yes indeed--to say Hatonn has "left Dharma" says exactly that message for my service is through her hands and we are nearly finished with the bringing of the word in this manner. It matters not to me that which you take up and believe for if you believe that which drifts through your conscious space and is totally uninformed and refuses to become informed--so be it--who is using WISDOM? You or the manipulator/seeker? He who claims to seek and REFUSES TO SEE OR HEAR would hardly appear the best of guides for thine

See WELCOME Page 5.

Umbrellas in Tejon Pass

I am quite wondrously infatuated at you who are near enough the "Christo" project to take an hour and go see and do not. How do you know but what it is the very work of God? Will you recognize God when He comes? What sign did he say he would send? Are you sure? There are great lessons to be had from that demonstration from the massive size of the dream danced awake to the ability to gain enough brothers to fulfill the project--but most of you make your judgment in ignorance and without bothering to go forth and see. Can you not enjoy the beauty or success

of another? It is only a point to ponder while you are "accepting God's lessons". How many of the lessons do you miss while awaiting the ones YOU EXPECT?? Nope, Hatonn has not gone anywhere and I apologize to you who would wish that I would do so. I also ask you to ponder what will happen herein if I STOP the writing? Will it solve your problems? What will you do? Will it give you more or less to quibble and bite about? What if Dharma refuses to write? Has she not done enough? It will solve all the Editor's problems for they will have nothing to do--nor will the

publisher or distributor for when I go, I take God's work to a worthy placement for the tending.

Yes, you must live, work and participate in the physical world just as it is presented unto you--will it be better for having had you pass the way? These are points which must be confronted by all and each across the planet and I believe you know that there are many other placements wherein God and Hosts are now welcomed with open, desiring arms and hearts. It is sad when ones are gifted and the gift destroyed, battered and found unac-

ceptable.

Dharma, allow us to go on with the outlay of the information regarding the Soviet Union so that your brothers can glean truth in presentation. AT this time the facts are hidden behind the distractors of the Elite while your nation is betrayed on other fronts in full intent.

Operation "Watch Tower"

A point you ones are missing, and one which I made months ago is that which is continuing to go on in Panama with massive narcotic traffic. You don't have to listen to me to hear it--listen to what they are telling you at the Noriega trial while a deliberately programmed woman defiles truth regarding Thomas. This is a simple little projection of very simple brain programming which is done every day of your lives from UFO sightings and abductions to what you just witnessed. Anything can be placed into an open data system and it is nothing to pass a lie detector test even by the most adept performer of the testing equipment. If the mind is given to BELIEVE that which is projected--it is factual

to the individual involved. The enemy (adversary) simply knows how to use the tool for instant purpose and look at the rest of you--miss the point of the entire scenario while you effort to see WHO is lying when neither is lying--only falsely programmed to fit a need of the manipulators and you all fall into the trap-pit. Are ye not overwhelmed with pride and joy as you witness one Ted Kennedy sitting in judgment of a fine black man who reflects the finest of his race? Is not that image presented on your screens disgusting to your very senses? Or, did you watch the ballgame? Where is your interest in your own survival?

Back to the cover-up called Watch-Tower. This was outlined in the late 1970's. Well, right now, this is about to blast off the lid in the Noriega trial. For months a massive effort has been thrust forth to hide facts of this operation by buy-offs of informers, etc. But you see, the Elite want to now pull down Bush and it will get ugly beyond your comprehension for Bush CAN'T PLAY BALL AS HIS HANDS ARE PRETTY WELL TIED BY THE OPPOSITION--A VERY BAD SITUATION FOR ANYONE, DEAD OR ALIVE.

In February of 1976 there was an

operation (mission) Watch Tower. Thirty high-performance aircraft landed safely at *Albrook Air Station*. The cargo flown from Columbia into Panama was cocaine! The cover-up has been massive in effort to cover-up the U.S. and ISRAELI MOSSAD involvement in drug trafficking through Panama--and it continues to take place **right now and right under the noses of the Establishment news media at the trial of former Panamanian strong-man Manuel Antonio Noriega in your Federal court in Miami, Florida, USA.**

Watch Tower is an operation directed by the CIA using Army Special Forces operations that established three electronic radio beacon towers extending from Bogota, Colombia, (yes, for you readers who have inquiring minds--I wrote about this in detail some months past but I must repeat some things for new readers so please be kind), northeastward to the border of Panama. Once the Watch Tower special action teams (SAT's) were in place, the beacons were activated to emit radio signals that aircraft, carrying drugs, fixed on in order to fly undetected from Bogota to Albrook Air Station in Panama.

Oops! On September 24 (1991), Noriega's attorney attempted to in-

troduce as evidence in the case a photograph taken in December, 1983 at a meeting in Panama between Noriega and then-*Vice President George Bush*. **HOWEVER, THE PHOTOGRAPH WAS REJECTED AS EVIDENCE BY JUDGE WILLIAM M. HOEVELER.**

As questioning was underway regarding the pictures, etc., Judge Hoeveler refused to allow the attorney, Rubino, to continue questioning.

CUTOLO AFFIDAVIT

Col. Edward Cutolo, who was within the mission, wrote an affidavit and it was made public in March, 1980 because he expected to be killed. Surely enough, Col. Cutolo was killed in an "accident" during NATO maneuvers.

In his affidavit, Cutolo stated: "During the February, 1976, "Watch Tower" mission, 30 high-performance aircraft landed safely at Albrook Air Station where the planes were met by Col. Tony Noriega, who is a Panama Defense

soul. You see, I HAVE FOUND AND THEREFORE I KNOW! WHO IS YOUR GUIDE? TO WHOM DO YOU ATTEND? PONDER IT MOST CAREFULLY--ESPECIALLY YOU WHO CLAIM TO SERVE THINE BROTHER, NATION, PLANET AND GOD FOR THE FACT THAT YOU SERVE ONLY SELF BECOMES MOST EVIDENT TO ALL WHO WITNESS.

Right on Soviet cue-America is Naked

Right on Soviet "cue" the bunch of traitors has left America totally naked to attack. With one surprise stroke Dictator/King George dismantled much of the formidable defense establishment it took the U.S. half a century to build. He did this without consulting the Congress, let alone the wishes of the American public. No one seemed to notice nor give a damn. Only that tiny handful of traitors who are his advisors were in on the secret up until Bush unveiled his unilateral disarmament scheme on national television September 27 (1991).

Shortly before his Friday night coup the President telephoned several European heads of state and, of course, Mikhail Gorbachev, his Soviet counterpart, and Boris Yeltsin, (which should tell you directly from whom came the orders for such a thing).

Bush made it clear he was acting once again in quest of the "New World Order" and so stated same. He was careful not to use the same "phrase" for the actual phrase was first invented by President Wilson and his Marxist advisor, Edward Mandell House, as they took the United States into World War I.

This fits right in with the series of writings on the Soviet Union now under way in this paper.

WHAT WERE THE ACTUAL ORDERS?

1. Destruction of the entire U.S. arsenal of short-range tactical nuclear weapons deployed primarily in Europe.
2. Elimination from U.S. Navy attack submarines and surface ships of all nuclear weapons, including nuclear cruise missiles.
3. Removal of all U.S. strategic bombers from alert status and stripping them of their nuclear weapons which are being placed in storage.
4. Terminate plan to deploy MXI-CBM missiles on railroad mobile

launchers (where they already are).

5. Stand down from alert all ICBMs scheduled for deactivation under the START treaty signed by Bush and Gorbachev at the Moscow summit in July.

6. End the mobile Minuteman missile program.

The worst part of this is that you have no way of actually knowing how long these plans have been unfolding for the false coup in the Soviet Union was only another step in the plan.

Note that these cuts have come on the heels of other sweeping cuts in the U.S. Armed Forces, which includes scores of base closings and renovation for (holding/incarceration facilities for "troublemakers"--to "relieve the prison/correctional congestion"). This also includes moth-balling of some 100 Navy ships and shut-downs of major Navy yards plus sharp reduction of American military personnel. Moreover, Cheney has revealed that well over 70,000 civilian jobs are being eliminated by the Department of Defense in an already over devastated employment scourge.

Beyond these devastating cuts and Bush's destructive new slashes in the U.S. strategic forces, the President pledged a dangerous acceleration of the START provisions.

Rather than waiting for the treaty's reduction plan to run its full seven-year course, "We will accelerate elimination of these (ICBM) systems once START is ratified," he promised in his TV speech.

Meanwhile, the Soviets continue monumental building up and shifting of massive numbers of military equipment into shelter behind the Ural mountains.

While the Soviets continue to increase the massive magnitude of their Space weaponry you have just admitted that you have NONE.

Your own Defense Intelligence Agency person, Thomas Krebs, stated over a year past: "The Soviets have deployed 50 killer satellites capable of sweeping every U.S. and NATO military satellite from the sky in a single week." And that doesn't even take into account the thousands upon thousands of Cosmosphere platforms already out there.

You are in such massively unprotected state, dear ones, that it has no matter whatsoever to you as to what actually has happened again at Chernobyl. You are wide open and overdue direct and immediate attack and you still believe the good old "government" is going to raise the bugle and ride to your rescue--**THEY ARE THE ONES WHO ARE YOUR ENEMIES.** Every nation involved in this massive buildup of destruction, including Is-

rael, has massive and individual underground security bunkers for the population--**YOU HAVE NOTHING! AND MOREOVER YOU SEE THE DIRECT ATTACK BY THE KHAZARIAN ISRAELI FACTION IN OPEN FORUM IN YOUR OWN GOVERNMENT.** Dear ones, Sen. Biden who Chairs the committee hearing for confirmation of Thomas is **ONE OF THE LEADING PRO-ISRAEL FIRST LEADERS.** You are watching the direct attack through and by the Israeli special interest groups and massive input by the Israeli Lobby into the direct act of destroying your Constitutional form of government and everything else that is "freedom" in your nation and you twitter over the "naughty" words utilized. Oh, brothers, your nation is sick unto death and you cannot seem to see.

PANAMA: cont. from Page 5.

Force officer currently assigned to the Customs and Intelligence Section. Noriega normally was in the company of other PDF officers known to me as Major Diaz, MAJOR LUIS DEL SID (who is testifying AGAINST Noriega after payoff by CIA) and Maj. Ramirez. Also present at most of the arrivals was a CIA agent (name deleted for protection) and an unidentified male Israeli national.

"The male Israeli national was identified and known to members of the 570th Military Intelligence Group in Panama who only specified that this individual had the authority from the U.S. Army Southern Command in Panama to be in the area of operations."

This Israeli national was Michael HARARI, whom I just recently told you had informed Bush about the death contract put out on him (Bush) by the Israeli Cabinet (Government).

Harari has been very carefully shielded and yet he had revealed that CIA director Stansfield

Turner and former CIA Director George Bush are among the VIP's that shield Harari from public view. Boy oh boy, can you not see why your President must have Gates in that slot of head of CIA to keep this thing from blowing you off the map?

Bush personally saw to it that Harari was removed from Panama at the time of the wondrous "invasion" during your Holiday Season (Operation Just Cause), 1989. This was another Bush maneuver to which you all bowed and scraped and hung yellow ribbons about the trees.

Harari was caught in Panama when U.S. forces invaded Panama and immediately the Mossad chieftain was brought into security and flown secretly from the Tocuman Air Terminal in an Israeli-marked C-130 (U.S.) AFTER the U.S. military had taken over the airport.

Harari went directly to Israel.

Soviet strategies for the 1990s

Let us continue with the Soviet outlay. Since 1917 the communists have hated nationalism and nationalists who stand for strong national entities as opposed to the international order sought by the communists. According to the socialist-communist ideology, nationalism hinders the development of socialism and eventually communism, and is counter-internationalist. From the '60's to the '80's, nationalists in the Baltic States, Byelorussia and Ukraine have been under incessant attack by the communists.

However, with glasnost/perestroika, the situation seemingly changed. National symbols such as flags and other objects were suddenly allowed. Literally overnight, people turned to the old national emblems, parading them in front of the communists as if they had won the battle for national survival. The nationalists in the Baltics and other republics exposed themselves and left no doubt as to who they were. This bringing potential enemies to the surface was the main goal of the CPSU. Over the past few years, the Soviets have allowed nationalist opposition to emerge, and have then turned around and infiltrated it, financed it, and taken it over. The Soviets are masters at creating or taking over their own opposition and it works in the "fooling fields" every time. They did this very same thing with Solidarity in Poland, the New Salvation Front in Romania, and with Shevardnadze and Yeltsin in the USSR. Much more advantageous than destroying their opposition is to create or co-opt it so they can use it for their own purposes--just the same as what is happening to you in massive sweeps daily in your own countries of the so-called "free-world".

You hear a great deal about the "hardliners" versus the "reformers", or the "conservatives" versus the "liberals". Western leaders, like Bush, and the Western media describe the "hardliners" (conservatives) as unrepentant communist hawks, (such as the "gang of eight of the coup"); and the "reformers" (liberals) as lovers of freedom,

democracy and free markets. That includes Gorbachev, Shevardnadze and Yeltsin as the "three musketeers".

In reality, both groups are hardcore Marxist-Leninist communists/socialists. They are hellset on Soviet world domination or conquest. They simply disagree on the most advantageous method for your destruction. The "hardliners" would bludgeon you to death with an ironclad fist; the "reformers" would strangle you with a velvet glove--the result is the same--**YOUR DESTRUCTION**. The quarrel between the so-called conservatives and liberals is over methodology--not results or the final outcome. The reformers believe you can catch more flies with honey than vinegar and certainly you find all of you eating of the honey--while expecting to be whisked to higher streets of honey and milk right after a wild ride aboard a fluffy cloud.

Gorbachev is widely described as a reformer, a liberal, and a lover of democracy. And yet, in Dec. '89, he said: *"I am a communist, a convinced communist. For some that may be a fantasy. But for me, it is my main goal."* He even repeated this following the "coup", on television for all the world to see and hear!!! He had already said, in 1987: *"In our work and worries, we are motivated by those Leninist ideals and noble endeavors and goals which mobilized the workers of Russia seven decades ago to fight for the new and happy world of socialism. Perestroika is a continuation of the October Revolution."*

That same nice Mr. Gorbachev, described to the West as a lover of democracy and freedom, said in November of 1987: *"We are moving toward a new world, the world of communism. We shall NEVER TURN OFF THAT ROAD."*

Then in June, 1990, this wonderful "reformer" said: *"I am now, just as I've always been, a convinced communist. It's useless to deny*

the enormous and unique contribution of Marx, Engles and Lenin to the history of social thought and to modern civilization as a whole."

