STILL HAVE DOUBTS?

I am not going to dance with you about what is happening here and there around the nation of the U.S. If you cannot see and recognize the power at play—then you **MUST** get information already given forth through this resource. If you are still focusing on the West Coast and paying no attention to the East—you are in error. You are getting it from both sides, chelas, and if you are not clever and utilize all the lessons we have given—you will miss it.

The worst of the hurricane which blew through Florida is yet to come if the power-brokers don't get results. It is planned to move Westward then turn Northward and join with the storm remnants from the Western hurricane. This will then

center somewhere over Arkansas. This will give Clinton a bit of home-base problems. The Miami strike and movement over the Zapata oil platforms and bases along the Gulf Coast will give Bush a headache. But that is not the worst of it.

It was expected to be even worse than it has so far been. Note Bush had, prior to any damage or emergency, already sent in FEMA resources along with National Guard units. The Miami people called the resources OES or OEM (OFFICE OF EMERGENCY SERVICES/MANAGEMENT, ETC.) This WAS the title prior to changing it through FEMA regulations to FEMA—REMEMBER? You HAVE all the information if you have the LIBERATORS and JOURNALS. You are getting a rapid visual picture of how it works—in deadly action. This is the beginning of total control

of "groups" of citizens. All they actually had to do to make this totally devastating was to demolish the housing facilities.

THIS WAS AS MASSIVE A SHOW OF WEATHER CONTROL AND DIRECTING AS YOU WILL LIKELY SEE. Even your Dan Rather blathered about the incredible non-wavering course of the storm (never seen before), and the more-incredible LIGHT SHOW of "colored" (assumed lightening) display—never seen before and totally terrifying. Further, do you think it accident to have two opposite storm systems meet and integrate in mid U.S.? Did anyone note that Arizona had historically record setting rainfall yesterday and last night? KEEP THOSE EYES AND EARS OPEN! DO YOU THINK IT ACCIDENTAL THAT THE LAND-STRIKE ON FLORIDA WAS A MISDIRECTED ERROR? IT ACTUALLY ONLY HIT THE AREAS WHEREIN BUSH HAS DRUG EXCHANGE HEADQUARTERS AND THE LARGEST AREA OF "JEWISH" RESIDENTS — SOME KHAZARIAN. THIS INDICATES TOTAL HATE FOR A GROUP OF PEOPLE—FOR THE DAMAGE IN POLITICAL AND COMMERCIAL AREAS ARE YET TO COME—IF

MASSIVE CAPITULATION DOES NOT OCCUR.

THEN, THE EARTHQUAKES ARE OFF?

Heavens to Betsy—of course NOT. You are about to witness the devastating blows of POWER at work—both sides against the middle and you are caught in the vice-grip. There **MUST** be massive (non-localized geographically) emergencies in order to bring control over-all. It simply looks better if done politically and "legally" than through use of visible FORCE. When hit from every side—especially with California with no local budget and in bankruptcy—you take the State, as example only, by gift and not visible force. California could not handle such devastation—especially if a massive storm front accompanies a massive earthquake with its attendant volcanic eruptions. California is THE EXAMPLE of total instability in readiness for pushing over the edge. Is there "hope"? Slim to none if you don't get organized and fast! I suggest you shore up your emergency rations, fasten down the door-

Gritz Challenges America: "Wake Up Now!"

(Editor's note: The following is the complete text of presidential candidate Colonel James "Bo" Gritz' dynamic speech at the well-attended citizens' rally in Tehachapi, California on Sunday afternoon, August 16, 1992.)

8/16/92 GRITZ

Brother, have you ever lost a son? Have you ever lost a father? I lost my dad in World War II. He was a pilot. He didn't come home from Europe. I lost twenty-five hundred brothers in southeast Asia. They didn't come home either.

It wasn't my idea to go looking for them. But in 1979, we had some Generals who knew that Americans were still left behind. Now, in the newspapers, we read where they were all right. We had a President who didn't care. His name was Jimmy Carter. We had a man named Cyrus Vance who was Secretary of State, and they said, "No, there are no living Americans. We won't authorize one cent for any pursuit of prisoners of war. And so, like patriots, we did it anyway.

I salute those few Generals because they are few in number who were the original ones, other than the families, to keep the faith. So, they call a man named H. Ross Perot and they explained the situation—that the President and the Secretary of State would not authorize it, but they wanted to know if he would cover a mission to try and determine whether there were or were not prisoners left alive and I was the person that they chose to send to make that determination.

On the tenth story of a building in the EDS (Electronic Data Systems) complex in Dallas, Texas, H. Ross Perot drew me near and said, "Bo, I've been asked by General Eugene Tighe

to have you go to Southeast Asia. Now, you go over there and you do everything you have to do. **You come back here and you tell us there aren't any American prisoners still left alive.**"

Now, that was my intent when I left Dallas in April of 1979. I didn't want there to be any of my family still alive in the hands of the enemy six years after we had pulled out, but I'm a man of truth. As a matter of fact, the thing that I used to get into trouble for more than anything else my whole life, even when I was a little popper, was for being at the back of my Grandma's closet trying to see what was back behind all of the linens and the old clothes that were stacked up there. I wanted to know even if it was an old rat box. I wanted to see what it was. I was in trouble because I'd climb up on a chair and get on the cabinet and reach and look up into the top drawers and want to see what was in the bottles all the way at the back.

The very first schools that I went to in Special Forces were safe cracking and lock picking. It was made in heaven for me to be a Special Forces Soldier.

The truth is a very valuable and elusive commodity, especially in America today. But they chose the wrong man if they wanted me to go over and come back and say something that wasn't true, because when I did come back in May of 1979, I had bad news for them. My reports were that there are American prisoners still in the hands of our enemy, and, boy, it started.

We immediately had all kinds of bureaucratic problems in Washington. Still we kept on. In April of 1980, I was in Southeast Asia and I sent a patrol across the river to check out ten targets that the hated CIA had

given me as possible locations of living prisoners of war. One of the patrols returned saying, "Yes, there are thirty Americans alive today at Nhommarath."

As a matter of fact, I just saw in the L.A. newspaper where the Nhommarath reports were finally being made public since 1980.

We didn't know whether to believe them or not. We came back and we asked for a SR-71 which could provide oblique photography. That SR-71 can see your face from one hundred thousand feet above the earth. We would know for certain who the prisoners were. It was of such low priority, and that was May, that we didn't get anything until November of 1980 when we were voting for Ronald Reagan.

I voted for him twice. He was a movie star. I didn't think he'd hurt the United States of America. I didn't vote for George Bush.

In November, a satellite took a photograph of Nhommarath and there was a prison compound and there were thirty American prisoners of war, confirmed because A-1 intelligence is the very highest intelligence rating that we have in our system. There was a very discernible figure "52" that had been made by the occupants of Nhommarath camp in the ground where it could be seen from the air.

The number "52" was a code. It meant that there were Americans present; don't bomb this location.

This got everyone excited. Suddenly, they were going to make the rescue not using my forces, but they were going to use Delta Force at Ft. Bragg. Finally, in March of 1981, the President was already installed and all these decisions had been

made. I was called back to Washington, DC and in the bowels of the Defense Intelligence Agency located in the Pentagon, Admiral Jerry O. Tuttle told me, "Bo, we're going to make this rescue using Delta. I want you to go home and allow these official forces to do this." I said, "Admiral Tuttle, I don't believe the government is going to do it because Ronald Reagan is already being cast as a hawk. We're criticising the Russians for being in Afghanistan. What happens when we send the Marines in to Laos and they fail like the rescue did at 'Desert One' in Iran?" I said, "It's going to be like the Bay of Pigs. In the last hours, they're going to turn the planes around." And I said, "Please, let us continue in lock-step. We won't do anything until the official mission is set aside."

It was all Special Intelligence in those days and I couldn't even tell the people that were with me exactly what was going on and some of them became disgruntled.

Finally in April, Admiral Tuttle told me, "The planes will not be turned around. This rescue is going to go forward." And then on May 21st, he called me. I was living in California, in the Los Angeles area, and he said, "Bo, the planes have been turned around. The mission is off." We weren't going to bring home the Americans we knew were there.

Now, I see in the newspapers, I saw it yesterday in the *Denver Post*, where the 1981 agreements with Vietnam and our rescue efforts in Laos are now public knowledge. But what are we doing about it?

You've got Henry Kissinger on *Nightline* with Mr. Kerry from the state of Massachusetts, head of the Prisoner of War Com-

mittee, saying, "It's outrageous that anyone would accuse a bureaucratic official of leaving Americans behind knowingly in the hands of the enemies." **HENRY KISSINGER SHOULD BE INDICTED FOR TREASON.** They gave him the Nobel Peace Prize, but I want you to note something. They gave Henry Kissinger the Nobel Peace Prize and that fat turkey accepted it, but Le Duc Tho, who was the other negotiator, out of honor refused it because he knew what was going on. And, along with that Nobel Peace prize, we also gave it to Gorbachev. I'm sure we'll be offering it to George Bush by next year.

There ought to be an indictment on the side of truth, an indictment for treason for knowingly leaving those prisoners behind in the hands of our enemies.

Now, I don't have the time because I have some other points that I want to make. But I just want to summarize this day because I started this talk about prisoners. If you take my newsletter, or if the media has any way cooperated, **we called for a national day of fasting and prayer that God Almighty might do for us what we haven't been able to accomplish for ourselves, and that is the delivery of our brothers home while they're still alive.**

I want to tell you that there were five occasions since 1983 where we have known where American prisoners of war were located and we have gone seeking to bring them home and in every case in the last moments, we met the enemy and, as Pogo has said, "We found him to be us", meaning the bureaucrats in Washington DC. Five occasions we've had to leave the Americans behind because we've denied the victory.

The reason I have called for a national day of fasting on Saturday (yesterday) and prayer today is because if we do not bring our brothers home now, they will not be figuratively, they will be literally buried and it will be done before I can ever be president. It cannot wait for that to happen and it will be done so that Mobil Oil can start drilling offshore in

Vietnam and it will be done so that other contractual arrangements can go forward and it will be done so that the Soviet Union can receive twenty-four billion dollars in aid from us. And it will be done so that the politicians will feel safe again that no American, no matter how determined we are, will ever come home alive.

Well, we've tried. We've done everything we can. You may or may not be familiar with what we have tried. When I say "we", I mean America. I represent the Lazarus Team. My Team was official. I had the backing of the Central Intelligence Agency. I had the backing of the Defense Intelligence Agency, the Intelligence Support Activity. We couldn't do it. You haven't been able to do it in whatever other private efforts have been going on out there. But, I've learned something in my life: it's caused me to be fearless. It has given me the confidence that a bumble bee has to fly despite what Northrop University says, that "It's not aerodynamically capable of sustaining flight." It's the thing that has allowed the few to do and give battle against the many and win against the many. It's the thing that separated Elijah from the armies of Assyria. It's the thing that gave victory to Gideon and three hundred against a hundred and thirty thousand Midianites. It's the thing that allowed George Washington to bring King George to his knees. It's the thing that permitted a young sergeant by the name of Willie Brown to, in absolute desperation with no chance of survival, lead a small contingent of Colonial soldiers against the outer British battlements at Yorktown.

On that day, it was indeed a forlorn night because all of the men knew none of them would return. They were a small group going to go against the tens of thousands. How could they return? And finally, that thing that lit up Gideon. The thing that made Elijah tell his young helper, "Fear not for they that be with us are more than they would be with them." That Something got into Willie Brown and he said, "Follow me" and ten minutes after they launched their attack, they weren't just

into the outer, they had broken into the very command center at Yorktown and the British regiments were withdrawing and falling back in fear and confusion and Washington sent his Colonial Soldiers to start filling in the gap and the Battle at Yorktown was won and the American Revolution was won at Yorktown, was it not? And how many of Willie Brown's volunteers died that night? NOT ONE. And how many volunteers were wounded that night? NOT ONE, except Willie Brown, who took a bayonet through his hand, and he was the first American soldier to ever receive the Purple Heart from General George Washington for military merit above and beyond the call of duty.

God bless Willie Brown. God bless those who have put on a uniform. God bless those with the courage to do what the faint-hearted fearing will not do. God bless the three percent that stood against the ninety-seven percent that said, "We can live under the King just a little while longer."

Friends, it is That Element that will allow our prisoners to be returned to us if enough of us will recognize our dependency upon God Almighty and will call upon him with our unified voices. I'm not a preacher, but I've got a very personal relationship with God. You gain that with over a hundred special operations in places you should have never come out of. I know that God is. I know that God is my father and I know that somehow God hears even my voice and I know that he'll hear all of our voices because all across the nation, I've asked and I have a feeling that it's being done in the tens of thousands. I've asked people who would, "Would you fast?" Remember Esther of the Bible? It looked like all of her people were going to be slain, and so she told them, "You fast and you pray." And in Psalm 35, David fasts. When you fast, every time you feel a little hunger it reminds you of the purpose of your fast, your prayer, your petition. I hope that some of you have fasted with us through Saturday and we're prepared to offer a prayer. If you don't mind, I'll be the voice

for this prayer:

Father, God Almighty, who art in heaven, hallowed be thy name. Father, we thank thee for this earth. We thank thee Father for this life and citizenship in this the greatest nation on the globe. Father, we thank thee for the knowledge that we are thy children if we will be. Father, we thank thee for the knowledge that if we ask it in righteousness it shall be given us, and thou has promised us that where two or three gather there are You, also, in thy spirit. Father, we are thankful for all the things for thou art the author of all good that thou has given us. Father, we gather together in this company, this day with a single purpose in our heart. Father, every spirit speaks out in angelic language. Father, every soul now speaks with one purpose, a righteous purpose with no thought of any self-serving reason. Father, we ask thee, in thy mercy lift up our prisoners, bring our brothers and restore them to their families in this great nation, Father, while they still live. We seek only thy will. We know not thy agenda. Father, we have all faith and hope in thee and we know that yours is the hand that has made this universe and all things that are good. Father, that same hand can restore even the life to Lazarus. And Father, that same hand can restore even our brothers unto us. Father, hear

our righteous prayer. Father, grant us this petition that this nation might awaken again to what is right and wrong in conscience. Father, grant that this be given to us that we might clearly give thee the glory for we are children and thou art our Father and we seek this great favor from thee. And this favor we ask, O God, in all faith, in all hope, in all confidence, we ask it in the name of Jesus, the Christ. Amen.

I want to thank you for whatever faith you've had to join with me. Friends, we've run out of solutions on these prisoners. I've always had another way to go. Everytime one door was closed, it looked like another was opened. I've fallen on my knees in absolute desperation and cried out in God's name, "Why can't we just get a break when what we're trying to do is righteous?", and I never knew why we couldn't win the victory. I do know this, I've learned this in combat and I'll share it with you: before the guilty can ever be punished before the bar of justice, the innocent must suffer. So when your children suffer and when your loved ones are taken from you in the challenging times ahead, and when things happen that you don't understand, it's your job to keep faith with God almighty for without God we are nothing. And we keep faith in God almighty and we must understand that someday the blood of those who have innocently been harmed will cry out from the ground, even as Abel cried out for justice against Cain. And God in his wisdom and in his justice and in his time will cause all things to be right.

Now there are things that we can do and I want to outline some things that we must do. When I say "we", it doesn't have to be Bo Gritz because when you came here today, I hope you came here to learn something. If you leave here and you haven't learned anything, don't go. Stop

me right up there where I came in and say, "Bo, I didn't learn a thing here today." I will scrape my brain, I promise you, to try to divulge for you. If I have to I'll reach down into the Special Intelligence area and the Top Secrets. I'm going to tell you something that has made it worth your while coming here this day. That's my purpose.

There are some things that **we have to do**. If we do not do them, America ceases to be the land that we now live in. Anyone could do it. Some of you. And thank you for being in uniform wearing Bo Gritz tee shirts and "No New World Order" tee shirts, I appreciate your support. **What I am doing as one man, I'm lifting a banner of Liberty and fearlessly I am going to go forward and I can't do it alone. But with your support, we are going to take Capitol Hill and we are going to restore and revive the Constitution of the United States and we're going to place this government back under God where it belongs once and for all.**

(Applause.)

But what you're supporting, it could be any of you. I'm just one who has volunteered. I've come forward. I've said through my experiences God has preserved me and allowed me to become fearless of all physical things on this earth. My experiences have given me the confidence to move forward without compromise, but it could be any one of you. It could be Clinton. It could be Bush. But, the chances are it will not be. I believe in conversion. I believe that when Saul was struck by the Holy Ghost upon the road and became Paul, that that could happen to George Bush. But I tell you, it would be Divine Intervention, wouldn't it? I don't know if it could happen to Bill Clinton, but I suppose that it could.

(Laughter)

It could be anyone. That is my point. As long as we have the same objectives, we're supporting one thing and it's real simple, it's in one page and it's called **The Constitution of the United States of America**. If we'll just support that, friends, we will have prosperity, we'll

have health care, we'll have everything we need in this nation. But, without it—and we're about like a barrel going over the edge at Niagara Falls—if we don't act now, we will deserve what it is that we went over for. And so, you represent a remnant. I'm sure that Bill Clinton will probably come to Tehachapi, don't you think? I know George Bush is going to land out here at the Tehachapi Airport and he'll assemble and there will probably be thousands. I'll bet your local newspaper will be here, but, I'll bet you, you'll leave here not knowing one new thing. I'll bet you leave here with Bushlip. I'll bet you leave here with a little bit of Clinton's hips, maybe, but you won't have any new knowledge at all about how to get this nation back on our feet as a healthy and as a sovereign and as a solvent nation. It's not you that I'm worried about.

George Washington told his troops, "In your hands rests the destiny of hundreds of millions of unborn Americans." In your hands rests the destiny today of two hundred and fifty million living Americans. And I think we ought to be ashamed of ourselves.

We should recognize what we are. We are prodigal children of the most high God. We have taken a birthright that is the greatest on the globe and haven't we squandered it? And like the prodigal child, we have taken all that has been given to us in our inheritance and we have allowed it to be taken from us by those who are of much lesser stature in this life. Now, just as the money lenders are about ready to put the chains of slavery around our hands and our ankles, we'd better wake up and cry, "Father, Father, help me. Father, thou has given me a great birthright and I have spent it foolishly and now the lenders, Father, are about to put me in prison. Help Me."

I believe God will hear our voice. I think that he will help us, but only as much as we're willing to help ourselves. And so it means that you're not going to have two-hundred and fifty million Americans falling out underneath the trees to hear a message of truth. Most of them, ninety-seven percent

(wasn't that what it was during the Revoltionary War), they are going to continue to sleep on, like Gulliver. They'll wake up to find they've been pinned to the ground by the threads of tyranny that have gradually been woven there by those who would be master.

You are the remnant. You are the sons. You are the daughters. You're His children. You hear His voice. He knows you and you know Him, and so, you have no fear, but, it is not you that I'm concerned about. It's those people that are less than 3 feet tall running around here. Those are the ones that you should be concerned about, because if you are a great-grandparent and the Lord were to call you today, "Don't go." Tell God almighty, "I'm sorry, please, I can't go. Give me just a little more time that my great-grandchild will not be destined to a life of debt slavery because, Father, when I could have been laboring, I was traveling around America in my Winnebago. I was enjoying this life but I have awakened and my sons and my daughters need my help. Let me have the time, Father. Let me have the time to free them from the debt slavery that I've allowed them to accumulate.

DEBT SLAVERY

And how do we do it? People continue to write me letters and they continue to call and they want more and more definition. To me, it was fairly easy. I just say, "The Constitution." And I figure people can go in there and read and they'll understand it, but, it isn't that easy, apparently, and so I want to give you a very quick lesson, if I might, in money because the very first problem that we've got to solve in America is this economy. **DEBTORS ARE NOT CHOOSERS**. And, is it not true that the lenders are preparing the shackles right now as I speak?

THE PLAGUE OF COMPOUND INTEREST

I was born January of 1939. The debt of the United States was 16.8 billion dollars. Gosh, that's a lot of money, isn't it? Well, in forty years it wasn't

anything because the debt had gone from 16^{to} a thousand and do you think that's a pretty precipitous climb? That's nothing, because from 1981 to 1989, our debt tripled from 1 to 3 trillion dollars in just eight years. Now that's something! Is that Reaganomics? Is that a Congress that is irresponsible? Friends, that is **compound interest**. That's what that is. It wouldn't have made any difference who was in the government. It would have been the same. **It's called compound interest and today it is four trillion and it will soon be five and six trillion.**

Now Lester Thurow... How many of you are familiar with him? If you are put your hand up. Lester Thurow, he's a world renowned economist from MIT. He just put out a book called *HEAD TO HEAD*. The reason I say this is because you're seeing already in the speeches prepared and put on these three by five cards, for Clinton and for Bush to read, the exact thoughts that Lester Thurow had put in his new book. Lester Thurow says, in conclusion, that "America needs a fifty percent income tax, not a thirty percent income tax." He says, "America needs a twenty percent value added tax on all the things we buy. Europe does it." He says, "America needs to be spending four dollars a gallon for gasoline because that would give us four hundred billion dollars so we could pay our bill", like H. Ross Perot said.

Do you believe that it is possible that Lester Thurow, a Ph.D. of economics at MIT, could be so deep into academia, he cannot see what the real problem is in the American economy today? Do you think it's true or could it even be worse—that Lester Thurow is part of the problem?

Well see, I don't know what it is, but I do know this—that you're getting the pabulum coming right out of MIT, the same pabulum you're gonna start hearing from the President and from Clinton until the election and it's going to be, you watch it, if we don't change this system, if we challenged and had a thousand dollars a gallon of gasoline, would that pay the bill? It will not. Why? COMPOUND

INTEREST.

