YOU Are Making A Difference!

11/15/93 #1 HATONN

EDITORIAL COMMENT

KEEP UP THE PRESSURE ON THE GOOD PERSONS OF MISSOURI REGARDING GUNTHER RUSSBACHER—IT IS WORKING, READERS! IT IS WORKING—THE STATE IS ABOUT READY TO "DEAL"! I WON'T TELL YOU MORE AS OUTCOME WILL DEPEND ON OUR OWN CREDIBILITY AND DISCRETION. PLEASE KEEP THOSE CARDS, FAXES AND LETTERS—ALONG WITH PHONE CALLS—POURING IN—THERE MUST BE EVIDENCE OF FULL FOCUS AND ATTENTION. WHILE YOU'RE AT IT, DON'T OVERLOOK NAFTA—WITH CALLS AND FAXES TO YOUR CONGRESSMEN—TODAY AND TOMORROW—AFTER WEDNESDAY IT WILL BE TOO LATE TO MAKE A DIFFERENCE AND UNDO THAT WHICH WOULD BE SET IN MOTION.

I believe the voice of the people has spoken.

You readers have enjoyed Dr. Young's comments scattered throughout the paper and want to know just where he is and what he is doing that could possibly be more important than the paper—NOTHING (that is, more important).

Dr. Young, however, has a much different "purpose" than editing a paper—he is a profoundly qualified scientist. WE HAVE HIM DEEP IN STUDY AS HE ALSO EFFORTS TO UNWIND AND UNPACK SOME OF HIS NECESSARY REFERENCE MATERIALS, AFTER SEVERAL YEARS, NOW, NOT HAVING TIME TO DO SO. He is working closely with Dr. Tesla and our own Cmdr. Soltec. However, the ONE that keeps annoying him night and day is Cmdr. Korton (Tomero(s) Maasu) who also steps in with several of you as you ponder rather difficult to answer questions. Maasu Korton is our "Head of Communications". Thus

far, with our team, Dr. Young is the only one who actually UNDERSTANDS our communications systems—and yet he too is incapable of structuring such a system. This means that he must study diligently as we move closer and closer to totally OPEN communications. This is piled on top of other research—and therefore, we had to give him separation and time to absorb massive amounts of technical information. He is, further, a "night person" as almost all of your productive scientists have been. His schedules are totally in opposition to "Earth Man's"—being productive in the silent hours (partly to neutralize interruptions) and "rests" while the world spins in chaos. Each one in immediate service will function according to optimum productivity.

I will, however, impose upon him to enter Editorials or Commentary as he can work this into his schedule. He, personally—*(Please see A DIFFERENCE, page 49)*

Set My People Free

SET MY PEOPLE FREE!

We realize that as we begin this writing we are also beginning a new JOURNAL. This in turn means that we must give some backup for a "JOURNAL" which was placed in CONTACT but in all likelihood would not be available to those who only take the JOURNALS.

Our thrust this day, week, month, year—**WHATEVER IT TAKES**—is to gain the release, even if with restrictions and conditions, of Gunther Russbacher. It becomes urgent for his health that the tug-o-war stops.

The things pertinent to your "knowing" are told by many as of this time—therefore this man is not a major threat to the criminals in power—more than information from any resource running around freely—rid of incarceration.

I have asked that ones write, copy information, and individually demand of Governor Carnahan of Missouri—to let this man go. Gunther will withdraw from focus and is willing to "give up his country" (USA) which he has served all of his life to return to Austria to never again set foot on American soil if that is what is required to have opportunity to live out his remaining time in peace—with some portions of his family.

Gunther had to demand release from a hospital wherein he was to have heart catheterization because it became evident that the intent was that he never live to walk out of the place. The man was shackled "spread eagle" onto the bed without ability to cough, spit or breath easily. This, because the Elite criminals wish to keep him silent.

Governor Carnahan has the power to commute the sentence, which has been served a hundred times over for the piddling offense claimed—not committed—just claimed. Bail is set at nearly half a million dollars for a check written by one of Gunther's "sheep-dip" names and cashed by another of his identities (as set up by YOUR government intelligence children).

What they **REALLY** don't like is that his wife continues to struggle for his freedom and they really want to hush her. We have her in protection so the silencing has not been easy to achieve. Herein they have solution to both problems—deport Gunther back to Austria and she will go with him. He has served **ENOUGH**.

Did he begin by **SERVING GOD OF**

LIGHT? No. He was exactly like any of the rest of you—involved in living to the hilt whatever excitement might come along and joining, after being coerced and bribed, special intelligence forces for the United States of America. He is a captain in the Navy [equivalent to Army colonel] and therefore, high in Naval Intelligence—who has now for the most part betrayed him—for whatever reasons which shall, from me, remain untold at this time. I remind you ones of something often said by me regarding **MAN—GOD CARES NOT WHAT A MAN WAS—HE ONLY RECOGNIZES WHAT A MAN IS!**

What holds this man, however, is that he is recognized as being attached to **MY COMMAND**. I have four (or so) craft in my tractor tow. I have a craft that sits **OVER White Sands Proving Grounds** at all times—sometimes "visible" and sometimes not. Am I a trouble maker? Not really, because the games of Earth are your doing, not mine. However, I do have a mission which is **NOT** to pull down anything—it is to get a remnant of our people clear and secure and ultimately, off your place. These are God's (of Creator) souled beings of whom I speak. **GOD AND CHRISTED BEINGS ARE EXTRATERRESTRIALS, MY FRIENDS—ANY WAY YOU DEFINE IT!** Little Grays, serpent people, etc. are conjured, and sometimes manufactured, beings of man-manufacture. You are playing out your experiences on a stage now devoid of **LIFE** source recovery—as you are headed.

Those who continue to serve Satanic preferences are certainly free to do so without our intervention—our mission is to attend **OUR** people and our orders are to **BRING THE WORD OF TRUTH** back to your attention. Along with that order comes a final offering of that which **IS** wrong in your perceptions so that you can, if you choose, make informed decisions about your status and perceived "future" status as manifest (physical) humanoids. In either instance the decisions and choices **AND ACTIONS** will be performed in human consciousness of this manifested presentation. I simply remind all of you: **GOD WINS!!**

LESS CONFUSION

I am not here today to make explanations or teach you the workings of either our Command or the Universe. I am, however, going to offer insight—

again—into the workings of one case in point. Why there is claim against Russbacher and its absurdity and petition the Elite to let this man go—because each day that passes **WE SHALL REVEAL MORE AND MORE INSIGHT TO THAT WHICH HAS TAKEN PLACE—STARTING WITH THE HIERARCHY OF MISSOURI**.

In the paper this week we will have run a letter from Rodney Stich, author of *Defrauding America* (GET IT), to Attorney General Criminal Attorney General Reno. We will offer, ongoing, other writings to various entities from this same writer. You seem to get the point more quickly from a human author than from an invisible speaker of whom you have to make "other" decisions.

We have asked you to appeal to Governor Carnahan because he has the most readily available power to act immediately, or at the least, **CAN DO SO**. Of course there are **HIGHER Elite** pulling his strings—but the discomfort of the tightening noose may well annoy him into taking action to remove the focus you-the-people will now bring to bear on his office and State. The revelations in **JUST** the prison system in Missouri is worthy of eternal sanctions against your public "servants"—possibly only surpassed by Texas in injustice. That, however, is not our business. Our business at hand becomes a responsibility of someone to bring justice to this man and give him freedom when it is your own "servants" who have incarcerated him in exchange for honorable and long service to your nation. **YOU BETRAYED AND ALLOWED THE DEATHS OF YOUR POW/MIAs—IS THERE NO LIMIT TO THAT WHICH YOU-THE-PEOPLE WILL ALLOW? IS A YELLOW RIBBON SYMBOL OF COWARDICE ENOUGH FOR YOUR CONSCIENCE TO COMMIT MURDER? SO BE IT.**

I ask you to keep the cards and letters **POURING IN DAILY** to these ones in power—the pen must be mightier than is the sword for, with the sword—you cannot win, except for incarceration of selves. Is "one" person worth it? Yes, for if **YOU** do not act in protection of that "one"—**WHO SHALL COME TO ATTEND YOU IN YOUR HOUR OF NEED?**

Those people in "power" must realize that the focus of those of **REAL POWER** (the citizenry of the nation) is **FULLY UPON THEM SO THAT EVERY MOVE**

THEY MAKE IS SEEN IN LIGHT OF TRUTH!

ROSS PEROT

Thank you readers who have made sure Ross gets the *CONTACT!* He is certainly becoming informed from SOME source and he is showing you what one man CAN DO to cause great consternation among the powers that be. NAFTA is the ONE LARGEST SIGN OF FINAL MOVEMENT INTO THE NEW WORLD ORDER THAT YOU WILL SEE! SUPPORT PEROT! We are not looking for PERFECTION; we are desperately SEARCHING FOR A LEADER who is willing to change in the direction of the needs of the citizens. Is he "of" the Elite? Yes, but when knowing comes and truth evolves—EVEN THE MOST EVIL CAN CHANGE! Show me WHO ELSE have you? One step at a time is the way a journey is made—START and then hold the course and you shall achieve the goal of destination.

RODNEY STICH: GOVERNOR
MEL CARNAHAN

October 21, 1993

Governor Mel Carnahan

Office 314 751-3222
Fax 314 751-4458

Mansion 314 751-4141
FAX 314 751-9219

Being sent by FAX and certified mail (P 888 324 266)

Dear Governor Carnahan:

I am bringing the following very serious matters to your attention, and demanding that you take prompt corrective action to redress an injustice that you were involved in from the very beginning. The Second Revised Edition of *Defrauding America* will make reference to this letter and your actions, as it has already made reference to your response when I requested a clean copy of the Blunt letter. (See page 6)

Very briefly (since you already have a copy of the first printing of *Defrauding America*), officials in control of the State of Missouri have engaged in a scheme to imprison a key CIA/ONI operative, and have caused him to be falsely imprisoned. The two documents attached to this letter furnish additional evidence of this criminal conspiracy.

In 1989, as shown by the attached letter from Missouri Secretary of State Roy Blunt (one of your close friends at that time), the Secretary of State entered a conspiracy to falsely charge CIA operative **Gunther Russbacher** with criminal offenses (through CIA proprietary Southwest Latex Supply which was operated by Russbacher). By denying him bail, and repeatedly delaying the start of the trial for almost a year, Russbacher was pressured into an *Alford Plea*, upon the promise that he would be released. He was then placed on probation, terms of which he **could not meet** because of his CIA activities and which were never objected to, until it was time to again silence him because of what he knew about corrupt White House and other activities.

In February 1992, a Missouri judge revoked Russbacher's probation, based upon a complaint from the U.S. Department of Justice that Russbacher had impersonated a Naval officer while he and his wife were billeted at Castle Air Force Base on approximately July 30, 1990. This revocation resulted in Russbacher starting a 21-year sentence in federal prison. Here are a few of the pertinent facts showing the fraudulent scheme by Missouri officials:

1. As I wrote in *Defrauding America*, Russbacher was billeted at Castle Air Force Base, as authorized by orders from the Navy's CincPac, based upon his duties with the Office of Naval Intelligence and Central Intelligence Agency.

2. Russbacher was not allowed to present testimony of CIA/ONI personnel, and personnel in the U.S. Department of Justice withheld exculpatory evidence from the hearing. This exculpatory evidence included, *inter alia*, documents showing Russbacher to be a naval officer. If he was in fact a naval officer, he of course could not be charged with impersonating one (even though he was never seen in a Naval uniform).

3. The following document dated May 20, 1986, from CIA Director Bill Casey, establishes that Russbacher was (and is) a key person within the Office of Naval Intelligence. That document, dated May 20, 1986, was from Bill Casey, Director of the CIA, to John Poindexter of NSA (National Security Agency), making reference to a secret operation known as MAGG PIE. The body of the document refers to a flight from Tel Aviv's Ben Gurion Airport to Teheran, and named some of the participants, including Robert Hunt (ONI); Bud McFarlane (NSA); George Cave (CIA); and Howard Teicher (CIA). Adjacent to "Subject" are two names, identified as the pilots of the aircraft. One is Segal John Robert (CIA) and the other is Russbacher Karl Gunther ONI.

4. Another significant aspect of this memorandum, as it reflects upon the criminality of key officials, including the former

Vice-President and President of the United States, is shown by who is stated on the bottom of the secret memorandum to receive a copy: George Bush. Bush has repeatedly stated, and lied to the American people, that he did not know about the arms-for-hostage negotiations until after the November 1986 downing of the C-123 belonging to a CIA proprietary, Southern Air Transport (the infamous Hasenfus flight). But this memorandum shows that Bush was kept advised by the director of the CIA, at least six months earlier. That document has major national significance, and reflects one facet of the convoluted pattern of criminality involving people in control of federal entities, undermining the United States. (You and other officials in the State of Missouri are shown as aiding and abetting these acts.):

A. The document establishes that Gunther Russbacher was a key member of the Office of Naval Intelligence, and impliedly indicates that he was a naval officer. (I have various forms of evidence clearly supporting that fact.)

B. The document establishes that a former Vice-President and President of the United States was involved in secret and unlawful activities and then lied to the American people about his involvement. Since the Iran-Contra affair involved massive smuggling of drugs into the United States, made possible by the so-called Iran-Contra affair, Bush's lying takes on greater significance for the American people and to the survival of the United States. Further, this aspect of epidemic criminality in government is only one facet of the epidemic and endemic corruption and its exposure threatens to reveal to the American people the massive efforts to destroy the United States financially and morally.

It is my understanding that personnel in control of the U.S. Department of Justice have caused a detainer to be placed against Mr. Russbacher, seeking to deport him. On the basis of the attached document showing Russbacher to be attached to the Office of Naval Intelligence (and further supported by large amount of evidence I have in my possession), it shows that U.S. Attorney Generals, including the present Janet Reno, and other Justice Department personnel, are seeking to silence Russbacher through criminal misuse of the nation's highest law-enforcement agency. I feel that it would be appropriate for your office to also step in and expose this criminal misuse of the powerful Justice Department, so as to prevent Russbacher's deportation. **[H: I take exception to this particular portion of this proposal/petition. If THAT is the only way that Russbacher will be released—**

so let it be. The man plans to return to Austria anyway for he has had quite enough of your U.S. FREE WORLD JUSTICE!]

Further, Russbacher is on the verge of a heart attack and badly needs open-heart surgery. I request that you order Russbacher immediately transferred to a suitable hospital where his needed surgery can be performed. **[H: Or, preferably, get him released so he can attend his own medical-health needs which will negate need for surgery.]**

I also remind you that you have failed to respond to my September 21, 1993 letter concerning the "Blunt" letter. I am requesting a clean copy of that Blunt letter. I understand your Secretary of State Roy Blunt, misusing Missouri offices and the power of the state to falsely charge Russbacher with criminal offenses, which ended with Russbacher pleading an *Alford Plea* to get released from his one-year-confinement (even though he **was not guilty**).

As a final comment, I realize that if you take the action now, that you should have taken a long time ago, it raises the risk of exposing federal officials in the three branches of the federal government that have converted their offices and positions of trust into a racketeering enterprise. That, however, is not a consideration under your responsibilities to Mr. Russbacher, under state and federal law, and as Governor of the State of Missouri.

The pattern of judicial misconduct by Missouri judges shows that relief must come from another area, and that area can only be the office of the governor.

Incidentally, I have other documents, various forms of evidence, and other documents to arrive, establishing Russbacher as an officer in the Office of Naval Intelligence.

Please advise as to your intentions.

Sincerely,

Rodney Stich

Readers, Rodney has done a massively important and helpful job of writing individually to each person of power directly involved in this act of criminal incarceration of an innocent fellow-citizen now a political prisoner.

I believe it is now time to begin, readers, to do a LOT of writing and information scattering. It would appear very helpful if you individuals would make sure copies of your letters, copies of these letters and copies of *CONTACT* be sent directly to Program Producers of such as *60 MINUTES—DEMANDING INVESTIGATION AND AIRING!*

You ask me about such as RFA [Radio Free America] and Tom Valentine—it is useless cost and work, friends. YOU HAVE TO GET TO THE MEDIA WATCHED BY THE MASSES AND INVOLVED PARTIES IF YOU ARE TO HAVE HEARING. "THEY" ARE TOO VULNERABLE AND COWARDLY TO RUN THIS STORY AT ANY RATE—ALL OF THEM. WE CARE NOT—THE POINT IS TO GET RUSSBACHER RELEASED—NOT SPLATTER HIS BLOOD OVER SOME "RIGHTEOUS" ALTAR. OH, BY THE WAY, READERS, "WE" HAVE QUITE A FEW OF THE "ORIGINALS" ON BOARD—NOW WOULDN'T THAT BE SOME INTERESTING ENCOUNTERS IN PERSONAL "THIS IS YOUR LIFE, GEORGE BUSH, ET AL.?"?? Never underestimate possibilities, good friends! We can be pretty creative when the situation merits it.

BY THE WAY, GEORGE GREEN,
SPEAKING OF ORIGINALS....

Does anyone other than me take note of the newest America West catalog? What happened to the BIG PUSH FOR RUSSELL'S WORKS? Surely, George, there is not trouble in the pits? Well, we have an INFORMAL hearing in the morning next, regarding the [REDACTED] (Because of court orders it is necessary for us to black out certain names and organizations.) matter. It is time "I" made my presence known because, after all, it is myself and Germain that are under attack—not a little "Old Lady from Pasadena". Perhaps I can "reason" with attorneys and Magistrates. I have no problem being "accepted" as quite genuine if ever given the opportunity to share. There is quite a lot of information I

can easily share regarding both George Green AND the [REDACTED] Will this change the world? No, but the interested parties may well wish to adjust their expectations regarding large settlements from the Ekkers who have NOTHING and possibly refocus on one such as Green who perpetrated the "Contempt" AND has resources (I guess)—he continues to tell the public that he owns a BANK—and that usually requires ASSETS! He is also STILL introduced as a "millionaire business-man/builder". He tells ones, now, that he "settled" and IS PAYING off \$60,000 at \$10,000 per MONTH to [REDACTED]. I WONDER IF [REDACTED] KNOWS THAT?

Another thing very noted about the "Catalog" from Desiree is that almost all the books really stressed are works I, MYSELF, BROUGHT INTO THE REALM OF GREEN'S PERCEPTION. HE MISUSES OTHER AUTHORS AS BADLY IN MANY INSTANCES AS HE HAS OUR OWN WORK. If, however, it brings more Truth to a blind world—I offer my blessings upon the "word" in Truth, not the "work" of the adversary—for there is much that is total lie and misrepresentation within many, many of the offered volumes. If you cannot see the hand of false-guidance in play—then you shall surely come to realize the difference. A distributor of books may offer ANYTHING available—but it usually does not work out too well to set yourself up as an authority on TRUTH if you offer garbage at your table, also, and present it as upon a basis of Truth.

Does Hatonn give his enemy no quarter? Right! When war is declared by one who says "I'll get those bastards if it is the last thing I do"—realize it will not come to pass although he may be in his final acts (last thing) of expression. But what of ones "around" the key player in opposition? They make THEIR CHOICES, just as Desiree will tell you—and pull you into the net if you allow it. Surely enough—the choices are YOURS. And, the USE of Mary Summer Rain?? (sic sic)...pretty much tells it all, doesn't it? Well, perhaps the "white eyes" have to have something upon which to "count coup"—such as "token" Indians, but what of the honor of the Native Sister or Brother—indeed that which is sent forth shall spiral back as surely as the Universal Laws shall stand—into infinity!

I see that they, too, ask for seminars and lectures so that they can TEACH you how to survive, how to grow spiritually, etc. Is this somewhat like asking the Head of the IRS to come speak to you on saving on your taxes? Are these the SAME persons who only have toiled in the Accounts Receivable and Payable books in adjustments?

THE SECRET OF WINNING, ULTIMATELY, THIS WAR—IS TO KNOW THINE ENEMY—I **KNOW MINE!** THEY, HOWEVER, DO NOT KNOW THEMSELVES! AND, READERS, NO—GEORGE AND DESIREE GREEN AND GRANT MEGAN—**ARE NOT MY ENEMIES**—THEY ONLY "THINK" THEY ARE.

Dear Mr. Sifferman

APFN - Let's expose a
Scandal a Day
Among Republicans and
Democrats in Missouri,
until they release
Gunter Russbacher!

I have tentatively set my schedule to be in Mount Vernon on June 14, 1989. We will need you, to do the following.

Have the charges ready to be filed for selling unregistered securities, fraud, and commingling of funds. Please forward for my review.

- 2. Schedule Press and, Miller People.
- 3. Itinerary.

As you have seen, we have no grounds for these charges but, I owe one to Christian and, with full press coverage I should pickup some strong support in Webster's stronghold for 1992. I have spoken to the Lawrence County Republican Committee they have assured me you will be recommended for the Judgeship after the charges are filed. I will personally make the statements to the press and, they will not have any credibility after that. *

According to our conversation we should set the bend high you can advise Mr. Tatum. We can then present our scenario you and, John can handle it from there.

Please feel free to contact me if I can be of assistance.

And what of Little Crow who George now proclaims has denounced Dharma and her work?

Well, he is no "token" Indian, good friends. He tells it like it is and most of his "token" brethren dislike him for it above all who have joined with the crowd and voted-in morality of such as coed-sweatlodges, etc. Being TRUE to your tradition and KNOWING is a hard, hard path to tread, my friends—like walking in wet cement in dry cement boots. The "red" road of the Truth-bringers is perhaps "red" because of the blood of the travelers mixed with the tears wretched from the souls moving on the horrendously responsible journey! Ponder it. Ah yes, anyone can "preach" supreme this or that, dream therapy, ascending procedures—but DREAM you must—for without the vision of the dream—there will be no awakening into reality—only the irresponsible repetition of infinite misperceptions.

LITTLE CROW: 4/14/91:

....*"Have the bravery and courage to dream your dream in the midst of non-dreamers. Have the courage and conviction to state*

your principles in the midst of those who have no ears. Have the courage and conviction to draw or to paint and to create for those who have no eyes. Because unless you are doing what you want to do, you are a captive."

AHO!

It is all very simple, readers, you search and find—you search and you do not find—but always there is searching in this expression of experiencing. You want your "how to's" and you fail to even consider the possibilities of what is, what from, what to and what for!

In Little Crow's culture, for instance (CULTURE OF TRUTH), "...there is no hell, which is a plus. There is no damnation, which is a plus, and there is no salvation—only life. You transit and you live it again and you transit and you live it again, until one day you don't have to transit anymore...." So, perhaps you are left to wonder about this hell and damnation trip dumped on you. Well, Hell is the "absence of Light"—the "dark ages of ignorance"—DEVOID OF THE GREAT SPIRIT, GOD. You don't have

to "be" someplace to have it—you can have all the darkness and devoiance of God you can handle—just about anywhere! The TRUTH is within and YOU ARE THE "POINT", good friends—YOU ARE THE POINT!

One day a person asked Little Crow: "So what's the greatest thing you ever did that you think is a self accomplishment?" He answered: **"GOT OUT OF MY OWN WAY".... "I DIED. I GOT OUT OF MY WAY SO I COULD GET ON AND DO WHAT I HAD TO DO."**

Some of you have DIED! Ones who came before that death are gone except in vague rememberings for the lessons gained—and EAGLES were fledged at the passing. Teachers were evolved worthy of the mantle of "cohan"—not in "great material awards" but in the graduation graded by the energies gone before. Indeed, EAGLES are born from the ashes of flightless, grounded energies who once knew greatness and have settled for the entrapment upon the "wheel".

WHY DON'T YOU TRY GETTING OUT OF YOUR OWN WAY? Salu

POLISHED POLITICIANS AND SPARKLING DECEIT

If you watched, as we requested, the encounter between Mr. Perot and Mr. Gore—you saw Khazarian Elitism at its same lying corruptive best (or worst). Note: Khazarian Zionist Elite One World Order criminals are not really good at what they do—just personally suggestive, insinuating and insulting so that the distraction loses the point at issue.

Was Larry King's program out to get Perot or defend NAFTA? "That" SHOULD tell you witnesses to the downfall of a nation (YOURS) all you need to know about the players in this game of treason.

The wondrously beautiful thing about such encounters is that the sorry excuses for "man" insult the dignity and intelligence of the opponent until such time as Mr. Perot, as instance, will only come back fighting harder as the realization of the REAL facts hit him squarely where it hurts most—his own Godly

appreciation of self and family and that which they have gained through hard work, open business and intelligent participation. Did he USE the system to acquire? I certainly do hope so! After all, the adversary makes the rules—he just doesn't like it when an honest person gains from his dirty rules.

Believe me, citizens—if you think you can compare a small free trade zone at an airport with NAFTA—you have a free trade zone in your brain cavity.

What is offered for your eyes on this subject comes from a volume of work into the thousands of pages of select Elite "side agreements" of which Mr. Gore most certainly FAILS TO DESCRIBE. This has been one of the most SECRET national sellouts ever perpetrated upon nations—and is the FINAL key in the U.S. for takeover by the New World Order, hook, line, and the lead weight—and lead KILLS.

ANTI-SEMITIC

In the truest sense of the word, you will

note that your "Administration" and hoods in hood ARE THE MOST ANTI-SEMITIC GREMLINS ALIVE TODAY—THEY, AND THE NEW WORLD ORDER FROM THE COMMITTEE OF 300 DOWN. IN THEIR OWN DEFINITION OF "SEMITIC" YOU ARE BEING SHOWN THESE IMPOSTERS' WORK AGAINST THE WORKING PEOPLE OF THEIR ACCLAIMED "OWN". Most "Jews", dear ones, are working citizens, average working people, in a world gone mad. I DENOUNCE YOUR GOVERNMENT AS BEING TOTALLY ANTI-SEMITIC!

Even more interesting, last evening, one of the major NAFTA supporters is relating NAFTA passage or failure as being the same destructive force as the HOLOCAUST!!??!!....where "4" to 6 million Jews were slain. What does one have to do with the other? **Both are birthed by the Zionist Elite. AND NOTE: THERE IS A COMING NEED FOR "DAMAGE CONTROL" AGAINST CONTACT, good friends--THERE IS A LOT OF DIFFERENCE BETWEEN "4" AND 6 MILLION**

PEOPLE!! You can be sure that 4 million is a long way too high a number of holocaust "victims of Jewish extraction" if the numbers are "coming down" while payoffs pick up.

I, further, expect you ones to go to the Jewish resources and get HELP for our causes FROM THE "I"sraeli lobbyists, etc. WE ARE THE "I"SRRAELITES AND THOSE FALSE CLAIMANTS ARE "ANTI-SEMITIC"!!! The native Americans, as you might guess, WERE THE FIRST "I"SRRAELITES IN YOUR FUNCTIONING CIVILIZATION! Along with "them" were those of the areas of places which are NOW recognized as the Philippines with the languages known as Tagalog. They dwell WITH original "space" people. "Israel" means chosen descendents OF GOD! The ones claiming the status of "israelis" (chosen ones of God), NOW calling themselves "Jews" are false presenters—THEY ARE THE DIRECT DESCENDENTS AND SLAVES (YES, I SAID "SLAVES") OF LUCIFER—THE DIRECT ADVERSARY OF GOD CREATOR IN LIGHT.

Do I "hate" or even "dislike" the Hebrew? Stupid question! I, like you, am of such lineage! YOU JUST DON'T KNOW YOUR ENEMY WHO COMMITS TREASON WITHIN YOUR BLESSED AND CHOSEN NATION AND WORLD. YOU HAD BEST BE TAKING LESSONS FROM RUSSIA, MY FRIENDS—THOSE WHO STRUGGLE FOR FREEDOM FROM THE IRON GRIP OF "JEWISH" DICTATOR AND ONE WORLD RULE ARE SHOWING YOU WHAT YOU CAN EXPECT—IMMEDIATELY.

You want everything spelled out for you the day BEFORE you are to be inconvenienced so you can make last minute adjustments in your POSSIBILITY thinking—then blame God and Hosts for your foolish antics.

I am going to do several things today. I am going to offer you information which, incredibly, came out of one of your major (but not yet TOTALLY controlled) newspapers. Why would "they" let it through? To serve THEIR OWN purposes for propaganda in favor of the Elite One World Order. What you had best get out of it is THE TRUTH and never mind what the propaganda will bear. This requires that your training and lessons be pretty current—or you shall be fooled again into swallowing the poison instead of the nourishment.

Then, we will offer you the next steps being taken in the "new currency"—you didn't really think that method of control had gone away did you? Everything is getting ready for "that cute little 'everything' card" being flashed around as your medical security blanket. YOUR WAYS OF PROTECTING YOUR ASSETS NARROW

EVERY DAY, EVERY HOUR, EVERY MINUTE. AND YOU STILL LET GEORGE GREEN TAMPER WITH ONE OF THE ONLY WORKABLE SOLUTIONS FOR SOME ASSISTANCE AVAILABLE TO YOU! YES, THAT "INSTITUTE"—FOR ONE DAY SOON SPILT, LENTILS AND WINDPROOF CHEAP HOUSING WILL BE WORTH YOUR LIVES.

Green has started up the "receivership", bankruptcy assault AGAIN. Why? To getcha! No—to EFFORT to break the privacy of the corporation and force records to be made public. No, we said we would not allow this and we shall give cause to Nevada to be bashed about quite unmercifully if they allow such indiscretion to be forced. THIS HAS NOTHING TO DO WITH EKKERS—IT IS THAT GREEN SERVES THE ELITE AND THE EFFORT IS TO BRING DOWN THE RESOURCES OF GOD. YOU SEE, READERS, THERE IS NO MAGIC OR MYSTICAL MAGICIAN TRICKS WHICH GOD ALLOWS US TO USE—WE HAVE TO USE THE SAME LAWS MADE FOR THEMSELVES, OF THE WORLDLY VARIETY. AND SO WE SHALL DO SO.

I ask two things from you readers this day—get onto forcing the silencing of the adversary against the Institute—yes, it means more letter demands to the heads of Nevada (and now Montana), the police for the theft of gold, the recourse service of those who can stop Luke Perry from thieving his Mother's meagre livelihood, etc. It is past time to FOLLOW-UP on the first mailings with legal actions. But I do not need to take time to explain.

EKKERS IN COURT

Ekkers were in court again yesterday regarding [REDACTED]. Well, it isn't so bad—THE MAGISTRATE TOLD DHARMA THAT SHE COULD HAVE A TRIAL WITH JURY AND HAD THE RIGHT FOR EKKERS TO REPRESENT THEMSELVES. Is this good or bad news? Financially they (the Ekkers) have no recourse for the Institute in protection of "your" rights will not assist them. The Institute is going to bring massive damage claims against [REDACTED] as soon as the paperwork can be drawn. So shall Ekkers—for [REDACTED] aided and abetted by one George Green had contempt charges and conviction brought against innocent parties. WE LOOK FORWARD WITH GREAT GLEE TO A TRIAL IN ALL CATEGORIES. THIS ALL HAD NOTHING TO DO WITH THE WORK OF ONE WALTER RUSSELL, READERS—IT HAS EVERYTHING TO DO WITH THE SAME THING HAPPENING TO YOU—THE PEOPLE THROUGH SUCH AS NAFTA!

RUSSBACHER

You continue to ask, "What can I do?". I am taunted about my "doom and gloom" projections with "no 'what to do's'". Here is

WHAT YOU CAN DO and it won't cost you more than the trip to the store—make voices loud enough to be heard!

We are going to give you, as fast as we can, "what to do". We offer the preceding regarding the Institute and security of asset protection now under severe attack. I can tell you now—YOU WILL WIN THE ABOVE CAUSE—BECAUSE THE ELITE USE NEVADA CORPORATIONS FOR THEIR OWN PROTECTION AND BREAKING THOSE RULES, REGULATIONS AND CORPORATE VEILS IS NOT GOING TO BE ACCEPTABLE IF **YOU DEMAND PRIVACY!**

You may think the other letters did not work—oh yes they did! Mr. Green has been contacted by myriads of groups—WHICH "HE SAYS" WERE CALLING ABOUT EKKERS, THE INSTITUTE, WELFARE FRAUD AND THUS AND SO—NOBODY HAS CONTACTED THE EKKERS ABOUT ANY OF IT! IF, HOWEVER, YOU GET THE "CAR" IN MOTION AND THEN GO TO SLEEP AT THE WHEEL—YOU WILL ACCOMPLISH NOTHING BUT A WRECK.

So, what about Russbacher? I ask that you do as last week's paper suggested: PLEASE WRITE DEMANDS TO GOVERNOR CARNAHAN WITH COPIES TO JANET RENO—ANYBODY ELSE YOU WISH—BO GRITZ AND DAVID ROCKEFELLER (IT'S UP TO YOU) BUT PLEASE USE AT LEAST THE NAMES WE OFFERED FOR IMMEDIATE AND DIRECT INVOLVEMENT IN THE IMMEDIATE FOCUS—GETTING RUSSBACHER OUT. It is not just a good exercise to get Russbacher, whoever he might be, OUT—IT IS TO GIVE YOU RECOGNITION THAT **YOU CAN MAKE A DIFFERENCE.**

CANT WIN!

Why don't ones go to court and fight for selves? Because it is pre-set that you "Can't win!" if you do. Well, tell me—how many cases do you WIN, if you be a "regular citizen", WITH AN ATTORNEY? UNTIL YOUR CONSTITUTION IS NO LONGER EVEN "REFERRED TO" AS VALID—**USE IT—OR LOSE IT!** You may well lose some "filing fee" money from your "welfare" income but man cannot LIVE BY "BREAD" ALONE, CITIZENS! **USE WHAT YOU STILL HAVE OR KNOW—IT WILL SOON BE LOST TO YOU!**

I suggest that in the cover letter to the various recipients of your demands regarding Russbacher—that you demand his release or if there is deportation that he be given a minimum of 30 days to say his good-byes and visit his family. He needs to make arrangements to move his wife, contact ones overseas to prepare for their arrival and just allow some dignity to this man who served YOU and YOUR NATION in honor as to "orders" given by this Elite monstrosity which has absorbed your government. He desires to live in Austria, his

original home, anyway—AS AMERICA HAS BEEN LESS THAN GRATEFUL FOR HIS SERVICE AND DESTROYED EVERYTHING HE HELD SACRED AND DEAR. YOU **MUST** AS A REMNANT OF TRUTH AND JUSTICE—GET THIS MAN HIS FREEDOM—EVEN IF IT DEPRIVE HIM OF HIS NATION.