Gorbachev, Shevardnaze, Yeltsin, and the reform wing of the CPSU are dedicated communists; they hate the American and other Western "imperialists", and they still believe in the inevitability of the communist conquest of the world, but they believe a different strategy is presently needed for success. They desire to discard the old strategy of "hardline" as a method of confrontation, divide and conquer, making enemies and instead, adopt a strategy of cooperation, of embracing the West, making the West friendly to the socialist world, and eventually they intend, through subtlety, deception, infiltration, subversion and manipulation, to "absorb" the West. Western Europe will be the first to be so totally absorbed while you in America are still being massaged, wined and dined into alignment.

The reformers want to incorporate their new thinking into the world thinking process in order to ultimately control world politics. They want the economy of the world to be integrated with the economy of the Soviet Union. They fully plan to take over the world the way the AIDS virus takes over the body--slowly, subtly, surreptitiously and irreversibly.

It is important for the West to understand that Gorbachev, Shevardnaze and Yeltsin (the reformers) are just as dangerous enemies to your survival as that "gang of eight" (the hardliners). In fact, these "reformers" are far more dangerous because they have caused you of the West to take down the barriers through lowering its threat perception.

Dear old Brutus did the same to Julius just before he stabbed him, i.e., **Better the enemy you can see and defend against than the enemy who comes to you as a friend. How many come unto even mine own placement and project thineselves as "friends" and then stab me in the backsides as well as the back of my servants?!!**

These "reformers" will tell you what you want to hear--they will talk about democracy, free elections, free markets, multiparty systems, freedom, independence, religious piety, humanitarian intent and thus and so--while giving these very words their own Marxist-Leninist evil twist or meaning. **If you are strangled by the hand in the velvet glove and the golden cord instead of being bludgeoned by the iron fist--YOU ARE JUST AS DEAD!**

Let us have a rest break please. Thank you, Hatonn to stand-by.

In the wondrous beauty of this gifted day, I am Gyeorgos. Does this make me different from Hatonn? I thought you might get my point. A rose by any name is a rose. But if it makes you feel better for identification, so be it. I am just your old friend, or enemy, George! Ones doubt my validity as through this scribe any longer? Come now--does TRUTH hurt your

feelings so very much? You have denied God since your creation--it matters not what your conscious opinion might be.

You are not sure of what you think of "Hatonn"? Who cares? Does Hatonn bring TRUTH or lies??? Better check on this one most care-

New Soviet federation

You are being told that the USSR is collapsing. That is NOT true. It is being disbanded by the Soviet leadership in favor of a new, updated, cleaned-out federation (union) to be called the UNION of Soviet SOVEREIGN Republics. This restructuring (not disintegration) of the USSR, unlike the Western controlled media and the Soviet disinformation sources tell you, has been on the drawing boards since long, long before Gorbachev came to power. The USSR has been referred to by those ones as "the Empire" and the immediate change and purge has been in active, up-front readying since the 1970's.

The leaders of the Soviet Union at that time began to realize that the present form of the Soviet Empire was archaic, inefficient, and counter-productive to further global expansion, except in remote areas of the world not contiguous to the USSR. In one sense, the Western policy of "containment" and the advent of NATO in the 1950's had been reasonably successful in restricting the USSR's European growth beyond Eastern Europe and the Soviet Republics. Just as slavery in the old American South had become unprofitable, not productive and uneconomical before the U.S. Civil War, so the Soviet Empire was seen over a decade ago to need deep reform in its imperial structure.

Keep in mind Lenin's admonition: *"We advance through retreat."* The apparent demise of the Soviet Empire will speed the dismantling of NATO (you see it daily in operation); Western Europe's and America's military structures will be dismembered in the new *"era of peace, death of communism, end of the Cold War and collapse of the evil empire;"* and the USSR's long-term goal of the neutralization of their western flank--preparatory to the absorption of Western Europe, politically, economically and militarily, will have been accomplished.

For you ones who inquire about the

rockets just blasted off within the past few days from the U.S.: It is one more futile attempt to make inroads into space but you are not allowed a foot in the door even with satellites (unless the Soviets also desire to utilize them), for the point will be to cause you to have to use theirs. You are very definitely witnessing the tearing down of your technology front and the closing down of those industries which could cause affront to the USSR. Your industries are moving out and away from the U.S. and into placement to be taken over entirely and merged with the Soviets under the guise of the Global Government through the U.N. The only point left then will be breaking the backs of the American citizenry and you are already all but helpless. When they confiscate your guns you will know it is over. It will never be allowed to be shown to you exactly what happened because they do not want rebellion--only submission. They have WON the PHYSICAL WAR, brothers--WILL THEY WIN THE SPIRITUAL WAR ALSO? WILL THE LAMP OF FREEDOM BE TOTALLY EXTINGUISHED FROM THE FACE OF THE EARTH? SO BE IT.

It is essential that, as the New Federation replaces the old union, the new be seen to be made up of sovereign, independent states, democratically oriented, with multi-party political systems and free market economies. That will be the perception, as it is today in Poland, Romania, Nicaragua, etc., but it will NOT be the REALITY. The rhetoric will be "free-market" and "democratic", as it is in the Soviet Union this day. But the REALITY is that the Soviet military and the KGB, by whatever new names they choose, through a series of treaties with, infiltration and subversion OF, and economic pressure ON the so-called "sovereign independent republics" will continue to maintain control of those republics absolutely.

fully! I further suggest that no one make a statement until you have studied ALL of the material given unto you through this route of friends. Your problem is not whether or not we are somehow REAL or ILLUSION--IS THE WORD NOT CORRECT? Squirm all you like for I believe you will find that the false teachers are falling one following another (of erroneous religions) and this WORD stands strong and valid. It is the WORD to consider and not that which brings the WORD. If evil Chief Adversary brings the word and it be truth then take that truth and use it wisely for Truth will stand on its own merit into infinity--that of the physical projection passes very, very quickly away.

Because my scribe has two major "court" sessions regarding the property tomorrow and Thursday, I must move on quickly so that the paper will not be delayed. Since all things going on at present in your public domain are relevant then I shall effort to get as much to you as quickly as possible. I appreciate my brothers who are also sharing in the incidental truth of cover-ups for it is through those routes that you have confirmation. Blessed are ones who risk it ALL in these days in order to reclaim that which is your heritage. Blessings, indeed, are given unto them. And to those who work endless hours to see to it that the word goes forth--there are no words worthy of our appreciation.

The "court" situation will merit much writing with which you will need to become totally familiar for we are now going to start blocking the "Admiral" on the bench and the adversary from the pit. Will we win? How can we further lose? It is most difficult to change a pattern so set and tried. What we do is move jurisdiction before we capitulate--it is still a Constitutional right because a "Federal" representative is among the fray. That is how Mr. Horn got jurisdiction moved to Federal Court in Washington D.C. in the first place--so I believe this is a game for the "Big Boys"! What

have you to lose? A house? Come now--no house is worth a tinker's damn when you align it alongside your "freedom" under the Constitution--NONE.

The point will be to effort to simply kill the Ekkers--Oberli, it is already attempted for the problems with the axles and wheels of the coach are not accidental. I allowed you to find this out on your own for I knew I could move with you and protect through warning via the gas line. I'm sorry, brothers, but the game gets more and more rough and deadly so please do not take reckless activities. God travels with you but YOU MUST HEAR HIS CALL. So be it. I sincerely hope that all interested parties simply go with you to the 8:30 A.M. hearing on the morrow, most especially the paralegals--it is worth the cost of overnight facilities for a day or so, please. See if Mitch and Dave can join you, I also ask that Ed (Father) attend in uniform but I ask that you and Dharma travel alone for I wish no one else in jeopardy, please. As many as wish to attend court may feel free to go--it is a time of standing forth with your hand and foot to the "square" even if it annoys the judge in point. He should not have trouble with such an arrangement if he is honest and judicially "just". If he is not--then it matters not.

If ones cannot come, then it is fine for there will be greater opportunities to serve later--BUT, you are going to need to have all these paralegals having observations and training if you intend to ever get your system turned about. So be it, I leave it in your hands. Work it out however you see fit as the scenario unfolds, for in this case to "lose" and have that inspection is the most beneficial course at any rate. As they push harder and harder against your rights, the deeper the mire which is noted publicly. However, Horn can plant anything he can carry on his outside person and that includes the worst of all, drugs and/or micro-chips and/or dots. Peace in the Light of Radiance, Hatonn present.

REPUBLICS: cont. from Page 8.

You continually fail to witness the great design underlying the Soviets' (Moscow's) new imperial policy. This refusal to see leads to the misunderstanding of the Soviet European policy, because, since the launching of this so-called perestroika, Moscow's European policy has become a continuation of Moscow's great imperial design.

It is most essential for you to realize this type of strategy. For Moscow, the saving of the empire rests more and more on the domination of the international community. When Moscow's influence (the Kremlin), or even the domination of leadership on Europe is fully established, the Baltic's quest for independence will be irrelevant, or at least seem so.

The political Elite saw the need for restructuring and reorganizing the imperial empire well over a decade ago but the process was delayed for various reasons, until now. The real conflict between the reformers and the hardliners is explained through this knowledge. You must understand that they are not only efforting to purge, reorganize and restructure the Communist Party and Soviet system in order to save and strengthen it, but the entire empire as well. This is also essential to bring, through seduction, Western Europe into integration and merger with the new "democratic" Soviet Federation. This is simply a "con game" with sophistication and complication which simulates a Robert Redford/Paul Newman plot. The Soviets are the games champions (mental--i.e., chess) of the world and are well indoctrinated in the intent of world domination.

The upheaval in the Soviet Empire is simply the next step to arranging an all-European integration. This was outlined and pointed out in CPSU Congresses by Gorbachev since coming to power in 1985: *"This is possible only with a radical change of both West-European and East-European political systems. All-European integration is conceivable only if an homogenization of the political structures of East and West takes place."*

You are now seeing the merger theory in a European context FIRST, then globally--including the U.S. You will witness the European integration and yielding of individual sovereignty to the European superstate within 1992 under Euro-socialists in Brussels whereby the European countries will merge.

In order to achieve this hegemony over the political processes in Europe, there had to be a legitimation (democratic in nature) of the Soviet Empire with the ratification of a new Union treaty by so-called "elected" parliaments. This had to be accomplished, for without this "democratic legitimation" of the Soviet Empire, the building of a "European home" would be unthinkable and could not be accomplished.

FORM AND SUBSTANCE OF
THIS NEW EMPIRE

It is good to study the proceedings and speeches of Gorbachev, Yeltsin and others of the leaders in the Congresses of the CP of the Soviet Union in 1981, '86, and '90. One can then see that they have been talking about and planning for the New Federation since at least 1981.

I am given information that the Eurasia Research Group, 2460 South University Blvd., Denver, CO 80210, has translated, analyzed and published these speeches and proceedings of these Congresses as well as books, publications and other materials over the past several years in a series of Pantalogues which are made available to research groups throughout the free world who wish to do further study on current developments in the USSR. Subscription rate is about \$100/year for monthly issues. This is excellent information and comes directly from Soviet publications, etc. I will not ask my scribe to bother with the information for I only wish to hit these topics and you are the ones to glean the meat from the material. Mine is to call attention, give information and you will find your own confirmation, for my scribe is not here to spoon-feed a population of sleepy dreamers. I greatly honor those who bring Truth to you through their

newsletters and other resources; I do not need to duplicate such. I find that the prime information and confirmations of what is actually "what" comes from the works of McAlvany and Coleman. These ones consistently print TRUTH and are given into great INSIGHT! I do not totally agree with the perceptions of investments or just where the economy is moving. That has nothing to do with TRUTH OF THE WORLD CIRCUMSTANCE, WHY AND HOW IT HAS COME TO DEVELOP AS IT HAS.

ELEMENTS OF THIS
FEDERATION--RELATIVE
TO REPUBLICS

The New Federation or union will include some elements in regards to the current 15 Soviet republics which are as follows:

* Under the new union, each republic will seem to have more independence at the **cultural and economic level**, and will "appear" to be an independent multi-party democracy at the **political level**, and will still be under the military influence or domination of the Soviet Union at the **military level**. The so-called "sovereign" republics will "seem" to be more free and more independent than they are.

* Each of the 15 Republics will have a vote in the UN whereas only the USSR, the Ukraine, and Byelorussia have had votes since its inception. So you will have potentially 12 additional votes AGAINST America in the United Nations.

* The huge Russian Republic, now under Yeltsin, will have more power in the new arrangement and will appear more like Germany during your World War II. It will dominate the New Soviet Federation. In the early stages of the New Soviet Federation the Russian Republic will actually be portrayed as equal to the other republics. This is a very large charade to fool all of you people all of the time.

* This New Federation will be established as it appears that the present Soviet Union is dissolved. This New Union will be called the Union of Soviet Sovereign Re-

publics.

* The republics will be made to look independent and sovereign, will talk about and actually move to a more free-market economy and appear to have much more freedom. They will be totally contained and controlled by the same military and security service of the KGB by whatever name.

Treaties between the USSR and many of the republics, tying them right back to the Soviets, are being signed as we write or are already consummated. As per Lenin: *"A treaty is a means for gaining strength."* For instance, the Ukrainian leadership declared independence and immediately turned around and signed a TREATY OF MILITARY AND ECONOMIC COOPERATION WITH RUSSIA.

In other words--they seemingly withdrew only to come immediately back under the New Federation. This is "fake" "sovereignty". In fact, recently the Ukrainian parliament "reformers" were recognized as a *group of phonies who actually support the Communists*. This will be the pattern for all republics.

* The "sovereign, independent" republics will be allowed to have so-called armies. What a laugh for these will be tiny little insignificant forces under total domination by the massive Russian military. These will function like little militias on the local scale to enforce the orders of the bigger war-lords.

There will be much chattering about multi-party democracy but most of these parties will be simply Marxist-Leninist with new labels, controlled and manipulated by the KGB.

* The sovereign republics will have more freedom on the surface, but will still be imprisoned within the Soviet walls. "Sovereignty" is only semantics and at any point it has no meaning relative to that which it means to you. To them, at its best, it only means PARTIAL independence and always has meant

See REPUBLICS: Page 10.