So, I'm going to present you with a simple solution. Friends, if you have a better one or if you have another one, I need to know it. But if you do not then you make sure that the media that refuses to attend these conventions because they have been bought and paid for are demanded to give me airing. They are intellectual prostitutes. The only purpose they serve are the people who own them—to vilify and to lie outright. You make sure that when Bill Clinton comes here or Bush comes here, wherever you are, that you get your hand up or you call in on Larry King Live or you do whatever you have to do. You may have to lie, cheat and steal a little bit and tell them, "I just want to tell Mr. Bush what a wonderful Commander in Chief he has been! What a great victory it is going to be when we go back into Iraq!" Now, they'll probably let you on and then when you get on say, "Bush, I've been wanting to say this to you for a long time..." And then, before they can bleep you off the air, you make sure you put some facts before him. You know how to do it. It'll work for you.

If they do not recognize this solution, I'm going to give you and they don't give a better one to you, don't support them. Don't get into the "evil of two lessors" because that's what it is today and, friends, it's the last choice you're going to have other than to reject a literal mark of satan that will soon be coming if we stay with this system.

Now, leading up to my solution, I'm going to go over a few papers with you. The reason that I do this is people ask me all the time, "Bo, explain to me, write me a letter, tell me exactly how this works." I'm going to tell you precisely how this works. Take notes. If you don't like taking notes then see my bride when this is over and the very same papers that I present to you are available to you. They'll cost you \$5.00 because they are considerable, but you'll have them so then you can xerox them. They're official. There's no copyright and so, you can spread them around to your

friends. Let me give you, by your request, the exact solution to this money problem.

I have to dig into my bag. Oops! (papers fly out.) You always wonder what falls out. I'm kind of guided by The Spirit when something falls out. I look at it. Maybe it's something I ought to be talking about. These are letters from the Treasury Department. I'm going to give a lesson and I hope that when you leave here, you will know more about money and you will know more about exactly how to get us back, as a solvent nation, than your bankers. You'd better know more than your legislatures! But then I want you to do something with this knowledge. Please, don't just leave here today and let this knowledge lay dormant.

We asked the question of the Treasury Department, "How does the money come into creation?" I mean this stuff here (Bo is now holding up a dollar bill) has got to come to us somehow. We ask, "How does it get here?" And here is the answer.

QUOTE: "The actual creation of money..." this is from the Department of the Treasury "...always..." remember that word, that's an important word, "...the actual creation of money ALWAYS involves the extension of credit by private commercial banks." And so how does ALL money come into existence? PRIVATE COMMERCIAL BANKS. Does it come into existence with the Federal Government? No, it does not. It comes into existence by loaning from private commercial banks.

Well now, if you have to borrow money in order to get it, aren't you going to also be paying an interest? So, where does the interest come from because that's pretty important. Gephardt, (and we were talking about the Balanced Budget Amendment), said, "We owe four hundred billion dollars just in interest every year." Where's it come from? Well, let me read the answer because we got it from the Department of the Treasury.

It is signed by Russell L. Monk, Assistant General Counsel. QUOTE: "Money for paying the interest on borrowed money comes from the same source as

the other money comes from."

All right, let's make sure we've got it straight. Where does all money come from? How was it created? Through loans by commercial banks. All interest to pay on the loans that come from commercial banks has to come as a form of a loan from a commercial bank, true or false? It's true. Can we ever get out of debt under that system?

We can never get out of debt under that system. So, the next question was, "Well, gosh, how does the Federal Reserve get this money?" And it says, QUOTE: "Currency notes are placed into circulation by your local financial organizations and can only be obtained by that source."—Linda L. Coleman, External Affairs.

Then we said, "Well, the mints..." because we know the mints make the money, "...when the mints make the money, are the Federal banks charged the same? Is it given to them at face value?" QUOTE: "The notes are sold to the Federal Reserve..." By the way, is the Federal Reserve federal? No more federal than the "Federal Laundry". No more federal than the Federal Bakery. No more federal than Fred Smith's Federal Express. But listen to this: **"The notes are sold to the Federal Reserve at the cost of manufacture, not at face value."**

Well, let's see. My wife lets me carry one of these. I can't spend it unless I ask her, but I think I've got a hundred dollars unless she went through my pocket this morning. Yeah, here it is. (Bo holds up a \$100 bill.) Oh, you know how it is! I've got a clean pair of britches and everything is already changed over for today's event with you. So, here's a hundred dollar bill. Now, this \$100 costs 2 cents to make. How much does the Federal Reserve pay? By the way, this was written by Donna Polk, Director of the Mint. She's the one that says, "These notes are given to the Federal Reserve at the cost of manufacture." Two cents. Now, let's say I've got a \$1 bill. How much does that cost? Two cents. So, a one dollar bill or a hundred dollar bill makes no difference.

But then these are loaned to us at face value, are they not? What must you put up—think about that just for a minute—in order to get this loan?

Now, next point: We ask, "Well, is there anything behind this at all?" Because when you borrow it, don't you have to put up your home? Don't you have to put up your vehicle? Don't you have to put up your time, your labor, your talent, something that is valuable? Isn't that true? You have to give it substance, do you not, to the banks, so they will give you this stuff. So obviously, there should be something behind it. Just to make sure you know, all of these letters are available to you in our information packet. We asked them about it and here's what they said.

They said, QUOTE: "Federal Reserve Notes are not redeemable in gold or silver or any other commodity. Federal Reserve Notes have not been backed by anything since 1933." So, if they're not backed by anything, we asked the United States Treasury, "If they're not backed by anything, are they worth anything?"

Department of the Treasury Bureau of Engraving and Printing, signed by M.M. Schneider, Executive Assistant, QUOTE: "Money without backing is worthless."

So what is this worth? Zero. The interesting thing, most easy number to remember—Zero. **Now, if we make these things and give them to the Federal Reserve at 2 cents and they loan them to us at face value and we have to put up our land and all that we have worked hard to gain and even the interest has to be borrowed, somebody is always going bankrupt, aren't they, just to pay the interest. A million bankruptcies in the last twelve months. More than in any other time in our history—over a million.**

Well, as a devious mind—because in Special Forces the thing that's special is that the things we do have never been done before and so we have to get up out of the ozone layer so that we can have access to original thought. And so, before I could ever be a presidential can-

didate, I had to answer the question—How am I going to be able to solve the national debt? So, I went back and started looking at what had been done in the past so I wouldn't have to reinvent the wheel, and **Thomas Jefferson says, "If you ever let the banks take over the currency and credit, your children wake up as slaves on the continent that was conquered by their fathers."** Is that true today? Then I went and looked at Andy Jackson, Old Hickory, they almost impeached him. He wasn't popular at all, was he? Because in 1832, he said to the Federal Banks, who had grown up in spite of Jefferson, he said, "You are a den of vipers and thieves and by the power of the Creator, I'll rout you out." And he did. And in 1836, what was the debt of the United States? Easy number to remember. What was it? ("Zero!") Thank you. It was absolutely Zero!

So, I started thinking... Well, if Andy Jackson can make it zero and Abraham Lincoln in 1862 needed 450 million dollars and the banks were ready to loan it to him to continue the Civil War and he said, "It is not right for us to burden our children with our debts." God be praised for Abraham Lincoln. So he started printing "greenbacks". There was no gold or silver behind them, but there was no debt behind them either. He just printed greenbacks and the banks called him extreme. They said, "He's a radical." They said, "He can't do that." But, he did.

Now, I'm going to test our Ph.D. here on the stage (Dr. Ed Young) because if Abe Lincoln would have accepted 450 million dollars and the rate at that time of interest was a mere 20 percent, what would it be worth today in 1992? 'Cause we never pay the principal, do we? We just pay the interest. So, what would it be worth today? I can't read it because it's the next figure up from quadrillion, what is that? Sextillions? Isn't it Sextillions? It sounds like it would be, in the order today sex something-or-other. I believe it is sextillions. Is there that much money in the world—sextillions? I don't think there is. I can read

the one that is down from that. At 10 percent, at half the interest, it would be a hundred thirty-one trillion dollars! Now, do you want to say, thank you, Lord, for Abraham Lincoln and for the Holy Spirit that intervened and allowed him to say "No!" to those scum, those bankers, those politicians that belong on the bottom of the ocean with whale droppings and almost every lawyer that I can think of? Abraham Lincoln saved us. He knew we would be debt slaves if he accepted that compound interest loan.

Well now, I started digging around in the Treasury a little bit and it's kind of interesting. I've had a lot of help. There's a guy named Byron Dale, he puts this out, and Byron said, "Bo, last year we minted five hundred million dollars in coins." Does anybody have a quarter? How much do you think a quarter is actually worth? It costs us... (Someone hands Bo a quarter) Thank you. Now, you'll see why you won't get this back because it's really worthless! A quarter costs 1.008 cents to make. So, there's no silver in there. Is there? No. And so that quarter only costs a cent, but when we give it to the Federal Reserve, they have to give us credit for 25 cents. They have to give us credit for the face value. Are you beginning to follow me here? And so when we mint a silver dollar, it's not really silver, but how much credit must they give the debt of the United States? One dollar. It only costs us about 2 cents to do that, but, it's a dollar. As a matter of fact, a Susan B. Anthony costs a lot less than a half a dollar does because it's smaller.

Well, if that's true... Let's make sure we've got it all right, so there won't be any confusion here when you leave today. You're going to know without locking Congress up at Andrews Air Force Base exactly how to get America out of debt if these are given to them at 2 cents because that's all it costs to make and yet they loan them back to us at face value and—remember that now—so we're four trillion dollars in debt with these, aren't we? And, if this only costs a cent to make, but

they have to give us 25 cents credit, what is wrong with minting a giant coin (Bo holds up a 5" diameter, giant coin) that says "Four Trillion Dollars—Debt of the United States—Paid in Full—In God We Trust." (Huge round of applause.) Now, I ask you, let's be very clear about it: is that legal? I'd be very enthusiastic if I thought I could get my great grandkids, my grandchild who's thirteen now and my three mules and a daughter, if I could get them out of debt because **they all owe \$42,000. That's what every one of you owe and that's what your kids owe and if you're born today, that's the price of being an American.** I'd be excited about thinking on this because is this coin going to be made out of gold? Is it going to be made out of silver? No, it has to be made out of pot metal because it has to be worthless! It has to equal what it is that they have been giving us all this time!

BUSH'S TRUE ALLEGIANCE

Now, you may say, I'll bet you, if you're from the media because I've tested the media with this and they say, "Huh? Uh. Um. Uh, I don't think you can do that, Bo. Well, Department of the Treasury, QUOTE: **"The former Chairman of the House Coinage Subcommittee correctly points out that we could pay off the National debt with a single four trillion dollar coin."** Now, tell me that I cannot do it. And so, will we do it? Yes! Will George Bush do it? No! Will Bill Clinton do it? No! Because, you see, they have a different master. On C-SPAN, George Bush is recorded as having said, "Whatever I am, whatever I become, I owe to David Rockefeller." Well, the President of the United States ought to be serving a different master. And, matter of fact, before the United Nations this year, George Bush made this statement, he said, "It is to the sacred U.N. Charter that we and all people will now and forever pledge our allegiance."

Well, maybe that's good for him and all of his international bankers and petroleum bud-

dies and David Rockefeller, but there's 250 million of us! Friends, I want you to know that I am absolutely 100% behind gun control and my definition is—responsible citizens being able to hit what they aim at with the first shot. (Huge applause.) Now that's gun control and if you have anything less than that, you're getting close to unconditional surrender. But, as long as there are 200 million weapons in the hands—and I've got to admit, I've got more than my share, so there's some of you out there that are probably unarmed—but if there's 200 million weapons in the hands of 250 million American citizens, do you understand why we can get out of debt, if we will? But will we? (Big round of applause.)

Now, how long is it gonna take to punch this boy out? (Bo is referring to minting the giant coin.) Not very long. Pot metal is real easy to form into a coin and it doesn't have to be really in beautiful condition.

Oh, by the way, what happens to the Emir of Kuwait? The Emir of Kuwait owns 8 billion dollars of America's debt. Now, the media said, "What are you going to do about him? Are you going to cheat him?" I said, "We're not cheating anybody. This stuff right here is worthless and so this pot metal coin, I know that it would be worthless, but for the Emir of Kuwait, it is 4 trillion dollars on its face value. Let the Emir of Kuwait go to the Federal Reserve where he bought the debt in the first place and tell them that he wants a little piece of their coin." It should be perfectly all right.

What about the citizens of America, because there aren't many but there are some who own a little bit of the American debt? Friends, we created this government. Those citizens are going to be paid. **We're going back on a gold and a silver standard so that we don't have a devaluation of American currency anymore. We're going back that way because that's what the Constitution says.**

Now, as soon as this coin is given to them, this is going to be given with the left hand. I'm going to do that purposefully. If

you have any Islamic knowledge, you'll know why. I'm going to give them this coin with the left hand after I've come out of the men's room. I know it sounds tough, but, you know, I get bitter about this. I'm extreme and I'm radical. When I think of what they've done to our posterity and our prosperity, haven't they stolen it from us? So, they deserve whatever they get and a lot more besides. I wasn't even going to give them this coin because you don't need to, but, you see, I found out we could and be legal, so we are.

Friends, this doesn't take four years. This takes one hour into the presidency.

The next thing we do is we tell the Federal Reserve: "You are out of business as of this day! You are history!"

And now we come to Gephardt, and we're going to say, "Now Gephardt, how much interest do we have to pay?" And how much interest do we have to pay? None!

Just like "Old Hickory". You see, we're not doing anything that's new. We're going back and we're looking at the Wisdom and the Divine Intervention into our Founding Fathers and we are doing the things that they have shown us, as guided, that if we'll follow, we, too, can be free; we, too, can have liberty and prosperity. And how do we say and under what authority do we say that the Federal Reserve is history? Well, I see it in the newspapers. They say, "Bo Gritz cannot do what he says because these matters are to be left to Congress." And everybody knows that they're the best that money can buy.

Friends, I would invite the media to read Article 2, Section 3 of the Constitution. It says, "The President will take care to insure the Laws are faithfully carried out." The glory of the Constitution is this: it's called Checks and Balances. Haven't we heard that before? And when the Supreme Court won't and when the Congress won't—are you telling me the President cannot? Can the President do what the Supreme Court and the Congress will not do as long as it is Constitutional? Most certainly can.

Is there anyone in here who says—"No, you can't do that?" Because, you see, very clearly by the Constitution has there ever been an amendment to the Constitution that says you can have a private industry like the Federal Reserve coining money and regulating the value thereof? There never has been one and so that's the authority that we make sure this law is squared by and so we get rid of them.

Now, when we get rid of them, what happens to the income tax? Does the income tax pay for government? This is very important because people are always going, "Bo, how can we pay for government? What happens to all the highways, the military? What happens to all the government programs?" Does anyone in here believe that your income tax goes to pay for government? ("No!") Thank you. How come the media doesn't know that?

You know the Grace Commission was put together in 1982—I'm always going to give you proof, I don't try to pull this stuff out of a rabbit's hat—these things come straight from law that has already been tested. The Grace Commission in 1982 spent 75 million dollars under Ronald Reagan. Their job was to try and streamline government. In 1984, if you've got a library here in Tehachapi or Bakersfield or wherever you go, just go in there and tell the librarian, "I'd like to see the Grace Commission Report, 1984." One of the findings is very interesting. It says, "Not one dollar of your personal income tax goes to pay for government." Where does your income tax go? It goes to the debt of the United States. And, who is the owner of the debt of the United States? It is the Federal Reserve. And, who owns the Federal Reserve? Is it owned by American entrepreneurs? No, it is not! And even the bankers should not have a nationality, I agree with you, but, **THE FEDERAL RESERVE IS OWNED PRIMARILY BY EUROPEANS.**

Friends, we fought the War of 1812 to get the Europeans

out of our pockets. We fought the Revolutionary War for that purpose. The War Between The States was not over slavery—the Europeans were trying to break America apart so that they could take us on more easily as separates instead of a united states. They're still after us and they've almost got us. But, you know what's interesting? It always seems like America wakes up just in time. I pray that this is the case.

One more thing... What happens to the IRS? Think about it for a minute. The IRS, they are paid by the Federal government. If you work for the IRS, you get a green check and it says, "Treasury of United States". But, have any of you ever paid income tax? Most of you, probably. Go and look at the check that you write. Do you write it to the Treasury of the United States? If you do, they send it back. How must you make out your check? It must be made out to the payment of who? The IRS. Now, what does the IRS do? They cancel the check, don't they? What does the cancellation say? Dig out your own checks at home and see what is put on the back of the check. It says, "For deposit into any—(what?)—FEDERAL RESERVE BANK AGAINST THE DEBT OF THE UNITED STATES." The IRS is an agent for the Federal Reserve. Friends, they have become a modern day gestapo. Now, you may say, "Well, Bo, they're so efficient." H. Ross Perot would have made them even greater so that they could better collect funds so that government could pay its bills. Just like Lester Thurow says today.

Do you think it would have been good to have held onto the Gestapo after World War II? How about—let's hold on to the KGB, ok? They're awfully efficient, aren't they? You know, I have seen with my own eyes a Regional Director, a tax collector, an auditor and a publicist from the IRS all admit publicly, "We don't know what the laws say. We only do what we're told." Was that good enough at Nuremburg? It was not. We

said, "We won't let the Nazis get away with it." Why do we let the Federal Reserve get away with it?

And so, the Federal Reserve, friends, must be purged. And so, it will be! Who appoints the head of the Federal Reserve? Who appoints the head of the IRS? The President does. And so, can the President also fire them? Well, you see, a Board of the Federal Reserve cannot be fired by one President because they're appointed for like thirteen years, but, there's not going to be a Federal Reserve for them to be the Board of, because those banks are history and the IRS is gone, and so, there won't be any need. We're going to start saving some money there! So, we get rid of them.

Is there any question about how we get out of debt? Because right now with this system right here, the debt of the United States is zero and your children are no longer debt slaves and there can no longer be a foreign power to foreclose on you. I hope you learned a little bit about money. (Applause) How many of you knew you could pay off the debt with a single coin? (Applause) All right, good, so some of us learned something then. For those of you that knew this, I'll try to get into deeper matters.

NO "NEW WORLD ORDER"

The next thing that we're going to do, very simply, is—say NO to the New World Order. And, we're going to do a little more than that. I would pull us out of the United Nations before I would ever surrender the Sovereignty of our nation to the United Nations.

(Huge round of applause)

Who owns the land upon which the United Nations has their meetings in New York? Thank you. Mr. David Rockefeller does. David Rockefeller can rent that property out as a condominium as far as I'm concerned, because, what happened to the League of Nations back in 1919? They gave Woodrow Wilson the Nobel Peace Prize for it, but we said "No" and it dried up and blew away. If America was to pull out

of the U.N. what do you think would happen? I think it would dry up and blow away and do you think the world would be any less off for it? I'll tell you one thing—we've got no business at all in Iraq and you're going to see us returning there. We've got no business at all over in Yugoslavia. Thirty Nazi divisions could not disarm those Croats and Serbs and so we definitely should not be involved in there. And if you want to cut the head off Saddam Hussein, we're going to let the Arabs do it. **I wouldn't send a single American soldier anywhere outside these borders.** (Applause) For those of you who have worn a uniform, welcome home.

(Huge applause)

We know the price of liberty. There's something worth fighting for, is there not? There's something worth bleeding for; there's something worth dying for. Everything I know of is within the boundaries of the United States of America and so, let us guard our borders. We've got a million illegal immigrants that swarm in here every year. Very frankly, I think that America should open its doors to anyone who would want to properly immigrate into this country and the Congress sets those standards and so if you want to wait in line and fill out the paper work, then I think we should open our arms. My family came from Germany and unless you're an American Indian, you're not native to this land. America is an immigrant nation, but we need to stop being the world policeman, friends. And along with that goes all foreign aid. We're not going to give anymore foreign aid until America is healed. (Applause) Now if you want to give money to some foreign country, does that mean that you can't do it? No. You can give all the money you want to any foreign country you want as long as it's your personal money, but not the public money because that's against the Constitution of the United States.

WAR ON AIDS

We're going to follow the Constitution. We're going to win

this war on AIDS. We have to. The World Health Organization has properly announced, and I don't think they know the half of it, that there will be ten times more incidents of AIDS in America within the next several years. They say by the year 2000, we will be spending a trillion, think about it, a trillion and a half dollars. That is one thousand billion, five hundred more billion, on just taking care of AIDS patients in hospitals by the year 2000. What happens to Bill Clinton's national health care plan then? Hey friends, let me tell you, do slaves have health care plans? They most certainly do. If the master wants a slave to be productive, the master's got to make sure the slave can work. So you're going to have your national health care plan under the New World Order.

But you know what's going to go in my plan? And here's the solution to winning the war on AIDS. The first thing we do—let me relate it to something that maybe all of you know a little something about and where I live in Sandy Valley, we have our own septic system. Every now and then it clogs up. When it clogs up I do not get a little straw and try to blow down into the bowl and clear it. When the septic tank at the Gritz house clogs up in Sandy Valley, I call Roto-Rooter and Roto-Rooter comes out there and they rout it out so that we have a clean flow again. The reason we do not have clean government is because human sediment is blocking the flow of clean government. Kennedy got killed because he left the old bureaucracy in place. Then, when he did fire Allen Dulles, it was something they weren't going to permit along with about seven other reasons they had.

