Serious Caution About The "New" Texas Republic These Guys Eat Banks For Brunch!

8/1/96 #1 HATONN

REPUBLIC OF TEXAS—BANKING

Something is making the round from the Republic of Texas—this new government set up outside the Man-made laws of the Nation. Fine, but you who think you are going to run into Texas, set up banks, get a lot for nothing—are only going to get burned alive. They state there will be no corporations in that Republic. Say what? You had better look at all this again for you who bite are only going down, because if you READ AND STUDY the entire document—you will see the words "if you qualify". "Qualify"? What means this "qualify"? What you will do is simply as individuals get on the take-out list while, frankly, nice little well-run corporations are remaining very safe and

secure. I did NOT say the "concept" as "lawful" is not legal—I am saying that, as stated, it is just as IMMORAL as anything your Slave-Masters have done to you. You, however, will do whatever you will do and Constitutionally it may well "work". But don't be surprised if you only end up on the Hangman's list. My urging is to not take that document being circulated and NOT CHECK OUT EVERYTHING ABOUT IT INCLUDING DEMANDING TO KNOW THE

The Armageddon Script, Josephus, The Essenes, False Prophets and False Christ, The Return of the "Son of Man"

Article IV, Section 2

Section 1 of this article reviewed some facets of the development of the European Economic Community (EEC); Queen Elizabeth II's betrayal of her people and her coronation oath in signing up with the EEC; and some of the propaganda, which in my opinion, has been preparing us for a one world government and religion headed by a proclaimed, but unverified, "scion of the House of King David". This person will be under the control of the Committee of 300, which includes the Priore de Sion and the Heads of Freemasonry. The EEC is identified as one of the ten regions planned in the World Government Federation (aka New World Order).

"Scion of the House of King David" is equivalent in meaning to "Messiah" when such a person is anointed as "King" in the Jewish tradition. Many Christians have mistakenly been taught that "Messiah" means a Christed being, such as Immanuel was about 2,000 years ago. This is not the case, although many in Jerusalem at the time hoped that Immanuel would become the "Messiah" and therefore King when he was here.

I have already written several articles which include information on the book *Holy Blood, Holy Grail*. This and the subsequent books written by its authors, as well as the information developing at the same time on Benjamin Creme's "Maitreya" and the Catholic Church's involvement are integral parts of the propaganda and preparations for the New World Order (NWO). I will write more on these and related subjects in this article, which are some of the means, I believe, by which most of the population is being persuaded to go in the direction of the NWO. I see the biblical symbolism of the Four Horsemen of the Apocalypse as clues to the progress, and means used to propel us towards this NWO, also known as that "great whore, Babylon the Great" in the *Book of Revelation*.

Both Hatonn and Sananda have recently reviewed the book, *The Armageddon Script, The Power of Proph-*

ecy and the Secret Life of Jesus, by Peter Lemesurier, especially his script for this "Messiah's" entry into Jerusalem! In other words, a pre-planned occasion with a pre-planned stage setting and purpose. Mr. Lemesurier's book was first published in Great Britain and several other countries in 1981, just before the European Economic Amendment was signed, which further consolidated the power of the EEC. It was also near to the time that Benjamin Creme began to internationally promote his "Maitreya" in London, who he said is the "Messiah of the Jews, the returning Christ, the Iman Mahdi of Islam, Buddha and Krishna" all in one. In other words, a world religious leader. I believe these events are all related to each other and to what was occurring with the EEC at the time. Everything is connected, according to Hatonn. Mr. Lemesurier must have a "Messiah" to fill that role in his projected script, and Mr. Creme's "Maitreya" needs the preliminary preparations which ready the people for the "great scene" placing him on the "Throne of King David in Jerusalem". This is intended to be a world throne, by the Khazarian Jews. Such a planned scene would not preclude, and might even incorporate, a world-wide, satellite T.V. announcement by "Maitreya" on his "Day of Declaration", described by Creme in his lectures and books. Needless to say, the above is only a possible, but likely happening, not a foreknowledge of events. I am sure several other plans could be used or developed before the final curtain goes up.

According to the *New Testament*, the "Son of Man" (Immanuel/the returning Christed one) is not going to come marching or riding on an ass into Jerusalem "from the East" leading a parade of his followers this time, as *The Armageddon Script* sets forth. According to the *King James Version of the Bible*, Mark 13:21-27, (quote):

And then if any man shall say to you, lo, here is Christ; or, lo he is there; believe him not: For false Christs and false prophets shall show signs and wonders, to seduce if it were possible even the elect.

But take ye heed: behold, I have foretold you all things.

But in those days, after that tribulation, the sun shall be darkened, and the moon shall not give her light. And the stars of heaven shall fall, and the powers that are in heaven shall be shaken.

And then shall they see the Son of Man coming in the clouds with great power and glory. (End quote.)

The two "scripts" have nothing in common, and Lemesurier appears to be 2000 years behind the times. (Ref.: *Zech. 9:9* and *Matt. 21* for the biblical prophecies already fulfilled by Immanuel at the time of his entry into Jerusalem during the early years of the first century, A.D.)

There are two life styles in opposition here, the same as those with which the early Israelites struggled according to the *Old Testament* during the time of the Judges. Israel wanted a king to rule over them, and had rejected God. God warned them of the consequences, but they persisted and got their "King". (Ref.: *Samuel 8*) These same choices were presented again at the time of Immanuel—would the Jews accept God and His Laws "written on their hearts", or demand a king to rule over them? Immanuel and his teachings too were largely rejected, suppressed and destroyed. Today we face the same choices. Will the people choose God, or insist upon, go along with or allow by default, a one world

government and religion headed by a "Messiah" (King of the "House of David") as figurehead, fronting for the Committee of 300?

From my previous research articles I believe it has been shown that the English Monarchy and most of its relatives among the wealthy and titled are being promoted as the "scions of the House of David" as well as "Kings of Jerusalem". The claimed title to "King of Jerusalem" goes back to the time of the Crusades of the Catholic Church and its efforts to wrest the "Holy Land" from the "infidels". These "Elite" now have control of the major world systems intended for the rule of the rest of us: The World Court (at the Hague, Netherlands); the International Headquarters of the United Nations, Freemasonry and the World Bank (Geneva, Switzerland); the International Intelligence Network; NATO; and the world-wide Computer/Satellite control system (Brussels, Belgium), besides most of the wealth, industry and resources of the world, including, it appears, political and military control of the U.S. of A. From the above it would seem that the "religious" aspects of the plan which include a Temple in Jerusalem, and the State of Israel are not intended for the "head and brains" of the system at this time; although, Israel is building up a tremendous military and intelligence might (mostly with our help) undoubtedly for use in W.W.III, as planned a century and a half ago by the "Elders of Zion" at the head of Freemasonry. The three terrible world wars are intended to finally bring the world under the control and worship of Lucifer, according to Albert Pike, head of Freemasonry in the U.S. of A. (1871). Therefore, I believe we must be very wary of any "leader" on Earth today who seeks a world throne!

My interest in pursuing the subject of Mr. Lemesurier's book is the fact that he uses what he claims are clues in the *Dead Sea Scrolls* to suggest and promote the idea that "Jesus" was an Essene, that his primary followers, supporters and teachers were Essenes, and that his life and practices followed their teachings in great detail. All of this in the face of everything said in the *New Testament* about Immanuel, his followers and his teachings which contradict Lemesurier—Immanuel was not an Essene. (Please see my article in the 10/3/95 issue of *CONTACT* titled, "Freemasonry and the Essenes", or *The Rainbow Masters*, Phoenix Journal #7, for more information.)

Numerous other authors have also promoted the idea that Immanuel was an Essene, beginning with Frederick the Great of Prussia in 1770, who was head of all Scottish Rite Freemasonry and developed (using his assumed "prerogative" to fabricate "religions") with Voltaire most of the higher degrees, according to historian Nesta Webster. Frederick offered no proof for his statement that Jesus was an Essene, but it was made part of Masonic dogma, and promoted internationally through the secret society of Freemasons and now their covertly-sponsored groups of "New Agers". Remember, the Jews and the heads of state (monarchs) head up Freemasonry, and therefore also (covertly) the "New Age" groups.

I began to seek more history of the Essenes, for it appears to me that the world will be forced to confront the subject very soon. I have a very thick book, *Josephus, Collected Works* (a gift from a friend, R.E.B.), which provides limited information on the Essenes (pages 74, 332-334, 375, 476-478). Lemesurier follows this information as far as it goes. The sect was called "Essen" by Josephus, a historian who wrote in Aramaic (the lingua franca of the day) in the first century A.D. "Essen" means "the high-priest's breastplate and oracle" according to Josephus. From Josephus (who is said to have gathered most of his information on the Essenes from another historian, Philo) we learn that the "Essens" were not a large group and not much a part of Jewish histories. They are hardly mentioned considering the total history of the Jews related by Josephus in 737 pages of small print. On the other hand, Lemesurier writes as though the Essenes were very active in Pales-

tine at the time of Jesus and with Jesus, having a network of good-sized groups in several towns, with frequent exchanges and communication between them. Further, Lemesurier claims to be following some prophecies made by the Essenes in the *Dead Sea Scrolls* (unavailable to the rest of us, of course), prophecies which he suggests are yet to be fulfilled, and which he uses for the basis of his "script". I believe Lemesurier, like many of the Jews who did not accept Immanuel and his fulfillment of their own prophecies almost 2,000 years ago, is today looking back to those prophecies as "unfulfilled" and therefore still "valid" for today. Many parts of his "script" lead one to think so, and most Jews and even many Christians are looking for or expecting a "Messiah" of the "House of David" to come and sit on the throne in Jerusalem.

Jesus, a name given to Immanuel by Paul, is not mentioned as being a member of the Essenes or connected to them in any way by Josephus. I recommend that you seek out a copy of *Josephus, Collected Works*, and do some confirming research on your own. Most larger libraries with reference sections have a copy. "Jesus Christ" is given one very short paragraph by Josephus, page 379.3, (quote:)

3. Now there was about this time, Jesus, a wise man, if it be lawful to call him a man, for he was a doer of wonderful works—a teacher of such men as receive the truth with pleasure. He drew over to him both many of the Jews, and many of the gentiles. He was [the] Christ; and when Pilate, at the suggestion of the principle men amongst us, had condemned him to the cross, those that loved him at the first did not forsake him, for he appeared to them alive again on the third day, as the divine prophets had foretold these and ten thousand other wonderful things concerning him; and the tribe of Christians, so named from him, are not extinct to this day. (End quote.)

Please note that Josephus, who was a Jew of royal blood, does report that it was Pilate, at the "suggestion of the principle men among us, had condemned him [Jesus] to the cross". This is one reason why Josephus is generally not accepted today among the Jews in power. Further, this fact that it was the leaders of the Jews who were the promulgators of Christ's crucifixion, was also one of the church doctrines. Following W.W.II the Jews insisted that this doctrine was the cause of their persecutions and must be removed from church doctrines. This was done by Popes John XXIII and Paul VI for the Catholic Church in Vatican Council II, in the early 1960s. There was no real investigation of the charges or the actual causes of the Jew's persecutions, much less concern for the TRUTH of the matter of Christ's crucifixion. According to Vicomte Leon de Poncins, and a host of other authors and investigators, the Vatican had been heavily infiltrated by Masons, Knights of Malta, Communists and Zionists by the time of Vatican Council II. In my opinion, removing the Truth from Church doctrine was essential to the role that the "Elders of Zion" hope to play in a world religion which encompasses all religions within it. This may also have been one reason for the long delay in the sharing of the *Dead Sea Scrolls* with the public. There was a lot going on behind the scenes preparing for the NWO. Today "anti-Semitism" is unlawful in Europe, Canada and some other places. Anyone even suspected of being "anti-Semitic" can be severely punished. In my opinion, the Truth in church doctrine about who promulgated Immanuel's crucifixion was one of the first targets of the Zionists, who have promoted these undemocratic "laws" and seek a one world religion headed by themselves.

Josephus called Jesus' followers the "tribe of Christians". Obviously, there is no mention whatsoever of a connection between Jesus and the Essenes. Further, the fact that the name "Essen" means "the high-priest's

breastplate and oracle", according to Josephus, would suggest that the Essenes were actually strong advocates and supporters of the temple services, and could explain why Josephus included the Essenes among the "three philosophical sects" of the Jews. However, this interpretation of the name "Essen" is disregarded or overlooked in all of the literature that I have read or heard on the *Dead Sea Scrolls*, wherein all manner of other words and names are analyzed to "explain" the word "Essene". In the process many other groups are being included among the now ever expanding group of "Essenes"!

Immanuel/Sananda has said that the Essenes were a "nature cult", and this is confirmed by Edmond Bordeaux Szekely, who has written numerous books on the subject, which are published internationally. He states that his work agrees with some of the *Dead Sea Scrolls* held in separate storage by the Vatican! Therefore, I have begun to wonder if Josephus' works have been tampered with in regard to the information on the Essenes. It was Josephus who was credited with ascribing "three philosophical sects" to the Jews (i.e., Sadducees, Pharisees and Essenes). However, we only find that information in Josephus' works, which are quoted in *Bible Concordances* containing related "historical" information. The name Essene is not found in the text of the *Bible*, and neither is it to be found among the *Dead Sea Scrolls* held in Jerusalem!

It is possible that the material on the Essenes that Mr. Szekely claims he had access to, and which is stored in a separate location by the Vatican, was found earlier during some of the archeological explorations in the Middle East during the 18th and 19th centuries or earlier. This would explain why Szekely had no trouble interpreting the material, in comparison to the team of scholars working for over thirty years on the *Dead Sea Scrolls* in Jerusalem. Szekely identifies the Essenes in his works as a mystical, gnostic, nature cult. This does not harmonize with the idea that they were also strict followers of the temple services with all their grisly blood sacrifices. Therefore, it appears, we do not have all the facts and much has been withheld from us.

There was a *Temple Scroll* found among the *Dead Sea Scrolls* (we are told) which is a very detailed plan for a temple and its services. It describes a strictly controlled service with animal sacrifices. (Ref.: *The Temple Scroll* by Yigael Yadin.) This would make it even more difficult to identify Jesus or his teachings with the *Dead Sea Scrolls* or group and/or the "Essenes" described by Josephus. It appears to me that Immanuel's teachings are being suppressed today in favor of a return to a regressive Hebrew Temple service, which he criticized in his time.

Whether or not the Dead Sea group or groups were, in fact, Essenes is conjectural at best, and can only be made, it appears, to fit into some "hopefully" coherent explanation by expanding the groups to include everyone in Palestine who was not a Sadducee or a Pharisee, something Josephus, Philo and Pliny did not do. The public still does not have verification of who the people were that left the cache of scrolls at the Dead Sea. Nevertheless, in my opinion, the purposeful propaganda about the "Essenes" tries to make it appear otherwise.

If you see Benjamin Creme's "Maitreya" (whom he also calls the "Messiah of the Jews", the "returning Christ", etc.) marching towards Jerusalem "from the East", leading a group of his followers, you will have it confirmed for you that Lemesurier and Creme were some of the early promoters (although not the directors) of this particular show. Nevertheless, the preliminary promotion has been so heavy and persevering that one cannot take the intent lightly. Interestingly, Lemesurier's "Essenes" and Benjamin Creme's "Maitreya" all wear long white garments, as do the Masons in some rituals.

If you are wondering why Lemesurier has the "Messiah" approaching Jerusalem "from the East", it is because, in my opinion, that agrees with Jewish temple

worship and Masonic rituals—all “light” comes from the East, according to them. It could also be symbolic of the origin of the person (i.e., Creme’s “Maitreya” is said to have come to London by plane from Kashmir, India. Also, the Sassoon family originated in the “East”. There are possibly other connections of which I am not aware.). Everything must be made to fit into the overall plan in order to eventually bring all of the separate parts of the NWO together.

Remember, the Khazarian Jews accepted “Judaism” (actually, Babylonian Talmudism) in the 8th Century A.D. They are not Semites, per biblical accounts, but Ashkenazi Jews, sons of Japheth, not Sem (aka Shem). However, they were and are the most wealthy and powerful of the Jews. Further, they have been at this world domination project in earnest for the last two or three centuries. They are a mixture of Nordic, Mongolian, Russian, and Turkish origins. The *Babylonian Talmud*, the book that most of the Jews follow today, teaches the idea that the Jews are God’s chosen people, the only “men”. The “gentiles” are all animals fit only for slaves to the “Jews”, who are also “entitled” to all the wealth of the world, and to rule the world. The Khazars have incorporated this “religion” into their plans to make themselves rulers of a NWO and “religion”. One problem has been in identifying themselves as Semites, and “scions of the House of David”, for the “Hebrew tradition” requires that only a descendant of King David can be the “Messiah of Israel”.