REPUBLICS: cont. from Page 9.

this. There will be total infiltration and subversion within the Republics and this will insure rejoining, for the economic pressures will also continue to be great.

EXPANDED SOVIET
FEDERATION

The plans are for great expansion of the New Federation beyond the existing borders of the USSR.

The New Soviet Federation is designed to pull Eastern Europe into the Union. This will be accomplished by a series of economic and military treaties already under way. Note that Israel is ready to "sign a treaty" with the USSR right now, as are other nations such as Germany, etc. Soviet influence in the former East European satellite countries is still very strong. Consider, for instance, Romania which is a country of some 24 million people, all save 4 million adults are communist by label. The ruling party, the New Salvation Front, is communist and the secret police of some 49,000 members, is communist--therefore, is it not reasonable to say that the Communist Party controls Romania?

The New Soviet Federation is designed to eventually encompass Eastern Europe and "eventually" means within the next couple of years. ALL by no later than being operational by year 2000. This will encompass, in addition to the USSR and Eastern Europe, Cambodia (Kampuchea), Vietnam, Laos, Mongolia, a United Korea, and the Peoples Republic of China along with Afghanistan, etc., So note that the grand design of the Soviet strategists is in giving up the present antiquated, stagnant empire, and the outdated ineffective Warsaw Pact, to pull together a far greater voluntary Marxist-Leninist dominated federation encompassing over a billion and a half people. This shows "advancement through seeming retreat".

Another group of countries in the region of the Indian Ocean Rim will be brought into the New Soviet Federation a bit later. Those will

include Iraq, Iran, Syria, Lebanon, India, Sri Lanka, the Philippines, and Indonesia.

The most important part of the New Federation is to get the other socialist countries to join. The goal is like your IRS system, *voluntary*--voluntary membership under communism or Marxism-Leninism ("Social Democracy", if the word "communism" is abolished, which is planned). The cement which will ultimately bind together the pieces of the New Federation is ECONOMICS and SOCIALIST IDEOLOGY. SOVIET MILITARY POWER WILL ALSO INSURE THAT THE UNITY IS ESTABLISHED AND MAINTAINED.

The adversary never sets timetables into concrete for that would place them at disadvantage by giving warning through activities expected. You can, however, tell by that which is currently transpiring that much of the New Federation's internal restructuring will be accomplished and workable within the next couple of years on the "outside". The external expansion of the New Federation will be far advanced within this dwindling decade and the *fait accompli* within a mere three to four years. Your government is in full integration and working stride with them. Now, tell me who is the traitor and treasonist in the equation of your beloved nation--we who effort to awaken you or those who have betrayed your wondrous nation and you-the-people?

In the Soviet Union, dear ones, "capitalism" is NOT defined as peace, democracy and social progress. These definitions are sort of stuck out there for your disinformation to mislead you into misperception--deliberately. Soviet developments are currently precisely in line with the reorganization of the country in order for it to achieve a better opportunity for expansion, without the world taking note of the evil outcome.

It was stated at the 1990 twenty-fifth Congress: "...the USSR is in a *transition from a unitary state to a friendship of nations.*" This friendship of nations will comprise hundreds of millions of people not

now in the Soviet Union and a greater number of nations also not now in the USSR. You are witnesses today of the birth of a new socialist-communist conglomerate which will be far more potent economically, politically, and militarily than the Soviet Union of today. In countries ruled by monarchies, when the King dies, the cry goes up: "The King is dead--long live the king" (this means the new king). So, in the present case it is relevant to say: "The empire is dead--so, long live the empire." This, of course, means the new expanded empire."

The continuing contest between the East and West is simply a giant game to these manipulators. The ultimate goal of this "match" is to checkmate the king--which is America. But the intermediate goal is to take the queen--which is Western Europe. Once the queen, and perhaps some of her bishops, rooks, or knights have fallen, the king (America) becomes vulnerable. It is only a matter of a little time until you fall. In the meantime, if the Soviet chessmasters have to sacrifice some of their own pawns, rooks, or knights, such as the Baltics and some of the Soviet Republics and a few Eastern European countries, so be it. The present sacrifice is worth the ultimate prize. In this match however, the Soviet chess masters plan to get all, including their own pawns, rooks, bishops and knights, right back.

SOVIET MILITARY BUILDUP

You can't seem to understand the situation. Let me quote your own

General Colin Powell whom you seem to adore: "*Even with the START Treaty, you (the Soviets) will have the ability to destroy the U.S. in thirty minutes.*" -----!

Gorbachev: "*The effectiveness of our foreign policy is secured by the might of our country, the component part of which is our armed forces.*"

Even with the political shakeup which is taking place in the Soviet Union, the mammoth Soviet military machine remains intact and virtually unchanged except for its increasing size and strength. The KGB will be moved under the Soviet military command, or so it will appear, which hardly means a diminishing of the role of either organization. The Soviet army continues to have over 5 million men, 250,000 or more Spetznaz commandoes and over 1.5 million KGB soldiers and/or operatives. They still have a five to one conventional military lead over America and a five or six to one strategic nuclear lead over America. They continue to have over 20,000 nuclear warheads targeted on America. *If the "hardline" coup had been for real, the Soviet military could have launched those nuclear missiles against America, and you have zero defense against them. You cannot stop even ONE of them regardless of who is in charge--hardliners or reformers!*

Let us have a break. I believe if we do another writing this day then the paper will be set and we can turn our attention to other urgent matters. Thank you. Hatonn to clear.

Military education/indoctrination

10/15/91 #2 HATONN

Since the Russian Revolution, the Soviet Union has considered military power as the most important force to protect the gains of socialism. Soviet military forces are educated to conform with the most recent theories of "scientific communism" and their armaments are updated according to the most recent developments of the sciences. Unlike the soldier in Western countries, the Soviet soldier does not

serve his country first, but swears and owes his first allegiance to the Communist Party of the Soviet Union. It may be quite shattering for you Americans to realize that you do not serve your nation either--but rather you honor whatever and whenever the unilateral decision of the President of the

See MILITARY: Page 11.

MILITARY: cont. from Page 10.

U.S. decrees. It has nothing to do with honor, integrity, freedom or nation. You cause your soldiers to commit heinous acts of terror and bloodshed of innocents and call it by false names and missions. I think perhaps the allegiance to the actual truthful evil is more honorable, for to serve evil and proclaim it serving God is unthinkable to higher energy forms. In this latter instance the soldier has no notion of that which he serves. By the way, this same Soviet concept carries right through to the Communist Sandinistas in Nicaragua or anywhere else on your globe. It has become the "freedom fighter" who no longer fights in the name of God and country but rather serves an Elite hierarchy of politicians, drug dealers and global assassins.

To control and teach the ideology of communism, commissars and political leaders are attached to each military unit. All Soviet men undergo training and serve in the army. The training, aside from martial arts, strategy, and operation of the different types of armaments, involves a heavy dose of political and patriotic education. During World War II (the great patriotic war) all education and propaganda was directed against the Nazis. This was done with full knowledge of the Khazarians who aided and abetted the cause of Hitler in the oppression of the "Judaists" by means of the conduit of the Ashke**NAZI** so-called "Jews". Deceit has no bounds my dear ones, when the goal is the "world". With the "death" of Nazism, the Soviets retrained their sights from German Nazism and Japanese militarism to American imperialism--yes, I said "imperialism". Unfortunately, in spite of the current flagrant disinformation, you Americans remain enemy number one and the basic education of the Soviet soldier is directed at proving his superiority over the American soldier. This is because in every respect YOU still represent the "Christian" masses and they proclaim themselves "atheists" which by any definition means anti-God/Christ.

Since World War II, the Soviets have had 46 years to develop an incredibly sophisticated, comprehensive, and exhaustive system of political indoctrination. It begins with children at 5 years old and up through young adults both inside and outside of the schools. The two primary organizations for this indoctrination are Komsomol (the Young Communist League) and DOSAAF (Voluntary Society for cooperation with the Army, Air Force and Navy).

While Komsomol is instrumental in political indoctrination, DOSAAF is the most important organization in preparing the Soviet youth for war. Note that you are at further disadvantage for you have no way to know that which is said to or of you in Russian. The Russian student on the other hand is commanded to learn English or he is sorely disciplined--it is a basic part of his training. You, on the other hand, cannot carry on even the briefest informational foreign language. This indicates that the plans can be unfolded in the very front of you in full hearing and you haven't the vaguest idea of what is being transmitted any more than you understand the pulses I send to Dharma's receivers. I have literally had complaints that I am a liar because I don't even get my initials straight in dubbing the organizations. Please, there is nothing wrong with my translation but you had best consider yours.

DOSAAF operates under the Military Division of the Central Committee of the CPSU and the Ministry of Defense of the USSR, and does the compulsory premilitary training of all young men and women between the ages of 16 and 18. Most of the young population of the Soviet Union retain their membership in DOSAAF. In 1988, DOSAAF's membership exceeded 107 million people and there are no current numbers but you can be sure it grows by leaps and bounds.

In the Soviet Union, the political education of the entire population, but especially of the army and draft or pre-draft age youth is of paramount importance. It is strongly believed that only a soldier

who has been politically indoctrinated is ready to fight and perform heroically in the defense of the Socialist State. Typical of the kind of anti-American political indoctrination, the entire youth of the USSR receive from age 5 to 20 is the following quote from General M.I. Druzhinin, a leader in DOSAAF education: *"U.S. imperialism has unleashed a previously unheard of arms race. It insolently rattles with the most barbaric arms of mass destruction. It aspires to squash, with its power, liberation movements and peoples fighting for peace. It threatens to drag humanity into a destructive conflagration of nuclear war. It is capable of burning to ashes the entire civilization on our planet....."*

"It is not in vain that the Soviet Armed Forces are not only the proven sentinel of our Motherland, they are also the guarantors of peace on earth. Were our army and navy not as mighty as they are, were they not in possession of such a fighting potential representing in themselves a perfect mixture of high technology, military mastery and invincible moral spirit, the reactionary imperialist circles, especially the United States of America, would have long ago attempted to perform aggression against the Soviet Union and other socialist countries in order to realize their black reverie--the destruction of socialism as a political system."

"Now it is common knowledge that in the immediate past American presidents have approved plans of nuclear attacks on our Motherland, and not just once or twice. These plans have had code names, "Trojan", "Dropshot", etc. Only the Soviet soldiers' mighty power of retaliation and the readiness to answer the aggressor's blow with a destructive blow, have torn apart their fanatic plans."

I really wish I could say that the latter paragraph is untrue--it is not only true, it has been attempted right through this very month in this, your year 1991. Can you not just picture that which would happen in the U.S. if this should ever get off the ground through your insane leaders? Well, they tried again to launch sensor satellites this very

week--ask NASA! See what they say in Houston, Texas!!!

Recently, the trend to inject more political ideology into the armed forces has become even stronger. The reason given is the crystallization of *"extremely complicated conditions of acute antagonism between the two social systems--imperialism and socialism."* This preceding quote is from Oleg A. Bel'kov in his book: READY TO DEFEND THE MOTHERLAND. And so too, the following: *"Future historians will be amazed to find that, to guarantee the chance of victory, the responsible individuals were counting the number of present communists in the army with more diligence than the number of machine guns and pieces of artillery."* In other words, political indoctrination is more important than are weapons and, dear ones, this is fact. Through the use of "psychopolitics" the deceivers will win.

You have just seen "psychopolitics" at work in its fine fettle. You witnessed an accuser testify before a Congressional hearing and through the programming by the system described in our projections regarding "PSYCHOPOLITICS" (Soviet Brainwashing but not restricted to the Soviets for there is also much now written about the same use in the United States). Reprogramming in, especially, a warm and receptive party is simple to disgustingly simple. A good hypnoterapist could get the same results, for a "qualified and well-taught hypnoterapist" knows how to do it, where to go in the memory files of the "client" and what to program within it which is relative to the "fantasy" tendencies of the individual. The portions presented on live cameras were excerpts taken from several revelation books such as THE EXORCIST and other bits and pieces from testimony and accusations of others who had studied typical descriptions of stereotypical claims against black men. The scene was pitifully and poorly done and still, no one seemed to take note of the dirty politics and legal (lawyer) insipid indoctrination. In this, of course, I

See MILITARY: Page 12.

MILITARY: cont. from Page 11.

speak of the pitiful accusations of Anita Hill against Judge Thomas. It was not even a well-done projection. She was programmed and did a fairly good job had they not utilized material from popular books and studies. But you see, Satanic evil does not need to be very good--he is playing to a wide-open field.

The Soviet military leadership believes war with the American imperialists is inevitable. In their writings they constantly refer to the "inevitable upcoming war". They believe that only the Soviet Union, with its armed forces, can save the world.

Again, let us look at Druzhinin's Soviet view: "As long as imperialism exists with its anti-humane, reactionary, and militarist essence, the danger of military attack on our Motherland remains a fact. In recent years the danger of such aggression has especially grown." (You see, no accepting of a warming "cold war" or ending of the danger.) "We must be fully armed to be able to ward off probable aggression and trustfully guarantee the security of the State. Experience shows that preparation must be started beforehand to solve this problem. We cannot wait for thunder to strike. WE MUST INITIATE, leaning on youth of all ages. We cannot waste time. Such loss is irreplaceable and during war costs a great amount of blood. Take heed, my friends, and make your own conclusions."

It seems appropriate that you in the West must make your own conclusions also!

REVIVAL OF SUVOROV TEACHINGS

A black point, indeed, is another ominous development in Soviet military education and indoctrination. It is the resurrection of the writings, strategies and tactics of Field Marshall Alexander Suvorov, a prominent 18th Century Russian general, military genius and strategist. He was instrumental in the originating of the term "Jew"

and set up the deception with the Khazars as lead point. This man wrote a dissertation called something similar to TO CONQUER SCIENCE or SCIENCE TO CONQUER (I believe 'tis the latter). This has been recently republished, rewritten and is a required text. This is required for the military and hundreds of thousands of copies are widely distributed throughout the Soviet military and political hierarchy. Suvorov's successful tactics of speed, maneuverability, audacious attack, deceit, ambush and false information propaganda are enforced study throughout the USSR. This is comparable to the work of Sun Tsu whose ART OF WAR has been a "bible" for the Soviet military and KGB for many decades. The resurrection of Suvorov in the USSR signals a new and far more aggressive Soviet military strategy than has been seen or known for centuries. This does NOT bode well for a world overseen by nuclear weapons and pulse beams.