We are going—and I know you probably think, "Bo, with your military experience, you've got some really neat insignia. Something like a screaming eagle or something really magnificent". No. **Our symbol is going to be crossed plumber's pals. Those big jobs with the scoops on the end of them. That's going to be the emblem of the Gritz Administration** because I'm going to fire—and

tell me I can't do it—I'm going to fire all 16,000 bureaucrats that the President appoints. Every one of them is gone and we're going to need those plumber's pals to suck them out. But what does this mean and how does this relate to AIDS? Who runs the Food and Drug Administration today? You probably have got some pretty interesting answers, but is it not AMA doctors? And don't you think they are bought and paid for by the petrochemical people? So what does this mean when we take the plumber's pal into the Food and Drug Administration and we rout them out? We're going to replace those AMA doctors with Naturopaths and with Holistic Medicine people that know that living better through chemistry is great for DuPont, but it doesn't do anything for getting America back on her feet. And so tell me we can't do that? (Huge applause) Who appoints the head of the Food and Drug? The President does. And so were 16,000 bureaucrats appointed by the President. Now friends, I don't know 16,000 people, but I'll tell you what—I've got a list and we're checking it twice and we're making a list of 16,000 and if you know anyone who has talent, if you can balance a checkbook, friends, you are more qualified to be serving in Washington, District of Criminals than those that are there now. And if you are a grandparent, you've got the two best reasons in the world to do it right.

I love it when they criticize me because the media in Idaho wrote a real nasty news article, very cynical. It said, "Bo Gritz says he's going to take Capital Hill with 16,000 grandmothers". They better get ready. I have a feeling that those AMA doctors are going to report back and say, "Boy, my backside still hurts. Some old grandma came in with one of these plumber's pals and routed me out and has got my desk right now and we're curing AIDS by using things that have been available through this earth since this earth has been here". **And the reason you don't have those things today is because there's no profit in them.**

You see, one of the docu-

ments that I have here is the Solicitation for Charitable Purposes card. It's for the National Cancer Research Center. Out of every dollar how much do you suppose goes to cancer research? Hold up your hand if you think 50%, 25%, 5%? See, there's an optimist back there. Let me cut right to the chase. The National Cancer Research Center, do they have any other purpose? National-Cancer-Research-Center! Boy, that's got to be the hub of all the solutions, right? Well, let me just run down the facts for you. A full 57% of the proceeds collected goes to the Watson Huey Company. They are the publicists. Then 32% goes to the buying of all the advertising and all of the advertisers and their budgets. Then you have the administrators. They get 7%. **When it's all added up on the Solicitation for Charitable Purposes card, it's very clear—.54 of 1%, that's a half a penny out of every dollar goes to cancer research.**

What do you think would happen to a young laboratory technician who might suddenly discover a cheap effective cure for cancer? Do you think it would immediately be announced by the National Cancer Research Center? I don't think so because that multi-multi-billion dollar collection industry would collapse, would it not? **Lorraine Day is going to be the Surgeon General in this administration. Lorraine Day told me the other day that the head of cancer research is now head of AIDS research because there's more money to be made in AIDS than there is in cancer.**

Now how do we win this war? One is we get rid of the Food and Drug Administration bought-and-paid-for bureaucrats, the profiteers and we replace them with knowledgeable experience—not voodoo people because that's what you're going to be called—but real people and ones knowledgeable of the therapies. What about oxygen? Oxygen is really hard to get a hold of isn't it? Oxygen doesn't cost very much, does it? Los Angeles has four ozone generators, but they don't have the most. In Moscow they have the

largest ozone generator in the world. What do these things do? They purify all of the water. How do they do it? You tell me if I'm wrong. Not one virus, not one fungus, not one bacteria can live in an oxygen-intensive environment. Is that true or false? It's true. Gosh, if that's true and you can do anything you want to do to the waters of Moscow—and they probably do in L.A.—and it purifies it, are you telling me we can't use oxygen therapy to win the war against AIDS? Isn't AIDS a virus? And is that the only one of the solutions that you can think of? Friends, there are at least three or four that I have personal knowledge of and I'm not an expert in this.

JOIN BO'S WINNING TEAM

If you know people, we need to know who they are. We've got one group that does nothing but sort out all these recommendations. I've got to have 16,000 people because when I fire—some of you are going to put yourselves out of business. We're going to completely get rid of the Education Department and so Phil Lindstrom is going to be head of the Education Department. He runs the Christian Liberty Academy of West Chicago. He sends out a lot of the books that people use for home schooling. He knows about what education should be, and his job—get rid of his whole department. And so he will. And when you're invited in, you see if you're there for your grandchildren and for their children and for your own children. You'll do it right won't you?

I'm not saying I'm not going to have any young lawyers. I can see a lot of you right now getting worried about the lawyers. Don't worry about the lawyers. Lorraine Day said the lawyers are already being hired by the laboratories because there's more lawyers today than there are rats. She also said that the laboratory technicians don't become attached to the lawyers the way they do with the rats once the rats are kept around the laboratory for quite a while, and there are some

things she said that a rat will just not do and so lawyers will always have jobs, fear not for them.

And you're worried aren't you, about the IRS people. What are they going to do? They're going to be offered an opportunity to fill sand bags because do you think these international bankers, when they go back to Europe, it's simple to get rid of them isn't it? It's real simple. Here's the Constitution and here's their coin. Now they're history. But is it going to be easy? They go back to Europe and don't you think Europe is going to embargo America? Don't you think the media is going to rain all over us? It may not be easy, but is it going to be worth it? And what is your alternative? Thank you. Slavery, in one word.

ASK FOR GOD'S HELP

Now I just mentioned a few things to you and you've been very patient. I'm talking about your posterity, so your posteriors, I know, weigh in on this issue. You've been very kind and gracious, you've come from different places and maybe even different states here and I would hope that you would have learned something. As you travel back to your homes would you do me and my brothers a service? Would you call upon God in your own way, would you do whatever you think that God would have you do that he might honor your petition? Do you believe that God, if he would, could reach down and deliver our prisoners and restore them while they are still alive? Do you believe that He could? I believe He can.

Now we don't know what God's agenda is. We never know. You see, I would love for America to stand against a world raging against itself, but will we? Let's say they take this sacred Constitution document. To me it is a sacred document. You see, I took an oath to this document. It was to defend it against all enemies, foreign and domestic. How many of you took that oath? It didn't go away did it? Was there anything in the oath that said that you only have to do that as long as you're in uni-

form or wear a badge or in office or draw a green check? There was nothing like that in there, was it? "I promise to bear true faith and allegiance to the United States of America". I have given this oath so many times I can even remember it. I know it by heart. "And to defend the Constitution of the United States against all enemies, foreign and domestic". I want you to remember your oath.

Now, if they take this document and they shred it and let's say that they pulp it and let's say they burn it and let's say that they throw it into the Potomac River, does that make any difference? Does that mean that the Constitution is dead? Where does the Constitution live? Thank you. The Constitution lives right here (in the heart). It is a LIVING document. It was inspired by God, it was gained by blood and by courage and by sacrifice. It lives within us.

As a matter of fact, I was on a radio program in Washington this last week and their big problem is whether or not to move the RFK Stadium from Washington, DC to Alexandria, VA and I said, "Do you mind if I give you my solution? I would take this whole capital, as President of the United States, and I would lift it up out of the muck that it is now stuck in and I would move it clear out to another area. And I would have everybody here, stay here, that's here right now." And I said, "We'd have clean government for a while." And about every 50 years I'd call a period of jubilation just like they had in the Bible and we'd move it so all those political action committee (PAC) people would have to stay there and we'd continue to have clean government. I think we're going to have perfect government. It's not going to be under Bo Gritz, it's certainly not going to be under the New World Order. A lady in Denver two days ago asked me, "Bo, why are you fighting this New World Order? Isn't this the thing that God wants us to have? Isn't this a thing that he has given us where we will have a single, global government? There will be peace and prosperity. We'll all be working together as John Lennon said—

'wouldn't it be wonderful' And I said, "Ma'am, we're going to have perfect government, but it's not under David Rockefeller and it's not under The New World Order".

BIBLICAL PROPHECIES

When I read, friends, in Revelation and I read in Daniel, it tells me about what's happening. You are living in three-dimensional periods that we've been reading about in two dimensions for generations. Tell me, how many heads did the beast have that Daniel saw crawl out of the ocean that represented a global government? Seven heads. And what do the nations and leaders of the world call themselves today? The G what? The G7. And wasn't one of those heads severely wounded and to the awe of all who beheld it, wasn't it miraculously healed? And what happened when the wall went down between East and West Germany? Weren't we in awe? I tell you they didn't show it on CNN. It wasn't shown by the star gazers that all this was going to happen. We were in awe, weren't we, as we watched that occur? Wasn't that a healing of one of the G7? I'm excited about it.

I'm going to show you one more thing before I step down from here. And that is about a year ago, a little over a year ago now, I was in Idaho Falls and the person there was a computer consultant who worked in Brussels for the Economic Community of Europe and he was correcting me. We had a luncheon before the talk and this was before I was running for President, so it was over a year ago. And he sat down and he said, "Bo, I want you to be accurate". I had used the material out of Mary Rolfe's book. She's a Christian writer. She said that we were using infrared laser tattoos to mark animals and she was hypothesizing that we would use this infrared laser to mark people. And he said, "Bo, that isn't the way it's going to go. I know. I was one who helped set up the EAN System—European Article Numbering System". We call it the Bar Code here in America. Doesn't it mark almost everything?

Doesn't it? Can you even buy a Bible without having to look in the box it comes in; and there's the mark. Well, you look at one of my books. You won't find a mark on it.

I'm hard headed. I got shot in the back of the head in Vietnam, the bullet bounced off. I haven't checked all of my anatomy; I don't know if I'm 100% bullet proof, but I am hard-headed and I think that's going to be beneficial if we win this presidential election. Now, he said, "Bo, we're going to use a micro chip. It's smaller than a grain of rice". I've got one of them in here. (He held up a plastic case with the little microchip module inside, the size of a small grain of rice.) I'll pass it around to you, you can take a look at it and I hope you'll have the forethought and the time to come to reject it. Now this microchip is fairly exciting. It is smaller than a grain of rice; it's encapsulated in a tiny membrane that is nontoxic. He said, "If we were to mark an infant upon birth with an infrared laser tattoo, as that child matured, you see, it would distort the mark." He said, "We're going to use this microchip."

This was over a year ago and he described what I'm holding in my hand right now except that we really didn't have it available at that time. And then in November, LA said that they were passing a law that would make it mandatory, they were going to mark pets because they wanted pet owners to be more responsible. Then in July of this year in Fort Lauderdale, they just picked up the same thing. It's gone all the way across America now from November the 12th in LA where it started, all the way to Fort Lauderdale in July of this year. Everybody's using this mark now to mark animals. I've got a video tape. See, my arms aren't long enough to get around all these facts so I depend on you. I got a video tape just the other day sent to me—the person said it was coming. Last night I stuck it into the video and there it was on *Discovery* channel where they are now offering these things on a voluntary basis to mark children so that they cannot be kidnapped or

you can find them or the babies won't be exchanged on you in the hospital. Isn't that exciting? They're also beginning to use this—the yuppies back East think this is real clever to have their credit card information put into this mark so it can be inserted under the hand, so all they have to do is walk into the store and say, "Darling, scan my hand with your wand". That's all they've got to do. These things are exciting to me. How come? This is the precursor to "perfect" government, friends. We're going to have "perfect" government in the near term, and the mark of the beast, if you remember your biblical predictions.

Now, let me say I'm not a prophet, but I did make some predictions. I predicted the very day that H. Ross Perot would go belly up. If you get my newsletter, three months before it happened you saw me saying during the Democratic Convention, "You won't see H. Ross Perot anymore. He's gonna cash in". Knowing the beast allows you to generally be able to tell what the beast's habits are going to be. I think you're going to see something—how many of you are from California here? I think you're going to see something catastrophic in California before the elections.

FEDERAL ENSLAVEMENT MANAGEMENT AGENCY

The reason is because FEMA (Federal Emergency Management Agency) is gearing up. I don't know exactly what the event will be, but I would venture a couple of entries. First of all we have treaties. When I worked for the Hughes air crash company as a cover in Los Angeles, we had Malibu and Santa Barbara as the skunk works and they developed a thing called Gemstone. Anybody aware of the Gemstone technology? Gemstone is outer space particle laser technology and more advanced systems and that was back in 1979/1980 when I was playing secret squirrel for the government. They already had these things developed and they were being put in orbit.

Now the Soviets appear to

have gone belly up so we now have all of their technology, do we not? And as a treaty basis we agreed with the Soviets that we would not cause any earthquakes. We would not cause any radical weather patterns. We would not attack any crops with weather systems or cause any phenomena with the earth or its atmosphere. If we made treaties to that, doesn't that tell you that we do indeed have the technology? Friends, George Bush is not acting like a man who is just about to be voted out of office. I think maybe he thinks he knows something that we don't.

George Bush, I believe, is going to try to gain some popularity by going back in to Iraq, but I don't think it's going to work. I don't think the American people are going to be caught up by killing 500,000 Iraqis the way we were in January, 1991. Do you? But I think he knows something else. I believe that a fully informed jury could have saved us from the Rodney King problems. Unfortunately, the jury did what the judge said and that's not what fully informed juries are all about. It's not what Article 3 is all about in the Constitution. And so I believe the L.A. riots were just a little entré, just a precursor to greater things. It was a dress rehearsal for a larger FEMA operation.

In Phoenix, Arizona, there are Black Hawk helicopters flying down beneath the buildings. The people are told on television, "Don't get excited. This is just U.S. military forces practicing and training in these FEMA operations." How come they're doing this in Phoenix, do you think? How come they're doing this in Nevada? Friends, I believe that you, in California, are going to be in an experiment, and I don't know what kind it will be, but I think that George Bush has it geared up before the election. If I were you I would be prepared.

There are only three kinds of people—those who have their heads up high and can see what's going on, those who are waiting for something to happen—you won't be disappointed—and those who wonder what happened after it's already occurred. You make

sure that you've got yourself a 72-hour pack. Right now in my closet, in my home, I've got my rucksacks that I've worn in Laos and Yemen and Bangladesh and Burma—it's all set. I just pick it up. It's got everything I need to live for just about as long as I need to be outside of civilization. You better have yourself a 72-hour pack. You better save yourself some food. My wife and I were in Washington, D.C. in February, 1979. There's going to be an efficiency spike that people won't be able to figure out for a long time. There was a blizzard for three days in Washington, District of Criminals. We could not get out of the hotel. Our car was completely covered with snow—everything! Can you imagine these high appointed officials could not get into their offices! How did the world continue to orbit? This is amazing! That's why there's going to be an efficiency spike because everybody else around the world just kept on working without Washington's interference. Three days friends, people were panicking. The hotel didn't have any food, the 7-11's were all out of food.

What happens when you have a considerable earthquake. Could it be possible—I want you to think about it—let's say the Soviet Union and America, using the technology that we have already made treaties for, that we "won't" use. Do you believe those treaties? Has Russia ever kept a treaty it made? One thousand of them. Have they ever kept them? They never had. Well, have we? So do you think that maybe—I don't want you to become victims. I'm not trying to be Henny Penny, but literally, the sky could come tumbling in on you.

But I believe California, because of your special situation—you've got 30 million people here, folks. If something catastrophic happens here, now, what happens to the population without food, communications, hospitalization? You're going to start moving toward Arizona, Nevada, Oregon? All of a sudden the Federal forces are going to have to come out and that could mean almost anything, couldn't it?

Newt Gingrich, I saw his face

along with Phil Gramm today as we left. It was a sour note to leave my home on. They are both going to be key-note speakers at the Republican Convention. Newt Gingrich and Phil Gramm, both conservative Republicans, were the ones that tried to sponsor a 5-year declaration of a national emergency. It would have taken away your Constitution and your Bill of Rights. Would anything have been left after 5 years? Those are the people that are closest to the President. Be ready, be prepared. Otherwise, they'll just pour concrete in around your ears, will use your backsides for bicycle racks or something useful. That's what's going to happen to most people, is it not? If they ever take down the Stars and Stripes what are you going to do? Are you going to be—let's determine first of all—are you going to be lawful if you defend your rights under the Constitution? Yes, you will be. Now Commander Hatonn announced in his introduction that we were not living under the Constitution. He's right. In 1954 the U.S. Senate found in its review that the U.N. Charter is the supreme law of the land. Friends, does it make a damn what the U.S. Senate finds? It sure doesn't to me. Does it make a hoot what the Supreme Court says? It sure doesn't to me.

This document right here (holds up Constitution) says this is the Supreme Law of the land. So am I lawful if I defend my rights under it? I most certainly am. So now no matter what they do in Washington D.C., if it ever reached a time when they say... "Well, we're taking down the Stars and Stripes..." then I have a substitute for you. It's nothing original. We have used it before. Could I ask my bride to come up here and maybe just spread this out (yellow flag). When they take our Stars and Stripes down, let's fly this one. It just simply says "DON'T TREAD ON ME" because Americans all over this nation are going to go on living in spite of government.

What I have been prepared to do more than anything else my entire adult life is wreck trains. I regard one of George

Bush's lights at the end of the tunnel as a freight train. It is labeled the New World Order and I am going to derail it—I will derail it as a President with 16,000 of you. Friends, I will derail it as a patriot with all that will follow, but I am not going to surrender my birthright. I know something—you see, Jimmy the Greek wouldn't have given George Washington any odds at all—would he—in the Las Vegas sports book about being able to win over King George. What would Jimmy the Greek have said if they were matching up David and Goliath. Jimmy the Greek would have laughed, wouldn't he? But in every case they won, they won because they were fighting for something that was right.

Are we willing to fight if need be for what is right? The very first step, we take Capital Hill, we do it in November, we do it with ballots. Don't you let Jimmy the Greek enter your equation. You do what you can do. You do all that you can do. You be a Willy Brown and then you let God do for us what we cannot do for ourselves because if Perot won the election wouldn't it be to the glory of the hundred million or whatever it took and if Bush wins the election, or Clinton—the glory of their great party. Friends, when we win this election it is going to be to the glory of only One Thing and what is that in one word? Thank you! It is going to be to the glory of God (applause). And in Second Chronicles, Chapter 7, Verse 14, we are given our promise. If we, who are His children, will call His name, if we will recognize our dependency upon Him, if we are willing to change some of our ways, then He'll hear our voice and He'll heal our land.

I'm a school teacher when I can be. I taught a class in Government two weeks ago in "Lost Wages" (otherwise known as Las Vegas) at Clark High School. I broke the Supreme Court's latest edict and I was happy to do so. I'd like for you to tell me how we can teach Government? Because you know how I broke it? I broke it

in the first minute I was in the class and all the teachers that aren't teaching themselves—anytime I teach, for some reason they come in and sit down at the back of the classroom and they bring their notebook and pencil and I have had teachers come up and say, "Bo, could we use some of those questions on our exams?" And I say, "What are you teaching? Because you know the first question I ask? This is where I broke the Supreme Courts edict, the latest edict. I said to the students, "Where do we get our rights from?" And what did they say to me? They don't know and I tell them, "This is not a rhetorical question! I want answers!" Then I start right down to the front row and I start writing them and they give me 15, 16 choices. None of them are right. Finally, I go to the Declaration of Independence and I say to someone I believe might be able to read—it's not easy to find them in high school, not even in Senior's Government—and I say... "Would you kindly read that right there?" And the student says, "The Creator?" It's always a question. Then I said, "Who is the Creator?!" And about five stout hearts said, "God?" That is in absolute violation of the Supreme Court! The Supreme Court has just ruled you cannot say the name of God in any of our schools! How are we going to teach Government? How are we ever going to explain where our rights come from if we're not allowed to use the word and the name of God?

Well I'll tell you what, I don't know about you, but if I have to stand alone, I'm going to be in good hands and I've read The Book and I'm not talking about my book either. I've read The Book and I know who wins in the end. You know what makes The Book exciting? It doesn't tell us exactly how we win. It just assures us that we do, and so I'm excited because I'm a soldier. I can smell the battle and it smells good to me because it means that we are just one major step from having perfect government, and I am so pleased to be on this earth at this time and not born in the "Dark Ages" when nothing

much other than a good inquisition or two was going on.

So I invite you: is there a better cause than the liberty of America today? If there is, let me know. I want to join you, but if there isn't a better cause then I invite you to join us, the United States, as we prepare for a second American Revolution. A Revolution which we cannot afford to lose; a Revolution that we'll win even though it may not be under the Stars and Stripes. We'll win it as brothers and sisters. That, I'll always give you as my promise. I am your brother and when I sign my books I sign them "forever your brother" and I mean it.

We come from a great family and we're going home. They can never take that home away from us and it's for me to do all the things that I have to do to endure until that time comes. So I invite you.

Take heart, feel excited and

if you're in California, get your 72-hour pack put together. If you're interested in a lot of very, I think, amazing things—well, I only brought 10 copies of *A Nation Betrayed* tapes—if you're interested in how to—we've got some video cameras, with those you can take the presentation if there's anything there. We have a short—it's about a 30 minute presentation. If you want the book *Called To Serve*. It's too long. It's 845 pages. I put 165 pages worth of pictures in there just for the Marines so they would have something to look at if they were having trouble reading the text. (Roar of laughter) In the back I've got a few blank pages for the Navy and we'll give you a free crayola so that you can draw there in the back a little bit. (More laughter) Otherwise, if you want to know in detail why I'm willing to get into the arena and wrestle with the hogs, read *Called To Serve*.

When you get to the end of it you'll see my point.