AMNESTY INTERNATIONAL

QUOTING:

November 7, 1993

To: Sara McClendon 202-328-1818

From: Rayelan Russbacher 408-475-7336

Re: **Information regarding the incarceration, isolation and medical diagnosis and treatment of Gunther Russbacher.**

For: Amnesty International

Gunther Russbacher is being held in the isolation cell at the St. Charles County Detention Center in St. Charles, Missouri, 301 N. Second St., St. Charles, MO 63301 * 314-949-3003. He has recently been diagnosed with Hepatitis-B. The treatment is rest and good food.

However, it is impossible for him to get either rest or good food while incarcerated in a county jail. The noise level, 24 hours a day, precludes rest. The food is lacking in nutrition and barely edible, with a high content of fat and carbohydrate. It contains very little protein and virtually no fresh fruits or vegetables. In other words, it is the usual prison fare. **[H: This wouldn't be unexpected nor questioned except for the fact that ones (prisoners) with known infections such as AIDS and HEPATITIS-B are also required to serve in the kitchens preparing food for the prisoners.]**

Gunther Russbacher is currently being held on \$450,000 CASH ONLY bail on Class "C" and "D" felonies, (which are just slightly above the misdemeanor level **[H: and constitute "plea bargaining" in ANY court]**). The charges are all bad checks, HOWEVER, some are filed twice as both bad checks and as 'stealing by deceit'. Because of this "double filing" it is difficult

to come up with an accurate amount of the alleged claimed bad checks. The lowest figure is \$2,000; the highest is \$8,000. To quote our public defender, Rob Fleming, "a bail of \$450,000 on this guy is pretty hard to justify" (Fleming letter enclosed).

[H: It is very important for you to realize that the checks in point are NOT "actually" BAD CHECKS! They are checks written by Russbacher to, under, during, and while involved with CIA operations under, through, while and during his INTELLIGENCE SERVICE code names (aliases) so, in fact, there are NO "BAD" CHECKS AT ALL—JUST BAD GOVERNMENT! The people involved, however, (including you readers) have to work on the presentation of material as offered by the deceivers themselves—and on THAT claim shall you have to make your demands—"right" doesn't enter into this "release".]

The 21 year sentence was vacated on August 26, 1993 by the appellate judge, Michael Brown. Judge Brown gave his reason as "incompetent counsel". The reason for the incompetence was the defense lawyer did not advise his client that all of the charges to which he was pleading guilty, were 18 months over the statute of limitations. Judge Brown also clearly states that the prosecutor's office knew that these charges were over the statute of limitations, but the prosecutor still brought the charges.

Gunther Russbacher was returned to the St. Charles County Jail on September 15, 1993. Bond was set at \$450,000 because Gunther is a flight risk, according to the prosecutor. (INS has a hold on him, and even if he is released, he will only be turned over to the INS for deportation proceedings.)

On August 30, 1989, the day Gunther Russbacher married Rayelan Allan (a CIA investigator, former radio talk show host, and colleague of Barbara Honegger), St. Charles County re-filed old charges which were originally filed in November of 1986. On that same day, August 30, 1989, new charges were filed for "bad checks". The case (#1612) on which he is now being held, are those checks that were filed on his wedding day. (It should also be noted that Captain Russbacher requested permission from his superiors in the CIA and ONI to marry Ms. Allan. Permission was denied, but he married her anyway.)

He was arrested two days after their marriage. He was held for three months in county jails in California on **kidnap charges**. The alleged **kidnap victim was his wife's niece**. These charges were never pressed. He was then transferred back to St. Charles County where he was first held on the check charges on which he is now incarcerated.

His wife hired a lawyer, Joel Eisenstein,

to represent him. Mr. Eisenstein was successful in getting the charges dismissed. But the prosecutor, John Zimmerman, refiled the check charges as different charges, probably "stealing by deceit". In addition to the check charges, the prosecutor threw a whole array of charges against Captain Russbacher. All of the charges had no victims issuing complaints, and most of the charges were so obscured and convoluted that they could not be figured out.

After being incarcerated in the St. Charles County Jail for eight months, (11 months total incarceration), and experiencing a heart attack, Captain Russbacher agreed to plead the *Alford Plea* and accept probation. He was released from the county jail on July 16, 1990. Seventeen days later he was arrested for **IMPERSONATING a Naval Officer**. **[H: Is not the rank of "Captain" an officer? This man is one of the top flight "aces" of your world. He Captains the SR-71 BLACKBIRD and trots people like George Bush to BIG meetings in places like France (outskirts of Paris) along with such as The President, Head of CIA and thus and so. I would HOPE he would qualify as an "officer".]** These charges were immediately dropped, but the prosecutor in St. Charles used these charges to **revoke his probation and sentence him to prison FOR 21 YEARS**.

Gunther Russbacher was arrested for impersonating a naval officer on September 1, 1990. Instead of returning him immediately to Missouri, the Federal Government pressed charges against him for **misuse of government equipment**. The equipment in question was the government jet he immediately transferred to the state prison system.

Within a week he was attacked by three guards and beaten with nightsticks. He received three broken bones and a concussion. His entire 19 month incarceration in the State Prison System was filled with medical neglect, harassment, intimidation and threats. **[H: Yes indeed, readers, YOUR servant who was incarcerated in Cambodia, tortured (had his fingernails pulled out over and over again), now comes to be incarcerated for that service, for political reasons (October Surprise is only one minor reason), and this is the treatment of him and other prisoners in MISSOURI, UNDER THE GOVERNORSHIP OF ONE MEL CARNAHAN! Death Row prisoners are better treated! THIS IS AMERIKA, READERS!]**

Several months ago I sent a detailed packet of information to the Amnesty International office in London in which I enclosed a color photograph of Gunther's fingertips. The picture showed them to be swollen, inflamed and pussy. Gunther Russbacher has no fingernails. Any expo-

sure to chemicals causes the fingertips to swell and burst open with pus and blood. We notified the prison authorities that the assignment to the kitchen was too stressful for a man who had a serious heart condition and required open heart surgery. We also stated that the pain was excruciating and therefore exacerbating his already serious heart condition. **We also stated that he had contracted hepatitis while a POW in SE Asia and as such HE SHOULDN'T BE WORKING AROUND FOOD, ESPECIALLY WITH OPEN BLEEDING WOUNDS. [H: Emphasis mine.]**

In a letter, dated July 16, 1993, Dora Schriro, the Director of the Missouri Prison System, told me that blood tests did not confirm that he carried the hepatitis virus. As stated previously in this letter **Gunther is, at this moment, being held in isolation at the St. Charles county jail because he HAS HEPATITIS-B.** He was told that it had been incubating from two to six months. He is receiving NO TREATMENT for the Hepatitis, and because he has Hepatitis, he is receiving NO TREATMENT for his very serious heart condition, which had been previously diagnosed as needing quadruple by-pass surgery.

Because of the ridiculously high bail, Gunther Russbacher is forced to accept the medical or lack of medical treatment that the jail offers.

One additional note: He is currently being denied access to reporters, and because of the infectious state of his health, his trial could very well be postponed until he recovers from the hepatitis.

END OF THIS LETTER

CONTINUING QUOTING:

**NOTE ON RELEASE
FROM HOSPITAL**

Russbacher was hospitalized for heart catheterization. When he was discharged it was stated that he was "fully responsible" for any and all ill effects that might result from such action.

Why did he check himself out?

The reason Mr. Russbacher checked himself out of the hospital is because HE FEARED FOR HIS LIFE. He was checked into the hospital for a thallium stress test to diagnose his heart condition (they said). HE WAS KEPT CHAINED, HAND AND FOOT—SPREAD EAGLE—TO THE BED.

Because he could not turn or even move, he could get no rest. The hospital kept administering large injections of morphine to "help him sleep". He checked himself out because he felt his life was in danger from the treatment he

was receiving. [H: What would YOU do under the circumstances—death is pretty permanent a condition.]

To keep a man whose only "crime" is a "claimed" bad check amounting to about \$2,000, chained up like a mass murderer, **[H: Which would not happen to a "mass murderer"],** is incomprehensible.

AND NOW, THE FINAL INSULT!

From the hospital stay, from Cardiology Diagnostics, Ltd., 2200 West Port Plz #212, St. Louis, MO 63146, Phone No.: (314) 576-6707 FED: I.D. #43-12239963 comes the following BILL FOR SERVICES.

Gunther K. Russbacher, 301 North Second, St. Charles MO 63301 [the county jail], from **MARTIN W. SCHWARZE, D.O.:** for an "initial" visit, \$144.00, physician bill for treadmill, \$156.00 and a hospital visit at \$58.00: \$358.00. Immediately due and owing. It had a note written on the billing: "If you have insurance, please let us know! Otherwise, we do accept monthly payments!". **[H: And YOU really believe the Biliary plan for health care—will serve YOU well? Here you have a man tied down, drugged, can't move, no defense—planned open heart surgery, Hepatitis and heart failure—A PRISONER OF THE STATE OF MISSOURI WHO IS RESPONSIBLE FOR HIS WELL-BEING—AND THEY DEMAND HE PAY HIS OWN HOSPITAL BILL! People, the only money this man can access is the tiny amount that YOU WILLING FRIENDS send to his "jail account" for small hygiene items. YES, THE WORLD HAS GONE INSANE!]**

Dear Mr. Braun:

The purpose of this letter is to put you on notice of facts supporting my charges in the Revised Second Edition of *DEFRAUDING AMERICA* **[H: Readers, PLEASE get this book—we just don't have enough time to offer it all, timely. Your very freedom and ability to defend yourselves rests on what you can do here in these instances—if YOU will not work for a brother in this kind of ABSOLUTE AND FALSE imprisonment—WHO WILL HELP YOU WHEN IT IS YOU OR YOURS?]** that your office, in a scheme with other state and national officials, are engaging in a scheme to obstruct justice as it affects a pattern of criminality against the United

States. Your role in this involves the fraudulent prosecution of a Naval Officer in the Office of Naval Intelligence and Central Intelligence Agency: Gunther Karl Russbacher.

A partial explanation can be found in the attached letter to Missouri Governor Mel Carnahan and in the enclosed first printing of *DEFRAUDING AMERICA*. The main issue I am bringing to your attention is the attached memorandum from CIA Director Bill Casey identifying Gunther Karl Russbacher as a member of the Office of Naval Intelligence. (I have other documents and evidence showing Russbacher as a naval officer, including of course the document presented during the February 7, 1992 probation revocation hearing where your office falsely charged Russbacher with impersonating a naval officer.)

Russbacher would be free, except for your charge that he impersonated a Naval officer. The attached document (plus others that I have) clearly show that **he was** in the U.S. Navy, and was in the covert branch of the Office of Naval Intelligence and the Central Intelligence Agency.

Not only has your fraudulent misuse of state prosecuting office resulted in an innocent person being confined to state prison, but it is also contributing to the obstruction of justice relating to treasonous, subversive, and criminal acts against the United States. Russbacher had sought to expose some of these acts, and the evidence shows that your office, in a scheme with attorneys in the U.S. Department of Justice, sought to sequester evidence about these offenses against the United States.

With the presentation to you of the attached document showing Russbacher as a member of the Office of Naval Intelligence (plus other documents and evidence that I have), you have an obligation to return Russbacher to the position he was in before you fraudulently charged him with impersonating a Naval officer. That means, he was free, and would remain free until his probation ended. It is my belief that you should recognize the attached document (and others that I can present) as proof that Russbacher was a Naval officer, and return him to the position he was in when you first filed the false charges against him of having impersonated a Naval Officer.

Also attached is a letter by former Secretary of State Roy Blunt to prosecuting attorney Scott S. Sifferman, stating in the false charges against Southwest Latex Supply (which Russbacher was operating as an officer in the CIA proprietary), **"AS YOU HAVE SEEN, WE HAVE NO GROUNDS FOR THESE CHARGES."** It appears that your state prosecutors are on the level of the federal prosecutors for fraudulently charging citizens with offenses when it is needed to cover up for the

Governor Mel Carnahan
Box 720
Missouri State Capitol
Jefferson City, MO 65102

Dear Governor Carnahan,

When I came home from the store this afternoon I found a fax from Gunther's defense attorney hanging out of my fax machine. I was told that Gunther had undergone emergency surgery. On my answering machine was a frantic call from his ex-wife and his sons. They wanted to know how he was... was he still alive.

I called the hospital where he had been in intensive care and was told that he had been taken to St. Joseph's for emergency surgery. I called St. Joseph's and was told by the woman who answered the telephone that she had orders not to answer any questions for anyone regarding Gunther Rusebacher. I understand that safety precaution and am glad that they have implemented it. She instructed me to call the jail.

I did so and was told that he had quintuple bypass surgery, and had come through surgery with no complications and was recovering well. I was told that I couldn't talk to him. When I protested, I was told to call Lt. Meyer tomorrow and take it up with him.

I am thankful that someone has finally believed us when we said that Gunther has had a serious heart problem that needed immediate care. I am just upset that the news of his emergency surgery had to come to me the way it did.

I should be used to never knowing whether he's dead or alive until the phone rings and I hear his voice. But I am afraid that when you love someone, you never get over the pain and the fear of knowing that he might die at anytime. It is especially hard in my case, since he was ripped away from me after only two days of marriage.

Now, four years later, when I see the ridiculousness of the charges that he has been held on, and I see the proof coming in everyday that the FBI has lied, the Bush administration has lied, your former colleagues in the Ashcroft government have lied, the prosecutor Tim Braun has lied...

For the love of God, when will it stop? Will it only end when he's dead? Jean Valjean stole a loaf of bread and was hunted for the rest of his life. Is Gunther Rusebacher his modern-day equivalent?

If you are responsible for seeing to it that he received the surgery he so desperately needed, I thank you for keeping him alive. But I wonder how you can sleep at night knowing that you have the power to put an end to the suffering that his children and I endure, and you do nothing. You have pardoned murderers, can't you pardon Gunther Rusebacher? George Bush has set the precedent for this type of pardon. Since George Bush is responsible for Gunther being wrongly incarcerated, it would be a fitting end to the whole mess if you cited his pardon of Casper Weinberger as the precedent for freeing Gunther Rusebacher.

Sincerely, Roylan Rusebacher

We received this Fax at 7:00 PM Monday after the paper was about done. Our efforts have probably saved Gunther's life and that ought to make you feel very good.

"They" will have to now take it out of the local jurisdiction of the system to get a JUDGE willing to take this case! KEEP UP THE BARRAGE OF THE PEN, DEAR FRIENDS—THE SWORD CANNOT DO THIS JOB—THE PEN CAN!**

OLD FRIEND, CHUCK HARDER

Yes, it IS hard to know your enemy for your enemy is shrewd enough to FOOL YOU unsuspecting people—by PRETENDING to be right out front in PROTECTING AND INFORMING YOU.

Let me now share one more document from Stich which speaks for itself and is directed to Chuck Harder.

QUOTING:

November 7, 1993

Chuck Harder, Publisher
People News Reporter
3 River Street
White Springs, FL 32096
FAX 904-397-4149

Dear Mr. Harder:

I was recently informed that your producer, Kent Phillips, speaking for you, said the book I wrote, *DEFRAUDING AMERICA*, "has holes in it", being why you refused to make reference to it. When asked what the "holes" were, the person was told by Mr.

Phillips that the book was turned over to a "PhD.", and that he found holes but did not explain. What qualifications would "a" PhD. have to determine the truthfulness of the contents in that highly documented book supported by all types of evidence?

The book, *DEFRAUDING AMERICA*, is the product of what the author found in the way of hard-core corruption, starting while he was a federal investigator holding federal authority to make the charges that he did. Added to his discoveries was the almost daily input for the last three years from a group of deep-cover CIA/ONI operatives who have risked their lives to come forward.

I have in my possession numerous government documents showing the CIA/ONI status of these informants, and evidence supporting some of their statements. Five-hundred and fifty pages of hard facts relating to a pattern of criminal activities implicating federal officials, and you have the nerve to discredit all of it.

The accuracy of their information is established by a combination of evidence, including official government documents establishing their CIA/ONI status; cross-checking their statements to me with the statements of other covert operatives. The book is full of specifics, and depicts an organized pattern of criminal activities against the American people, which are treasonous, subversive, and criminal.

You were put on notice of these crimes, and your position as a publisher, and producer of radio programs, entails a responsibility under federal criminal statutes, as a citizen, and as a newspaperman, to make these charges known. Instead, you come up with this bizarre reason for sequestering the charges made by a brave group of insiders.

It is my belief that you are using your newspaper, and your radio station, to mislead the listeners, to protect those involved in the epidemic corruption, and make possible the continuation of the great harm upon the American people. [H: **Yes indeed, such as supporting ones who offer pure disinformation, George Green and crew. This comes DIRECTLY from listeners in your immediate locale!**]

I had indications prior to this recent "PhD." disclosure that you were engaging in a cover-up of these serious matters. This latest event adds additional support to my thinking. I would not be surprised if I was to discover you were secretly on a CIA retainer, misusing your position on the air, and as publisher, to protect this group that has, and is, inflicting enormous harm upon the United States and people of other countries.

If you performed your duty, instead of covering up, some of those people in prison today, who are scapegoats to silence them, would very possibly be freed. The continu-

ation of the harm inflicted upon the American people, most of whom are totally unaware of the harm and where it originates, could be halted, if people like you complied with federal criminal statutes requiring you to report the charges and to publicize them. We have courageous citizens being assassinated to silence them, **while you misuse your facilities to discredit those brave people fighting to expose the greatest harm ever inflicted upon the United States.**

I am enclosing a copy of one major book review and excerpts from others, all of which are very favorable.

How about explaining what the holes are in *DEFRAUDING AMERICA* so that those who receive a copy of this letter can evaluate your answer.

Sincerely,

Rodney Stich

[H: Please, staff, make sure the write-up is printed also. [See next page.] And, further, there were some precious readers who funded the publication of *DEFRAUDING AMERICA* and we are eternally grateful for that service to your nation.

Is this road "uphill"? YES, but you CAN reclaim it if you are willing to exert just a bit of effort. REMEMBER—evil cannot stand in the Light of TRUTH. Uncovered, these criminals become KNOWN and will fall. IT IS UP TO YOU!

Ross Perot/Al Gore Debate

11/10/93 #2 HATONN

I would like you witnesses to make note of things you may have missed if you weren't "tuned" in to the "debate" (absurd term) last evening between Perot and Gore on *Larry King Live*. It actually appeared Mr. King was efforting to be "fair"—the rest was a debacle to the definition of truth.

Mr. Gore pushed and pushed Perot on "how much funding has gone into keeping NAFTA from being passed?" He said funds in favor of NAFTA have been made public. Say what? You are talking about YOUR NATIONAL SOVEREIGNTY—NOT A POLITICAL ELECTION FOR NIT-WIT POLITICIANS! Then, came the disinformation with incorrect numbers from Mr. Gore piled upon personal attacks against the character of Mr. Perot and family. "This" was a "debate" on the pros and cons of an international trade treaty? Come, come!

BOOKS OF THE WEEK

BOOK DETAILS ENDEMIC GOVERNMENT CORRUPTION

BY JOHN AUSTIN

HIS Inc. Features

ONE OF THE DELIGHTS OF REVIEWING is the diversity of books which arrive each day. Every delivery brings something to educate, dominate, irritate, titillate or infuriate.

What could turn out to be the most explosive books on the market is "Defrauding America" written by insider, Rodney Stich. Stich's book and documentation illustrates a pattern of related scandals at the highest echelons of the U.S. government such as the CIA, DEA, FBI, Department of Justice (DoJ) and every other alphabet agency you can think of.

The disclosure vividly illustrates a pattern of "hard-core" criminal activity implicating high federal officials and how it affects our every day lives. There is (obviously) endemic corruption hiding in the stinking cesspool that is the District of Columbia. All Stich's charges appear to be documented throughout the book's lightly paced 560 pages.

The author is a former federal investigator for 30 years who says he discovered a lot of the criminal activities he documents during that period and supports his charges. We do not feel anything in the books is "sour grapes."

Stich's initial expose of criminal activity by government departments was brought to light in a series of fraud-related airline crashes and corruption in the FAA, NTSB, and DoJ and the federal courts in his previous book,

“
THERE HAS BEEN, AND IS MASSIVE DRUG
SMUGGLING INTO THE UNITED STATES BY THE CIA
AND THE DEA.

Defrauding America

AUTHOR: Rodney Stich

"Unfriendly Sides.

Whatever serious charges we repeat here are all well documented and corroborated. They are backed up by a dozen "deep-cover" intelligence agency "whistle blowers," personnel who gave the author many statements quoted in his expose.

• There has been, and is, massive drug smuggling into the United States by the CIA and the DEA aided and abetted by officials in control of the U.S. Customs Service and the DoJ.

This includes drug-laden planes landing at the Mena air strip in Arkansas of which then-Governor Bill Clinton was well aware. He

refused to fund the Mena Police Department to pursue its investigation to prevent it. A former President was also aware of this activity. (Documented on pages 284-5.)

• The use of Chapter 11 bankruptcy "protection" which turns such courts into "criminal activity" involving federal judges, trustees and law firms. (They are all named.)

• The dirty part of the Iran-Contra scandal that the Congress and the media withheld from the public. There were arms sales to both sides in the CIA-generated Nicaragua deal. Drugs were received in exchange and smuggled into the United States by the CIA, DEA and the military.

• From his own personal experience, Stich relates that it is normal practice for DoJ attorneys to fabricate whatever lie is necessary to obtain conviction and to support whatever order they want rendered (generally) hand-picked judges.

The biggest scandal of all - and this was recently delved into by a major network "reality show" involves the "Inslaw Affair" which Stich goes into it in great depth. He alleges with much corroboration, the criminal misuse of renegade officials of the DoJ stealing valuable software from a private company and selling it to drug dealers and foreign countries. This priceless Inslaw software gives these people access to ongoing U.S. and world-wide criminal investigations.

This theft also involved the murder of an investigative reporter who was close to the truth. The book goes on and on to the point of disgust in our government from the top down. It is obvious that most of us outside of "the loop" have no say in how this country is run or ever will be, or who is even nominated for high office regardless of Ross Perot or any other White Knight who comes along; that is, as long as the same people are returned to power year after year by the electorate and then have their strings pulled by powerful lobbyists for special interests. Ways to keep many of the losers in power (regardless of the vote) is by appointing them to other lucrative government policy-making jobs.

Even though in our opinion "Defrauding America" would be a major best seller, there has been outright refusal by U.S. publishers to consider it for publication; book wholesalers refuse to stock copies. Therefore, it can only be ordered direct from Diablo Western Press, Box 5, Alamo, Ca 94507, or ordered direct by calling 1-800-247-7389. The cost is \$25 plus \$2.50 S&H.

SELECTED COMMENTS BY BOOK REVIEWERS ON DEFRAUDING AMERICA
 "Your book is great," (L. Flecher Prouty, author *The Secret Team*, and *JFK-The CIA, Vietnam and the Plot to Assassinate John F. Kennedy*): "A blockbuster," (Hollywood promotion celebrity Irwin Zucker): "The most explosive book on the market," (John Austin's HIS Features in Hollywood): "Defrauding America is fascinating," (Mike Wall, WTBV Radio): "Considerable interest has been expressed in your new publication," (Israel Book Review): "It's a book you can't put down."

however, is that during these discussions of expenses—MR. PEROT SAID HE COULD NOT EVEN BUY TIME ON ANY MAJOR NETWORK IN AMERICA! HE WAS DENIED EVEN THE PURCHASE OF TIME ON MEDIA TO DISCUSS THE PLANNED AGREEMENT. HE HAS ONLY BEEN ABLE TO PURCHASE TIME, ON THIS SUBJECT, FROM VERY LOCAL STATIONS—NONE OF WHICH ARE CARRIED NATIONALLY! STILL THINK THERE IS NOTHING WRONG WITH NAFTA?

For that reason, national readers don't get news...period....! If we, and other newspapers of such ilk don't bring you FACTS—you have no way to get facts. Do you ever hear about "Red" Beckman in the national papers? How about on TV? Well, we have written about him over the years and he lectures and is a patriot of quite a bit of fame in the circles of "citizens" who pay attention. But "WE" can't follow all the patriots in trouble—there are too many patriots in trouble!

Let me example the system called "Justice" in a simple update on Ekkers (Dharma/Doris and E.J.). Remember that a couple of months back the Sheriffs came to a gathering wherein Dharma was speaking. She and E.J. WERE ARRESTED in the middle of that meeting—why? The claim from the District Attorney was that they had been seen trespassing on the lot adjacent to their prior property. Now, the facts ARE, that the Ekkers have legal easement on that property so they in no-wise COULD have been "trespassing". I think, however, that you get the picture.

Well, this was "heard" as to postponement of "conviction" but now comes up again before a "Judge". Guess what! The "JUDGE" is one, Randall, who personally ruled that their property be turned over to the RTC. It was and it was sold while litigation was still underway. Worse, the Ekkers had no legal counsel in this matter—so have to stand with "strange" fill-in counsel. Mr. Tips will represent them "out of loyalty", but is unavailable for this upcoming encounter. Does the pressure ever stop from this incredible Adversary? NO!! You must be stronger! GOD IS STRONGER—THEREFORE, YOU MUST WORK WITHIN THAT SHIELD AND CLING TO AND USE YOUR CONSTITUTION—OR YOU WILL LOSE IT ENTIRELY!

Why do I continue to use these "examples", realizing you are weary of the personal focus? BECAUSE YOU DON'T HAVE TO BE SHOT IN THE FIRING SQUAD LINEUP—IF—YOU KNOW THE GAME AND PAY ATTENTION TO THAT WHICH HAPPENS TO PRIOR VICTIMS.

"But," so many of you retort, "Doris and E.J. have Hatonn!" Oh? The minute "Hatonn" is mentioned in a courtroom the case is reduced to total laughter

and ridicule. These people have NOTHING more than you—except numbers of problems! And, perhaps, the FORCED need to confront them on the Adversary's schedule.

So what of Red Beckman? He has headed a struggle to SHOW YOU, PROVE AND ANNOUNCE THE ILLEGALITY OF AMENDMENT

16 OF YOUR CONSTITUTION. DO YOU KNOW WHAT IS YOUR 16TH AMENDMENT—WITHOUT PEEKING? I THOUGHT NOT!

We shall not go into it here but we will offer you a FAXCOM received a couple of days ago.

Schemes & Scams Exposed In Montana

11/10/93 #2 HATONN

From Center For Action/Washington,
John R. Prukop. (Puyallup, Washington)

QUOTING:

Saying that "God is so much bigger, they can't do anything to me until they get permission from God," Montana's Fighting Redhead, Martin J. "RED" Beckman is exuberant over the nationwide exposure of the government's many underhanded methods of conducting its affairs. "Just look back over the past 3-years and think about how much corruption by the government has been **exposed by individuals and groups all over America**. Truly, Satan's Kingdom is **beginning to divide against itself!**"

Amid rumors today that a SWAT team had surrounded the Beckman Ranch to perhaps physically evict the Beckmans from their property, under a fourteen-and-a-half-year-old unlawful IRS "NOTICE OF FEDERAL TAX LIEN" which resulted in the apparent foreclosure and sale, "RED" assured this reporter that while a SWAT team has been doing training and surveillance nearby, he is not concerned for their safety. "RED" states emphatically, **"The Law that Never Was will not be misapplied in our situation,"** referring of course to his book by the same name that he and Bill Benson completed as a result of traveling to each of the forty-eight contiguous States that allegedly ratified the 16th Amendment to the Constitution, the so-called "income tax amendment". Together they obtained certified documents that **prove conclusively that then Secretary of State Philander Knox, in collusion with the Solicitor of the Department of State, falsified the results of the participating Union States' ratification process.** The legal research was completed in late 1984, and *THE LAW THAT NEVER WAS* was first published in April, 1985. From the preface of this book is the following passage:

"The productivity of this nation is being

plundered by tyrants employing a perversion of true law. The material in this volume is the documented evidence of the betrayal of our trust and confidence by government officials. Tax-consuming public servants have been administering and enforcing a law which existed only because no one was paying the price of liberty. Our great nation has become a victim because we have slept." And from the Introduction: *"Be aware that a new page is being written in American history. Since 1913, our nation has been controlled by a few individuals exercising power stolen from we, the people. Politicians have been violating their campaign promises with impunity.... This book, more than anything else, demands an accounting by those who thought they were not accountable."*

Many people are taking this research work to the authorities at large and informing errant public servants of their duties under the United States Criminal Code, Title 18 at Section 4, entitled "Misprision of Felony". This law states that whoever, having knowledge of the actual commission of a felony cognizable by a court of the United States, conceals and does not as soon as possible make known the same to some judge or other person in civil or military authority under the United States, shall be fined not more than \$500 or imprisoned not more than three years or both. Additionally, Title 18 at Section 3 states that whoever, knowing that an offense against the United States has been committed, receives, relieves, comforts or assists the offender in order to hinder or prevent his apprehension, trial or punishment, is an accessory after the fact.

Contacted by telephone this morning, "RED" said he is aware that perhaps the County of Yellowstone might try to force the illegal IRS sale of his property, because County Officials are unaware of the law. Beckman has defied the illegal IRS action and has occupied his property since 1979. He intends to file a \$5-million dollar claim against Yellowstone County next week for their participation in filing a bogus "NO-

TICE OF FEDERAL TAX LIEN" and NOT a LIEN. Should the County of Yellowstone reject the claim, a decision they have 60-days to make, Beckman has the option to file an action in the Montana State District Court in Yellowstone County. But, he says, he hopes that his \$5-million dollar claim will result in a meeting with the county commissioners, so they can be informed of the fraud that's been perpetrated by the IRS for many years. "RED" says if they won't listen, he will seek remedy in the court and will at that time subpoena the IRS District Director, District and Regional Counsel as third parties to testify under oath what specific law and the particular type of tax they are applying in the erroneous "NOTICE OF FEDERAL TAX LIEN" filings. "This will reveal how phoney the IRS Codified Statutes really are, because Section 6321 and 6331 and many others only have enforcement powers under Title 27, which is Alcohol, Tobacco and Firearms," Beckman said. [H: Does this statement about the ATF not bring terror into your consciousness? Why do you think the ATF is involved in so many "seemingly unrelated" matters?]

Regarding the SWAT team, "RED" says this past weekend there was quite a bit of activity near his property, probably because 15 delegates from *The Montana Vigilantes* were meeting at his ranch to discuss the ongoing crimes being committed by errant elected and appointed public servants. The Sheriff of Yellowstone County, Chuck Maxwell, also attended the meeting, arriving in an unmarked vehicle. He was presented with information concerning the validity of the so-called 16th Income tax amendment. At the gathering, "RED" says they couldn't name one incident where *The Montana Vigilantes* had crossed the law, but in those same 13 years since they reorganized at a public meeting held in Helena, they can document case after case, and hundreds of pages of evidence to prove the crimes committed by public servants. "RED" recalled, in the presence of Yellowstone County Sheriff Chuck Maxwell, that in Virginia City, Montana in 1864, the county Sheriff was hanged for the crimes he had committed, adding, "We're not backing up for a bunch of criminals and the Sheriff of Yellowstone County knows it. We wouldn't wish the same fate on him." Because of the gathering this past weekend, "RED" says they will form another group, "*The Montana Vigilance Committee*" and will send out a mailer to every registered voter in the state of Montana in order to conduct Town Meetings, county by county, to inform all of the people of the crimes that are being committed and to also inform those who would be selected to sit on a petit or Grand Jury of their absolute right to judge not only the facts in a case, but also the law. "RED" says this will hopefully stop the government from wasting valuable time and tax dollars in the government's attempt to prevent "Con-

stitutionalists" and "Fully informed jurors" who know the law from sitting on the various juries throughout each county in the State.

Meanwhile, the government bureaucrats are miffed at how the 6'4" Beckman, who does not tiptoe through the tulips in his size 13 cowboy boots, is always one-step ahead of them, knowing what is *really* going on inside the court house and county government. He's even had friends and people who work on the "inside" in government and the courts who are aware of things who say, "Red, you're right on target!"

Citing a new term he's been throwing around lately in bureaucratic circles, he says "RAMBOITIS" pretty well sums up the siege mentality of some of those in law enforcement—at least in Yellowstone County. But not to worry, "RED" Beckman and *The Montana Vigilantes* are keeping careful watch over everything their servants do, and exposing the many schemes and scams that have, and are, destroying our Republic. "Red" says: "A Just God knows the Truth, and God is not mocked." [H: Hold it in your hearts!]

Special note: The aspects of the application of IRS Code Section 6321, 6331 and others are the subject of a detailed reference and research effort by Karl Granse in his work, *Right to Property*, a three-volume set with two videos. This work together with *How to Properly Surrender your Social Security Number* and *The Right to Travel* are available through "We the People" Committee, 11910-C Meridian East, #142, Puyallup, Washington, Postal Zone 98373/TDC. Write or call for a free brochure and details (206) 840-8071 FAX: (206) 840-

8074. [No—these people are NOT the same WE THE PEOPLE indicted in the "Cosmos" caper!]

END QUOTING

Well, Dharma and E.J. don't have any "vigilantes" to support them—only a cold and hostile bunch of thugs out to "get them". Yes indeed, Dharma gets weak and would like to quit—fortunately E.J. doesn't seem to do so—at least not at the same time. It's ok, readers, just knowing your prayers support them in this work—IS ENOUGH. I would share Dharma's last outburst about it—"...it would be ok if you did, in fact, only die once—but facts are, we die over and over and over again—and I'm tired of it!" My suggestion? Create a Godly WORLD in which to experience! Create your play and build your PROOF—and the goal shall be yours.

The basic "violations" of LAW as shown in this above, DO NOT HOLD EXCLUSIVE REFERENCE TO IRS--BROKEN LAWS APPLY TO ALL UNTO WHICH ALL LAWS APPLY OR DO NOT APPLY! BUT, IF ONE SET OF LAWS ARE BROKEN UNDER SHELTER OF OTHER LAWS--KNOW THAT ALL LAWS ARE BROKEN--starting with the OATH (LAW) OF OFFICE HOLDERS TO PROTECT CITIZENS UNDER THE LAWS OF THE LAND WHICH WAS BUILT "UNDER GOD". AND, FURTHER, GOOD FRIENDS, THE ALLEGIANCE TO THE KOL NIDRE WILL NOT CHANGE AN IOTA OF THE TRUTH OF IT.