At the time Josephus’ works were translated and published in 1737, the *Dead Sea Scrolls* were not, and could not have been part of their plans. It is interesting that the translator of *Josephus, Collected Works*, William Whiston, A.M., was described by William Sanford La Sor, Ph.D. Th.D., in the forward to the book, as holding “that the Tatars were the lost tribes [lost ten tribes of Israel]”. Mr. Whiston was a professor at Cambridge, a scientist and theologian. You may recall that the “Tatars” were also called Tartars, Turks, Turkomen, Hittites, Scythians and Khazars(!). If the Tatars could be claimed to actually be “Israelites”, then the difficulties in identifying “descendants of David” among them would be considerably decreased. I do not know whether Whiston’s belief was seconded by others and/or whether it was widely held at the time. Neither do I know whether Whiston knew about the Khazar’s conversion to Judaism in the 8th century, which explains their “Jewishness”. Nevertheless, Whiston’s theory would undoubtedly have had some influence, and may have been an early attempt to equate the Khazars with the Israelites and hence the lineage of King David. It would be helpful to know why Mr. Whiston believed that the “Tatars” (aka Khazars) were the “lost ten tribes” of Israel. There is no further information in the “Foreword” to *Josephus, Collected Works*. There are some few entries in the *Encyclopedia Judaica* regarding descendants of “King David”. One family claiming this distinction, said also to have descended from the “ten lost tribes”, is the Bagratuni (aka Bagratids, Bagrats, etc.). However, their “claim”

was said to have started in the 10th Century A.D., and is therefore not validated, it would appear. I have reviewed the “Descendants of King David” in a series of articles in the *CONTACT* newspaper. (Issue dates are listed in the Bibliography.)

There are many gaps in the information available to the public and many conflicts between the various accounts. It would be indeed difficult to “prove” a descent from King David today. On the other hand, if it is true that his son, King Solomon had 700 wives (from various races), then there must be an unidentifiable legion of descendants today, somewhere. C.M. Murray’s genealogy, which was printed in Section 1 of this article, was not documented as to sources, except some legends, the use of biblical symbolism and some scripture. Murray’s work was printed by British Israel World Federation in 1984, about the same time as Creme and Lemesurier’s works were becoming known. All of these works are apparently efforting to make a “descendant of the House of David” (however questionable) from the line of “Elite”, either acceptable or plausible to the public today. We are no longer even talking about a Semitic King David, who is said to have ruled the people of Judea about 3,000 years ago, and who tried to follow God’s Laws. We are talking about a grand mixture of people and races but especially those who are Khazarian Jews, intermarried in some cases with Judeans. The only thing that distinguished “King David” at all was his connection to God. His life was certainly not perfect, and his “kingdom” was not perfect. His son, Solomon, epitomized all of the problems God foretold would happen to the people if they insisted on a king to rule over them (Ref: *Samuel 8*). The kingdom was divided and lost as a direct result of Solomon’s excesses.

Fortunately, *Josephus, Collected Works* was translated just three years before Frederick the Great became King of Prussia in 1740. Frederick was to become head of all Scottish Rite Freemasonry, and was a descendant of the same Hanoverian family as the English Monarchy. It was Frederick who declared that Jesus was an Essene in 1770, having no historical basis for that statement. *Josephus* proves that. In my opinion, this is a second reason why the Jews in power do not accept *Josephus*, they don’t want, *Josephus*’ separate statements about the “Essenes” and “Jesus” to be widely known. Jesus was not connected to the Essenes. The records regarding the Essenes are yet to be acknowledged by both the Vatican and Israel, even though they are claimed to be such and are promulgated by people like Edmond Bordeaux Szekely to a multitude of “New Age” groups. I believe the reason for this is because the Jews/Khazars are planning to rebuild the Temple of Solomon on the site of the present Islamic Mosque; and with all the promotion of the *Dead Sea Scrolls*, which included (we are told) a *Temple Scroll*, the official emphasis will be initially on the Temple worship. Nevertheless, the “nature cult”, with its goat-gods; environmental philosophies and sexual promiscuity is also a vital part of the overall plan of the *Communist Manifesto*, *Humanist Manifesto*, *Protocols of Zion* and Adam Weishaupt’s (aka the old boy himself—Lucifer) Code. This is the reason why, in my opinion, the “nature cult” is being “unofficially” promoted. [It is a reason similar to the “unofficial” promotion of the Goat God Baphomet (aka Goat of Mendes) by the Templars and Masons of high degree in their Palladian Rites.]

It is important that you understand that the “Tatars” were the ruling family in the Ottoman Empire (which included Turkey) at the time of Ghengis Khan and his descendants. This is when the Khazars came into power. They were middle men between Russia and the Ottoman Empire, and given special privileges by the Sultans. They were also co-religionists with the Jews. The leaders of the Jews, the Exilarchs, supposed descendants of King David in exile from Jerusalem, were the chief bankers of the Ottoman Empire. Therefore, there is a very strong, and long-lasting relationship between the Khazars, the Turks and those in control of

Israel today. In fact, there may now be little distinction between them. When you see today the State of Israel working very closely with the Turks in the Middle East, to the dismay and concern of their neighboring countries, it helps to know the historical background of their relationship.

After the archeological digs in the 19th Century, which proved that much of the Hebrew “history” did not accord with the facts, the Khazarian Jews appear to have changed their attachment to the Jewish and/or Semitic religion and will, when the time is conveniently “right” for them, proclaim themselves “Aryans”—but that is another story.

Why must the Jews and Freemasons portray Jesus as an Essene? In my view, there are a number of reasons. For example, they have promoted the Essenes, through many types of media attention, as a far more representative group among the Jews in Judea at the time of Immanuel than they actually were—trying to claim as many people under the umbrella of the Jewish “religion” as possible. Further, they must discredit Immanuel’s teachings and the *New Testament*, in order, it appears, to thereby gain more prestige for themselves. They do this by purporting to show Immanuel as an Essene and the Essenes as a “nature cult” to the youth and “New Agers”, but a “Temple cult” to the Jews and Freemasons. The “nature cult philosophy” prepares the thinking of millions of our young people for the promotions of the “environmental programs”, which are part of the plans to control the world through mandates on the environment and confiscation of wilderness areas. In my opinion, this “environmental” thrust is not what the young people believe it is and promote. It is a manifestation of the Green Horseman of the Apocalypse, according to biblical symbology, Rev. 6. It is a part of the long-term, comprehensive and deceitful plan for world domination. (Please see George M. Lamsa’s translation of the *Holy Bible from the Ancient Eastern Text, the Peshitta*, for confirmation of the Green Horseman.) I will have more to say on this subject.

What relationship does Creme’s “Maitreya” have with the “Elite”? I do not have all the facts. According to Benjamin Creme in 1993, “Maitreya” had been meeting with “influential people and journalists” in London, preparing for his “Day of Declaration”. By this statement alone it can be deduced that “Maitreya” is accepted by “those in power”. Further, a Vatican representative is said to have stated he believes that “Maitreya is the Christ”. Considering all of the promotions of the “Elite” to date, I am persuaded that the only “Messiah” acceptable to them will be a “scion of the House of David”, which are supposedly now numerous among them. Those families of which I am aware that have had some recognition or claim, however questionable, to the lineage of David are the Rothschilds, Sassoons, Rockefellers, the Mendes family, the English Monarchy and all their relatives, the Fuggers, the House of Orange and the numerous branches of these families. On the other hand, Mr. Creme states that “Maitreya” is “beyond the light”, “head of the Occult Hierarchy” and possessor of an “indestructible body” which he created. He is reported to have appeared and disappeared very suddenly before the eyes of a large group of people at a meeting in Nairobi, Africa. (He obviously avoids academics or religionists who might ask some embarrassing questions.) The ability to become invisible or to teleport oneself does not necessarily mean that the person is “spiritual” in the sense of following God’s Laws, according to Hatonn. Further, I have heard that even the United Parcel Services (UPS) is considering some advanced technology which teleports their packages internationally. It will soon be common practice.

Does Maitreya follow God’s Laws? This is for you to discern. However, according to Mr. Creme in the question and answer section of *Maitreya’s Mission, Vol II*, Maitreya advocates abortion. According to Hatonn, the people of the United States have now slaughtered

more babies through abortion, than all the people that were killed in the Bolshevik Revolution of Russia (mass slaughter is the activity of the second, Red Horseman of the Apocalypse).

If what Creme says about the Vatican's representative is true, and a Vatican representative does believe "Maitreya" is the "Christ", then you know from Creme's and "Maitreya's" positions on abortion alone that the Catholic Church is no longer upholding their long cherished edicts against either birth control or abortions. In fact, those of you who have read the book *The Broken Cross*, or had any association with the "modern" Catholic Church, for instance, know that the Church has been taken over, with the Pope's blessing, by "nature cults" of all sorts, to the great concern of the actual parishioners and supporters of that Church. (According to Hatonn, the Pope is today but a robotoid.)

Are Creme and his "Maitreya" a false prophet and a false "Christ", of which the *Bible* warns, showing "signs and wonders to deceive even the elect"? Creme has portrayed himself to his public as a "John the Baptist", the forerunner today of the "Christ"! According to a prior Satanist, interviewed by Fritz Springmeier, someone who fits Creme's description (only much younger at the time) and who was said to have the role of their "John the Baptist, introducing the anti-Christ to the world", was presented during a high Satanic ritual and meeting in 1955, in which the interviewee was a participant. (Ref.: *The Top 13 Illuminati Bloodlines*, page 33) (Springmeier also quotes Tara Center's official newsletter *Emergence* of January 1982, which states that Creme was born in 1924 and was deeply involved in the occult at an early age.) According to this person and other ex-Satanists, the Satanic/Illuminati hierarchy of 13 families hold meetings to periodically assess their progress and plans for world domination. The meeting in 1955 was one of them. Mr. Springmeier identifies these families as the Rothschilds, Rockefellers, Freemans, Bundys, Astors, Collins, Du Ponts, Kennedys, Onassis, Russells, Reynolds, Van Dyn, Li (China) and the "Merovingians" (most of the titled people of Europe including the English Monarchy). Much of Springmeier's information is gathered from personal interviews. It is a fact that Benjamin Creme, during an interview with reporters from the *Delphi Associates Newsletter* (see December 1994 issue) stated that he was a Communist! This means he is an atheist and does not believe in God!! (So much for the value of any possible endorsement of "Maitreya" by today's "Catholic Church", as well as any claim that Creme's "Maitreya" is a "Christed" being. He cannot be and also believe there is no God—the two beliefs exclude each other.)

Go back and reread the *Bible* verses quoted earlier in this article. You may be pleasantly surprised to be able to understand them better with all that we have learned from Hatonn, the Hosts and Sananda. Is it possible that the phrases about the "Sun being darkened" and the "Moon not giving light" could indicate either a world wide, great earthquake which fills the atmosphere with dust particles, or the Earth's entry into the Photon Belt? The part which describes the "Son of man's" return "in the clouds with great power and glory" just might be related to those saucer-shaped clouds we have occasionally seen in our skies for decades. These clouds are created at a point just before manifestation of the Host's vehicles, according to Hatonn. Is it possible that, when the "Son of man returns in great power and glory", it will be with the attendance of a huge fleet of these vehicles? Consider too, that those "falling stars" may very well be those vehicles which now grace our skies and strobe their many colored lights for us. When these space vehicles descend towards Earth, it must appear as though the "stars are falling". Hold it in your hearts.

Those people who have been reading my articles over a period of time know of my interest in and concern about the two books authored by Michael Baigent, Richard Leigh and Henry Lincoln: *Holy Blood, Holy*

Grail and The Messianic Legacy. These two books were also published in the early 1980s and promote the idea of a "scion of the House of David" being among the European "Elite". You may also recall, during my review of *Holy Blood, Holy Grail* (12/7/93 issue of *CONTACT*), I quoted Mr. Pierre Plantard, then head of the Prieure de Sion, as saying that the treasures of the temple in Jerusalem would be brought forth at the right time! Down through the centuries there has been a question regarding the whereabouts of this treasure but no verified accounts of it. At the time I read *Holy Blood, Holy Grail*, I had the impression that the Prieure de Sion intended to produce the treasure as some kind of verification of their claim (or the claim of those they represent or control) as either the rightful owners of it or as "descendants of King David". Nevertheless, at this late date, almost 2,000 years from the time the treasure disappeared, any number of persons could have found the treasure and passed it on to the highest bidders. In other words, Plantard's possession of it could not verify his or his claimant's "rights" to it.

Curiously, in reading a third book by Baigent and Leigh, *The Dead Sea Scrolls Deception*, I learned more about the *Copper Scroll*. This scroll identifies the various locations where the temple treasure was hidden. It had been found in 1952 and translated in 1955 by John Allegro. The *Copper Scroll* was a roll of copper metal which had to be cut so that it could be laid flat for study and translation. The necessary cutting was done at the University of Manchester in England. Allegro's translation and the truth about the scroll has been covered up as much as possible to this day. Baigent and Leigh's book was published in 1991. From the above it would seem that there are those in control of the scrolls who have had the opportunity and time to locate that treasure! If you ever see these cultic objects belonging to the temple in Jerusalem, you will have at least one idea of how they could have been located, and by whom. One of the treasure sites identified by the authors is said to be the site of the former temple, now occupied by an Islamic Mosque called the Dome of the Rock. This site cannot be explored by the Jews until there is a change in the status quo. Keep this in mind as events unfold during the conflicts in the Middle East.

According to Baigent and Leigh, there are a number of scholars who view the Dead Sea site where the scrolls were found essentially as an adjunct to the temple in Jerusalem! *The Temple Scroll, The War Scroll, The Copper Scroll*, the several ancient books of Jewish writers, and several other bits of information would lead one to agree with these scholars, especially since an identifying name of a particular group is not to be found among any of the scrolls.

In my opinion, the total lack of agreement or cohesion among the translators and scholars of the *Dead Sea Scrolls*; the various and sometimes exceedingly broad and even fantastic speculations upon the meaning of them by other investigators; the opposing "philosophies" attributed to the "Essenes" and to the group or groups whose stash of documents were found at the Dead Sea site; as well as the secrets surrounding the scrolls for over forty years, reveals a totally unsound basis for any conclusions about this phenomenon at this time, much less a basis or "inspiration" for a "world religion". In fact, I believe there are more than a few questionable reasons why the scrolls have been secreted from the public. Baigent and Leigh appear to blame most of the delay and problems on the biases of Catholic scholars regarding what the scrolls "should" say according to Catholic doctrine. Keep in mind that the biases on the Jewish side are just as confining, and that it has been well documented that Zionists and Masons had infiltrated the Catholic Church soon after W.W.II, if not prior to it. Things are seldom what they appear on the surface in this NWO. The *Dead Sea Scrolls* were found soon after the end of W.W.II.

I recommend you read the above mentioned books even though I do not agree with all that is in them, and

in turn view the authors' conclusions as biased towards a one world government and religion under the Jews.

My next article will present more information on the last two Horsemen of the Apocalypse.

Bringing Some Clarity To Several Issues

7/31/96 #1 HATONN

FIFTH COLUMN

While we are on current "responses" I need to clarify some other things. At *CONTACT* there are received piles of documents that are never seen by me or my secretary. Grandma, for instance, writes and writes—EVERY DAY. Those documents are not my responsibility to edit or critique. However, there now come several inquiries, of me, to see to it that more from the Fifth Column is presented in the paper. Say what, readers? What Fifth Column—the one from WW I, II, Vietnam, Korea...? Exactly what do you want? Then, reading on, it appears Grandma has stated briefly in one of her printed documents that the "Fifth Column" is giving information and making contact with *CONTACT*? NO, THIS IS NOT SO.

We write about the Fifth Column's work because it is THE most important work being accomplished in today's political circles—but we are very CAREFUL to speak only of things told to us by ones who seem to occasionally get some information—perhaps even from the insiders involved. That is not our focus nor is there any direct contact with anyone involved—THAT WE KNOW OF, AND I THINK I WOULD KNOW! We WISH there was a contact because I'm sure this paper would be ever so much more interesting if this were the case.

Grandma says that Russell Herrman headed up the Fifth Column—well, no comment about what Mr. Herrman might have been or done but I told you, and Grandma, at the time, that Russell Herrman had/had NOTHING to do with THIS Fifth Column, but my surmise is that he would have been involved in the typical Fifth Column activities of his time. He was involved in just about every other clandestine group and activity—which serves us all dearly well today.

Grandma didn't and doesn't know "bunches of things" about either Herrman or what and who happened and were involved. Moreover, she has intelligence enough NOT TO TELL all she knows—I believe. I'm certainly sure she does NOT tell us everything—why should she? She needs both privacy and security and so do WE!

We will print as much as we can afford spacewise and information wise on the Constitutional issues confronting a world—from her. We can do no better and in a FREE PRESS, which is our TOTAL GOAL of achievement at *CONTACT*, WE DO NOT EDIT OUT WHAT DISAGREES WITH OUR OPINIONS—THAT IS FOR YOU-THE-PEOPLE TO DISCERN. If we find a statement we KNOW not to be correct we will offer our observations, nothing more—we will not change to suit our "rathers" any story to make it read "our way". We do hold forth the RIGHT to comment in our own newspaper!

So, back to the point, inquiring minds: if you can get us hooked up with a contact inside the Fifth Column—we would dearly ENJOY running all the information they will share with us. Until that time, we will continue to offer what we "hear from other sources" and hope it is the truth. We would rather print an error

than to MISS the truth if it be so small an error as this. Just as there are dozens of "Phoenix Projects", because it is the going current point of easy confusion, so too are other errors and confusion created both intentionally and accidentally. One of the most surprising dissertations came recently from someone very, very DISTANT who sent some information on religions and Spiritual beliefs from one of your "channels" who stated: "George Ceres Hatonn is a VOO-DOO term for Satan."