You, too, are called to serve. We didn't win a raffle to be here today. Every one of us has that "something" we can do. We can't do everything. What we can't do for ourselves, that's where the glory of Almighty God comes in. So I'll leave you with that and we're out of debt; we're out of time here. I'd like to stay here and talk to you as long as you're willing. You do live in a beautiful valley. Let me tell you—last thing I'll say. As a guerrilla fighter I know this—the mountains are the palm of God's hand. That is the truth. As long as you reside within the mountains, you will, I believe, be in a much safer place than you could be otherwise. And so you're going to find me in the mountains. As a matter of fact, I think that's probably where we ought to move the White House. We don't have to move the Con-

gress. We don't even need the White House. I think we'll just move the seat of government. It might be a lot easier, but get your plumber's pals ready. I need you volunteers. If you can balance a checkbook, if you're a grandparent, doesn't mean that you don't have a job if you're a young lawyer, but in all truth, one word—**TOGETHER**—that's the way that we preserve this nation for the ones who are with us that are smaller than we are. God bless each one of you. Don't forget to pray for our prisoners of war.

(LONG ROAR OF APPLAUSE)

(Editor's note: At this point Bo took a brief rest break and then there followed a warm and lively question and answer session. We will continue at that point in next week's LIBERATOR.)

Bo For President

Fighting The Battle For Freedom

8/18/92 #1 HATONN

IF MAN CAN CREATE A HELL ON EARTH—HE CAN ALSO CREATE A HEAVEN—so, may we please begin? "FOR EVIL TO SUCCEED, IT IS ENOUGH THAT GOOD MEN REMAIN SILENT."

CONVERSATIONS

We have entered into a new year in this final phase—how shall we cause it to end?

You have heard what can be done to reclaim your Constitution and thus, your nation and so on through the world. Will you do it? I wonder.

BO GRITZ RALLY

If you have not obtained the tapes of the "rally"—I certainly suggest you do so. You have a man who will take you to vic-

tory—but YOU have to walk for yourself—he will not carry you. He may well drag you part way—but if you want to reclaim your heritage and your nation—you will rally as this nation of we-the-people has not done since time began, and certainly not since the revolution.

On Sunday you experienced a MIRACLE and you failed to realize as much. The enemy worked against you the entire way and you overcame. However, for you of the reading family—it WAS NOT EASY. Orders came down from the top levels of NBC, ABC, CBS, CNN, top government officials and NASA to STOP THE SUNDAY RALLY FOR GRITZ. One speaker after another dropped away in fear, under threat—but there were about 800 people present who will never forget that day. YOU CAN DO IT IF YOU WANT TO.

You have ones willing to wear the target and push forward but it requires you individual patriot papers and speakers—JOIN RANKS AND STOP THE NASTY DISCOURSES.

ELITE INTENT TO SET UNCONSTITUTIONAL LEGAL PRECEDENT

Today we have the Constitutional Law Center ON TARGET! No more dancing in the courtrooms with leapfrog attorneys playing a stupid game of who can write the worst, most insane laws and make them become law of the land.

The University of Science and Philosophy showed their true colors and intent yesterday in Federal Court. They badgered this scribe, insulted the "communications with higher spirits"—of course that is the way

Russell got his word also—and showed FULL INTENT TO MAKE LAW THAT WILL TOTALLY CONTROL ALL PUBLISHED MATERIAL. THIS IS NOT A LITTLE CASE AGAINST A SMALL PUBLISHING COMPANY WHO PRINTS A FEW REGULAR PAPERS AND JOURNALS—THIS IS AN ATTEMPT TO MAKE LAW THAT WILL FOREVER SILENCE THE FREE PRESS—THROUGH THE LAW OF THE LAND.

The bastard thieves have taken what was one of the most gifted and wondrous presentations of Creative Source, Walter Russell, and intend to bury TRUTH FOREVER. They have a member of the Committee of 300 on their board and they have \$215 MILLION dollars to insure they win this case and get the Pleiades material banned, confiscated and forever banned from publication. The

more interesting thing about the entire case was that we allowed it to take its regular course to this point, with new "copyright" specialists and it was a total comedy in court. Neither side had any idea what the material contained nor cared. The Judge even compared the work to a copy-job of GONE WITH THE WIND. Then took the whole thing, after 15 minutes of nothingness discourse, under "advisement" to "render injunction orders by mail" or something similar.

PLEIADES CONNECTION
SERIES AN ENDANGERED
SPECIES

This means that, at most, readers, you have perhaps four weeks to get those volumes if you want them. We have hopes of alternative measures (for the word of God shall not be stopped) but it gets harder and harder.

This cuts the strings, however, as I have demanded as of THIS day that the games stop. We will no longer pay any attorney for any service who does not practice CONSTITUTIONAL LAW. I have authorized that Gene Dixon take this to the public for legal assistance on Constitutional grounds and let this be THE test case. I have allowed this to be set up in such a way that THIS case can either insure freedom of your last source of information—OR YOU ARE DOOMED TO THE "DARK AGES" OF CONTROLLED HISTORY, MEDIA AND PRESS.

Just as with Bill Cooper who publicly stated that Dharma had plagiarized "50 pages of his work" when his whole document in point was less than 26—this group takes some couple of hundred pages available and claims 9 JOURNALS are directly copied from their work. That means that some 1,800 pages had no source at all. That is because there are some 2,000 pages in our JOURNALS and if you subtract 200 from 2,000 you come out with an average of 1,800 pages. It is as with the Holocaust numbers—you cannot have it ALL ways and numbers do not lie.

First they said that they did not want any mention of Russell on the work—then they said it

was because Russell was not given credit. The former before they realized that Walter Russell was highly projected from everything we have done. We write JOURNALS—of fact. This differs not from dated material in *Life, Time, Newsweek, etc.* TRUTH is Truth and yet lawyers play games with the very existence of this planet—because judges will not even allow discussion of anything not listed in the papers presented to them. Victims never get to the point of recognition in the courtroom.

We have taken a lot of gaff and stabbings over this to bring you opportunity to take a stand for your rights because this is the factual "physical" operation of God and Universe. You see, the same story is told in *OAH SPE, Newton's PRINCIPIA, THE CHEMISTRY ENCYCLOPAEDIA*, any good astronomy book and numerous other places. Science is science. It so happened that Russell gave the most easily understood diagrams. The point is to STOP the information—not the author—because the fact that Dharma has written and published some 60 books in the last 36 months was not even known to either side—not even our new attorney. So much for preparation and feeling good about your legal chances in court.

I am making a personal appeal to Eustace Mullins, Howard Freeman, etc., etc., etc.—any and all patriot fighters (you patriots know who)—help the Constitutional Law Center. It gets results but one man cannot do it alone. Gene Dixon will write a letter of petition, for we are not in that business, and give you in the public what he needs for information support and I have offered to print it. He is not yet well versed in Constitution Law and he is so barraged with cries for help that he can't find time to adequately study and gain expertise. Eustace, you HAVE the knowledge—please, I petition you sir; help him. I further ask any of you who receive this to write these people and ask them to participate—along with every patriot paper and letter that you know of—that they too, will print the petition letter. YOU MUST STAND IN UNITY OR YOU GO DOWN DIVIDED AND ALONE.

CLASS ACTION SUIT FOR
TRUTH

Gene Dixon is going to go for a class action suit in behalf of you who want Truth, against these Elite prostitutes of Justice. THIS TRULY HAS NAUGHT TO DO WITH DHARMA OR AMERICA WEST BECAUSE AMERICA WEST DOESN'T PUBLISH THE PARTICULAR JOURNALS ANY MORE—AT GREAT LOSS TO THEMSELVES—AND DHARMA HAS WRITTEN 32 JOURNALS SINCE THOSE SUBJECTS WERE COVERED AND WE HAVE NO INTENT OF RETURNING TO THOSE TOPICS IN THE SAME OUTLAY AS BEFORE. THIS IS AN OPPORTUNITY FOR YOU ONES TO INSURE YOUR RIGHT TO FREE SPEECH AND INFORMATION. We are not talking expense or anything other than support in whatever informational, joint interest, etc. The Law Center will need to file A CLASS ACTION SUIT against these would-be censors of what remains of your ability at freedom of the press. You surely remember that I told you: very, very soon all English language publications will be handled through one ELITE publishing house. It is already set up, the public in general simply does not realize that all major presses and houses are owned by them. It is sort of like the tobacco company, Reynolds, owning Nabisco and Oreo cookies. You the people are not SUPPOSED TO KNOW!

Proof? \$215 MILLION dollars and an Elite Committee member in directorship against a bankrupt publisher and a Grandmother on food stamps!!!!!! So be it. We can only offer you "the way"—you will do that which you wish.

Haven't enough of you been railroaded through that horror chamber into bankruptcy or prison to stand tall, unify and stand against this beast? I remind you—this is the most terrible evil creature on your globe—this plague of judicial corruption—AND EVIL CANNOT (WILL NOT) STAY IN THE PRESENCE OF GOD OR LIGHT OF TRUTH. BUT YOU HAVE TO CARRY THE LIGHT INTO THE DARK CHAMBERS—GOD WILL

FURNISH THE LIGHT!

Will you not join with us from the centre where the Will of God is known—let purpose guide the little wills of men—the purpose which the Masters know and serve? WE CAN LEAD YOU, WE CAN EVEN CARRY YOU IF YOU STUMBLE—BUT YOU MUST DO IT.

COLEMAN/MULLINS/
PATTERSON—
"CRIMINAL POLITICS"

I have received some dozen copies of the article presented by Patterson. I have been privy to all of the original letters from Patterson to Coleman, Coleman to Patterson and on and on ad nauseam. What do I think?

I KNOW that Mr. Patterson has had some rather unethical inter-activities with ones I know personally as to holding funds and working diligently through calls pretending to come from overseas when he was, in fact, in Ohio. I don't have more to say about this circumstance other than that when you have a person who writes a letter AND has investment businesses—in this time of collapse—living-style often affects advisements. I go with *Spotlight's* article to the extent of BE CAREFUL.

Now as to the "Mullins letter". I think it a most dastardly assault against a man of Mullins' stature to publish such rubbish. I tell you now—that is NOT Eustace Mullins' doings. Does he think these things? Would he suggest these things? That is not the point in my statement. THE PUBLICATION OF THAT LETTER UNDER MULLINS' SIGNATURE is disappointing, using of a fine man, and totally libelous.

COMMITTEE OF 300
"BOOK"

I have no comment on wherein Coleman got his information and please, readers, do not act "shocked" and "stunned"—for that will be a bad case of B.S. I told you ALL information was old—BUT WELL COMPILED FOR SUCCESSFUL INFORMATION RESOURCE. Arguments do not make that lesser for our purposes—I do not dabble in the

affairs of greedy, envious and/or treacherous men. We, too, have crosswise encounters with John Coleman, (alias whatever he wishes to call himself) and so what? Does this make TRUTH any less the Truth? NO. The book is an excellent resource. I have further told you that if you would just get Mullins' books and some good newspapers who dare to print the truth—you would have it all.

I will say that I had used a sentence which was sent to the *LIBERATOR* to go to print. John's son was working on the paper at the time and he refused to print it. Without my input, George requested that the line be omitted and so it was. It said "...the information is taken mostly from Eustace Mullins' writings." I ran, at the same time the book was being published, articles on the same topic with the IDENTICAL INFORMATION WORD FOR WORD from information sent FROM NEW ZEALAND—REMEMBER? I believe we also said this was information gleaned by great input from LaRouche. I REPEAT, READERS, YOU MUST DISCERN TRUTH—from wherever you get it. Be very careful lest you miss the point herein. YOU ARE ON THE RAGGED EDGE OF LOSING ALL ABILITY TO GET TRUTH THROUGH THESE VERY REAL ASSAULTS. THE BOOK HOLDS TRUTH, PERHAPS EVEN MORE IF IT BE FROM A "DOUBLE AGENT" AS ACCUSED. Wrong actions do not make a "right"—but you should, by now, be able to discern TRUTH in most outlay of information—no matter who wrote it or WHEN. If ones want to bury TRUTH—then their first interest is NOT IN GOD, YOU, OR NATION—MUCH LESS A PLANET IN DEATH THROES.

COULD THIS BE A DELIBERATE DISTRACTION?

We have found some difficulties and uncomfortable circumstances with "Coleman" and likewise "Patterson" of *Criminal Politics* in a most unusual around-about manner. I honor Eustace Mullins and I continue to do so for his work, for he has never come personally into my Scribe's place. He

has, however, been gracious in response to input regarding the property court case—AND I HONOR HIS WORK!! THAT MEANS I HONOR THE MAN. Frankly, *Criminal Politics* has presented you some brilliant insights regarding politics, etc. YOU must discern these things for self. See HOW they affect YOU and what might be gained by the "game-players". It simply degrades the MEN in point on both sides of such quarrels to print such garbage and painful material—and cannot help your nation or your globe—it can only damage. The lesson is thus to be had—EGOS at control and the waste of valuable talent is beyond measure.

BILL COOPER

I am still asked over and over again—about Bill Cooper. What about Bill Cooper? I honor him for whatever truth he brought forth and discount that which is false. Most of his presentation regarding "self" is false so there must be reason beyond that which is public. So be it. I disagree with all conclusions as he presents them. Example—abductions and "little gray aliens". I agree that William Greer fired a fatal shot at Kennedy—but it was not from THE 45 pistol that is blamed. There was a device implanted in the vehicle seat mechanism that fired. So be it—what difference could it possibly make? The point is that guilty parties are free and unaccountable—such as the President of YOUR United States. GOD WATCHES and GOD WAITS.

Nord Davis is sending out documents regarding Kennedy which predominantly asks "who is this man" with red arrow, etc. That man is E. Howard Hunt. That is NO secret but again—who cares? The point is that the planners are the same planners set to take your planet—WHILE you dally over gun calibre and fingerprints.

Nord Davis is held in most high esteem by myself and I hope you will press for his participation with Commander Gritz for I believe an agreement has been offered and established. I understand Nord Davis cannot abide Commander

Hatonn or any such nonsense as space-men, etc., on "religious" grounds. Oh? What difference could it possibly make? Truth will bind us eventually because brothers in Truth are ONE any way you TRY to slice it. Judgments are made by busy men on OTHER MEN'S OPINIONS and that is gross error in discernment and usually ends up allowing "self" to be the fool. I have "time"—YOU do not. I know that the QUALITY of this patriot will rise above the narrow perceptions of organized "religion" and ultimately the ONE GOD shall prevail. GOD CAN STAND THE TESTING, BLESSED CHELAS AND BROTHERS—GOD CAN STAND THE TESTING AND WE, THE HOSTS, LIKEWISE CAN STAND THE TESTING—TRY US. AND, while you are waiting in the testing—YOU BETTER HAUL ASSETS AND GET ON WITH YOUR NATION'S BUSINESS OF CONSTITUTIONAL LAW RECLAMATION AND ONE NATION UNDER THIS GOD—OR IT'S OVER!

GOD'S LAWS

One of the most important things that you must eventually learn is that if you do not do it (this saving of your nation in freedom) USING GOD'S LAWS IN EVERY WAY—YOU WILL BE DESTINED TO FIGHT THE BATTLE AGAIN, AND AGAIN, AND AGAIN UNTIL YOU DO IT WITHOUT BREAKING THOSE LAWS BY MURDER AND/OR ANY OTHER WAY WHICH DEFIES THEM. IF YOU HAVE TO TAKE THE "HILL" BY FORCE OF WEAPONS AND DEATH—YOU HAVE DONE NOTHING OTHER THAN POSTPONE THE GLORY—ONE MORE TIME. IF YOU MARCH IN UNISON WITH GOD'S LAWS—YOU WILL PREVAIL. WOULD IT NOT BE GLORIOUS TO PREVAIL IN RADIANCE? THIS WILL TAKE SOME PONDERING.

I PETITION YOU TO SUPPORT THESE WARRIORS—FOR IF THEY CANNOT SUCCEED IN ONE WAY—THEY WILL MOVE ON TO "PLAN B", FOR INSTANCE, AND I THINK YOU DO NOT WANT THAT ON YOUR CONSCIENCE IN THEIR BEHALF. IF YOU REDUCE YOUR

SELVES TO BATTLE OF PHYSICAL FORCE—YOU WIN ONLY PHYSICAL DEBATE ON A MOST TEMPORARY SCHEDULE. IF YOU DO IT "RIGHT" YOU WIN ETERNAL VICTORY. AND, YES INDEED—IT CAN BE DONE "RIGHT" IF YOU REALLY WANT TO DO SO.

Stop asking, "What can I do, what can I do?" You know what you MUST DO—GO DO IT! Stop giving ear and eye to things such as gossip and personal quarrels—WHO CARES?!? YOU ARE AT "DESTRUCT", WHO CARES WHAT COOPER THINKS OF DHARMA? TRUTH WILL NOT CHANGE BY EITHER OPINION—FOCUS ON THE TARGET AND IF YOU DON'T HAVE A TARGET—GET ONE! Nobody is going to do anything FOR YOU. If you want your assets out of this sling—you are going to support and allow these willing leaders to take you to victory. Even the "little gray aliens" will make up your army if you ASK GOD IN TRUTH. ALL the rest is to pull you and your attention away from that which will bring you home to freedom and glory.

GOD ANSWERS PRAYERS

You pray for answers and "save me, save us, save my money and save my property." God sends you the answer and I wonder how many of you will RECOGNIZE IT? We shall see.

SIXTH FLEET IN YUGOSLAVIA

What I will say RIGHT NOW may well "prove" something or other to you—for you as a nation of people HAVE NOT BEEN TOLD THIS TID-BIT. How many of you KNOW that the U.S. Sixth Fleet is at ready for battle off Yugoslavia? Most of you have heard the prattlings about the *Independence* carrier floating around the Mediterranean Sea thinking about some kind of support backup, etc. How many of you realize that your youngsters have been shipped away from your country to deliberately leave you barren of help? How many of you realize that all who were sent were injected with computer chips which can literally CONTROL THEIR EVERY MOVE AND THOUGHT?

CALL ON GOD FOR HELP

What will override the commands? GOD—period! Ones who simply understand that they can counter the commands through the chip—cannot keep themselves alive from the bullets of those who will kill them rather than let them come home to "tell"—ONLY GOD AND UNDERSTANDING BETWEEN GOD AND INDIVIDUAL CAN KEEP THAT ENTITY "ALIVE"—WE HAVE MANY FROM THE SAUDI BARRACKS BOMBING AND SEVERAL OF THE "FRIENDLY FIRE" DELIBERATE "TAKE OUTS" RIGHT ON BOARD MY CRAFT WAITING TO COME HOME WHEN WE MAKE ENTRY. HOW MANY OF YOU WILL SEND YOUR OWN CHILDREN TO THE FIRING SQUADS? Worse, if you have not taught them the strength of GOD IN RELATIONSHIP AND IN TRUTH OF IT, THEY HAVE NO SHIELD FOR PROTECTION. Or, will you simply BLAME GOD for what happens to them and continue to blame GOD for your own failures? You want ME to fix it for you? No thank you—why would I do such a thing? Those who ask me and are willing to serve and come within intent of the laws in truthful relationship with God, my Commander-in-Chief, are already in the Palm of God's hand as cozy as a kitten in mommy's litter-box. It only takes 3% of you—the people to change 100% of your circumstance! But, you are flat out of time. God will "intervene" when you get ready to ask His participation FOR THE RIGHT REASONS—and those reasons are NOT to save your physical assets for your greedy purposes. If you cannot learn the proper lessons and release those physical attachments—you are not ready for the higher experiences nor will you be welcome aboard any placement in the higher realms of total freedom and peaceful life-style among "knowing" life-forms. Even a "warrior for God" who resorts to bullets has not learned his lessons to perfection. The mind is far more powerful than any laser invented—when you are ready to realize it. GOD WAITS. WE, THE HOSTS, ARE AT READY WHEN YOU ARE!

Please, the scribes all petition—hurry. For, the pen is mightier than the sword but a lot of our writers are suffering from severe writer's cramps and legal "slimeze" for having done the service. If you let "them" bury the Word of Truth and burn the WORD—you are doomed!

I am humbly grateful to my team this day—they have "done the impossible". They met the enemy they could not see and prevailed—and no one—NOT ONE said, "I can't." I thank you on bended knee for my crew is valiant and unbreakable. On this past weekend the enemy said "you shall not" and they DID—knowing full-well the enemy COULD really make it miserable and disastrous—but they petitioned our shielding, we stood the line and stayed the course and I honor them—AND ALL OF YOU OF MY PEOPLE "OUT THERE" WHO SENT YOUR PRAYERS AND STRENGTH FOR IT IS THE SAME AS YOUR PRESENCE! WE ARE BUT ONE AND SO SHALL WE TURN THIS "THING" ABOUT. THE BEAST WILL DEVOUR ITSELF IN ITS GREED AND LUST FOR POWER—IT WILL PERISH IN THE PIT OF HELL, DEVOID OF GOD, THE LIGHT.

WHERE WILL YOU BE?

And it came to pass in those days of the Lord, that the Light did shine upon the tribes of His people and they were lifted up as on wings of Eagles into the heavens of the universe. And so it came to be that those of God's people were gathered into radiance as the Phoenix from the ashes of that which WAS and THE LANDS WOULD NEVER KNOW THEM AGAIN! WHERE WILL YOU BE?

I salute you—AHO.

Blessings upon my people, thus sayeth the Lord. I AM that ye might be!

May you find your way in the Lighted passage for in the going, the lands shall know them no more. I sincerely hope to welcome you aboard. Good evening.

Media Work Hard To Ignore Bo Gritz

8/19/92 #1 HATONN

HOW CAN SECRETS BE KEPT?