What "Really" Happened In Moscow?

11/10/93 #2 HATONN

It is mandatory that you SEE what is most often offered to you in "reverse" intent. In other words, as you read the following information—see the reverse TRUTH between those lines. LIGHT in all forms is most often invisible to the physical form.

QUOTING:

REBELS ARE LOUD WITH HATE
FOR JEWS

Howard Witt and James P. Gallagher, *Chicago Tribune*.

As run in the *SAN FRANCISCO EXAMINER*, Monday, October 4, 1993.

MOSCOW—The angry men who orches-

trated the weekend events that led to Monday's fighting in Moscow—and many thousands of their armed supporters who swarmed into the streets behind them—are die-hard Communists who never accepted the demise of the Soviet Union.

Many of the people who have taken up arms against President Boris Yeltsin are nationalists who fight to restore the glory of the "Russian Motherland", some are neo-Nazis who wear swastika emblems on their combat uniforms, and still others are disgruntled Russian army officers who dream of re-creating the powerful Soviet army.

Their ranks also include royalists who want to restore the regime of the czars, Russian Orthodox priests who blessed anti-Yeltsin fighters before they rushed into

combat, jack-booted Cossacks with long swords and fur hats, and mercenary soldiers who have fought for pay in the numerous ethnic wars raging on Russia's periphery.

Although divided by radically different ideologies—it was the Communists, after all, who executed Russia's last czar—they are united by hatred for Yeltsin and his radical plans for Russia. **[H: Is everyone picking up the "authority" as if factual, of this writer's thrust? They do not even have their "half"-truths correct much less their information about what really happened. How do these ones presume to know what those Russian citizens "were thinking" and their purpose for wishing freedom for their country? Do you see how propaganda, spread about under color of "authority and expert" is accepted even in the TOTAL LIE?]**

If this amalgam of anti-democratic forces were to succeed in seizing power, Russia could be plunged back into totalitarianism. **[H: Or perhaps, even, FREEDOM!]**

But it seems equally likely that the alliance simply would fracture ideological lines; such marriages of convenience rarely seem to last. **[H: Oh barf.]**

Communists, for example, still hate fascists as a residue of World War II, while Cossacks hate the Communists who tried to outlaw them.

THEY HATE AMERICANS

They hate Westerners, and particularly Americans, for the support they have given Yeltsin—and the "decadence" they have brought to the ancient Russian nation.

They can't stand Armenians, Azerbaijanis, Chechens and any other non-Russian nationalities from the former Soviet Union, who are thought to have built up mafias inside Russia to control business and commerce. **[H: This is surely a jest—why would you like someone or ones who bring crime, force and destruction to your Motherland and fellow-citizens? This seems like a great big PLUS to me.]**

But they reserve their most vicious wrath for Jews, spitting hatred against them with nearly every word they speak. **[H: Now we get there, don't we? The "put-upon" shouting more "put-upon" garbage. Who do you think destroyed Russia in the Bolshevik Revolution? Yep, those so-called, self-styled JEWS of the Khazarian Zionist One World Order!]**

Jews destroyed the old Soviet Union, they say, so they could steal its resources and dominate its people. Jews control the Russian economy, they say, and run it for their own benefit; Jews own Russia's mass media, THEY SAY. **[H: So the truth hurts?—so "they" say!]**

Jews run the Kremlin, they say, and the White House in Washington. **[H: RIGHT ON!]**

"Go tell your Jew President Clinton [true] that his Yid pig stooge Yeltsin [true] is finished," screamed one young man, his face twisted with rage, at an American correspondent outside the Ostankino TV center Sunday night.

These are not isolated, random sentiments. For the last two weeks, since Russia's latest power crisis began, nearly every conversation with supporters of the parliament has veered at some point into anti-Semitism. **[H: No—anti-Bolshevik so-called JEWISH ZIONISTS.]**

The beliefs are patently absurd—that Yeltsin is Jewish, that his wife Naina is Jewish ("what kind of a name is Naina?" is a commonly heard insinuation), that Yeltsin's entire cabinet is Jewish. **[H: So, truth is very hard for the American Zionists to swallow??]**

One army deserter who has been guarding the parliament—an otherwise calm, rational and well-spoken man—suddenly interrupted a conversation about politics with the observation that patriarch Alexy, the head of the Russian Orthodox Church, is actually a Jew. **[H: So what else is new? As far back as the Fifteenth Century the Protocols have actively ordered the so-called "Jews" (not so-called, however, in the 15th century) to No. 4: "As for what you say of their destroying your synagogues: make your sons canons and clerics in order that they may destroy their churches." I would also share with you a "Jewish" observation regarding accomplishments of the ONE WORLD PLAN expressed in instructions from the Protocols of Zion: "...the 'Churches' are suffering from paralysis. The Jews now have the Christian Churches accepting atheism—even within their own Christian Churches. We are rapidly succeeding in bringing the Goyim to their knees." Also, back in 1923 it was observed: "Thus come Revolutions in which Christians do all the fighting and of which Jews reap all the profits. Russia is completely destroyed by the Jews. Revolution has broken out in the Empire of Britain. Ireland is almost a Republic, in fact, if not in name, and the Jews are prospering amazingly. Our so-called "British" Cabinet is in point of fact a Bolshevik Cabinet in preliminary stage. Our success is assured." Indeed, readers, the Zionist is all but finished in success and the signs are obvious that the egos of ones such as "Rosenthal" will not much longer be silenced as to that success.]**

BLOOD LIBEL RESURRECTED

But facts have little to do with the

unreasoning, deep-seated prejudices that spew from the Yeltsin opponents, **[H: Read CAREFULLY—here was a "slip" of the worst kind. Right here was the credence to the statements claimed BEING FACTS, not fantasy.]**, many of them impoverished, poorly educated workers and pensioners who have suffered greatly under the sharp economic transformations of the last two years.

In fact, anti-Semitism is an ancient problem in Russia, the land where the czars dispatched their loyal Cossack troops to wage murderous pogroms against Jewish villages. And in moments of deep crisis, Russian anti-Semitism has always surged. **[H: Hey, what about the Christian Holocaust done by the Bolshevik "Semites"? Those "Jews" murdered over 10 MILLION people in their purge across Russia. No so-called "Holocaust" Jew ever seems to remember that little escapade!]**

Today, anti-Semitic books and newspapers are freely sold in the subways of major Russian cities. **[H: Not to be confused with already "taken" nations in which just to speak in question about the orthodox LIES of these Zionist Khazars (JEWS but not Jews), the speaker is immediately incarcerated as perpetrating a "hate-crime". Ah, blind, blind lambs.]**

The Mass-circulation *Pravda* newspaper last summer brashly published a story that resurrected the ancient canard that Jews kill Christian babies to use their blood to bake matzos. **[H: Well, not to make matzos usually, but often the Satanists, who fall into the same category as spoken about here, do use the blood for other things. This, however, is a use by these authors to bring gore and outrageous attention to total BS and have no grain of truth to either statement. This is stinking Journalism at its WORST! FABRICATION OF STORIES WHICH HAVE ABSOLUTELY NO BASIS IN FACT OR THOUGHT—JUST FABRICATED FOR EMPHASIS OF THE LIE.]** At one session last year, the deputies repeatedly voted down one Yeltsin nominee for a routine government post only because he was Jewish. **[H: If he was like the two authors of this article—that would seem reason enough!]**

Only after harangues from Speaker Ruslan Khasbulatov, himself a Chechen and the object of frequent snide remarks from extremist deputies, did the parliament narrowly approve the nomination.

For more than a year, extremist Communist and nationalist militants have

been maneuvering their way into positions of influence inside and around Russia's parliament—aided by Khasbulatov's active purges of liberal deputies from the leadership of legislative committees.

[H: Good grief, citizens, how are you supposed to get TRUTH when this is the kind of propaganda paid for by the Elite to feed you blind readers? You think you no longer have a "cold" war with Russia? You don't—it is "HOT AS HELL"! Further, you who denounced my earlier writings as being absurd—regarding Khazars and Jewish influence in Russia, etc., had best take NOTICE. No matter what you THINK about the "Jewish" Zionist "influence" on nations about the world—you had better realize they are infiltrated into the very fiber of every so-called "free" nation or power-nation around your globe. And, I repeat, when the Titans clash you may well not know WHO is WHO—but it is going to be forces of incredible massiveness—and I remind you to keep your survival gear handy and a good hole in the ground. The Khazarian Zionists (now calling themselves Jews) ARE THE ANTI-CHRIST SET FORTH TO DESTROY YOUR PLANET.]

OPEN DEFIANCE

Some of these people are elected legislators who belong to extreme nationalist, deeply anti-Semitic groups such as the National Salvation Front, which have openly called for the violent overthrow of the Yeltsin government.

Others, such as hard-line Communist leader Viktor Anpilov, hold no elected parliamentary position.

Anpilov, an organizer of the anti-Yeltsin demonstration last May during which protesters wielding rocks and steel rods clashed violently with police **[H: They had nothing else to use to struggle against the horrendous treasonists—Russian people have no allowance for WEAPONS—sleepy Americans! There go you in just a tiny bit of time...!]**, headed the group of protesters who attacked the television center Sunday night. **[H: And who could stand with rocks and sticks against M-18 (American assisted) tanks and spotting equipment? Where will you citizens be when you finally realize what has hit you?]**

And some are experienced former military officers.

The commander of the parliament's paramilitary defense forces, army Gen. Albert Makaahov, had been fired from his job as commander of the Volga

military district after backing the abortive August 1991 hard-line coup. He commanded Sunday night's assault on the TV center.

Vice President Alexander Rutskoi, a pilot, is a former Afghan war hero. He was shot down twice and captured by Mujahedeen rebels fighting the Soviet-backed Afghan regime—once by an American Sparrow ground-to-air missile, a fact that some observers believe has contributed to his anti-Americanism. **[H: H-m-m-n-n.]**

NEO-NAZIS JOIN IN

[H: Now comes the real balderdash.]

But there are also far less stable fighters in the anti-Yeltsin ranks.

Khasbulatov and Rutskoi, while endlessly proclaiming their allegiance to constitutionality and rule of law, actually agreed to allow about 100 goose-stepping neo-Nazis from the Russian National Unity party to join the ragtag band of parliamentary guards. They took the lead during Sunday's assault on police lines.

"These are our temporary allies," explained army Col. Martinov, a guard assigned to protect the parliament's fourth floor.

"But I can assure you, we will never allow fascism to rise in our country. If these National Unity soldiers ever step out of line, we will tell them to leave."

END OF ARTICLE;
END QUOTING

Where do you suppose these "JOURNALISTS??" got their information? Do you actually think they would be up front in confrontation with ACTUAL GUNS? Don't be silly, readers, these are paid propagandists—the variety of which would never be caught alive in front of guns OR TRUTH.

How many of you watched the tid-bit by Andy Rooney on 60 MINUTES this last Sunday? His "miff" was about all the well known personages and their autobiographies. He pointed out that almost ALL OF THE BOOKS are written "with" someone. Most of what he pointed out were "with" someone (ghost writer) called something NOLAN. In other words Mr. Nolan has written all the autobiographies for famous individuals and THAT is why such as Oliver North has an autobiography of his life and times BEFORE he ever picks up a pen or has a thought about what did or did not happen in his experience. People, it is time you PAY ATTENTION

because you are being so badly "had" by such as this that you won't ever know what put you into those **planned U.S. CONCENTRATION CAMPS.**

A friend from California has sent us some material on those "Concentration Camps". He has attached a letter from one Tony Alamo, whom some of you will recognize in name. I KNOW TONY ALAMO AND I SHALL EFFORT TO SEE THAT HE GETS SOME OF WHAT NOW HAS POSSIBILITY OF BEING EXPRESSED TO HIM WHO HAS SERVED IN THE ARMY OF TRUTHBRINGERS. TROUBLE? MR. ALAMO? OF COURSE—ANYONE WHO BRINGS TRUTH IS IN TROUBLE CONSTANTLY FROM THE ADVERSARY. I WOULD LIKE TO SHARE THE LETTER, HOWEVER, BEFORE I DUMP THE CONCENTRATION CAMPS ON YOU.

Tony Alamo Thank You

QUOTING:

Dear Concerned Christian:

The message in this 21 page brochure is not meant for the soul to become discouraged, but it's meant for you to get down before God in prayer with groanings to Him and pray that God will move away everyone of today's many mountains.

Today's troubled world has been of old prophesied. Sackcloth and ashes is today's dress code. We are to obey the law of prayer which is: "Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints" (*Ephesians 6:18*). We are to obey the law of suffering which is: "If any man will come after me, let him deny himself, and take up his cross daily, and follow me," Jesus said (*Luke 9:23*).

It's a Christian's duty to always have their heart prepared for suffering, trials, temptation, for all sharpness and hardness; to be ready to meet and endure through every trial, suffering, and temptation, and to endure any hardship which God may lay out before us in our Christian warfare. But many will not obey the Lord and pray and prepare for today's trials and the fiery trials in the near future, and prepare for all the other things that are incorporated to happen, prophesied about in both the *Old and New Testaments*.

Jesus said, with the faith of a grain of a mustard seed "Whosoever shall say unto this

mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith" (*Mark 11:23*).

God is still very much on the throne in heaven and He is still intently watching and listening to everything going on and being said here on Earth. Yea, His

throne is in heaven but His eye is on the Earth. He isn't dead but He is alive. So give Him your earnest prayer and obedience in all things, and watch the Lord move away the mountains.

Warmest regards,
Your Brother in Christ Jesus,

Tony Alamo

World Pastor

Dharma, break this here, please for the next series of writings will be very long indeed. Thank you. We will take up immediately at this point.

Concentration Camps Are Ready For YOU

11/10/93 #3 HATONN

This comes undated but was received on 9 Nov. 1993. I am not happy to have to ask Dharma to do the work required to offer this, in full, to you—but I will! The document comes from Tony Alamo via R.H. but is written by William R. Pabst and presented by SPIRAL: Society for the Protection of Individual Rights and Liberties.

CONCENTRATION CAMP PLANS FOR U.S. CITIZENS

INTRODUCTION

QUOTING:

This transcript is presented by SPIRAL—Society for the Protection of Individual Rights and Liberties—a growing organization dedicated to informing the public of activities which could and do restrict our inalienable freedoms, such as those defined in the U.S. *Constitution*.

Most of such activities are not likely to be reported about in many of the news medias most accessible to the masses for obvious reasons. Therefore, it is necessary to inform the public of these dangers of losing our rights and liberties through reports such as this.

The report you are about to read covers one man's research and diligent effort in exposing the federal government plans for implementing a dictatorial type of government in this country, including detention of U.S. citizens considered "enemies of the United States" in concentration camps set up throughout the country for this purpose.

This particular information covers only one small part of the many atrocities being

perpetrated against American citizens behind the backs of the American public....

TRANSCRIPT OF TAPED MESSAGE CONCERNING THE IMPLEMENTATION OF A DICTATORIAL GOVERNMENT IN THE UNITED STATES OF AMERICA

A NATIONAL EMERGENCY: TOTAL TAKEOVER

This is William R. Pabst. My address is 1434 West Alabama St., Houston, Texas 77006. My telephone number is: area code 713 521-9896. This is my 1979 updated report on the concentration camp program of the Dept. of Defense of the United States.

On April 20, 1976, after a rapid and thorough investigation, I filed suit on behalf of the People of the United States against various personages that had a key part in a conspiratorial program to **do away with the United States as we know it**. This is a progress report to you, the plaintiffs, you the People of the United States. The civil action number is 76-H-667. It is entitled, "Complaint Against the Concentration Camp Program of the Dept. of Defense". It was filed in the U.S. District Court for the southern district of Texas, Houston Division. The judge responsible for the case was Judge Carl Beau (phonetic spelling). **[H: I'm sorry, this bears no "date" but we shall see that it is most timely.]**

You have no doubt heard the story: Once upon a time, under the Nazi regime in Germany, a man worked on an assembly line in a baby carriage factory. His wife was going to have a baby, but the Nazi government would not let anybody buy a baby

carriage. The man decided he would secretly collect one part from each department and assemble the carriage himself. When this was done and he and his wife gathered up the pieces and assembled it. **When they were finished they did not have a baby carriage; they had a machine gun.**

And that is exactly the situation that I am going to present to you at this time. The Center for the Study for Democratic Institutions recently completed a **proposed constitution for the "Newstates of America"**. **The Center is Rockefeller funded. [H: I told you it was a timely writing!]** To give you an indication of the type of constitution proposed, the term "national emergency" is mentioned 134 times. The document did not have a Bill of Rights and the right to own arms was taken away. At the same time, house Concurrent Resolution #28 awaited for calling a constitutional convention on or before July 4, 1976. the presiding officer of such an event would have been **Nelson Rockefeller**, Vice President and president pro tem of the Senate. This particular resolution awaited in committee. Obviously money would not be spent on these massive programs unless there would be the chance for the actual implementation of such a scheme.

However, in case the American people do not voluntarily adopt a new constitution; less troublesome to those who desire dictatorship, there is Executive Order #11490, which will include its predecessors when it is cited herein. The Executive Order authorizes the secretaries of the various agencies to prepare for any "national emergency" type situation—including, but not limited to, those specified in the Executive Or-

der itself. If you read the Order, there is nothing at all left to the imagination. For any conceivable pretext, a national emergency may be declared based upon this frightening decree, dated October 1969. The Order itself was prefaced in March of 1969 by another Executive Order which established the federal regions and their capitals. All the departments of the government were involved, including the L.E.A.A. (Law Enforcement Assistance Administration) and H.E.W. (Health, Education and Welfare). Congressman Larry McDonald has revealed to Congress that various guerrilla and terrorist groups were being financed by the federal government. If they (the terrorist groups) actually began in search of activities, Executive Order #11490 would be activated.

But as mentioned previously, if you will read Executive Order #11490, you will see that a "national emergency" may be declared for **any conceivable pretext whatsoever**. If the Order itself were activated, here is what would happen: The next day you and your family would be standing in front of your local post office with your neighbors; the front doors bursting with block-long lines of people waiting to be registered. After waiting in line with your family for hours, you finally get channeled through the doors. Once inside, you overhear the postal clerk with his side-arm on telling a frightened registrant, "Look there is nothing I can do. The truck behind the building will take you to a work camp where you have been assigned. Your wife has been assigned to a factory and there's nothing I can do." Then your son or daughter looks up at you with a quivering voice and asks, "Dad, why are we here?"

IMPLEMENTING THE NEW GOVERNMENT

Well, you see there's much more to life in a "free country" than paying your mortgage. You have to be aware of what is going on and act accordingly and participate in government; that is, get involved. Examining the organization chart of Executive Order #11490 to discover how we have all helped finance (through our tax dollars) the mechanics of the overthrow of our Constitution, Executive Order #11490 designates authority to the various departments of the federal government. [H: **Why haven't we told you about this? WE HAVE—OVER AND OVER AGAIN AND AGAIN!**]

If the Order were implemented, the Post Office Dept. would be responsible for a national registration. The State Dept. would be responsible for the protection of the

United Nations personnel or property and prevention of escape from the United States. The Dept. of Defense would be responsible for its expropriation of industry; direction of service and a national production system; control of censorship; and communication expropriation of non-industrial facilities. The Commerce Dept. would be responsible for expropriation, selection and international distribution of commodities (which would be the actual **looting** of the United States), census information and human resources.

The Treasury Dept. would be responsible for collection of cash and non-cash items and the re-creation of evidence of assets and liabilities. The Justice Dept. would have concurrent responsibility with the Dept. of State for prevention of escape from the U.S.; for replenishing the stockpile of narcotics; for a **national police force**; for correctional and penal institutions; for mass feeding and housing of prisoners and for use of prisoners to augment manpower—which would be **slave labor**.

The Federal Bank (which is NOT a **Federal bank**) would be responsible for **regulation and withdrawal of currency**. The G.S.A. (General Services Administration) would be responsible for **confiscation of private property for government use**. H.E.W. would be responsible for **nationalization of education** (which the Dept. of Education has already done), health services, hospitals and mental institutions. The Labor Dept. would be responsible for recruiting manpower; selecting manpower; referring manpower; and allocating manpower so each particular person that was registered at the post office in this national registration **would be told where he (or she) was going to work**. H.U.D. (Housing & Urban Development) would be responsible for transfer of persons to temporary or permanent housing in regional emergency planning and cooperation. The Transportation Dept. is responsible for emergency enforcement and control and movement of passengers and the emergency operation of the Alaskan railroad.

There are two specific agencies here that we need to look at and to keep in mind. They are: H.E.W. and Justice, as those two agencies are related to the Dept. of Defense. The various military departments are part of the Dept. of Defense. Under it, we have the Secretary of Army, Chief of Staff, Deputy Chief of Staff of Personnel and law enforcement, U.S. Army's forces command, and continental Army Reserve & National Guard. And under that we have the four armies dividing up the United States. Under the Fifth Army we have the provost marshal, who is directly connected to the Deputy Chief of Staff for law enforcement personnel. Under the provost marshal for the Fifth Army we have the 300

Military Police Prisoner-of-War (POW) Command at Lebonia, Michigan.

At this point I quote from retired Admiral Elmo Zumwalt's (phonetic spelling) book, *ON WATCH: KISSINGER* [H: Good old Hank!] states, "I believe the American people lack the will to do the things necessary to achieve parity and to maintain maritime superiority. I believe we must get the best deal we can in our negotiations before the United States and the Soviets both perceive these changes and the balance that occurs. When these perceptions are in agreement, and both sides know the U.S. is inferior, we must have gotten the best deal we can. Americans at that time will not be happy that I have settled for second, but it will be too late."

[H: R.H. continues to correct "America" into "United States" which is theoretically "correct". However, what Mr. H. is MISSING is that "they" MEAN "American" and with the NAFTA treaty and all it entails that will be one big place in which the U.S. will only be a little portion!]

Zumwalt said, "Then why not take it to the American people? They will not accept the decision to become second best while we are in a position of Gross National Product twice that of the USSR."

Kissinger responds, "That's a question of judgement. I judge that we will not get their support, and if we see it and tell that fact as we would have to, we would lose our negotiating leverage with the Soviets."

Zumwalt stated, "But isn't that the ultimate immorality in a democracy; to make a decision for the people of such importance without consulting them?"

Kissinger stated, "Perhaps, but I doubt that there are 1 million who can even understand the issue."

Zumwalt responded, "Even if that presumption is correct, those 1 million can influence the opinions of the majority of the people. I believe it is my duty to take the other course."

Kissinger responded, "YOU SHOULD TAKE CARE, LEST YOUR WORDS RESULT IN A REDUCTION IN THE NAVY BUDGET."

So we see what the intention of the State Dept. is regarding the People. Another fact: On Dec. 30, 1975, the California National Guard announced in a press release (which I have) that the state's Military Police battalions were organized and trained to provide immediate response to virtually EVERY civil and man-made disaster, as well as to assist Law enforcement officers in emergency situations; to carry out their law enforcement as well as their military mission. When I asked four of the defendants in this case for their mission statement they did not provide it—although

they say it is public information.

The training spoken of for the California National Guard covers such subjects as dealing with individual civilians/civil population, detention procedures, citizen's rights, and similar matters. And you know as well as I do that when there is Martial Law, or Martial Rule, **citizens have NO rights—because the Constitution is pre-empted.** Even the uniforms of the National Guards who participate in this program are different from the regular uniforms. Army spokesmen will not reveal more about the uniforms. But the Los Angeles Sheriff's Dept. para-military units, who have received **this training also, HAVE ARMY FATIGUES DIED BLACK FOR THEIR UNIFORMS.**

A further fact is the disaster preparedness plan for the Marine Corps Supply Center in Barstow, California. Quoting from that document: "Under the Constitution and the laws of the United States, the preservation of law and order is the responsibility of **local and state government.** And the authority to maintain the peace and enforce the law is invested in the authorities of those governments." There are specific exceptions to the above concept. One of these pertains to federal intervention to civil disturbances in certain situations. Military commanders are deemed to have the authority to take any measure reasonably necessary for the protection of life and property in the event of a sudden unexpected public calamity which disrupts the normal process of government and presents an emergency so eminent as to make it dangerous to await instructions from appropriate authorities. This includes law enforcement duties. The manual mentions something called "Garden Plot Forces", which we will discuss at length in a few minutes.

Don Bell (who writes a weekly report) reported on July 25, 1975 [**H: NEARLY 2 DECADES AGO!**] that in May of '75 the 303 Civil Affairs group of the U.S. Army Reserves in Kearny, N.J. conducted an exercise to sharpen plans for a **military takeover of the state government of New Jersey.** According to Colonel Frances Clark, they had conducted **similar studies on how to seize municipal and county government over the past few years.** But this was the first time they had studied STATE government. Such units were trained during World War II to operate governments in the United States. When local violence or catastrophe struck, the National Guard—under command of the governor—went into action. This is definitely NOT the situation at this time.... [**H: Well, you have seen it,**

public. In every possible remote circumstance, a takeover into "emergency" status—be it fire or flood!]

CONTROLLING THE MASSES

On February 16, 1975, in the *San Gabriel Valley Tribune* it was reported that the L.E.A.A. (funded by the Dept. of Justice) and the Police Foundation (funded by the Ford Foundation) are prime movers toward implementing a national police force. Each, however, contends they support local police agencies. The total program involves military units that have the function of **taking over the administration of local and state governments.** That program is "Operation Garden Plot" (The Martial Law program).

The method by which the national police concept is being presented to the public has changed. It was first disguised under the cover of protection against civil disturbances. This program was as follows:

- A) Keep the people from gathering in the streets.
- B) Isolate and neutralize the revolution's leadership.
- c) Dispersal of crowds and demonstrators.

This is followed by successful prosecution in order to: 1) Validate the action of the police; 2) Denying the arrestees propaganda materials, and; 3) Denying them the opportunity to recover money damages against the police for arresting them.

Let me quote for you the scenario which was developed for Cable Splicer One, Two and Three to justify the needs for dealing with civil disturbances: "Phase One—an arrest and shooting provoke crowd unrest and threats against public officials and a riot begins to form; Phase Two—police vehicles are ambushed, various attempted assassinations of public officials occur, destruction and raiding of armories occur, and thousands of people begin to gather and local police lose control; Phase Three—increased movement of rioters and the crowds must be dispersed before they become sympathetic with the rioters. The National Guard and the local police lose control."

This scenario provides for an orderly transition from state to federal control. The Deputy Attorney General of California commented at a Cable Splicer Three conference that **anyone who attacks the State—even verbally—becomes a revolutionary and an enemy by definition.** They are the enemy and **must be destroyed.** This program was taught in all military, reserve military and civilian police. The course name was "Civil Emergency Management Course". The official explanation that was to be given if any questions were asked about the program

was: "This activity is a continuous, joint law enforcement-military liaison effort and a continuation of coordination established last year." [**H: Well, whatever "year" that was is not material to another point you had better consider very, very carefully. Who of you know what is happening now in your cross-training program WITH the Russians (Soviets?) and your POLICE? Right in the little town of Tehachapi, California (Kern County) LOCAL MEMBERS OF THE SHERIFF'S DEPARTMENT HAVE TOP-LEVEL SWAT TEAM MEMBERS WHO HAVE GONE TO MOSCOW TO CROSS-TRAIN! ALSO IT IS WELL KNOWN THAT RUSSIAN POLICE ARE IN YOUR MAJOR POLICE ACADEMIES. IF YOU AREN'T NERVOUS, LITTLE ONES—YOU ARE DEAD! Yes indeed, these are THE SAME sheriffs who arrest Ekkers for trespass. Actually they have gotten to be on rather friendly terms with one another—although it does NOT stop the political harassment. Ekkers have always shown total respect and consideration of the Police in any form for they are simply serving that which is training required. This does not make the scheme of the Elite worthy of respect or consideration—except as attend safety and compliance.]**

In 1976, the *Oakland Tribune* carried the most complete explanation of what is planned. It is reported in its entirety in the *National Chronicle* which added an analysis to the story. (The *Oakland Tribune's* editor DIED SUDDENLY **after the story was published!**) And I quote:

"Last Saturday the California National Guard unveiled a new Law Enforcement Assistance Force—LEAF, a specially trained and outfitted Military Police unit, whose members will serve as shock-troops in the state's war against political protesters and demonstrators.

"I saw a full-dress exhibition of what the California National Guard has planned for the next American revolution. Helicopters, SWAT teams, civilian military policemen in jack boots and helmets, twelve-gauge shotguns, .38 and .45 caliber pistols, radios, walkie talkies, and electrically-controlled intelligence centers wired for instant communications with any police force in the state.

"LEAF is a 1,000-member unit put together this year to handle unique law enforcement problems such as mass civil disobedience, protest demonstrations and riots. In other words, breaking heads and taking names. LEAF has the support of Governor Brown, a quarter-million dollars worth of grants from the federal government, and no public opposition from civil liberties groups.

"For all its ineptitude however, LEAF has a frightening possibility from a civil

liberty standpoint. It is a direct product of the California "Cable Splicer" conferences—a series of high-level SECRET meetings between government officials, law enforcement officers and military planners held during the late '60s and early '70s. The meetings were held as late as 1975, so far as many public records show. These were the conferences which *Counter-Spy* magazine had identified as California's "Garden Plot Sub-plan".

"Gary Davis—Gov. Brown's right hand man—says LEAF is to assist civil police, not to replace them. Gary says, "Civilians could expect a civilian type law enforcement rather than what is commonly known as Martial Law." Despite this assurance, LEAF's exercises look disturbingly like the military coup described in the novel, *Seven Days in May*.

LEAF soldiers with nightsticks stood at intersections, stopping cars with suspicious occupants, checking I.D. cards and generally intimidating onlookers with their SWAT style uniforms, their sidearms and helmets. Perhaps more ominously, several participants in the role-playing exercises Saturday admitted that even under simulated pressure there has already been a number of incidents where the LEAF troops used excessive force to quell disturbances—even though their orders forbade it." (That ends the quotation.)

Former L.E.A.A. (Law Enforcement Assistance Administration) administrator, Charles Ross Dovan (phonetic spelling), is on record as having stated that local law enforcement has failed and **must be replaced by a national police force**. Patrick Murphy, the administrator of the Police Foundation, states, "I have no fear of a national police force. Our 40,000 police departments are not sacred." Ex-Attorney General William Saxby warned that if we can go on as we are, crime will invade us and the national police will take over.

For the policemen who do not cooperate and still want to be policemen, there is the program of Contemporary Research, Inc.—an organization of psychologists, sociologists, education specialists and economic experts—who work toward a solution of many of today's social problems. The same organization develops specialized computer programming for the new worldwide military command and control system, as well as computer based systems for law enforcement agencies at all levels of government.

The LEAA alone will receive over a billion dollars a year over the next 4 years—even though it has been ineffec-

tive against crime. This is because the LEAA is not geared to fighting crime; it is geared to developing a system for takeover of the United States with the assistance of the Dept. of Defense.

TO BE IMMEDIATELY CONTINUED.

Thank you, Dharma, I know it has been a very long day, dear, but I would really like to cover another segment before we quit this evening.

CONTINUATION OF CONCENTRATION
CAMP PLANS FOR U.S. CITIZENS:

THE PLANNED POLICE STATE

QUOTING:

One of the programs the LEAA works on in its fight against crime is **psycho-surgery**. If you don't cooperate with their programs, you are merely operated on so that you will be as cooperative as an adding machine. Or, the LEAA supports drug research for the same purpose—to neutralize neurological sources of violence. Hence, as an example, if a law were passed whereby the ownership of firearms was declared to be illegal, you would be placed in one of these programs if you did not cooperate. The LEAA control exercise (at the state's level) is for the Office of Criminal Justice Planning of the Governor's Office. Here in Texas, Mr. Robert C. Klowers is still the executive director in that office. But all states have that particular department.

In May, 1975 the *LEAA Newsletter* describes the function of one of its organizations: the National Institute of Law Enforcement & Criminal Justice. This organization funds something called the "United Nations Clearinghouse" in Rome, Italy. The function of that organization is, among other things, **the exchange of Criminal Justice System information with the Soviet Union**. And it goes without saying that we have nothing to learn from the Criminal Justice System of the Soviet Union. These incredible projects are being funded with our tax dollars.

The code name for these projects are: "Garden Plot" and "Cable Splicer". Garden Plot is the program to control the population. Cable Splicer is the program for an orderly takeover of the state and local governments by the federal government.

An investigation was completed in Nov. 1975 by 4 sources: The conservative publication, *American Challenge*; the leftist *New*

Times; the foundation financed Fund for Investigative Journalism, and; Don Wood of the trustworthy *Ozark Sunbeam*. It involves the potential creation of a Police State through the use of the Pentagon and its computerized intelligence dossier (lodged in the Pentagon basement) of thousands of citizens by the National Guard, state and local police departments, the LEAA, plainclothes military forces, SWAT teams, and the Dept. of Justice.

Brigadier General J.L. Julienit (phonetic spelling), senior Army officer of the Pentagon National Guard Bureau, has admitted, "I know of no state that did not have some form of these exercises within the last year."

Today the Cable Splicer handbook is composed of 6 loose-leaf 3-ring binders that are merely an outline for the impending takeover and destruction of our Constitution. The Sixth Army used the term "Cable Splicer" for the name of the operation, but it has not revealed the name of the operation in the other military areas within the U.S.

On page 4, paragraph 10 on Public Information, the instructions state: "As a means to prevent adverse publicity or misleading psychological effects in regard to coordinating, planning, and conducting this exercise, **all military participants involved will perform such duties in civilian clothing** when exercise oriented activities are conducted at law enforcement facilities. In the event inquiries are received regarding this exercise, the response should be limited to identifying the activity as a continuous, joint law enforcement-military liaison effort and a continuation of coordination established last year." On page 6, security guidance is explained to the effect that if anybody asks any questions, limit the information that is given out on the basis of it being in the interest of "national interest" (security).

Now, in the festivities celebrating the success of completion of the exercises, Attorney General Stanley R. Larsen, the commanding general of the Sixth Army stated, "The most serious challenge facing all of us will be the challenge of **discarding our legitimate responsibilities**. For a significant portion of a society at large is likely to regard us with suspicion and to question, even challenge our authority on the basic assumption of our profession. Part of this challenge we must be prepared to deal with; a potentially dangerous portion of our society which, in truth, could well become the **domestic enemy**."