This was quite a new and singularly dubious honor. Now I know how the Mormons feel in Japan. In parts of the Orient, and specifically in Japan, the term "Mormon" means "devil" or "satan" so the church missionaries must refrain from using the term. This is very similar to U.S. Troops having to wear U.N. "blue" and NOT SHOWING THE U.S. FLAG IN PUBLIC IN SAUDI ARABIA—IN SPITE OF BEING THERE SUPPOSEDLY TO PROTECT THE FREEDOM OF THE SAUDIS. WELL, READERS, READ AND DISCERN FOR ***THIS IS THE TIME OF CHAOS (KALI)***!

This is much like calling one of the finest men on your globe, Little Crow, an anti-Christ Pagan. A dozen lies or errors does not one correct statement make. Perhaps that is what is wrong with rule by majority? The majority vote in favor of a LIE does not TRUTH MAKE. It may well change regulations and legal rules—it does not change or make valid the lies regarding the LAWS OF GOD OR CREATION. GOD'S AND CREATION'S TRUTH STANDS INTO INFINITY—THE LIES COME AND GO AND EVENTUALLY FALL ACCORDING TO THEIR "TIME".

I also have great pressure to continue with Calvin Burgin's *FIRE* writings. However, life is what is happening while we still plan to finish his prior book. We will, however, do a chapter today on that topic.

Please, also, we hear that Mark Phillips has had a bout of severe illness. He is fine NOW, but readers, please don't forget him, Cathy and Kelly. Your love and sharing is all that holds us Dragon fighters together on some bad days of struggling with them. Sometimes our alarm clock bell rings SO LOUDLY it awakens the DRAGONS before it awakens the people. Publicity is the most beautiful form of security.

I have the same petition to make on behalf of Rodney Stich and be patient with us all who seek to bring you facts and truth—it changes every day and there is no way to get it all "updated". This is WHY we update in diary format as "journals" and STILL, WE CAN'T BEGIN TO TOUCH THE IMPORTANT TOPICS, EVEN IN PASSING. Further, how sad it is that Madonna's book on illicit and perverted sexual practices will outsell truth a million to one. The bringer of TRUTH will die of starvation while the "she-devils" of perversion will feast on YOUR minds on golden-satin bed-sheets! Is there not something wrong with this picture?

Microwater™

Turn Your Tap Into A Fountain Of Wellness.

The Microwater™ Series One machine produces a healthful and refreshing high-altitude, electron-rich, free radical scavenging, alkaline water. It also breaks up larger-clustered water. It is actually "wetter", and therefore able to go to more places in the body, nurturing the organs, while removing acid wastes, one of the causes of numerous diseases. This type of water is usually found only in high-altitude mountain streams, twisting and turning, bubbling over rocks, where it picks up its electrons. Microwater is alive, and it functions as a powerful antioxidant. In Japan, this water has been successfully used to treat high blood pressure, diabetes mellitus, constipation and diarrhea, acidosis, and a wide variety of skin conditions. Although we make no medical claims, try the water for yourself and see what happens.

**DAVID
ICKE**

David Icke is another exceptional author. His new release is "...AND THE TRUTH SHALL SET YOU FREE". This is certainly one of the more important books of current publications. No author can be 100% correct because all facts are not 100% KNOWN TO THE CONSCIOUSNESS OF MAN. However, do try to access that which gives you growing insight.

We had hoped David would honor us with a visit during the middle of August and have an opportunity to speak. We are looking forward to seeing Dr. Cloutier who has long been one of our closest friends and the hope was that David Icke would be traveling with him while David made his speaking tour. We will have to wait and see what happens.

It appeared my speaker would be in court—but with the reduction of ability to have "a case", it likely won't run into that period of mid-August so we shall see what emerges. It is the most important TIME since August 17, 1987! We have to be very, very cautious. That aside, if you find David Icke in seminar anywhere near you—try to hear him!

These writers must depend on seminar income and book sales to LIVE. We don't yet have assets to assist them and therefore we can't ask them to interrupt their "earning" periods with "just visiting" if there is conflict.

I would, however, truly enjoy a chance to have interchange with David—personally. If that can be arranged out here during the mid-August period of time when a lot of you would be attending the local Mountain Festival, it would be most "interesting", I'm sure. MAN is a bundle of LIGHT ENERGY and David expresses this very well indeed. And PLEASE, readers, you do not have to be under "mind control" to use and CONTROL your mind! And further, there is a whale of a difference in the use of hypnosis in healing and self-use and *trauma-based mind control through TRANCE-FORMATION!* When you stop feeding on the GARBAGE you will find your world ever so much better, more interesting, and worthy of your journey through.

If you are coming here to visit and so, too, should David Icke, I'm sure you will be able to obtain his books directly from him and that makes it ever so much more warm and memorable. I know that you will not have time to order the book, study it and then have much information input prior to that date so take this into consideration.

We have had to take such a low profile in our communities and publicly until these miserable encounters in the courts are through as to be impatient for such participation. This has also caused great inability to raise funds on our own account so we have been unable to help the ones who are actually our teammates. THAT IS JUST ABOUT TO END, READERS, ON BOTH ACCOUNTS. Then, one of the first things we plan to BUILD is a hall where we can have these seminars along with facilities where people can come and stay while enjoying a vast array of speakers and participants. You don't need E.T.s to have the best information available and, when our funding is in place—the costs will be as minimal as we can make them along with paying the speakers so there can be "living capability" for these brave and daring people who have tried to lead you into TRUTH and HOME!

I am reminded by Dharma that one or two people have been somewhat "discouraged" about coming to visit this area in mid August. This stance, I'm sure, is because of the full schedule "elsewhere" of Dharma—for sharing. I can't plan on her to do much other than "be here" but we see no reason visitors who plan to come to the area should change such plans. We will have to keep the same security petitions in place and there may be some work to be accomplished, i.e., Greg and Debbie Sullivan plan to come and finish painting at the farm (the outside of the house). Our friends who

will run the research farm were on their way from Canada but have gotten stalled out because of unfinished red-tape so will not be able to be here for you to meet and enjoy. However, the trees at the farm make nice shade for a picnic—and there are nice broad spaces without trees which can also be a nice contrast. We are still in the mode of weed control in order to plant this Fall, so the fields are not planted and that offers handy use for other things.

Perhaps, even, Bob James would share his plane and piloting skills along with E. J. and give you visitors a view of this beautiful valley from the air. We note, also, that one of the events during the town Festival includes air rides, etc. There would be one advantage to local rides, however: the price is right—or, maybe you can pitch in for gas. These are BOTH "instructor" pilots and Bob assures us the plane has just undergone its "annual" so is in excellent condition.

A few of you have thought of moving to this area. This might be a good time to look it over, for during the Mountain Festival the town is on good behavior and it would be a nice little vacation trip for anyone. It isn't exactly EXCITING on a daily basis—but it is fairly close-in routing to Disneyland, etc. We still have nasty laws on the books so please do not expect close encounters of the hugging kind but we are never, NEVER, absent from this location in one form or another!

Some of you have been fed some pretty bad trashing about us and perhaps you might enjoy seeing, first hand, THE TRUTH.

Then, to you who still hear regularly from the Green Brigade, don't believe what you are told. "They" keep telling you that the destruction of "us" and the Ekkers is at hand. No, in fact, after this old case is over, we shall turn our full attention to these liars and cheats. There is full CONSPIRACY to destroy, damage, unfairly compete, theft and perjury to confront—yes indeed, IN COURT! They are letting Abbott and Horton contact O'Connor for hearing at the Supreme Court of the U.S.—GREAT! We have wondered just how to get a hearing THERE! THEY OBVIOUSLY HAVE FAR MORE FUNDS FOR STUPID AND FOOLISH LITIGATION THAN DO WE, SO HAVE AT IT. It seems hard to believe that they would go to a court to take up time of the U.S. Supreme Court in the face of TWO STATE SUPREME COURT RULINGS AGAINST THEM. Well, the U.S. Supreme Court has granted Abbott and Horton a time to enter their plea—but have NOT RENDERED A STAY OF LOWER COURT RULINGS (I wonder if that will matter in the least...!?) The Supreme Court of the United States does not even have standing to consider this foolishness. MR. GREEN CLAIMS TO BE A MILLIONAIRE MANY TIMES OVER—SO WE ASSUME THAT TO BE CORRECT AND PERHAPS HE SHOULD CAREFULLY LOOK AT JUST WHO AND WHAT IS CHARGING HIM AND "HIS" THEIR ARMS AND LEGS—TO CONTINUE THE SILLY COURT MOTIONS IN SPITE OF BEING RULED AGAINST OVER AND OVER AND OVER AGAIN!

By the way, people, we don't go down easily—in fact IF THERE IS NOT ALLOWABLE HEARING IN THIS PROPERTY CASE—WE WILL BOTH APPEAL IT AND ASK THE GRAND JURY TO INVESTIGATE THE UNDERLYING CIRCUMSTANCES. We certainly KNOW that if there is a ruling in favor of the Ekkers that Steven Horn WILL APPEAL ANY RULING. No, it NEVER ends when attorneys in this modern injustice system come into play. Further, since the world is now ruled by ATTORNEYS in every political slot of Government—you-the-people have not a chance of an icecube in Hell of justice. The courts do not have interest in truth and justice and have not in any kind of case for decades. Most certainly THE VICTIMS ARE THE LAST PLAYERS GIVEN CONSIDERATION, basically, on either side. It has become just one more very VISIBLE fact of life.

Salu.

The Age Of Aquarius

7/21/96 RAY BILGER

The idea of the New Age, or the Age of Aquarius, first surfaced in a public institution for mass popularization, at Esalen Institute in Big Sur, California, which was founded in 1962. When Esalen took off in 1967 it became the mecca of hundreds of Americans who paid exorbitant fees for weekends of T-Groups, the "Training Groups" modeled on behavioral group therapy; for Zen, Hindu and Buddhist transcendental meditation; and for "out of body" experiences through simulated and actual hallucinogenic drugs.

Esalen's nominal founders were two transcendental meditation students, Michael Murphy and Richard Price, who had been through years of mind dissolution at the Aurobindo Ashram in Pondicherry, India. Murphy was a Stanford University Department of Psychology alumnus and former resident scholar at the Stanford Center for Advanced Study in the Behavioral Sciences (C.A.S.B.S.) during the late 1950s. Price was a Stanford University Medical Center behavioral psychologist who participated in Dr. Rudolf Moos' experiments on patients at the Palo Alto Veterans Hospital and worked with Murphy at the C.A.S.B.S. during the same period.

In 1963, Abraham Maslow moved to Esalen. He is the author of *Toward a Psychology of Being*, which became Esalen's bible. Maslow was a top group dynamics leader at National Training Laboratories before moving to Esalen, where he took over direction of Murphy and Price's work.

National Training Laboratories was founded in 1947 with funding from the Office of Naval Research, the Carnegie Corporation, and with direct assistance from the Tavistock Institute of Human Relations of Sussex, England. N.T.L.'s staff came from the Institute for Social Research at the University of Michigan. The Institute for Social Research is the product of the 1947 merger between the Survey Research Center, founded in 1946, and the Center for Research in Group Dynamics.

The Survey Research Center has been described as the preeminent social profiling institution in the U.S.A. Through its connections to other polling services, such as the Gallup Poll and Harris Poll, it has the ability to get instant readings on the population's response to policy initiatives, and to reshape response.

The Institute for Social Research was set up with original funding from the National Institute of Mental Health, the Rockefeller Foundation and the Depart-

ment of the Navy. I.S.R. now does contract work for well over a hundred of the nation's *Fortune* 500 firms.

Making note of these various institutions of social research and behavioral sciences is necessary to lay a clear foundation for the formation of Esalen and why the general population was introduced to the idea of the Age of Aquarius.

The Tavistock Institute of Human Relations, mentioned above, is the mother organization for all the other institutions mentioned, as well as many others not mentioned, including the Rand Corporation, the Stanford Research Institute of Stanford University, the Massachusetts Institute of Technology's Alfred P. Sloan School of Management, the University of Pennsylvania's Wharton School's Management and Behavioral Science Institute, and so on. The point is that Tavistock controls the key business schools and related social engineering think tanks around the world. If this sounds too amazing, let's check Tavistock.

Tavistock was founded as a clinic in 1921, to serve as a psychological think tank for the British Intelligence Services. The man who shaped Tavistock and who developed what is called the "Tavistock Method" was Brigadier General John Rawlings Rees. Rees recognized that the same techniques used in psychotherapy to cure an individual of his neuroses or psychosis could be applied to make him sicker. Rees proposed that this "retrogressive psychology" could be applied to large numbers of individuals, who could be driven neurotic or psychotic and therefore controlled. It is on this premise that the entire Tavistock method rests.

Thus, the psychological warfare that worked so well in World War II was, after the War, applied to the population at large. The tool for driving a society mad is repeated "psychological shocks" or "stressful events". Sound like what we have today?

Rees reasoned that if population could be put through "stress tests" it was possible to first predict a response and then, through altering the range of perceived choices, to direct responses in an intended direction. In this way whole societies can be "profiled" and controlled. This is the essence of what is called a "controlled psychological environment".

In today's world where we have crisis after crisis, this scenario is played out in what is termed "crisis management". The formula for "crisis management" is; crisis creation plus crisis solution equals crisis control. A crisis is created, and the desired solution is then introduced.

Rees' goal was to use psychological shock troops to build a society "where it is possible for people of every social group to have treatment when they need it, even when they do not wish it, without its being necessary to invoke law". Have they been successful?

With all of the above background in mind, let us now take up a summary presentation of what is meant by the Aquarian Conspiracy and the New Age or Age of Aquarius, which the entire social psychology establishment is now mobilized to impose upon our society.

As you may well know, there are literally thousands of counter-culture newspapers and magazines which

proclaim the coming of the New Age, the Age of Aquarius.

During the 1966-67 period a series of high-level N.A.T.O. conferences were held. Among those present was a famous N.A.T.O. official named Aurelio Peccei, and the then little-known Dr. Zbigniew Brzezinski. The final decisions of those N.A.T.O. conferences were to apply a series of long term policies throughout the Western World for the purpose of inducing a transition to a technologically "steady-state", "zero-growth", "post-industrial society". The Soviet bloc was supposed to be skillfully induced to gradually evolve toward a similar type of "steady-state" equilibrium system. Following the N.A.T.O. conferences, the Council on Foreign Relations attempted to start the "inducement process" with the Soviets by jointly establishing the Vienna International Institute of Applied Systems Analysis. The S.A.L.T. arms control negotiations and nuclear non-proliferation processes got underway. Also, a massive increase in world drug traffic appeared. Aurelio Peccei went to the Tavistock Institute in England and the brainwashing specialists of the Tavistock network went to work internationally. The era of government by "crisis management" had arrived.

In May of 1974 one of the organizations of the Tavistock network, the Stanford Research Institute, conducted a study entitled "Changing Images of Man", Contract Number URH (489)-2150. From this, the Stanford Research Institute's Center for the Study of Social Policy produced Policy Research Report No. 4/4.74. The 319-page report was prepared by a team of 14 researchers and supervised by a supervisory panel of 23 controllers, including members from the United Nations and British Intelligence. Thus, a leaderless but powerful network was working to bring about radical change in the United States. This great shuddering, irrevocable shift overtaking us is not a new political, religious or philosophical system. It is a new mind—the ascendance of a startling world view. People, generally, do not seem to be able to comprehend what kinds of motivation our brainwasher social-psychologists could possibly have for doing this to us. If the motivation cannot be comprehended, then the motivation "does not exist". And if the motivation does not exist, then the action that derives from it does not exist; therefore the "Aquarian Conspiracy".

To top all this, in July of 1980, a major international conference was held in Toronto, Canada, under the title of "First Global Conference on the Future", attended by over 4,000 social engineers, cybernetics experts and futurologists from all the think tanks. The purpose of the conference, in the words of its chairman, Maurice Strong, chairman of Petro-Canada and a high-ranking British Intelligence officer during World War II, "The time has come to move from thinking and dialogue to action. This conference will become the launching pad for that important action to occur in the 1980s".

Close investigation of the preparatory activities of the conference participants and the in-house studies of the social-engineering think tanks that participated, has confirmed conclusively that the "decisive action" the chairman was speaking about was nothing less than the brainwashing of the entire human species.

Take a look, for a moment, at just what our eyes have been able to see and our ears have been able to hear every hour of the day and night for at least the last fifteen years. We have heard about sex education programs in which grammar school children are instructed in masturbation and "alternate life styles" such as homosexuality, transvestitism, lesbianism, prostitution, and so forth. We have heard, or seen, or lost relatives to the Hare Krishna, the Moonies, and numerous other exotic religious cults. We have seen or heard about the charismatic movements, liberation theology, the new religious fundamentalism, the P.T.L. ("Praise the Lord") shows on television, and of course we have Islamic fundamentalism coming out of our ears. We are also well aware that this country right now is going through the worst drug epidemic in its history. Alco-

Any strange and much-talked-of event is always followed by imitations, the world being so well supplied with excitable people who only need a little stirring up to make them lose what is left of their heads and do mad things which they would not have thought of ordinarily.

