The ILLUMINATI and the HORRORS OF MONTAUK

KORTON-jonur 7/23/99

Good day, Commander Korton here in light and service. The games and manipulations of your adversary are increasing as you move closer to their deadline for bringing about the elitists’ version of your millennium changeover. It should be a good time to put your skills to use as to seeing through the facade of public farce and begin to be a solution to the problem, instead of just another problem by default of non-action. There are plenty of mistakes to be made by the adversary and it will be in his mistakes that you gain your greatest headway over the oppressors to humanity.

KENNEDY AND BESSETTE BURIAL AT SEA COVERS MURDER EVIDENCE

By allowing for the burial at sea of the Besette women and John F. Kennedy Jr., the ones

who actually brought the aircraft down, including those who covered up the tracks, are able to get away with murder. This was a hastily prepared crime scene and the same coverup artists who worked on covering up the TWA 800 shoot-down also oversaw Kennedy’s removal from the public presence.

Kennedy’s sister was not to be trusted either with her humanitarian work and her own plans to set the world to right. And given that John-John’s magazine provided the perfect outlet for some issues the secret government would rather you knew nothing about, it was only a matter of time before *George* would become another thorn in the side of the elite Khazarian Goliath to Kennedy’s David. Young people of Kennedy’s generation, and those much younger who see him as a person who could relate to them, create too much of an unsteady element in the polling factors and popularity assessments that your controllers use to manipulate the masses. This demographic was in danger of

slipping away.

You see, Americans love celebrities, so it wouldn’t be that hard to sway a goodly portion of the crowd from the elite’s puppet masters. Jessie Ventura, a politician who comes across as someone who genuinely can be on the side of “the little guy”—yet, still have the power to make the establishment sweat—is also one who can make a difference. Whenever you have a total ganging-up on the odd party member who seems to have struck a chord with the public you will have proof and point of focus of someone that can turn things around.

It is not so much that one candidate is better than another—as only ones who’ve proven, one way or another, that they are susceptible to the big boys end up as candidates—it is more that by supporting ones who can bring about change, you are showing the elite that if you come to demand responsibility AND ACCOUNTABILITY with your selected and elected leaders, then they cannot

get away with the things they are doing to you.

Kennedy's death means a great deal to many Americans and people all over your world. However, there are a lot who do not care for any political anything, because they know it is these ones who have set themselves above you who have caused the world to come into such dire straits. The hope is to somehow find that one, or possibly two candidates, who can stand up to the occupiers.

But there are many side distractions that are equally important and have equally been set up as staged scenarios made to look like just another sign of the terrible times you live in. It never dawns on people that the would-be protectors are the perpetrators of many a crime in your cities and communities.

MEXICAN CIA AGENT PART OF BUSH'S AGENDA

The Mexican national who is suspected of a string of railway murders that seemed to have the authorities baffled was on the payroll and in the employ of the Central Intelligence Agency. Neither his education and training, nor his frequent times of being in police custody, fit the train-hopping hobo the media has been describing to you.

Governor George Bush Jr., and the portion of the Bush crime family that is under his control, utilize thousands of Mexican CIA contract killers and paramilitary covert action teams and others that are from south of your border. During secret wars such as the very public Bay of Pigs invasion attempt in Cuba, many natives and villagers are recruited into the CIA to be the waiting-and-ready army that will be at the beck and call of the elite conspirators. Whether they come pouring into the U.S. and help with the duty of collecting your guns in door-to-door searches headed by the U.N., or remain the private special army (among many scattered throughout the world) of the Bush family, is not the gravest of concerns. What should be in point is the fact that these armed terrorists being trained and equipped with taxpayer funds and proceeds from illegal black-market arms sales will be the only ones with guns when you've turned all yours in.

The troops that are to march over your liberties don't have to be flown in like the Allied Forces in Kosovo, they are already on U.S. soil. It is going to take a lot more than simple maneuvering to deal with standing armies ready to jump at the throats of unsuspecting Americans who thought they were safe in their own yards. The New World Order politicians are moving their chess pieces around to checkmate you—and you didn't know you were playing the game. So, it is not advisable to attack an enemy who has such an advantage over you. You cannot win a battle against an opponent who has ALL the advantages.