The manual includes instructions on operations of confinement facilities, handling and processing prisoners—including searching, transporting, feeding, housing and handling of the special class of persons

called "detainees". The plan also specifically includes a proposition for **CONFISCATION OF PRIVATELY-OWNED WEAPONS AND AMMUNITION.**

FILES ON POTENTIAL PRISONERS

The Army has over 350 separate record centers containing substantial information on civilian-political activities. Virtually every major Army unit has its own set aside from this. The Fifth Army of San Antonio has over 100,000 files of its own. The overall operation command post is a domestic room at the Pentagon. There are 25 million cards on individuals and 760,000 on organizations held by the Defense Central Index of investigations alone. And this information includes political, sociological, economic and psychological profiles. All this type of information on 25 million Americans. [H: REMEMBER: TWO DECADES AGO! And, now you know of the Jewish Anti-Defamation League's involvement with listings through your local city's POLICE DEPARTMENTS! YES, INDEED, IT IS SERIOUS! May I share just one little portion of November 8th (1993) SPOTLIGHT front-page article: "Another ADL Mole Unearthed: The web of ADL intrigue in the West Coast and across the country grows ever more tangled as new information is uncovered: Veteran revisionists connected to the Institute for Historical Review (IHR) in California have unearthed another deep-cover agent of the

Anti-Defamation League (ADL).

"The ADL office in San Francisco is facing several civil suits and may be criminally indicted for its spying activities against American citizens. Roy Bullock has been named as an ADL master spy for many years and kept the ADL informed on "enemies" of Israel....." This is ADL B'nai B'rith, my friends.]

Since 1970 local county and state police forces all over the country have undertaken crash programs to install various kinds of computerized information systems. A large portion of this is being paid for by the LEAA. Beginning in 1970, Congress and the Joint Chiefs of Staff ordered the destruction of all these data banks, **but they were not destroyed.** All the outlawed collection is now located at Mt. Weather, Clark County, West Virginia and similar pentagon facilities designed as adjuncts to the president's emergency powers under the Executive Orders.

The cadre of specialized persons to enforce this plan are found in the U.S. Army Reserves-Military Police POW Command at Lebonia, Michigan. Mr. Fenren (phonetic spelling) of the 300th Military Police POW Command at Lebonia told me, when I called him from the Federal Information Center at Houston, that the camps in the Command were for foreign prisoners-of-war and for "enemies of the United States". I asked him if enemies of the United States included U.S. citizens. He became angry, wouldn't deny it, and referred me to a very sinister individual at the Army Reserve

facility here at Houston who I talked to; who explained to me that the prisoners were called "inventory" and "internees". He would not deny that the camps were for U.S. citizens.

I called the Pentagon, spoke with the defendant there, and then with the provost marshal for the Fifth Army, and do you know what? Not one of these persons would deny that the system was for U.S. citizens. The provost marshal for the Fifth Army—when I mentioned the names of all the camp sites—said, "Well, at least you've got that right."

The names of the detention facilities that I gave him were a list that I had acquired from the *Ozark Sunbeam*. That list of names was the same list of facilities designated under the old Detention Act of 1950 as "emergency detention centers". But there is only one problem: **That act was supposed to have been repealed in 1971. After some research, I found out what the problem was. One Congressman—when the hearings were held for the repeal of the Emergency Detention Act—mentioned there are 17 other bits of law that provided for the SAME THING.** So it didn't matter whether they ever repealed the Emergency Detention Act. The public was in fact tricked by the Congress of the United States! [H: And you think NAFTA is a good deal! How do you CAUSE Perot to take this information and act? I don't know, *United We Stand—I don't know!*]

Here are the designated sites: [H: Don't

get your hopes up that these are ALL, you now have designated sites from every closed military base in your nation from as far back as there were active military bases, in addition to acquired sites now all over the nation, Canada and Mexico! You see, you are already considered a New World Order single nation! Tucked away in the Appalachian Mountains of central Pennsylvania is a bustling town of approx. 10,000 people. Fifteen to twenty years ago it was a sleepy village of 400. Allenwood, PA is linked to New York City by Interstate U.S. 80. It takes up approx. 400 acres and **is surrounded by a 10-foot barbed-wire fence.** It now holds approx. 300 minimum security prisoners to keep it in shape. it could hold 12,000 people from one day to the next.

Thirty miles from Oklahoma City on U.S. 66 is El Reno, Oklahoma with an approx. population of 12,000. Due west, 6 miles from town, almost in sight of U.S. 66 is a complex of buildings which could pass for a small school. However, the facility is overshadowed by a guard house which appears to be something like an airport control tower—except that it's manned by a vigilant, uniformed guard. This is a federal prison camp or detention center. **These camps are all located near super-highways or near railroad tracks or both.**

The federal prison camp at Florence, Arizona could hold 3,500 prisoners. It is presently kept in condition by approx. 400 legally convicted prisoners. Wickenburg, Arizona is famous for its municipal airport, which was once government owned. It is now occupied by a private party. It is rumored to be capable of being taken back by the federal government without notice.

Now there are a couple of other of these facilities which are probably existing under the same arrangements. This particular rumor of instant take-back without notice has existed for about 9 or 10 years. The only way it can actually be established is by looking at the local contract for the Wickenburg Municipal Airport itself and the parties that have possession of it.

As I mentioned previously, these names were ratified by the provost marshal of the Fifth Army who is in charge of the 300th Military Police POW Command. He is the one who verified them. He said, as I mentioned before, "Well at least you've got that right."

Some of the other locations are: Tulelake in California—now in private hands. It can be retaken "without notice". Some of the others: We have Mill Point, West Virginia. I couldn't find a thing on Mill Point but in that area we have all kinds of prisons. Among them are: Alderson, W.V., a woman's federal reformatory; Lewisburg, W.V., a federal prison; Greenville, S.C. in Greenville County is now occupied by the State Youth-

ful Offenders Division. Even that is a mystery to the people of that area.

At Montgomery, Alabama we have a federal civilian prison camp at Maxwell Air Force Base. Now does THAT sound right? There's one at Tucson, Arizona, DavisMonthan Air Base. In Alaska we have Elmendorf at Eielson Air Force Base.

And that brings us to a facility in Florida called Avon Park, Florida. I sent a representative to see what was at Avon Park, Fl. He found the Avon Park Bombing and Gunnery Range, which is also listed as the 56th Combat Support Squadron of the U.S. Air Force; which is also listed as the Avon Park Correctional Institute. No one is permitted entrance and probably there is no overfly permitted because it is a bombing and gunnery range. This was one of the places ratified by the provost marshal of the Fifth Army.

In 1976, as well as on March 20, 1979, I went to the Sheriff's Dept. in Houston to see if our local Sheriff's Dept. had been infiltrated by these plans. Well, it appears so. I was put in contact with a Lt. Kiljan (phonetic spelling) who is in charge of some secret unit in the department. I asked him if he had participated in military training or in training with military personnel here in the Sheriff's dept. He denied it, and when I asked him if he would testify so under oath he became angry and stated, "You are just an ordinary citizen. I don't have to tell you anything." I later discovered that Lt. Kiljan is the ex-director of the Houston branch office

of the U.S. Secret Service. Now where does his money come from? The area is administered by the Houston-Galveston Area Council.

In this regional-government plan, each federal region is divided into state clearing houses, and each state clearing house is divided into area clearing houses. And in our area we have the Houston-Galveston Area Council. It serves as a conduit for federal funds in two major areas: LEAA and HEW.

Almost everybody thinks this organization (the Houston-Galveston Area Council) is for the development of the area—the geographical area here in Houston. But it is not. It is for the development of LEAA and HEW projects. Now this finds its counterpart IN EVERY COMMUNITY ACROSS THE U.S. It provides for these agencies a liaison for intergovernmental communications, interaction and coordination.

This Thing Called Prayer

I have always been fascinated by the 3,300-year-old treasures of the Egyptian king Tutankhamen. So in 1978 when the exhibit came to Los Angeles, where I was living, I was determined to see it.

From a list of Ticket-sale locations I chose the closest—an outdoor shopping mall—and arrived before eight o'clock on a cold, rainy morning, only to find a block-long line ahead. Since I'd recently recovered from pneumonia, I decided not to wait but to try some indoor ticket sites. These too were crowded.

Usually I talk to God about my problems. Now that the probability of my not getting a ticket loomed large, I offered a prayer of relinquishment: "Lord, let my ticket be bought by someone who wants to see the treasures as much as I do." It wasn't an easy prayer, but I felt better.

Several weeks later my friend Linda Smith telephoned. She was going to the exhibit that afternoon and needed help with her children. Hoping she couldn't hear the envy in my voice, I said, "Of course I'll stay with them." "No," she replied. "You don't understand. I especially want the kids to see the exhibit. I need you to help me watch them in the crowd."

"But, Linda, I don't have a ticket."

"Ron didn't get the day off," she said. "For your help, you can use his ticket."

"Oh, thank you, Linda," I said before hanging up. And then I whispered my thanks to a God who cares about all our wishes, however small.

WARS And Rumors of WARS!

11/11/93 #1 HATONN

AND YOU "THINK"—NO WAR?

I am interrupting the discussion on Concentration Camps in the U.S. to report on "wars and rumors of wars"! Remember something very important: "The U.S. has geared itself for 'two' underway wars at a time with 'one' MAJOR conflict." So—you are having rumors that deadlines are being set in Somalia for bringing your troops 'home'. Note, however, that they will NOT do so until after your "holy" days. This is to further condition you to separation and family division.

You must now "look around" and see where the other points of **interference** might be established through all the propaganda. You have to leave the Soviet encounters basically alone to keep image development but where else might there be established some serious conflict? Well, there is a need to get something going in the Asian sector to allow for focus change to "protect the world from mad nuclear bombers, etc.", so let us turn to the "fact" mills hidden from you-the-people. We can go right to Canada who is out to get you ANYWAY—because the NAFTA has all but destroyed the nation of Canada.

QUOTING:

US TARGETS CRUISE MISSILES
AT KOREA

Washington and Hong Kong: THE UNITED STATES has prepared plans for a cruise missile strike to wipe out North Korea's secret nuclear bomb-making facility as its confrontation with the world's last Stalinist regime turns into President Bill Clinton's biggest foreign policy challenge.

Washington fears that President Kim Il Sung, who has massed more than 70% of his 1 million-strong armed forces close to the border with South Korea, will himself

order a preemptive missile attack or even an invasion of the South in a re-run of the Korean war he launched four decades ago.

Nearly 2 million soldiers are dug in along the two sides of the 152-mile demilitarized zone separating North and South Korea, 36,000 of them **American troops** [H: **By the way, it has been at least two years now that the LIBERATOR, and now CONTACT, has been banned to all troops in the U.S. military in that zone!!**] who would be in the front line in any war triggered by the North's effort to become a renegade nuclear state.

The crisis threatens to come to a head over American attempts to force Kim to open his nuclear sites to the north of Pyongyang, the capital, to inspection by the international Atomic Energy Agency (AEA).

Pyongyang insists that the sites are for peaceful purposes only; the CIA believes the North is trying to develop a nuclear bomb. [H: **How long will you nice people believe this drivel? The North Koreans HAVE bombs—given to them through the CIA! This, again, is the New World Order in full swing to take over sovereignty of EVERY nation on the globe—any who drag their feet get swacked. The "excuse" will always be something or another to get public opinion swinging in the direction of support for this New World Order beast under guise of human rights, etc. How many North Korean generals, etc., would the U.S. and Russia allow roaming through every nuclear site in the U.S. and Russia? Moreover, how long would you allow them to aim missiles and have arbitrary unilateral bombing raids on your country before you would fight back? At the rate you are brought into and under total control—you would never strike back—only continue to destroy OTHER nations one by one.]**

American concerns [H: **Note the total lumping of ALL "American" nations under the facade of acceptability when the meaning is: United States?**] grew last week after satellites gave intelligence on

the latest North Korean troop movements. They revealed that Kim now has more than 800,000 troops with tanks and artillery massed in the area between Pyongyang and the demilitarized zone (DMZ) that divides the North from the South. [H: **Good grief, wasn't one WRONG and disastrous war with Korea enough? Further, do you see how this fits in with the "world police force" and concentration camps we are now writing about? You disperse your troops around the globe and the real forces (international strangers especially trained to handle U.S. citizens by force) will move in. All dissenters will be confined to incarceration holding camps. You are now watching the fulfillment of the purpose for those camps we are reminding you about.]**

South Korea's defense authorities also reported that the North had been strengthening military airbases and reinforcing its air defense capability around the Yongbyon nuclear plant with SA5 surface-to-air missiles.

On Friday, North Korea called its central party committee into emergency session, and ordered its 1 million soldiers to a higher state of alert. South Korean forces were also reported on the alert.

A senior American official—returning from a trip to the region by Les Aspin, the defense secretary—spoke of the danger of a desperate North Korea, suffering from food shortages and economic stagnation, launching a conventional attack across the DMZ. [H: **See—always making noise and placing the blame on the other side when there is no such thing remotely planned. Mr. Aspin is simply telling YOU what is planned from "your" side. You plan to blast North Korea off the map if you can do so. Of course, short of full scale nuclear attack from you—you can't accomplish that so you simply do the unconscionable thing and destroy them and your own in bits and pieces—the WORLD SATAN COALITION AT WORK!]**

"These guys are starving and may feel

that you can either starve or get killed in a war," said the Pentagon official, adding that the Korean peninsula was "entering a kind of danger zone". Other officials in Washington expressed surprise at his "alarmist" remarks. **[H: So you go to Somalia to FORCE FEED those who didn't want you—why do you not just FEED the hungry and wouldn't that work, in all probability, better than war? NOT FOR YOUR WAR-MONGERS!]**

A sudden strike by the North would be devastating on South Korea's defenses. But so would the retaliation on the North; President Clinton has warned that it "would be the end of their country."

Over the past few days there have been a series of crisis meetings in the Pentagon and the White House to discuss contingency plans for the defense of South Korea, including a limited strike on the North's nuclear facility with cruise missiles.

Jim Woolsey, the director of the CIA, has described it as the most serious crisis facing the administration, but the president has been receiving conflicting advice from the advisers. The State Department and the National Security Council are less alarmed, arguing that North Korea is engaged in a huge bluff aimed at winning American concessions.

The State Department has dangled American diplomatic recognition, trade deals and the cancellation of a joint US-South Korean military exercise in front of the North Koreans without results, however, Bob Galucci, the chief State Department negotiator, found that North Korean officials invariably renege on any compromise once they consult with their political masters. **[H: How many promises and agreements have your POLITICIANS broken—TO YOU? Would YOU trust them?]**

Clinton is now preparing to ask the UN Security Council to impose sanctions, which both South Korea and Japan fear could trigger an attack from the North.

The effectiveness of sanctions on a country as isolated as North Korea is questionable. **[H: Well, what about Haiti? Are you beginning to see the ploy and how insidious the lies are and the total manipulation of your mindset? WHAT ARE YOU DOING, AMERICANS? I use the term "Americans" intentionally—you are considered now, all of you, one nation under the control of the U.S.—actually ALL under control of the Committee of 300 One World Government! Suppose these "North Koreans" and "China" and the Ukraine, Georgia and other holders of nuclear weapons DECIDE TO COUNTER THE WORLD TAKEOVER? OUCH! KEEP YOUR HOLES READY AND SUPPLIES AT HAND—YOU ARE GOING TO NEED THEM AND FROM THE SOUNDS OF THESE THREATS—PRETTY SOON! How many of you got up this morning**

(11/11/93) with Korea on your mind in line of importance? I thought not.] The key to success is China from which North Korea buys most of its oil, grain and coal. It is an ally of Pyongyang but it also has developed increasingly close relations with Seoul and, above all, it does not want the North to have nuclear weapons.

North Korea is the world's most repressive state **[H: That is what they have said about EVERY state you have invaded and attacked.]—Amnesty International lists 150,000 political prisoners [H: Gosh, you can best that number—ask Gunther Russbacher, Ray Renick, Bo Gritz.... and soon, you will have concentration camps filled to overflow with YOU.]—**as well as its most secretive. Despite the general collapse of Communism in the world and the disintegration of the North Korean economy—the gross national product fell by more than 15% between 1990 and 1992—Kim has rejected any political reforms. His regime is as hardline as ever.

Kim, an octogenarian, has handed over day to day control to Kim Jong Il, his son, an unpleasant womanizer and drunk who has a question-mark over his sanity. **[H: Everyone still with us? Unpleasant? Womanizer? Drunk? Question about his sanity? Sounds like the whole of your Congress to me, Supreme court and average Administrative executive and supervisor!]** He was the alleged organizer of North Korea's sinister overseas terrorist operations in the 1980s, which culminated in the bombing of a South Korean airliner in 1987 with the loss of 115 lives. **[H: Oh, NOW we get "there"! Sorry, readers, you can lay that little bombing incident right in the lap of SLO Connection's Judge William Clark, a more recently recognized acting Secretary of State! FOR THE UNITED STATES OF AMERICA!]**

For much of the past 40 years since the end of the Korean War an uneasy stalemate has existed on the divided peninsula, punctuated by occasional border incidents. But the North Korean leader pledged last December to reunify the Korean peninsula by force if necessary by 1995 **[H: In other words—we are going to give you unity and happiness IF IT KILLS YOU!]** Military training was intensified and more ammunition put aside, according to South Korean sources. The number of air sorties increased, and North Korea also moved multiple rocket launchers closer to the border area.

Then in March, the North decided to withdraw from the Nuclear Non-Proliferation Treaty after IAEA inspectors found signs of undeclared nuclear activity at the Yongbyon plant. While American analysts argued over whether the withdrawal was a stratagem to gain time to develop a bomb or a scheme to secure favors from America,

the huge North Korean army went on a war-footing.

A defector from the North told the CIA that the nuclear programme at Yongbyon was more advanced than was originally thought. "He came armed with a really horrifying tale," said one official. "They lack only a few small pieces to complete a device. It's really scary."

The stakes in this poker game are considerable. Clinton not only has a treaty obligation to defend the South against the North, if he backs down—as some American critics suspect he will—he could trigger an east Asia nuclear arms race, as Japan has threatened to develop nuclear weapons if North Korea does.

"If, as now seems likely, the US is perceived as having abdicated its decades-long commitment to defend its friends and allies in the region, it is predictable that Japan, South Korea and probably Taiwan and perhaps other Asian rim countries will go nuclear," said Frank Gaffney, the head of the Center for Security Policy, a Washington think-tank. **[H: Here you HAVE IT! This is one of the MAJOR Tavistock World Order Committee of 300 organizations! Isn't it remarkable to read things when YOU KNOW WHAT IS REALLY HAPPENING, recognize the players and CONNECTIONS? DO YOU SEE HOW KNOWING TRUTH COULD AND WOULD SET YOU FREE?]**

Last week pessimism seemed to reign about the prospects of the United States and North Korea reaching a compromise that would head off a showdown. Analysts saw little likelihood of Washington persuading North Korea through diplomacy in the near future to abandon its nuclear programme or to cooperate with the IAEA by opening Yongbyon to international inspection again.

As the room for dialogue runs out, the possibility of imposing international economic sanctions on North Korea through the UN is increasingly mooted. Asian experts say such a development is fraught with danger.

Sanctions could provoke North Korea into reacting violently, they fear, lashing out in a defiant gesture against its perceived enemies. They could also trigger an economic collapse so that the country simply implodes. Either way the ensuing instability that would sweep the Korean peninsula would be a disaster.

END QUOTING

[H: This entire presentation is a blatant "Intelligence" world plot to plant total expectation and acceptance of an attack against Korea. Do YOU understand this? Do you, further, see that with these announcements (ALL LIES) YOU will DEMAND such an attack? It is

"get serious" time, readers.]

SPEAKING OF GUNTHER- -

NEWS FLASH: And, readers, it is time to put every effort you can muster into attention to this political prisoner. As of yesterday, Gunther was readmitted to hospitalization. He was having severe chest pains with no way to counter them. He is at the Barnes-St. Peters Hospital which is believed to be in St. Peters, Missouri. The physician's name is Dr. Lewen, 6 Jungerman Circle, St. Peters, MO 63376. **BARRAGE THE HOSPITAL AND THE GOVERNOR. IT IS YOUR TIME TO ACT!** (See pages 33 & 34 for addresses to write to.)

Gunther is still "restrained" but this time with only one leg iron so he has less restriction than before. Here is the "kicker" however: The doctor informed Mrs. Russbacher that there **are only three ways that Gunther could possibly have gotten Hepatitis:** 1) BLOOD TRANSFUSION 2) SHARE A NEEDLE (ILLEGAL DRUGS) AND 3) HOMOSEXUAL ACTIVITY. The doctor is going to check Gunther, now, for HIV because he says: **"HIV and Hepatitis almost ALWAYS go hand-in-hand."** **YOU have to get this man out before they manage to KILL him!** None of these things are serious to him IF you can get his release and into a health regime.

Gunther is said to need an angiogram NOW, but they are unable to perform this due to the possible **spread of additional infection as a result of the Hepatitis.** They, in an effort to get a more clearly defined picture, have been efforting to gather medical records. They have contacted St. Joseph Hospital for Gunther's medical records regarding his heart condition from 1989 through 1990 and, MYSTERIOUSLY, **THE RECORDS ARE NOWHERE TO BE FOUND!**

GOVERNOR CARNAHAN: WE'RE MAD AS HELL—WE WON'T TAKE THIS MUCH LONGER!

Readers, you can accomplish this task with just a little bit of effort—PLEASE—do so. We are humbly grateful for this action in this critical time of need. Thank you.

FOR U.S. CITIZENS

CONTINUATION, PART II:

CONTINUE QUOTING:

MENTAL COOPERATION IN
TAKEOVER PLANS

I [researcher, William R. Pabst] examined their projects to see what they were doing. This regional-government program

distributes federal funds for two major purposes: 1) Radio hook-ups between every police agency in the state of Texas for Fort Sam Houston, and; 2) Mental Health programs, including programs for the mentally ill having priority of beds and hospitals.

Another interesting fact to consider is that in the Pine Bluff, Arkansas Arsenal "3-Z" is stored. **It's nerve gas which creates sleepiness, dizziness, stupor, and the incapacity to move about.** According to the Associated Press, the agent can be sprayed by aerosol, injected or sprayed over large areas by a bomb. The Military has admitted that **one potential use of the gas is for CIVILIAN CONTROL.** So whatever they have planned they've also planned a way for you to go to your destination in a tranquil state of mind.

HEW, by law, is operated in conjunction with the United Nations through the World Health Organization (WHO). Back in 1948, the International Congress on Mental Health—a U.N. organization—declared in its pamphlet, *Mental Health and World Citizenship*, that, "prejudice, hostility or excessive nationalism may become deeply imbedded in the developing personality without awareness on part of the individual concerned. In order to be effective, efforts of changing individuals must be appropriate to the successive stages of the unfolding personality. While in a case of a group of society, change will be strongly resisted unless an attitude of acceptance has first been engendered.

"Principles of mental health cannot be successfully furthered in any society unless there is progressive acceptance of the concept of **world citizenship**," the document states. "Programs for social change to be effective require a joint effort of psychiatrists and social scientists, working together in cooperation with statesmen, administrators and others in positions of responsibility." [H: Well, you've got it! **Doesn't this make you sleep well at night knowing all these adept persons are working for your "total comfort" and "mindlessness"?**]

The three phases of the development are: 1) Mental hospitals for segregation, care and protection of persons of unsound minds; 2) Community Mental Health Care Centers, so that persons may be treated in their own neighborhood; 3) Child Care Centers for dealing with early difficulties of nationalism in a child's life.

Two years earlier, Major General G.B. Chisholm, Deputy Minister of Health in Canada—who later became director of United Nations World Health Organization—explained, "Self defense may involve a neurotic reaction when it means defending one's own excessive material wealth from others who are in great need. This attitude leads to war...." So his solution to

the problem is: Let's redistribute the wealth among everyone. [H: **Meaning, of course, "everyone" in the Elite Corp of 300 Committee members. This too, MAY, however, cause a "neurotic reaction" which indeed may need incarceration for protection of the deprived individual.**]

Further, the reinterpretation and eventual eradication of the individual's concept of right and wrong—which has been the basis of child training—are the belated objectives of practically all effective psychotherapies. Now if we digress even further, to Beria (phonetic spelling), the director of the Soviet Secret Police in the 1930s, we see he explained the communist political strategy through the use of "mental healings" of psychiatry:

"PSYCHO-POLITICS is the art science of asserting and of maintaining a dominion over the thoughts and loyalties of individuals, officers, bureaus, and masses, and the effecting of the conquest of enemy nations through **mental "healing"**. "You must work," he stated, "until every teacher of psychology unknowingly or knowingly teaches only communistic doctrine under the guise of psychology." [H: **So—you have accomplished as much.**]

[H: **Editors, you knew it was coming—indeed, we have to begin to rerun as much as we can of the PSYCHO-POLITICS material with follow-on with "brainwashing" information in the U.S. and World. Repeat? YES! You ones are in serious trouble, can't remember what you have been given and some are NEW to the information and NEED IT ALL.**]

Editor's note: We will begin to rerun the Psycho-Politics material as soon as we have located and compiled it.

If you look at the Russian manual of instruction of psycho-political warfare, we see in chapter 9, "Psycho-political operations should at all times be alert to the opportunities to organize for the betterment of the community mental health centers."

Now, under the new national Mental Health program at this moment [H: **Two decades ago.] there are more than 600 of these community mental health centers across the United States.** The whole thing was promoted by Dr. Stanley F. Yoles (phonetic spelling), who was the director of the National Institute of Mental Health [H: **Tavistock Mind-alteration organization of the Committee of 300.**] in 1969. And he stated back then that the newest trend in treating mental illness is care at local health care centers where the patient is not isolated from his (or her) family and friends. They have been working on this program for 46 years publicly [H: now nearly 3/4 of a century], **and now across the U.S.—through your tax dollars—you have 603**

centers, Community Health Centers that are all part of this program. [H: Remember—this was written almost 2 decades ago. Also you will note that families can well be "treated together" in these nice "Centers" and/or in Central Holding Centers—better known as Concentration Camps. In fact, LOTS of people—BUNCHES—can all be "treated" at once.]

And this is how they are part of the program (It has already happened): In the mid-1950s, there were set into motion an interesting chain of events. About 1956 the Alaska Mental Health Bill was proposed and later passed. It granted approximately \$12 million and 1 million acres of public land to Alaska so that it **could develop its own mental health program.** Now this was a little abnormal since Alaska only had **a little over 400 people who were classified as mentally ill!**

After the bill was passed, Alaska passed its own enabling legislation to get into the mental health business. They started by adopting the essential elements of the Public Health Service Draft Act on the hospitalization of the mentally ill in the old "Interstate Compact on Mental Health—now called the Uniform Mental Health Act. There were **no provisions for a jury trial** in it or anything else. You would just be picked up and taken to the Alaskan-Siberian Asylum—**incommunicado** [H: Sort of like Eleanor and son, Rod, perfected on poor John. Have him admitted, demand and legally require "no visitors", abandon him totally and "it's" finished—"they" get the property, you get the "shaft" and hopefully, for them, you shut up and die alone without having to spend very much on your living expenses.]—and the state would also confiscate all of your personal and real property! And they actually tried to do it in 1954 in the case of Ford vs. Milinak (phonetic spellings), which declared the act as adopted in another state (Missouri) [H: OUCH!, CAPT. RUSSBACHER!] as unconstitutional. [H: SO WHAT?!? "Constitutional" has nothing to do with your treatment through force, any longer.]

The act itself still exists—and modified—but essentially in the same form, the Uniform Mental Health Act, to which approximately 6 states subscribe. [H: Now almost all.] In passing most State Constitutions—if you will check them from the period of 1935—made a part of their constitution the practice of having a person submit to a 90-day mental examination to determine his (or her) sanity, **without any provisions for a trial by jury.** This was part of the national program at that time.

In this act, the governor could have ANYONE picked up and sent to the Mental Health Institution in Alaska or elsewhere. The results as rumors back in the '50s, were that there was in fact a sinister,

Frankenstein-type mental health prison in Alaska. I wrote to Alaska (the officials, that is) and asked them for a description of the land of 1 million acres that they were eligible to receive, under the Alaska Mental Health Act, and where they are. And I also asked them for a copy of the inventory they ran for their facilities back at that same time. Well, so far no answer. Probably I will never receive an answer without a court order [not likely].

But through the years, there was a spot in Alaska that was continually referred to: Southeast of Fairbanks; southwest of Fairbanks; northwest of Fairbanks—somewhere near Fairbanks. Then I received information that a pilot had flown over the area once and had had his license revoked. And so, for \$1.85 each, I ordered the low-level navigation maps from the federal government for Alaska and located the Alaska-Siberian Asylum for the treatment of enemies of the United States. It's right where rumor over the past 20 years had placed it: southeast of Fairbanks. It stands out like a sore thumb! It's the only one of that geometric configuration within the state of Alaska, and you will note a black line running up through Fairbanks, and down over near that area of the map. That is the railroad that the Department of Transportation would take the emergency operation of, under the Executive Order—if the Executive Order went into effect. And HEW would be responsible for making a determination of whether or not you were mentally disturbed because of your nationalistic tendencies, your love for the United States, or your adherence to any political or religious doctrine.

But let's look a little further into the type of program that the LEAA is paying for through the Dept. of Justice. The Federal Bureau of Prisons—located in the backwoods of North Carolina, near a tiny village called Butner—is constructing a mammoth 42 acre research complex for prisoners from throughout the East. Who will be sent for experiments to test new behavioral programs and techniques? **Target date for COMPLETION OF THE ENTIRE SYSTEM IS, IRONICALLY, 1984.** [Ref: Orwell "1984"]

And so, they're using right now, under the LEAA program, something called anectine (phonetic spelling). Punishment for troublesome behavior within the prison is being done by **drugs and shock**, likely to be the most selected examples of programs that have made use of anectine—a derivative of South American curare.. Anectine was originally used as a beginning factor to electro-convulsive shock. **Such shocks applied to the head are so strong they can break the great bones under the strain of resulting muscle contractions.** Since anectine paralyzed the muscles without dampening consciousness or the abil-

ity to feel pain, by first injecting the inmates with it, researchers can turn up the voltage as high as they want without cracking the inmates' skeleton when his body is thrown into convulsions by the jolt. [H: Goodness, all "this" SHOULD correct almost any incorrect thought processes and heal a "disturbed" patient almost instantly.]

What the anectine does, in short, is to simulate death within 30 to 40 seconds of injection. It brings on paralysis first, with the small rapidly moving muscles in the nose, fingers and eyes, and then in the diaphragm and the cardiovascular system. As a result, the patient cannot move or breathe and yet remains fully conscious, as though drowning and dying. This is taken from the 1974 publication, *HUMAN BEHAVIOR*.

CONTINUATION: *CONCENTRATION CAMP PLANS FOR U.S. CITIZENS.*

THE PEOPLE vs. THE CONSPIRATORS

The federal government answered my (researcher, William Pabst) suit in June (1976) by filing an unsworn general denial of everything that I had alleged. I spoke with the assistant U.S. Attorney in charge of the case and asked him if he had gone to the trouble to call any of the parties mentioned in the suits—since I had provided not only the addresses, but their telephone numbers to provide a faster means of investigation. He said he had not. He had not even done a **minimal amount** of investigation of the case, yet he filed a denial of my allegations.

I filed a motion in the meanwhile to take the deposition of the person who writes the training programs for the concentration camp guards, Mr. Richard Burraga—the 75th Maneuver Air Command at Army Reserve Center at Houston, Texas—stating that in light of all the recent activity of government agents, one of the agencies involved might attempt to murder this key witness, the author of the training camp program. The federal judge denied my motion, stating that I had not quoted enough cases to him justifying my request. However, he was also aware that there were no cases existing on this set of facts, but as you will see as I go along with this report, he chose to ignore it.

I then made an agreement with the assistant U.S. Attorney to take the deposition to Mr. Burraga. After I'd made the arrangements, the U.S. Attorney refused to voluntarily go along with taking the deposition. **It is very difficult to find justice in our system of courts.** Law is

usually practiced by the "buddy system", hence the court rules are overlooked or not followed.

On July 20, 1976 a hearing was held at the magistrate of Norman Black, U.S. District Court in Houston. The courtroom was completely filled with spectators. And although the news media had been contacted, no representatives of the press were there. There is a news media blackout on this matter.

Brief oral arguments were presented. The U.S. Attorney explained that I was not the proper person to bring the suit because, although the free exercise of my constitutional rights were threatened by the concentration camp program alleged, it did not constitute any injury. The magistrate was impressed with the information I had thus far collected and stated that he would bring it to the attention of the federal judge. The U.S. Attorney tried to have my investigation of the case halted, but the magistrate would not go along that far with a pre-arranged decision.

As an additional indication of what I was up against, the original hearing was scheduled for 10:30 in the morning. However, the U.S. Attorney had **secretly** had the time changed to 2:30 in the afternoon. The magistrate gave the U.S. Attorney permission to file for motion to dismiss because he felt that the concentration camp program—to be used for persons who exercise their freedom of speech—did not present any injury.

Now, on July 23 I had placed in the *Houston Post* and in the *Houston Chronicle* newspapers the following advertisement in the legal section. Quote: "Solicitation for witnesses in Civil Action 78-H-667, Federal District Court of Houston, People extemporal William Pabst vs. Gerald Ford et al. The action titled: Complaint Against the Concentration Camp Program of the Dept. of Defense. Attention: If you have participated in Operation Garden Plot, Operation Cable Splicer, the 300th Military Police Prisoner of War Command, or the Army Reserve Civil Affairs group, you may be involved in a program that needs to be disclosed for this suit. To give your testimony call or write: (and here I place my name, address and telephone number).

As I previously mentioned, there is a news media blackout on the story. Both newspapers refused to carry the ad. First, at the *Houston Post*, I had to threaten them with a law-suit to carry out the ad, even though I was paying for it. And then at the *Chronicle* I had to meet with the president and various vice presidents because a refusal from that paper had come up from their own lawyers. Both newspapers finally carried it, but only after two days of complaining. The initial response of both papers was: "We don't carry stories like that" and: "Don't you think that the people

planning the concentration camps have our best interests in mind?" As you will hear for yourselves, the policies definitely do NOT reflect our best interests.