BY CONTROLLING THE MEDIA IN ALL INSTANCES. We will consider the week-end events in this small town of Tehachapi as good examples.

Keep in mind that the joint gathering for Citizen information and to allow hearing for a Presidential Candidate qualified in some 25 States and lead "write-in" candidate in many others, such as California, Colonel James "Bo" Gritz, was the largest event in the area. We will also note that the only reason there was anything in the Bakersfield paper was because of "return for advertising". This will point out that the papers are controlled by the SAME cartel.

Let us look at local headlines: Radio Station dedicated for wind industry; Sand Canyon bus routes (school) increased; County hikes fee to rent Veterans' Hall [Note, however, that for the Gritz meeting NO Veterans' Hall in either Bakersfield or Tehachapi was ALLOWED TO BE RENTED AT ANY PRICE]; Local ostrich ranchers strive for innovation in growing industry; Turn-of-century carriage restored; Boosters continue THS (Tehachapi High School) stadium improvements and Soccer is added to list of athletic teams this year; Mountain Festival fun '92. Then on the inside front page: Unsecured property taxes due; Tax revenue for Tehachapi; Thomas announces 1992-93 Judicial Fellows (political) Program; New law is too expensive for Realtor; Walton's story worth reading: "Walton has been hailed as a genius for recognizing the potential in small towns." Then there is a page or so of Public Notices of **Trustee's sales of foreclosed property, with a small ad which says: "Legal notices**

protect your right to know!" There is also a running type of "series" which is "Get ready to again support our troops as they prepare to valiantly serve," but don't see it this week in view of other important information.

Funny thing, when we suggested that the Iraqi war was not such a hot idea—the "town" threatened to drive our people out of town, somebody took potshots (with guns) at Dharma's dwelling (and hit it) and put ads and articles in the paper about no "patriotism" (which got printed with no allowance for so much as defense letters-to-the-editor being allowed printing).

At the local airport the only attention given by the manager was to demand that the "pickup" vehicle "get off the area near the runway"—(actually in the edge of the 'parking' area.) **IF "NOBODY" KNOWS GRITZ—WHY WOULD EVEN N.A.S.A. BE CLOSING ALL PUBLIC RECOGNITION OF THE PERSON IN POINT?** Could it be because of the following?:

What will Bo Gritz do as President?

- * Establish debt free constitutional currency and eliminate the Fed.
- * Stop the income tax and get rid of the IRS.
- * Balance the Federal Budget.
- * Halt runaway spending by Capitol Hill.
- * End Foreign Aid (Federal) and the buyout of America.
- * Oppose global government and Bush's "New World Order".
- * Institute "Workfare" in lieu of welfare.
- * Roll back big brother, the Federal bureaucracy and legislative statutes.
- * Restore states' rights and personal liberty.
- * Secure the American dream.
- * Rescue our Prisoners of War.
- * Lift the lid on Washington, District of **Criminals**.

- * Cut costs and require contributions from federal officials.
- * Initiate "fully informed jury" legislation.
- * Bring back high standard of decency.

and the list goes on - -

I note a rather interesting plan in action: To fire and replace EVERY Presidentially appointed government leech. Totally restore Constitutional LAW and the Bill of Rights and thus and so. One of his better suggestions is to cause Congressmen to be the FIRST sent to any "war" encounter and America's youth will NOT be sent to "foreign soil".

I suggest that all of this, **which CAN BE DONE IMMEDIATELY UNDER CONSTITUTIONAL LAW, makes the bureaucrats PRETTY NERVOUS?!** I suggest you get right on with electing Gritz, readers, whatever it takes to get it done!

DESTRUCTION OF A PLANET

ZIONISM IS RACISM

By Gyeorgos Ceres Hatonn

Find out how you have been lied to about the cause and reasons for most wars and the real goals of the "New World Order" which is to rule the world with **total control and an iron fist.** Find out how you are being kept track of by computers in every detail of your lives. Read the story of how the man-created or man-enhanced diseases (AIDS, Flu, etc.), man-created disasters of droughts, wars, floods, earthquakes, volcanos, will continue to kill off the unwanted.

What Will They Think Of Next

8/19/92 #1

PETITION FOR HELP FROM ALASKA

I am faced with a heartfelt cry for input from a reader and he petitions in behalf of "many readers". Yes, I agree, for we get stacks of letters asking almost the same question—often in identical language.

QUOTE:

Important, #1:

Dear Hatonn,

I'm your average truth seeker who is in a spiritual dilemma about the good angels and bad angels. The general principles of understanding God's will in love, long-suffering, responsibility for our own actions, faith, etc., I'm not perplexed about. I understand that intentional confusion of the dark forces abound.

I've read several issues of the Phoenix Liberator and OWNER-OPERATOR MANUAL which seems correct to me.

I recently wrote to POSITIVE STEWARDS, 1500 North Texas, Weslaco, Texas out of curiosity to get the rap on their business about how they plan on saving us from destruction. This is what they gave me (attached); I asked if they approved of your literature and work. They answered in a most unexpected manner, since I felt you might be in a compatible situation with them but obviously not! PLEASE!! Give me a better explanation than they did and who are "they"? This kind of stuff is hard on people's spirit. With Love and Respect and seeking to be with the Creator of the Universe in the brotherhood of the REAL "Christ" (Jesus they call him). E.S.

P.S.: You can use this if you want to print it but no address please.

[H: I will now print the small personal response to E.S. from this "A.T.A. Base" and then we will cover highlights of enclosed advertisements accompanying the note—from the same orga-

nization. I think I won't have to do much explanation to our readers. However, to E.S.: I can't offer much more than to ask you to get copies of the PHOENIX materials which includes 60 volumes and covers all ways to sort for self, these organizations, accusations and claims. I do disservice to anyone when I pick and choose "sound-bites" and disassociated sentences as response to such a heartfelt and searching inquiry. I will, however, attempt to pick highlights of that which they offer and respond. The present "Armageddon Time Ark Base, Cosmic Corps of Engineers (ODF): 5-D Technology=perfection in full panorama minus experimental research!" By the way, to find out what THEY MEAN by the "stuff"—you spend \$50.00 to attend a seminar (after you travel to Weslaco, Texas). Let us continue:]

Response:

To: The S., Alaska

Date: 3-Aug.-92

From: A.T.A. BASE

Dept.: PUBLIC RELATIONS

Subject: **Your recent letter and inquiry about PHOENIX JOURNAL.**

BASIC SHORT ANSWER:

NO!!

Expanded answer: Absolutely do not acknowledge, support, or recognize as valid.

TIME FUSION LEAKS FROM ABANDONED PATTERNS—possibly known to you as "demons"—abound Today. Phoenix Journal is merely one contact with abandoned patterns in a somewhat different style than others, but is NEGATIVE all the same. [H: Editors: do not change spelling and emphasis—this is a direct copy.]

A.T.A. Base absolutely refutes, rebukes, condemns, defies, Totally denounces and Challenges Phoenix Journal as contact with abandoned patterns. Their contact is a lying and deceiving dead devil.

This may be more answer than you wanted, but we feel strongly about the way people are suckered into contact with "familiar spirits". Abandoned patterns will establish contact with any weak-willed person or any who have not The Positive Knowledge. The A.P. will give sufficient true information to establish Trust, but will always lead away from True Positive Survival, as only YAHSHUA HAMASHIA can provide.

Just consider how the demon will never identify by NAME who The CREATOR or HIS Positive Son really is. They only use stupid expressions, such as "THE ONE" or "The Great ALL", etc.

Best to you! D.H.

[H: Now we will simply run down the advertisement sheet briefly. In fairness, we will reprint EXACTLY that which is stated on the face page:]

DO YOU WANT TO GET OUT OF THE WRETCHED MESS? What about this country? THE ENVIRONMENT, POLLUTION, CHAOTIC SOCIAL ORDER, THE ENDANGERMENT OF THE SPECIES OF MAN, ECONOMIC OPPRESSION, MEGA-CONFUSION, WAR. **REACH FOR THE ULTIMATE SOLUTION!**

ARMAGEDDON TIME ARK BASE OPERATION: "We are World-Builders with the ULTIMATE, 5-D. ENERGY TECHNOLOGY, which is designed to provide The TOTAL ENERGY GRID for REAL FREEDOM & POSITIVE SELF-SUFFICIENCY." 5-D. ENERGY: 100% **SAFE NON-POLLUTIVE.**

KNOWLEDGE FOR YOU! We're duty-bound under Universal Law To inform you about The available 5-D. TECHNOLOGY and your rights To Positive SURVIVAL of ARMAGEDDON into The Millennial HEAVEN ON EARTH. **Reject it, or ACCEPT IT!**

"OFFERING transportation for The FUTURE, To all Those who qualify with the O.D.F.": **IT'S NOT A UFO. IT IS A 4 D.O. TIME ARK!, NO OIL OR GAS!** It uses **MONADIC GRAVITY!**—**Stress-free TRAVEL.**

THE FIRST STEP YOU MUST TAKE TOWARDS SURVIVING THE DUE ACTIVATION

THE PHOENIX JOURNALS AND THE PHOENIX LIBERATOR MAKE GREAT GIFTS FOR FAMILY AND FRIENDS.

OF SEAL #6 AND ENJOYING THE HEAVEN ON TIME STATION EARTH, is To shift The fulcrum of your intellect, so as To embrace The FULL 5-Dimensional Technology That your CREATOR allotted to YOU! [H: Right off you can see a pattern of intelligence and education showing through: this Earth "spokesman" capitalizes ALL prepositions (to-"To", etc.). Any sick teachers reading? Didn't catch it? Let us go on for the content surpasses the ill-prepared document.]

Consider the Positive Benefits of 5-Dimensional Technology, as Taken from The MEASURES. For a HEAVEN ON EARTH, Positive Survivors will be able To: TAP The 5-Dimensional TIME BANK for free, UNLIMITED ENERGY (electricity) without Taxes or pollution.

USE MONADIC GRAVITY in ALL Transportation. That automatically cancels out The death-dealing, octopus, outdated highway system with all its frustrating maintenance and skyrocketing Taxation for extending Bondslavery.

BUILD TRANSPORTATION VEHICULE'S with 1,000 year durability. CRASH-PROOF units That gather Their own ENERGY. Family-style model seats 12 plus luggage. Speeds up to 50,000 m.p.h. NO, your money is not good enough To buy one. These vehicule's are PART OF YOUR POSITIVE BIRTHRIGHT! [H: It is the "luggage which interests me—in Dimension 5 there is no physical body expression—why would you need luggage for it would not exist either! 50,000 mph? Why so slow, old friends? Fifth dimensional speeds are at the speed of thought so this "vehicule's" is going to get run-over pretty quickly in its "stationary" seeming non-motion. Further, since fifth-dimensional beings are NOT physical projection in manifested form—why would it only seat a dozen? So much for facts!]

CONSTRUCT THE LABORATORY OF LIFE with its 5-Dimensional TECHNICAL EQUIPMENT. for The instant production of M A N N A — practical by simply bypassing

3-1/2 Dimensions of photosynthetic activity.

This 5-D. MANNA—The same as was provided for the Historical Israelites— will be necessary for EVERY Positive Survivor To rebuild Their body cells TO DYNAMIC HEALTH.

REMOVE THE CAUSE OF ALL HUMATON-CAUSED DISEASES.

CONSTRUCT AND INSTALL The NATIONAL TOTAL ENERGY GRID consisting of safe, no-moving-parts Units, That will energize The whole continent, yet number far less Than you now have of The DANGEROUS nuclear plants in The U.S. alone. Any one of These SAFE, FUNCTIONAL O.D.F. units can be camouflaged on a small city lot. They need no servicing and pose no danger To Human Beings or other living Things. This Positive Energy System eliminates all debt-claim service bills and dangerous, unnecessary, stupid high lines. SEE EXHIBIT A FOR MORE DETAILS.

OPERATE your Time Station as a HEAVEN ON EARTH, rather Than your present, willfully-created HELL on Earth, composed of bloodsuckers & Bondslaves.

CONSTRUCT AND USE TIMRASCOPEs for communications, replacing The present negative, stupid forms such as Telephones, boob Tubes, radios, computers, etc. You are guilty of ENERGY ABUSE in The use of such negative forms of communicating.

You have SPECIFIC RIGHTS To Life and Survival under The POSITIVE BIRTHRIGHT SECTION OF UNIVERSAL LAW in This Point #1 of Armageddon. The Cosmic Corps of Engineers can Tell you about These Rights and provide you with your personal Survival Protocol. To learn more, see enclosed slip for INFO-PROTOCOL.

[H: Now, for getting all this wondrous B.S.: "To obtain your Survival Protocol...TO ENJOY THESE BENEFITS, YOU MUST SURVIVE S. DAY! YOU MUST QUALIFY IN PERSON!" in Weslaco, Texas OR pay expenses for these godlets to travel to your section "after you put together a paying

seminar".]

STATE OF TIME STATION EARTH:

After 6000 years under free moral agency, ending on September 3, 1966, occupants of The Positive Birthright Territory of Time Station Earth were found, by The OUTER DIMENSIONAL FORCES, To be abusing Themselves by still existing in The Stone Age, Thereby automatically being MEASURED as humatons.

These humatons did retain some Knowledge of The Circle, shown by use of the Wheel, but have only been employing it in a negative manner by producing friction, and by gathering and distributing Dump Energy for The sole purpose of debt creation against The bondslaves.

This ignorance, by self-restriction of Perfect Knowledge, has produced The End Product of capitalization of costly, deadly, Time-wasting Experimental Research, with its volumization of material and noise pollution, man-made sickness, disease, and death.

Humatons did go so far as learning how To square The Circle, mainly from The MEASUREMENTS of The Great Pyramid, but have restricted its benefits To The negative use of numbers To satisfy Their perverse greed for The evil power of Man's inhumanity To Man.

The O.D.F. has returned To find That The occupants of The Birthright Territory have degraded Their environment To a Territory of Evil. They have de-monadized The soil, water, air, and buffer zone.

Timrascope Tests prove That Homo sapiens is afflicted with That Fatal Armageddon Disease (AIDS II) and is now MEASURED as an endangered species.

For 23 years The humatons of The U.S. have refused To activate The Protocol for The Tapping of The Universal Time Bank for unlimited energy.

Seal #6 is now in functional position for activation at 6:00 P.M. preceding S. Day for The rendering of Time Station Earth safe for future habita-

tion.

When There is no vision, The humatons perish.

When The original is lost sight of, humatons come To worship a fancy of Their own.

As They have discarded Their ancient Perfect Factual Knowledge, They have substituted and confined Themselves in a juggado of Ultimate Babylonian Mysteries Religious Philosophy, based upon The restricted limitations of belief and faith.

The jailers who force The humatons To sweat and exist in This Stone Age juggado (The great American Dream That has Turned out To be a Nightmare) are The She-Man Devils, who perverfractionated The Perfect Knowledge, The False Prophets of The Many of The End Time, who are preventing you from knowing by restricting you To belief and faith, and The Big Brother Police State—To insure That you remain in The Dark Stone Age of The Wheel, with its friction, pollution, disease, and Death as a reward for being a good bondslave.

The Slavemasters could not exist without The continued creation and volumization of debt claims for expansion of The Gross National Product (GNP).

This method has become largely The Capitalization of Calamity based upon inefficiency and poor-quality, short-life products. The achievers who built The nation—The Efficiency Experts—were necessarily mentally executed by The end of World War II.

If you do not understand This plain English which you are Trying To read, it proves That your mind is constipated by The enforced limitations of religious unreality. In such case, it is not always safe To physic your brains with Too much Knowledge, as it may result in a fatal case of varicose brains. Use Extreme Caution!

Humatons (degenerated mankind) have proved Themselves Totally incompetent as Stewards of The Positive Birthright Territory, and have Turned it into a Territory of hate, false love, disease, death, and mutilation of bodies for profit.

The emulate The Chinese

Warlord System in That which ever Lord has The most Tax money To hire The most burglars and gunslingers (SWAT Teams and various raiders) Takes The most loot and prisoners To pack The Great American Gulag Archipelago. The great American Dream has become a nightmare of bloodsucking and Terrorism.

The constipated minds of The bondslaves are kept in a state of bumbling with created Terrorism in other nations while solidification of The Big Brother Police State is activated in The Birthright Terrortory.

The Indians are blamed by The white man for mutilating bodies, but The Indians only mutilated because of Their ignorance caused by religious limitation.

The white man mutilates, not only because of being mentally retarded by his Mysteries Religious Philosophy, but moreso To intentionally create debt claims Toward volumizing The Gross National Product.

In This present perverted society, debt claims are created from birth To death, whether you are in The slammer or out.

The hospitals and fake health care fraud have become a vast industry of birth and death factories for creation of debt claims.

In argument, The friendly undertaker puts down The doctor by informing The doctor That The undertaker has To bury The doctor's mistakes, and The undertaker eventually buries the doctor.

Who buries The undertaker is like asking, "Which came first, The chicken or The egg?"

Well, it's all good for debt creation in The bloody religions of fornication with The Harlot and worshipping The Beast.

After all is said and done, if all The humaton Mattoids and Mentats escaped The self-created consequences of The due action of Seal #6, would you not be in The same Wretched Mess as now???

END OF QUOTING

The very nicest thing this person or group of persons has done for the Phoenix Material is to totally denounce it. Challenge me? There IS no challenge whatsoever. If you feel the above establishes "...trust, gives sufficient true information, but will always lead away from True Positive Survival, as only YAHSHUA HAMASHIA can provide"—take your chances!

I suggest that perhaps the Freudian slip in the above, i.e.: "...but will always lead away 'from' True Positive Survival...." is an informative slip of the lip.

Why do I take time and space to respond to such mailings? Because the secker seeks in TRUTH of INTENT. The material has now arrived in my attention span some dozen or so times.

I would note, however, that no one is spending \$215 MILLION to STOP distribution of these people's material. Could it be - - - -? Further, I cannot comment intelligently regarding these matters since I haven't the slightest idea what is meant by "juzgado", "terrtories", "Timrascope", "humatons", "Homo", "sapiens" and countless other terms. Neither can I determine what connection eggs and chickens have to do with undertakers, The Birthright Terrortory, Mattoids and Mentats have with the Gross National Product (GNP). I'm afraid, readers, you are on your own. If you are a reader of the Phoenix Material you are bored and/or amused by this "stuff" and if you are not—I can only suggest that you get caught up as rapidly as possible—OR, simply keep supporting as they suggest, "Donations help defray our expenses." and "Collect calls not accepted". If you want more information from them—"send a self-addressed, stamped envelope.....or call Roger between 5 p.m. and 6 p.m. (Central Standard Time)." I don't know what you are to do with our soul evolution during the other 23 hours. Since the MONADIC ENERGY MACHINE has no "moving parts" I suggest you watch the human moving parts—like the hand to pocket maneuver! So be it.

Dharma, please allow for a rest break. Thank you for your service and you readers for your attention.

Hatonn to clear, please.

Get Out There And Do Something!

8/20/92 #2 HATONN

EACH STEP

Hold to the goal and each step of the way will become clearly defined. Remember this: when you believe all alternatives have been exhausted—they have NOT.

"But what can we do?" you ask about so many things—right now it is the political chaos. How do you get Gritz to be heard? Demand it! To do this you must ACT and you must act exactly as our local team is doing. CALL the *Larry King Live* show and complain, complain and complain again about the media blackout. Call every television channel, every network news program—write and write and write to them all, local and national. Demand that C-SPAN (both) attend this subject—when the roar of the crowd is loud enough you WILL be heard.

(Editor's note: See page 30 for a good start on your own list of places to contact. Get those pens and phones working!)

WRITE-IN VOTES FOR GRITZ

One of the subjects I am going to cover right up front herein is the subject of "fixed elections". In the case of Bo, you will find that he did not get on the California ballot. He has, however, signed up for "write-in" availability. That means that hundreds of people are going to have to stay at the polling places, outside of limitations of presence as required, and hand out pencils with "Gritz" on them—so that there is something with which to mark those ballots. NOT voting, in this instance, is NOT a solution—you ones MUST GET THE VOTERS OUT. This same thing will hold true in many of the remaining states which become too late for ballot printing.

Perot is NOT one you want—

he wishes to increase taxes fundamentally and strengthen IRS enforcement. He can, however, botch up the other two parties and disrupt the already "data entered" AT&T computer tally system. I shall cover this point, but YOU just keep nagging and paddling, complaining and demanding. **If you have but the faith of the tiny mustard seed—you SHALL MOVE THE MOUNTAIN.**

BANKS SHUFFLING

I will share a portion of a letter sent by a faithful reader for it applies to all of you, then I shall comment.

.....I thought—according to Hatonn—BofA was to be one of the five "survivors"—and strong. Judging from the letter received yesterday, BofA is practically "Kaput". It "will become part of U.S. Bank of Nevada" [in Nevada]. "On April 22nd the merger between B.ofA. and Security Pacific was finalized." And "U.S. Bancorp of Portland, Ore. has agreed to purchase BofA". I would enclose a copy except that you must have received the same info dated April 29.....Also "as a subsidiary of U.S. Bancorp, U.S. Bank is part of the 31st largest banking company in the U.S." What does Hatonn—or do you—advise NOW???