The people who were presumably killed by

Resendiz, whom authorities were always fully aware of where he was at all times, were murdered by more than one killer. The enforcers for the elite use murder as the chief distractor (and problem solver) when public manipulation or a suiciding is needed. The deaths of innocent people have long been a tool in the arsenal of the adversary because they know that through fear of death—especially, horrific or ones that show the loss of innocence as to youth or “beautiful people”—the masses can be moved in any direction, very rapidly, by harping on the crime with the full backing and participation of the media.

One well planned mass-murder story can cause OVERNIGHT the loss of the people's rights in such a drastic way that to normally effect such sweeping changes it would literally take a state of war to be declared. But by staging mini “wars” and causing them to come across as lone assassins, emotionally distressed ex-soldiers and disgruntled public servants and the like, control resources can be brought in at a moment's notice and there is no question by the public as to what all the extra “hardware” is for. You do not know if those new assault weapons, razor wire fences, and armored personnel carriers are going back to the National Guard or Army base they **presumably** came from, and you are never going to be briefed on what all that firepower was initially going to be used for.

THE WAR-GAMERS ARE YOUR JAILERS

The participants of the war games that are occurring around many of your southern and coastal cities are the enforcers for the secret government. Even the Americans who are a part of the hidden force that believe themselves to be in harmless readiness exercises are going to be used in the confiscating of your arms. And if they don't cooperate they will be arrested along with the owners of the guns.

War games are not held to stretch muscles and practice shooting blanks, they are a most deadly game of cat and mouse mixed with musical chairs—but when the music stops the shooting starts. The readiness for all out war is in the air and the military leadership is fully aware of the implications of just such a scenario on U.S. soil. That is why those officers who had the opportunity, moved their families out of your country. They know that something big is looming over the horizon, but as usual, the public is kept totally in the dark.

Taiwan is being readied as a major hot spot in the thrust to get you fighting with China before the month is out. No matter what Albright is telling you about the situation, her meeting was not to make a bid for peace—her intentions with China are the same as they were (and are) for Serbia: to get air strikes started and send in ground troops as quickly as possible.

The U.S. is the big stick for Israel, chelas, and

it is a very formidable stick if you are not concerned with all those innocent people that will become casualties. The Khazar Jews are going to be in their shelters waiting out the storm, so they are not looking at the real picture of what a war will do to you. They have never taken into account your surviving even the lightest of military exchanges on your soil with an enemy nation.

This is something for which you are going to be held responsible, because there is an allowance of ignorance to a certain point, but you have grown enough to be able to see what will happen if you continue being the aggressor to the world's “Hitlers”.

The conjured tyrants such as a new fuhrer or renegade CIA man, Bin Laden, give the excuse for the MJ-12 covert action teams to blow up buildings like the Federal Building in Oklahoma or the new target of FBI headquarters in Washington. These hints as to what a terrorist—who they are supposed to know next to nothing about, certainly they have no clue as to his current whereabouts (super-spying capabilities put aside for a moment)—is going to strike next are clues as to what your own bad boys are planning.

STALKERS ARE NECESSARY TO THE PLAN

There need to be plenty of scary stories and media examples of the stalker loose in the minds of the people, for it allows a large outlay of funds and legal maneuvering to take place **THAT IS AGAINST THE PEOPLE AND THEIR REMAINING SOVEREIGNTY**. The “Son of Sam” killings, celebrity stalkings and the serial killings of people (women and children have a greater impact in the media spin techniques that are used) in isolated or “safe communities”, are brought back in the public eye through movies developed by the Khazarian Hollywood film factory. Their job is to see to it that the buzz of fear of crazed individuals stays in the air while Congress passes laws that promise to save you from those unstable people.

Even the new killer for the Yosemite murders has much more to do with getting a populace in line than solving a case of missing tourists in your vacation spots. All these things are being done to keep the stories fresh in your minds. As long as the nation remains in a perpetual state of panic you can be controlled.