— Mark Twain

holism, drug addiction and suicide are at all-time highs. (As an irony to this, if one reads the well-documented book by Rodney Stich, entitled *Defrauding America*, we see that the very U.S. Government agencies which were supposed to be fighting the "war on drugs", are instead actually involved in bringing massive quantities of drugs into this country; namely, the Central Intelligence Agency, the Drug Enforcement Agency, and the U.S. Customs Service.) And, violence and criminal activity are widespread and increasing.

This picture is only the raw empirical side of the story, the surface impression that every citizen gets by merely observing what is going on. A closer examination of the matter, as has been outlined in this paper, indicates that approximately 15 million of our citizens are participating in one active form or another in the outfits of this organized insanity.

Those persons who feel that all of what is happening is somehow an aberration, are generally being grossly misinformed by the very controlled media they expect to be bringing us the truth. The truth is, they are bringing us propaganda.

The central conclusion that should be reached upon finishing a careful examination of all of the above is that the moral, material, cultural and intellectual decay that you are witnessing every day in our cities and towns is not an "act of god", but a deliberately induced social crisis.

As this "system" works upon us and our families, you may witness your once-gifted, bright, agile child gradually turn into a withdrawn, passive zombie listening endlessly to rock-and-roll, all the fire gone out, all interest in the future extinguished. For you, life may become empty of significance, you may become discouraged, demoralized, withdrawn—and not surprisingly. You have been preprogrammed to react with dejection and withdrawal. On the basis of this reaction-formation, they plan to brainwash you just as they have done to your child. We must continually be lied to because those armed with the truth are not easily controlled.

As an example, to name but a few, the New Left movement, the Vietnam War, the antiwar movement, the Watergate scandal, environmentalism and the slow and deliberate destruction of American technology were all preplanned social-engineering projects.

New Age thinkers (those who have been successfully brainwashed by the formulations and policies of our social-engineering think tanks) would have us believe, just as they have been told, that indeed there are bad things going on in the world, but that a new age of enlightenment is coming, and all we need do is meditate on positive energy and send light and love to the negative, and things will somehow get better. To meditate on the light and love of God can certainly be good, but to fail to take the concrete actions which are necessary to oust our controllers makes us the unwitting tools who help perpetuate their policies and allows them to hit us with even more of their corrupt plans. This practice escalates spirally until we are so utterly confused, and such chaos reigns, that we are easily controlled and manipulated to do exactly what they want us to do at any given moment.

Until we all stand up and not only demand, but actually create, meaningful changes ourselves, there is little hope of reversing our downward course. With all of the means of control beyond the comprehension of most of us, it is difficult to see much good coming our way.

Therefore, we must not react in the predictable way we have been preprogrammed to do. We must resist being selfish in our private agony. We must now grow greater than our private agony and concern ourselves with the agony of our nation.

In short, it is time to wake the town and tell the people. Is this the Age of Aquarius, or the age of who controls who for what reasons? CUI BONO? BLASTS REVIVE LEGISLATION

Everything is connected and fits together to fuel the NWO agenda. For example, government-sponsored acts of "terrorism" are useful scams to focus condemnation on targeted groups—"right wing radicals", Arabs—enemies of the Khazarian empire, wherever they may lurk. Whenever you wonder the purpose behind some news "event", just observe what comes next. This example comes from the July 30 issue of the (Los Angeles) *DAILY NEWS*, [quoting:]

WASHINGTON—After back-to-back explosions that killed and maimed Americans, Democrats and Republicans in Congress are promising to swiftly pass counterterrorism measures that they rejected this spring. [They were "motivated"! And who is targeted by "counterterrorism measures"? Enemies of the NWO—law-abiding citizens who prefer God's laws and the Constitution to the Noahide Laws—maybe YOU!] Congressional leaders met Monday with President Clinton, Attorney General Janet Reno and FBI Director Louis Frech, and later agreed to gather again today to craft a list of new protections [and who are we protecting?]. Leaders in both parties agreed to try to rush the measures through Capitol Hill by Friday, when Congress will begin its summer recess [a well-planned "rush job"]. But the legislation could be slowed because of concerns over civil liberties and opposition from gun lobbyists.

"When the bomb went off in Centennial Park in Atlanta, that park immediately became our national common ground, a symbol of our determination" to defeat terrorism, President Clinton said at the start of Monday's meeting. House Speaker Newt Gingrich, "speaking as a representative of Atlanta and a repre-

sentative of the people of Georgia," pledged "to cooperate in any way we can." [He always HAS, hasn't he?]

Congressional leaders also agreed to reconsider a half-dozen Clinton proposals, including:

An amendment to the Electronic Communications Privacy Act to allow law officers to conduct "roving wiretaps" on criminal suspects who switch phones frequently, and to get copies of suspects' local phone records.

A change in the Posse Comitatus Act that strictly limits the use of the military in law enforcement. The amendment would allow military experts to investigate cases in which biological, chemical or nuclear weapons are used. [We've been softened up for the police state via "subtle" propaganda in movies like *Outbreak*.]

The creation of a protocol that allows law officers to gain access to computer data transmitted in code.

A faster and more sweeping study on the potential uses of "taggants", chemical markers that can help trace the sources of some explosives.

Making it a federal crime to post bomb-making instructions on computer networks.

POLICE STATE BRIEFS

Soon the country will be as "secure" as New Jersey, as reported in a recent issue of the *MCALVANY INTELLIGENCE ADVISOR* and reprinted in the August issue of *MEDIA BYPASS*, [quoting:]

Republican New Jersey Gov. Christine Whitman signed into law Assembly Bill No. 221. This law makes a crime involving an unlawful sale, transport or disposal of a firearm punishable by mandatory sentence of life imprisonment with a minimum of 25 years before being eligible for parole and up to a \$500,000 fine... Never before in the history of U.S. gun control has a pure anti-gun law (not involving the unlawful use of a firearm against another) been so harsh and extreme in its penalty. [That's the way a police state is created—the little-by-little, day-by-day erosion of liberty until, at the last, the gate snaps shut!]

S&L BAILOUT COST COOL HALF-TRILLION

By Richardson W. Stevenson of *THE NEW YORK TIMES*, this article appeared in the July 13 issue of the *MODESTO* (California) *BEE*, [quoting:]

WASHINGTON—The most comprehensive government study so far on the costs of the savings and loan bailout was released Friday by the General Accounting Office [I guess we can believe them, right??], placing a total price tag on the debacle of nearly a half-trillion dollars—including more than \$130 billion from taxpayers. The figures are roughly in line with previous estimates, and include both direct and indirect costs as well as interest payments that will stretch out for decades. The money went to clean up the financial mess

[clever way to put it] from the failure of more than 700 savings institutions in the 1980s and early 1990s as a result of mismanagement, fraud and an economic downturn in states like Texas and California.

"The bad news in this report is that the cost of the failure of many thrift institutions, with interest, approaches half a trillion dollars and that taxpayer accountability due to bonds issued will continue through the year 2030," said Rep. Jim Leach, R-Iowa, chairman of the House Banking committee. "The good news is that America's financial institutions today are stronger and sounder than in many years, that the bank and savings and loan insurance funds are positively capitalized and that prudent regulation is in place." [Better do a LOT of reading between THOSE lines!]

BIBLE-QUOTER LOSES CONTEST, KILLS WINNER

I thought I'd pass along this recent *Associated Press* account as an example of a bizarre turn of irony, [quoting:]

DADEVILLE, Ala. (AP)—A man who lost an early-morning Bible-quoting contest killed the man who beat him, police said. Gabel Taylor, 38, was shot once in the face outside his apartment Thursday. Police are searching for the suspect, whose name was not released and who is believed to have left Dadeville, about 50 miles northeast of Montgomery, Police Chief Terry Wright said. Taylor, a preacher's brother and the suspect were comparing their Bible knowledge outside an apartment complex, each quoting different versions of the same passage, police said. The suspect retrieved his Bible and realized he was wrong, witnesses said. "He said Taylor did know more and that made him mad," Wright quoted witnesses as saying. The man threatened Taylor, saying, "I'll kill you before the night is out."

DOLPHINS SAVE MAN FROM SHARK ATTACK

This upbeat report comes from the July 26 issue of the (Fort Worth, Texas) *STAR-TELEGRAM*, [quoting:]

CAIRO, Egypt—Martin Richardson of Britain went for a swim Tuesday among dolphins but found they were much more than gentle playmates. They can be lifesavers. Richardson, 29, was swimming a half-mile off Marsa Bareika in the Red Sea when a shark attacked him. "Something took a bite of my side," Richardson said Wednesday from el-Tur. "I started panicking for a bit, then it took another chunk of my upper arm." Richardson's companions then watched as three bottle-nose dolphins encircled the wounded man, and flapped their fins and tails to scare off the shark. "This defensive behavior of dolphins is common when mothers are protecting their calves from predators," said a statement by the Reanati Center for Maritime Studies at the University of Haifa in Israel. The statement said the dolphins continued to circle for several minutes until Richardson's companions reached him. Richardson should be released from the hospital next week.

Dodger players Mike Piazza, left, and Eric Karros, second from right, offer thanks to LaSorda—do they KNOW?

MIND-CONTROL MANAGER LASORDA RETIRES

Things are NOT as they appear! Nowhere is this more true than in the mainstream media. Baseball—that “wholesome American pastime” is the supreme example. Here are a few news snippets on the retirement of the Dodgers’ much touted manager, Tommy Lasorda, from the July 30 issue of the (Los Angeles) *DAILY NEWS*, [quoting:]

Tom Lasorda, manager of the Dodgers for 19 1/2 seasons, announced his retirement Monday, one month after he suffered a heart attack.

After the (heart attack), you begin to think of so many other things that are important,” said Lasorda, his voice choking with emotion. “I got to thinking about my little granddaughter and how I’d like to be around when she goes to school. I’d like to spend time with my wife and my daughter and my son-in-law.”

The Dodgers’ perennial father figure, now old enough to be some of his players’ grandfather, fittingly said his official goodbye before a few of the children Monday. Everyone noticed stars Mike Piazza and Eric Karros sitting in the crowd, listening to Tom Lasorda announce his retirement after 20 years a Dodgers manager. But nearly lost in the rear of the Stadium Club, hiding behind a pair of dark sunglasses, pitcher Chan Ho Park also showed up to witness the farewell. “I said ‘I must be here and see it,’” Park said. “I feel very sad. He’s like a father. He’s my American father. He takes care of me. I want to play here and show him I can play many, many games.”

Baseball was his game, but motivation was his life. From selling diet supplement drinks to getting sick kids out of hospital beds. The man was—is—a master of motivation. [End of quoting.]

Before we get too sucked into this glowing tribute, remember to read between the lines. “Master of motivation”? Yes indeed! Remember what Cathy O’Brien reported about LaSorda in *TRANCE Formation of America*, [quoting:]

My programmed mind contained a “baseball computer” that was created for Reagan, and used by many including Thornburgh, Lasorda, Danté, and Zerilla. It was packed with the kinds of statistics in which they were interested; the codes, keys, triggers and hand signals of certain mind-controlled baseball players. Zerilla and Thornburgh were cruising en route to the Dominican Republic to the CIA baseball mind-control

farm to scout out new slaves. They talked excitedly about the prospect of winning large sums of money through gambling on rigged games. I had been aware for years that many pro players, particularly Lasorda’s Dodgers, were mind-controlled and triggered to win or lose according to their owners’ bets and favors. The Dodgers, Reagan’s “favorite American pastime” ball team continuously won the World Series during his Administration. The Mafia was in on the bet rigging, and information was passed to certain ones through Thornburgh and others as gleaned from my “baseball computer” programming. [End of quoting.]

Defeated the New York Yankees, four games to two, to win the World Series. It was the Dodgers’ first title since 1965. Lasorda named The Associated Press Manager of the Year.

Won his 1,000th game as Dodgers manager, becoming the 38th manager in major-league history to record 1,000 victories. The game was a 4-0 decision over Montreal. Dodgers defeat the Oakland Athletics, four games to one, to win the World Series.

On Passing Time And Confronting Choices

8/1/96 #1 HATONN

DAYS COME AND DAYS PASS

Is today, August 1, 1996, not quite the same as was yesterday, the 31st of July, 1996? Unless something outrageous happens BOTH dates will be lost in the entropy of passage. Depending on whatever might be your occupation, it is likely that you won't even take note of the event of the change. However, if you, like Dharma, have to keep logs and diaries, you will, of necessity for the records, have to note the details of time and time's correct labels. She has just had to change from July to August and do all the other things in the "heading" for file reference and already she cannot tell you, without moving to the top of the heading, what date shows in the new calendar without focus on the memory of changing the day count.

I find that interesting for in only a few short days there will come a NEW YEAR which ends a decade IN THE TRANSITION PERIOD COMPARABLE TO B.C./A.D. (or now, C.E. for Common Era). But readers, you can't label passage of sequence to simply fit a "man's" pattern or presence. There is order in the Universe and to change a date, a year, a Planet—does not do anything to the Universe. Energy changes Universal perceptions and reality.

Now she sits stunned for "time" perception is that in the beginning of our work she was told that the most impressive changes would be occurring, in her direction of work-flow, within the 4-to-7 years following our connections. That has been so. Then we told her that the most remarkable impact of a changing time on the Planet would become recognized in the years 1996 through the new decade which will happen by August of 1997. To realize that a decade of service has all but passed without more perception of its real passage than is in the changing of dates via a keyboard is shocking to the person in point.

From another standpoint, the perception must be faced that such impacts upon the person, no matter who might be the person, of LIFE "happening" and events becoming reality to your senses, and you have only the memories upon which to base your perception—at all. A "date" change is meaningless unless something out of the ordinary either "happens" or plans made take place—or if they don't take place—why didn't they? Further, you will find that you can only remember a "thing" if it impacts YOU. Great wars begin, but if you are unaware of the start—you will only remember WHEN IT IMPACTED YOU! This is WHY it is so easy to distract and lie to you. Let me use an example: say that your Grandfather dies but you are away on a sabbatical leave working in Lower Slobovia and have no mail access. Grandfather dies the day you leave for your trip and you are gone for several years without news of home. When does the impact of Grandfather's death strike you? UmHummmn, when you FIND OUT

ABOUT IT!

OK, now you know about Grandfather's death—what impact has it now? Let us surmise that Grandfather was elderly and had Alzheimer's with cancer and in pain all the time. You loved him, or maybe you didn't but, either way—you likely justify the lack of real emotion you feel because you thought it better he be transitioned anyway.

BUT, now suppose that Grandfather was quite young and owned the very BUSINESS in which you would take over as owner on your return. Ah, but you couldn't be reached for input and the business was TAKEN by a

There is order in the Universe and to change a date, a year, a Planet—does not do anything to the Universe. Energy changes Universal perceptions and reality.

hostile takeover and Grandfather was actually murdered—so, you have no Grandfather, no position, no business and are faced with ongoing legal fees for finding the killer. In addition, your Father had an emotional breakdown and was injured in an accident (the "staged" accident) which took the Grandfather. So, now, there is no one with whom you can have counsel. You come home to also find your Mother with terminal cancer and your Grandmother in a most expensive "rest" home, your wife (or husband) has left you, and the kids are in juvenile incarceration for drug selling!

Things have suddenly taken a sharp turn onto your plate—have they not?

If you had KNOWN of the things taking place, as they took place you may well have been able to change the entire scenario.

Rod Ence/Enz told "Mr. Kentucky" that our work was stupid because "for instance, why should I give a damn about Clinton? Clinton is not within my world and I am my own God so why waste time, as does Hatonn, on such things which don't even impact me?" Oh, and do you actually think that as President of the United States in which you are a citizen—it does NOT MATTER what Mr. Clinton is or does?

The Roswell, N.M. UFO crash now coming into renewed interest—DOES IT HAVE EFFECT OR AFFECT ON YOU? Well, it certainly DOES—regardless of whether or not you "believe" in such things as aliens or alien craft. Suppose it was the ONLY way off and your world is set afire? Where are you going to go look for your "brothers" from "out there"? Oh, there aren't any brothers "out there"? Oh yes there are! Lots of them are already on your place from all sorts of other star locations, never even minding Pleiades and/or Hatonn who hails from other places anyway.

What about "religious" truths vs. fiction? No impact? If you are waiting for a man in a white suit or a being in silver stretch pants—or a vision in robes—what does this do to your perceptions of who might be knocking on your door with opportunities beyond your wildest imaginings? You might especially be inter-

ested with whom you take-off in some shiny saucer and to where "he" (the driver) might be headed—suppose it is to the local slave-labor salt mine?

GOOD, EVIL, AND WHO GIVES A DAMN?