The next event that occurred was that the U.S. Attorney filed a "Statements of Authority", showing the reasons that he could find why I should not be allowed to take depositions to get more information from the person who was writing the concentration camp guard training program. However, his brief was completely filled with misquotes of the law from many cases. He'd mention the case and then invent whatever the case should say. In my brief to the court at this point, I notified the judge of the violation of the law requiring honesty in such matters. But the notification was ignored by the judge, who apparently sanctioned this most dishonest of acts commonly known as "quoting out of context".

THE GENEVA CONVENTION

My brief was filed on August 27, 1976. On August 31, formal arguments were set. The new courtroom of the magistrate was almost filled again. However, no one from the news media showed up for this hearing either. **The few who were contacted had been told not to go; they would lose their jobs.**

At the hearing I introduced evidence that heretofore had never been introduced in any court of law in the U.S. The U.S. Attorney had denied, you will remember, everything in my suit without so much as even a tiny investigation. So I introduced him to evidence the following letter from the Dept. of the Army, Office of the Deputy Chief of Staff of Personnel, signed by: 1B Sergeant, Colonel G.S., Acting Director of Human Resources Development.

Quoting: "On behalf of President Ford, I am replying to your letter 27 May, 1976, regarding a news article in the *Dallas Morning News*. As much as he would like to, the president cannot reply personally to every communication he receives. Therefore, he has asked the departments and agencies of the federal government in those instances where they have special knowledge or special authority underlogged.

"For this reason your communication was forwarded to officials of the Dept. of Defense. Within the Dept. of Defense, the Army is responsible for custody and treatment of enemy prisoners of war and civilian internees as defined under terms of the Geneva Convention of 1949. Therefore, the Army is prepared to detain prisoners of war and detainees as defined in Article IV of the 1949 Geneva Convention relative to the treatment of prisoners of war and protection of civilian persons.

"It is U.S. policy that its Armed Forces adhere to the provisions of international

law to set the example for other countries of the world to follow and respecting the rights and dignity of those who become victim of international conflict. It should be noted that the Army program is designed for implementation during conditions of war between the U.S. and one or more foreign countries. The Army had no plans nor does it maintain detention camps to imprison American citizens during domestic crises."

The problem with this letter is that **it's not true**, and that's what I'm going to discuss at this point. First of all, in verifying the authenticity of the claims in the letter, I checked the Geneva text. There is no article in the Geneva Convention entitled as the letter states. There is, however, on each of the classifications: "Protection of War Victims/Civilian Persons" and a separate article on "Prisoners of War". That was the FIRST discrepancy.

The next problem with the letter from President Ford's representative is that it states that the prisoner of war guard program is set up for the implementation for "conditions of war between the U.S. and one or more (foreign) countries." However, Article III of the Geneva Convention reads that the treaty applies to (and I am quoting): "In case of an armed conflict, not of an international character, occurring within the territory of one of the high contracting parties." Obviously an armed conflict occurring with one's own territory did not mean between one or more of the parties to the treaty, especially if only one is involved. Now, the examples of this type of conflict in the U.S. involving **only the U.S. this convention or treaty can go into operation—which includes the procedures for setting up the concentration camps.**

Article LXVIII of the Convention states (and I paraphrase): If you commit an offense that is solely intended to harm the occupying power, not harming the life or limb of members of the occupying power, but merely talking against such a force—such as the Martial Law situation—you can be **imprisoned** provided that the duration of such imprisonment is proportionate to the offense committed. Well, **President Dwight Eisenhower didn't feel that provision was strong enough.** So he had the following additions placed in the treaty, which states: "**The U.S. reserves the right to impose the death penalty in accordance with the provisions of Article LXVIII without regard to whether the offenses referred to therein are punishable by death under the law of the occupied territory at the time the occupation begins.**"

So not only can you be imprisoned for having exercised freedom of speech, **YOU CAN BE PUT TO DEATH UNDER THE PROVISIONS OF THE GENEVA CONVENTION IN 1949 FOR HAVING EXERCISED**

OR ATTEMPTING TO EXERCISE FREEDOM OF SPEECH.

The next item that I introduced into evidence was a field manual; FM 41-10, "Civil Affairs Operation". You will remember at the outset that I mentioned Civil Affairs groups. Let me quote to you from that manual what one of the functions of the Civil Affairs activities includes: "Item 4. Assumption of full or partial executive, legislative and judicial authority over a country or area." So let's see what a "country or area" is defined as in the same manual. It includes: "small towns and rural areas, municipalities of various population sizes, districts, counties, provinces or states, regions of national government."

Nowhere in the manual does it exclude this program from being put into effect right here in the United States. As a matter of fact, in Kearny, New Jersey, the Civil Affairs group went into that area and practiced taking over that governmental unit. And yet the Army—in its letter of June 16—states that these programs are not for us. Yet they are practiced here in the United States under conditions that can only occur **here at home.**

The study outline of field manual, FM 41-10 on page j-24 under "Penal Institutions 1-B", you see there is a program on concentration camps and labor camps—number, location and capacity. **It is important to note that a concentration camp and a labor camp ARE ALWAYS LOCATED NEAR EACH OTHER FOR OBVIOUS REASONS.**

Again on page d-4 of the same manual you'll find a sample receipt for seized property; a sample receipt written in English and containing terminology applicable to only U.S. territory.

On page 8-2 of the same manual, under the heading "Tables of Organization and Equipment", we find that there are 3 other organizations that would be working along with the Civil Affairs operation: the Chemical Service Organization, the Composite Service Organization, and the Psychological Operations Organization, along with the various Civil Affairs organizations.

In July of that year (1976), the following Civil Affairs groups met with the following airborne groups at a staging area in Fort Chaffee, Arkansas. A staging area is where military units meet before they go into action. They met with the 82nd Airborne and part of the 101st Airborne; the 321st Civil Affairs group of San Antonio, Texas headquarters; the 362nd Civil Affairs brigade from Dallas, Texas; the 431st Civil Affairs company from Little Rock, Arkansas headquarters; the 306th Civil Affairs group, U.S. Army Reserves, Fayetteville, Arkansas commanded by Lt. Colonel N. McQuire (phonetic spelling) and William Highland. The 486th Civil Affairs company from Tulsa, Oklahoma; the 418th Civil

Affairs company from Kansas City, Mo.; the 307th Civil Affairs group from St. Louis, Mo.; the 490th Civil Affairs group from Abilene, Tex.; the 413th company from Hanlin, La.; the 12th S.S. group, 2nd Battalion (headquarters unknown).

They're ready to go into action. The problem is that it appears they were ready to take over the entire government of the United States as their mission sets out. One man who attended this staging area talked to a Civil Affairs sergeant and asked him what his job was. The sergeant explained that the civilians of this country will really be surprised some day when the Civil Affairs groups begin to operate the government.

Now, the Dept. of the Army still maintains that all this is not for the United States—yet this training continues here for us. The evidence is overwhelming; **the plan exists for the imprisonment of millions of U.S. citizens.** And even though all this information was presented to the federal magistrate, he still felt that no one was injured by such a plot.

On the 2nd day of Sept. 1976, the magistrate recommended to the federal judge that the case be dismissed. And the sole basis for this reasoning to dismiss was that we have to actually be physically injured before we can maintain a lawsuit of this type. He did not feel that, although all this active planning, preparation and training was going on, that any U.S. citizen had been injured—even though the citizen may fear exercising his (or her) freedom for fear of being detained and imprisoned in a concentration camp at a later date.

IGNORING THE CONSTITUTION

The case of Tatum B. Laird, heard before the Supreme Court in 1974, is a case in point. It involved the Army intelligence collecting apparatus, which was developing a list of names of persons who the Army felt were troublesome. The Supreme Court held that the making of lists of this type did not of and by itself present any injuries. The minority opinion in that case was that the injury in the case with a program such as this made people afraid to use their freedom of speech for fear of being sent to jail for it. But the majority did not buy that argument.

The difference between that case and this case—although we also have the computer program—is that we have something **much further** past that point: the concentration camp guard program and the Civil Affairs program for the taking over of all functions of our government. In light of that the federal judge said that this is not an injury. As a matter of fact, the U.S. Attorney alleged that even if people were placed in concentration camps, **if they were all treated the same they would**

still not have the right to go to federal court.

On the 20th day of September, I filed a memorandum to notify the magistrate and the federal judge that I had discovered that the federal government had a program for a number of years TO SUSPEND OUR CONSTITUTIONAL RIGHT OF THE WRIT OF HABEAS CORPUS. This information substantiated the complaint. Habeas corpus is the name of that legal instrument utilized to bring someone before a judge when that person is being illegally imprisoned or detained so that he (or she) may obtain his (or her) freedom. **THE CONSTITUTION STATES THAT THE WRIT OF HABEAS CORPUS SHALL NEVER BE SUSPENDED.**

I found the disturbing information in a report; 94-755, 94th Congress, 2nd Session, April 26th, 1976, entitled "Intelligence Activities and the Rights of Americans, Book II". On page 17-d, entitled "First Amendment Rights", the report states that more importantly "The government surveillance activities in the aggregate, whether expressly intended to do so, do deter the exercise of First Amendment rights by American citizens who become aware of the government's domestic intelligence program."

Beginning on page 54 it is stated that, beginning in 1946—four years before the Emergency Detention Act of 1950 was passed—the FBI advised the Attorney General that it had secretly compiled a secret index of potentially dangerous persons. The Justice Dept. then made tentative plans for emergency detention based on suspension of the privilege of the writ of habeas corpus. Department officials deliberately avoided going to Congress. When the Emergency Detention Act of 1950 was passed, it did not authorize the suspension of the writ of habeas corpus. **But shortly AFTER PASSAGE of that act, according to a bureau document, Attorney General J.R. McGrath told the FBI to disregard it and to proceed with the program as previously outlined.**

A few sentences later on page 55 it states, "With the security index, use **broader standards to determine potential dangerousness than those described in the statute.**" And unlike the act, Dept. plans provided for issuing a **master search warrant** and a **master arrest warrant**. This is the center importance; it is the same thing that I am alleging in federal court. And yet the magistrate chose to ignore those facts ALSO.

We have government officials not only ignoring the will of Congress, but doing the opposite of what the Constitution provides by planning **illegally** for the suspension of the writ of habeas corpus. In addition, as mentioned before, **the master search warrant and the master arrest warrant are**

forms fed into the computer, which print the names and addressed on them from the TAPES PREVIOUSLY PREPARED BY THE INTELLIGENCE-GATHERING PROGRAM.

As you are arrested, your home will be searched and anything found there may be confiscated. This program has existed since 1946 up to and including 1973, and without proper access to judicial discovery techniques, it can't be determined whether the same plan now exists under the same name or under another name **RIGHT NOW.**

This memorandum was filed on Sept. 28, 1976 to make this court aware of the danger that our rights of freedom of speech and lawful assembly are in. But the court, on Sept. 30—after this notification was received—dismissed the case. However, in keeping with the practice of federal courts in Houston of actively participating in the obstruction of justice, I was not notified of the dismissal until the 6th day of October—which gave me just 2 working days to submit any further motion in a 10-day period before time starts running for the appeal.

What I have just said regarding the federal courts in Houston is not only my opinion; the *Houston Chronicle*, surprisingly, published an extensive document severely criticizing the federal courts in Houston for making up their own rules as they go along with the proceedings, as well as commenting on the Communist-like Supreme Court attitude of the judges and the court personnel. My experience here has been that the court has returned to me almost every document that I have filed. Then, after a big argument, they accept the document, stating that they just made a mistake. In reality, the power structure doesn't want these types of cases in ANY federal court.

SUMMARY OF EVIDENCE

On the 8th of Oct. I had submitted a request for finding the facts in the filing which had been established by the evidence presented:

1. The 300th Military Police POW Command is located at Livonia, Mich.
2. The Dept. of the Army has stated that said Command exists per se the Geneva Convention of 1949, a treaty of the U.S., Article IV thereof under the title relative to the treatment of prisoners of war and protection of civilian persons.
3. However, no such title exists in the Geneva Conventions per se.
4. Nevertheless, there are separate titles, one of which is: a. Multilateral Protection of War Victims/Prisoners of War; b. Multilateral Protection of War Victims/Civilian Persons.
5. Nevertheless, Article IV of both titles

does not provide for the creation of any military programs for concentration camps.

6. Whether Mr. Fenren of the 300th Military Police POW Command has stated that the purpose of the Command is for the detention of foreign prisoners of war and enemies of the United States.
7. Further, Article III, concerning civilian persons, makes the treaty applicable to conflicts occurring solely within the territory of the United States that are not of an international character, which is capable of including any type of conflict in its description whether it be civil war or guerrilla activity or anything else. The text states: "In case of armed conflict not of an international character occurring in the territory of one of the high contracting parties, each party to a conflict shall be bound to apply to the minimum of the following provisions."
8. Dept of the Army field manual FM 41-10, Civil Affairs Operations of Civil Affairs Organization, lists as one of its functions the assumption of full or partial executive, legislative and judicial authority over a country or an area and there is no specific exclusion of the United States as such a country or area.
9. Said manual defines country along certain geographical population basis, county, state regions and national government.
10. Said organization has in fact conducted practiced takeovers of local and state governments in the continental United States, including but not limited to the state of New Jersey.
11. Said organization includes in its study outline on page j-24 a section on concentration camps and labor camps.
12. Said organization includes in it composite service operations and psychological operations organizations.
13. Said psychological operation is working with the U.S. Public Health Service, are prepared to operate any and/or all mental health facilities in the United States as tools of repression against outspoken but nonviolent political conduct of the United States citizens in conjunction with all the above, which is to be used for the same purpose.
14. Further, the Dept. of Justice, in conjunction with this program, has had plans for the suspension of writ of habeas corpus since the year of 1946; has planned depriving persons being detained under this total program

any means for protection against tyrannical political repression. The plaintiff requested that the court make findings of fact and draw conclusions of law, consistent therewith as shown by the evidence on record before the court. The effect of this request is that the case must go back to the district judge for further consideration. I mentioned that it appeared that all this planning for concentration camps was to be directed against anyone regardless of his political persuasion or his ideology who exercised freedom of speech against the established power structure of international bankers and multinational corporations. **But with Proposition B-type movements threatening to reduce taxes throughout our nation, I foresee an activation of emergency programs so that the parasites on the federal take will continue to receive their checks.**

CONTINUATION: *CONCENTRATION CAMP PLANS FOR U.S. CITIZENS.*

CONTINUE QUOTING:

PRICE OF PATRIOTISM

In the same Senate document, on intelligence activities on the rights of Americans referred to on pages 166 and 167, you will find that the federal government has targeted its intelligence activities against one group of Americans. On page 166 the first classification listed it rightists and anti-communist groups. And the first group on page 167 on Army surveillance lists the John Birch Society as number 1 and the Young Americans for Freedom as the number 2 target. Therefore, the groups of U.S. American citizens considered to be the highest enemy of the United States by the federal government at this time is the **CONSERVATIVE PATRIOT.**

Although this information has been available since April of this year (1979), no one has mentioned this incredible discovery that the federal government considers the patriotic conservative as its greatest enemy. I have received all kinds of information regarding this case from all across the United States.

PRICE OF APATHY

I obtained the 1945 report of the OSS (Office of Strategic Services)—the precursor of the CIA—7th Army, William W. Quinn,

Colonel GFCAC of the G2, on the liberation of Dachau, a concentration camp during the liberation in Germany. It contains many groups of information, but the relevant portion of the report concerns itself with the section on the townspeople. Quoting from this report, on why the people of this little town didn't complain or didn't overthrow oppressors but just continued to go along and get along even though they lost their freedom in the process. And I quote:

"These words crop up and up again. They are the rationalization of a man who admits that he was a member of the Nazi party. 'I was forced to do so by business reasons,' they state. We were lied to in every respect but they admit they knew the camp existed. But they saw the work detail to the inmates passing through the streets under guard, and in some instances the S.S. behaved brutally even towards the townspeople.

"When asked if they realized that within the last 3 months before the liberation 13,000 men lost their lives within stone's throw of where the people lived, they claimed they were shocked and surprised.

"When asked if they never saw transports of dead and dying pass through the streets along the railway, they referred only to the last one. They insist that most of the trains came in at night and that they were sealed cars.

"Did they never ask what was in the endless procession of cars that came in full and always went out empty? A typical reply was, 'We were told it was all army material and booty from France.'

"It is established that anyone who stated that he saw only one train come in in the daytime was telling a flat lie. There are quite a few such people in Dachau."

The analysis of the anti-Nazi element of the town: 1) The people knew what was going on in the camp, even ten years prior to liberation; 2) the town did a thriving business from the concentration camp guard; 3) Ninety percent are guilty and have dabbed themselves with the blood of innocent human beings; 4) The people are to blame for their cowardice—they were all too cowardly. They didn't want to risk anything. And that was the way it was in all of Germany.

The conclusion of this report written on Dachau in 1945 on the liberation of the concentration camp applies today. The conclusion is as follows: If one is to attempt tremendous tasks and accept the terrible responsibility of judging a whole town, assessing it in mass as to

collect a guilt or innocence of all its inhabitants for their complicity in committing this most heinous of crimes, one would do well to remember the fearsome shadow that hands over **everything in THIS state in which crime has been incorporated and called THE GOVERNMENT.**

So you can see how the whole program is related here. My lawsuit was against one single aspect of the total program: The enforcement arm of the conspiracy. The people who make up the cadre that is going to occupy the concentration camps where enemies of the United States will be placed. Remember Solzhenitsyn's words in the 'Gulag Archipelago': "Resistance should have begun right there but it did not begin. You aren't gagged, you really can—you really ought to cry out that arrests are being made on the strength of false accusations. If many such outcries had been heard all over the city arrests would have no longer have been so easy."

They, the tyrants, can't work in the public eye. Those people who were so apathetic, hoping that nothing was really wrong, that nothing would happen to their persons and property, sat back and watched. The anarchists, financed by multinational interests, looted and pillaged their country.

If you think that all (that) is necessary is to pay your house notes, to pay your TV notes, to go vote when there is an election, and to stand back during the rest of the year and watch as your country and way of life are replaced by a system in which you will be a slave in a concentration camp, you—not the conspirators—are guilty because you, by silent acquiescence, invite tyranny and oppression.

And when you have to steal food to eat because our production is for foreign use because the Dept. of Commerce—through Executive Order 11490 and its predecessors—is responsible for international distribution of our commodities, don't sit in the culvert hiding and eating and wondering what happened because you made it all possible.

When your family is split up and spread across the United States to do slave labor and you never see your loved ones again, it will be your fault because you did nothing to prevent it. And once we lose our freedom we are never going to regain it. That is why we must **stand together** to prevent the loss of our freedom as citizens of the United States.

Thank you very much.

11/11/93 #3 HATONN

OK, readers, the first of the wondrous letters are pouring in—PLEASE, continue.

I want to thank my most special friend, Suzy W. for offering us a copy of a letter to **the SHERIFF of St. Charles County Jail.** We offer it here so that you have guidelines if you would approach this person. Suzy has researched this situation and you will be in good hands with the information.

November 5, 1993

Sheriff Raymond Runyon
St. Charles County Jail
301 N. Second Street
St. Charles, MO 63301

Dear Sheriff Runyon:

Naval Captain Gunther Russbacher (Office of Naval Intelligence), ex-POW, has been held on an outrageously high cash-only bail in St. Charles County Jail since being moved there about two weeks after Judge Michael Brown, on August 30, 1993, ordered his sentence vacated and the St. Charles County prosecutor's office did not file an appeal.

Although I find this almost impossible to believe, I have been told it is fact: In Missouri, the county government is autonomous, and county sheriffs are accountable to NO ONE, not the state attorney general, not even the governor, for all activities within the jail. There is no state review board to monitor the administration's treatment of prisoners, what happens among the jail population, or investigate any of their complaints, regardless how serious they may be. And you, as Sheriff of St. Charles County, by Missouri state law, are King of the Jail there, so to speak. Of course, this autonomy also applies to the county prosecutor and the presiding commissioner, collectively making a triune-led totalitarian system more usually associated with the oppressive, tyrannical regimes our national government has been battling for 80 years.

And this is what Gunther Russbacher is now up against. Surely you are aware that Captain Russbacher's real identity has been obscured and lied about, and ALL charges ever lodged against him by the State of Missouri have been totally fabricated to cover the CIA's funding of covert activities not authorized by Congress. But, are you aware that there is PROOF of his real identity and PROOF that the current alleged charges on which he is being held on a cash-only \$450,000 bail—"bad checks" totalling about \$8,000—are FALSE charges, Sheriff Runyon, and the proof will be shown

in court. If you examine all of the legal proceedings in this case, you will clearly see there are no grounds on which to base his conviction and incarceration; you will see that you have been put in the position of holding Captain Russbacher **ILLEGALLY**.

I know the flagrant miscarriage of justice in his case was not initiated by you and I realize that you are not one of the perpetrators of the vicious web of lies and deceit that has kept him a prisoner of the Missouri State government for over four years. However, what the absolute authoritarian structure of county government does is put you squarely as the **ONLY** person to be held accountable for Captain Russbacher's life, because you are the only one who can insure that he is given optimum medical care immediately and for as long as he is incarcerated in your jail.

The current situation demands not only your urgent attention, but **ACTION**. Just a few days ago Captain Russbacher was given a confirmed diagnosis of infectious hepatitis B and sentenced to 60 more days in an isolation cell, where he already had been held for almost two weeks. This is a most suspicious development at this time, don't you think so? Since I speak with Captain Russbacher almost daily, I hear that he does not have the jaundiced complexion and eyes of a hepatitis victim, nor does he have the liver distension and pain associated with the disease. It's especially curious that just a few months ago, during his imprisonment at MECC and in response to the protests that he was assigned kitchen duty despite his medical conditions, that institution's medical personnel stated that he did **NOT** have a history of hepatitis (which he **does**—history, not active illness).

The manipulative aspect of this current convenient diagnosis and 60-day isolation is that it would prevent his appearing in court next month to **PROVE** his identity and his innocence of the false charges. In a concern just as critical to his very life, 60 days without the essential treatment—one doctor prescribed quadruple bypass surgery, another, angioplasty—for his critical heart problems could prove to be fatal.

If Captain Russbacher does have infectious hepatitis B, which is indeed a serious illness, the standard jail fare and environment are **NOT** proper diet or rest therapy for this disease. Nor are they anything other than crucially detrimental to his serious heart problems. And having him admitted to the jail's choice of hospital, where recently he was taken and manacled to the bed like a maniacal killer, is **NOT** an acceptable solution; it is perpetuation of the unconscionable treatment of a man who has been unjustly and illegally kept behind bars for four years in your state.

Gunther Russbacher's continued confinement in your jail is nothing short of a death sentence—with you, as Absolute Au-

thority for his care, his executioner. Those whose lies and corrupt, illegal actions led to Captain Russbacher's incarceration in your facility are strategically removed from the scene; and you, as the person ultimately responsible for his proper medical care and treatment—**indeed, his very life while a prisoner**—are right there on the firing line. And I can assure you: Not only to the Austrian government, but to thousands of individuals and groups committed to protecting and preserving Gunther Russbacher's life and obtaining his freedom, his death in St. Charles County Jail would make him a universal martyr. And what will that make you, Sheriff Runyon? This is not a matter to be taken lightly, is it?

Yours truly,

Suzanne Ward

May I please not only thank Suzy but, please, will Brent or Rick get addresses, etc., on these copied parties so that others can utilize the same list if desirable.

Citizens, it is up to you how you go from this day forward. It is not EASY but no longer can you allow the serpent to wag the course of freedom—freedom will lose. It takes "little" in actuality to make a mammoth difference—here you have opportunity, along with some other instances, to not only make "a difference" but set new standards for soon it will be realized that to act so unlawfully will place the spotlight upon self and the actions will be revealed. You as a nation of individual citizens can make that difference—one by one until the flow is so great that the adversary criminal cannot longer function. For instance, some day if you can buy enough time, you can DEMAND no computerized election booths—no allowance given for "fixed" counters and you can bring back your nation. It is all but too late—IF YOU DO NOT ACT NOW AND HERE IS A PLACE TO BEGIN.

Before we close I want to also share Suzy's letter to Governor Mel Carnahan because it is difficult to know what to write—here is a good example.

TO: GOVERNOR MEL CARNAHAN
FAX: (314) 751-4458

FROM: SUZANNE WARD
FAX: (206) 834-6210

Governor Carnahan, I cannot understand how anyone with a conscience—a soul—can continue to ignore the unjust and illegal incarceration of Naval Captain Gunther Russbacher (ONI), currently held on the outrageous cash-only bail of \$450,000 on alleged charges of writing "bad checks" whose total is only around \$8,000. **Furthermore, the PROOF that these are manufactured charges is available in the cancelled checks IN QUESTION and the statements of the bank managers whose records confirm there have NEVER been complainants regarding these or ANY OTHER CHECKS AGAINST CAPTAIN RUSSBACHER.**

How can you KNOW of this unconscionable situation—which you DO—and not act to free this man—which you have NOT.

After having been in isolation for almost two weeks, he has just been diagnosed as definitely having infectious hepatitis B and sentenced to 60 more days in a solitary cell. This is most suspicious, as it would preclude his appearing in court in December, when all the evidence proving his identity and his innocence of the current blatantly false charges would be shown. It also will prevent his having the prescribed treatment—one physician said quadruple bypass surgery, another said angioplasty—for his critical heart problems.

WHAT is keeping you from discharging

your official responsibility to govern honorably, justly, and morally—and FREEING Gunther Russbacher—while he is still alive? If you have no fear of ever being held accountable for permitting such a blatant injustice as his incarceration to continue, then you are limiting retribution to humankind. Governor Carnahan, that would be a mistake of the gravest consequence, as God cannot be fooled or ignored.

Signature.

November 4, 1993

TO: U.S. Attorney General
Janet Reno
FAX: (202) 514-4371

FROM: SUZANNE WARD

You have been notified about the blatant corruption of Missouri State and local officials, and it is my understanding that a grand jury investigation is underway.

Something that must be included in such an investigation is the complete autonomy of Missouri counties in their handling of law enforcement, legal and judicial matters. Even in the face of pervasive corruption and criminal activities at county level, there are no higher authorities who can hold the offending county officials accountable for their actions. I am faxing you a letter from Rayelan Russbacher (Rayelan is the wife of Naval Captain (ONI) Gunther Russbacher, incarcerated in St. Charles County jail; details are in her letter) to Missouri Attorney General Jay Nixon and the response from John Morris. Also, Mrs. Russbacher has been told by Missouri Governor Mel Carnahan's private secretary that even the governor has no authority over county officials.

There is no state medical examining board which can monitor the treatment of prisoners in Missouri's county jails or investigate their complaints, regardless of how serious; there is no agency or office in the State that has jurisdiction to hold the pertinent county sheriff accountable.

What kind of tyranny is this, where valid complaints on legal and medical bases can be stonewalled because there is no higher authority to whom an appeal can be filed? Why can a Missouri county operate as a totalitarian regime; why are there no safeguard systems such as we have on a national basis, crucial to a just and sound government?

Surely YOUR office IS a higher authority than the offices of the St. Charles County prosecuting attorney, the presiding commissioner and the sheriff, as well as the Attorney General of Missouri.

[H: Suggestion: Remind Ms. Reno that she HAD THE AUTHORITY TO HAVE

FINAL ACTION in both the Idaho/Weaver incident AND, not less, the WACO incident in which all law enforcement matters were handled by her office which overrode all local, county and state authority. If it was suitable in a dastardly situation as massive as Waco, is there no way to interject "reason" into a county prison-system in Missouri?]

In the case of Captain Russbacher, outrageous prosecution—which is in actuality, persecution—has marked the entire legal proceedings against him. The treatment he has received in Missouri state jail and prison facilities has been unconscionable, in some respects, akin to the treatment he received as a POW in Southeast Asia. The latest development is that just a few days ago, after having spent almost two weeks in isolation, he was diagnosed as definitely having infectious hepatitis B and sentenced to 60 more days in isolation.

That would preclude his appearing at a hearing in December, when his true identity and his innocence of the alleged—and false—charges could be proven. Does this not seem disgustingly suspicious to you? It certainly does to those of us who are working diligently to free him from his unjust and illegal incarceration. This manipulative isolation also delays Captain Russbacher's prescribed medical care—either quadruple bypass surgery or angioplasty—to correct his critical heart problems, which, if they continue very long untreated, will be fatal.

Please give this matter your urgent attention so that Captain Russbacher can be released BEFORE the State of Missouri manages to accomplish what they obviously want, his death in prison. Thank you.

Damage Control Tactics

COVER OR UNCOVER?

I had not wanted to change subjects from the Concentration Camps and other citizen control projects but I find a lot of you moving to distractions.

I AM aware that there is a new book out which deals with Bushes, et al., involvement in arms to Iraq, etc. I also am aware that the man is a "Jew". I am, further, aware that you don't understand how, if this man reveals TRUTH—how could he be on *Larry King Live*?

The group involved in political aspirations beyond the visible are doing "damage control". The facts are that Bush is about to be uncovered for a lot of interesting deeds. Is he worse than the present thugs? No indeed, but you will now find the Israelis getting into the act. The fact is that a lot of the arms shipped into Iraq (the enemy of Israel) CAME DIRECTLY FROM ISRAEL! The facts are, readers, that it is almost impossible to uncover the rats in the woodpile because you have to understand something—it doesn't matter WHO of the Elite would-be-kings is doing what to whom—THEY ALL HAVE THE SAME ULTIMATE GOAL IN MIND. FURTHER, THERE IS NO LOYALTY TO ANYONE—EVEN THOUGH THERE WILL BE EFFORTS TO MOVE THE PEOPLE OUT AND PAY THEM OFF IF NECESSARY. But why would such damaging evidence be coming out NOW when the information is available in the book called *DEFRAUDING AMERICA* by Rodney Stich—which is all but banned? Ah, now you are catching on—it is to deceive you into turning your attention to the scapegoats without noting the other books of truth.

Bush has two sons who are headed for political status offices—Jeb: Governor of Florida, and George (Jr.): Governor of the Great State of Texas.

Remember that the Khazarian Zionists developed BOTH Communism and THE DEMOCRATIC PARTY! No matter how much we might have "uncovered" it only touches the tiniest tip of the massive iceberg.

I can only ask you again to get *Defrauding America* and read it—it will be the most exciting, most informative, most captivating attention-getter of ANYTHING YOU HAVE READ TO DATE. It is such an important document that in response to my petition (so that this book could be printed) YOU, READERS, of *CONTACT* made the printing possible. I have gone long with asking you to get your copies from Rodney directly—however, we have many, many inquiries and yes, we

do have the books in stock also. It all ends up in the same place anyway. Please get it from wherever you want—but please get it. I believe the book is about \$25.00 plus a couple of dollars for postage. I don't keep up—but I can assure you that it is approximately "three" of the *JOURNALS*.

Rodney will, in his second printing, update the new volume. This will be an addition of a hundred or so pages—no other changes. My suggestion is to get the volume in stock and then I will ask Rodney if we may simply run the additional information in the *CONTACT* and offer a separate appendix of the updated material.

A lot of the book is about Gunther Russbacher and you MUST KNOW who this man is and what about him? Whether or not he started out to be a goodly whistleblower he certainly has paid dearly for the efforts to uncover a lot of dirty secrets for which the

adversary is attempting to take his life. I simply have not the time nor Dharma the endurance (for we are writing eight to ten hours a day these days) for offering all this information in dated magazine or paper. We can offer you bits—but every page of this book in point is so important and revealing that I would have to dictate every sentence lest you miss information. Please do not expect us to do this for you—I ask again: Please get the book! I ask that the staff run a FULL PAGE notice somewhere in this paper and do so until I ask you to stop.

We must stop falling to insecurity as Green and his "Legal" league attack in order to STOP information flow to you readers.

Green and buddies are back at "receivership" and I am appalled at how little you know about your own business.

George Green Renews Attack On Phoenix Institute

RECEIVERSHIP

George will personally tell you that what "they" want is to have "receivers" who will uncover the dastardly deeds of the Ekkers as to their graft, theft and corruption. Then when asked what that would mean, exactly, vs. bankruptcy—you will get a waltz around Montana to outdo the two-steppers. He says, well, it just means that receivers move in and LIQUIDATE the assets. Does anyone comprehend? He wants to legally cause selling of all gold collateral which means selling at a lower rate for gold than originally purchased, the bank notes would be paid off, the attorneys (his) would be paid off and you who DID have assets will have nothing or mere pennies on the dollar. IF YOU ALLOW THIS TO HAPPEN, PEOPLE, YOU ARE IN GRAVE ERROR OF UNDERSTANDING. GEORGE IS TRYING TO BREAK THE VEILS OF CORPORATIONS AND ACTUALLY DESTROY THE VERY THING NEVADA OPERATES—PRIVACY! It is time that any "participant" in the original program (GEORGE GREEN'S PROGRAM) remember what HE told you. He still preaches the INCREASE potential in gold. This is STILL his thrust along with all his "economy" survival buddies. There is no "Security" involved here. The whole matter is based on loans which allow borrowing against gold purchased with the loans. The agreement has always been—and continues to be—allowance for gold to increase in value and when doubled EVERYTHING

would be returned WITH FULL PROFIT, or in cases of regular interest payments, 50% of the PROFITS! This is a sound program. Mr. Green continues to refer to his own program as a Ponzi scam—but it is a fully sound program as it is structured. The point WAS to have funds currently available to produce the paper, the *JOURNALS* and PROJECTS, such as greenhouses, prefab buildings and organic growing facilities, Spelt for sale and survival, etc., etc., etc.

He claims there is not "income"—well, there are several millions in funding APPROVED for investment in PROJECTS from the proposals already presented and now ready for IMMEDIATE startup. It has been difficult to continue since George tied up all inventory of *JOURNALS* (income would go solely to the Institute) and thieved the gold which was to have covered a lot of the outgo in expenses.

Our guarantee to you ones from onset was that we would protect YOUR PRIVACY. We shall do so—BUT YOU HAVE TO HELP US.