The laws that are quietly being drafted and passed are done so under the shadow of a legal national emergency. The public does not even have to be aware of the emergency or that you are under emergency regulations—however, **THE BUREAUCRACY IS! THEY ARE BEING BRIBED AND BLACKMAILED TO SIGN THOSE BILLS INTO LAW. IT IS THE “STATE OF EMERGENCY” THAT ALLOWS FOR THE LAWS TO BE PASSED WITHOUT A**

LENGTHY EXPLANATION AS TO WHY IT WAS NECESSARY.

That's why it is important for the counter-terrorism units, such as the FBI and local law enforcement agencies, to continually ensure that a "threat" exists—even if the units have to plan and carry out the threat themselves.

There is not a terrorist incident of any importance—particularly the two embassy bombings being blamed on Bin Laden—that is not a carefully planned offensive. The personnel with the know-how and the resources to carry out such attacks on foreign, civilian or investigative agencies like the FBI, are not the Islamic fanatics that are portrayed as being not too bright. Yet they are accused of being so sophisticated that your most modern 21st century sleuths can barely keep up with a Third-World strongman wannabe? Either your national security establishment is not very intelligent or they are greatly playing down their abilities and capabilities.

THE ALL-SEEING EYE DOESN'T MISS MUCH

The Illuminati symbol of the All-Seeing Eye is an accurate analogy as to the surveillance capabilities of the Khazar global government. Other groups have world domination plans too but if you do not have the resources of a nation's military facilities you are very limited as to what you can spy on.

The latest in high-tech military systems that are secretly used on the public, their ability to track the various implants that have been placed in human and animal bodies for tracking and **signal modification that directly affects your central nervous system**, will be the mainstay of your police force in the new millennium.

This sounds farfetched but the Montauk facility in New York was doing this and more decades ago. Evidence can still be found that hints at the scope of some of the experiments that go on there.

While you were grieving at Kennedy's memorial, how many of you noticed the drought in that tiny northeast area covering the entire activity of the Kennedy tragedy? From the New York apartment John, Jr. shared with Caroline; to the place where he spent much of his time growing up and where he shared a lot of time with his mother; the flight path he took and the island that is home to the Kennedy family—the mysterious drought just hung over the area. While the rest of the country was either getting flooded like Iowa or experiencing heavier than normal rain and moisture levels, the New England states and the Montauk facility (which centered the unusual weather condition) were bone dry.

Satellite surveillance has been severely limited as to the kind that you had in abundance during the Cold War. Since Russia had taken them all out you had to make do with what intelligence you

could glean from modified banking and weather satellites. The stuff you needed out there was not going to be allowed. And every time you attempted to sneak one up, the launch usually ended in failure—another unexplained rocket mishap in a growing list of them. To be the first to put a man on the Moon you sure were having a lot of trouble with just getting something into Earth orbit, so it is no wonder that astronauts are being killed or threatened to downplay the importance of the Moon. While the U.S. was struggling with its rocket failures, Russia was steadily sending rockets into space. With a space program that is at least ten times more active than yours, do you really think *Mir* is as decrepit and useless as it is made out to be?

And do you think that in 30 years since you've been to the Moon that the Russians have not mastered that technology yet? They have wondrous duplicates of all your fighter and commercial aircraft, and have some of their own designs that have proven to be successful—but yet, they have not dreamed of sending a lunar excursion module to the Moon??? Just because America's been there is the Moon now off-limits? Use reason; it must be a conspiracy, because by definition if two or more people know of something, especially that which is of political significance, and are using every means available to hide the truth (or even the possibility of meaningful investigations) from others—specifically a public body—it is a conspiracy to lie, if nothing else.

MOBILE PHONE USE IS HARMFUL IN MANY WAYS

Radiation "experts" are telling you that there is no danger in using your mobile telephones. This is not true. There is a great deal of danger in not only its direct effects as it heats your brain with the same microwaves that are used to cook your food: Cancers of the brain and drastic mood changes are effects of using your phone. The ability of the network to track and monitor you through mobile phones is a service option many ones didn't know was a package deal that came free with the service.