Would you feel more secure, if you be Jewish, if the visitor is in an SS-black ATF uniform with an automatic nuclear-tipped ammunition-loader AND a Nazi emblem on his shirt? Or would you prefer someone you KNOW has both A SHUTTLE CRAFT and knows how to fly it and also has an obvious respect and reverence for YOUR LIFE? Or, will you just say, "I'm waiting for God to save me?" What then will you say about God when HE tells you, "Ah, but I sent you a shuttle?" and the "GOD WITHIN is supposed to be your intelligence—after all, you said so yourself!" Or will you wait for Mr. Clinton's gang to come and herd you off to your "placement" security—in a compound from which you physically cannot escape? Suppose Mr. Clinton is off to the Bohemian Grove playing with Bush when the big Bang comes down? By the way, Welfare is going, going, GONE...!!! WHO IS GOING TO HELP YOU, ROD? AH, DO YOU THINK THE ONES YOU TRIED DILIGENTLY TO DESTROY WILL BE WAITING ON YOUR DOORSTEP FOR YOU TO CHANGE YOUR MIND? I DON'T THINK SO. If you lie about me, try everything you know to destroy me—I don't think you had better expect me to feed you and attend your whims and fancies. If you deny me before our FATHER, I shall deny you as surely as you "think you exist". I do not turn from LOVE—I TURN FROM EVIL! "Evil" is simply that which pulls or pushes one FROM HIS PATH TO GOODNESS AND GOD. Sin is simply "error" in actions by acting with-OUT the laws of God. On Earth it is called a "violation" of laws. Evil is always connected to the LAWS OF GOD AND CREATION—violations on Earth are connected to the rules and regulations (and allowances) of human physical presentation. To act against the laws of man is called "criminal". To act against and with-OUT the LAWS OF GOD is called "evil"—no more and no less. You will always answer over the LAWS of God—WITHIN SELF if no other. You may or may not get "caught" in violating the laws of Man. There is, however, no prison so painful as the prison of SOUL who realizes the TRUTH and finds himself to be "EVIL". It may well take a while in coming—BUT IT ALWAYS COMES, EVEN IF IT BE ON THE VERY TRIP TO "WHEREVER" AND, IF THE EVIL IS BAD ENOUGH—IT WON'T BE ON THE ROAD TO GOD'S IMMEDIATE COMPANY-KEEPING, DECISION-MAKING AND/OR "CREATING" HEAVEN!

With this in mind am I supposed to somehow absolve you from evil intent and actions against myself and my team? You get absolution from a Holy Roman (Oxymoron) Priest—not me. If you CONSPIRE in the inner-relationships with MEN who are committing crimes while you both help and commit some yourself against these same people of whom you don't approve and work with their enemies—YOU ARE AN ENEMY and no matter what you may perceive them or me to be—you are BREAKING THE LAWS OF GOD, CREATION AND MAN. Now you have a REAL BIG PROBLEM. Further, why should anyone with honor allow you to steal, embezzle, lie, cheat and conspire and not make every effort to return that which is stolen to rightful parties? It is not right OR LAWFUL to steal that which is another's and refusing to FACE TRUTH is not an acceptable response. RIGHT and WRONG are KNOWN, EXCEPT TO THE BRAIN DAMAGED. God births this KNOWING with the entity. Moreover, it is wrong when you take your own path but far worse when you lie and do these WRONG things as example to your offspring—THEN YOU ARE EVIL! Sometimes the children are involved and that is ALSO "criminal". Then, to gather others and call them "friends" to support your idiocy—brings them down to your level as

accomplices, aiders and abettors. In other words, you form A CONSPIRACY BY YOUR VERY CONNECTIONS.

A lot of you misfits have fed garbage to Mr. Horn, for instance, so it matters not whether the "right" wins or loses—YOU WILL HAVE LOST, FOR YOU CHEATED—AND—YOU SUCKED IN AN ALREADY LESS THAN RESPECTED PERSON INTO YOUR OWN MUCK. THIS MAKES HIM A PARTY TO "CONSPIRACY". YOU MAY THINK THIS SIMPLY ALLOWS YOU A "FREE" ATTORNEY—WELL, MR. HORN NEVER DID A THING FOR "FREE" IN HIS ENTIRE LIFE! NEITHER ARE MR. ABBOTT AND/OR HORTON. THEY ARE, IN FACT, DESTROYING SOME OF "YOU" TO GET THE LOOT AT ANY AND ALL COSTS—TO YOU.

These are parables, readers, of the way LIFE and TRUTH work. You don't have to be a Baptist or a Rocket Scientist to realize I speak the TRUTH. Moreover, it is wise, if nothing else, to KNOW WHAT YOUR NATIONAL PRESIDENT IS DOING—BECAUSE YOU CAN KNOW IT EFFECTS YOU. It is more important to watch what takes place and is blamed on "everyone" and "everything" OTHER THAN THE TRUE PERPETRATORS. It is especially important to watch who and what is being played out at the Republican Convention because that group of Bushes are pretty cool in their relationships. Your country is never EVER going to be the same again. Elections mean NOTHING—but you can watch what the players DO and get a good idea of what is coming into play. You are out of time for the Zionists' PLAN 2000 coincides with other MAJOR PLANS to bring the world into control and both/all of these referenced "plans" are of adversarial, or "Satanic", intent and origin.

You DO have an opportunity to change these things—but I wonder if you will do so in time to make an impact while there is yet freedom enough to accomplish much other than survival of a few. Who will "dare"?

You may observe and objectively assume it is somehow "my duty" to attend your needs. NO INDEED, IT IS NOT MY AFFAIR. I CAN POINT THE WAY—BUT I AM NOT YOUR "KEEPER" NOR AM I ALLOWED TO INTERFERE WITH YOUR AFFAIRS. We will accomplish our mission as laid forth and accepted in responsibility to the very best of our capabilities. We will search and make an effort through any resources willing and able to allow for accomplishment of that mission and all of you CAN benefit if you so choose. I can't, however, SAVE ANYTHING. Even to "picking you up" becomes a short fuse between "abduction" and "willing riders". We do NOT ABDUCT! And, if you are nothing more than "willing riders" it is likewise unacceptable in intent—YOUR intent. Anyone can take you for a ride—and that is proven over and over again throughout your history as a species. You are still moving about on a holograph deck. Most of you are still the "pawns" just being pushed and shoved around somebody else's game board and, again, those are YOUR choices.

OTHERS, CHILDREN, AND YOU

Some of my team will CREATE THE WAY and through that way you may well choose to be "on our side", which means what? We'll, not a lot because it is still INTENT that shall make the final judgement call. It does, however, mean that, if exposed to the truth, you

may find THE TRUTH and realization "happens". It can only, however, happen in LIGHT if you experience and open self to that truth in LIGHT. If you only follow the Dark Banditos you are going to be stuck with ignorance and dark revelation. If nothing matters "but self" you will be stuck with a VERY IGNORANT SELF! When you, further, effort at convincing others to join into YOUR IGNORANCE OF DELIBERATE LIES, you err even more greatly—for you then bear responsibility of blinding another and, in God's world

of perfect goodness—that becomes a far larger error than that which only attends "self". When you MISTRUST that which is left into your care, i.e., children, you have grossly erred for those children are

YOUR responsibility to nurture in the ways of righteousness that THEY might find eternal LIFE in the places of the Lamb, in the security of the Perfect Shepherd.

If your child sees you take even a bolt from a piece of equipment to harm another or cause loss to another and you hide it with full intent of bringing damage—what is the child to do? What is the child to think? If you have no signs of importance save unto self—what is the child to become? The child KNOWS TRUTH—you do not fool a child—but you CAN train a child—and he will loathe you for your shortcomings when he

comes into realization. If you lie—you teach lying or betrayal. If he sees you lie—he either has to betray himself, you, or TRUTH and this rests on SOUL like a shroud of death. If you make your children choose between your example and TRUTH—guess what! Since the child knows the difference—first goes respect and, after there is no longer respect—the child, in his misery, will make WRONG CHOICES to damage himself and HURT YOU. Ultimately it will only be himself he can damage—but that will not relieve you of your own penalties and self-hatred for accomplishing his troubles. You can rectify these things through forgiveness, self-forgiveness, TRUTH, LOVE and total integrity—but damage is slow to heal if there is no foundation of TRUTH and responsibility to base a new building, the individual will always have no worthy foundation and will base his own existence on greed, having, envy and all those things which pulled down the "Father". This is what is meant about "THE SINS OF THE FATHER ARE RESTED ON THE SON", ETC. A good "Mother" is not an offset—only a blessing to the extent she can build some semblance of foundation. Likewise when the roles are reversed.

HOMOSEXUALITY

Homosexuality is NOT a deviation into some form of perversion—it comes as a result of THE LIE. When an individual at any level realizes that life is NOT AS TOLD OR TAUGHT, the retreat is into that which is ACCEPTABLE. Since the children of today do not know except what they see as being acceptable—will try to fit into that which "seems" reasonable. I.e., I can't get along with the opposite sex and I don't feel any of the things I'm told are so wonderful and expressive, so I MUST BE different and, therefore, I must be "whatever".

Surely if you don't feel like hopping into every bed you see in the afternoon soaps—how can you be "normal"? Mommy watches that and enjoys it—so it is ME who doesn't understand—goes the child's mind. Moreover, Daddy watches and reads about all those things big people do and I don't think beating up or hurting Mommy is right—so I'll do something else or become an abuser myself. Respect is absent for parents fight constantly over these unrealistic THINGS. These are most vicious cycles of behavior and TRAINING. Confusion is the NAME OF THE GAME, readers. Confuse you as to YOUR OWN IDENTITY and you've lost your claim to BALANCE.

No indeed, homosexuality is not as large a culprit as are the horrendous expectations as laid forth in the training program of the Evil-mongers, of heterosexuality and all it encompasses. Nobody suggests you JUST BE FRIENDS CARING ABOUT ONE ANOTHER—YOU HAVE TO "PERFORM" PHYSICAL USURY. You have a species who doesn't want

to procreate as would the animals in normal behavior because you don't want responsibility of the outcome—only the act. So, for a moment of pleasing someone else, or having a split second of self-gratification, you face the "interest" payments forever after. A baby, people, aborted or present—is truly forever. What you do about that baby is not within my right to attend—that is your business. But oh yes, indeed, I have knowledge of the right and wrong of what is taking place—AND SO TOO, DO YOU. It is not something that can be voted-in or voted-out like fluoridation of your water supply. These choices rest on YOUR SOUL.

No, do you have such a selfish attitude as to think ALL have not erred? No, but those who erred and find a way to try to rectify those errors and effort to amend the mis-teachings will bear the joy of the changing moment in attitudes. You did what you did—it is what you are doing and working toward doing which is the test and judgement of the individual. Moreover, when addictions lock you within your "selfish-prison" you are in real danger—for no other thing matters enough to you in your sick ego, to change self in favor of another more important thing or person. This leaves "others" to deciding they are lacking. A child has no other reference. This doesn't mean that correction of course at ANY point of the physical journey cannot be made and massive changes sweep across the nations and souls of man—it is always the ego of man which is warped for the ego BURIES THE SOUL in the confusion of physical sensing.

If the SOUL is at peace and joy within its KNOWING, all else is but passing distraction for the lessons brought forth for the experiencing individual. All ELSE "can" then be attended in the perspective OUTSIDE personal ego-entrapment. This does not mean you will be free of all connection to physical bombardment or preference—it means you will prevail in SOUL without falling into despair or regret. You will be able to see for yourself that which happens and you will find courage in acceptance of that which you know is WRONG but over which you have no control in the moment—in your perception. You ALWAYS have God Control and Creative abilities—and if you TRUST THAT you WILL prevail—for the happening as it is unfolding is but an illusion of interchanging individual perceptions. KNOW WHY YOU DO SOMETHING—AND WHY IT IS IMPORTANT OR NOT EVEN GERMANE TO THE OVERALL PURPOSE OF YOUR JOURNEY.

In EVERY INDIVIDUAL focus—KNOW THE PURPOSE and the rest will all seem quite suddenly unimportant. If you have had something stolen from you—why do you need to get it back? Do you have that which can replace it? Is "just" replacing something the RIGHT point to consider? You must always balance PURPOSE on Intent to fit the moment in happening.

If you, for instance, have a breathing device or, say, an artificial hand missing (stolen)—what happens here? Perhaps you need it because you cannot afford another hand and

if not, the missing part is crippling. If, however, you CAN now afford another hand and you instantly get one—the focus on the hand needs to CHANGE. If you find the one who stole the hand, is it not right to make the wrongdoer face his consequences—even though you have abundance and bought a new hand? If he needed that hand for his own missing limb—you have, now, an entirely different set of complications in your own decision of actions. But if that man stole from you just to make greedy acquisition, nothing makes his actions worthy.

This can hold true for lost land, houses, cars—anything. But even in these things—SOUL'S RESPONSE IS THAT WHICH IS URGENTLY IN NEED OF FOCUS. Why do you struggle? Why do you feel badly if things don't "go your way"?

Does that make you wrong—or is, possibly and today quite probably, the system sick and in need of change?

As with some things you do because

they are the RIGHT thing to do—consider the objective and DO NOT BOG DOWN IN THE IRRITATION OF THE MOMENT. For instance, if a law case is to bring truth and purpose to itself—just not stopping when the going gets annoying, is worthy. If, however, the antagonism and constant full-attention is wasteful—act in wisdom. If the purpose is "awakening" people to TRUTH—you don't shut off the alarm because it annoys you when you would rather attend a concert or a moment of self-retreat. Go "retreat" long enough to get into balance, reprioritize, count your "wins" (which will be far more than you imagine when you are RIGHT) and keep right on keeping on for everything IMPACTS everything else and sometimes your keeping on SAVES THE DAY for another under attack by those same parties in opposition to you. THIS IS OFTEN THE ONLY WAY TO SHARE A BURDEN—TRULY, BY DIVERTING THE STRIKING VIPER FROM HIS ORIGINALLY INTENDED PREY. TOGETHER YOU CAN BRING THE VIPER TO HIS DEMISE. You will notice the vipers always use this kind of "diversion" technique. If you can't be forethinking and shrewd as is the enemy—you are stuck losing at every turn because they will gang-up on you until they suck every drop of blood from your being. Sometimes YOU must open the escape hatch for your brother. To be willing to do this service is often the testing of a man or woman.

You must always balance PURPOSE on Intent to fit the moment in happening.

Serious Caution About The "New" Texas Republic

[Continued from Front Page]

SOURCE OF THE \$100 MIL. BACKING. From "WHAT" will flow the value? I am NOT saying that such value is not somewhere available—I'm simply telling you that that plan is a very dangerous one—at best.

Check out WHO is doing this plan and you may well shock yourself as to the intentional QUALITIES of the individuals involved. This, of course, is only my opinion based on nothing more than a FAX received just this morning from APFN and it, as presented, is nothing more than a dangerous bomb with a lit fuse. You are, by the way, going to need more than LIENS to make a thing either Constitutional or legal—and who will HOLD the liens? This is dangerous and you are NOT going to like the people involved in the shake-down. It is all but impossible to make validly BACKED programs "work", with or without liens—but to take something out of nothing and go against the very Elite who did away with the integrity in the first place—is foolish. You may well find that you have BOUGHT into one of their own plans to fold you ALL into their trap. That "backing" is THE important factor and is the one factor totally ignored in that document. It IS an opportunity to test your own insightful ability to find the truth in it and act wisely—one way or the other. But, since the NEW WORLD ORDER is most associated with one George Bush and since George Bush Jr. is Governor of Texas—do you think it will be easy to just set up a whole bunch of BANKS? Even in Montana you might have gotten away with it on a small scale—in Texas you will NOT. These guys EAT BANKS for brunch after stealing and murdering to get the assets! IF THEY LET YOU GET AWAY WITH IT—IT IS ACCORDING TO "THEIR" PLANS!

Always check out "the qualifications" and "requirements" and you will get a good idea of consequences of your participation—and make sure the trip is worth the intent as to WHAT YOU ARE DO-

ING!?! WHY you are doing "it" is the first question to ask self! Personal gain or truly Constitutional TRUTH. Most people went into the Farm Claim business with full intent of SELF-GAIN and that is why it flew so well in ripping off your assets to put it together and why it COULDN'T work in a truly "Constitutional" environment if you had one. Some few people have proclaimed Texas as a New Republic—however, the ones who can kill you—laugh at such an outrageous idea and when the chips are down and you give them trouble—it WILL BE YOU IDEALISTIC, BUT UNINFORMED, PEOPLE WHO GET HURT, RIGHT OR WRONG. It is the driver who, in spite of circumstances, runs into the intersection because he was "right" in "right-of-way"—YES INDEED, DEAD "right".

Moreover, if you took your "Republic" idea to the PEOPLE in a FREE ELECTION—they would not vote with you—because such as making your own banks, tossing out corporations, etc., is as outrageously UNCONSTITUTIONAL as you can get in any circumstance. Most people are desiring of Sovereignty—yes, but not your system of same where you have to be your idea of participants, believe your "religion" and give up all the unity of being a PART OF your (u)nited States in a world of Getcha. Most people still BELIEVE themselves to be Free and you, NUTS, for such assumptions upon their life-style. It is back to the alarm-clock annoyance.

I don't make more than cursory observation about the thing or the idea—there is nothing in that document to EXPLAIN or prove any working program at all. This is my opinion on those two pages of print—nothing more. Beware the WOLF in the costume of the LAMB. Beware the VIPER who flies like a DOVE! KNOW YOUR ENEMY—AND THE ONES CALLING THEMSELVES FRIENDS. THE FRIENDS ARE FAR MORE DANGEROUS!