ARMS ACQUISITIONS

Regardless of what you "think" about the Russian/Soviet circumstances, let me share some facts:

In the last three years the Soviets outproduced you in eight major weapons categories and over the six years of Gorbachev, the Soviets outproduced America in nine separate weapons categories.

Gorbachev has just recently, like immediately recently, increased the budgets of the KGB and the Soviet military over 20% increasing to 37% over the next 12 months. The USSR spends over 50% of its GNP on its military/industrial complex. America spends 6% and is dropping now to 4 1/2% and then on down to 3 1/2%. Perhaps Americans love a challenge?

Gorbachev has promised a mass conversion of the USSR's 600 military weapons factories over to consumer goods factories--BUT--only six have even begun the facade of conversion.

The Soviets have placed and still maintain tactical nuclear and chemical weapons in Eastern Germany, where they also still have over

380,000 Soviet troops stationed. They still have a half million troops in Eastern Europe in spite of the supposed independence of that region.

The Soviets at present maintain some 60-70 active divisions and 30 mobilization divisions in the Atlantic-to-the-Urals zone.

The Soviets have now completed 75 deep underground civil defense structures around Moscow--each the size of the Pentagon. These are only recent additions to the massive system of defense and security shelters already in place which could house the population as a whole. YOU HAVE NONE AND NO ONE IN GOVERNMENT WILL EVEN TALK OF IT TO YOU EXCEPT TO SAY THE DANGER IS OVER AND THE COLD WAR IS GONE! Why these new shelters? They KNOW there will be a war and they know you are trying to launch a surprise first strike. Even if you don't pull off a first strike it is KNOWN that you WILL have a nuclear war and it will be probably within the next short future time sequence.

The Kremlin has just deployed 18 new rail-mobile first strike SS-24 (Iraq has some of these also) missiles and housed them in 1100 yard-long sheds mounted on trains. They are presently moving SS-20 missiles with a 3,000 mile range into your neighboring territory of friendly CUBA!

The Soviets have a whole list of a myriad of new conventional and strategic nuclear developments and deployments which the Soviets are now implementing including a large number of road and rail-mobile, submarine, land and air launched nuclear missiles. These do NOT INCLUDE ANY COSMOSPHERE WEAPONS OR SPACE-STATION WEAPONS.

The Soviet government recently repealed the military draft exemption for over 5,000,000 military age students. These can now be inducted into the Soviet military which would double it from the present 5+ million.

While the Soviet "reformers" are

talking peace, cooperation and partnership, their military is continuing a crash expansion and modernization program and is preparing for war in the very near future. They may be talking peace and you may be eating it up but they are moving rapidly and dead-ahead onto an active war footing.

SOVIET WAR PLAN AGAINST AMERICA

Indeed there is such a plan and your government knows it. In fact, your own "Pentagon" calls the plan RISOP, for Red Integrated Strategic Operations Plan. It covers over 2,500 TARGETS. Chief among the targets (with some measure of priority but not necessarily to be adhered to):

1. One thousand (1,000) Minuteman and MX ICBM silos (they also already have tractor beams on the moving MX's and Minutemen). The train or mobile mounted missiles will be detonated at the onset. One hundred ICBM launch control centers for those silos and another 50 command and control facilities and nuclear weapons storage depots. That makes a total of at least 1,150 "hardened"--that is fortified--weapons facilities targets. These would be hit by at least two and probably three Soviet warheads each. [THIS is why you disarmed your strategic Aircraft--because you overstepped your boundaries in the last first-strike attempt and the Soviets demanded you disarm the strategic flight commands or you were to your ears in deep yogurt. Let me give you further idea about these Soviet strike weapons--remember, they fire and then subsequently are fired MANY scatter nuclear warheads which blanket an area.]

2. About 475 other naval bases, airfields, ports, terminals, military camps, depots, and other military installations associated with nuclear as well as conventional forces are in direct firing line for immediate strike.

See MILITARY: Page 13.

MILITARY: cont. from Page 12.

3. About 150 industrial facilities that have Defense Department contracts for \$1 million a year or more in military hardware. Do you still wonder that the industry is in the midst of massive layoffs?

4. There are about 325 major electric power plants that generate 70% of the nation's electricity. All major dams will be targeted for early-on destruction.

5. There are over 150 major oil refineries that turn out over 70% of your nation's petroleum products which will immediately GO. Along with that there are over 200 "soft" economic communications, transport, chemical and civilian leadership targets.

In the last four categories, many targets are located sufficiently close together so that only one nuclear weapon would be needed to destroy them--that means a VERY BIG PAYLOAD AND A LOT OF SIDE-EFFECTS.

Does your President and his advisors know? Of course, and thusly Mr. Bush is caught in the middle of the biggest pants presser on earth. He is ordered by, and keeps on serving, the King of Evil because he doesn't have any choice, in reality--at least in HIS reality. He cannot allow you-the-people to know these facts lest you come unglued and blow away the planet through your reaction. The attempt is to bring the nations down in an orderly fashion while simply disarming you to prevent retaliation. You are bested, America, and the game is all but finished.

So why am I here? To bring God's people into safety and see a remnant through and for that you need minimal, at least, living capability. Does it look bleak? Indeed, indeed!

STRONG SURVIVE

The next portion I shall take directly from another's print but it is worthy of commendation and I can only pray that you will allow the information to soak within your

minds.

This is from a warning to the people of the free world from a man who is a close friend of one, McAlvany and he has shared this with his *Intelligence Advisor* readers. We honor him and give credit to this brilliant mind who has seen the inevitable and what it means. This refers to one, Walter Walker, former NATO Commander-in-Chief. He is considered one of the world's greatest geo-strategic experts, who has written several excellent books on Soviet strategy and tactics (most accurately) and accurately warned in advance about the Soviet invasion of Afghanistan, for example. The Soviets are preparing for war!!!

Let me quote please:

I consider it my duty, as a former NATO Commander-in-Chief, to tell you of the extremely dangerous threats that lie ahead. It is because I know for certain that we are now in a period of the greatest strategic deception, perhaps in all history, that I feel I should not allow this occasion to pass without warning you of the future that lies ahead in the next decade.

"I say most emphatically that the Cold War is NOT yet over, but only in a state of remission. To give you examples: in spite of the number of Soviet citizens still queuing for food, the Soviet Union is continuing to provide arms not only to Iraq, but to the communist regime in Afghanistan and to its satellites, such as Cuba and Libya. Meanwhile more and more money is being poured into the size of the cake they have cut for their own armed forces.

"In dealing with Moscow the risks will be more disturbing and much greater. The man in the street has not been told that the Soviet Union is still devoting a vast proportion of its resources to sustain a military machine capable of threatening the West.

"As an example, their Navy is engaged at present in a major rebuilding program. It has launched the 65,000 ton Tbilisi--its first ma-

ior carrier. The Western public is unaware that Gorbachev is launching one new nuclear submarine every six weeks. The aim of this naval build up is to sever the strategic link between America and Europe and to control the waters of the Persian Gulf and the sea lanes around the Horn of Africa. NATO without control of the seas is a nonsense.

"Amid all his difficulties, Gorbachev has now increased the Soviet military budget by 37% at the insistence of the Generals and KGB masters. This represents 40% of the country's GNP. On the same day that he made this increase, our defense Secretary announced that 40,000 British troops, a quarter of the entire British Army, would be axed. A suicidal decision. Furthermore, Western disarmament and technology transfer is what Gorbachev and his hard line military leaders have in their sights. It is this that would make any Grand Bargain with him not mere folly but a Grand Swindle. [Please note that this man is also a British "hero".]

"The Soviet military threat has NOT evaporated. The neutralization of NATO has long been one of the Soviet's prime glasnost deception goals. Production of tanks continues unabated, replacing old tanks, and they have also introduced several new helicopters, a huge transporter, a fighter designed to kill other helicopters, and a sophisticated anti-tank helicopter.

"Despite the collapse of the Soviet economy--the Kremlin--under pressure from the military--is actually increasing the military budget by \$42 billion to more than \$160 billion. In contrast, only \$7.5 billion is being earmarked for education, and a mere \$4.5 billion for health. But even consuming over 40% of their GNP, this amount may not be enough to satisfy the military elite. If there is the risk of economic catastrophe in the Soviet Union, then surely the West should insist that butter must come before guns. Any help from the West must lay down strict conditions, the foremost being true freedom and in-

dependence within the Soviet Union and the Balkans.

"In spite of the signing of the Conventional Forces in Europe (CFE) Treaty on the 19th of November 1990, the Soviets have already moved about 17,000 tanks plus much more equipment (i.e., 70,000 units in toto) to the other side of the Ural mountains--beyond the geographical area of the Treaty. And some Soviet aircraft from Hungary were repainted in Soviet naval colors, also outside the Treaty.

"There has been a lot of talk recently about NATO's new look. One keeps on reading the words--I quote: 'NOW THAT THE COLD WAR IS OVER'. In light of what I am telling you I say most emphatically that the COLD WAR IS NOT YET OVER, but only in a state of some type of remission. The hard truth is that the dreaded KGB is being strengthened and expanded. Last year the American FBI apprehended over 30 foreign spies, 28 of whom were KGB, a new record. Today the KGB employs one and a half million people and six million informers. And despite the Soviet economic crisis, the KGB has received a 20% increase in its latest budget.

"I leave you with the stark fact that unless we stand fast and stop the rot, the demonstrable truth is that contrary to the Kremlin's self-serving pose of humility, the Soviet Union is not 'on the verge of collapse'. WESTERN DEFENSE, ON THE OTHER HAND, IS."

I give grateful thanks for this message just shared, to Donald S. McAlvany. I so honor ones such as this man and Dr. John Coleman who place their necks on the block for you ones, for they are continually under direct attack in any manner you can conceive. I hope that you ones support these men in their own news format. McAlvany can be reached via P.O. Box 84904, Phoenix, AZ 85071. I ask that we

See MILITARY: Page 14.

MILITARY: cont. from Page 13.

not print John Coleman's information herein for he can be forwarded information via America West whom he frequently contacts. You precious citizens of the world must realize that you have ones on your place who are informed about this incredible deception whereby you don't have to simply listen to a "space cadet" project uncomfortable facts to you. Your world is teetering on TOTAL DESTRUCTION.

AMERICAN RUSH TO
DISARM

Vladimir Lenin said it ALL: "*They disarm, we build!*"

Krushchev, Jan. 14, 1960: "*The Soviets intend to conceal vast 'reserves' of missiles and warheads, hiding them in places throughout the expansive Soviet Union where the 'imperialists' could not spot them. Later, they could be launched in a nuclear war.*"

Soviet Council of Ministers official, 1987: "*Perestroika is expressly designed to enhance Soviet military capability and combat readiness.*"

The "apparent" disintegration of the Soviet empire is the greatest clue to the level of your trouble which you have had thus far for it is a prime event in "timing". This is the force which is used by the USSR in causing the U.S. and the European political and military leaders to have to accelerate their own disarmament plans. It is the false face to unilateral disarming or "crying Uncle". Bush has pulled the U.S. nuclear missiles out of Europe; is withdrawing U.S. tanks, planes, and troops from Europe; is virtually shutting down your tank, submarine and F-16 production lines; is closing 43 U.S. domestic military bases, 79 of America's European bases, and 535 of the U.S.'s non-European military facilities; has closed your huge air base in the Philippines; is planning to withdraw U.S. troops from South Korea and the Philippines; is cutting U.S. Army troop strength by 350,000 men and the U.S. Marines by 50%, is cutting the overall size of the U.S. military by 25%, over

the next few years; and is planning to cut America's strategic stockpiles of 91 critical war materials by about half.

What does this sound like to you? Who is going to go in there and protect Kuwait now? Who is going to wipe Saddam's nose in it as Bush projects? You are dead, America, and don't seem to know it--Israel and the Russian Khazars have taken your nation while you thought it was God's little old tribal remnants at work in your government. Woe be unto you, world, for the serpent has struck and you are filled with the venom of death--it just happens to also bear viruses and radioactivity. Blame anyone you wish, it will mean nothing for it is you who will reap the bitter harvest and blame will mean naught.

The U.S. military spending trend is such that the U.S. will be spending only 3.6% of GNP on defense by 1996, the lowest since you were attacked at Pearl Harbor (this is another story I hope all of you will obtain from Dr. Coleman--THE TRUTH OF PEARL HARBOR.) Perhaps he will share it in our own publication for he shares other portions and subjects with us most graciously. I too, have more to write on Jim Jones and "Jonestown" at which time I hope all of you have acquired SKELETONS IN THE CLOSET and are ready for the next portion and how Jim Jones was trained for his role.

The Soviets are, meanwhile, spending 40-50% of their GNP on their military.

Bush and Gorbachev recently signed the START Treaty which is supposed to cut the U.S. and Soviet nuclear arsenals by 30%. But the Soviets massively cheated on the Nuclear Test Ban Treaty of 1962--AND SO HAVE YOU; on the ABM Treaty of 1972--AND SO HAVE YOU; on SALT I--AND SO HAVE YOU; on the INF Treaty of 1989--AND SO HAVE YOU; on the conventional Forces in Europe Treaty of 1991 of which they don't allow YOU to cheat. They will cheat on the new START Treaty as well--BUT YOU WON'T BE ABLE TO DO SO. It is called "Unilateral" disarmament, dear ones.

Conclusions

10/15/91 #3 HATONN

....or you readers, I must tell you right here, that pages of work have just been destroyed on the computer. I cannot ask that Dharma allow me to recreate entire writing for she has been at this work since early morning and now the day is over. We will not repeat the details of the arms buildup as I had just outlaid for I have done the "numbers" in the writing prior to this. I was into a summary listing of stats and you can please look back into the writing if you wish confirmation or to refresh your memory.

AMERICA IS IN GRAVE
DANGER!!!

Suffice it to KNOW that America is in grave, grave danger! Bush is under direct blackmail for he is so involved in criminal activities as to preclude him bringing this into the open for if he would do so you would not believe him. Communism is NOT dead, the Cold War is NOT over, peace has NOT arrived and throughout the recent political upheaval in the USSR, the gargantuan Soviet military has not been touched or diminished in any way whatsoever. It still numbers over six and three-quarters million men and growing, including the Army, Air Force, Navy, Internal Police, KGB and Spetznaz. They work hand-in-glove with the Israeli Mossad and are in total communion with the little State to which you have become slave. Ninety percent of the officers of the Red Army and Navy are active, loyal members of the Communist Party of the Soviet Union by whatever name they decide to call it, or the Komsomol Communist Youth League; over 80% of all pilots in the Air Force, over 90% of all officers of rocket submarines, 95% of all officers in anti-aircraft and ABM defense, and 100% of the rocket and nuclear forces are Communist Party of the Soviet Union members.