George has told so many stories which are EASILY proven as lies—at least two out of three versions must be incorrect for every time he opens his mouth on the subject his story is DIFFERENT and his nose longer. I do not wish to, nor shall I—JUDGE THE MAN. His actions, however, bespeak a liar and a thief.

Why do I continue to speak of these things in this paper? BECAUSE THE PAPER, REMEMBER, IS FOR THE PURPOSE of communication with OUR TEAM-MEM-

BERS. Indeed, we welcome all readers—ALL. However, the PURPOSE of the paper is to stay updated and current with you of our people and interested participants. We do not write this for the CIA—although they are our most dedicated readers as is the political administration, Israeli intelligence and groups and places such as ██████. (We are by court order unable to mention certain names and incidences.) We do not go around hiding secrets although we have “confidential” arrangements with you—the-people which is NONE of anyone’s business save YOURS—not even OURS. To turn YOUR information over to these prying beasts is unacceptable.

DHARMA AND E.J.

OK, here again it comes to a point you had all best attend well. Dharma has about had all she can take—as they are averaging a court case a week now and she is tired and weary of the ongoing attacks and struggles. Here AGAIN, is opportunity to just “chuck” the WHOLE THING. George and buddies are pushing for receivership and “Forced Bankruptcy” of the Institute. Since there is no wrongdoing—only claims from these thugs—it presents a perfect opportunity, if Dharma and E.J. were not honest and dedicated to Truth and YOU—to simply shrug, turn over EVERYTHING, YOU TAKE THE LOSSES and they simply move away to obscurity and PEACE. If THIS, however, DOES NOT TELL YOU THE CALIBRE OF THESE PEOPLE HOLDING STRONG IN THE FACE OF THIS ASSAULT, THEN NOTHING WILL, CHILDREN, NOTHING WILL. You have not been led astray and desertion or turning over for loss, your property, is NOT acceptable and they will not “fold”. I have not led you astray; God stands as your shield—but you must hold that shield. Am “I” annoyed? I AM AMUSED. I’m sorry, readers, if you wish me to be dramatic and somehow abused. These are the best things which can happen to and for you. These are the LESSONS in management and participation which WILL SAVE YOUR LIVES and your assets—BUT WE HAVE TO HAVE YOUR ATTENTION TO **YOUR OWN AFFAIRS**.

IT IS TIME TO FOLLOW-UP ON THE ORIGINAL DEMANDS FROM HIGHER AUTHORITY IN NEVADA, ET AL. YES IT MEANS YOU MUST TAKE SOME FURTHER ACTION—BUT BY GOLLY, PEOPLE—IT IS YOUR ASSETS!!!

WHEN ARE YOU GOING TO GET MAD AS HELL AT GEORGE GREEN AND HIS CRONIES AND DECEIVERS—AND NOT TAKE IT ANY LONGER?? EKKERS CANNOT FIGHT ALL YOUR

BATTLES FOR YOU.

I believe that we must continue to speak about “censorship” as we had begun offering the segment from *IRON CURTAIN OVER AMERICA* by John Beaty.

Without catching up more than to say that we were in mid-chapter, *The Black Hood of Censorship*. We had just spoken of Major

(d): INTENSIFYING CENSORSHIP

With the passing of the years, government censorship has become so much more intensive that it was a principal topic of the American Society of Newspaper Editors at its meeting (April 21, 1951) in Washington. Here is an excerpt (*The Evening Star*, Washington, April 21, 1951) from the report of the Committee on Freedom of Information:

Most Federal offices are showing exceptional zeal in creating rules, regulations, directives, classifications and policies which serve to hide, color or channel news....We editors have been assuming that no one would dispute this premise: That when the people rule, they have a right to know all their Government does. This committee finds appalling evidence that the guiding credo in Washington is becoming just the opposite: That it is dangerous and unwise to let information about Government leak out in any unprocessed form.

In spite of this protest, President Truman on September 25, 1951, extended government censorship drastically by vesting in other government agencies the authority and obligation to classify information as “Top Secret”, “Secret”, and “Confidential”—a right and a responsibility previously enjoyed only, or principally, by the departments of State and Defense. Again the American Society of Newspaper Editors made a protest (AP, Sept. 25, 1951). The President assured the public that no actual censorship would be the outcome of his executive order. To anyone familiar with the use of “Secret” and “Confidential” not for security but for “laying safe” with a long or not fully understood document, or for suppressing information, the new order cannot, however, appear as other than a possible beginning of drastic government-wide censorship.

The day after the President’s executive order, “Some 250 members of the Associated Press Managing Editors Association” voiced their fears and their determination to fight against the “tightening down of news barri-

General Patrick D. Hurley and his relationship to Roosevelt and the fact that falsification and censorship not only occurred in high echelons of government and military but in the lower “ranks” as well. As we move on we will note an intensification of this censorship especially among federal offices and personnel.

ers” (AP, Sept. 1, 1951). Kent Cooper, executive director of the Associated Press, and a well-known champion of the freedom of the press, said: “I’m really alarmed by what is being done to cover up mistakes in public office.”

The reaction, after the censorship order was several weeks old, was thus summarized by *U.S. News and World Report* (October 19, 1951):

“Newspaper men and others deeply fear that this authority may be broadened in application, used to cover up administrative blunders and errors of policy, to conceal scandals now coming to light, or to hide any information unfavorable to the administration, especially as the presidential campaign draws near.”

It is to be hoped that the newspapers of the country will keep the issue alive in the minds of the American people. (It is to be hoped also that they will take concerted action to deal with censorship imposed by some of their advertisers. See pp. 90-93.)

(e): CONGRESS, VICTIM OF CENSORSHIP

During World War II, the Congress of the United States was the victim of censorship to almost as great a degree as the general public. By virtue of his official position, the author was sent by his superiors to brief members of the Congress about to go abroad, and he also interviewed them on their return from strategic areas. He was also sometimes invited to a conference by members with whom he had in his official capacity become acquainted. He found them, including some Northern Democrats, restive at the darkness of censorship and indignant at the pressure upon them to vote funds for such projects as the extension of UNRRA without any full knowledge of its significance. With regard to secret data, the Congress was really in an awkward position. Because several Senators and Representatives, including members of the most sensitive committees, were indiscreet talkers and because of the possibility that some, like the Canadian Member of Parliament, Fred Rose (Rosenberg), might be subversive, the Congress could make no demands for full

details on secret matters. The alternative was the twilight in which patriotic Senators and Representatives had to work and vote.

Alarmed by the threat of Communism, however, the Congress has made investigations and published a number of pamphlets and books (Superintendent of Documents, Government Printing Office, Washington 25, D.C.) intended to acquaint the American people with the danger to this country from Communists in general as well as from those imbedded in the departments and agencies of the government. It is suggested that you write to your own Congressman or to one of your Senators for an up-to-date list of these publications. One of a series of recent books is actually entitled **100 Things You Should Know About Communism And Government**. How pathetic and how appalling that a patriotic Congress, denied precise facts even as the people are denied them, has to resort to such a means to stir the public into a demand for the cleanup of the executive branch of our government!

II: PRESS CENSORSHIP

Censorship, however, has by no means been a monopoly of the administration. Before, during, and since World War II, amid ever-increasing shouts about the freedom of the press, one of the tightest censorships in history has been applied by non-government power to the opinion-controlling media of the United States. A few examples follow under (a) newspapers, (b) motion pictures, and (c) books. These examples are merely samples and in no case are to be considered a coverage of the field. The subject of the chapter is concluded by observations on three other subjects (d, e, f) pertinent to the question of censorship.

(a) Newspaper censorship of news is applied to some extent in the selection, rejection, and condensation of factual AP, UP, INS, and other dispatches. Such practices cannot be given blanket condemnation, for most newspapers receive from the agencies far more copy than they can publish; a choice is inevitably hurried; and selection on the basis of personal and institutional preferences is legitimate—provided there is no blackout of important news. The occasional use of condensation to obscure the point of a news story is, however, to be vigorously condemned.

Still worse is a deliberate news slanting, which is accomplished by the "editing"—somewhere between fact and print—of such dispatches as are printed. During World War II the author at one time had under his supervision seven War Department teletype machines and was astounded to learn that dispatches of the news agencies were sometimes re-worded to conform to the policy or

the presumed policy of a newspaper, or to the presumed attitude of readers or advertisers, or possibly to the prejudices of the individual journalist who did the re-wording! Thus, when Field Marshal von Mackensen died, a teletype dispatch described him as the son of a "tenant farmer". This expression, presumably contrary to the accepted New York doctrine that Germany was undemocratic, became in one great New York morning paper "son of a minor landholder" and in another it became "son of a wealthy estate agent". It is not here implied that the principal owners of these papers knew of this or similar instances. The changed dispatches, however, show the power of the unofficial censor even when his infiltration is into minor positions.

The matter of securing a substantially different meaning by changing a word or a phrase was, so far as the author knows, first brought to the attention of the general public late in 1951 when a zealous propagandist substituted "world" for "nation" in Lincoln's "Gettysburg Address". The re-vamping of Lincoln's great words "that this nation, under God, shall have a new birth of freedom" would have made him a "one worlder", except for the fact that some Americans knew the Gettysburg Address by heart! Their protests not only revealed the deception in this particular instance, but brought into daylight a new form of falsification that is very hard to detect—except, of course, when the falsifiers tamper with something as well known as the Gettysburg Address! **[H: Go back, please, and read this last AGAIN. Note how truly easy it IS to tamper with history, BIBLES,—TRUTH! By changing a mere word or even the spelling of a word and punctuation—can change the entire meaning of a statement—AND CHANGE THE VERY COURSE OF THE WORLD. For instance to you who know of whom I speak and those who can think of similar situations: George Green sends portions of out-of-context (at best) legal documents to "everybody" (his words) to prove that what he says and does is correct and the "Ekkers" and Hatonn, are liars, abusers and legal misfits. The thing NOT MENTIONED, IS THAT THE DOCUMENTS OFFERED ARE FROM THE ORIGINALS WHICH WERE LIES PLACED IN THE PAPERS IN THE FIRST PLACE!! BY GEORGE GREEN. In other words, to shift lies off onto another is easy if the "other" is not paying attention. As a second instance, he (GG) will read the terrible statements of Luke Perry to the Associated Press and printed across the nation—as factual proof for backing of his own lies just uttered. There is not one shred of truth or fact in the articles—BUT YOU HAVE BEEN TRAINED THAT JUST THE PRINTING OF THEM**

SOMEHOW MAKES THE STATEMENTS SO! IN FACT, THESE ASSAULTS SHALL BECOME COSTLY INDEED—AS ALL CREDIBILITY OF THESE PEOPLE IN POINT IS BEING DESTROYED BY THESE CUTE ANTICS OF DECEPTION.]

Occasionally during World War II the abuse of rewriting dispatches was habitual. One foreign correspondent told the author that the correspondent's paper, a "liberal" sheet which was a darling of our government, virtually threw away his dispatches, and wrote what they wished and signed his name to it. Be it said to this man's credit that he resigned in protest.

Some times the censorship is effected not by those who handle news items, but by the writer. Thus the known or presumed attitude of his paper or its clientele may lead a correspondent to send dispatches designed, irrespective of truth, to please the recipients. This practice, with especial emphasis on dispatches from West Germany, was more than once noted by the newsletter, *Human Events* (1710 Rhode Island Ave., N.W., Washington 6, D.C.) during the year 1950. See the issue of December 20, 1950, which contains an analysis of the dim-out in the United States on the German reaction to the naming of General Eisenhower, the first implementer of the Morgenthau Plan, as Supreme Commander of our new venture in Europe. **[H: Eisenhower was Jewish and called by his own troops: "The Little Jew". He had acquired his rank by manipulation, "bootlicking" and favors.]**

In the early summer of 1951, the American public was treated to a nation-wide example of one form of distortion or falsification in certain sections of the press and by certain radio commentators. This was the presentation *as fact* of the individual columnist's or commentator's thesis that General MacArthur wanted war, or wanted World War III, or something of the sort—a thesis based on the General's request for the use of Nationalist Chinese troops as allies and for the removal of the blindfold which prevented his even reconnoitering, much less bombing, the trans-Yalu forces of the enemy armies, vastly more numerous than his own who were killing his men. The presentation of such a thesis is a writer's privilege, which should not be denied him, **but it should be labeled as a viewpoint and not as a fact.**

One powerful means of effecting censorship in the United States was mentioned as early as 1938 by William Allen White, nationally known owner and editor of the *Emporia (Kansas) Gazette*, in a speech at the University of Pennsylvania. These are his words:

"The new menace to the freedom of the press, a menace to this country vastly more acute than the menace from government, may come through

the pressure not of one group of advertisers, but a wide sector of advertisers. Newspaper advertising is now placed somewhat, if not largely, through nationwide advertising agencies....As advisers the advertising agencies may exercise unbelievably powerful pressure upon newspapers... (quoted from Beaty's *Image of Life*, Thomas Nelson and Sons, New York, 1940). **[H: I remind you readers—THIS IS ONE REASON WHY THERE IS NO PAID ADVERTISING IN THE CONTACT]**

Details of the pressure of advertisers on newspaper publishers rarely reach the public. An exception came in January, 1946, when the local advertising manager of the Washington *Times-Herald* wrote in his paper as follows: "Under the guise of speaking of his State Department career in combination with a preview of FM and Television Broadcasting, Mr. Ira A. Hirschmann today, at a meeting of the Advertising Club of Washington at the Statler Hotel, asked the Jewish merchants to completely boycott the *Times-Herald* and the *New York Daily News*." It is interesting to note that Mrs. Eleanor M. Patterson, the owner of the *Times-Herald* published the following statement. "I have only this comment to make: This attack actually has nothing to do with racial or religious matters. It is merely a small part of a planned, deliberate Communist attempt to divide and destroy the United States of America." She refused to yield to pressure, and before long those who had withdrawn their advertisements asked that the contracts be renewed. The outcome prompts the question: May the advertiser not need the periodical more than the periodical needs the advertiser?

(b): MOTION PICTURES:
IN SPITE OF....

Propaganda attitudes and activities in the United States motion picture output cannot be adequately discussed here. The field is vast and the product, the film, cannot, like the files of newspapers or shelves of books, be consulted readily at an investigator's convenience. Some idea of the power of organized unofficial censorship may be gained, however, from the vicissitudes of one film which has engaged the public interest because it is based on a long-recognized classic by the most popular novelist of the English-speaking world.

As originally produced, the J. Arthur Rank motion picture, *Oliver Twist*, was said to be faithful to the text of the Dickens novel of that name. The picture was shown in Britain without recorded disorder, but when it reached Berlin, "the Jews and police fought with clubs, rocks and fire hoses around the Karbel Theater in Berlin's British sector." The door of the theater was "smashed by Jewish demonstrators who five times broke

through the police cordon established around playhouse." These things happened although "not once in the picture... was Fagin called a Jew." Needless to say, the Jews prevailed over the Berlin police and the British authorities, and the exhibitors ceased showing the film (all quotes from the article, "Fagin in Berlin Provokes a Riot." *LIFE*, March 7, 1949, pp. 38-39).

The barring of Mr. Rank's *Oliver Twist* from its announced appearance (1949) in the United States is explained thus by Arnold Forster in his book, *A Measure of Freedom* (Doubleday and Co., Inc., 1950, p. 10):

American movie distributors refused to become involved in the distribution and exhibition of the motion picture after the Anti-Defamation League and others expressed the fear that the film was harmful. The Rank Organization withdrew the picture in the United States.

Finally it was announced in the spring of 1951 that the British film "after seventy-two eliminations" and with a prologue by Dr. Everett R. Clinchy of the National Conference of Christians and Jews might be "accepted as a filming of Dickens without anti-semitic intentions" (*Dallas Morning News*). But is there any Charles Dickens left anywhere around? **[H: With the "Judeo-" part of Judeo-Christian controlling all the written word of God as in "Christian"—is there anything "Christian" left around? I am asked about the authenticity of the Dead Sea Scrolls? WHO HAS THEM? WHAT DO YOU THINK IS POSSIBLE REGARDING THEM BEING UNTAMPERED? Nothing else, so far, from the term "Jew" to the "holocaust" has been untampered to suit the needs of the Zionist New World Order! WHY do you think they would leave the very work of God, which COULD defeat them, alone? Tooth fairies and Easter bunnies that lay chicken eggs are fun games—but how many chickens have you seen with long pointy pink ears?**

On the question of Communism in Hollywood, there is available in pamphlet form a remarkably informative broadcast of a dialog (*Facts Forum Radio Program*, WFAA, Dallas, January 11, 1952) between Mr. Dan Smoot of Dallas and the motion picture star, Adolphe Menjou. Replying dramatically to a series of questions climactically arranged, Mr. Menjou begins with Lenin's "We must capture the cinema," shows Americans their "incredible ignorance" of Communism, lists Congressional committees which issue helpful documents, and recommends a boycott of "motion pictures which are written by Communists, produced by Communists, or acted in by Communists,"—the term *Communists* including those who support the Communist cause. For a free copy of this valuable broadcast, write to Facts Forum, 718 Mercantile Bank Building, Dallas, Texas. See also *Red Treason in Hollywood* by Myron C. Fagan (Cinema Educational Guild, P.O. TO BE CONTINUED; END QUOTING

Too much "stuff"? No, readers, it is that truth has been around so long and YOU HAVE NOT SEEN IT—so, this is our remaining effort to allow you TRUTH. We have no wish to burden you, overwhelm you, argue or debate. We present what is and has been available—AND YOU MISSED IT, MOST OF YOU. WE WILL CONTINUE TO STRUGGLE THROUGH THE COURTS IF NECESSARY IN ORDER THAT YOU MIGHT HAVE THIS INFORMATION.

Understand that in order to be able to do this work, Dharma must glean nothing from our hours of work—except in service. The JOURNALS were to have been available for covering the costs of the newspaper. The Adversary has been steadily at work, readers, but we shall keep right on keeping on for we have no wish to gain monetarily from any other's work—WE DO HOWEVER, HONOR WRITERS WHO HAVE PRESENTED THE TRUTH AND IT HAS BEEN SQUASHED OR IGNORED, OVERLOOKED OR HAD TAMPERING, BANNING OR CENSORSHIP BY THOSE WHO COME ALONG AND GAIN CONTROL OVER THE DOCUMENTS OF ORIGINAL PRESENTATION AND INTENT. EASY? NO, BUT HOW ELSE SHALL YE HAVE THE LESSONS?

I honor this author who TRIED, defied the "system" and paid as dearly as any author around. Please get this book if you can. If still in business: *THE IRON CURTAIN OVER AMERICA* By John Beaty. OMNI PUBLICATIONS, P.O. Box 900566, Palmdale, CA 93590. We are in great appreciation to you who have shared your copy with Dharma. She, too, needs physical confirmation of that service which she offers me day or night and all hours of same. Every document sent in confirmation or "new news" or "finds" is cherished and appreciated for this is not a "job" for one—it is a JOB for ALL who would be free! Dharma makes no claims to "special" or "more worthy than another"—just one doing a "job" as best she can—no more important—only different for if all do the one job—who shall finish the task? She is willing to risk the arrows and being the target at risk—but she holds no corner on either the work or the WORD. YOU are as responsible as is she—that this WORD GO FORTH.

On this subject of censorship we shall take up next time with a discussion of "Books". This, of course, is most dear to our hearts under present circumstances.

Please treat each day as the GIFT IS IS. Do not waste it in quarrels or judgments. Discern wisely as to action—and hold God

in thine intent. Blessed shall ye be thine reflection—GOD!

Nevada Corporations

Privacy—Asset Security— Tax Reduction

JUDGEMENT PROOFING YOUR CORPORATION

One of the main reasons that a business owner will decide to incorporate is to limit the liability that his/her business has on their personal assets. With a Corporation, an individual separates their business liability away from themselves. Any lawsuits, losses, or bankruptcies that may arise from a corporation will not be the personal responsibility of its owners, unlike a business that is not incorporated. This means no matter what kind of trouble a corporation gets into, except fraud, its owners, directors, and officers are insulated and cannot be held personally responsible or financially liable.

So, once an individual decides to incorporate, what can they do to protect all that they have invested into their own corporation? It is clear that a corporation will provide you with personal protection but we also need to take a look at ways to protect your corporate assets from potential lawsuits.

Corporations are a very desirable targets for lawsuits today. Attorneys and individuals assume that a corporation will have assets and are therefore a worthy target for their financial gain. As we know today, "Just Cause" is not a prerequisite to lawsuits any more. Corporate strategy involves many angles and one of those involves judgment proofing your corporation.

One technique used by corporations large and small is to separate out those areas of their business that have a higher likelihood of drawing lawsuits and separating those areas from the corporation's more valuable assets. Construction companies may consider placing their expensive vehicles and equipment in a separate corporation that leases these assets to their main company. This leaves very little to anyone who may

Thank you, friend, for you are the supporting wind beneath the wings of my weary Eagles in this place. And to you who seem to never find an end to your labors and if the "coop" be not to your liking—change it! But be not dismayed nor turn away from commitment for no one EVER said the journey on the Red Road would be more than it IS. Salu.

decide to sue such a business like a construction company that finds themselves open to many different potential lawsuits that can easily force them into bankruptcy. This way instead of fighting the suit the corporation itself can be handed over to the suitors at very little loss to the owners. This strategy is exemplified by the story of Ted Kennedy and the death of Mary Jo Kopeckey in the Chappaquidic river. After there was not enough evidence to prove any wrong doing the family of Mary Jo decided to take their claim up with the owner of the vehicle which ended up being a trust (which could have been a corporation) that just held this one car in it at the time of their suit. If the vehicle was held personally by Ted Kennedy they may have had a chance to go after any other assets that he may have held personally. This then left the family completely without anyone or anything to go after.

Another useful strategy for Judgment Proofing your corporation involves encumbering your corporation with heavy debt. This strategy can work using two corporations or just one. The idea of this strategy is to turn your corporation into a turnip where-by anyone considering a lawsuit will not find anything to go after. The corporation that you are trying to protect borrows money from you personally or from another corporation. If you have assets of \$100,000 in your corporation you would want to get that corporation deeper and deeper into debt through a series of loans that now would put your corporation at least \$100,000 into debt. Now to secure these debts, you or the other corporation that have made these loans to your main corporation would sign a security agreement with the borrowing corporation. A security agreement is a common powerful tool that is used to secure certain assets as collateral on a loan. With this security agreement they agree that the assets, receivable, inventory, and everything belonging to your corporation is collateral for the loans.

Once the assets are secured you would want to make public notice of this debt to all of the hovering vultures (lawyers) that may be overhead. The entity that has now secured your property for a loan would file a UCC-1 financing statement with the secretary of states office of the state where your corporation is incorporated and with the county records in the county of the assets. This UCC-1 states to the public that these assets are collateral for a note that is owed. It gives notice to the world that the assets are encumbered. It tells the public that they cannot touch these assets until the debt is paid.

The UCC-1 tells the public that this creditor of the corporation gets paid first before anyone else except the IRS. Those encumbered assets can't be touched until after that creditor which may be you or another corporation that you control gets paid.

So, when someone decides to sue your corporation they visit their smiling attorney who can hardly wait to go to work for them on contingency. They first see just how much they can take you for by finding out just exactly how much you have. This is accomplished by doing a Standard Asset Search. First, they find any and all assets that are in the corporations name and next they look for any hidden assets and any UCC-1 filings. After turning up the UCC-1 filing they find out that the business is so indebted that it is amazing to even be operating. Now their attorney, who is no longer smiling, calls them back and gives them the bad news and tells that there is nothing to go after in a suit. You have now successfully judgment proofed your corporation.

This strategy can be very successful by using a Nevada Corporation in conjunction with your home state corporation. Your Nevada Corporation would be the lending entity to your home state business that fully encumbers those assets of your home state business. This would allow you as an individual to remain out of this loop completely because no one has to know that you are the owner of this lending corporation in Nevada.

THE ANCIENTS

Of your year, 1993, the Ancients said that in this year there would have brought to your place, plants and life forms that would give life and sustenance as never before seen. Starvation on the Earth and distortion of health COULD be gone..... Could it be? Yes, God has sent it unto you for your use through these times of travail and passage and it is called "swamp water", "death water" and thus and so. So too have the proteins of life been brought and shown to you, the purification techniques, the grains and the that which can sustain you in perfection. Ah indeed it COULD BE—and for some it WILL BE! Do you JUST need a bit MORE TIME? No—you need to spend that which you have, wisely gaining information as to those things which are presented for your nurturing and passage.

WORMWOOD

But say ye farmers and tinkers, that which you bring cannot live in the semi-darkness which shall be cast upon the world as the heavenly bodies interfere according to "Revelation". According to Revelation? What of Revelation? It is a bit awkward to deal with that which has been so tampered as to lose meaning. We are fortunate, however, that the visions of John began as ORAL TRADITION of Truth. Written words and interpretations are tampered and lose meaning in Truth. The ANCIENTS taught their WISDOMKEEPER in the ORAL WAY and required that the students represent and represent to the teacher that which was given—in Truth and without personal interpretation. The interpretations would be allowed opinion—but NOT THE TRUTH OF THE TEACHINGS.

What is Wormwood and what can it represent? Almost anything from a "gourd of ashes" as in atomic explosions, volcanic eruptions which darken the sky, impact from a distant star or planet or portions thereof—or space craft or, or, or.... What difference does it make? IT IS THE EVENT WHICH OCCURS WHICH MUST BE ATTENDED IN PREPARATION. IF YOU ARE PREPARED WITH THAT WHICH CAN SUS-

TAIN YOU DURING THIS PERIOD OF HAPPENING—YOU SHALL BE FINE—IF—you listen to the messenger from Grandfather Great Spirit! Creator will not leave you without—IF YOU ARE WITHOUT IT IS BECAUSE OF SELF.

WORMWOOD, HERCULOBUS, ANUNNAKI (??)

REVELATION 8:10-13:

And the third angel sounded, and there fell a great star from heaven, burning as it were a lamp, and it fell upon the third part of the rivers, and upon the fountains of waters; And the name of the star is called Wormwood (bitterness); and the third part of the waters became wormwood (bitter, poisoned); and many men died of the waters, because they were made bitter.

And the fourth angel sounded, and the third part of the sun was smitten, and the third part of the moon, and the third part of the stars; so as the third part of them was darkened, and the day shone not for a third part of it, and the night likewise.

And I beheld, and heard an angel flying through the midst of heaven saying with a loud voice, Woe, woe, woe, to the inhabitants of the earth by reason of the other voices of the trumpet of the three angels, which are yet to sound!

We speak of Photon Belts and lighted days of three in length and then we speak of light in only a third its amount indefinitely—what do these things have in common? In both instances the INVISIBLE LIGHT of the high frequency rays of the sun will be present undimmed in BOTH INSTANCES.

SO WHAT?

Well, our mission is to tell you the truth of these things and offer that which will have capability of life during either of these two instances—since, it appears, you will PROBABLY not change the circumstances of your journey.

Gaiandriana thrives in either instance. Ingested, it causes the body to change

frequencies and be able to accept the increase in the bombardment of the damaging invisible rays. You are moved into the Photon Belt where you are now receiving these energy rays "around your clock". As Gaiandriana can be introduced into our greenhouses of algae, we can produce a strain of algae which can thrive on these unseen rays—but you don't know yet how to do that properly—just "throwing" gaiandriana into the water won't do it. Next we offer you SPELTA which has husks which can withstand the damage of the rays on the seed-kernels. We also offer you red lentils which coloring transforms these frequencies into useable energy for the body. We can show you how to integrate substances within the soybean which will transform it into food needing no supplementation—and be quite tasty in addition. We offer you Kargosok tea grown within the cellular drianas which will allow the membrane cells to produce in almost total "darkness"—just receiving from the luminescent invisible rays. But it is not a "miracle"—it takes TIME of which you are running out.

But how can we get this to all the people? That is not your problem! We will get this to those who WANT IT and those who can withstand and counter the attack of the adversarial forces who are constantly at assault to STOP YOU!

Stop you? Indeed. Every assault on Dharma is a full-blown attempt to stop you from having the life-sustaining needs to make this passage. If you are but a player in an illusion, do YOU still need physical things? Yes and no—as you "grow" you will only need the ENERGY that is present in these items. Moreover, you will need (this remnant) to supplement the body physical to sustain both energy form and physical form, else your physical form will be cut short of maturing and you will be left in energy form without completion for THE task at hand.

Example? George Green goes about his clandestine affairs with his legal criminals. His effort is to close down the Institute and have all participants LOSE assets to render you useless to completion of your projects. If you cannot complete your projects—you are going to be unable to survive that which is coming. Does he know what he does? OF COURSE! He doesn't

ACT for these reasons—he acts in greedy ego hate and passion for self—but he is but the TOOL, do you see? AND, YOU WHO CONTINUE CONTACT WITH HIM IN YOUR “UNCONDITIONAL” LOVE ARE BEING DESTROYED MORE QUICKLY THAN ARE THE INTENDED TARGETS.

How so? Well, let us look at poor Leon. Leon set about to simply get funds. But he joined forces to FORCE same, with Green. Ah, and now we join forces with lawyers (very powerful politically, Green says) and others wanting to get funds for self from parents. Leon trusts Green and denounces all others involved—and Leon shares with him and Leon’s attorney shares with him—and George betrays them. George Green has sent the most confidential documents available and has offered confidential information in detail, to the scattered parties he is soliciting to put the Institute into Receivership. THIS IS BREAKING THE LAW, ACCORDING TO THE LAW! This negates, LEGALLY, all possibility of continuing the confidential agreement and REQUIRES BY THE SAME LAW that that which has already been exchanged be RECOVERED!

Green also tells “everybody” (his words) that Little Crow has denounced the Ekkers and the place in Tehachapi as a CULT and refuses to longer “have anything to do with them”. He continues by saying that he has first hand and direct information from the “horse’s mouth” from ones who are in Little Crows group—i.e., LARRY SIMS.

How can this be? Well, he says that “everybody” tells Patricia and Leon—that “...yes, Patricia and Leon always go see poor old confused John S. all the time—together and then they give me (Green) all the information—DIRECTLY!” He tells “everybody” that Sims belongs to Little Crow’s group and talks with him all the time.” He also says he “...gets information all the time, every day, from these other guys down there who keep tabs on everything.”

He says, further, that “...these guys had to refuse to sign to help get John S. out of his convalescent placement because they just want to get his money.” What money? Green also tells “everybody” that “...they got all of John’s and Eleanor’s money and that’s why John is ‘in there’”. Eleanor had over \$600,000 ‘in there’ that they (Ekkers) have stolen and now, John is listed as a pauper.” Oh? It is true that Eleanor and Rod, her son, have him signed in as a “pauper” and they get all his pension, retirement, etc, and in addition, full interest on “Eleanor’s” investment monthly—“to pay the Alzheimer’s Center”. Only a couple of problems with this—It indicates that something must be left of “Eleanor’s” funds—if nothing more than integrity of the ones holding said funds and JOHN DOES NOT HAVE ALZHEIMER’S DISEASE. These family members have taken EVERY-

THING of value as to property, put this beloved friend into incarceration and left him to die alone—having by law set it up to prevent anyone from visiting with him. And still these “friends of George” continue to bow and scrape at his lying feet!

Well, Mr. Green, you may be able to prevent visitors to John, BUT YOU CANNOT PREVENT ME FROM GETTING JOHN HIS FREEDOM! “ME”? YES, ME! How so? Because ones in loving care for this man—will get his freedom into their loving homes and hearts. God our Father has asked US to attend his child who petitions to us every moment of his frightened life—AND WE SHALL SERVE AND WE SHALL WORK DILIGENTLY UNTIL WE GET THIS TASK DONE AND THE CLUTCHES OF THE GREEDY CONTROLLERS ARE RELEASED FROM HIS BEING.

Oh, by the way, local friends who thought my scribe lying about an emissary in Anne? Leon went white with anger and they all but shredded Dharma and E.J. because SHE MADE THE STATEMENT and I told. We do not have closed-shop here—if you act in deceit and secret—you are going to be confronted with TRUTH if it acted against MY PEOPLE. We don’t have any group—so everything attacking ones here—are PERSONAL ATTACKS ON INDIVIDUALS! NOW, YOU MAY ENJOY THIS IF YOU HAVE BEEN HURT FROM THE DISCOUNTING OF THIS AS A LIE—HOWEVER, MR. GREEN IS TELLING “EVERYBODY” (HIS WORDS) THAT HE “...HAS A PERSON, ANNE, RIGHT IN LEON’S BEDROOM AND HOW MUCH CLOSER CAN YOU GET TO KNOWING WHAT’S GOING ON THAN THAT?”

Ah, but it is even more interesting, friends, he is telling “everybody” that Nora and Mitch and others are just working on the “inside” so they can “get” Ekkers.

Well, I think perhaps that finally some of the “everybodies” that he tells these things are getting a second, third and fourth set of DIFFERENT story-line and are waking up to see the beast for what it is. The “everybodies” as you might guess are Institute participants whom Green is efforting to get to thrust the Institute into “Forced Bankruptcy”. He is NOW calling it receivership—but when queried about it—explains that it is simply “liquidation of assets”.

I think we had better have a talk today about bankruptcy, receivership, investment vs. loans/notes, collateral gold held for increased value and the original plan designed by George Green himself. This same plan he NOW CALLS A PONZI SCHEME!

PERSONAL RESPONSE

I think you might agree with this statement—it makes Wormwood look inviting on a personal scale of one to ten. I want to

point out something to all of you; Dharma, I believe you will agree, knows about everything now, which will secure her nicely for far longer than she would like to stick around. Ekkers have invested every last bit of everything into these projects until they are exhausted. However, THEY began well over a decade past—to line-up investors for valid projects. Those investors are going to come through, friends. They will not take their newly awarded funding and run and bury it in a distant place away from you—they fully plan, AND YOU KNOW IT, to attend it carefully among all of you present and some absent—to secure yours and their continuing passage.

They will continue to struggle against this beast that keeps gnawing away at their very flesh and bones until the time is correct and security for that which WILL be can be achieved and acquired in protection. This is NOT for the snatching for self—this is for the sharing among all who have given and worked and clung to the KNOWING that what you do is the RIGHT THING TO DO.