S.Y. Hold up chelas, I, "Hatonn" have also told you to WATCH THE CHANGES SO YOU ARE ON TOP OF THINGS. I did NOT say that Bank "of" America would be one of the five survivors—I SAID "BANKAMERICA". Moreover, to handle disrupted services, etc., "they" will probably do a lot MORE shifting as the strings tighten and will also change labels a LOT OF TIMES to cover ability to bankrupt, default, etc. Watch the changes and be ready to change as quickly. Try to keep your balances within limits and as low as possible—perhaps in several Corporations under a variety of names if your

assets are large. The FDIC is BROKE and will not long pay off on deposits for they have been paying "in full" or "plus" to large developers and investors through an incredible scheme which you need to get from the Banking Commission "today" or trust me until I can explain it to you. E.J., perhaps you can put a paragraph or two in this segment to explain the system set up to rip you-the-people off and "make money" for the Elite.

[E.J.'s response: William Seidman, former FSLIC/FDIC boss, testifying before the Gonzalez banking committee, was asked how, if each account was limited to \$100,000 of insurance, could the "losses" be so great. His reply was that they didn't limit it to \$100,000 per account, that they paid everyone off 100%, so far. When asked if that applied to the "compensating balances" of developers, builders, etc., also, he replied, "of course."

Example: A developer borrows \$40 million from an S&L and is asked to "maintain a compensating balance" of \$10 million. In other words, \$10 million of the \$40 million loan stays in the S&L to keep the manager happy. Sometime later on the development project bellies up. Meanwhile, the S&L is taken over by the FDIC. Guess what. The developer walks away with "his" \$10 million "deposit". In other words, he just made \$10 million from nothing...or more correctly, stole \$10 million of our tax dollars!]

NO BANK IS SAFE!! DO NOT BE FOOLED BY WHAT ANYONE TELLS YOU AND THIS IS WHY WE WARN YOU TO HANDLE FUNDS IN OTHER WAYS IF ASSETS ARE A PROBLEM WITHIN THE BANKS. CASH WILL ALSO BECOME A PROBLEM FOR METALLIC FIBERS ARE NOW ADDED TO ALL DENOMINATIONS AND IF A PERSON CARRIES "OVER" A CERTAIN AMOUNT OF CASH—METAL DETECTORS WILL ALERT AUTHORITIES—EVEN IN GROCERY STORES. WHEN ALERTED, A PERSON WITH A LARGE AMOUNT OF CASH WILL BE CONFRONTED, ARRESTED AND THE FUNDS CONFISCATED.

Beware, all of you and especially you, S.Y., for games are being played and delays set up in transfers, etc. I cannot tell you what to do for I have done so in the past—only to have my people assaulted, etc. Please understand, chelas, I give you what I can—but you must quietly do that which you must. Every day in every way gets more and more difficult to manage. We will do the best we can for as long as we can do so. The point of the game of the Adversary Elite players is to GET ALL ASSETS AND PROPERTY—**ALL**.

I again urge all of you to keep some stashes of silver and gold for in the long-run they WILL be worth something. For a while Federal coins will be suitable for exchange but probably not for long and that which is "minted" is valueless as to metal content.

DOES EVERYBODY GIVE ME ATTENTION? HEAR YE, HEAR YE: THERE IS NO PERFECT WAY TO SAVE YOUR "THINGS". THERE ARE SOME MANEUVERS WHICH LEGALLY ALLOW YOU SOME SECURITY—BUT IF THE BIG BOYS COME WITH CONFISCATION LASERS—THEY INTEND TO WIN. IF IT IS TOO MUCH TO CONTINUE TO BELIEVE ME OR MY INPUT—LISTEN TO GRITZ AND TEAM AND YOU WILL LIKE EARTH TRUTH EVEN LESS THAN MINE. WE OFFER SOME MEANS OF COVERAGE—THEY CANNOT EVEN DO THAT MUCH FOR IT IS TOO LATE TO STRUCTURE A MECHANISM SUCH AS HAS BEEN SET UP BY PHOENIX. THE "TOO LATE'S" ARE HAPPENING ONCE OR TWICE A DAY NOW AND WILL WORSEN RIGHT ON TO THE BITTER END. A lot will come in the insidious form of one thing at a time, i.e., BofA says they will now "have to stop offering Senior free checking". The "World" in freedom as you knew is in the "shutting down" phase.

Can Bo change it? NO—NOT UNLESS YOU ELECT HIM PRESIDENT. THEN UNDER THE CONSTITUTION HE, AS PRESIDENT, CAN DO MYRIADS OF MIRACLES—SO, IT IS UP TO YOU TO GET HIM "IN THERE"!

VOTE FOR BO GRITZ

BANKS UNDER "BO"

I would suggest you still get your assets OUT! because G. L. is going to give the debt right back to the ones who made it—THE BANKS. He is going to pay off the debt with the same worthless "paper" statements and the howling will begin. Can he? YES INDEED! He can do it 1 second into the Presidency. Will "they" let him do such a thing? How are they going to stop him if you-the-people elect him? Take him out? Oh, I think not because he constantly asks protection and shielding from US of higher Command. Won't it make the other Elite people angry? Indeed—like crazy hornets—but they don't have such good plans for you already under way, chelas. If you are only interested in "choosing mode of execution", then I suggest you continue to hide. If you want a chance at regaining nation, Constitution and Freedom—you will get this man elected for he is chosen of God to lead you if you will but make sure it happens. **The PLACE is HERE, the TIME is NOW and the ONE is YOU** GOD PRESENTS THE "WAY" BUT YOU MUST SEIZE IT AND DO IT.

WARNINGS AND ATTENTION

A note received today also, points out that it has ever been thus historically. People are warned and they pay no attention until it is too late—or they misunderstand or simply DO NOTHING. Let me quote a portion of a letter as presented to me:

"This is for Hatonn -

"I'm trying to alert others but few want to believe it! I'm reminded of conditions prior to the French Revolution. Marie Antionette and Louis the King were told what was coming but they wouldn't believe it! They knew who the Conspirators were. Even Lafayette warned them. They could have picked up the traitors and put them in prison and tried them for treason and had them executed! In the West in the early days they had vigilantes and in no time the bad guys were taken care of—

"We know the enemy and still the Kissingers walk around

as free as a bird—GOD help us all!!

"P.S.: I always put the flag stamp on my mail upside down because our country is in trouble—it is the sign of distress!"

Thank you for sharing for it has been ever thus. However, do not think that I can sanction some of the methods of "taking care of" the problems as priorly practiced. We do, however, get the message.

VOTE WON'T COUNT IN NOVEMBER

The following is going to be taken verbatim from the publication, *Criminal Politics*. Copy has been sent to us from a "free distribution", as I understand. At any rate, we give Lawrence Patterson, publisher of said material, credit for sharing truth with all who would read and hear.

For you who are into bickering and picking at one JOURNAL or another—I will not play such games. I use material from whatever source I find Truth presented. We MUST get over these Earth-bound things so that we can finally move into soul journey and Creation experience and expression in truthful outlay. If "writers" who claim desire for regaining of the Constitution and nation only sue for use of material in one way or another—their intent is wrong and I will stand responsible. Utilization of material can only ASSIST the original presenter—ours is to integrate, not give sensational blatherings.

Perot said, as he stepped aside, "Now that the Democratic party Has Revitalized Itself—I have concluded that we cannot win." 7-16-92. That was NOT the whole story but it serves for the present writing. We will move right along into "rigged votes" but we shall take it in the order herein found most feasible. The "style" of *Criminal Politics* is such that I cannot do justice, without pictures, etc., to the subject as well as have they, but all who will can obtain the information directly from them. I have given their address, etc., prior to this but will herein restate it: P.O. Box 37812, Cincinnati, OH 45222 or 1-800-543-0486. But good

luck, the cost of the paper is \$1,200/yr. [And, no, he did not send me the copy—I do not believe I qualify for his mailing list!—except perhaps for legal suits.]

This is in NO WAY PRIVILEGED INFORMATION IN ANY SENSE OF THE WORD. I HAVE, IN FACT, GIVEN YOU ALL OF THIS INFORMATION BUT IT IS TIMELY AND YOU NEED TO HEAR IT AGAIN. THE FACTS ARE THAT I FIND MOST OF THE "CONSPIRACY" INFORMATION TO BE WELL INFORMED AND FROM EXCELLENT RESOURCES—THE INVESTMENT PORTION IN NO WAY REFLECTS MY SUGGESTIONS AND I TAKE EXCEPTION TO THE METHOD AND MANNER OF BUSINESS TRANSACTIONS.

The article begins: "Perot proved gutless at the moment we needed him most." No, he did NOT. He is a pragmatically practical business man and he saw the facts of it. Therefore, just because we utilize the article does in no means whatsoever indicate that I agree with conclusions or ALL of the document. You are now informed enough to glean information and truth.

Mr. Patterson and some of his colleagues have stated that 1) John Coleman is Hatonn, and 2) George Green is Hatonn. My, my—this does not bode well for their credibility as to factually diligent observation or investigation. Hatonn is Hatonn and Dharma is NOT Mrs. Green. Sorry about that, chelas, and now there is NO connection whatsoever except for publication of JOURNALS. Neither person has input to the LIBERATOR. Since George Green has now lost a great deal of potential income from this separation—perhaps he may well consider legal action for misrepresentation. By now, he SHOULD be getting pretty fed up with you lovable turkeys who blatt and bleat without any foundation of truthful fact.

QUOTE From *Criminal Politics* magazine:

A CLEAR ANSWER TO THE PEROT MYSTERY!

Once again the Globalist

conspiracy reared its ugly head and shocked Americans senseless.... Never before had such an overt example of control from the top—been so *visible*—to so many Americans—as when Ross Perot returned from secret meetings in New York City on July 14th and 15th and quit—**the very next day.**

CONSPIRACY—

CANNOT HELP—BUT BRAG!

There had to be some evidence of their tremendous victory over the freedom loving American spirit! They cannot help but indicate to their supporters—and people in the know—that **THEY** are still in charge.... It had to be stated in some oblique way. The message came the very next day on Friday, July 17th in the *Wall Street Journal*—in the statement on the Perot resignation by one Timothy Noah. In the process of explaining the whereabouts of Mr. Perot and his *inability* to attend critical headquarters meetings, the WSJ writer stated:

"...one reason may be that Mr. Perot made an undisclosed trip earlier this week to New York on personal business." [H: **Oh drat, among other places here and there.**]

"Personal business"?? ...For those who understand how the conspiracy operates—by indicating key facts to its supporters through the media in some oblique way—it is quite clear what is going on. Perot met with Rockefeller himself, or with David Rockefeller and Henry Kissinger to be told [H: **Now don't act shocked—I have told you consistently that Perot is a close, close friend of Rockefeller, etc. THIS IS NOT NEWS!**]*—that his hundred million dollars will not count (no matter how well he spent it and no matter what he did)—because the vote is rigged!*—and—that whatever happens the TV networks will be in control of the announcement to the public as to **WHO the victor is...**

NO! We don't have a smoking gun photograph—but it's not needed to see what has happened....

VOTES FOR BO = FREEDOM

AMERICANS LOST VOTE— LONG AGO!

To those who have not yet quite grasped the situation, the assassination of John F. Kennedy and Robert Kennedy—and the disgrace of Richard Nixon, and the shooting of George Wallace as well as Ronald Reagan are *all part of the process*—of making sure that *Americans' vote will not count!*

This time (for the 1992 vote)—it was made clear to Ross Perot—that the networks would make the announcement of a Clinton victory regardless of **what the vote count was!**... That's right, the networks will take instruction from the Rockefeller/Kissinger offices to announce on the evening of the election day at 9 or 10 o'clock in the evening—**whatever they are told to announce!** [H: **The major portions of the taped showings for television will have already been filmed and ready for showing long before election day!**]

CONSPIRACY CONTROLS THE NETWORKS AND WIRE SERVICES!

THERE IS NO AGENCY—NO "UMPIRE"—TO SUPERVISE THE MEDIA'S ACTIVITIES ON ELECTION DAY AND ITS ANNOUNCEMENT OF THE "WINNER".... We are sorry to disabuse the "infants" who are new to conspiracy politics with this shocking statement, but:—If there is anyone out there—who can show a mechanism for "calling foul"—on any erroneous public statement by the wireservice and networks, we would be more than willing to publish the evidence provided. [H: **Us too!**]

We at *Criminal Politics* magazine know of *no mechanism—no procedure*—whereby the media can be proven wrong in the announcement of the Presidential winner on election day.

FRAUDULENT COUNTS NOT NECESSARY!

As a matter of fact, the three television networks, NBC, CBS, ABC have a series of offices set up around the United

States to collect their polling results and report them to their headquarters in Manhattan.... Therefore, there is no need for arguments over whether or not a "vote fraud" results from the count of the Presidential ballots. *No fraudulent vote count is needed*—as the network announcements are controlled from New York City and their staffing of media offices around the country are also under the direction of the conspiracy. [H: **You will also recall that the telephone network of AT&T is a major, major part of this unfolding criminal play.**]

Their job is to collect the data from polling places around the areas and report them over the telephone lines to New York City. The offices are typically filled with as many as 20 or 30 temporarily installed telephones as well as fax machines and computers. All evidence of their existence is removed within a few days without a trace.

IT'S ALL SO SIMPLE!

The procedure is ridiculously simple. The networks are under the direct ownership and control of the International Banks in New York, London, Tel Aviv. (For some proof—read Eustace Mullins' *THE WORLD ORDER* Chapter 2).... These banks vote the shares that elect the boards of directors of the nation's television networks and major wire services. The policy is set at the offices of David Rockefeller and his staff at Kissinger Associates. Once it is determined who the successful candidate will be, all personnel are so advised at the major media conglomerates! [H: **For you who can't stop pondering "Where's CNN?"—just know that they are right in there to both the right and to the left of it ALL.**]

The correspondents' stories on the race are rejected if they do not adhere to policy line as to who the "front runner" is at the appropriate time. There will doubtless be no story regarding Bill Clinton's illegitimate son in the state of Arkansas and the paternity suit that has apparently been filed in the local courts. *Any writer who submits the story will be publicly embar-*

ressed in front of his co-workers as some kind of freak. Humiliation before one's peers works 100% of the time! [H: Yes, there is an illegitimate son—by a black woman. What pain to place upon the shoulders of that child who is now, except for skin coloring, an image of the father. "The sins of the father shall be rested upon the sons!"]

ROSENTHAL ON THE
MYSTERY—
HINTS AT THE ANSWER

In addition to the *Wall Street Journal*, the *New York Times* editorial writer, A.M. Rosenthal, hinted at the truth regarding Perot's quitting when he said...."privately, close friends say there are other things—but that he pledged them to secrecy."

As we said before—there is no way that such a capitulation can occur without the key people in the know such as A.M. Rosenthal wanting to tip off his friends and associates in the publishing business—that they—"the conspiracy" is still in control of the United States of America. They can't resist bragging about their unbelievable power.

PEROT CORRECTLY
CALLED:
"THE GREATEST QUITTER
OF ALL TIME!"

PEROT'S LOGIC: "WHY SPEND FIFTY MILLION—WHEN THE OUTCOME IS RIGGED?"

Being a business man Ross Perot would not likely waste fifty million dollars as a down payment in the process of a media campaign. His recently appointed advisor, Ed Rollins, had presented Perot with a \$25 million dollar budget for direct mail and a \$25 million dollar budget for television as a **minimum campaign**. Perot refused to give the go ahead and visited for two days in New York City as discussed above. When he returned he had one of two choices...(1) call their bluff—and give the go ahead on the media campaign and go all out to win...(2) to say "no" to the campaign and force the resignation of his advisors and quit! Ross Perot chose to quit!

MEDIA EXPLANATIONS ARE
ABSURD!

You will note if you study the published and lengthy explanations for the astounding termination of the Perot candidacy that they make no sense. For example, the *Washington Post* cover story on Sunday, July 19th, tried to explain it away as a "disgust with politics..." They said, "Ross Perot quit because he could not stomach politics."

Of course, such nonsense is not surprising as they have to say something to their readers regarding the Perot termination. After all, Ross Perot jilted America. It was far worse than jilting his followers across the United States—in the process, he actually jilted and betrayed the country. [H: No, he did not—because what he offers if he were to become President would finish destroying the nation.]

[H: Let us skip over all the next nonsense regarding Clinton in the article in point for we all now know that Clinton is a product of Rockefeller/Kissinger—Tri-lateral-Bilderbergs-Committee of 300. Let us move on to the more important information and petition in this article, please.]

DON'T LET PEROT TURN
OUT AMERICA'S LIGHTS!

Never before have so many been so angry—so disgusted—and so stricken over a Presidential contender. But don't let Perot's cowardice convince you to not remain active. Perot has unleashed pent up demand for a third party system in this country and the momentum should not be lost.

END OF QUOTING. Thank you, *Criminal Politics*.

THE ELECTION IS RIGGED!

Even if you have never taken part in a campaign before, this is your opportunity to do something for your children and grandchildren.....

The only people you should get even with are those who helped you.

[H: THE NEXT IS VERY
IMPORTANT.]

BEING ON THE BALLOT IS
NOT REQUIRED

Keep in mind that all but a few states allow write-in candidates. As best can be determined at this writing, Virginia, Hawaii, Maine, and Oklahoma do not allow write-ins. Most of the other states permit write-in candidates and, therefore, if your man is not on the ballot—IT MAKES ABSOLUTELY NO DIFFERENCE!

That is how they have killed off the third party drive in the past—convincing people that if the candidate is not on the ballot—he cannot receive a public vote. That is not true! Furthermore, there should be an effort made in each individual state to force the state to report the tabulations for both of these independent candidates—just leave it to Perot's people to take care of reporting on his vote.

Get in touch with the headquarters of the Independent candidates—for that matter, get Gritz on as the Independent candidate across your nation.

Progress is being made because you now see Perot being thrust to the forefront again as the damage assessment comes in from Gritz' sweep across the nation. God blesses this valiant warrior—IT IS UP TO YOU, AMERICA!

Let us leave this off at this point for we haven't room to

continue in this segment. Thank you.

PLEASE HEED THIS
PLEADING PETITION

JAMES "BO" GRITZ: "200 years ago our forefathers roared for liberty. Today people whimper for security. Like a sleeping giant, threads of tyranny are being spun to keep us down. It's Rip Van Winkle time....AMERICA, WAKE UP! We need a second American Revolution. We've got one more hill to take...Capitol HILL. This time we'll win with ballots instead of bullets. There are 25 million American Veterans who took an oath of true faith and allegiance to defend our Constitution against ALL ENEMIES foreign and DOMESTIC. I can't do it alone, but read II Kings 6:15-17). Together, as Ameri-I-Cans, We'll Win!

(Part III Of A Series)

THE TWELVE TRIBES OF ISRAEL = HABIRU(?)

Sananda, in the *JOURNAL, AND THEY CALLED HIS NAME IMMANUEL, I AM SANANDA*, has described what he said as Esu about 2000 years ago (on pg. 47): "Verily I say unto you, the people of Israel were never a tribe of their own and have at all times made a living from murder, robbery and fire. Through ruse and murder did they conquer this land, through their despicable predatory wars, whereby they slaughtered their best friends like wild animals." Is there any historical documentation of this other than the Old Testament as we know it?

It was in my review of works on Egyptology when searching out information on Aton and Akhenaton [see p. 21 of the July 28, 1992, Vol. 20 #2 *LIBERATOR*.] that I came across the account of the Habiru. There is information from several sources, which I will list. None of the sources are stating that the "Habiru" and the "Hebrew" are the same, yet the descriptions of the Habiru certainly fit with what we have been told about the early activity of the "Twelve Tribes of Israel"—albeit minus the factor of a single family unit under God!! Also, minus the name of any leaders or tribes (in the material available to me). (Please note: The word "Habiru" has many translations, the one used in this article is from the sources used.)

The information became known when the Tell El-Amarna letters were found in 1887 at Akhentaten. These letters were in Akkadian (Babylonian), the "lingua franca" of the day—at least between governments. The fairly accurate dating of Akhenaton and his administration at Akhentaten has been set approximately at between 1375 and 1355 B.C. This would be about 220 years after Moses and longer still from Abraham (according to Biblical accounts). By now, if "Israel" were an

established or even recognizable group in Palestine, surely they would have been mentioned in the exchange of correspondence among the surrounding rulers. There is no mention of Israel or the "Hebrews"! Leaders' names from the Hittites, Babylonia, Tyre, Assyria, Mittani, Aziru of Syria, Rib-adda (AKA Ribaddi) of Byblos, and Egyptian vassals in Palestine are included in the correspondence.

There is also mention of a fighting band of "Habiru", which is the subject of the following research.

1. *Random House English Language Dictionary*, Second Edition:

Habiru: A nomadic people mentioned in Assyro-Babylonian literature: possibly the early Hebrews. Also, Habiri [Akkadian Khapiru].

2. *Webster's Third International Dictionary*:

Habiru: A nomadic people mentioned in Assyro-Babylonian literature from 2,000 B.C. on and often identified as the Hebrews of the Bible [Babylonian-Khabiru].

3. *A Dictionary of Comparative Religion*, Gen. Ed. S.G.F. Brandon M.A., D.D., University of Manchester; Pub., Charles Scribner Sons, N.Y. (1970):

Habiru: Akkadian (Babylonian) name for a heterogeneous people, of no fixed abode, who figure much in official records of Near East powers from about 2000 B.C. as lawless bands, ready for mercenary service. Some scholars have sought to identify Hebrews with Habiru, but identification has not been established.