These have all had an incredibly comprehensive and exhaustive system of indoctrination from age 5 into adulthood. Contrary to belief

in the West, The Soviet military is highly disciplined, extremely well-trained, very patriotic, heavily indoctrinated with Marxist-Leninist revolutionary doctrine, and is not staffed by the stereotype dumb, cumbersome dunderheads, dullards or puffed up buffoons which most Westerners have been led to believe. They are the most critically trained and terrifying force on your globe--they are trained by the Mossad in conjunction with already superbly trained KGB agents.

The Soviet military spent a full decade training its people and testing weapons, battlefield techniques in Afghanistan--wherein you gave assistance even to building a super highway from the Soviet Union into Afghanistan upon which the military could travel more easily. You also supplied equipment, trucks, etc. It is by far the best armed military in the world and the best trained in history. Its weapons are superb, sophisticated, battlefield functional, and often based on your own U.S. technology--which was GIVEN to them and not stolen or sold. They didn't need any of your military "stuff", however, except to keep up with your most updated equipment so they could always stay a long way out front of your capabilities.

You in America are today at a tremendous psychological disadvantage. Do not ever underestimate your enemies. Yet what do we witness? WE witness most Americans believing what is told to you in the most ridiculous "show and tell" of the generations. You actually believe that the Soviets, their leaders, their KGB and their military are incompetent, bumbling buffoons. This stereotype has been exacerbated by Soviet disinformation and a fully controlled world media--especially yours in America.

Inquiries on all subjects

10/16/91 #1 HATONN
WEDNESDAY

Hatonn present to serve. May the Light be given unto the WORD.

As we sit to pen it is with a bit of consternation at not being able to cover everything--at once. I have become much as the "interview show" host who promises to get back to a question or response and can't seem to keep within the time and space limitations.

We are flooded with inquiries and requests to deal with certain subjects of immediate happening and yes, it would be

nice to be able to take each day's news and tell you the TRUTH behind the statements. Today, for instance, pay attention to Russia and Yeltsin as he talks of currency redistribution, bank closures, etc. Just be aware that whatever they are telling you these days is NOT the

way it IS.

In order to allow you to see that cover-ups can be massively stupefying to the senses, I actually need to continue with some of the old cover-ups which have brought you to today. You want to believe that I am incorrect and that the Israeli and Soviet Khazar Ashkenazi so-called "Jews" are not behind the world destruction. They are the "same", just located conveniently in different geographic locations but you will now see them begin their merging. It is, however, the Sephardi, or "true" Judaists who pay the most dreadful penalties for they know not that they have been so terribly deceived. To realize that your own "so-called" brothers were actually in total working integration with the Nazis, for instance, is almost too much to bear.

In order to move on with seemingly unrelated information in proper sequence for connecting the material I wish to again give you reference to consider. First, the so-called, self-styled "Jews" are not Semitic. **THEY DO NOT COME FROM THE TRIBE OF SHEM FROM WHENCE COME THE SEMITES.** In order to better clarify and give some implications, let us look at Israel and the Diaspora.

ISRAEL AND THE DIASPORA

Please do not look at this information as bigoted for I do expect the same respect due any historian. I believe that you can see that facts speak for themselves and you can determine the truth by doing a bit of research through the historical archives.

The facts are that there has been a movement for centuries to gain control of the world. This is apparent in the Protocols, the Talmud and any other Zionists' document which has been unchanged to hide the truth. These ones are openly against Christianity which includes any religion which recognizes God goodness and Christ qualifications for goodness. Those Judaists who follow the commandments of God are actually acting in Christness.

We are not herein speaking of a "man" with a human label.

In conjunction with the communist/socialist spread and interaction, the people of the Khazarian lineage became that group who now call themselves "Jews" and most Jews who think themselves to be Jews ARE NOT. This would have no notable relationship to the following story about Jonestown and Jim Jones except that the CIA, Mossad, and KGB are all entangled. Remember back to SKELETONS IN THE CLOSET and the story of Jonestown which we gave in that JOURNAL. We will leave that where it began but you should know more about what led up to that incident and why Jones was involved in the first place. We will even leave the nearby Russian missile base out of the scenario for the present for what I wish to show you is HOW a deceit is born, nurtured and comes to pass and how completely can the cover-up become.

To reveal this I need to use an article written by one John Judge called *The Black Hole Of Guyana: The Untold Story Of The Jonestown Massacre*. I have no reference as to where or when it was first published so I cannot give proper credit for there is no information even as regards to the author. His is a descriptive conclusion correctly drawn in most instances and much work and research went into the document. The references are many but not supplied with the document so I am going to have to simply give credit to Mr. Judge and allow you to research him. The most honorable way to handle this is to ask Dharma to type it as I dictate it from the document for I desire her to experience the information also. She had a great problem dealing with the first revelations given regarding this subject and I wish her to have this information and typing it is the best input available. Any comments I add will be in brackets ().

CONCLUSIONS: cont. from Page 14.

Conversely, Americans believe in the wake of Operation Desert Storm--set up for this very purpose--that you are invincible, in spite of the fact that you faced third or fourth rate Soviet weapons, a country the size of the state of Kentucky, and except for Soviet air defenses and a few scattered Scuds, Saddam's forces NEVER engaged your troops. Is the picture beginning to clear a bit for you now? Why do you think the Soviets were so willing to bow out and not participate? You simply blunderbusted your way into oblivion just as they planned it to be--what a crock!

A very proud, overconfident America now believes that nothing can touch you--certainly not poor bankrupt Soviet Union dunderheads. Well, I have terrible news for you ones--in conjunction with the Israeli Khazarians you are HAD! "Pride goeth before the fall" should be most carefully studied as presented for behavior probabilities. You march onward while laying your arms aside, opening your coffers and doors and now they have all the grain and you are going to even give up your little hand-guns very soon now.

If the Central Committee of the Communist Party or the Soviet military high command should decide that the time to take out the U.S. was appropriate, they could do so immediately and totally--and with very little pain in return from the U.S. either as a second strike or retaliation--THEY CAN TAKE OUT EVERYTHING YOU HAVE BEFORE IT LEAVES ITS SILOS.

YOU, DEAR ONES OF THE WORLD, ARE DECEIVED AND I CONCERN THAT THIS WHICH WE WRITE WILL BE A POSTSCRIPT INSTEAD OF A PREFACE. THE SOVIETS ARE PREPARED AND READY FOR WAR--THEY SIMPLY AWAIT THE CONVENIENCE OF TAKE-OVER.

The Soviets are simply purging their deadheads from their system and expanding their power base. I remind you of your own Bible where it warns: "...peace, peace, and there is no peace." and "For when they say peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child, and they shall not escape."

Dharma, it has been such a long day, please allow us to close this. I shall discuss some possibilities at a later sitting. Do not expect ones who share this writing to agree with you for all are still entangled in yellow ribbons. I can only offer you God and remind you that we are sent forth as His Hosts in this time of travail. I would pray that you hear in time lest you fall. We can only offer our hand and our wisdom--**YOU MUST DO THE REST OR IT SHALL NOT BE DONE! SO BE IT AND SELAH.**

Thank you for your attention and may the word give opportunity to awaken and take action with which you can turn your plight about. Good day and God embraces His own.

Hatonn to clear.

The Black Hole of Guyana

QUOTE:

Somewhere in the concrete canyons of New York City a recently formed rock group is using the name *Jim Jones and the Suicides*. Irreverent and disarming, the name reflects the new trend in punk rock, to take social issues head on. Cynicism about the Jonestown deaths, the social parallels abound in the lyrics of today's music. The messages are clear because we all know the story.

In fact, people today recognize the name "Jonestown" more than any other event, a full 98% of the population. The television and printed media were filled with the news for more than a year, even though the tale read like something from the *National Enquirer* tabloid. But despite all the coverage, the reality of Jonestown and the reasons behind the bizarre events remain a mystery. The details have faded from memory for most of us since November 18, 1978, but not the outlines. Think back a moment and you'll remember.

YOU KNOW THE OFFICIAL VERSION

A fanatic religious leader in California led a multi-racial community into the jungles of remote Guyana to establish a socialist utopia. The People's Temple, his church, was in the heart of San Francisco and drew poor people, social activists, Blacks and Hispanics, young and old. The message was racial harmony and justice, and criticism of the hypocrisy of the world around his followers.

The Temple rose in a vacuum of leadership at the end of an era. The political confrontations of the 60's were almost over, and religious cults and "personal transformation" were on the rise. Those who had preached a similar message on the political soap box were gone, burnt out, discredited, or dead. The counter-culture had apparently degenerated into drugs and violence. Charlie Manson was the only visible image of the period. Suddenly, religion seemed to offer a last hope.

Even before they left for the Jonestown site, the People's Temple members were subjects of local scandal in the news. Jim Jones claimed these exposés were attacks on their newly-found religion, and used them as an excuse to move most of the members to Guyana. But disturbing reports continued to surround Jones, and soon came to the attention of congressional members like Leo Ryan. Stories of beatings, kidnapping, sexual abuse and mysterious deaths leaked out in the press. Ryan decided to go to Guyana and investigate the situation for himself. The nightmare began.

Isolated on the tiny airstrip at Port Kaituma, Ryan and several reporters in his group were murdered. Then came the almost unbelievable "White Night", a mass suicide pact of the Jonestown camp. A community made up mostly of Blacks and women drank cyanide from paper cups of *Kool-Aid*, adults and children alike died and fell around the main pavilion, Jones himself was shot in the head, an apparent suicide. For days, the body count mounted, from 400 to nearly 1,000. The bodies were flown to the United States and later cremated or buried in mass graves.

Temple member Larry Layton is still facing charges of conspiracy in Ryan's murder. Ryan was recently awarded a posthumous Medal of Honor, and was the first Congress member to die in the line of duty.

Pete Hammill called the corpses "all the loose change of the sixties". The effect was electric. Any alternative to the current system was seen as futile, if not deadly. Protest only led to police riots and political assassination. Alternative life styles and drugs led to "creepy-crawly" communes and violent murders. And religious experiments led to cults and suicide. Social utopias were dreams that turned into nightmares. The television urged us to go back to "The Happy Days" of the apolitical 50's. The message was, get a job and go back to church. The unyielding nuclear threat generated only nihilism and

hopelessness. There was no answer but death, no exit from the grisly future. The new ethic was personal success, aerobics, material consumption, a return to "American values," and the "moral majority" white Christian world. The official message was clear.

BUT JUST SUPPOSE IT DIDN'T HAPPEN THAT WAY...

The headlines the day of the massacre read: "Cult Dies in South American Jungle: 400 Die in Mass Suicide, 700 Flee into Jungle." By all accounts in the press, as well as People's Temple statements, there were at least 1,100 people at Jonestown. There were 800 adult passports found there, and reports of 300 children (276 found among the dead, and 210 never identified). The headline figures from the first day add to the same number: 1,100. The original body count done by the Guyanese, which was the final count, was given almost a week later by American military authorities as 913. A total of 16 survivors were reported to have returned to the U.S. Where were the others?

At their first press conference, the Americans claimed that the Guyanese "could not count." These local people had carried out the gruesome job of counting the bodies, and later assisted American troops in the process of poking holes in the flesh lest they explode from the gasses of decay. Then the Americans proposed another theory—they had missed seeing a pile of bodies at the back of the pavilion. The structure was the size of a small house, and they had been at the scene for days. Finally, we were given the official reason for the discrepancy—bodies had fallen on top of other bodies, adults covering children.

It was a simple, if morbid, arithmetic that led to the first suspicions. The 408 bodies discovered at first count would have to be able to cover 505 bodies for a total of 913. In addition, those who first worked on the bodies would have

been unlikely to miss bodies lying beneath each other since each body had to be punctured. Eighty-two of the bodies first found were those of children, reducing the number that could have been hidden below others. A search of nearly 150 photographs, aerial and close-up, fails to show even one body lying under another, much less 500.

It seemed the first reports were true, 400 had died, and 700 had fled to the jungle. The American authorities claimed to have searched for people who had escaped but found no evidence of any in the surrounding area. At least a hundred Guyanese troops were among the first to arrive, and they were ordered to search the jungle for survivors. In the area, at the same time, British Black Watch troops were on "training exercises," with nearly 600 of their best-trained commandos. Soon, American Green Berets were on the site as well. The presence of these soldiers, specially trained in covert killing operations, may explain the increasing numbers of bodies that appeared.

Most of the photographs show the bodies in neat rows, face down. There are few exceptions. Close shots indicate drag marks, as though the bodies were positioned by someone after death. Is it possible that the 700 who fled were rounded up by these troops and brought back to Jonestown and added to the body count?

If so, the bodies would indicate the cause of death. A new word was coined by the media, "suicide-murder." But which was it? Autopsies and forensic science are a developing art. The detectives of death use a variety of scientific methods and clues to determine how people die, when they expire, and the specific cause of death. Dr. Mootoo, the top Guyanese pathologist, was at Jonestown within hours after the massacre. Refusing

GUYANA: cont. from Page 16.

the assistance of U.S. pathologists, he accompanied the teams that counted the dead, examined the bodies, and worked to identify the deceased. While the American press screamed about the "Kool-Aid Suicides," Dr. Mootoo was reaching a much different opinion.

There are certain signs that show the types of poisons that lead to the end of life. Cyanide blocks the messages from the brain to the muscles by changing body chemistry in the central nervous system. Even the "involuntary" functions like breathing and heartbeat get mixed neural signals. It is a painful death, breath coming in spurts. The other muscles spasm, limbs twist and contort. The facial muscles draw back into a deadly grin, called "cyanide rictus." All these telling signs were absent in the Jonestown dead. Limbs were limp and relaxed, and the few visible faces showed no sign of distortion.