I am particularly pained for one, Patricia. She, like all of you, has searched for peace, loving friendship, and just a place in which to serve. We have “spies” among us—so what? However, I require that my immediate staff take care and stay alert. When the above messages come back from Florida and Pennsylvania about Green’s “inside informers” and ones such as Patricia are NAMED and the NAMING BACKED UP BY OTHER INSIDE INFORMERS, it is diligence that causes reactions from those under full-blown physical and legal attack.

I believe that a perfect solution as it can unfold, for instance, in the attending of John, is to follow through with Patricia who has offered over and over again to serve, to tend as a live-in attendant—as soon as John’s dwelling can be reclaimed. He will now need furnishings, etc., for Eleanor took everything of value and use. Then, it would seem that for the legal challenge of medical care, Audrey would be the visiting medical person to attend any such needs. I cannot believe that two FULL-TIME attendants would cost as much as is being poured away to keep John incarcerated. Why not place him permanently in Audrey’s care? Because IF HE IS IN HIS HOUSE, HE HAS RIGHT OF POSSESSION OF HIS OWN PROPERTY! THAT will be very, very important as Eleanor’s total control over his physical being is challenged. Eleanor has relinquished all responsibility to her son, Rod. He is now working to legally gain control of all of Eleanor’s assets also. He is setting up the case to put her into a placement as being also incompetent!

Is this your business? Yes—because it impacts greatly on John WHO HAS PETITIONED DESPERATELY FOR YOUR HELP—HE KNOWS HE CAN DO **NOTHING**

FROM WHERE HE IS. As to the rest? There is nothing we CAN do—do you see the difference? It is so important that you DO SEE the DIFFERENCE.

One of our very first projects which will be gotten underway immediately upon funding is a complex of dwellings, specifically originated for care to ones who need care. Apartments and suites wherein ones can live comfortably and still have centralized care as needed. It shall be open housing for ones who simply desire to share closer proximity with others as the years and conditions merit consideration of care and family-style friendships. This will be Audrey's and Eric's gift to you ones. Perhaps our Laurie and family can come and make it a working possibility which brings family into security also. This is NOT NEW—this is that which has been planned for, invested in (literally), due and owing—AND IT SHALL COME TO PASS. There are ones right now, besides John, who would benefit so greatly from such arrangements; Lydia, Cleary—many of you who now have apartments and who could have better facilities, central sharing of "watching out for each other", gardens, flowers, whatever, or as little, as you wish. The facilities are going to be wonderful, with pools, gathering rooms, shared activities available—maybe even a little Texas Line-Dancing and a place to have outside FAMILY come to visit with extra rooms, etc. This is not JUST A DREAM—this MUST BE THE REALITY and God bless you children WHO DO NOT GIVE UP YOUR DREAMS BUT SIMPLY DO WHAT YOU NEED TO DO TO MAKE THEM COME ALIVE. Do you somehow think Babajee or Maharajee or Tunkashilajee and Atonajee cannot get along somehow? You won't find any DIFFERENCE, little ones—and until you can fly—you need the support of that which brings you to flight. DO NOT CONFUSE THE ENERGY WITH THE MESSENGERS PRESENTED.

This is what Little Crow efforts to express for your understanding, that there is only ONE—and myriads of Truths in expression to get you to THE "ONE". The TEACHERS of LIGHT of SPIRIT—will all teach the same central TRUTH and show you that you MUST MAKE THE DECISIONS AND DISCERNMENTS OF THE ROUTING TO THE "ONE". As YOU affix your goal and eyes unto the light at the end of the Red Road, for instance, you will find yourself less and less on the Black path. It, further means that you are going to find Black Man and Red Man on BOTH PATHWAYS—but the paths lead in opposing directions—ah ha, however, as with all life spirals—each is only a part of the other and the journey is infinite. This dimensional expression however is a SPIRAL and NOT A SIMPLE CIRCLE for in the movement of energy to simply go around and around is

not such a great idea—you need to effort to spiral ever upwards toward Lighted knowing and effort to keep from spiraling into negative aspects of experience. You can go either way, my friends, either way—the one choice you DO NOT HAVE is to STOP! You are going to go one way or the other—so only the direction is up for choosing.

The point of this spot on your spiral is to experience that which is in the choosing. You can pronounce the prophet's messages, effort to figure out what this one or that one might have in meaning—but until you take responsibility for self and journey you will have MISSED the point of value—entirely.

A QUOTE FROM LITTLE CROW:

"You are the messengers of time. You are the prophets of the time. You carry forth the word through your own behavior. If you are into the world of materialism and that is

your message, that that is the world you portray...." LC, 11/4/90

And so, what is the "world" YOU portray? You are welcome to come travel and walk the way with us—but you shall have to content yourself with our direction—on the upward spiraling path—FOR WE WALK ONLY ONE DIRECTION AND WE CANNOT MOVE IN OPPOSITE WAYS AT THE SAME TIME. SO EITHER PLAN TO WALK WITH US OR GO YOUR WAY WITH THOSE WHO WOULD GO ELSEWHERE—WE HAVE NO CLAIM TO EITHER ROAD EXCEPT THAT WHICH ALLOWS ROOM FOR OUR OWN PASSAGE—WHICH IS INFINITE FOR OUR NEEDS. WE CAUSE NO ONE TO WALK WITH US. IS IT NOT INTERESTING, HOWEVER, HOW MANY OBJECT TO OUR WALKING AT ALL? WHY DO THEY NOT GO WALK THEIR OWN PATH AND LEAVE US TO OURS? I THINK YOU KNOW WHY!

May your journey be always in Light that you can see and KNOW. Salu.

God Needs ACTIVE Participants

11/13/93 #1 SANANDA

Peace, Thomas, Sananda present in Radiance.

We are most busy aboard our craft these days for your world is in a tangled web of darkness brought forth by the Elite controllers who mean to bring your world and all in it under full and total control. It is all but done. Ah yes, God wins, beloved ones of faith, but do not put limits upon the manner in which the winning takes place. God's Plan is Grand indeed, filled with Radiance for all who would walk the path of righteousness unto the very end—it is thine heart intent which is measured in these Kingdoms, beloved. Your world is a seething mass, close to total destruction—we are fulfilling the mission which was commissioned of us, to bring The WORD of Truth unto the four corners of the world so that man may make his choices about his own divinity—and it is so—The WORD of God has and is pouring forth to inform all who will listen of the way it is and the way it has been. Put not your Truth aside to turn unto the density that is physical—lift thineself up to the Radiance that surrounds thee this and every day—the Light is that which ye seek and therein ye shall find God.

Be about the business of tending matters which need tending for the hour does indeed grow most critical. How many of you who live in large metropolitan areas have more than 2 or 3 days food in your dwelling? And what if I were to tell thee that 2 or 3 months would be insufficient? Do ye think it brings me joy to tell of these possibilities? Do ye think that Hatonn enjoys telling of the evil plans in store for thee? Nay, we would much rather speak of the glorious things of that which is thine very spiritual essence of soul evolvment into Radiance—but we are commissioned to tell of the other, for it is how your world has arrived to where it is today—ye have not been given to know the plans, the secrecies, the laws which have been passed to implement Control of your very Being—we are duty bound to inform thee of service.

We come not to overthrow or do anything other than bring the TRUTH that ye may KNOW the true from the false—then we may speak of these spiritual matters for which ye long and which, in truth, is all that is of importance.

Seek not to withdraw thine involvement in this world, beloved ones—for God needs active participants—ye have come to be on that place at this time for a reason, and indeed each soul purpose is unique unto

itself. Be of courageous spirit—measure thine deeds with the yardstick of wisdom, act not in haste but do act—participate creatively with each day which is gifted unto thee—In LIGHT, In Radiance and Truth—with God's Direction, ye shall be given to KNOW that which is to be accomplished in a given day—ye have a day before thee. What will ye do with it? How will this day be any different than yesterday? Will today's work make a difference in the evolution of a planet? Does it matter?

Ye are given the gift of life itself. Ye

are fragments of the Lighted God/ATON, and ye can create—what will ye create and will it be worthy as a gift unto mankind and his posterity, or will thine creations be only for self which shall gather dust and crumble? Think on these things, beloved ones. Thine Father awaits thine decisions and thine actions. Be of good cheer and unwavering faith for I Am as near as thine Breath! Stay the course and hold mine hand in thine hour of tribulation and I shall see thee through—but I shall not, nor will God, Do it for thee—we show

the way—YOU do the work.

I Am Sananda
I Come in Radiance and
Service unto God of Light/ATON.
Who might you be?
In whose service are you?
Are you sure?
Ask of LIGHT and the Door shall be
opened,
First ye must ask!
God Awaits.

Salu

From The News Desk

11/14/93 RICK MARTIN

For those of you just tuning into CONTACT, the column From The News Desk has been started so that seldom seen pieces of newsworthy information are shared with you. There is much information which pours through the CONTACT office which Commander Hatorn simply cannot use due to time restraints. This is our attempt at sharing a compilation of gems that otherwise might slip through the cracks unseen.

CHERNOBYL BACKLASH

In a recent article from the *ROCKY MOUNTAIN NEWS*, "Thyroid cancer cases are increasing dramatically among children affected by radioactive fallout from the Chernobyl nuclear accident, the World Health Organization said."

FBI FINED IN WEAVER/ HARRIS CASE

From the Oct. 29 edition of the *MODESTO BEE*, "The FBI has been fined \$1,920 for delays in producing reports and evidence in the trial of a white separatist who was acquitted of killing a federal marshal. U.S. District Judge Edward Lodge said the FBI repeatedly ignored orders to produce material in a timely manner, delaying the eight-week trial of Randy Weaver and Kevin Harris."

GULF WAR EXPOSURE

Also from the *ROCKY MOUNTAIN NEWS*, "Gulf war veterans will be tested for possible exposure to chemical weapons despite Pentagon denials that Iraq ever used such weapons on allied troops."

LOUISIANA FLU

In an article dated September 15, from

an unknown source, "Houston health officials say an outbreak of influenza in southern Louisiana could cause an early flu outbreak in the Houston area."

EINSTEIN IN JARS?

In the October 24 edition of the *FORT WORTH STAR-TELEGRAM*, from an article written by Cynthia Mayer, Lawrence, Kansas: "The celebrated brain of the 20th century resides in Apartment 13 on the second floor of a nondescript brick apartment building here.

"It hasn't produced a worthy thought in almost 40 years. Which is to be expected, given its current state: bathed in alcohol, cut into about 100 chunks and slices, and divvied up among three glass jars.

"Can this really be what's left of the mind that conceived the Theory of Relativity?

"It can, and it is.

"Albert Einstein is in Kansas now. Well, his brain is, anyway.

"It belongs to Thomas Harvey, a retired pathologist who typically doesn't tell his neighbors that the remains of one of humanity's great intellects can be found in his hall closet.

"I don't like to advertise it," he said, with a little smile."

LA HOMELESS IN DOMES

In an article from the *RENO GAZETTE-JOURNAL*, dated November 6, "Activists officially opened a futuristic looking homeless shelter of small white domes Friday right on the downtown lot where a makeshift encampment used to be.

"Our job is to stabilize them so that the social services that already exist can come and work with them," homeless activist Ted Hayes said.

"The cluster of 18 *omnisphe*scans house

up to 24 people near the Atlantic Richfield Company, which donated \$250,000 to the cause."

U.N. TROOPS

From the October 29 edition of the *FORT WORTH STAR-TELEGRAM*, "Secretary-General Boutros Boutros-Ghali, one of the strongest proponents of using force to impose peace, is backing away from that tough policy.

"Recent bloodshed in Somalia and attacks on U.N. forces have soured the United States and other key nations on enforcing peace in strife-torn regions where U.N. troops are unwelcome.

"Boutros-Ghali, in effect calling for U.N. troops to stand down, said the United Nations should 'maintain, not impose peace.'"

Seems like a smoke-screen.

U.S. TARGETS KOREA

From an article faxed to *CONTACT*, appearing in the November 7 edition of *THE SUNDAY TIMES*, written by James Adams and Jon Swain, "The United States has prepared plans for a cruise missile strike to wipe out North Korea's secret nuclear bomb-making facility as its confrontation with the world's last Stalinist regime turns into President Bill Clinton's biggest foreign policy challenge.

"Washington fears that President Kim Il Sung, who has massed more than 70% of his one million-strong armed forces close to the border with South Korea, will himself order a preemptive missile attack or even an invasion of the South in a rerun of the Korean war he launched four decades ago.

"Nearly two million soldiers are dug in along the two sides of the 152 mile

demilitarized zone separating North and South Korea, 36,000 of them American troops who would be in the front line in any war triggered by the North's effort to become a renegade nuclear state."

TURN IN YOUR GUNS

In a recent telephone call to the CONTACT office, it was learned that the San Francisco Bay Area musical concert ticket supplier BASS, has offered to exchange concert tickets for guns.

SAY WHAT?

In an article from the October 29 edition of the *MODESTO BEE*, "The California Supreme Court agreed Thursday to decide whether patients may sue health care workers for **infecting them with the fear of contracting AIDS.**"

YOUR PAPERS, PLEASE

From the October 6 edition of the *REPUBLICAN-AMERICAN*, Waterbury, CT, "Paul Emma got carded at the door Tuesday, and he wasn't even entering a bar.

"Emma was at City Hill Middle School, out to vote. The people asking for identification were poll workers, required to do so because of a new state law that took effect last week.

"The new law, passed to weed out people who try to vote illegally under other names, places the burden of proof and penalty of law on voters."

HANTAVIRUS

In the October 21 edition of *THE DICKINSON PRESS*, New Orleans, "The number of cases of an often fatal viral infection could soon rise as mice carrying the disease seek shelter inside from cold weather, health officials warned Wednesday.

"Officials are apprehensive about autumn because an Asian version of the virus is most prevalent as winter approaches.

"So far, 42 people in 12 states have been infected..."

COLLEGE LOAN ABUSES

From the October 29 edition of *THE WASHINGTON POST*, in an article written by Mary Jordan, "The Education Department has known for 12 years about potential multimillion dollar abuses only now being stopped.

"Yesterday, on the second day of Senate hearings on abuse of college financial aid, a 1981 letter from the U.S. attorney's office here showed department officials were aware of problems with some of the ultra-orthodox Jewish schools under criminal

investigation.

"As much as \$300 million in Pell grants—aid for low-income students—may have been misused by 21 Jewish schools, the Senate Governmental Affairs permanent subcommittee on investigations said Wednesday."

COSMIC DUST

In another article from the October 29 edition of *FORTH WORTH STAR-TELEGRAM*, written by Mark A. Stein, "Scientists in California report that they have found evidence of organic molecules, potential *seeds of life*, clinging to interplanetary dust in a discovery that will probably refuel debate over a fundamental issue in science—the origin of life on Earth.

"The discovery of bits of carbon, oxygen and nitrogen on microscopic specks of dust from space bolsters theories that the dust could have been a significant extraterrestrial source of the complex molecules essential for the creation of life about 3.5 billion years ago."

TORNADOES IN MENA, ARKANSAS

From the November 14 edition of the *DAILY NEWS* (Lancaster/Palmdale, CA), "Tornadoes ripped through western and central Arkansas on Saturday, injuring up to 12 people, destroying homes and knocking out power in some areas."

For those readers who have followed the reports of cocaine drug trafficking out of the Mena airport, does anyone find it interesting that the tornado touched down at that particular location?

HAITI & THE CIA

From the same edition of the *DAILY NEWS*, in an article written by Tim Weiner of *THE NEW YORK TIMES*, "The Central Intelligence Agency created an intelligence service in Haiti in the mid-1980s to fight the cocaine trade, but the unit evolved into an instrument of political terror whose officers at times engaged in drug trafficking, American and Haitian officials say.

"American officials say the CIA cut its ties to the Haitian organization shortly after the 1991 military coup against Haiti's first democratically elected president, the Rev. Jean-Bertrand Aristide."

MANDELA

Also from the *DAILY NEWS*, in an article written by Donna Bryson, "Inasnda, South Africa—Squatters in this east coast settlement brought their hunger for homes, running water and peace to Nelson Mandela, who told them the solution is to *bury* President F.W. de Klerk and his white

government in elections next year.

"Mandela, president of the African National Congress, continued harsh attacks on de Klerk and the governing National Party during a campaign..."

ANC PREPARES FOR WAR

In the October/November edition of the South African publication *THE AIDA PARKER NEWSLETTER*, "Mandela's Nobel Peace Prize notwithstanding, more and more evidence is accumulating that the ANC is preparing for outright war and *ethnic cleansing* in the beautiful but already blood-soaked garden Province of Natal.

"What analysts now fear is that the ANC is preparing to do to the Zulus what Mugabe did to their cousins, the Matabele, after Zimbabwean independence. The Zulus, descendants of Shaka and other militarists whose name is legend, will fight to the bitter end, but the fact remains that they are pitifully ill-equipped to withstand the supremely well-equipped and international financed men so eager to break their back. The pointers to a major ANC build up are all there."

In another portion of the same newsletter, "Another document, also in Mandela's own handwriting, *How To Be A Good Communist*, held that only 'revolution, and not the slow change or reforms the reactionaries and liberals often advise,' could bring about 'the transition from capitalism to socialism. One therefore must be a revolutionary, not a reformist.' The Descendants Of King David Part II of a Series

THE EXILARCHS

Who were the Exilarchs? The "Exilarchs" were those who claimed descent from the house of David, and who were given "satrapys" by the Persian Empire through which to govern the Jews of Persia and other areas dominated by Persia. A "satrapy" was a governorship over a designated area and-or group. The satrap, or "Exilarch", a name by which their own governors were called by the Jews, had many rights and responsibilities to the Persian ruler including collecting taxes from the Jews. To the Jews, "Exilarch" meant their leader, or Prince, in exile (or in the dispersion, AKA diaspora). These leaders were approved by the Persian ruler and chosen by the Jews from among those who claimed descent from the house of David. Another name for them was "Resh Galuta", or head of the Golah (community).

I quote from the article "Satrap" in the *Encyclopedia Judaica*:

"The satrap possessed very extensive authority: he supervised the administration of the districts of his province, including the imposition of taxes. He had the right to mint coins in his name, except for gold coins, the minting of which was the prerogative of the emperor. He was the supreme judge and travelled throughout the province dispensing justice. He was responsible for the security inside his province, and supervised the highways. He also had an army which he recruited locally, but the garrisons in the citadels and the regular army were under the direct command of the emperor. The *pehah* (governor) was subordinate to the satrap, who in turn was subject to the representative of the emperor; but satraps frequently conducted their own foreign policy. Sometimes more than one province was under the control of one satrap. The office of satrap at times passed by inheritance and there were dynasties of satraps which continued for many generations. As a result of the extensive authority bestowed upon the satrap, the Persian Empire in the course of time was a united country only in theory" ...End quoting.

There are accounts of individual Exilarchs

who were heavily involved in marketing, the production of beer, weaving of silk, and other large commercial interests. The satrap controlled these affairs in his province. The Jewish Exilarch also gathered taxes from Jews outside Persia.

There were also Jewish "nobles" who wielded a great deal of power. It was said among the lower class of Jews that one must avoid conflict with these "nobles" at all costs, due to their tyrannical severity.

Why do I write about the Exilarchs? Because I believe that most Christians, and-or Western peoples, are unfamiliar with the circumstances, believing that "the house of David" disappeared millenniums ago. Such does not appear to be the case. However, the public records grow dim in later centuries. The Jews still look for a "Messiah" from the house of David, who will not only restore them to Jerusalem but rule the world! They believe they are the people chosen to do so. And, the house of David has been carefully maintained for that hoped-for eventuality.

What do they mean by "Messiah"? Actually, it means "anointed one"—simply a king of the Davidic line who has been "anointed" and crowned. However they look not only for a king, but THE king—one to rule the world. The following are some excerpts from *The Encyclopedia Judaica's* article on "David":

"In the *Aggadah*: David's image in the *Aggadah* is many-faceted. The unique status of his monarchy—in contrast to other kings of Israel—is frequently emphasized: 'The sovereignty of David shall never lapse' (*Yal., Num. 771*). The *Midrash* even declares that God looks forward to David being king until the end of the generations" (*Gen. R. 88:7*), and that 'Whoever contends against the sovereignty of the house of David deserves to be bitten by a snake' (*Sanh. 110a*). In this emphasis there is an echo of the dispute which, in its time, divided Judaism after the establishment of the dynasty of the Hasmoneans who were not of Davidic descent (see "David, Dynasty of").

"Pharisaic Support of David's Dynasty. The Pharisees did not deny that according to the *halakhah*, kings, who were not of the house of David could be appointed (*Hor. 13a: et al*); but they made a clear distinction between them by stressing that the house of David was eternal, and by placing limits upon the authority of the other kings: only kings of the house of David could judge and be judged themselves, and not kings of Israel

(*Sanh. 19a*) (There appears to be an error in this reference as other references state kings descended from David were *not* to be judged themselves.): kings of the house of David were anointed, but not kings of Israel (*Hor. 11b*); and even when kings of Israel were anointed (when the succession was in dispute), oil of balsam was to be used and not the prescribed anointing oil. It was also ruled: In the Temple Court, the kings of the house of David alone are permitted to sit'. (*Sot. 41b*). End quote. [The Pharisees became rabbis after the destruction of the second temple in Jerusalem.]

"In the *Liturgy* David is also remembered and extolled. In both the Ashkenazi and Sephardi rites, the concluding blessing, almost exclusively of psalms, states that "it is the duty of all creatures to praise and extol God even beyond the words of song and adoration of David the son of Jesse, Thine appointed servant." More prominent is the "hope of the restoration of the Davidic Dynasty and its Messianic undertones"....The "15th blessing of the *Amidah* implies this in 'two passages of the Grace after meals. Have mercy upon....the kingdom of the house of David, Thine anointed' and 'showeth loving kindness to His anointed, to David and his seed for evermore.' (The addition to the Grace for the intermediate Days of *Sukkot* also prays for God to 'raise up the fallen tabernacle (*sukkah*) of David' (*Amos 9:11*). End Quoting. (Underlining mine—Nora)

"In *Kabbalah* David is seen as the man who symbolized the "quality of the Kingdom"...."Together with Abraham, Isaac, and Jacob, David constitutes the 'fourth leg of the Merkabah'; or the throne in an extension of the Midrashic saying: 'It is the Patriarches who are the Merkabah' (*Gen.R.47:7*).

"In *Christianity*. David's importance for Christianity derives from the fact that Jesus was considered the Messiah, son of David"...."the title, Messiah, was also bestowed upon Bar Kokhba by Rabbi Akiva. By Paul's generation, however, Christians already believed that Jesus was descended from the house of David (*III Tim. 2:8; Heb. 7:17*). Consequently two distinct and very artificial genealogies of Jesus were traced (*Matt. 1:1-7; Luke 3:23-8*).

"In addition he (David) was considered an exemplary king: Charlemagne liked his courtiers to call him 'the new David'. The Armenian Bagatrid dynasty traced their lineage to David and Bath-Sheba, as Ethiopian Monarchs do to Solomon, the son of David. The Church regarded David as a prototype of a king obeying its precepts, and his anointment by Samuel was the basis for that of kings and emperors during the Middle Ages." End Quoting. (Kings and emperors were

crowned, or anointed by the Pope in the "Holy Roman Empire", and by the Archbishop of the Church of England in England.)

The Jewish sources imply that Jesus was NOT one of David's descendants by pointing out that, according to the *New Testament*, Jesus did not claim to be descended from David, although others called him "son of David". I have, in Part I of this series, described some of the problems with the genealogies of Jesus in the *New Testament*. It appears to me that there are indeed, problems with Biblical accounts. Some of these problems can be charged to early errors in translations. However, like the "Jews", I believe "Christians" have been grossly misled by a priesthood and elite group intending to reap rewards and power for themselves, NOT to bring TRUTH to the people.

Esu/Jmmanuel/Sananda stated in the PHOENIX JOURNAL, AND THEY CALLED HIS NAME IMMANUEL, I AM SANANDA, that there was NO intrinsic value to the genealogy he gives to us therein except for "doubters and testers". The point I believe He was making is that it is NOT the blood-line of the physical body, but the nature of the soul inhabiting that body that is important. King David was a special one, and it is said of him that he "was a man after God's own heart." However, he lived 3,000 years ago. How many of today's descendants of David can be said to be "a man after God's own heart?" One must look to the particular man, not the blood-line. Does the man follow God's Laws? How does he treat God's creation and creatures? David's son Solomon was NOT a follower of God's Laws, and this is why the "Kingdom of Israel" did not last long. ANY descendants of Solomon would carry his blood-line as well! Think about it.

I believe, if indeed there is any true prophecy regarding the "eternal" reign of the house of David, that the ONLY descendant now worthy to hold that honor, and carry that responsibility IS the one called Esu/Immanuel. In any event, God will have the last word on this issue.

Jewish communities in Babylon (Persia) continued to grow and expand. "Until the Arab conquest the government of Babylonian Jewry for the first 12 centuries C.E. lay in the hands of the Exilarch. Rabbinic traditions incorporated in the *Seder Olam Zuta*, trace the origin of the institution to the last years of the exile of Jehoiachin, on the basis of *II Kings 25:27*. Further data were derived from *I Chronicles 3:17 ff*. Whether such an institution actually existed before the Parthian times is not known, and certainty is impossible." (Ref. - *Encyclopedia Judaica* subject: Exilarch). The rabbinic tradition of the *Seder Olam Zuta* is the LONE account of the early Exilarchs.

The article above contains a listing of the Exilarchs (see below) starting with Nahum, 140-170 A.D., and ending with Samuel (b. Azariah?) 1240(?) - 1270(?) A.D.

One can find individual accounts of each Exilarch and their advisors under their separate names throughout current Jewish reference works. To say that all went well for each of them would be a gross understatement. There were frequent conflicts, controversies, jealousies, etc., between the various leaders and communities. Sometimes there was more than one Exilarch executing administrative authority in different communities. Also, at times, the "Gaons" (or priests) objected to

the Exilarchs who they claimed were "unlearned", etc. There was also concern that the priests, or rabbinic scholars of the various academies, were more qualified to lead than the house of David, giving rise to the question, at times, of whether the house of "Aaron" (the priest) should not rule, or at least have equal power with the king (Exilarch). Nevertheless, the Jews, as a whole, retained the preference for the house of David, even though some of the Exilarchs became despotic burdens. In maintaining the Exilarchs and the various academies, the Jews retained their representation at the Emperor's Court and their autonomy as a group within the country, as well as maintaining a continual control over their own community.

The Jews were mostly favored by a tolerant attitude of first the Persian Emperor and later the Ottoman Sultan, who was related to the Tartar Clans. They had complete freedom in pursuit of economic activities. "From the tenth century on, Jewish merchants began to participate in banking and moneylending and to play a leading role as financial experts and bankers in the service of the Caliphs and their viziers" (Ref.: *Encyclopedia Judaica*, subject: Persia.)

It was during the period of the Exilarchs in Babylon (Persia) that the *Babylonian Talmud* was developed. It is said, "essentially", to be "the interpretations and elaboration of the *Mishnah* as it was carried on in the great academies of Babylon. Although there are no clear-cut beginnings or endings, it is customary to date the period of the *Babylonian Talmud* from the days of Abba Aricha (usually called Rav) and Samuel, in the first half of the third century, to the end of the teaching at Ravina (Aka Ravenna) in 499. The most important academies were in Nehardea, Sura, Pumbedita, Mahoza, Noresh and Mata Mehaysa."... "Usually the heads of the Academies who followed each other were the immediate disciples of the previous heads".... "While the *Babylonian Talmud* is an interpretation of the *Mishnah*, it is not always the same *Mishnah* as that found in the *Jerusalem Talmud*, and there are numerous variants in the two texts".... "There are two well-known cases in which the teaching of the *Jerusalem Mishnah* is virtually opposite to that found in the *Babylonian Mishnah*." End Quoting.

Those of you who can obtain a copy of the *Encyclopedia Judaica* should read their complete article on the *Talmud, Babylonian*, especially if you do not have access to the *Talmud* itself.

Approximate list of Babylonian exilarchs during the Middle Ages. [reprint from *Encyclopedia Judaica* subject: Exilarch.]

quent years."...."It was the practice of governors of important towns of Iraq to appoint a wealthy Jew as *sarraf bashi* ("chief banker"): he also acted as *nasi* of the local Jews. His powers were almost identical to those of the Babylonian Exilarch during the Middle Ages. The *nasi* of Baghdad was the "*nasi* of the state" and his authority also extended to distant communities. This office was the patrimony of the descendants of the house of David and was passed down from father to son. From the 18th century until 1849 the *nesi im* who were appointed were not from the house of David. From then onwards the functions of *nesi im* were transferred to the *hakkam bashi*." End quoting (Ref. *Encyclopedia Judaica*, subject: Exilarch.)

From the above one can see that the house of David received unusual support from Persia and the Ottoman Empire, and has continued up to our own time. Today one probably should look among the wealthy financiers and bankers to find traces of the "house of David".

One comes across various individuals throughout the different Jewish Encyclopedias who, today, claim descent from the house of David. Whether or not they are recognized as a possible world leader by the Jews is not stated.

Please note also that Hulugu, the Mongolian, barbarian, invader, descendant of Ghengis Khan, did not harm the Jews of Baghdad or the Babylonian (Persian) area. By 1258 the Jews and the Khazars had been co-religionists for 500 years, as well as both being powerful influential groups including many traders and bankers. Hulugu's army had the best arms in the world at that time. Who do you suppose supplied these arms to Hulugu?

THE TITLE "NASI"

Quoting from *The Standard Jewish Encyclopedia*, pg. 1387:

"NASI (Heb. "prince"): Talmudic term for the president of the *Sanhedrin*, who was also the spiritual head and later, political representative of the Jewish people. The second in authority to the NASI was the *av bet din* (or president of the court), and together they composed the *Zugot* ("pairs") recorded in the *Mishnah*. Some historians have questioned the Talmudic traditions and find indications in non-Jewish sources that the president of the *Sanhedrin* was the high priest. A solution has been found in the theory that there were two *Sanhedrins*, political and religious, the latter only being presided over by the NASI before the fall of Jerusalem. From the 2nd Century, the NASI—henceforth always a descendant of Hillel—was recognized by the Roman authorities as Patriarch of the Jews. Later the title was used in some centers (e.g. Spain) to designate the lay leader of the Jewish

community, and ultimately become a surname. In 132-5 A.D., Simon Bar Kokhba assumed the title, and it is possible that it was applied to the president of the *Sanhedrin* only after this period." End Quoting.

Of course, the title of "Nasi" confuses the question of *who* is indeed the head of the Jews. Apparently, the terms were used by different groups in different ways. There was also more than one descendant of David living at one time and more than one community to rule. Some "golahs", for example, were ruled by "chief rabbis". The chief rabbi in Egypt was called "Nagid".

MESSIANIC CLAIMANTS

Beginning at the time of the Moslem, Islamic conquests during the 7th century, the ferment caused by the changes in political, cultural, linguistic and religious aspects of the entire Middle East, gave rise to Jewish sectarian movements, freethinkers, heretics and pseudo-messianic claimants. Some of them gained a considerable following and held sway for a short period of time. Some of them left a continuing influence of one sort or another, but none of the earlier claimants secured the immediate goal for which they hoped—a change in the spiritual, or religious and political life of the community and a return of the Jews to Jerusalem. They did, nevertheless, show that the expectation of, and hope for, a "Messiah" could be a strong, influential part of Jewish tradition and religion up to the present day. I shall list a few for you and summarize the particulars of their movements:

1. *Abu Isa*, a tailor who lived in the seventh century, greatly influenced by the heterodox tendencies in Islam, proclaimed himself Messiah, acknowledged Moses, Jesus and Mohammed as true prophets, advocated fundamental changes in the Jewish Calendar, Jewish ritual and prayer aimed at reform of, and revolt against, the rabbinic Judaism. His followers were mostly the uneducated and poor Jews of Isfahan (Constantinople). His activities brought him into open conflict with Islamic authorities and he was killed in a battle with the Caliph's troops. His adherents are said to have eagerly awaited the return of their "Mahdi", Abu Isa, in Isfahan until the tenth century. (We see again the heads of the Persian Government supporting the "orthodox" religion, and not a spontaneous movement of the people.)

2. In the ninth century, in Khurasan, a Jew from Balkh arose, known as *Hiwi al-Balkhi*. His teachings are known mainly through Saadiah Gaon's 200 refutations of his beliefs.

3. *Anan b. David* founded the Karaite

movement in the eighth century. His movement was squelched by the Exilarchs and rabbinic-talmudic Judaism reasserted its influence, although Karaite Communities continued to exist well into the 16th century, and even some exist today.

4. David Alroy, a pseudo-Messiah, appeared in Amadiya in the time of the Seljuk sultan, Sanjar (d. 1156). Realizing that the messianic movement might encroach on his authority, the sultan threatened to eliminate "all Jews in all parts of the Persian Empire unless the movement was stopped." It is from David Alroy's flag that the symbol on the present flag of Israel was obtained—the six pointed blue star of interlaced triangles on a white field. David was killed but his group continued for many years as the sect of Menahemites, named after Menahem, the traditional designation of Messiah. (Ref.: *Encyclopedia of Religion & Ethics*, pg. 583.) It was said that Alroy had "command of the magical arts."

According to the glossary in the facsimile copy of *The Geneva Bible*, first published 1560 A.D., Menahem means "comforter"! Here again we have some similar but conflicting, beliefs among "Jews" and "Christians". The Christians look for the coming of a "comforter"! Now, who do you suppose gave us these words? And, who confused the kings of Israel of the Davidic line with the attribute of "comforter"?

Please read my article titled, "The Magen David and the Symbols of Israel", for more information on David Alroy.

5. Abraham ben Samuel Abulafia was born in Saragossa in 1240. He was attracted to Kabbalistic studies as a child. In 1281 he was in Rome trying to convert the Pope! His boldness involved him in imprisonment. Four years later he was in Sicily proclaiming himself as Messiah and announced the end of the millenium for the year 1290. His movement failed when 1290 came and went and the millenium still tarried.

6. Abraham of Avilla soon proclaimed the end of the millenium for 1295. There were sufficient believers to fill the synagogue on the expected day. Surprisingly, it is said many in the synagogue that day found mystic little crosses on their garments and embraced Christianity! However, no "Messiah" appeared.