4. *Temples, Tombs and Hieroglyphs*, by Barbara Mertz, *The Story of Egyptology*, Pub. Coward-McCann, Inc., N.Y. (1964):

Ms. Mertz is discussing some of the political problems encountered during Akhenaten's reign and docu-

mented via the Tell El-Amarna letters by the various governments. Regarding the "Habiru" she says, on pg. 245, "In the south the situation was equally desperate, although the attackers were different—fierce desert raiders called the Habiru. These people have interested historians because of the etymological similarity between their name and that of the Hebrews. Probably the Habiru were a loose amalgamation of various ethnic groups rather than a distinct tribal entity, but they may well have included people of Hebrew speech and customs. They were not a civilized people, as Egypt and Hatti (Hittite people) were civilized; but they were mighty men of war, and the fortresses of Palestine, weakened by years of neglect under Amenhotep III, fell to them like wheat under the sickle. And again—there was no help from Akhenaton."

5. *Encyclopedia Judaica*, Vol. 7, (1971):

Habiru (Hapiru): "an element of society in the Fertile Crescent during the greater part of the second millennium B.C.E. From their earliest appearance in documents of the 18th century B.C.E., the Habiru constitute a class of dependents. In the early Assyrian and Babylonian period (18th-17th centuries) they appear in Cappadocia and in the kingdoms of Larsa, Babylon, Mari and the surrounding areas as bands of warriors attached to, and maintained by the local rulers."....."Along with their appearance as dependents and proteges in lands of stable governments, independent groups of Habiru appear in time of disintegrating rule and lack of central control. In the Mari period of clashes between nations and cities, the Habiru appear as robber bands which attacked and plundered settlements, either on their own or together with residents of nearby settlements. Similarly in Palestine-Syria during the Tell El-Amarna period (15th-14th centuries B.C.E.) when Egyptian rule was weak, the confusion that resulted from the clashes between the local princes, and the Egyptian governors provided an opportune time for the bands of Habiru to

run wild. On their own, together with local people, or as mercenaries helping either the city princes or the Egyptians they contributed greatly to the general confusion that was characteristic of the period."... "The Habiru were of varied origin. In Mari, a band of auxiliary soldiers was called lamutbalian Habiru, the former being the name of a western Semitic tribe and of the territory west of Baghdad. Documents from Mari and Alalakh cite cities as the origin of most of the Habiru listed. Some of the Habiru in Nuzi came from Akkad (Babylonia), Assyria, etc. A significant element among the Habiru of the El-Amarna period were mutineers against the local kings. Their names also testify to a varied ethnic makeup: an early Babylonia list includes Akkadian and Western Semitic names: in Alalakh the names are principally non-Semitic (which corresponds with the surroundings); and in Nuzi there is a mixture of Akkadian and non-Semitic name. The ease with which they absorbed everyone who wished 'to be a Habiru' (in the language of the documents) indicates that they were not distinguished by ethnic unity."

[Nora's comments: I did not include the arguments given in the article regarding the language difficulties in the comparison of the "Hebrews" and their culture with the "Habiru". Those who are concerned should read the entire article—scholars have argued both ways. Also, the mention of Nuzi, Alalakh, and Ugaritic in this article ties the "Habiru" to other places where archaeological finds have been located. I will try to include more information on this aspect later if possible. I urge those who are interested to do some of their own research.]

6. *The New Catholic Encyclopedia*, McGraw Hill Book Co., N.Y., 1967, Vol. VI:

This article provides information on the archaeological finds and the interpretation of scholars as to the nature of the "Habiru". There is, also, a discussion on the language usage,

etc. It also gives a listing of arguments, pro and con, regarding whether the "Hebrews" and the "Habiru" are one and the same. Since this appears to provide more information than the other articles I will quote it at length. I strongly suggest that everyone avail themselves of the full article:

"The Habiru and the Hebrews: Until the discovery of the Habiru in the Amarna Letters, two explanations were commonly given to the term Hebrew: (1) "the one from the other side" (of the Euphrates), (2) a descendent of Eber or Heber (Gen. 10.21-25; 11.14-26). The Amarna Letters seemed to offer a third possibility, and the invading Israelites of the Conquest were identified by some with the Palestinian Habiru—some even claimed to find the person of Josue (Joshua), son of Nun, in the Amarna Letters—or in some way connected with them. Many objections were raised, and the discovery of the Habiru from Mesopotamia to Egypt necessarily modified earlier and simpler theories. The relationship of Habiru and Hebrew remains a moot question of ancient Near-Eastern history.

Reasons for Identification: Favoring the equation of Habiru with Hebrew are a number of considerations. First, Hebrew was almost certainly not originally an ethnic designation. None of the Israelites' neighbors ever refer to them as Hebrew. Their language is never called Hebrew until the late postexilic period (cf. Is 19.18; 4Kgs 18.26; Neh 13.24; Prologue to Sirach). When Moses defends a Hebrew, the author finds it necessary to add "among his brethren" (Ex 2.11); a Hebrew, therefore, was not necessarily an Israelite. In 1 Sm 14.21, and perhaps 1 Sm 13.3,7; 14.11, the Hebrews are distinguished from the Israelites. The range, too, of usage is too narrow for the term to be an ethnic designation; it is largely confined to the Israelites in Egypt (time of Joseph: Gn. 39.14,17; 41.12; see also 40.15; 43.32; the age of Moses: Ex 1.15-16,19; 2.6-7,11,13,21; 3:18; 5.3;9.1,19; 10.3).

Second there are many striking correspondences between

the Hebrews and the Habiru. Joseph and the people in Egypt are foreigners, and the latter are engaged in forced labor on crown property. Yahweh is the God of Hebrews (Ex 3.18,5.3;9.1,19; 10.3- cf. the gods of the Habiru in Hittite texts), and reference is made to the land of the Hebrews (Gen. 40.15), which recalls the territory of the Habiru. In 1 Sm 29.3 the Philistines speak of David and his band as Hebrews. David is a fugitive from King Saul, and his followers are composed of debtors and malcontents (1 Sm 22.2) and other fugitives (1 Sm 22.20-23). They live in the desert and raid the flocks of others (1 Sm ch. 25). David puts himself and his men at the service of the king of Gath (1 Sm Ch. 27). In 1 Sm, 14.21 it is said that the Hebrews desert the Philistines and join the Israelites in a shift of loyalties characteristic of the Amarna Habiru. The Hebrews are also men in revolt (1 Sm 4.6,9). Abraham, the Hebrew, is a foreigner, capable of surprise attack at the head of his band of followers (Genesis ch. 14), and he gains rights through covenant (Gn. 14.13;21.22-24). A Hebrew slave is one who accepts limited service under a master (Ex 21.2-6), and the law on this subject has a number of similarities with the service contracts of the Nuzi Habiru.

Third, like the term Habiru, which disappears in the 1st millennium B.C., Hebrew is virtually confined to traditions of the 2nd millennium B.C.; it reappears after the exile as an archaizing ethnolinguistic term."

(The Objections list the linguistic problems and ethnic problems, Abraham's family, etc.) The concluding paragraph states: "Without therefore denying the value of these objections, the mass of the evidence certainly supports the view that ultimately Habiru and Hebrew originally designated the same social class."

It is interesting that "Yahweh" is the same God of the Habiru and the Hebrews. In my mind this poses additional problems as to the dates of "Moses receiving the Ten Commandments on Mt. Sinai" — because the Hittites and Habiru

go back much further than "Moses", according to Biblical accounts.

The material I reviewed on Tell El-Amarna did not show the name of "Yahweh" as written in Akkadian/Hebrew, therefore a possible analysis of the actual word cannot be made. Nevertheless, it is well to remember, when encountering present-day scholarly arguments about refined usages of "Hebrew", that the language no longer remains in the primitive forms found in archaeological digs. As Hatonn says, the people were illiterate. Also, the *Encyclopedia Judaica*, in its article on the Tell El-Amarna states that the material found provides valuable information on the "background" of Hebrew, but it is very primitive (this material was from the ruling class).

Nevertheless, go back to the idea that both Akkadian and Hebrew (which was probably also Akkadian because that was the lingua franca of the day) used "code" languages. In other words, the consonants were written and the translator filled in the vowels. Perhaps the actual reason for using this code was the mode of sending messages—cuneiform documents, mostly clay tablets, requiring as brief a message as possible. In the Hebrew code language for "Yahweh" we have been told the consonants are: JHVH. Further, in Hebrew the names of the letters are spelled Jod (or Yod), He, Vau, He. The vowels have never been provided. Whether this "sacred code name" is the same as the "sacred dead language" mentioned in another article in the *Catholic Encyclopedia* as belonging to the Mongolian/Babylonian priests is not clear. Still, the fact that the Habiru were known to have lived in the Babylonian area as early as 2,000 B.C., and their "God" was the same as the "Hebrew God" provokes further questions:

1. Is JHVH the "god" of the Babylonians? If so, what do the letters actually represent? There has been speculation regarding the "gender" of the letters for one—the "yod" being masculine, the "He" being "feminine", the "Vau" being

masculine, etc.

We now know, from Hatonn's and Germain's writing in the *PLEIADES CONNECTION SERIES* of JOURNALS, about God's creation and the matched pairs of masculine and feminine energies. Is there—was there—some greater understanding of this in earlier civilizations, the remnant of which has come down to us in a code name? Possibly. [I am speculating.]

2. Does the fact that the "Habiru" had a "god" the same as the "Hebrew god" mean that "God" was known to everyone and was not just a special knowledge given to the "Hebrews"? It looks like it!— At least it looks like the "God of the Hebrews" was known to everyone from Babylon long before the Biblical "Moses" time. There is further confirmation of this in the known presence of what is called "wisdom literature" throughout the near East—literature which was never the lone or original property of the "Israelites". The example already quoted from Barbara Mertz' work on Egypt is a good one. In this example the "God" referred to was "Aton" and that should give all "Westerners" much food for thought. Apparently "Aton" is not so "unknown" in places occupied prior to the "written history" of those named "Hebrew".

3. Does that mean it is wrong to use the Code name JHVH for God? Hatonn and Sananda have said they answer to many names depending upon the intent of the person. The use of the code name of JHVH makes God very distant from the human experience. I think we have been misled regarding the code, JHVH.

4. If knowledge of the God of the "Hebrews" preceded Abraham, Moses and the Israelites, then what about the Old Testament story? It appears there are some problems with it!

Moses of the Old Testament was not mentioned in the records in Egypt. When Hatonn was recently asked about Moses receiving the Ten Commandments on Mt. Sinai, Hatonn indicated it was not according to the Biblical story. There was a Moses who received some tab-

lets (Hatonn did not say when) but the tablets were not laws written on stone. As I understand Hatonn, what Moses received was a "tablet" more like a computer chip in which the codes (or laws?) for the earth were encoded. It is called the Emerald Tablet because the chips were emerald rather than the kind of silicon crystal material used for our current computer chips.

Do I have any indication that someone knows about or has such a thing as "the Emerald Tablet"?

On pages XCVIII and XCIX of Manly P. Hall's book, *The Secret Teachings of All Ages*, there are possibly two stories of a "different kind of tablet" than that of the stone tablets with the commandments. This does not negate the supreme importance of God's Laws, which must also have been known throughout the near East at the time of the Habiru and within the texts of

the "wisdom literature". What I found is mention of a different kind of tablet, now lost in "legend and myth."

According to one "Myth" as presented by Mr. Hall, the first tablet that Moses received on which the Decalogue was traced "by the very finger of Israel's 'God'" was "fashioned from the divine sapphire, SCHETHIYA, which the Most High, after removing from His own throne, had cast into the Abyss to become the foundation and generator of the worlds. This sacred stone, formed of heavenly dew, was sundered by the breath of God, and upon the two parts were drawn in black fire the figures of the Law. These precious inscriptions, aglow with celestial splendor, were delivered by the Lord on the Sabbath day into the hands of Moses, who was able to read the illumined letters from the reverse side because of the transparency of the great jewel. (See *The*

Secret Doctrine in Israel or The Zohar for details of this legend.) There is additional information relating the Ten Commandments to a Pythagorean system of thought.

On the next page, under the subject, "The Holy Grail", there is this: "Like the sapphire *Schethiya*, the Lapis Exilis, crown jewel of the Archangel Lucifer, fell from heaven. Michael, archangel of the sun and the Hidden God of Israel, at the head of the angelic hosts swooped down upon Lucifer and his legions of rebellious spirits. During the conflict, Michael with his flaming sword struck the flashing Lapis Exilis from the coronet of his adversary, and the **green stone** fell through all the celestial rings into the dark and immeasurable abyss. Out of Lucifer's radiant gem was fashioned the Sangreal, or Holy Grail, from which Christ is said to have drunk at the last supper."

The two "legends" above would appear to give some support to the idea of a very special stone—one a sapphire and the other a green (Emerald) stone. Both legends are from the "Hebrew Tradition". Further, the legend of the "Holy Grail" ties in with the early stories of Great Britain, and the people of this land. If you recall, it was at King Arthur's court that the Grail Legend began! (See the book *Morte d' Arthur*)

It may be that the "legends" were intended to tell us something: Where did the idea of a special green stone come from? Why would anyone want to associate Lucifer's crown gem with a cup Christ drank from on the occasion of the last supper?

According to one legend Joseph of Arimathea brought the Grail cup to Glastonbury Abbey, in England, along with the spear of Longinus, etc.—a definite tie-in with the history and/or "legends" of the British Isle.

To Defeat The Adversary First Understand His Game

8/21/92 #1 HATONN

.... Therefore, do not fear them, for there is nothing covered that will not be revealed and hidden that will not be known.

There is, however, wisdom in a healthy respect for that which "they" do unto you, your nations and your planet. Unless you KNOW that which IS, how can you ever hope to realize that which is to come?

You ones with your teachers of self-proclaimed prophecy speak of "Babylon" and other manifesting signs of ending cycles. What means a thing out of sequence—a half story out of context? Even the first sentence has no meaning sitting alone in the sea of thoughts and words. Who is "them"? What is "covered"? Who and how will "it" (whatever "it" is) be revealed and "known"—by whom and revealed by whom? You are a

people of bits and pieces all frazzled and frayed—basing life journey on "sound bites" with no meaning. So be it.

This morning on the radio in Denver, I was asked half questions with NO time for response past 5 to 10 SECONDS. I can only suggest you get the information and study it. I cannot condense that which is already condensed into 60 JOURNALS into these ridiculous sound-bites of non-information. The inquiry is always along the lines of "...so why don't you just 'appear', sprinkle Knowing like manna and all will be made right—but, do not ask me to change my patterns or actions from present course. Further, do it MY way for I AM GOOD and 'they' are the bad ones." No, any who deliberately break the LAWS OF GOD AND CREATION are the "bad" ones. Do YOU break any of those laws? I thought so!

How can you tell how far you have come under the control of the adversary of God? By considering the rules you establish to allow for the breaking "in the physical expression" of the Laws of God and Creation.

Does it matter to me, Hatonn, how many of those laws you break? Yes, because it is done in ignorance of the overall infinite progression of self and that gives me pain as a guide/teacher. It does not affect my task at hand nor cause me to interfere with your journey in any way. Mine is only to give you Truth so that you can act in knowing instead of ignorance—then the trip is up to you. If you deliberately continue in your knowingly evil journey you shall simply NOT be brought into the higher society of God-Lighted places. You WILL learn your lessons before making that wondrous journey and you will learn them in the dimension within

which the errors are actualized. If your choice is to stay in ignorance and practice those things of physical entrapment, then may your journey be one of learning for it WILL be getting more and more unpleasant as the enemy comes into more and more binding control of all things physical.

I certainly do not insist that you believe "in" me. I just remind you that I come as Command of the Hosts and we are your ONLY way off that orb. THE ONLY WAY! That, however, is not the whole of it—for evil action nor intent will be allowed on board any of our evacuation (rapture) vehicles save for times and circumstances of removal to other places housing life-form equivalent to your own. Even this measure will require a set of circumstances most unlikely to happen. Mostly ones who deny God shall simply be left to live

out the span of life function in the physical as IS—trapped into an existence of again awaiting learning experience opportunity. Those who continue to aggressively deny and intentionally destroy "MAN" will be left in the "absence of God"—which is "Hell" by your casual terminology.

Some chuckle and say, "Well, all my friends will be there!" Ah so! But none of you are going to like it. This means that God will withdraw all goodly guidelines and evil shall simply overrun ALL. That which remains in the "play" shall be lost in the darkness of existence in most painful delusion instead of illusion and illumination. It will be a most unpleasant experience.

TODAY'S NOTATIONS

The hoopla of the Republican convention is over—WHAT DOES THE OUTCOME TELL YOU? It tells ME that there was no substitution of Baker and Kemp and, therefore, you are back to alternatives one and three. One, being to convince Perot to come in as replacement for Quayle (as outlined three papers past), allow Clinton to win with argument—but hopefully pardoning Bush after election, OR, actions start to pull the government into total open Emergency Control under Bush through **absolute** Executive Order. The government is already functioning "as if" so I would guess the "natural" events will begin in hyper-action.

The volcanic eruptions of Spurr in Alaska and Pinatubo in the Philippines are MAJOR signs of readiness to break off a major portion of the West Coast of the U.S.

I am weary of speaking of this impending trauma—LISTEN TO THOSE WHO ARE GLEANING DIRECT INFORMATION FROM THE PLANNERS IN POINT. As a for instance, listen to Col. Gritz as he speaks in campaign lectures. He was ON THE INSIDE AS DEEPLY AS ONE CAN GET—IN INTELLIGENCE CIRCLES—HE STILL GETS INFORMATION AND THIS IS WHAT THEY ARE TELLING HIM IS A FOOT. This is not some

"spacey" hype or confrontation—the Coastal Areas and Mojave Desert, as examples, are like jello from the frequency beam constancy. If you remain in ignorance you will go-down in ignorance which may seem OK to you as an individual—but what of your children? Would this be their choices? If you get informed you can change the "play" and do not need to "go-down" at all. THAT is the difference and it is solely up to each and all of you which it shall be. Either way—God waits for decisions and we stand by to pick up the pieces of HIS people.

IN PRISON

Parable: If you are locked away in a dark prison cell with no way to escape and a being comes with a key to your door to offer freedom, what would you do? Say, he places the key before you and he says, "All you have to do is read the real rules, promise to act and abide by them (they are most balanced, easy and clearly defined) and go forth into freedom—but, you must remain within those laws." Would you not consider looking at those rules? Would you simply say the key is "probably" an illusion and the man is Satanic? What difference does it make what is the man with the key? If goodness gets you freedom—who bears the key is not of importance for he is but a "tool". If the "key" be of Lighted goodness—is it too much to try it in the lock to see if perchance it FITS?

You ask of me—"Who are you and what are you doing?" I ask you, "Who are YOU and what are YOU doing?" I KNOW who I am and what is going on both in my place—AND YOURS. Unfortunately, YOU do not KNOW what is going on in either placement. I am here to tell you what I can—but mostly ones simply deny source and refuse to listen. That is, by all means, your privilege—however, it is most unwise. Stupidity and ignorance are two greatly differing terms in definition. Perhaps a good place to begin "learning" and "discovery" is through carefully defining those two terms and see wherein YOU "fit".

IGNORANCE: Lacking

knowledge and unaware.

STUPID: Not sensible or intelligent.

Neither predicament is required from the other! In both instances "cure" is in wisdom and becoming informed.

The same careful consideration must be given to the terms "childlike" and "childish", but I will leave it to you to look up definitions or observe in wise perspective of actions.

CONTINUING EARTHQUAKES

Earthquakes continue on a constant basis in California—thousands since the month past. These are quite expected now and the local populace has returned to dreamland—from which most will surely awaken most shaken—others will never awaken. But, what of the 7.4 in Russia within the past two days—buried in the distractions abounding? What of the large quake that jolted South Carolina YESTERDAY!?! It was "preceded by a loud shockwave that sounded like an explosion" was the description from the local populace.

What of the reported extremely "high frequency" signals being received around the San Andreas? These are interspersed with very "low frequency" vibrations, it is reported, and "...seems to have something to do with the high-pressure—low-pressure systems....moving about in the weather patterns," whatever that might mean.

SAPPY EXPLANATIONS

It must be that all of this has something to do with the "...rising of sap in the trees at this time of the year". Anyone want a barf bag? No, I am quite serious for in the past day or so in Santa Cruz (Calif.) comes an interesting explanation for power failures. It seems the power went out in the area for awhile. When it again functioned the media announced that a "tree had fallen across lines causing power failure." This was, however, followed by another power outage rapidly following—this one several hours of outage. Again it "...was

caused by another tree falling across power lines and disrupting power." Then the story got more interesting as it was noted that the trees were located on the same property. And, it got even better as they announced that the only cause identified was that "...the sap in the two Oak trees must have overheated in the unseasonable heat spell and somehow exploded." I have heard some interesting explanations but this one seemed quite new and, yes, "interesting" is the word of choice. However, it is now noted that **both trees in point have been dead for a very long time.** (??) I would guess the "sap" is not located in the trees! E.J. suggests that perhaps there were some dastardly "sapsuckers" (perhaps yellow-breasted) at work. My feeling is that it is more likely "yellow-spined sapslips".

This is in the same area wherein there is reported a string of lights in the ocean, offshore. These were explained as phosphorescent kelp strings. It is noted in this instance, however, that the same string of lights has been seen by many every night for at least the past 365 nights—same place, same distance, same intensity. Now MY question of you? Is the media "ignorant" or just plain "stupid" or are they "rigged"? I don't think you have to ask ME.