Thank you for sharing and good morning.

CHANGING FOCUS

Let us turn now to a bit of *THE HOAX OF JUDEO-CHRISTIANITY*. I am told that we got to "the good part" and stopped writing—you know, that part about aliens! Perhaps we can begin to alternate writings so we don't leave the "Hoax..." altogether, even though you can now get the original manuscript. Sorry, editors.

THE HOAX OF JUDEO-CHRISTIANITY

by Calvin Burgin

[QUOTING, PART 8:]

[H: Since it has been a while since we wrote from this particular manuscript we might catch you up enough to remind you that we were writing about "KHAR-SAG" which according to "Enoch" was the Garden of Eden. When they were driven from the Garden, Kharsag was moved to Mt. Hermon, a mountain on the northeastern border of Palestine near Lebanon and Syria. There is a modern village in Lebanon called Ehdin (Eden). Mr. Burgin had suggested you get a good map of Iraq and you can see a river to the right of the Tigris that intersects, roughly about the area of Basra. This was the Pison. If it is a really good map, you will see a Wadi to the left of the EUPHRATES that intersects at roughly the same area. This was the Gihon, and is now a river only when it rains. With that small catch-up we will take up directly where we left off in "Part 7". Please also recall that we had just begun to speak of the "extra-terrestrials", the Anunnaki and other connections.]

In the tablets called the *Epics of Kharsag* is a story called the "Creation Myth". The opening lines, per O'Brien, [an author, please reference prior chapter] say: "At Kharsag, where Heaven and Earth met, the heavenly Assembly, the Great Sons of Anu, descended—the many Wise Ones." Anu and Anunnaki are related words.

It is curious to me that Kharsag, on Mt. Hermon, "where Heaven and Earth met", is the same Mt. Hermon where, according to commentaries, Jesus had the Transfiguration and where Satan took Jesus and tempted Him with the offer of kingship over all the Earth. This is more circumstantial evidence that the ancient clay tablets were based on facts or at least a common story thread. If they made up the story, why did they choose Mt. Hermon?

This group of Sons of God were led by Enlil (Lord of Cultivation) and his wife-to-be, Ninlil, who was also referred to as Ninkharsag (Lady of Kharsag). Others in the group were Uto, also called Ugmash and later Shamash by the Babylonians, and who, according to O'Brien, was the Ogmios of the Celts and the Ogma of the Old Iris (p. 40)! He

was deified by the Babylonians as the Sun-god and became the forerunner of Apollo and others.

They were organized into a council of Seven and had periodic meetings in the original Mountain House. Occasionally, Anu, the Most High, joined in their meetings.

O'Brien's book has a photograph of statues of the Lady Ninlil and Enlil standing side by side.

The Kharsag Epic 1 tells of Ninkharsag arguing with the Council about where to build Kharsag. Here are a few lines:

They all turned around as she stood up to answer.

She spoke rebelliously—she spoke strongly:
"With this Settlement will come prosperity; an enclosed Reservoir—a water trap—should be established.

The good land is full of water; because of the water, food will be plentiful.

This perfect Eden is full of water; it should be irrigated from a cascading water-course.

By its side, a great, protected water course would gush forth—it would increase production; storm-filled, power would be generated by its pressure; this water would flow from the Reservoir."

Then in subsequent lines she speaks of building a house, a garden, a granary, roads, a "maternity building for mothers", an orchard, and of "testing the food soil". What did she mean by "power would be generated by its pressure"? She calls herself the Serpent Lady. She tells of her and Enlil and their son Ninurta getting sick, then she says the cause was, "Father, eating meat is the great enemy." Further down, after a broken part, it reads:

"...its burning prevented eating.
...where the Lord prohibited the eating of beef. Many had eaten [broken]... where the sickness... [broken]."

She won her arguments and the buildings and canals were established where she wanted them.

Ugmash was responsible for solar observations and surveying and became known as the Sun god. He was thus the original Magi.

Kharsag Epic 2 is the one usually called the "Creation Myth".

The *Creation Myth* tablets tell that before the Anunnaki arrived:

"Man had not yet learned how to eat and how to sleep; had not learned how to make clothes or permanent dwellings. People crawled into their dwellings on all fours; they ate grass with their mouths like sheep; they drank storm-water from the streams."

Could this be talking about cave-men? Perhaps, but I suspect that the fallen angels were on the Earth before and during the time of the cave-men, yet this story tells of them coming after. It could be that this particular group of angels were the only ones interacting with humans and thus the only ones that appear in the records.

O'Brien says that Ninlil later became known as Astarte and Venus.

Kharsag Epic 3 is a love story about Enlil and Ninlil, and is a story that would be censored out of a children's book (well, perhaps not these days).

Kharsag Epic 4 begins:

"My Prince - Great Ox of unbridled strength; Splendid Serpent of the shining eyes; Teacher of the digging of all canals; Great Ox of unbridled strength; Splendid Serpent of the shining eyes;..."

"Lucifer" means "bright star" and may be related to the "Splendid Serpent of the shining eyes", and this "Great Ox" appears to be the origin of bull worship (remember the golden calf in the story of Moses).

Kharsag Epic 5 tells of building the settlement and a reservoir, and tells of cutting cedar trees (what we later called the Cedars of Lebanon).

Kharsag Epic 6 tells of building the Great House of the Lord Enlil, which had the house with nursery and private boudoir for Ninlil, a Council Chamber, a Banqueting Room, and rooms for the other members of the Council. It was lighted at night and had running water from the reservoir. It was made of cedar.

In this epic Enlil is called the Great Son of Anu and is also called the Bull Lord.

Kharsag Epic 7 tells of a great winter storm flooding.

ENOCH'S STORY

The *Books of Enoch* were translated into modern English by Dr. R. H. Charles of Merton College, Oxford, England. He said of this book or books:

"Nearly all the writers of the *New Testament* were familiar with it, and were more or less influenced by it in thought and diction. It is quoted as a genuine production of Enoch by St. Jude, and as scripture by St. Barnabas. The authors of the *Book of Jubilees*, the *Apocalypse of Baruch*, and *4 Ezra*, laid it under contribution. With the earliest Fathers and Apologists it had all the weight of a canonical book...

"The citations of Enoch by the Testaments of the Twelve patriarchs and by the *Book of the Jubilees*, show that at the close of the second century BC, and during the first century BC, this book was regarded in certain circles as inspired. When we come down to the first century AD, we find it recognized as scripture by St. Jude."

Some have said the *Book of Enoch* is a late-date forgery. This is disproved by the fact that of over 800 scrolls that were found at Qumran called the *Dead Sea Scrolls*, there were 11 copies of the *Book of Enoch* (*The Dead Sea Scrolls After Forty Years* by Shanks, Vanderkam, McCarter and Sanders, Biblical Archaeological Society, 1990, p. 27). The *Book of Enoch* was accepted as scripture by some of the earliest Christians until it fell out of favor about 400 years after Christ.

The Anunnaki are called Watchers in the *Book of Enoch*. Also *Daniel 4:13*: "I saw in the visions of my head upon my bed, and, behold, a watcher and an holy one came down from heaven." Enoch was an ancestor of Methuselah and of Lamech, father of Noah.

Moffatt, *Dan. 4:13*: "In the visions of my brain in bed I looked, and there was one of the angel-guard!" In

other words, the word translated as "Watcher" really could be translated "Guardian-Angel".

Robert Graves and Raphael Patai, in *Hebrew Myths, The Book of Genesis*, says, p. 84, "'Watchers' (egregorikoi in Greek), the name given to Satan's angels in the *Second Book of Enoch*, seems to be a rendering of two Aramaic words: irin, applied to the angels in *Daniel 4: 10, 14, 20* [10 and 20 must be a mistake]; and quaddishin, 'holy ones'. A nearer translation would be 'guardian angels', which agrees both with their functions and the meanings of their names. According to Midrash Tehillim on *Psalms I*, it refers to the deity Eloah."

Some people refuse to accept the evidence that says that angels fathered children with human women. If you look at the evidence with an open mind, there can be no doubt that the documents say this is true; whether it is actually true or not, I cannot say. The *Septuagint Bible*, the *Bible* of the time of Christ, says "angels" instead of "sons of God". Josephus (*Antiquities of the Jews*, Book 1, Chap. 3, v. 1) says: "Many angels of God now consorted with women, and begot sons of them who were overbearing and disdainful of every virtue; such confidence had they in their strength. In fact, the deeds that our tradition ascribes to them recall the audacious exploits told by the Greeks of the giants. But Noah... urged them to adopt a better frame of mind and amend their ways." Josephus was perhaps on the right track: many of the so-called "Greek gods" were in fact REAL BEINGS, beings that were called "Nephilim" in the *Bible*.

A recent entry in a section called "I. M. Boyd" in our local newspaper said that the word "heros" originally applied to beings who were half/human and half/divine. The dictionary shows that one of the definitions of "hero" is "demigod". L. A. Waddell, *The Makers of Civilization in Race & History*, said (p. xix) "Heroic Mythology has its historical human basis now disclosed for the first time, showing the identity between the civilized traditions of the East and the West, and the connection of both with the primitive Aryan or Nordic race and language. We get behind the beginnings of heroic mythology. A vast deal of what has hitherto been looked upon as 'prehistoric' and mythical becomes historic and real. Heroes who have been raised into gods again take form as men, and as historic early Aryan kings of relatively fixed dates. Gods and demigods of the ancient Greeks and Romans, Egyptians and Hittites, Persians and Indo-Aryans, as well as of the Goths, Scandinavians and Germans, Ancient Britons,

Irish and Anglo-Saxons, such as Zeus, Jove or Jupiter, Indra, Prometheus, Atmu, Addamu, Adam, Ad or Odin, Thor or Her-Thor or Ar-Thur of the Round Table... Cain, Enoch, Noah and Japhet, Nimrod the mighty hunter and city-builder, Dardanos, Erich-thonias, Hercules, Bacchus, Osiris with Isis and Horus, Barat or Brihat the eponymous ancestor of Brutus-the-Trojan and the British... are found before their deification or canonization to have been famous Sumerian or Early Aryan kings and emperors of relatively fixed dates, most of them with still existing contemporary monuments, whose histories can be reconstructed by the Sumerian monumental inscriptions and records, supplemented with the accounts of them preserved in the Indian Chronicles and the Gothic or Nordic Eddas." On p. xxi he says, "That the first earthly kings were 'gods' is now seen to be based on historical fact." This was published in 1929.

Graves and Patai, *Hebrew Myths*, says, p. 106: "The Nefilim (Fallen Ones) bore many other tribal names, such as Emim (Terrors), Rephaim (Weakeners), Bibborim (Giant Heroes), Zamzummim (Achievers), Anakim (Long necked or Wearers of Necklaces), Awvim (Devastators or Serpents). One of the Nefilim named Arba is said to have built the city of Hebron, called 'Kiriath-Arba' after him, and become the father of Anak whose three sons, Sheshai, Ahiman and Talmi, were later expelled by Joshua's comrade Caleb. Since, however, arba means 'four' in Hebrew, Kiriath-Arba may originally have meant 'City of Four', a reference to its four quarters mythically connected with the Anakite clans: Anak himself and his 'sons' Sheshai, Ahiman and Talmi."

Many of the names of the Nefilim are known: Hiwa, Hiya, Azazel, Ishtar, Nimrod, Shemhazai, Anax, etc. In fact the whole land of Canaan contained many Nefilim before Joshua killed them (*Num. 13:33*). So says the story.

Now let's continue with the story of Enoch. This is *2 Enoch I* beginning in v. 2:

"On the first day of the month, I was alone in my house, and was resting on my bed. And as I was sleeping, I dreamt that a great grief came over me and that I wept; and I could not understand why I felt like this, or what was going to happen to me.

"I awoke to find, in my room, two very tall men different from any that I have seen in the Lowlands. Their faces shone like the Sun, and their eyes burned like lamps; and the breath from their mouths was like smoke. Their clothes were remarkable—being pur-

CONTACT: The Phoenix Project

CONTACT is a unique and inspired newspaper for concerned citizens everywhere, though it particularly focuses on the United States because of this country's special mission in the affairs of the world. That is, "As goes the United States, so goes the world."

CONTACT is a vehicle for Commander Gyeorgos Ceres Hatonn's most recent writings on important current affairs, plus those from other enlightening sources, on matters critical to a responsible and informed public at this time of planetary transition and final days of battle between the Forces of Light and the "Evil Empire" forces of darkness.

CONTACT exists to counteract the manipulating lies and clever half-truths put out (on purpose) by the regular print and broadcast media prostitutes of the Satanic Elite controllers—parasites who are in the process of economically, physically, and spiritually collapsing this once great country (and actually the entire planet) down to a slave-state level of existence under their diabolical control plan called The New World Order.

This newspaper, *CONTACT*, began life on March 30, 1993, risen, like the mythical bird, with great determination "up from the ashes" of its internationally acclaimed predecessor called *THE PHOENIX LIBERATOR*.

THE PHOENIX LIBERATOR, in turn, began life in mid-October of 1991, having evolved from an earlier newsletter called the *PHOENIX JOURNAL EXPRESS*, which itself came into existence as a faster way to get THE TRUTH out to you readers than was possible with the more substantial "book" format of the *PHOENIX JOURNALS*. Much incredible ground has been covered so far in that mission.

While the *PHOENIX LIBERATOR*'s motto reminded all that "The Truth Will Set You Free", the *CONTACT*'s motto, displayed prominently in the masthead, takes that thought another important step forward and proclaims: "Ye Shall Know The Truth And The Truth Shall Make You Mad!"

The "Phoenix Project" is about those preparations needed—at body, mind and soul levels—to both understand and survive the great healing changes which are beginning to energize this beautiful little planet, now so frazzled and tortured from abuses of all kinds. We look forward, with great expectations, to the *CONTACT*ing with all of you—a coming together that is rapidly taking place as the entire Phoenix Project "ground crew" continues to connect, solidify, and gain strength through becoming informed of THE TRUTH. Indeed, welcome aboard, friends!

plish [with the appearance of feathers]; and on their shoulders were things which I can only describe as 'like golden wings'.

"They stood by the head of my bed and I was awakened by them calling me by name, and I clearly saw them standing in front of me. I bowed my head to them and hid my face, and they said to me: 'Do not be afraid, Enoch; the Great Lord has sent us to you and, today, you are to go with us up to the Highlands. Now, tell your sons and your servants that they must manage without you down here, and tell them that no one is to come looking for you. Eventually, you will be brought back'.

"So I obeyed them. I went out of the house and called my sons—Methuselah, Regim and Goidal, and told them what these men had said to me.

"When I had spoken to my sons, the men called me. They lifted me up and placed me on what seemed to be a cloud, and this cloud moved, and going upwards I could see the sky around and, still higher, I seemed to be in Space. Eventually, we landed on the First Haven and, there, they showed me a very great sea, much bigger than the inland sea where I lived."

NOTE: The Greek word translated "Space" above was "ether", which meant the region above Earth's atmosphere. The word translated "Heaven" was "aradeisos", which originally meant a "park" or "sanctuary", but some think it means Heaven. I believe it also referred to the Garden of Eden, which existed until the Flood, but in this case they clearly left Earth's atmosphere.

Enoch LXX:2 says: "And he was raised aloft on the chariot of the spirit—and his name vanished from among them." Recall that *Genesis 5:24* says, "Enoch walked with God: and he was not; for God took him." The word above translated "spirit" was "pneuma", which literally meant air (as in our word pneumatic). So Enoch was taken up in an "air-chariot", or what we now call an airplane! Or more specifically, it was a type of space shuttle. The word "name" that "vanished from among them" would make more sense if translated "ship" as per Sitchin.

Enoch XVII:1: "They [the two men] conducted me to a place where those who were there were as bright as fire, but when they wished they could appear as ordinary men. They had brought me to a place of darkness from a mountain whose summit reached to the heavens. There I saw lighted places, and heard thunderous noises; and, in the deepest part, there were lights which looked like a fiery bow and arrows with their quiver, and moving lights like a fiery sword."

Could this have been a "space station"? Angels definitely do use some sort of vehicle for transportation. One is described in the first chapter of *Ezekiel*, what preachers call the "flying saucer chapter of *Ezekiel*". Elijah was "taken into heaven by a whirlwind" (*2 Kings 2:1*) then in v. 11: "there appeared a chariot of fire, and horses of fire, ... and Elijah went up by a whirlwind into heaven" and in verse 12 Elisha calls after the "Chariot of Israel". The helicopter is an example of a vehicle that produces a whirlwind.

Psa. 68:17: "the chariots of God are twenty thousand, even thousands of angels;..."

Isaiah 66:15: "for, behold, the Lord will come with fire, and with his chariots like a whirlwind..."

Also see *Zechariah 6:1-5*.

2 Kings 6:17: "and the Lord opened the eyes of the young man; and he saw: and behold, the mountain was full of horses and chariots of fire round about Elisha."