There has always been testing of potential weapons systems for controlling or eliminating large groups of people that is never announced.

Even after the experiment, the public is left with the mystery of what happened and to sort out the psychological loose ends on their own. The Psycho-active process is something you ones need to learn about.

MONTAUK FACILITY EFFECTS

The Montauk Project studied, among other things, the electromagnetic effects on human beings. Most people believe it is impossible to influence the way people think and behave with electromagnetics. Congress read a report about what could be achieved and wanted no part of such a weapon system. They feared it would be used to control *them* (too late). Congress did not want work to go further on this project and naively thought

The scientists wanted to see what would happen to human beings who were placed in front of a multi-gigawatt transmitter.

They sat them down where they could be focused on and threw the switch. Naturally the people were cooked alive. A lot of people were killed this way. Finally, someone got the idea to use non-Hertzian rays—the non-burning rays; they turned the antenna around and they aimed the gain horn through the reflector at the target person. This yielded results. They discovered they were able to direct mood control from a distance by ELF (Extremely Low Frequency), modulating the transmitter and changing the mood.

that that was the end of it. The scientists who wanted the project to continue went to the military and told them that they could give them a weapon that will make the enemy lay down their arms.

The military didn't pass up the opportunity to learn more about this project and earmarked "black project" funds to begin in earnest. The scientists were offered the use of the old base at Montauk. There were several steps in setting up the facility for testing. The first was unofficially the "microwave oven" step. The scientists wanted to see what would happen to human beings who were placed in front of a multi-gigawatt transmitter.

They sat them down where they could be focused on and threw the switch. Naturally the people were cooked alive. A lot of people were killed this way. Finally, someone got the idea to use non-Hertzian rays—the non-burning rays; they turned the antenna around and aimed the gain horn through the reflector at the target person. This yielded results. They discovered they were able to direct mood control from a distance by ELF (Extremely Low Frequency), modulating the transmitter and changing the mood.

They considered it a great success. A representative from the U.S. government then showed up and told them that they would provide them with sensors that would pick up thoughts directly from a person's mind. So, they brought the system of sensors and installed them in a chair. This became known as the famous Montauk chair.

What they did then was connect the output of the sensors to the computers that would decode the sensors' output into a digital code that represented the thought patterns. Those went to another computer which would store the thought patterns and to another computer which would generate the pulse modulations that went out of the antenna. What they had actually built was a mind amplifier.

WHAT THE CHAIR WAS USED FOR

A subject would be trained so that his conscious mind would be diverted to the "serpent in the Kundalini" (a powerful energy vortex located near the base of the spine). The "primitive mind" would come up to the surface. They would blank that out and put in the subject's primitive mind a concept that

he would concentrate on. The concept would be picked up by the sensors and transmitted out of the antenna. This was the second phase of Montauk. They were targeting whole populations and individuals. The subject could think of squelching electrical activity and all activity would stop where they focused the antenna.

They were able to change the way in which the animals in the area were

moving. Once, they programmed the animals to charge out of the woods into the town. They changed the way birds flew, fish swam and a dozen other things. They could take the crime statistics in Montauk and run them up and down like a yo-yo. They programmed crime waves for one period where they would occur for four hours each night for a week. This drove the police crazy. There was one time, according to the Montauk police, when all the kids descended on the beach—all the kids in town. Two or three hours later, the kids all left the beach in mass union. Another time, all the residents of the town decided to drive up to the state park. When asked, some of them said that it seemed like a "good thing to do".

The scientists had developed wholly operational mind control. Based upon the effect that they had to cancel out the fields at the chair, which was located underground, they noticed that conceptual effects would happen out of synch with real time. They realized that they had the capability of

bending time. At that point, conferences were held to discuss how they would modify the equipment to more effectively bend time.