In passing on with note of other major news incidents, say, the one at Odessa, Texas in the major chemical/petrol plant that "...must have been started by lightning since there was a

AND THEY CALLED HIS NAME IMMANUEL: I AM SANANDA

By Sananda & Judas Iscarioth

The story of the life of the one known as Jesus of Nazareth (Immanuel) is told by Jesus and his disciple and scribe, Judas Iscarioth. Judas Iscarioth's name is cleared and the actual one who betrayed Immanuel is revealed. Absolute clarification is given about the numerous falsifications and misconceptions concerning Immanuel's teachings and his life, such as: The purpose of His Life, His 40 days with Cosmic Beings, His Crucifixion and Resurrection and His journey after his resurrection.

loud cracking explosion following a great light burst." No, it was laser detonation and the "business in point" is a "relative" of the Bush empire recognized as Zapata Oil and Exploration. By ANY NAME the sapling is the same as the Mother-tree. I thought you might find it quite interesting in view of the proximity of the Republican Convention and "subtle" message-sending.

WHAT YOU DON'T KNOW DOES HURT YOU

We are picking up readers faster than you can catch up on back-reading and information. You are a population awakening rapidly and to save some time in research of old presentations, we will have to repeat some of the more important "problems" and "actions" which are "doing you in".

I wonder how many of you paid attention to Bush last evening when he said he would be the first President to visit a

newly free Cuba? Well, it is set up so that his son owns most of the operations and development of Cuba—so perhaps it is like visiting one of the family homes? My goodness, chelas, this one facet of events **goes all the way back to the assassination of John Kennedy. PLEASE WAKE UP!** Gracious me, there is a Grand Jury criminal indictment PENDING (not issued—being held) against George Bush for Iran-Contra involvement, etc., etc., and obstruction of justice charges. There is simply no way to write quickly enough to get it all to you-the-people. Therefore, I will hold the information regarding Bush's true involvement in those affairs to outlay, again, the system which has brought you to the point of disaster because Bush AND the "big boys" are all involved to their teeth in all instances. It is the system itself which must be looked at and then the players make more sense in day to day observations.

Winds Are A-Blowin'

(Continued from page 1)

mat with super-glue and get the bungies rehooked and the table-tops cleared of precious "stuff". Bush promised a massive change in political assault following the Convention and you are going to get it. He, however, is NOT in control of all that is happening—but that only makes the mad-dog madder in all instances. The Russians fully intend to take you, chelas, and you don't have ability to fight them.

Won't God intervene? Not so—HE does not send the Hosts to aid the evil Adversary against the evil Adversary. You who walk the path of Light will see localized MIRACLES as God protects and guides you-of-His-flock. Nothing more—as a nation you have become evil and totally corrupt—not the practice sanctioned by God or Hosts. You who keep petitioning to God and Higher Council to "save us" do not think about that which you ask. "Save America?" America the WHAT? How do you CHOOSE ONE EVIL ABOVE ANOTHER? I see, just because it is "me" in trouble?

Well, don't you think the other side is asking God for the same salvation—TO WIN, not to turn back unto God—simply to win and continue in evil practice. I think NOT, chelas. You better stop the blathering, twittering and asking for intervention from GOD. Listen to the guidance, get off your knees and start working without thought of SELF and do your own intervention. Harsh? I certainly intend it to be so. You allow and participate in making an UnHoly mess of everything about you and then petition to higher source to "FIX IT". Well, if you think me harsh—go to a groupie who espouses "God will fix it" and see how it works out but, up front, I assure you it will NOT WORK OUT AS YOU DESIRE IT TO BE. IF YOU OF THE HUMAN DO NOT CHANGE YOUR DIRECTION AND INTENTION—YOU SHALL SIMPLY BE WAITING FOR THAT WHICH WILL NEVER COME FOR YOU ARE ASKING FOR THE WRONG THING!

You are in the midst of "PLANNED CHAOS" and right

direction in "order" is the only thing which can pull you from the pits unto which you are being driven. Moreover, the enemy of the people will call these planned disasters an "Act Of God" and you will only hate God the more. "They" will destroy you and you will still be blaming GOD for that which "they" have done and you accepted while polishing their boots and kissing their backsides for the crumbs they will toss to you. You do not have any army to come to your aid and you will swamp any medical facilities—the PLAN is working to perfection—why should the political One Worlders change their method of operations (MO)?

Do you actually think the C-130s are in Europe and Africa to "save the people"? Perish the thought; it gave ample "reason" to get the equipment into the areas without your taking notice. South Africa is to be destroyed and the blacks obliterated. Do you not see the relationship between the happenings and REVELATION? Better take a second and more careful look, chelas.

POLITICS

Depending on the political play for Bush, you will likely see a move away from Perot's active intervention while his "votes" are saved for last minute close out of Gritz. It appears more likely, now, that Quayle will be replaced by Baker. This became obvious when Eagleburger got to be Secretary of State without a whimper from anyone—handled by total Executive Power. This leaves Baker free to take a more leading role in active politics and will boost Bush into massive public appeal. I think you realize that Baker would without hesitation "pardon" anything Bush has done as Bush moves on into higher United Nations position. There are at least a dozen contingency plans so you have to watch and PUBLICIZE every one as it surfaces. I will offer that which I can but YOU are the operations teams and I will do no more.

As I finish giving you a rerun of the information at present, I will move into the "United Na-

tions" clever capture of your nature without limits to the bindings of you-the-people, but human physical limits our output and your intake. We are having to repeat because early JOURNALS are not being considered for obtaining as ones want instant knowledge, thereby paying no attention to that already given. This is a sure sign of desperation, chelas. Yet, without background you cannot accomplish anything other than battering of selves against the whirlwind come down upon you.

Dharma, the greatest service we can offer at this time is to push through the writings under way so that better understanding can be seen as to some of your major enemies. It is very hard to connect hurricanes with Bankers—but you are going to have to do so or lose the game.

In addition, you are going to have to face the truth of the United Nations and the place within the working composite called, previously, The Soviet Union. Do you SEE peace in the newly FREE Soviet Bloc nations? Is Bosnia at peace this day or is there total genocide and horror afoot? What about Soviet Georgia? How about Iraq, Iran and places adjacent? HAVE THESE VERY ONES NOT MISLED YOU BEFORE, AGAIN AND AGAIN? I think I should reprint something I wrote weeks ago and I believe has not been printed in the paper. It needs bringing to your attention as regards this "Soviet Union" and "United Nations" coalition. It is a bit off the subject but will give insight in this edition of the LIBERATOR.

CHILDREN IN THE MIDST

I am bombarded with denials of my participation with God because "GOD wouldn't let the children suffer like this," and on and on and on. No? As a matter of fact God doesn't let or do anything about such things—YOU DO!

I must, further, remind you THAT THERE WERE A LOT OF CHILDREN IN SODOM AND GOMORRAH ALSO, precious ones. What happened to them? Did Hatonn do that? Did God or unscrupulous, not to mention evil and irresponsible, PEOPLE

do that? It is past time that you quit blaming everybody ELSE and start assuming responsibility. There's something else I want you to consider. I've told you about this often before but I had best do it again. I first wrote this before the anniversary of this so-called "coup" that despoiled, supposedly, the Soviet Union so it is a bit out-dated but still useful—except the numbers are now greater—AGAINST YOU. Dharma, simply reprint it as we originally wrote it—I don't wish to spend any more time with it.

QUOTING:

..... I've told you about this before. I want you to consider it again. Especially you Americans who think that all will be well, that the Cold War is over, Communism dead. No, it is not dead and I wish to speak about it. Revelations, verses 3 and 4, speaks of the beast which, I'm sorry Chelas, is "Communism". This is the Antichrist. This is the Zionist movement. This is the global element and the movement labeled on your place, Communism. It is "headed" in the Soviet Union and do NOT forget it. It is only a "fragment" of the evil against you—but a serious one, indeed. Remember—the beast will devour itself in the end—so you have to have POWERFUL factions on both sides of the adversary's tent.

Communism is NOT dead; Communism will be back stronger and more vile than ever before, just exactly as it was prophesied and it went something like this: "And his deadly wound was healed." Communism will be back with vengeance and World War III is assured, "...and the dragon, which is China, gave great power unto the beast." That is, of course, Communist Red China (where Kissinger plays his own continual games). These things are left out there ahead of you to face. That is left in what is presumed will be "your future". You must face these things because, since the Soviet Coup a year ago, the Soviets have deployed over 320 new ICBM's aimed at U.S. targets. So you are being lied to from the top down. On September 27th, 1991, President Bush took out your Strategic Air Command as far as being on alert

and for the first time, precious ones, in 37 years. Some of those very "obsolete" bases now house "Soviet" military personnel.

[H: Do you think this is impossible? No, it is factual! Furthermore, I have told you that the KGB has been training your local Police about your country. That seemed impossible but just last night, Sunday, August 23, 1992, on the local news it was announced with great hoopla that "...many officers from the local Police SWAT teams were on their way to Russia for cross-training in more forceful and critical enforcement procedures." What does this sound like to you?]

That makes all of your 280 bombers grounded, does it not? All of your 450 Minute Man II, Minute Man and MX Missiles are supposed to be scrapped. You will note, however, that they are, right now, moving on rail cars all about your nation—each one with a locked-on beam for tracking by the Soviets who have capability to destroy them before they can be triggered—thus blowing up in place and destroying all surrounding land growth and structures, people and life-forms. Soviet SS 20 Nuclear Missiles are right now going into Cuba—Why? [Oops, Bush just said at the Republican Convention that "I will be the first President to visit free Cuba—in Cuba." (Hiccup) Does this mean that he expects his kids (Bush-lets) to get the job done on Castro?] Your Sea Launch Cruise Missiles and all nuclear missiles on your submarines are being unloaded. Why? Could all this be set forth to make you defenseless? The Soviets can now hit ALL your 54 major air fields where your bomber planes are parked, your 325 plus electric power plants in the U.S.A. so no gas can be pumped for use in "escape", your 150 oil refineries that make 70% of your gasoline. Every state capital plus thousands of other places in the U.S. of America are targeted within capability range of strike. But you continue to say the Soviets would never do that? The Cold War is over? Well, it's about time to heat it up right straight into a very, very "hot" war.

END OF QUOTING

Did you really think you could avoid a war without doing anything other than burying your eyes and ears deeper into the sand-pit nearer the vipers? So be it, little sleepy-heads, but it doesn't look so good to me. Ponder it in your spare time between cleaning up your destroyed places and searching for tid-bits to feed selves. Well, at least Americans have a lot of "clothes" to eat—except that most of the fabric is of poly-plastic oil base and will poison you. Rock and a hard place? INDEED.

8/24/92 #3 HATONN

Ah so -- many of you are putting two and two together and coming up with insight.

First you will note that Home-

stead Base in Florida was all but destroyed -- it is without communications, utilities, and has extensive building damage. The base itself is in total damage. Five living facilities (mobile home parks) for personnel are totally wiped out. Now, chelas, this is a major shuttle point for drug distribution -- import and dispersment. This is all entangled with the Bush "Cartel" and business ventures unlimited.

Does anyone recall that Mr. Bush had no time to move to see the San Francisco massive destruction from the last earthquake in that area -- and yet is in Florida, on site, within hours of disaster in the Miami area (Operations area?). Don't miss these clues, little searchers, or you miss the whole of the story eventually.

NEVADA CORPORATIONS

ELIMINATING YOUR HOME STATE TAXES

If you are self employed or plan to be in the future, a Nevada Corporation can be used in conjunction with your home state business to help you eliminate your state taxes. Because Nevada has no personal income tax or corporate tax, there are many possible strategies, to allow you to funnel money out of your home state and into Nevada.

One of the simplest ways of handling this is to contract your home state business with a Nevada corporation. The Nevada corporation could provide some intangible service for your home state operation. A few services that every business might contract out for may be marketing, advertising or management consulting. If your home state business sold products of any kind, you may want to broker those products through a Nevada corporation first, where the profit on the sale would end up in Nevada. Your purpose for creating this arrangement is to eliminate any profits in your home state that would be taxed. If you can do this successfully, you completely eliminate any of your home state tax.

To cover yourself properly, you should create agreements that disclose what the relationship between these two businesses are. Also, invoices and billings should be kept

to prove that you have a legitimate business relationship. If your home state tax agency ever decides to audit your business, these formalities cover your home state business. Corporate Advisors can help you create the necessary documentation for this tax strategy.

It must be remembered that in Nevada your corporation would still be liable for any Federal taxes that were due on its profits, but by eliminating your state tax, some states' businesses could save up to 11% on their profits.

These strategies can be kept quite simple in order not to create more work for you in your current business. Using these strategies for clear business reasons makes a lot of sense and is perfectly legal. Remember there is nothing wrong with not being able to make a profit, and in this case there is everything right with it. Considering how funds are currently being mismanaged by most states, doesn't it make more sense for you to put your own money to good use where you decide how it will be used?

FOR MORE INFORMATION ABOUT SETTING UP A NEVADA CORPORATION CALL CORPORATE ADVISORS CORPORATION AT (702) 885-9638 OR WRITE TO THEM AT 2533 N. CAPSON ST., SUITE 645, CARSON CITY, NV 89706. ASK FOR CORT CHRISTIE.

(Editor's note: The following letter was received in today's mail, 8/24/92, and says a lot about the way many people are inclined to mix a little information and a lot of frustration together to excuse themselves from a patriot's responsibility toward their country. Could this attitude have anything to do with how we got in our present mess?)

AUGUST 21, 1992

Dear Phoenix Liberator Editor and Hatonn,

I am new to everything you have to present and I am listening with an open mind about it. But "there is something 'fishy' in Denmark."

On August 04th '92, I heard Bo Gritz on Los Angeles radio station KPFK, 90.7 FM. I called the telephone number given on the air for tapes and info. It's been over two weeks and the Order Form I was promised has not arrived. Just 'who is minding the store?'

Subsequently, I learned of the Bo Gritz rally in, of all places, my home town of Tehachapi 8/16/92. There I purchased campaign items: videos, buttons, T-shirts, bumper stickers, Bo's book and three of your Journals. Plus, I was given the Phoenix Liberator free.

In the Liberator I found the order form that I have not received. Now here's the twist. After reading half of one of the Journal's and all of the Phoenix Liberator, Volumn 20, #4 August 11, 1992, I have this to say: Mr. Hatonn, you remind me of fat CB (citizens band) Mama who has nothing more going than the pleasure she gets from flapping her lips and getting attention. Why so much talk - talk - talk? Why does no one that I have asked heard of Bo Gritz? Because the important "move Heaven and Earth, get the job done" people are doing a half ass job or less. My potential contribution and those of many others could have bought TV air time to snow ball the contributions of people who are moved by Bo Gritz and what he stands for.

But you Mr. Hatonn are too busy dictating, dictating, dictating to allow for serious supervision and success motivation. Where are your priorities?

Since you have some obvious advantages over us mortals, you no doubt know what is going on. Information and Truth are great but where is the action? Do you think people have as much time to read your daily letters as you have to dictate them? What do you do in addition to your desk work? Do you have an 8 hours + job to go to, oil to change in the car, dishes and house cleaning, grocery shopping, bills to sit down and pay? Get real! Get serious, and move your fat ectoplasm butt if you expect recognition and true interest in what you have to give Mankind.

Sincerely,

Kathleen R. Brown

Dear Ms. Brown,

I will comment on the issues you raised in the order of their presentation in your letter.

First, it would be just a bit inappropriate for me to venture to explain why the Gritz material did not arrive from your original telephone request to their headquarters. However, what is revealing here is that you jumped to the conclusion you did ("Just 'who is minding the store?'") when there could be many outside reasons (both technical and human) beyond why the very human, very overworked patriots associated with Colonel Gritz' election effort may have missed one of many telephone requests.

Second, I'm delighted THE PHOENIX LIBERATOR'S sponsoring of Colonel Gritz in Tehachapi allowed you to acquire the items you mentioned. I hope the event also spoke to you on a deeper level about what bad shape our country is actually in and what has to be done to fix the mess.

Next, I need not defend Commander Gyeorgos Ceres Hatonn's work to enlighten a truth-starved and mostly asleep planet. I suggest that maybe you might have jumped to as superficial a conclusion here as you did early on in your letter about a different matter.

The reason that neither you nor your friends have heard of Bo Gritz before is directly because of his importance as a gift from God for positive change. Were you to take the time to become more acquainted with the material generated by Commander Hatonn's "flapping lips," you would know exactly why you have been denied information about Colonel Gritz (and maybe just a few other issues) by the controlled media's prostitutes to the New World Order.

Finally, I would draw your attention to the letter at the top of page 30 of this week's LIBERATOR (dated August 25, 1992), especially for its spiritual perspective concerning WHO is responsible for doing whatever it takes to clean up the mess on this planet.

I would suggest Commander Hatonn knows his priorities and responsibilities quite well. Let us both work and pray that more in human form begin to understand their priorities and responsibilities half as well...before it's too late!

Sincerely,

Dr. Edwin M. Young

THE PHOENIX LIBERATOR

A VISITOR FROM THE PAST

by Thelen Paulk

I had a dream the other night, I didn't understand. A figure walking through the mist, with flintlock in his hand. His clothes were torn and dirty, as he stood there by my bed. He took off his three-cornered hat, and speaking low, he said:

"We fought a revolution to secure our liberty. We wrote the Constitution as a shield from tyranny. For future generations, this legacy we gave. In this, the land of the free and home of the brave.

"The freedom we secured for you, we hoped you'd always keep. But tyrants labored endlessly, while your parents were asleep. Your freedom gone, your courage lost, you're no more than a slave. In this, the land of the free and home of the brave.

"You buy permits to travel, and permits to own a gun, permits to start a business, or to build a place for one. On land that you believe you own, you pay yearly rent. Although you have no voice in choosing, how the money's spent.

"Your children must attend a school that doesn't educate. Your Christian values can't be taught, according to the state. You read about the current news, in a regulated press. You pay a tax you do not owe, to please the I.R.S.

"Your money is no longer made of silver or gold. You trade your wealth for paper, so your life can be controlled. You pay for crimes that make our nation turn from God in shame. You've taken Satan's number, as you've traded in your name.

"You've given government control, to those who do you harm, so they can padlock churches, and steal the family farm, and keep our country deep in debt, put men of God in jail, harass your fellow countrymen, while corrupted courts prevail.

Your public servants don't uphold, the solemn oath they've sworn. Your daughters visit doctors, so their children won't be born. Your leaders ship artillery, and guns to foreign shores, and send your sons to slaughter, fighting other peoples wars.

"Can you regain the freedom, for which we fought and died? Or don't you have the courage, or the faith to stand with pride? Are there no more values for which you'll fight to save? Or do you wish your children to live in fear and be a slave?

"Sons of the Republic, arise and take a stand! Defend the Constitution, the supreme law of the land! Preserve our great Repub-

lic, and each God-given right! And pray to God to keep the torch of freedom burning bright!

As I awoke he vanished, in the mist from which we came. His words were true, we are not free, we have ourselves to blame. For even now as tyrants trample each God-given right. We only watch and

tremble, too afraid to stand and fight.

If he stood by your bedside, in a dream, while you're asleep, and wonders what remains of our rights he fought to keep... What would be your answer, if he called out from the grave? Is this still the land of the free and home of the brave?

Dear Readers: Go For It!

Our country has reached a point in time where we must make an all out effort to elect Colonel James "Bo" Gritz as President of the United States. November is right around the corner and there is precious little time for us to act. Every one of us who support Bo Gritz must do EVERYTHING within our ability and beyond to get him elected. Bo was chosen by GOD to lead us through these troubled times and we must not rest until he becomes our first honest President in many, many decades.

Believe In Miracles

If we do ALL that we possibly can and then ask GOD for help we will succeed if it is HIS will. If we don't do ALL that we can, then we have no one but ourselves to blame for what the adversary pulls off against us.

Please contact **everyone** and **anyone** who will listen to you about Bo Gritz and what he stands for. Call or write all of the media sources listed below. And don't give up until they listen!

If enough of the American people find out what our government and the private banksters have done to us, then surely there will be a strong positive reaction to keep the

ball rolling and recapture this once great nation under Bo Gritz' capable leadership.

It only took 3% of the *American people* to defeat the British during the American Revolution. Do we have the resolve and the guts that our forefathers did to free ourselves, once again, from yet another King George's New World Order and the insipid Banksters?

Remember that this world is the means and the platform by which we as the Human Species must learn and progress Spiritually at this time. We must recognize and meet the challenge. We must not let the adversary have his way.

America is in a unique position in that as we go, so goes the world. Let's do our very best to lead the way.

If you can afford to buy some literature please contact Bo's campaign headquarters and order campaign videos and brochures to help spread his message. Also, if you can arrange local cable TV air time, then ask Sybil at the campaign headquarters to send you a copy of either the 29 minute or the 60 second, 3/4 - inch format, videos. **The telephone number for the campaign headquarters is 1-800-633-7692.**

Tesla & Russell
\$10.00...150 pp
ISBN: 0-922356-04-1

Learn of the unique mutating ability of this virus and why there is no such thing as "safe sex". Viruses are crystalline structures, and therefore, may be destroyed through the use of electromagnetic sound and light frequencies. The cutting-edge research of Strecker, Rife, Priore, Russell, Crane, Cathie, and Tesla are all explored in this profound and troubling work. The Constitutional Law Center wishes to thank all of you for your support and prayers. It is because of your dedication toward preserving the Constitutional rights of everyone that we continue to become increasingly effective.

Currently, we are seeking experts in Constitutional Law, as well as other areas of law, to assist us with the tremendous research that we must develop. This research can be done in your area and forwarded to us via fax or mail.

We are especially in need of the legal knowledge of suspended, disbarred or retired attorneys and are desirous of establishing contact with those who are naturally "drawn" to the study and practice of Constitutional (Common) Law.

We urge you to contact us if you, or someone you know, are available to perform such research for the Constitutional Law Center.

And again, we thank you for your tremendous support.