The *Bible* calls these chariots "whirlwinds". See *Job 40:6, 38:1, Isa. 66:15* ("for, behold, the Lord will come with fire, and with his chariots like a whirlwind..."), *Jer. 4:13, Jer. 23:19, Jer. 30:23, Ezek. 1:4*.

Enoch VI:6: "Altogether they were two hundred who descended in the days of Jared on the summit of Hermon. They called it that because they had sworn, and bound themselves with vows, upon it. These are the names of their leaders, and chiefs of ten; Shemjaza [H: Now there is an interesting name...], their leader;

Arakiba, Rameel, Kokabiel, Tamiel, Ramiel, Danel, Ezequeel, Baraqijael, Asael, Armaros, Batarel, Ananel, Zaqiel, Samsapeel, Turel, Jomjael and Sariel."

Then later he says "...the ninth, Kokabel, taught the observing of the stars; the fourth, Baraqijael, taught astronomy; the eighth, Ezequeel, taught the observation of the clouds; the third, Araziel, taught the boundaries of the Earth; the seventh, Samsiel, taught the limiting positions of the Sun; the twentieth, Sariel, taught the limiting position of the Moon."

Who were they teaching? Surely not each other. They must have been teaching humans. Noah learned this information, and taught it to SHEM, who taught it to Abraham, who taught it to the Egyptians, who built the Pyramid. Or so the stories go. I have much more information on this, far too much to go into here. Note that their leader, Shemjaza, is the same name as the (female) Semjase extraterrestrial who talked to Eduard "Billy" Meier of flying saucer fame (she was named after her ancestor). It seems obvious to me that the evil fallen angel Shemjaza of the Jews, the Semjase of the ET literature, the Egyptian Sem and the righteous Biblical Shem are all stories about the same individual, from different viewpoints. How many founding patriarchs of the Shemites named Shem were there, anyway?

Enoch tells that they had a physician named Kashdejan, then O'Brien points out that the ancient Irish Tuatha De Danaan called a physician a "Kiyan Cecht", which is the reverse of Kash Dejan! O'Brien also noted this: The Hebrew word EL which we translate as God, is related to the Sumerian EL which meant brightness or shining, the Akkadian ILLU which meant the bright one, the Babylonian ELLU which meant the shining one, the Old Welsh ELLYL which meant a shining being, the Old Irish AILLIL which meant shining, the English ELF which meant a shining being (from the Anglo-Saxon AELF) and the Old Cornish EL which meant an angel!

Enoch described a house that he entered "...I saw before me, in another part, opened doors and through them a larger room which was ablaze with light. In every respect, the inside was so magnificent, and spacious, that I cannot describe it to you. Its floor was brilliantly lit, and above that there were bright lights like planets, and its ceiling, too, was brilliant." Remember that this was written before Christ and that we are taught that electricity and light bulbs were not used until the 19th century. And remember that the ancient Karsag tablet said, speaking of the water reservoir, that "power would be generated by its pressure". [H: My, my; is it possible there is NOTHING NEW?]

The ancient Jewish literature says that Enoch is now called Metatron, the Angel of the Face, and says that God took him so that he could keep an eye-witness record of the Earth's history and present it in the future. The *Bible* speaks of a time when the books will be opened—apparently Enoch was the one in charge of those books.

[H: You might find it interesting to note that in most of the "channelings" regarding Hatonn—I am referred to as the RECORD KEEPER! Poor Dharma.]

THE DAYS OF JARED

Above we learned that Enoch said the Nefilim, the particular ones who got involved with women, arrived on Mt. Hermon during the days of Jared. In some of my previous writings I have shown that Jared was born in 3514 B.C., if we accept what the records actually say. *Genesis 5:18* says that Jared was 162 years old when he begot Enoch, and the next verse said he lived 800 more years. Thus the time of Jared was from 3514 to 2552 B.C. Then 234 years later, the Flood occurred in 2318 B.C. I use dates from the Masoretic Text, which some preachers use Septuagint dating, and if you are serious about learning these things, I suggest you learn both ways of dating then decide for yourself which you feel is more correct, if you think it is of any value. But don't

base your decisions on ignorance, "study to show thyself approved unto God" (*2 Tim. 2:15*).

Based on what I have learned, I believe the Anunnaki arrived 600 years before the Flood in 2918 BC. I wrote a chart and article called "Basic Framework of Biblical Chronology" in 1979, which says that 2918 was the year of Noah's birth, and the number 600 has always been associated with this group! I suspect that the very year the angels decided to rebel and get involved with women, Noah was born, who was "a just man, and perfect in his generations" (*Gen. 6:9*). My chronology was based on the actual records in existence, but those old records could be corrupt just like modern ones. However, there are amazing consistencies in them. Some say these are the perfect word of God, which cannot be true as there are errors. Others say they are total fabrication, which also cannot be true unless there is a power higher than humans that is perfectly eliminating all truth.

If you would like your own copy of the *Book of Enoch*, it is available at New Age bookstores.

THE BOOK OF JUBILEES

Another book available is *The Book of Jubilees*. It was written before the time of Christ, as copies were found among the *Dead Sea Scrolls* at Qumran. It is a commentary on *Genesis* and *Exodus*. Here are some quotes from it: "And then he [Enoch] was with the angels of God six years of this jubilee, and they showed him all things on Earth and in Heaven, the rule of the Sun, and he wrote down all things. And he testified to the Watchmen, those that sinned with the daughters of men; for they were defiled; and Enoch testified against them all... And it happened, when the sons of the children of men commenced to increase over the face of the whole Earth and daughters were born to them, that the angels of the Lord saw them in one year of this jubilee, that they were beautiful to look upon; and they took unto themselves wives from all them whomever they chose, and they bore them sons, and these were giants."

"Mainline" preachers say these are "Jewish fables" and quote *Titus 1:14* to scare people away from this subject. May I point out that these "Jewish fables" were being written about in the ancient Mesopotamian clay tablets long before the first Jew ever existed!

Early writers who quoted *The Book of Jubilees* as scripture include the *Testament of the Twelve Patriarchs*, Epiphanius, Jerome, Rufinus, Syncellus, Cedrinus, and others.

[H: I am going to leave you now with a "teaser" for the next writing on this topic. It will be called *WHAT IS FORNICATION? Ah indeed, we finally made it around to "sex"—OR DID WE? Let me quote just a bit: "Can you define 'fornication' for me? Are you sure? Most 'authorities' will say that adultery is unlawful sex acts by married persons, and fornication is unlawful sex by unmarried persons." Ah but is it?]*

Time For Leadership In These Tense Hours

8/3/96 #2 HATONN

A TIME FOR SPEAKING OUT

As we become accustomed to the daily writings, the daily list of things to be accomplished, and the interruptions which never seem to allow a finalizing of anything, we are taught great lessons in flexibility, rolling with the punches, and flowing with the river in whichever directions it chooses for its own flow. That is the necessity of "journal entries", log books, diaries, and things of that nature. We have not the privilege of one subject, one focus—and we have to be ready to change at a moment's notice.

CONGRESS

In a flurry of usual foolishness Congress went on vacation. Isn't that nice that the LEADERS AND DESTROYERS of your nation, at such a critical time—go on vacation to further plunder and lie to you in order to get reelected?

Ah, what happens in their absence? All that is required to make laws is now in place. Mr. Clinton's newest disaster Order will go into LAW without even a Congress in session. If there are problems—there will be plenty of New Worlders available to VOTE—especially at night as with the Federal Reserve and other things which have brought your nation to its destruction threshold.

Ray Renick sends a reminder which should be noted for it so clearly fits our own local problems AND THAT OF THE NATION AND WORLD:

TRAITORS

"A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known, and he carries his banners openly. But the traitor moves among those within the gates freely, his sly whispers rustling through all the alleys, heard in the very hall of government itself. For the traitor appears no traitor. He speaks in the accents familiar to his victims, and he wears their face and their garments, and he appeals to the baseness that lies deep in the hearts of men. He rots the soul of a nation. He works secretly and unknown in the night to undermine the pillars of a city. He infects the body of politic so that it can no longer resist. A murderer is less to be feared." Cicero - 42 BC.

The next is not only applicable to Ray Renick in his ongoing battle (from inside prison) with people, not the

LEAST his lawyer, holding forth in knowing felonious breaking of the laws, but in the Ekker case as an example and all the Nevada cases:

UNITED STATES CODE TITLE 18 U.S. CRIMINAL STATUTES

Section 4 - "MISPRISION OF FELONY". *Whoever has knowledge of such a felony and conceals and does not as soon as possible make known the same to some judge or other persons in civil or military Authority under the U.S. shall be fined not more than \$500.00 or imprisoned no more than 3 years or BOTH.*

(Also: "MISPRISION OF TREASON"; SEC. 241, 2381, 2382.

Next comes a story often told and reprinted regarding the signing of the U.S. *Declaration of Independence*. It is well worthy of reprinting here. Thank you, John C. Adams.

[QUOTING:]

THE DECLARATION OF INDEPENDENCE

On July 4, 1776, in the old State House in Philadelphia, a group of patriotic men were gathered for the solemn purpose of proclaiming the liberty of the American colonies. From the letters of Thomas Jefferson, which are preserved in the Library of Congress, have been gathered considerable data concerning this portentous session.

There were several speeches. In the balcony, patriotic citizens crowded all available space and listened attentively to the proceedings. Jefferson expressed himself with great strength. The Philadelphia printer, Dr. Benjamin Franklin, quiet and calm as usual, spoke his mind with well chosen words. The delegates hovered between sympathy and uncertainty, as the long hours of the summer day crept by, for life is sweet when there is danger of losing it. The lower doors were locked and a guard was posted to prevent interruption.

According to Jefferson, it was late in the afternoon before the delegates gathered their courage to the sticking point. The talk was about axes, scaffolds, and the gibbet, when suddenly a Strong, Powerful Voice was heard.

"Gibbet! They may stretch our necks on all the gibbets in the land; they may turn every rock into a scaffold; every tree into a gallows; every home into a grave, and yet the words of that parchment can never die! They may pour our blood on a thousand scaffolds, and yet from every drop that dyes the axe a new champion of Freedom will spring into birth! The British King may blot out the Stars of God from the sky, but he cannot blot out HIS WORDS written on that parchment there. The Works of God may perish, HIS WORDS—NEVER!

"The words of this *Declaration* will live in the World long after our bones are dust. To the mechanic in his workshop they will speak hope; to the slave in the

mines, Freedom; but to the coward kings, these words will speak in tones of warning they cannot choose but hear....

"SIGN THAT PARCHMENT! SIGN, if in the next minute this hall rings with the clash of falling axes! Sign, by all your hope in Life or death, as men, as husbands, as fathers, brothers, sign your names to that parchment, or be accursed forever! Sign, and not only for yourselves, but all ages, for that parchment will be the textbook of Freedom, the Bible of the Rights of Free men forever.

"Nay, do not start and whisper with surprise! It is truth! Your own hearts witness it! GOD proclaims it! Look at this strange band of exiles and outcasts—suddenly transformed into people; a handful of men, weak in arms, but Mighty in GOD-like Faith; nay, look at your recent achievements, your Bunker Hill, your Lexington, and then tell me, if you can, that God has not given America to be Free!

"Methinks I see the recording Angel come trembling up to that throne and speak his dread message. 'Father, the old world is baptized in blood. Father, look with one glance of Thine Eternal Eye! Behold evermore that terrible sight—man trodden beneath the oppressor's feet; nations lost in blood, murder, and superstition, walking hand in hand over the graves of the victims, and not a single voice of hope to man.'

"He stands there, the Angel, trembling with the record of human guilt. But hark! The Voice of God speaks from out the awful cloud: 'Let there be Light again! Tell My people, the poor and oppressed to go out from the old world, from oppression and blood, and build MY Altar in the new.'

"As I live, my friends, I believe that to be HIS voice! Yes, were my soul trembling on the verge of eternity, were that hand freezing in death, were this voice choking in the last struggle, I would still—with the last impulse of that soul; with the last wave of that hand; with the last gasp of that voice, implore you to remember this Truth—GOD HAS GIVEN AMERICA TO BE FREE!

"Yes, as I sank into the gloomy shadows of the grave, with my last faint whisper, I would beg you sign that parchment for the sake of those millions whose very breath is now hushed in intense expectation, as they look up to you for those Eternal Words: 'You are free!'"

The delegates, carried away by the enthusiasm of the Unknown Speaker, rushed forward. John Hancock scarcely had time to pen his bold signature before the quill was grasped by another. It was done!

The delegates turned to express their gratitude to the Unknown Speaker for his eloquent words... He was not there.

Who was this strange man who seemed to speak with a Divine authority, whose solemn words gave courage to the doubters, and sealed the destiny of the New Nation?

Unfortunately, no one knows.

His name is not recorded; none of those present knew him or if they did, not one acknowledged the acquaintance.

How he had entered into the locked and guarded room is not told, nor is there any record of the manner of his departure.

No one claimed to have seen him before, and there is no mention of him after this single episode. Only his imperishable speech bears witness to his presence.

[END OF QUOTING]

It is thought by many that this was beloved St. Germain who stood that day to give backbone and authority to those gathered. Whether or not THAT be so, it is certainly a matter of RECORD that this incident took place.

Perhaps that is all our writings and voice can be—a voice for Freedom and FOR GOD—therefore it IS enough. Salu.

Public Notice

8/3/96 #2 HATONN

One of the things most asked for, this week, is some ongoing mention of last week's lead [Front Page] story about the national debt, financial backing, etc. I can't tell you much but what I can tell you is that the instruments are REAL and, further, that almost every one of the MANY informed who COULD DO SOMETHING are "reportedly" too fearful of even responding. This is a fearful time in your entire world and especially terrible in the United States of America whereat you assumed you were FREE under a *Constitution* which could never be destroyed. WRONG, THE CONSTITUTION IS, FOR ALL PRACTICAL PURPOSES, SET ASIDE.

I can keep you informed about such as Grandma's offerings as well as sharing that which she shares with us—as we have ability to reprint.

She, on July 31, 1996 corresponded with a party whose name must be deleted. The letter followed a lengthy discussion of the prior evening. It speaks for itself: [quoting:]

07:31:1996

Dear Dr. XXXX,

Pursuant to our discussion last evening, please find enclosed Declaration of Resolution of "Constitutional Debt".

The "self evidencing" documentation is contained in Public Record Recorded Files, identified in said "Declaration of Resolution". Also, XXXX, a Lien of Recorded Record exists. Said Lien liens any and/or all Debtor Nations with outstanding debts to the United States (Constitutional), all gold on deposit, in repository's foreign and/or domestic, etc., etc.,...

Taking careful, long consideration of the pending Executive Order 13010, Sec. 5-(c):

"The Advisory Committee shall be established in compliance with the Federal Advisory Committee Act, as amended (5 U.S.C. App). The Department of Defense shall perform the functions of the President under the Federal Advisory Committee Act for the Advisory Committee, except that of reporting to the Congress, in accordance with the guidelines and procedures established by the Administrator of General Services."

A previous Executive Order, 12838, September 27, 1991, 58 F.R. 49835, which provided for the continuance of certain Federal Advisory committees, was superseded by Ex. Ord. No. 12774, Sub.S. 5, Sept. 30, 1993, 58 F.R. 51751, set out below. (Sec. 3)

Sec. 3. "Effective immediately, executive departments and agencies shall not create or sponsor a new advisory committee subject to FACA (Federal Advisory Committee Act) unless the committee is required by statute or the agency head (a) finds that compelling considerations necessitate creation of such a committee, and (b) receives the approval of the Director of the Office of Management and Budget. Such approval shall be granted only sparingly and only if compelled by considerations of national security, health or safety or similar national interests. These requirements shall apply in addition to

the notice and other approval requirements of FACA."

Prudent observance of the 'introduction' of Executive Order Number 13010, executed by hand of the President of the United States on July 15, did not comply with the prescribed "mandatory" of Executive Order No. 12838 or 12774 as previously cited.

Executive Order No. 13010 of July 15, 1996, duly recorded in the Federal Register on July 17th, 1996, gives cause for great concern in its TEXT and INTENT, evidenced, especially in "Sec. 5, (c)" of that Executive Order 13010.

Taking into consideration, the Federal Reserve announced last week: THEY WOULD NOT EXTEND THE CREDIT OF THE UNITED STATES, on BOTH CNN and on C-SPAN, I was given no choice but to "Follow MY Oath, to uphold, protect and defend the *Constitution of the United States* (and the People)", and to do so in accordance with the provisions of that "Oath": "Against all parties, foreign and domestic."

Therefore, taking due consideration of "all options available", I had no choice but to CALL THE DEBT.

Also, in doing so, it became necessary to GRANDFATHER the Ancient prevailing Laws "Grandfathered" to obtain the *fete accompli* by the Ancient "*Force Majuere*" of "Grandfathered" Laws, which are as relevant today, as the day they were "Contracted", be prevailed upon as a "protection" measure of the American People, and the International Communities, to my best ability, and what in my considered opinion was best for all concerned, albeit the People of the United States or the Global Community. I could not fail my Oath.

It is feared by me, we are at the crossroads in history, whereupon another World War is imminent and TARGET ZERO is the UNITED STATES. The Global Communities of MANKIND also are not desirous of such a catastrophic event, as it would surely place their OWN in danger with perilous results.