They developed something called a Delta-T antenna. It consisted of three loops describing a delta-function; it was referred to as the pyramid antenna. It essentially was three magnetic pickups/transmitters at right angles to each other; three orthogonal loops. Orthorotation is, of course, how you get access to hyperspace. It means that you have tensor stress orthorotations. If you drive the three parts of the antenna correctly, you get what is essentially a space-time portal in the center. The antenna looks like a pyramid with an inverted pyramid on top.

The output of the chair went into a Cray computer that would decode the digital representation of the thought form. That drove the

IBM computer and the output from that went into the AIL (Airborne Instrument Labs) computer. This

computer generated the pulse modulation. It was a frequency-hopping signal source. It would change frequencies in a matter of nanoseconds. There were five synchro-dyne amplifier stages, cascaded. Each one had a separate pulse modulator. The final input was the amplatron, which has a big pulse modulator.

A portion of the thought form would be put into the first stage,

and pulse the first stage on and load it into the second stage, etc. After the fifth stage it would go into the IPAs, be pulsed again and then into the amplatron, which would be pulsed and the signal would go into the above-ground antenna. Each time the signal would go from stage to stage, more complex information would be put into the thought form that was being cycled through. This is essentially a big radiosonde.

FIGURING THE TIME ASPECT

This was the purpose of the Delta-T antenna. It was situated underground, directly under the Christmas-tree antenna on the top of the building. The chair was located underground between the Delta-T antenna and the above-ground antenna. The Delta-T generated the time-stress tensors which were coupled with the electric field to generate the full time tensor control. The elite scientists were ecstatic, they had a working time

machine. They used twistor and spinor fields in order to form a portal. They could go anywhere in space-time, and they used it once to get access to the underground facilities on Mars.

(When it is talked about what else might Nicola Tesla have come up with that warrants Above Top Secret classifications on his papers, this should be an eye-opener. Marconi, a rival of Tesla's, worked closely with the Nazis in South America and, using Tesla's inventions, was reported to have made trips to Mars himself using teleportation equipment. Marconi is the Italian inventor that was erroneously credited with creating the radio, but it was later proven that Tesla had invented it a few years before. Tesla was also involved with the Montauk Project, which was called Project Phoenix at the time. He refused to further his contributions to government use of this technology when he discovered how it was being used—he knew future applications would spell disaster in the wrong hands. At one point in his work with what became the Philadelphia Experiment, Tesla sabotaged the delicate equipment calculations so that the project, which was called Project Invisibility at the time, would not work. He hoped to buy more time to perfect the equipment, because he knew it was unsafe the way it was planned to be used, even at this early testing phase. The Pentagon and U.S. Navy were trying to turn the project into a rush, rush wartime weapon, and he saw that they had no regard for the lives of the volunteer sailors in the experiment. Tesla resigned and a former, more eager, colleague of his was brought in. After backtracking Tesla's findings, the new scientist got the program back on the military time line. Needless to say, a number of sailors met horrible deaths and experienced very unusual and traumatic side effects while the bugs were being worked out. Tesla had gone on to Colorado to begin work on the prototype for his world power station. This involved the transmission of free electricity anywhere in the world—well, Khazar banksters who were going to bankroll this proven genius, who had dozens of world-changing inventions to his credit, didn't share his philanthropical ideals. From that time forward, the elite began their campaign to remove this man from public view and erase from the history books the incredible contributions Tesla gave to mankind.)

The way it worked was that the subject projected himself psychically through space to Mars. They set the computers to solidify the vortex between Montauk and the point on Mars, and the vortex would be between Montauk and the point on Mars and the vortex would be established. They only needed to do it once, because they taped it and could then run the tape to establish the vortex. There was a project called Project Phobos, part of which was concerned with the investigation of the underground caverns. There were other

Political Realities and Media Influence

HATONN-dharma Rec. #1 7/24/99

VALLEY OF SHADOWS?

Oh no, my loves, no shadows! There can be no shadows within the halls of God. There is only a bit of shade to cool the fevered brow on the physical form; the perfection of the Seasons, the rain to make the life-forms of plants and sea replenished and renewed—there is no shadow within—if you are within GOD CREATOR.