7. Moses Botarol of Cisneros appeared a century later, but as a prophet he was of little consequence.

8. In 1502 Asher Lammelein suddenly arose in Istria (Lower Danube area) and announced that if the people would prepare themselves the Messiah would appear that year. After much preparation the Messiah failed to appear and the "prophet" disappeared.

9. Reubeni arrived in Venice in 1524 and proceeded to Rome where he procured an audience with the Pope, Clement VII.

Miraculous power and semi-divinity were attributed to him. His disciple, Solomon Molko, foretold the advent of the Messiah for 1540 and the sack of Rome in 1527. Both acquired many followers and much influence. Both were eventually handed over to the Inquisition as imposters.

10. Isaac ben Solomon Ashkenazi Luria (Ari) (1534-72), was the founder of the modern *Kabbala* who pretended to be the forerunner of the Messiah. On Luria's death, his disciple, Vital, succeeded to his position and claimed to be Messiah ben Joseph, the precursor of Messiah ben David. Their activities were located in Safed. A rival Messiah in the person of Abraham Shalom arose at the time of Vital to declare he was Messiah ben David, ending Vital's influence.

11. The most remarkable and influential of all the pseudo-Messiahs was Shabbathai Sebi, born into the family of a Sephardi agent of an English Mercantile firm at Smyrna on the 9th of Ab (the anniversary of the destruction of Jerusalem and a day of fasting in the Jewish calendar), 1621 or 1626. He is generally believed to have died on the Day of Atonement in 1676. As a boy he was noted for his strange physical beauty and introspective habits. The kabbalistic mysteries of the *Zohar* had a great attraction for him. He revealed himself as the Messiah to a small group of followers in 1648. The Rabbinical authorities decided he had overstepped the bounds and excommunicated him about 1651. Shabbathai gathered several devoted disciples and went to several other localities, where he stayed for awhile: Constantinople, Salonica, and Cairo. The approach of the prophesied apocalyptic year, 1666, attracted him to Jerusalem. He gained influence there and was sent abroad to gather funds for those in Jerusalem during the expected "apocalypse". During his travels he learned about a Polish Jewess, of great beauty, but also great immorality, who had announced she was intended as the bride of the Messiah! When this became known to Shabbathai in Cairo, he sent for her and married her.

Shabbathai's pronouncements were not encouraged by the authorities in Jerusalem, but he continued to gather a large following. He returned to Smyrna, which city welcomed him with a grand reception and he announced his Messiahship. He was given absolute power as the sole authority of the Jewish community in Smyrna. Everywhere from the Middle East, to Europe, to the Baltics the new Messiah was discussed. Tributes poured in upon him.

At the beginning of the year, 1666, Shabbathai left Smyrna for Constantinople. Before doing so he distributed the kingdoms of the Earth among his principal followers. As soon as he landed he was arrested by an officer of the Sultan, who

placed him in chains. His popularity continued. Shabbathai's courage however, did not equal his popularity. When questioned by the authorities regarding his claims and intentions, he replied that he was merely a rabbi sent from Jerusalem to collect funds for charitable purposes. Nevertheless his popularity continued! His fall came when he was denounced by a rival who declared Shabbathai's "treasonable intentions" to the authorities. In order to save his life Shabbathai embraced Muhammadanism!

I came across another mention of Shabbathai in the *Encyclopedia Judaica's* article titled "Seals". Therein the name is spelled "Shabbetai Zevi". It is said that the symbol on his seal was a serpent, "the Hebrew word for serpent being numerically equivalent to the Hebrew word for Messiah!"

12. Two other "Messiahs" followed Shabbathai's movement:

Jacob Frank (1726-91), an undisguised charlatan and an apostate from more than one faith, who pursued a career of unceasing warfare against Rabbinical Judaism. He gathered a large following and lived in a state of luxury until his death, latterly known as Baron of Offenbach!

Moses Hayyim Luzzato (1707-47). Not even Luzzato's most determined enemy could charge him with being a charlatan. He was the son of wealthy Italian, Jewish parents who early came under the influence of the Kabbalists and the *Zohar*, the mysteries of which took possession of him. He even wrote a second *Zohar*. He was convinced of his DIVINE mission, gathered a few disciples and started teaching his new text. The rabbis of Venice excommunicated him and he left, wandered to Palestine, where he died of the plague shortly after his arrival.

Obviously, the above subjects, which were primarily excerpts taken from the *Encyclopedia of Religion and Ethics*, show the perennial hope and longing of the Jewish people for their "Messiah", and the unorthodox paths these hopes have taken in the past. It is not stated whether any of those "Messiahs", listed above, were actually descendants of David, or even that they claimed to be. Nevertheless, today's culmination of this type of anticipation and activity helped to precipitate the Zionist movement, return to Palestine and a homeland for the Jews! There has been, however, no new "Messiah" to yet proclaim his presence in Jewry, and one wonders which scion of the house of David plans to sit in the temple at Jerusalem when it is completed?

Of course, for "Christians", the return of Christ (Jesus/Esu/Immanuel), also a descendant of David, is expected at the time

of the apocalypse. Does that mean there will be two descendants of King David to rule? The Biblical *Book of Revelation* does not indicate this will be the case.

When, and if, a man of Earth sets himself up in the temple and declares that he is "God"—it is a sign of the end. I could not tell you whether the "temple" in this scripture is actually located in Jerusalem or the Vatican at Rome, we will know when, and if, it happens which city it is. As Hatonn has often stated, "It does not have to happen according to the prophesy!"

YOU Are Making A Difference!

ally, several years ago wrote an article on Education which cost him his job because of it's content. I ask that that be pulled forth and shared with you readers in one of the soon upcoming papers—with an "updated comment" regarding the subject to let you know he is still "alive and well".

Meanwhile, nobody here has time for writing Editorials—so you will have to be your own "Editor" and think through your own commentary regarding EACH issue presented. We are not in the "paper" business or the publishing business—or in the book writing business. We effort toward ONE goal—getting information to your hands, eyes and minds.

Proof of who we are if we are so con-founded important to the evolvement of your planet? Look around you, see the truth of your circumstances and then ponder as to whether or not THAT GOD in which you "trust" and unto whom you pray—would not send messengers to assist you IN ANSWER TO YOUR PETITIONS? So be it. However, for your more sensitive senses—go without on a clear night and search, briefly, the sky. Wait until you see a seemingly "strobing" rainbow of color emitting from MANY of those twin-

klings lights OUT THERE. Get a telescope or go borrow one, the bigger the better, and SIMPLY LOOK! You will not find, other than the near shuttles with singular "lights" as in "bulbs". The "greater" craft will be stationed between you and FAMILIAR HEAVENLY BODIES, I.E., VENUS, ETC. Watch for a few minutes as gossamer vapors bathe in spiraling swirls a rainbow of colors which seem to be alive. THE SPECTRUM WILL BE THAT OF THE RAINBOW. PLEIADES CRAFT WILL ALWAYS SHOW YOU THE RAINBOW SPECTRUM WHILE SOME OTHER CRAFT MAY WELL DEMONSTRATE A SOLID COLOR SIGNAL. THIS IS NOT MYSTICAL, SEARCHERS, THIS IS "PHYSICAL" AND SOLID EVIDENCE OF "PRESENCE".

DO "WE" BELONG TO A "CHURCH"?
NO—NO, AND NO!

Only in the most specific definition of "CHURCH" (body of...) does the meaning fit our presence. One of the BIG LIES, however, on your place, is the presentment of "Separation of Church and State"—you are controlled by the Church of Satan in its fullest meaning—"Church" being the body or "congregation" of

Physical pursuits. "Satanic" has become for all practical purposes defined as "seeking after the physical and lower energy aspects of your manifestation in experience."

BEHIND EVERY SYSTEM OF LAW THERE IS A GOD. To find the god in any system, locate the source of law in that system. If the source of law is the **individual**, then the individual is the god of that system. If the source of the law is the people, or the dictatorship of the proletariat, then these things are the gods of those systems. If the source of law is a court, then the court is your god. If there is no higher law beyond man, then **man becomes his own god, or else his created creatures, the institutions he has made, have become his gods.** When you choose your authority, you choose your god, and where you look for your law—**THERE IS YOUR GOD!**

WHO IS YOUR GOD—WHAT IS YOUR LAW?

CONCENTRATION CAMPS

In this and recent papers, we are speaking

about Concentration Camps—for you-the-people. These will be R&R-CCC Centers—(Restricted Retirement and Controlled Career Centers). I may well amuse you with cute lingo as does your government—BUT IT IS NOT funny, readers.

Since there is going to be an in-depth blast here about those "retreats" I find it helpful to give you a summary right up front to focus your attention on the seriousness of this point. I salute you who are courageous enough to realize TRUTH. GCH[Georgos Ceres Hatonn]

CONCENTRATION CAMPS HERE?

The following is an article written by William R. Pabst and reprinted here for our readers. Mr. Pabst is a Houston attorney who researched and filed a law suit against the U.S. Government and various officials over reported concentration camps scattered around the country. His report on concentration camps was truly frightening and should be thoroughly investigated by a blue ribbon citizen group. This report is a follow-up to the concentration camp expose.

FARMERS & CONSUMERS REPORT,
Aug.-Sept., 1993;

QUOTING:

HOUSTON, TX (ENS)—There are various levels of proof that the federal government is establishing a National Police to be responsible to a single federal bureaucrat as is the practice in certain totalitarian countries. The agency responsible for this frightening concept is the U.S. Department of Justice, the Law Enforcement Assistance Administration.

To set the stage, some background material is necessary for complete understanding of this article. Hard evidence arose here in Houston during the investigation that has continued for the lawsuit against the Concentration Camp Program of the Department of Defense. Through that suit, I have been able to prove the LEAA's criminal justice program through its organization called the UN Clearinghouse studies Soviet Union Police Methods, and their system of law enforcement is the opposite (seemingly) of ours, i.e., police repression and tyranny against the people as compared to protecting the lives and property of the people against the ever present criminal element.

The total program involves military units that have the functions of taking over the administration of state and local government (Operation Cable Splicer) by Army "Civil Affairs Groups" a subplan of Operation Garden Plot (martial law program).

The method by which the national police concept is being presented to the public has changed. It was first disguised under the cover of protection against "civil disturbances". This program was as follows: (a) keep people from gathering in the streets; (b)

isolate and neutralize the "revolutions" leadership, and (c) dispersal of crowds of demonstrators. This is followed by successful prosecution in order to (1) validate the action of the police, (2) denying the arrestees propaganda materials, and (3) denying them an opportunity to recover money damages against the police for arresting them.

Let me quote for you the scenario (fact situation) which was developed for Cable Splicer I, II and III to justify the need for dealing with "civil disturbances". Phase I—an arrest and shooting provoke crowd unrest and threats against public officials and a riot begins to form. Phase II—police vehicles are ambushed, various attempted assassinations of public officials occur, destruction and raiding of armories occur and thousands of people begin to gather and local police lose control. Phase III—increase movement of rioters and the crowds must be dispersed before they become sympathetic with the rioters. The National Guard and local police lose control. This scenario provides for an "orderly" transition from state to federal control.

The Deputy Attorney General of California commented at the Cable Splicer III conference that "anyone who attacks the state, even verbally, becomes a revolutionary and an enemy by definition. They are the enemy and must be destroyed." This program was taught in almost every state west of the Mississippi and included as participants local active military, reserve military and civilian police. The course name was **Civil Emergency Management Course.**

The official explanation that was to be given if any questions were asked about the program was: "This activity is a continuous joint law enforcement military liaison effort and a continuation of coordination established last year."

THE NATIONAL POLICE

The foregoing was a review of the information available up to now. The following information was obtained by a patriot in California who, after hearing of the "Concentration Camp Lawsuit", has made it possible for this report to be prepared.

LEAF: Safeguard Exercise at Camp Roberts. LEAF stands for Law Enforcement Assistance Force. Tonight information is presented from the California National Guard Newspaper the *Golden State Guardsman*, *The New York Times*, *The San Luis Obispo County Telegram-Tribune*, *The Santa Maria Times*, *The Oakland Tribune* and the *National Chronicle*. Each source provides a little more or different information than the other.

Last Saturday, the California National Guard unveiled the new Law Enforcement Assistance Force (LEAF), a specially trained and outfitted military police unit whose members will serve as shock troops in the state's war against political protestors and demon-

strators.

I saw a full dress exhibition of what the California National Guard has planned for the next American Revolution: Helicopters, SWAT teams, civilized military policemen in jackboots and helmets, 12 gage shotguns, .38 and .45 calibre pistols, radios, walkie talkies and electrically controlled intelligence centers wired for instant communications with any police force in the state.

LEAF is a 1,000 member unit put together this year to handle unique law enforcement problems such as mass civil disobedience, protest demonstrations and riots, in other words, "breaking heads and taking names". LEAF has the support of the National Guard and Governor Brown, a quarter million dollars worth of grants from the Federal government and no public opposition from civil liberties groups.

For all its ineptitude, however, LEAF remains a frightening possibility from a civil liberties standpoint. It is the direct product of the CALIFORNIA CABLE SPLICER conferences, a series of SECRET high level meetings between government officials, law enforcement officers and military planners held during the late 60s and early 70s (NOTE: The meetings were held as late as 1975 so far as any public record shows. The meetings continue but utilize other code names.)

These were the conferences which **COUNTER SPY** magazine had identified as *California's Garden Plot Subplan.*

Gray Davis, Governor Brown's right hand man said, "LEAF is to assist civil police, not to replace them." Gray said, "civilians would expect a civilian-type enforcement rather than what is commonly known as martial law."

In closing, I hope to instill in each of you that a present physical danger against our form of government emanates from Washington. There has been a change in the public relations explanation of the program from "civil disturbance" but the training is programmed toward one goal: a national coordinated federal police force like that utilized in totalitarian or dictatorial forms of government.

(SHORTENED VERSION FOR HAI, MASSEY)

EXTREMELY URGENT
CRITICAL SITUATION REQUIRES IMMEDIATE ATTENTION

Governor Mel Carnahan
Box 720
Missouri State Capitol
314-751-9219
Jefferson City, MO 65102

Faxed November 13, 1993 to

314-751-9219

Dear Governor Carnahan,

GUNTHER RUSSBACHER REQUIRES IMMEDIATE OPEN HEART SURGERY.
HE CANNOT HAVE OPEN HEART SURGERY BECAUSE HE HAS INFECTIOUS
HEPATITIS.

Gunther Russbacher is in Barnes, St. Peters hospital. He was taken there, Wed, 11-10, because of chest pains which could lead to a heart attack.

He was taken from the isolation cell in the St. Charles County Detention Center (314-949-3003) to the intensive care ward in Barnes St. Peters hospital, (314-926-7750). The attending physician is Dr. Lewen.

Captain Russbacher was first placed in the isolation cell on October 18, 1993 because he had infectious hepatitis. Please recall last June when he was forced to work in the kitchen at the Missouri Eastern Correctional Center. I appealed to you to intervene and have him removed from that detail because the harsh chemicals were causing his nailbeds to become infected, swell with pus, burst open and bleed. I was afraid he might have to have his fingers amputated, but I was also afraid that he would expose the prison population to hepatitis. He contracted hepatitis while a POW in SE Asia, and in the past has been diagnosed as a carrier.

You ordered Dora Schriro to look into the matter. On June 16, 1993, she wrote to me:

"Liver studies performed on your husband have been within the normal limits and have shown no indication of hepatic disease. These studies were performed at the institution and at the University of Missouri."

The facts speak for themselves:

1. On or around June 16, 1993, blood tests showed no liver disease.
2. If these tests weren't taken at that time, and the prison relied only on earlier tests taken in March of 1992 at the Columbia University Medical Center, then the prison is criminally negligent. If they were taken at that time and he didn't have hepatitis-B, then how did he get it?

3. Russbacher's sentence was vacated on August 20, 1993
4. He was returned to the St. Charles County Detention Center 19 days later, on September 15, 1993.
5. He was diagnosed as having hepatitis-B on or around October 18, 1993, slightly over one month after leaving the Missouri State Prison System.
6. Hepatitis-B requires an incubation period. Because of this is, it is highly doubtful, but not impossible, that he contracted it in the County Detention Center. More than likely he had hepatitis-B in the incubation stage when he left MECC.
7. According to your Director of Prison, Dora Schriro, in her June 16, 1993 letter to me:
"Hepatitis B is spread by parenteral (shared needles), sexual or perinatal transmission." It is also spread by blood transfusion OR a purposely infected needle!
8. My husband is not a drug user. If he were it would have shown up in the many blood and urine tests the prison performs.
9. My husband is not a homosexual, and has not engaged in any sexual activity in over three years.
10. He has not had a blood transfusion, to my knowledge, in over ten years.
11. Dr. Lewen performed a catheterization on my husband and concluded that he needed multiple by-pass surgery.
12. Bypass surgery CANNOT be performed while the hepatitis is active.
13. GUNTHER RUSSBACHER IS AT RISK OF A MAJOR HEART ATTACK AND CANNOT RECEIVE ANY TREATMENT TO LESSEN THE RISK OF ATTACK BECAUSE HE IS AN INMATE IN ST. CHARLES COUNTY WHO HAS INFECTIOUS HEPATITIS AND NO DOCTOR WILL AGREE TO PERFORM THE SURGERY.
14. If he were released on bail, he could have a highly successful alternative to surgery; chelation. But chelation therapy is not yet recognized by the AMA and therefore your prison system and the county jail system do not allow it for their inmates.
15. He cannot be released because we do not have \$450,000 in CASH to post his bond.
16. Judge William Lohmar set the bail, at Prosecutor Phil Grownwoghe's behest, and then removed himself from the case.
17. Judge Nancy Schneider denied a change of venue, and then removed herself from the case.
18. Defense attorney Rob Fleming states that most of the charges on which the bond is based are over the statute of limitations, (this is the reason the appellate judge vacated the original plea agreement and sentence).
19. Fleming also states that many of the other charges have been dismissed, but bail is still being demanded of them.
20. Fleming further states that some charges are filed

as two different charges thereby inflating the amount of the alleged crime.

21. According to Fleming, the only charges Phil Croenweghe will likely bring into court are alleged bad checks in the range of \$2,000 to \$8,000 and are all Class "C" and "D" felonies... barely above the misdemeanor level.

22. The "ridiculous bail" on such minor charges precludes Russbacher's release.

23. Hepatitis-B precludes his medical treatment.

Gunther Russbacher needs immediate treatment for his serious heart condition. He cannot have surgery, BUT HE CAN HAVE CHELATION!

* * * * *

Your office informed me that you have no authority over the Counties. I take issue with this. I have listed enough reasons for you to instruct your Attorney General to launch an investigation into the vindictive prosecution of Gunther Russbacher which will kill him if you don't step in.

Since it appears that Gunther Russbacher was given hepatitis-B while incarcerated in your prison system, then I believe it is in YOUR own enlightened interests to intervene in this case and get him removed from the County jail so that HE can obtain his preferred treatment, chelation.

If Gunther Russbacher dies while he is incarcerated in the County jail, not only will the County of St. Charles be held responsible, but you and your prison system will be held responsible. Do the right thing. Save his life. If you don't, and he dies, Gunther Russbacher will become a martyr and his death will destroy your future in politics.

Governor Carnahan, if you act to save his life, you will become a hero. If you sit back and do nothing you will be judged not only by the voters, but by GOD! This story is too big to stay covered up much longer. If he dies, while incarcerated, there will be Hell to pay, not just for you, but for everyone who has had a hand in his murder.

Sincerely,

Rayelan Russbacher

(11-15-93 UPDATE: The doctors have discovered that the hepatitis will not cause problems for Gunther in the event of surgery. If the doctors and nurses are vaccinated for hepatitis, then the surgery can take place. It appears at this time that Gunther's surgery will be within the next day or two, unless by some miracle he is released.)

GOVERNMENT PLANS TO REQUIRE MANDATORY VACCINATION AND TO REGISTER AND TRACK ALL CHILDREN FROM BIRTH - URGENT ACTION ALERT -

The Clinton administration is leading a bi-partisan effort in the House and Senate to set up a national computer database linked tracking system coupled with a permanent health ID card which would track all vaccinations given to individuals from the time of birth. The proposed legislation (H.R. 940, S. 732, S. 733) provides funding for universal vaccination of all children with special targeting of newborn infants and children under two years of age. There are no provisions for philosophical or religious exemptions.

The tracking system will alert state and federal health officials which individuals have not received all of the recommended doses of vaccine and leaves open the right of officials to charge parents with child abuse if their children have not received the recommended doses of all vaccines.

The tracking system appears to set the stage for the eventual mandating and enforcing of adult vaccination. The proposal will allow the government to either not disclose or minimize vaccine risks in information given prior to vaccination.

Current federal recommendations support the medical practice of vaccinating newborns with multiple viral and bacterial vaccines on the same day, vaccinating babies who are ill, vaccinating without giving a physical exam or taking a complete medical history, and having non-medical personnel administer vaccines. There has been no public disclosure of safety and efficacy data to support these official recommendations, which will put many more children at risk for vaccine injury and death. The FDA continues to refuse to license the safer acellular pertussis vaccine for children under 18 months of age. Most doctors are still not reporting vaccine reactions and the government will not follow up in detail on reports of deaths and injuries following vaccinations, including more than 17,000 reports made in a 20-month period ending July, 1992.

Already, children and adults who have been injured by vaccines in the past have been forgotten. Under the proposed legislation, the federal vaccine injury compensation program created under the "National Childhood Vaccine Injury Act of 1986", which NVIC/DPT fought so hard to obtain, will be opened up to include every new vaccine produced by the drug companies and promoted by the federal government. More vaccines will only add more victims to a system that has serious financial and operational problems. The proposal does nothing to adequately fund the compensation system to pay the thousands of existing vaccine injury and death claims now pending. The proposed federal mandate to enforce vaccination of every child born without proper screening out of high risk children has the potential to create more vaccine deaths and injuries, more families who are destroyed and bankrupted.

The proposed tracking system and ID card is a threat to our privacy and the right of parents to make health care decisions for their children in order to safeguard their lives. This is the greatest challenge we have faced during the past decade of our existence. We must act now and make our voice heard in the White House and the halls of Congress. Our elected officials must understand that we will not give up our right to make educated, independent health care choices for ourselves and our children without interference from state and federal government. We must let them know that we will not be tagged and tracked down and forced to vaccinate our children against our will if we believe that a particular vaccine is not safe or that our child is at risk of reacting. We will not stand by and be labeled as child abusers and parents who don't care because we are trying to protect our children from vaccine injury and death.

GAIANDRIANA

Gaiandriana is a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of health.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well.

The Gaiandriana (commonly referred to as "chondriana" in the Biological literature) are capable of intelligent, organized attack against cellular invaders like viruses. Think of it as a "pac-man" operation of sorts. However, beyond that, the Gaiandriana are capable of stimulating cellular structural repairs due to damage caused by, for instance, free radicals and cumulative levels of so-called "background" radiation in our modern environment. Healthy DNA and RNA within the nuclei of our cells then lead to properly formed and concentrated enzymes, upon which healthy cellular function depends.

Gaiandriana liquid is made entirely from wholesome natural ingredients.

AQUAGAIA

Complementary to the Gaiandriana product, Aquagaia is also a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of healthy function.

Aquagaia contains *mitochondria*. These are the major biochemical energy "processors" within cellular metabolism. First, enzymes begin the breakdown process of organic nutrients (like fats, carbohydrates and proteins) to intermediate substances such as amino and pyruvic acids. Then, in the next "bucket brigade" step, these various acid molecules are processed within the mitochondria to release chemical energy recognized as adenosine triphosphate (ATP).

About 95% of the energy needed to "run the machinery" that keeps each cell going and healthy is produced in the mitochondria. Unfortunately, the mitochondria are particularly damaged by free radicals and cumulative levels of so-called "background" radiation in our modern environment. These compromised mitochondria, like half-dead batteries, then lead to impaired cellular functioning and health. Thus is the importance

of Aquagaia, with its assimilatable supply of healthy mitochondria — like "fresh batteries" for the body's cells.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders.

2/11/93 #2 HATONN

GAIANDRIANA & AQUAGAIA

To help in understanding the workings of these organic "pac-men" you must realize that there is a protein covering "cap" on viruses. The protein cap is centered on a charged zinc atom and is the part of the virus that recognizes and binds to DNA—in turn allowing the virus to reproduce.

Aquagaia, in conjunction with the Gaiandriana, knock out the zinc atom (a simple "charge" change), which renders the protein ineffective. This is a breakdown of "parts" of the Gaiandriana male-female DNA structure which releases many working variants but frees the Gaiandriettes or "killers" to take out that zinc atom and pass right into the affected cell. Without the "cap", the virus cannot reproduce and infect more cells—further, the damaged virus feeds the Gaiandriana unified cells and the circulating mitochondria.

Healthy cells are not affected because they lack the zinc-centered protein cap on the virus.

These "Gaia" compounds have an effect on cancer cells because they stop an enzyme on the cancer cells from producing a "messenger" molecule that blocks a second enzyme from attacking the cancer cell's DNA. The compounds (Gaia) have been seen to actually take out leukemia, breast, brain and colon cancer cells. We have no claim to anything other than stating that people utilizing these simple and natural substances do show improved well-being and do report feeling generally and, often remarkably, improved as to state of health, thought processes and stamina.

The obvious conclusion is that there might well be good reports of better health and faster recovery, following infection by other viruses, than those mentioned above. All viruses known react in generally the same manner.

It is known that many diseases are due to retroviral DNA and these are the most affected viruses by the Gaia-chondrianas (living crystal forms). We, again, make no medical claims—we are simply reporting in

an effort to explain WHAT takes place within the cellular structures of living organisms.

NOTE

If any product you receive has an unpleasant odor — it is from the finishing culture process. Leave the bottle open to air and it will quickly dissipate. Then, depending on taste and preference—**refrigerate after opening** and reclosing.

IMPORTANT: Do not mix the two, Gaiandriana and Aquagaia, together for storage as the Aquagaia (mitochondria) are aggressive and begin to "eat" the Gaiandriana for fuel. Once ingested, they go about their appointed tasks, but in bottle prisons they are not particularly compatible once the available fuel supply is exhausted. Juices are excellent to take with the Aquagaia because the mitochondria must have the fuel derived from same, the most effective juice being from the tropical "Guava" fruit. Any juice is fine, however, and is most pleasant to intake. Diabetics should utilize whatever juices are available on their food plan to keep within the safe guidelines for calories and other requirements.

The most innocuous and easy intake available is simply a few drops under the tongue, both products taken at the same time or at different times of the day. Once the "initial" program is completed, and the maintenance level of intake is being followed, certainly the drops under the tongue are the least annoying to any daily regimen.

A-C-E ANTI-OXIDANT FORMULA

There is growing evidence that essentially everyone in our society is exposed to free radicals, now more than ever. While free radicals are normal products of our cells and have certain beneficial roles in the body, increased levels of free radicals in our body tissues can be detrimental to our health. Free radicals are highly unstable substances produced in the body through, among other routes, metabolism of oxygen. Free radicals multiply through a series of chain reactions and can attack the polyunsaturated fatty acids of cell membranes. Unless excess free radicals are neutralized, they can cause considerable damage to the structure and function of cell membranes and thus, the cells themselves.

The products from free radical reactions are implicated in the progressive accumulation of deleterious cellular changes over

time, which may eventually result in recognizable disease. Free radical damage is implicated in the initiation and promotion of many cancers, as well as atherosclerosis.

One area of aging research suggests that free radicals damage body cells and cause the pathological changes associated with aging. Besides being by-products of the metabolism of oxygen, such as during strenuous exercise, we are also exposed to significant sources of free radicals from the environment, such as from so-called "background" levels of ionizing radiation.

Cooperative defense systems that can protect the body from free radical damage include certain enzymes and the antioxidant vitamins A, C, and E and Beta-Carotene, which protect cell membranes from oxidative damage. Vitamin E, one of the fat-soluble vitamins, is present in the blood as d-alpha-tocopherol and is well accepted as the major antioxidant in lipid body tissues. Vitamin E is considered the first line of defense against cell-membrane damage due to peroxidation. Vitamin E scavenges free radicals, terminating chain reactions and confining damage to limited areas of the membrane. Selenium contained in the enzyme glutathione peroxidase is the second line of defense that destroys peroxides before they can damage cell membranes. Beta-Carotene, a precursor of Vitamin A, also traps free radicals. Vitamin C is water soluble and serves to neutralize free radicals in aqueous systems.

The antioxidants show promise as cancer-prevention agents, alone and in combination.

ALOE COMPLETE

**(Whole Leaf, Cold Pressed
Aloe Vera Concentrate)**

Aloe Vera has a long and impressive history that spans hundreds of centuries, countries and cultures, and appears in countless "folk remedies" as a plant revered for its healing qualities.

Aloe Complete is a whole-leaf concentrate prepared from the freshly harvested leaves of the *Barbadensis Miller Aloe Vera* plant. **Aloe Complete** guarantees a minimum of 10,000 mg. of mucopolysaccharides per liter.

The nutrients reported in Aloe Vera include mucopolysaccharides and polysaccharides (glucomannans), glycoproteins, glucose, mannose, galactose, xylose, arabinose, tannins, steroids, organic acids, antibiotic principles, glucuronic acids, enzymes (oxidase, catalase and amylase), trace sugars, calcium oxalate, a protein containing 18 amino acids, "wound healing" hormones, biogenic stimulators, saponins, vitamins B1, B2, niacin, B6, choline, folic acid, chloride, sulfate, iron, calcium, copper, sodium, potassium, silicon, manganese, plus many other metabolism-assisting components.

GINKGO BILOBA

(Ginkgo Biloba extract, 24%)

The Ginkgo Biloba extract is a complex compound. The green leaves of the tree are usually harvested from trees grown on plantations in South Korea, Japan and France.

Ginkgo is reported to have a natural affinity for the nervous system. It also seems to stimulate the vascular and endocrine systems that, in turn, strongly affect the function of the nervous system, possibly increasing the capacity for normal physical activity, and the flow of blood to the brain. Some research indicates the possible effectiveness of Ginkgo in the treatment of Alzheimer's disease.

Due to its pharmacological properties, Ginkgo is now widely used throughout Europe for treating many forms of vascular disease. In a survey of packaging information of European products, Ginkgo has been recommended for such ailments as headaches, vertigo, inner-ear disturbances, diminished intellectual capacity and alertness as a result of insufficient circulation to the brain, anxiety, and depression, to name a few.

Ginkgo Biloba Extract (24%) is concentrated from the leaves of the Ginkgo Biloba tree. The highly specialized extraction process yields a 50:1 concentrate from the leaves (50 grams of leaf produce 1 gram of extract). The extract is then further standardized to contain 24% of the active Ginkgo Flavoglycosides.

CHLORELLA

Chlorella is a nutritionally balanced whole food and contributes to the health and growth of human cells like no single vitamin or mineral possibly can.

Chlorella is extremely high in protein (60%) and contains more than 20 vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes and chlorella growth factor. It is one of the richest sources of RNA and DNA known and has twenty times as much chlorophyll as alfalfa, 10 times more than other edible algae including spirulina, and 10 times more than barley grass.

Chlorella is a natural vitality enhancer. The vitamins found in chlorella cells include: vitamin C, provitamin A, B-carotene, chlorophyll-A, chlorophyll-B, thiamine (B1), riboflavin (B2), pyridoxine (B6), niacin (B3), pantothenic acid, folic acid, vitamin B-12, biotin, choline, vitamin K, PABA, lipoic acid, inositol and para-aminobenzoic acid. The minerals include: phosphorus, potassium, iodine, magnesium, sulphur, iron, calcium, manganese, copper, zinc and cobalt.

The amino acids include: lysine, histidine, arginine, aspartic acid, threonine, serine, glutamic acid, proline, glycine, alanine, cystine, valine, methionine, isoleucine,

leucine, tyrosine, phenylalanine, ornithine, tryptophan.

The suggested daily consumption is 3 grams per day.

ECHINACEA GOLD PLUS **(with American Ginseng)**

In recent years few medicinal plants have garnered as much attention as Echinacea (*Echinacea Purpurea* and *Echinacea Angustifolia*).

Echinacea is a non-specific stimulant to the immune system. Claims for Echinacea include: stimulation of leukocytes, mild antibiotic activity, anti-inflammatory activity, stimulation of the adrenal cortex, stimulation of the properdin-complement system, interferon-like activity, stimulation of general cellular immunity, and antiviral activity. Internal preparations are said to assist in alleviating cold and flu symptoms, respiratory infections, and arthritis, to name a few.

Goldenseal (*Hydrastis Canadensis*) is among the most popular herbs in the American health food market. Uses are numerous, including but not limited to: antiseptic, hemostatic, diuretic, laxative, and tonic/anti-inflammatory for the mucous membranes, hemorrhoids, nasal congestion, mouth and gum sores and eye afflictions.

Few medicinal plants in the world possess Ginseng's near-legendary status. Dating back thousands of years, its history of use in the Orient records therapeutic properties so wide ranging that it was first dismissed by Western doctors as a "panacea". When fatigued, Ginseng reportedly restores both physical and mental functions to peak efficiency and, with regular use, improves resistance to disease and stress. American Ginseng's genus name is *Panax Quinquifolius*.

Over 40,000 species of mushrooms exist, many of which are used as medicines. Of particular note are such remedies as penicillin- and ergot-based extracts used in migraine treatment, to name a few. Extensive research has been done with one mushroom in particular, namely, Reishi. This mushroom is now considered a tried and true immune system fortifier.

OXY TODDY

Made from pure Aloe Vera juice from organic Aloe Vera plants, this product is oxygen-enhanced with 35% food grade hydrogen peroxide, minerals, whole Aloe Vera pulp, 60 colloidal plant minerals (an aqueous solution), and natural flavors.

One ounce of **Oxy Toddy** contains approximately 20 drops of 35% food grade hydrogen peroxide. This product contains no sugar, fillers or starches and is cold processed to ensure maximum enzymatic activity.

Hydrogen Peroxide Use For Water Purification

To purify water (of viruses as well as bacteria and other critters) for drinking purposes, use 10 drops of 35% Food Grade Hydrogen Peroxide per gallon of water and agitate container enough to mix well.

Locating the 35% Food Grade Hydrogen Peroxide can be a problem as the Elite effort to close down everything that promotes health, from products to therapies. Food Grade Hydrogen Peroxide is necessary as the drugstore (3%) variety contains additives and stabilizers not good for ingestion.