XXXX, there is "remedy". Remedy is available for "staying the pending, Global Catastrophic events", in PEACE. For, as the two of us, you and I realize from our own many years of research and study: Mankind has in most instance of birth rates, has begun to control itself due to "contaminates". Said contaminants are evidenced in the food chain whereupon the male sperm counts have been greatly decreased and the women are no longer producing children at such high levels of prior reproduction.

If you will recall, many of us in the late 1960s and early 1970s were most concerned as to the functional obsolescence of the Monetary System. We realized at that time that Lawful Credit could not be generated or created from a DEBT.

Also, you, myself and others, realized the dangerous pathway which presented itself, while prevailing upon that venue.

This gave all of us cause for great concern, as you may well remember.

In the event that you do recall, you will also recall what was once recognized in our clique of some day the old adage of "The mother of necessity" taking primary position, for resolution of the Monetary Issues which at that time were grossly out of hand and which (in our

opinion) would cause GLOBAL CATASTROPHIC EVENTS to occur... In my considered opinion, WE ARE THERE!

Taking into consideration the enormity of the accrued interest on this DEBT of the United States, owed to the ESTATE, whereupon "I" am the Executor-Trustee, I have not been given many options or avenues upon which to prevail—other than the pathway of preservation and restoration of the American People and the People of the GLOBAL Communities.

This is the same vehicle which George Bush ETALIIS (Common Law for and others used) to bring down Barings, Lloyds of London, The old woman on thread needle street, Credit Lyonnaise, the Japanese Banks and Savings & Loans etc, etc.—the path of destruction of Banks, National Banks, foreign and domestic, are overwhelming to any and/or all nations involved.

There is remedy, in the event the "Powers that be" are willing to work this out. There is still time to stay the pending catastrophic events for Mankind is at stake in this one. TIME IS OF THE ESSENCE.

In best regards, I remain—

Sincerely

V.K. Durham, Executor, Trustee and SIGNATORY

[END OF QUOTING]

I am going to make this very short in length today because I want you consider the prior writings above, of this day.

GOD always provides you an opening and a "way"—along with those who can provide input and opportunity. YOU HAVE TO WALK THE WALK. It is no different in this DAY of your counting—except in your perceptions. GOD AND HOSTS STAND READY, WILLING AND ABLE TO ASSIST YOU—BUT YOU ARE GOING TO TAKE THAT FIRST STEP IF YOU WISH TO CHANGE YOUR DIRECTION EVER CLOSER TO THAT PIT BEFORE YOU.

May wisdom be your guide because the small team cannot much longer carry this heavy banner and burden.

The way is there, the funds are there, and all you have to do is SEIZE THE MOMENT! However, if you simply wait around, clinging to that which could help bring change, you will lose the moment—forever. Who will go and take these things UNTO THE ONES WHO CAN MAKE A DIFFERENCE? Why must it always be the same tiny few who must work within all laws and serve endlessly for YOUR PASSAGE?

The DEBT of the United States cannot be WIPED OUT by the flick of a Bankruptcy paper or ruling OF EITHER THE U.S. ITSELF OR THE FEDERAL RESERVE. It can't be because we have taken our claims to the very heads of the New World Order—THE WORLD BANKS AND INTERNATIONAL MONETARY FUND TO BE ENTERED INTO THE BANKRUPTCY DEMANDS AND CLAIMS. IN OTHER WORDS:

WE MAKE THE WORLD BANK(S) AND THE INTERNATIONAL MONETARY FUND RESPONSIBLE FOR THE DEBTS OF ALL NATIONS, INCLUDING THE UNITED STATES OF AMERICA—DIRECTLY TO AND THROUGH THE NEW WORLD ORDER.

THIS SHALL AGAIN ACT AS A "PUBLIC NOTICE".

Lanto: Listen To Those Important "Gut Feelings"

Editor's note: The following writing is by the Ascended Master known as Lanto, the Sage, of the Second Ray or Aspect of Creator's spectrum, among the seven great "Rainbow Masters" communicating at this time to help us get through Earth-Shan's planetary transition and rebalancing.

In Journal #7, called THE RAINBOW MASTERS, Lanto says: "I have chosen the softness of the yellow refraction as my most comfortable vibration and am most easily identified from my 'past' (as you perceive it to be) experiences. My existence in mortal form brought me to your places that you now geographically identify as the Orient. I was given the great gifts of Insight and Wisdom from our Creator Source to experience upon this planet in the form of many most humble wise ones. My most revered service was to the one who came first as the Christos, The Buddha (brother and one with the Master Esu Jesus)."

For more background on this important group of teachers, plus earlier writings by them, refer to the Back Page for Journal ordering information.

8/3/96 LANTO, THE SAGE

Greetings, my friend, I am most recognized by you ones as Lanto, the Sage. I come in the Light of the One Light. I represent the Second Ray or aspect of Creator's spectrum.

The visible spectrum of Light only represents a harmonic of the frequencies that make up all of creation. In the third-dimensional compression, you ones are often limited in your perceptions. Not only are there non-visible third-dimensional aspects of Creator's Light, there are also higher-dimensional shifts associated with Creator's energy expressions. Do not get hung up on colors associated with a Representative of an aspect of Creator.

We all (you ones included) express on all frequencies or wavelengths. Ones are usually drawn to a certain aspect of Creator; thus there is more affinity associated with one area over another. This is because we are all created with a purpose in mind, and that purpose can be most easily filled through certain aspects of Creator.

Note, please, that balance is of utmost importance for proper growth. All ones will gravitate towards Sananda's Christ Energy. Many will gravitate towards Hilarion's Heart Energy or Germain's Transmuting Energy. This is mostly

due to the level of the expressing individuals.

You ones are restless and need change. Thus Germain will appeal to you, for he is Master of that aspect of Creator's expression.

You ask, "Where do you, Lanto, fit into this picture?"

I am Guide and Teacher; I am the "gut feeling" you ones get. The physical color associated with my energy is the golden yellow color, though the etheric color would be perceived differently. Ones who can see the colors of the Auric Field will most often perceive my energy as a blending of colors.

I am a Teacher. I have learned my lessons well and have earned my position among the other Masters. We all have overlapping aspects and can express on any of the frequencies, though there is need to have specialists to answer the specific and directed needs of the ever-progressing souls.

I have come now, at this time of change, so that you ones might receive balanced instructions and learn to follow your "gut knowingness" about what it is that you need to be doing.

My scribe recognizes me as a communicator. Yes, indeed. I am probably the most heard, but least recognized, of the Masters, for I will speak to ones at a level that bypasses the analytical mind and resonates within the emotional energy field of the being.

This manifests as intuition or as the "I don't know why, but I don't feel right about this situation" reaction. Even the most shutdown (emotionally) person will, if he has a soul, feel my nudges.

You ones must be open to the "nudges". This is most often your Guides working with you to help you to find the right path so that you are prepared for and ready to accept your purpose.

This does not mean that you have to GO anywhere; this is to say that your life experiences are being guided for your highest good. The more open you are toward following these internal messages, the easier it will be for you ones to get the proper insights and lessons necessary for your upcoming roles.

Sometimes these lessons are harsh and seemingly abrupt. For example, ones are losing their jobs all over the country. Be careful in your thinking, for such "luck" is most likely for good reason. You may be needed elsewhere and this may be the only way to get you to look within and draw upon the Creative Energy that will guide you

to a more productive experience.

As some ones are lost, others are called to serve, so if your life seems to be turning upside down, please take a moment and call in the Light and get still.

Notice the gut-level sensations. They can be translated into written or verbal communication with practice. This will be as if you have thought of the message yourself. You will most likely only hear your own inner voice.

Listen to the message. Write it down or speak it into a recording device. Write or speak what comes; then discern the message. REMEMBER TO ALWAYS CALL IN THE LIGHT BEFORE, DURING, AND AFTER THIS EXERCISE! Otherwise the dark side shall almost surely come to influence and trick you.

We are fast approaching a time when you ones shall all be consciously receiving. The mere fact that you are drawn to this information source (CONTACT), and are reading this message, implies that you are, and have been, receiving at least at the "gut level".

Well, imagine that!

It is not everyone's task to write public messages for the masses. It is, however, YOUR God-given right to connect up to Higher Source and receive your own personal instructions.

Your Guides are there for you at this time to help coordinate your training and life experiences. Be patient with those around you. If they do not share your beliefs, do not condemn them, for each is responsible for their own self. You do not know the contract of another, so when one experiences as, let's say, a lawyer, that one just may be necessary to help YOU at a later date.

Ones may deny their spiritual side, yet they may be the inventor or scientist who brings new technology to your world. Ones are allowed to ignore their spiritual side if they so choose. There is no force from we of the Lighted Brotherhood.

If you come across others who don't seem to hear, or want to listen to, spiritual truth, do not condemn them. Look to their actions. Most often these ones are the more advanced ones who recognize that religions are very confusing, and thus choose to avoid ANY spiritual discussion whatsoever. Their actions will hold clues to their being: Are they generally kind and caring? Do they know innately what is right and what is wrong?

Despite the robotic overpopulation of your planet, it is still full of Godly people who only want to do what is right. These ones know right

from wrong because they innately FEEL the difference. This is because they are connected to the God Source—even if they do not acknowledge the connection.

This message is coming now so that you ones begin to realize that YOU are receiving guidance. Moreover, note well that there is fast approaching a time when, due to external physical events, the means for getting the CONTACT newspaper delivered will be nearly impossible.

This probable scenario shall serve as a wake-up call to you ones who are still trying to figure out if you really believe these messages of Lighted Truth.

DOUBT IS ONE OF THE MOST EFFECTIVE TOOLS UTILIZED BY THE DARK SIDE. IF THEY CAN'T DISSUADE YOU COMPLETELY, THEY WILL TRY TO CAST DOUBT. THUS THE INACTION, DUE TO PROCRASTINATION, WILL SET YOU BACK OR CAUSE YOU TO MISS OPPORTUNITIES SET UP FOR YOUR GROWTH.

WHEN YOU FIND YOURSELF DOUBTING THINGS SUCH AS PERSONAL WORTH OR PERSONAL BELIEFS, I WOULD SUGGEST THAT THE DOUBT IS MOST OFTEN ADVERSARIALY INDUCED.

Ones do not like being treated as an outcast, or

as the one who goes against their parents' fundamental teachings. When you doubt spiritual matters, realize, please, that there is a REAL battle going on within. This battle is for the control of your soul—or at least for the influence over your soul.

Go within and call upon Creator God—the One Who created you! Get quiet and search your heart to find that which you know to be true. Ask any question of the heart such as, "How can I know what is real or true?"

With such a question asked with heartfelt curiosity, the answers must come. Next you must monitor your thoughts closely, as your mind will be caused to give you the answer. Clues and experiences that hold the answer will be caused to be remembered so that you can realize what is true and what does have verification and validity.

Rarely will you hear a voice of another—not at first, anyway—though it IS possible. REMEMBER TO ALWAYS CALL IN THE LIGHT FOR PROTECTION FIRST! Be honest with yourself and you shall know what is truth and what is half-truth or lie.

I am Lanto, the Sage (Elder) keeper of the Second aspect of Creator's spectrum. May your journey in Light be a reflection of the inner God Force who created you and IS you.

Thank you, and blessings to all who read this message. Salu.

Food Shortages And Other Problems

FOOD SHORTAGES AND OTHER PROBLEMS

I want to remind you readers of something and suggest that you spread the word: YOU ARE HEADED FOR FAMINE AND DISEASE LIKE NONE BEFORE KNOWN ON THE EARTH.

Please realize that THERE IS A FEDERAL LAW which says you CANNOT store more than a three-month supply of FOOD. Even the Mormon Church, who always pressed its congregation to have never LESS THAN A YEAR'S SUPPLY AND PREFERABLY A FULL THREE-YEARS' SUPPLY, are now taking action to give these new instructions and directions.

There is also the continuing plan to confiscate Gold and possibly even Silver when the "Emergency" is brought forth so you are now boxed into a corner of "what to do now?". I don't know what to tell you more than I have told you for the past decade and beyond. You must carefully PREPARE and store your supplies and goods legally and without focus so that if you have already spent time and funds in careful consideration of emergencies—you can hold onto that which you have saved. In some places the inspections have begun and oversupply has been taken—RIGHT IN YOUR U.S. OF A.

Note the new upcoming changes in Welfare, etc. The plan is to get you shocked into realization that the END OF HELP IS AT HAND! You have been sucked in and now the PIPER will be paid and, as usual, the sins of the parents will cause the children to pay dearly and dreadfully. They will have to "become wards of the State" to survive and once a "ward of the State" they will be trained to be robotic in their allegiance and expectations—as has always been the case in State-TAKEOVER! "Sweatshops" will look like a Sunday hobby exchange. There will be no way for the massive numbers of welfare recipients to attend families and those with the most dependent families will be the most vulnerable. There aren't going to be JOBS to be filled—at any pay. CAN'T YOU SEE THE HANDWRITING? THEY ARE SPELLING IT OUT IN ONE LAW FOLLOWING ANOTHER THESE DAYS!

I give only FEAR-mongering as input? Oh my goodness, readers, if you are not Scared Witless, you DON'T UNDERSTAND THE PROBLEM!

RELATIVE CONNECTIONS

—VOL. I

(J73) \$6.00 204 Pages

"IF you can PROVE that there was a 'different' 13th Amendment to your Constitution AND cause the deceivers to confront it, you can clean your Legislative Houses and your Judicial Benches of the lawyers who have brought your nation to downfall. It seems a rather magnificent task—but, yes, do-able! Will you do it?" —HATONN

- *Dr. Peter Beter
 - *"Payoffs" To Ron Brown?
 - *Conspirators' Hierarchy Excerpts
 - *Home Schooling & Emotional Trauma
 - *The 1993 Midwest Flood & Details Of PLANNED Disasters

RELATIVE CONNECTIONS

VOL. I

In the sequence of events it becomes necessary for MAN to fit pieces and jots and tittles together—generalize and find the perfection of weaving which produces the perfect tapestry. Our only intent is to bring you resources, information, pieces and parts from which you can confirm your own finding and knowing. This means a massive variety of "subjects" and only partial readings so that you can go further and FIND TRUTH OF CIRCUMSTANCES AND PLAYERS. May your continued "searching" be fruitful for you at the Harvest Time.

(#73)

TRUTH AND CONSEQUENCES

RELATIVE CONNECTIONS VOL. III

In living in ignorance, the consequences are there—just not correctly identified as such. You pay either way—to the lie. Find Truth and uncover the conspirators and their hierarchy and you shall begin to dissolve their power over your experience. Let us uncover again those who would be KINGS over your destiny and the destiny of your world. That is the FIRST STEP to FREEDOM! Truth is that one thing that without it, you shall remain enslaved.

(#75)

MYSTERIES OF RADIANCE UNFOLDED

RELATIVE CONNECTIONS—VOL. II

(J74) \$6.00 225 Pages

"Truth is Truth is Truth—and ALL IS LIGHT. YOU and YOU are the manifested thought focus of GOD, Who is LIGHT. GOD IS LIGHT, which is ALL colors becoming ONE. NOTHING is missing from the 'whole' and, thus, ALL are part of the ONE Creator Source—SPIRIT—GOD!" —HATONN

- Some of the important topics covered are:
- *What Is CREATION AND WHAT IS CREATOR?
 - *Who Are You? *What Are You?
 - *What Is Your Journey And Purpose?
 - *"Matter" Is Wave/"Matter" Is Light
 - *The "Photon Belt" Revisited
 - *Nikola Tesla
 - *22% Pronounced Dead Are Not!
 - *"Cold Light"
 - *Questioning "Laws & Theories"
- (INDEX INCLUDED)

MYSTERIES OF RADIANCE UNFOLDED

In the wondrous manifestation of physical expression comes the need to "finally" understand that which IS and that which you ARE. It is the coming into knowing of the truth of your expression and the ability of your manifestation which allows the passage on to higher and greater expression and experience. May you walk ever in LIGHT for therein is ALL.

RELATIVE CONNECTIONS VOL. II

SORTING THE PIECES

RELATIVE CONNECTIONS VOL. IV

In forming any picture from the myriads of pieces of a picture puzzle—you must first sort the pieces. This requires knowledge—in TRUTH. Lies will not make a picture whole—only the presented fable. ONLY in TRUTH can you make heads and tails of the WAY IT IS! It is time to SEE and HEAR that which IS. You cannot turn into the Spiritual Journey unless you recognize that which has come about in your physical expression and the limitations being increased as we speak—to break the bonds, you must come to see God and the anti-God in full reflection.

(#76)

TRUTH AND CONSEQUENCES

—VOL. III

(J75) \$6.00 203 Pages

—VOL. IV

(J76) \$6.00 220 Pages

"'As a man thinketh—so he is!' Well, Man's thoughts have digressed into destruction, greed, war, immorality and heinous acts, one upon another. You need to understand what happens with 'thoughts': THOUGHTS 'CREATE'—or destroy—that is ALL THERE IS IN REALITY. Therefore, you become, the nation becomes, and the planet becomes, a MIRROR REFLECTION of THOUGHT!" —HATONN