Instead, Dr. Mootoo found fresh needle marks at the back of the left shoulder blades of 80-90% of the victims. Others had been shot or strangled. One survivor reported that those who resisted were forced by armed guards. The gun that reportedly shot Jim Jones was lying nearly 200 feet from his body, not a likely suicide weapon. As Chief Medical Examiner, Mootoo's testimony to the Guyanese grand jury investigating Jonestown led to their conclusion that all but three of the people were murdered by "persons unknown." Only two had committed suicide, they said. Several pictures show the gunshot wounds on the bodies as well. The U.S. Army spokesman, Lt. Col. Schuler, said, "No autopsies are needed. The cause of death is not an issue here." The forensic doctors who later did autopsies at Dover, Delaware, were never made aware of Dr. Mootoo's findings.

There are other indications that the Guyanese government participated with American authorities in a cover-up of the real story, despite their own findings. One good example was Guyanese Police Chief Lloyd Barker, who interfered with

investigations, helped "recover" 2.5 million for the Guyanese government, and was often the first to officially announce the cover stories relating to suicide, body counts and survivors. Among the first to the scene were the wife of Guyanese Prime Minister Forbes Burnham and his Deputy Prime Minister, Ptolemy Reid. They returned from the massacre site with nearly \$1 million in cash, gold and jewelry taken from the buildings and from the dead. Inexplicably, one of Burnham's political party secretaries had visited the site of the massacre only hours before it occurred. When Shirley Field Ridley, Guyanese Minister of Information, announced the change in the body count to the shocked Guyanese parliament, she refused to answer further questions. Other representatives began to point a finger of shame at Ridley and the Burnham government, and the local press dubbed the scandal "Templegate"; all accused them of taking a ghoulish payoff. [H: I hope you understand that I shall also have to give you more information on Watergate to flesh out the entire scenario and connections.]

Perhaps more significantly, the Americans brought in 16 huge C-131 cargo planes, but claimed they could only carry 36 caskets in each one. These aircraft can carry tanks, trucks, troops and ammunition all in one load. At the scene, bodies were stripped of identification, including the medical wrist tags visible in many early photos. Dust-off operations during Vietnam clearly demonstrated that the military is capable of moving hundreds of bodies in a short period. Instead, they took nearly a week to bring back the Jonestown dead, bringing in the majority at the end of the period. The corpses, rotting in the heat, made autopsy impossible. At one point, the remains of 183 people arrived in 82 caskets. Although the Guyanese had identified 174 bodies at the site, only 17 (later 46) were tentatively identified at the massive military mortuary in Dover Delaware. [H: If you knew what REALLY goes on at Dover, Delaware you would be so shocked as to be unable to read further. It is absolutely incredible what the government has done and

hidden from you-the-people.]

Isolated there, hundreds of miles from their families who might have visited the bodies at a similar mortuary in Oakland that was used during Vietnam, many of the dead were eventually cremated. Press was excluded, and even family members had difficulty getting access to the remains. Officials in New Jersey began to complain that state coroners were excluded, and that the military coroners appointed were illegally performing cremations. One of the top forensic body identification experts, who later was brought in to work on the Iranian raid casualties, was denied repeated requests to assist. In December, the President of the National Association of Medical Examiners complained in an open letter to the U.S. military that they "badly botched" procedures, and that a simple fluid autopsy was never performed at the point of discovery. Decomposition, embalming and cremation made further forensic work impossible. The unorthodox method of identification attempted, to remove the skin from the fingertip and slip it over a gloved finger, would not have stood up in court. The long delay made it impossible to reconstruct the event. As noted, these military doctors were unaware of Dr. Mootoo's conclusions. Several civilian pathology experts said they "shuddered at the ineptness" of the military, and that their autopsy method was "doing it backwards." But in official statements, the U.S. attempted to discredit the Guyanese grand jury findings, saying they had uncovered "few facts".

Guyanese troops, and police who had arrived with American Embassy official Richard Dwyer, also failed to defend Congressman Leo Ryan and others who came to Guyana with him when they were shot down in cold blood at the Port Kaituma airstrip, even though the troops were nearby with machine guns at the ready. Although Temple member Larry Layton has been charged with the murders of Congressman Ryan, Temple defector Patricia Parks, and press reporters Greg Robinson, Don Harris and Bob Brown, he was not in a position to shoot them. Blocked from boarding Ryan's twin engine Otter,

he had entered another plane nearby. Once inside, he pulled out a gun and wounded two Temple followers before being disarmed. The others were clearly killed by armed men who descended from a tractor trailer at the scene, after opening fire. Witnesses described them as "zombies," walking mechanically, without emotion, and "looking through you, not at you" as they murdered. Only certain people were killed, and the selection was clearly planned. Certain wounded people, like Ryan's aide Jacke Speiers, were not harmed further, but the killers made sure that Ryan and the newsmen were dead. In some cases they shot people, already wounded, directly in the head. These gunmen were never finally identified, and may have been under Layton's command. They may not have been among the Jonestown dead.

At the Jonestown site, survivors described a special group of Jones' followers who were allowed to carry weapons and money, and to come and go from the camp. These people were all white, mostly males. They ate better and worked less than the others, and they served as an armed guard to enforce discipline, control labor and restrict movement. Among them were Jones' top lieutenants, including George Phillip Blakey. Blakey and others regularly visited Georgetown, Guyana and made trips in their sea-going boat, the Cudjoe. He was privileged to be aboard the boat when the murders occurred. This special armed guard survived the massacre. Many were trained and programmed killers, like the "zombies" who attacked Ryan. Some were used as mercenaries in Africa, and elsewhere. The dead were 90% women, and 80% Blacks. It is unlikely that men armed with guns and modern crossbows would give up control and willingly be injected with poisons. It is much more likely that they forced nearly 400 people to die by injection, and then assisted in the murder of 500 more who attempted to escape. One survivor clearly

The Institute For Pacific Relations (IPR)

by Dr. J. Coleman

One of the greatest success stories of any of Rockefeller's various agencies and spy networks which operate around the world was the Institute of Pacific (IPR). Its role in bringing about war between the United States and Japan, with the intention of Communising the entire

Far East, already far advanced by 1939, with only Japan standing in the way of the grand design of Moscow and David Rockefeller.

The IPR was established in 1926 for the sole purpose of Communising China and Japan, and when it failed in so far as Japan is concerned, war as a means to a political end was planned. The IPR was funded from

its inception by the Laura Spellman and Rockefeller Memorial Foundation. From 1926 to 1950, when IPR was forced out of the U.S., it received almost \$2.2 billion dollars from these foundations, a colossal fortune in those days.

The Laura Spellman Fund utilized the services of the Public Administration Clearing House as a sort of a collection agency for information on Japan. In September 1937, this organisation held a conference at Ardennes in Belgium, the thrust of which was how to get control of world oil supplies, which Rockefeller and the USSR had every intention of doing.

Russia was a natural ally of IPR and Rockefeller interests because it needed help in neutralizing both China and Japan. The scope of this short paper does not allow for further discussion of this aspect of Pearl Harbour but suffice to say that this is exactly what IPR did. Having earned the gratitude of Stalin, thereafter IPR worked very closely as a spy ring for the USSR and against the United States of America. Right from the start, Owen Lattimore, Philip Jessup, Lauchlin Currie, Frederick Vanderbilt Field and a host of leftwing intellectuals emerged as leading members of the treasonous IPR.

The Laura Spellman Fund grant made it clear that there was no research to be done, but rather "practical operations" were to be carried on. Rockefeller was determined to carry on where Bismarck left off with the task of promoting Marxism around the world. In this he was handsomely aided by Sun Yat Sen Chinese University in Moscow and the Royal Institute for International Affairs, Columbia University, the Brookings Institution, Stanford University and the London School of Economics.

Russia feared both China and Japan, but more so Japan whose imperialist aims matched her own. The IPR strategy was to strip Japan of her Asian empire by building up China, and then get Japan involved in a war with the United States. This

would have the net effect of weakening Japan and opening the hitherto tightly-shut doors in Japan.

In 1930 an "International Secretariat" was established in Honolulu as the Far East headquarters of IPR. It was from here that most of the material for its notorious spy publication AMERASIA were garnered. Its editors were Frederick Vanderbilt Field and Owen Lattimore and Samitato Uramotsi in Tokyo, who became part of the notorious Richard Sorge spy ring. Many members of IPR were in Sorge's spy ring. More about Sorge later.

There can be little doubt that IPR's leading player was Owen Lattimore, a long-time Communist protege of the Rockefeller family. This was made abundantly clear in the hearings conducted by the Tydings Committee, when everything was done to cover up for Lattimore and his incestuous relationship with the Hiss brothers, Donald and Alger. As Senator Vandenberg said at the U.N. Conference, May 10th., 1945, "anything Rockefeller wants is O.K." Of course Rockefeller saw to it that his chief spy escaped his just punishment, even though the FBI provided the Tydings Committee with hundreds of documents that proved conclusively that Lattimore was a Red spy. Tydings deliberately suppressed them.

The IPR tried first to subvert President Hoover, but when Hoover rejected their insidious proposals, they went ahead with developing their base in Honolulu and bided their time until Franklin D. Roosevelt was inaugurated. In early 1933, Lattimore and Jessup led a delegation to the White House to meet with FDR where a summary of their activities and collusion with Russia for the downfall of Japan were laid out. Roosevelt eagerly accepted IPR's strategy and, from that day onwards, these plans were formulated for the U.S. to engage in a war with Japan which began at Pearl Harbour.

heard people cheering 45 minutes after the massacre. Despite government claims, they are not accounted for, nor is their location known.

Back in California, People's Temple members openly admitted that they feared they were targeted by a "hit squad," and the Temple was surrounded for some time by local police forces. During that period, two members of the elite guard from Jonestown returned and were allowed into the Temple by police. The survivors who rode to Port Kaituma with Leo Ryan complained when Larry Layton boarded the truck, "He's not one of us." Rumors also persisted that a "death list" of U.S. officials existed, and some survivors verified this in testimony to the San Francisco Grand Jury. A congressional aide was quoted in the AP wires on May 19, 1979, "There are 120 white, brain-washed assassins out from Jonestown awaiting the trigger word to pick up their hit."

Other survivors included Mark Lane and Charles Garry, lawyers for People's Temple who managed to escape the massacre somehow. In addition to the 16 who officially returned with the Ryan party, others managed to reach Georgetown and come back home. However, there have been continuing suspicious murders of those people here. Jeannie and Al Mills, who intended to write a book about Jones, were murdered at home, bound and shot. Some evidence indicates a connection between the Jonestown operation and the murders of Mayor Moscone and Harvey Milk by police agent Dan White. Another

Jonestown survivor was shot near his home in Detroit by unidentified killers. Yet another was involved in a mass murder of school children in Los Angeles. Anyone who survived such massive slaughter must be somewhat suspect. The fact that the press never even spoke about nearly 200 survivors raises serious doubts.

STOP QUOTING

Dharma, allow us to leave this subject for a bit as it is time to take a respite. We will handle this in segments as we can as there are other matters which must be covered also. For instance, I don't want you ones to think I don't keep up with old Mr. Kissinger any more--he is alive, well and as criminal as ever. I have lots of surveillance information--even more than he has on Dharma so we will share it at the next sitting. Then we shall take up with WHO WAS JIM JONES? Thank you for your service after a day in court--again. For you readers: the court session went even worse than anticipated with the Judge reinforcing the breaking of all rights of the Ekkers and more fines--\$500 this time. He refused to clarify the order and demanded access to the dwelling. I cannot give you details of what will be done for this is the documentation they read to find out our next moves--so be it. The rats got to the cat on the bench and the plague has spread from the corrupt upper-level hierarchy in political places. My, my--you ones DO need a Constitutional Law Center for you have no justice remaining! So be it.

Hatonn to clear, please. Salu.

IPR: cont. from Page 18.

In August 1933 IPR held a super-secret meeting at Banff in Canada at which its agreement with Roosevelt was laid on the table and accepted. Thus was the die cast for conflict to begin at Pearl Harbour which led to the sacrifice of over 2,000 U.S. sailors and soldiers. Let there be no mistake about it Pearl Harbour was the brainchild of Owen Lattimore, Lauchlin Currie and Philip Jessup of the IPR working in collusion with Franklin D. Roosevelt.

The Rockefellers quietly boasted to close associates that they had secured the services of Justice Felix Frankfurter to "protect" any agent who might fall afoul of the law. Others coopted in the underhand treacherous Pearl Harbour plan were Ira Dubinsky, Dean Acheson, Joseph E. Johnson and Alger Hiss and his brother Donald Hiss.

Evidence of this was presented to the Tydings Committee but was suppressed. Through access to some of that material received from my sources, I can confirm that this is true. Following the 1926 Soviet-Rockefeller union where the strategy to be used in Asia was agreed upon and commercial relations established between them, many of those who were to serve as agents of influence in promoting Communism in the Far East found themselves rising through the ranks at break-neck speed.

Among the favoured were Dr. Henry Siegert of Johns Hopkins, Owen Lattimore and Harold Laski of the London School of Economics. One of the professors chosen by Rockefeller to teach Communist doctrines was the noted patriot Dr. Harry Elmer Barnes who had the courage to reject Rockefeller and paid dearly for it.

Felix Frankfurter showed his loyalty in the Sacco Vannetti case which was widely publicized and exploited for the promotion of Communism. Lattimore's spies at IPR in Honolulu, fresh from a trip to Japan and China, urged Rockefeller to get rid of Chiang Kai Shek and replace him with Mao. Rocke-

feller agreed, and sent \$35,000,000 to China for this purpose under the guise of "furthering Chinese education and bringing China into the Western orbit."

In 1937 Owen Lattimore was placed in charge of what I call "Project Pearl Harbour", and he was closely assisted by former Soviet-decorated pro-Communist veteran Edward Clark Carter, Philip Jessup, Joseph Barnes and Frederick Vanderbilt Field. One of the group's "advisors" was Alger Hiss. Barnes had accompanied Owen Lattimore and Frederick Vanderbilt to visit Laski in London in his capacity as a leading agent for the Rockefeller-Moscow plan to Communise the Far East. Jessup was a product of Bismarck's Marxist teachings and became a protege of Felix Frankfurter.

Vanderbilt Field was the principle U.S. spy agent for IPR at the Kyoto, Japan conference (which was also attended by David Rockefeller) where the final plans for Pearl Harbor were hammered out. Rockefeller had an agent planted in the Japanese military high command who managed to give IPR advance warning of all Japanese plans to attack the U.S. at Pearl Harbour. Roosevelt and George Catlett Marshall deliberately withheld this information from his army and navy commanders at Pearl Harbour.