The game of life presents with all its magnificent scenes within which mankind and all living things can experience, challenge the mind, bring growth to body and soul, and allow man to consider the relativity of all things to one another. No, no shadows and no mystic magic—only yet unfulfilled gained knowledge of the mysteries of God and Universe. As you walk the journey, blessed children, I SHALL SHOW YOU THE WAY AND OFFER UNTO YOU THAT WHICH YOU NEED, AS YOU NEED IT, TO ACHIEVE THE GOALS OF WHICH MEN DREAM AND DARE TO LIVE.

The Native American will use a term of "Dancing the Dream Awake". That has become, as has "Many Moons", however, so abused as to presentation as to make the terms trite and without the fundamental meaning for which they were established. How dare people come along and destroy even the traditional cultures and usurp, for their silliness, these precious and sacred meanings. However, man will join hands, minds and intentions toward balance or you are in for a most difficult time upon your globe. WE MUST STAY THE COURSE!

To our home base team, please KNOW that we are in deep appreciation for your taking the challenge and marching right through to manifestation of that which seemed lost and doomed to the trash heap from the insults against us by those who really have no notion of that which they are about or which they are doing. It is fine for it allows you to clean up hanging fragments in order to have our "house" in order

and ready for movement in whatever direction is mandated.

We honor those who did their jobs, filled the needs and then could step back and allow others to carry forth. Support one another but do not lie to self or other for that is false. Encouragement comes from the heart—flattery comes from USING another. A compliment must be genuine or it means less than nothing, and always act in such a way, beloved ones, that there are compliments and not ever need for "flattery". I repeat: LIFE IS GOD'S GIFT TO US; WHAT WE DO WITH IT IS OUR GIFT TO GOD! Weaknesses of the human form (flesh, it is most often called) can be overcome when the focus moves FROM SELF IN THAT WEAKNESS AND INTO THE OVERALL RECOGNITION OF THE PERFECTION OF GOD AND YOUR PLACE WITHIN GOD. BE PATIENT WITH EACH AND ALLOW EACH TO FIND THAT BALANCE NECESSARY WHILE WORKING TO SUPPORT AND LOVE THE PERSON EVEN IF THE EGO ATTITUDE OR WEAKNESS IS DETESTABLE. WE TURN AWAY ONLY WHEN THAT OTHER DECLINES TO DO OR WORK TOWARD THAT WHICH IS RIGHT AND RIGHTEOUS. WE DO NOT HELP EVIL TO SUCCEED, SO WE MUST ALLOW THE MAN WHILE DISALLOWING THE EGO ATTITUDES.

Parable: If a man has a field and a star thistle creeps into that field—he must pluck it out, stamp it out completely or soon the field will be taken by naught but star thistle. Do NOT encourage that which is WRONG or allow the thistles to grow. You cannot "FIGHT", as in "war", by destruction—except of EVIL. And, if you get at the clearing of the thistles when they first rise to note, you will be able to keep your fields clear.

For instance, the farm, untended, will grow weeds and thistles and they will have to be gathered and BURNED so that the seeds are also scorched. But we have other things to attend at present and when we turn to the problem of the thistles, we will take measures to clear the entire

of the fields, properly and quickly—and with good equipment to do a thorough job. We cannot afford to do anything much at present so we simply contain what we can and plan to get onto the problems that we can handle as we can handle them.

I hope that you have finally witnessed the errors made in that which has happened as we have gone along and so many have literally stolen from us. How can anyone make projects work to balance the books if ones work their own projects for which they are responsible and take it all without thought, other than to the taking for self? You can't, and yet one project after another of our full intent in business to produce—has been abused, stolen from, lied about, and actually thieved in one way or another by those saying they "believe" it to be due and owing unto them, the takers. No, it is not alright—but you needed to experience it to see that it has happened over and over again.