Just how important Owen Lattimore was in the tragedy of Pearl Harbor is not generally known, so a short history of this most dangerous Rockefeller-Moscow agent seems to be in order. Lattimore attended an English school in Tientsin, China, established there by the British East India Company for its personnel working in the vast opium trade.

Lattimore came to the attention of Rockefeller through his activities in promoting two pro-Communist riots at the school. Thereafter he began receiving overtures and money from the Guggenheim Foundation and the Rockefeller Foundation and encouragement from the notorious Yenching Institute at Harvard.

Brought to the U.S. by Rockefeller, he was groomed by some of the leading Red professors at Yenching. He subsequently became the de-

facto undersecretary for foreign affairs of the CFR in formulating its Moscow-Rockefeller plans to Communise the Far East and, later, he was put in charge of the IPR, established more specifically for Far Eastern affairs as an off-shoot of the CFR.

According to Red-cell member Budenz, who later told the FBI that Lattimore was one of IPR's chief indoctrination agents and, as such, was assigned to the Politburo by Rockefeller. His chief work was to misrepresent China in the U.S. as an "agrarian country with no interest in Communism".

In furtherance of Lattimore's "Fifth Column role", Roosevelt appointed him to be his ambassador to Chiang Kai Shek with the intention of subverting and betraying him. Upon his return to America, Lattimore was planted in the Walter Hines School of Diplomacy by David Rockefeller. Affidavits produced by Senator McCarthy showed that Lattimore was all the time plotting against the U.S.

In 1937 in the course of promoting the Pearl Harbour Plot, Lattimore went to Moscow with Stalin-decorated Edward C. Carter to receive instructions from Stalin as to the line IPR was to follow in promoting the war with Japan. From there he went to meet Agnes Smedley, advisor to the Red Chinese at the Chinese Communist Party headquarters at Yenan.

There Lattimore met with Richard Sorge who was to coordinate all IPR's spy rings in Japan and China and provide IPR with information about Japanese military preparations for Pearl Harbour. It cannot be denied that, based on evidence collected by McCarthy and from FBI records (completely suppressed by Senator Tydings), Lattimore and Sorge were the lead players in the Pearl Harbour tragedy.

The full story of how Senator Tydings was able to bury the truth about the Pearl Harbor Plot is one which I hope to throw some light on in the next few months. It is an ugly story, and one that should make us realize that "it can happen in America". Tydings was of course a male prostitute in Rocke-

feller's long string of male prostitutes. Key personnel in the Rockefeller stable were Lattimore and Jessup, but almost equally important were Tydings, Dean Acheson, Lauchlin Currie, Alger Hiss and John Carter Vincent.

Of the foregoing, Dean Acheson's name must rank at the top of a list of traitors who have cost our country hundreds of thousands of lives and billions of dollars. It was Acheson who, while at the State Department, sent for Earl Browder, former head of the Communist Party in the U.S. on October 12th 1942 and recruited him to carry documents to Madam Sun Yat Sen in China. The documents that were eventually carried to Madame Sun Yat Sen declared that the U.S. was withdrawing its support from Chiang Kai Shek and asked that Mao Tse Tung be so informed.

Although Pearl Harbor is "history", nevertheless I felt it important to remind our subscribers that unless we learn the lessons of history, we shall go on repeating our mistakes. Another war is just around the corner. Once again we shall be lied to and the big drums of patriotism banged day and night. We should not be deceived. Like Pearl Harbour, this coming war will not benefit the United States by one iota. It will be a war in which the Chinese will be allies of the United States against Japan, in the final push to Communise that country, a move that began before Pearl Harbour and which has never ceased.

This article is part of a key-note speech I wrote and which will be delivered by Mr. Donald Clay to a very large gathering of dignitaries and diplomats, former serving naval and military officers and heads of state from around the world on December 1st, 1991 in commemoration ceremonies to be held at Pearl Harbour.

Donald Clay is going to speak on the IPR, which will shake a lot of people. He is a former officer of the Office of Naval Intelligence (ONI). He was the father of the Navy Seal Program and was known as "Papa Seal". He also worked in the legal office of the ONI in Washington DC for many years. Donald Clay is a courageous man.

Zionism is not Judaism: The big lie exposed

By A.N.Other

The glaring error equating Zionism with Judaism has been gaining ground since the 1960s, and this erroneous belief, nurtured by those who stand to gain the most from it, has led to many attacks upon Judaism, which are often unjustified.

In the New York Times of January 29, 1970, the following advertisement appeared, which went to the heart of the problem. Under the caption "ZIONISM IS THE ENEMY OF THE JEWISH PEOPLE", the article stated inter-alia that "Zionist propaganda is clever, sustained and well-financed and has succeeded in misleading many American Jews and non-Jews alike. We, as Jews therefore find it necessary to declare solemnly (1) Jews do not need a state of their own in our time. The very establishment of such a modern 'Jewish' state is a grave violation of Jewish traditions and law. The greatest rabbis of the past two Jewish generations have condemned Zionism as a complete falsification of Judaism.

'Zionism aims at uprooting Jews in countries throughout the world in order to find immigrants for its nationalistic and militaristic state which usurps without justification the holy name of Israel. Zionism has always endeavored to estrange the Jews from their observances of the laws of their faith and has offered instead the twin curses of atheism and National Socialism.'

Nowhere is this observation by the prominent Jews who signed the above advertisement more dramatically brought to life than through the statement by David Ben Gurion who called The Irgunist who helped establish Israel "Vladimir Hitler" and a "fascist gangster". Unofficial history shows that Israel was indeed founded with the help of some well-known gangsters, notable among whom were homburg-hatted Meyer Lansky, Louis Boyer and Sam Rothberg.

When Lansky arrived in Tel Aviv there was uproar among religious

Jews across America who wanted him sent back to the U.S. However, thanks to the power of his money, Lansky was able to remain where he was. It was this kind of thing that Ben Gurion earlier had protested and which the signatories to the New York Times advertisement of January 29, 1970 also objected.

The advertisement went on to say (2) "Jews are enjoined by their religion to be loyal to the country of which they are citizens--in this case the U.S. (3) Jews, who are loyal to their faith and traditions have nothing to do with Zionist-sponsored boycotts against individual enterprises or against entire nations. Zionist protests about conditions in certain countries are not meant to bring about positive changes but rather to aggravate conditions there to the point where Jews will be forced to leave, presumably for a Zionist state."

Again, unofficial history records this as fact. The agitation by Germany against Jews did not begin until after the secret negotiations between Himmler and his deputy Adolph Eichman were completed. In the "Memoirs of Yitzak Ben-Ami", the writer, a former Zionist Irgunist, tells of the visit to Germany by a high-ranking delegation of Irgunist who reached an agreement with Himmler and Eichman that for a consideration of providing Germany with the names and locations of all British and American intelligence agents in Western Europe just prior to the war, the Germans would begin to attack Jewish businesses and homes, and harass individual Jews, which would have the effect of forcing them to leave Germany for Palestine--exactly as the above mentioned advertisement later claimed.

The advertisement closed with the following words in big, bold letters: "Zionist politicians and their fellow travelers do not speak for the Jewish people: Indeed, the Zionist conspiracy against the Jewish tradition and law makes Zionism--and all of its activities and entities--the archenemy of the Jewish people to-

day." The advertisement bore the signatures of scores of the most influential Jewish people in the New York area, and although this was 1970, the fact is that orthodox Jews are still strongly opposed to Zionism and its state of Israel. Clashes and confrontations between such Jews and the Israeli police and military are a weekly occurrence in cities like Tel Aviv and Jerusalem.

On August 27, 1969, there occurred a most astounding radio broadcast over Radio Station WBAI-FM New York, by an American member of a Jerusalem-based Jewish organization "Friends of Jerusalem" as an affiliate of the world wide Jewish Neturei Karta anti-zionist movement. Having obtained the transcript of that broadcast which is too long to include in its entirety, only the highlights can be published here: "...In commenting on Jewish affairs, no topic is more vital today than a clarification of the differences between Judaism and Zionism. All too many Americans are still under the impression that these terms are more or less synonymous--that being a Jew means automatically to be a Zionist, and this also implies a certain loyalty to the state of Israel.

Let me therefore state right at the beginning that Judaism and Zionism are completely incompatible and mutually exclusive. If you are a good Jew, you cannot be a Zionist. If you are a Zionist, you cannot be a good Jew....The written and oral law, the Torah, is the eternal constitution of the Jewish people, which may be interpreted by those properly qualified, but which can never, in essence, be abrogated, changed or amended. Through thousands of years Jews have lived under these rules...

Political Zionism started in Europe more than seventy years ago under the impact of anti-semitism... The leading figures in Zionism from the very beginning have always been men and women who rejected the obligatory nature of these Jewish religious laws... The aims of Zionism are to give the Jewish people a country of its own, to revive He-

brew as its everyday language, to give it a government of its own, parliament, an army, navy and air force, and all of the paraphernalia of nations like all others...Zionists considered it a great day when THEY declared the state of Israel and when the flag of THEIR state was raised on a flagstaff in front of the U.N. among the banners of all other nations.

This creation of a secular so-called Jewish state is treason to the Jewish people...It would also do the following: (1) Free the Jews as a people from their religious obligations...(2) Subject the Jews to the ordinary laws of national existence...(3) It would automatically and inevitably--the State of Israel now being a nation like the others, but CLAIMING a special relationship to Jews everywhere--force these Jews in cases of conflict to face and decide questions of their primary loyalty. It is hardly necessary to add that this problem of loyalty has already been posed in a number of countries during the past twenty years.

In this short presentation it would be impossible to deal with the IMPACT OF ZIONISM ON THE UNITED STATES, although this would be a very interesting topic, or with the danger that it creates in other countries. We are tonight concerned only with the difference between Zionism and Jews who are loyal to their faith".

We ourselves can fill in somewhat on that "very interesting topic" by looking at several aspects of how the United States under the influence, domination and control of international Zionism, which when all is said and done is no more and no less than the guiding force and the driving force behind communism, is slowly but surely bringing the United States into the position of becoming its satellite state existing only to carry out its every command, finance it and fight its battles

Protocols of the Elders of Zion: Part IV

We have got our hands into the administration of the law, into the conduct of elections, into the press, into liberty of the person, *but principally into education and training as being the corner-stones of a free existence.*

We have fooled, bemused and corrupted the youth of the goyim by rearing them in principles and theories which are known to us to be false although it is by us that they have been inculcated.

Above the existing laws without

substantially altering them, and by merely twisting them into contradictions of interpretations, we have erected something grandiose in the way of results. These results found expression first in the fact that the *interpretations masked the laws:* afterwards they entirely hid them

from the eyes of the governments owing to the impossibility of making anything out of the tangled web of legislation.

This is the origin of the theory, of course, of arbitration.

You may say that the *goyim* will rise upon us, arms in hand, if they guess what is going on before the time comes; but in the West we have against this a manoeuvre of such appalling terror that the very stoutest hearts quail--the undergrounds, metropolitans, those subterranean corridors which, before the time comes, will be driven under all the capitals and from whence those capitals will be blown into the air with all their organization and archives.

[Hatonn: **GO BACK AND REREAD THE LAST PARAGRAPH--NOW!!!** I'm sorry chelas, this is exactly that which they mean--they plan to blow you to the ethers if you resist when they are settled for the death blow. You are in it, beloved ones. There is not one major city in your nations which does not sit atop this underground network--all laid with capability of blowing the cities apart--NOW! IT MAKES A LITTLE 10 POINT EARTHQUAKE LOOK INNOCENT, DOES IT NOT?]

and wars against all who would seek justice from its ruthless actions.

In order to give itself some semblance of representing the Jewish people, certain splinter groups and minor quasi-religious political parties were created in Israel to act as a pretext and a smokescreen to cover Zionist activities in a false mantle of Judaism. These small parties often hold the balance of power, their sole function being to throw sand in the eyes of the world and make it believe that the Judaic religion plays a large role in political decision making. This is entirely false and misleading.

The Jewish Neturei Karta movement has roundly denounced such Zionist deceptive practices, and calls those "who try to combine the traditional practice of the Jewish faith with Zionist activity, but by its very nature, this is a hopeless cause". Remember this deception the next time you see on America's Zionist-dominated television stations, Prime Minister Shamir huddling with what are termed "Jewish religious party members" seeking a solution to this, that or the other problem. It is all a charade. Traditional Jews have themselves so stated.

"By accepting the leadership of irreligious or anti-religious Zionists who under Jewish law are not qualified to exercise any leadership or occupy any position of trust within the Jewish community and also by subjecting matters of faith and religious law to parliamentary and other major votes, they actually admit the priority of the secular national Jewish state over the special

nationhood of the Jewish people".

So there we have it. Begin, Shamir, Sharon, Ada Eban, Moshe Arens--Zionists all, do not speak for the Jewish people, notwithstanding their claim to have religious Jewish political parties holding the balance of power in the Knesset. Such an arrangement is nothing but a political scheme and nothing Judaic should be attached to it.

The broadcast continued with the narrator detailing the most often-asked questions and providing answers: Question (1) "Isn't it very beneficial for the self-respect of Jews that they now have a country of their own and a highly efficient and dependable army?" Answer: "... The prayers for the Holy Lead have been said for thousands of years, but they have nothing to do with the atheists who founded the state of Israel or with their state...And the fact that during the past twenty years more Jews have been killed in the Israeli wars than anywhere else on earth and that more non-Jews have been killed there by Jews than anywhere else is not a source of pride, but one of deepest regret to all Jews WHO HAVE NOT BEEN INFECTED BY THE POISON OF ZIONISM."

Question (2): "If Zionism is so absolutely contrary to Judaism, how is it that so many Jews are sympathetic toward Zionism? Answer: "It is not at all surprising that so many Jews have been swayed by Zionism. Anyone who is surprised by this fact reveals an abysmal ignorance of Jewish history...But in the long run any student of Jewish history knows that all these (false) movements have failed..."

Question (3): "If there were no state of Israel, where would persecuted Jews find a place of refuge?" Answer: "As to the state of Israel as a place of refuge, this is perhaps the greatest fallacy of them all. Anyone who has read such books as *MIN HAMETZER* by the late Rabbi Weismundel or *PERFIDIDY* by the late Ben Hecht is aware of Zionist treachery at the most critical time of Nazi persecution. In fact, ZIONISM IS MOST INTERESTED IN UNDERMINING THE POSITION OF JEWS IN OTHER COUNTRIES SO AS TO MAKE THEM IMMIGRATE TO ISRAEL, AND THIS PLAN HAS ALREADY SYSTEMATICALLY BEEN CARRIED OUT IN A NUMBER OF COUNTRIES."

Classic examples of the foregoing absolute truths are found in the already alluded to pact made between the Irgun and Haganah terrorists and Himmler and Eichman. This insidious deal was hatched because Palestine was very much in need of a "Jewish" population, but no Jews wanted to exchange their cultured lives in Germany for the barren sands of Palestine. As Yitzak Ben Ami told Eichman "They are too comfortable with their grand pianos and their crystal chandeliers. We want them in Israel." The reprobate Ben Hecht largely confirmed and in several instances detailed further treachery by international Zionism against the Jews they claim to represent.

There is much more to this informative broadcast and *PHOENIX LIBERATOR* will carry details of this an other Jewish protests over Zionist perfidy in its next three weekly issues. Some of the charges by Jews against Zionism are truly amazing!

PROTOCOLS: cont. from Page 21.**all the World." Inoculation of diseases and other wiles of Masonry.**

Today I begin with a repetition of what I said before, and *I beg you to bear in mind that governments and peoples are content in the political with outside appearances.* And how, indeed, are the *goyim* to perceive the underlying meaning of things when their representatives give the best of their energies to enjoying themselves? For our policy it is of the greatest importance to take cognizance of this detail; it will be of assistance to us when we come to consider the division of authority, freedom of speech, of the press, of religion (faith), of the law of association, of equality before the law, of the inviolability of property, of the dwelling, of taxation (the idea of concealed taxes), of the reflex force of the laws. All these questions are such as ought not to be touched upon directly and openly before the people. In cases where it is indispensable to touch upon them they must not be categorically named, it must merely be declared without detailed exposition that the principles of contemporary law are acknowledged by us. The reason of keeping silence in this respect is that by not naming a principle we leave ourselves freedom of action, to drop this or that out of it without attracting notice; if they were all categorically named they would all appear to have been already given.

The mob cherishes a special affection and respect for the geniuses of political power and accepts all their deeds of violence with the admiring response: "rascally, well, yes, it is rascally, but it's clever!...a trick, if you like, but how craftily played, how magnificently done, what impudent audacity!"

We count upon attracting all nations to the task of erecting the new fundamental structure, the project for which has been drawn up by us. This is why, before everything, it is indispensable for us to arm ourselves and to store up in ourselves that absolutely reckless audacity and irresistible might of the spirit which in the person of our active workers will break down all hindrances in

our way.

When we have accomplished our coup d'etat we shall say then to the various peoples: "Everything has gone terribly badly, all have been worn out with sufferings. We are destroying the causes of your torment--nationalities, frontiers, differences of coinages. You are at liberty, of course, to pronounce sentence upon us, but can it possibly be a just one if it is confirmed by you before you make any trial of what we are offering you."...Then will the mob exalt us and bear us up in their hands in a unanimous triumph of hopes and expectations. Voting, which we have made the instrument which will set us on the throne of the world by teaching even the very smallest units of members of the human race to vote by means of meetings and agreements by groups, will then have served its purposes and will play its part then for the last time by a unanimity of desire to make close acquaintance with us before condemning us.

*To secure this we must have everybody vote without distinction of classes and qualifications, in order to establish an absolute majority, which cannot be got from the educated propertied classes. In this way, by inculcating in all a sense of self-importance, we shall destroy among the *goyim* the importance of the family and its educational value and remove the possibility of individual minds splitting off, for the mob, handled by us, will not let them come to the front nor even give them a hearing; it is accustomed to listen to us only who pay it for obedience and attention. In this way we shall create a blind, mighty force which will never be in a position to move in any direction without the guidance of our agents set at its head by us as leaders of the mob. The people will submit to this regime because it will know that upon these leaders will depend its earnings, gratifications and the receipt of all kinds of benefits.*

A scheme of government should come ready-made from one brain, because it will never be clinched firmly if it is allowed to be split into fractional parts in the minds of many. It is allowable, therefore, for us to have cognizance of the

scheme of action but not to discuss it lest we disturb its artfulness, the inter-dependence of its component parts, the practical force of the secret meaning of each clause. To discuss and make alterations in a labor of this kind by means of numerous votings is to impress upon it the stamp of all ratiocinations and misunderstandings which have failed to penetrate the depth and nexus of its plottings. We want our schemes to be forcible and suitably concocted. Therefore, WE OUGHT NOT TO FLING THE WORK OF GENIUS OF OUR GUIDE to the fangs of the mob or even of a select company.

These schemes will not turn existing institutions upside down just yet. They will only effect changes in their economy and consequently in the whole combined movement of their progress, which will thus be directed along the paths laid down in our schemes.

Under various names there exists in all countries approximately one and the same thing. Representation, Ministry, Senate, State Council, Legislative and Executive Corps. I need not explain to you the mechanism of the relation of these institutions to one another, because you are aware of all that; only take note of the fact that each of the above-named institutions corresponds to some important function of the State, and I would beg you to remark that the word "important" I apply not to the institution but to the function, consequently it is not the institutions which are important but their functions. These institutions have divided up among themselves all the functions of government--administrative, legislative, executive, wherefore they have come to operate as do the organs in the human body. If we injure one part in the machinery of State, the State falls sick, like a human body, and...will die.

When we introduced into the State organism the poison of Liberalism its whole political complexion underwent a change. States have been seized with a mortal illness--blood-poisoning. All that remains is to await the end of their death agony.

Liberalism produced Constitutional States, which took the place of what

was the only safeguard of the *goyim*, namely, Despotism; and a constitution, as you well know, is nothing else but a school of discords, misunderstandings, quarrels, disagreements, fruitless party agitations, party whims--in a word, a school of everything that serves to destroy the personality of State activity. The tribune of the "talkeries" has, no less effectively than the Press, condemned the rulers to inactivity and impotence, and thereby rendered them useless and superfluous, for which reason indeed they have been in many countries deposed. Then it was that the era of republics became possible of realization; and then it was that we replaced the ruler by a caricature of a government--by a president, taken from the mob, from the midst of our puppet creatures, our slaves. This was the foundation of the mine which we have laid under the *goy* people, I should rather say, under the *goy* peoples.

In the near future we shall establish the responsibility of presidents.

[Hatonn: Feeling a bit sickened yet?]

By that time we shall be in a position to disregard forms in carrying through matters for which our impersonal puppet will be responsible. What do we care if the ranks of those striving for power should be thinned, if there should arise a deadlock from the impossibility of finding presidents, a deadlock which will finally disorganize the country?

In order that our scheme may produce this result we shall arrange elections in favor of such presidents as have in their past some dark, undiscovered stain, some "Panama" or other--then they will be trustworthy agents for the accomplishment of our plans out of fear of revelations and from the natural desire of everyone who has attained power, namely, the retention of the privileges, advantages and honor connected with the office of president. The chamber of deputies will provide cover for, will protect, will elect presidents, but we shall take from it the right to

See PROTOCOLS: Page 23.

PROTOCOLS: cont. from Page 22.

propose new, or make changes in existing laws, for this right will be given by us to the responsible president, a puppet in our hands. Naturally, the authority of the president will then become a target for every possible form of attack, but we shall provide him with a means of self-defense in the right of an appeal to the people, for the decision of the people over the heads of their representatives, that is to say, an appeal to that same blind slave of ours--the majority of the mob. Independently of this we shall invest the president with the right of declaring a state of war

[Hatonn: LISTEN-UP!] We shall justify this last right on the ground that the president as chief of the whole army of the country must have it at his disposal, in case of need for the defense of the new republican constitution, the right to defend which will belong to him as the responsible representative of this constitution.

It is easy to understand that in these conditions the key of the shrine will lie in our hands, and no one outside ourselves will any longer direct the force of legislation.

Besides this we shall, with the introduction of the new republican constitution, take from the Chamber the right of interpellation on government measures, on the pretext of preserving political secrecy, and, further, we shall by the new constitution reduce the number of representatives to a minimum, thereby proportionately reducing political passions and the passion for politics. If, however, they should, which is hardly to be expected, burst into flame, even in this minimum, we shall nullify them by a stirring appeal and a reference to the majority of the whole people... Upon the president will depend the appointment of presidents and vice-president of the Chamber and the Senate. Instead of constant sessions of Parliaments we shall reduce their sittings to a few months. Moreover, the president, as chief of the executive power, will have the right to summon and dissolve Parliament, and, in the latter case, to prolong the time for the appointment of a new parliamentary

assembly. But in order that the consequences of all these acts which in substance are illegal, should not, prematurely for our plans, fall upon the responsibility established by us of the president, *we shall instigate ministers and other officials of the higher administration about the president to evade his dispositions by taking measures of their own*, for doing which they will be made the scapegoats in his place... This part we especially recommend to be given to be played by the Senate, the Council of State, or the Council of Ministers, but not to an individual official.

The president will, at our discretion, interpret the sense of such of the existing laws as admit of various interpretations; he will further annul them when we indicate to him the necessity to do so, besides this, he will have the right to propose temporary laws, and even new departures in the government constitutional working, the pretext both for the one and the other being the requirements for the supreme welfare of the State.

By such measures we shall obtain the power of destroying little by little, step by step, all that at the outset when we enter on our rights, we are compelled to introduce into the constitutions of States to prepare for the transition to an imperceptible abolition of every kind of constitution, and then the time is come to turn every form of government into *our despotism*.

The recognition of our despot may also come before the destruction of the constitution; the moment for this recognition will come when the people, utterly wearied by the irregularities and incompetence--a matter which we shall arrange for--of their rulers, will clamor: "Away with them and give us one king over all the earth who will unite us and annihilate the causes of discords--frontiers, nationalities, religions, State debts--who will give us peace and quiet, which we cannot find under our rulers and representatives."

But you yourselves perfectly well know that *to produce the possibility of the expression of such wishes by all the nations it is indispensable to*

trouble in all countries the people's relations with their governments so as to utterly exhaust humanity with dissension, hatred, struggle, envy and even by the use of torture, by starvation, BY THE INOCULATION OF DISEASES, by want so that the *goyim* see no other issue than to take refuge in our complete sovereignty in money and in all else.

But if we give the nations of the world a breathing space the moment we long for is hardly likely ever to arrive.

[Hatonn: How much more confirmation do you require? Ok, let us continue for there are 24 of these well laid forth blueprints covering the entirety of your experiences as people.]

PROTOCOL NO. 11

Programme of the new constitution. Certain details of the proposed revolution. The *goyim*--a pack of sheep. Secret masonry and its "show" lodges.

The State Council has been, as it were, the emphatic expression of the authority of the ruler: it will be, as the "show" part of the Legislative Corps, what may be called the editorial committee of the laws and decrees of the ruler.

This, then, is the programme of the new constitution. We shall make Law, Right and Justice (1) in the guise of proposals to the Legislative Corps, (2) by decrees of the president under the guise of general regulations, of orders of the Senate and of resolutions of the State Council in the guise of ministerial orders, (3) and in case a suitable occasion should arise--in the form of a revolution in the State.

Having established approximately the *modus agendi* we will occupy ourselves with details of those combinations by which we have still to complete the revolution in the course of the machinery of State in the direction already indicated. By these combinations I mean the freedom of the Press, the right of association, freedom of conscience, the voting principle, and many another that must disappear forever from

the memory of man, or undergo a radical alteration the day after the promulgation of the new constitution. It is only at that moment that we shall be able at once to announce all our orders, for, afterwards, every noticeable alteration will be dangerous, for the following reasons: if this alteration be brought in with harsh severity and in a sense of severity and limitations, it may lead to a feeling of despair caused by fear of new alterations in the same direction; if, on the other hand, it be brought in a sense of further indulgences it will be said that we have recognized our own wrongdoing and this will destroy the prestige of the infallibility of our authority, or else it will be said that we have become alarmed and are compelled to show a yielding disposition, for which we shall get no thanks because it will be supposed to be compulsory.

...Both the one and the other are injurious to the prestige of the new constitution. What we want is that from the first moment of its promulgation, while the peoples of the world are still stunned by the accomplished fact of the revolution, still in a condition of terror and uncertainty, they should recognize once for all that we are so strong, so inexpugnable, so superabundantly filled with power, that in no case shall we take any account of them, and so far from paying any attention to their opinions or wishes, we are ready and able to crush with irresistible power all expression or manifestation thereof at every moment and in every place, that we have seized at once everything we wanted and shall in no case divide our power with them... Then in fear and trembling they will close their eyes to everything, and be content to await what will be the end of it all.

The *goyim* are a flock of sheep, and we are their wolves. And you know what happens when the wolves get hold of the flock?...

There is another reason also why they will close their eyes: for we shall keep promising them to give

See PROTOCOLS: Page 24.

PROTOCOLS: cont. from Page 23.

back all the liberties we have taken away as soon as we have quelled the enemies of peace and tamed all parties....

It is not worth while to say anything about how long a time they will be kept waiting for this return of their liberties....

For what purpose then have we invented this whole policy and insinuated it into the minds of the goys without giving them any chance to examine its underlying meaning? For what, indeed, if not in order to obtain in a roundabout way what is for our scattered tribe unattainable by the direct road? It is this which has served as the basis for our organization of **SECRET MASONRY WHICH IS NOT KNOWN TO, AND AIMS WHICH ARE NOT EVEN SO MUCH AS SUSPECTED BY, THESE GOY CATTLE, ATTRACTED BY US INTO THE "SHOW" ARMY OF LODGES IN ORDER TO THROW DUST IN THE EYES OF THEIR FELLOWS.**

God has granted to us, His Chosen People, the gift of the dispersion, and in this which appears in all eyes to be our weakness, has come forth all our strength, which has now brought us to the threshold of sovereignty over all the world.

There now remains not much more for us to build up upon the foundation we have laid.

[Hatonn:

Can you now see how the masses of humanity has fallen quite willingly and unknowingly into the trap? Blame has no place in this exercise for there is not time for casting blame and shouting objections--that time is past--now, there requires massive acknowledgement of the truth of the "game" and demand that it halt. It is totally up to you as a people for it becomes foolish to say, "I simply can't see it and these are all lies," for you KNOW that they are NOT! It is fine to be in awe and shock but then, you must put aside the stunned inaction and shake up your neighbor just a bit perhaps. You can see that you have followed the plan to the tiny-most detail in every manner laid forth.]