DESTRUCTION OF THE PRODUCERS WHO ALLOW THE BUILDING IN THE FIRST PLACE IS THE MOST GROSS ERROR OF MANKIND. THE ERROR HERE, HOWEVER, IS FAR LARGER THAN EVEN IN ORDINARY LESSONS IN THE CLASSROOM OF INSIGHT—THE THEFTS ARE AGAINST GOD FOR IT IS GOD'S PROPERTY THAT IS USURPED BY USE OF, "IN THE NAME OF GOD", WHICH IS THE ADVERSARY'S FIRST TOOL OF CONFUSION AND LIE.

IF YOU ALLOW THESE THINGS TO "WORK" WITHOUT RECOURSE, YOUR WORLD IS GOING TO GO DOWN, CHELAS. BUT TRUTH REVEALED WILL DO THE JOB AT HAND FOR EVIL CANNOT BEAR PUBLIC LIGHT UPON THE DEEDS. IT MAY WELL WORK FOR THE FIRST MOMENTS—BUT THE LIGHT WILL, AS IN SUNLIGHT IN CLEANSING WATER AND SOIL, BRING THE FOCUS OF THE EVIL-DOERS INTO REALIZATION. YOU NEED DO NOTHING SAVE PRESENT TRUTH SO THAT THE HIDDEN AGENDAS ARE MADE KNOWN AND THE PERPETRATORS OF THAT WRONGDOING WILL EXPOSE THEMSELVES FOR WHAT THEY ARE OR WHAT THEY HAVE DONE. YOU DON'T NEED TO "FIGHT" EVIL; SIMPLY TAKE A STAND AND CONFRONT IT EVERY TIME. IF YOU THINK SOMEONE "WOULD NOT DO THAT..." AND YET THEY DO, SO BE IT—IT IS YOUR RESPONSIBILITY TO TRUTH AND RIGHT TO CONFRONT IT AND EXPOSE IT. PROTECTING, AIDING AND ABETTING THE WRONG-DOERS IS WRONG!! EVERY TIME!! IF "YOU" STOP PROTECTING AND SHELTERING "WRONG", IT WILL STOP BEING THE MODE OF THE DAY. YOU ONLY HAVE THIS DAY, THIS MOMENT—DO NOT ALLOW IT TO BE DIRTY AND

INFECTED AS IN DISEASE. YOU MUST ERADICATE THE INFECTION OR YOU WILL SURELY DIE OF THE DISEASE.

Is the process of cleaning away the infection painful? Is alcohol on an open wound painful? Cleansing and purification are necessary—every time and in the moment the microbes are, or the evil is, discovered. Then once eradicated you must not allow it to ever reinfect for therein is the grossest error of all. And remember something very, very important:

GOD OF LIGHT, CREATOR, WILL HELP YOU CREATE THAT WHICH IS GOOD. HE WILL OFFER THAT WHICH IS NECESSARY FOR YOUR USE BUT GOD IS "INDIVIDUAL" AND RESPONDS TO "INTENT" OF SOUL WITHIN "EACH". SOCIETY IS MADE UP OF INDIVIDUALS—OTHERWISE IT HAS NO STANDING OR SUBSTANCE. GOD

CREATES—MAN SEPARATE FROM GOD USES AND DESTROYS THROUGH THE "MANIFEST THINGS" AVAILABLE. IF YOU ARE HONORABLE IN INTENT AND ARE "CREATING" THAT WHICH IS GOOD, THE CALL COMPELS THE ANSWER IN KIND. AND IF YOU PATIENTLY WAIT UPON GOD IN YOUR PETITION OF "THY WILL BE DONE TO BEST AND HIGHEST GOOD OF YOUR CREATION"—YOU

WILL GET WHAT YOU NEED—EVERY TIME, EVEN IT BE NOT WHAT YOU EXPECTED. AND, IT WILL BE THE PERFECT WAY AND NOT THE MAKESHIFT MEASURES OF WRAPPING THE WOUND WITHOUT CLEANSING IT—INSURING REINFECTION.

Speaking of cleansing, we have been offered a project proposal that I WANT TO SEE HAPPEN. It is a major pharmaceutical complex that will carry all products as well as natural healing products. It is the perfect way and the perfect place to have studies done, product offered and our own wondrous "miracle" products set forth properly.

We can then work toward duplication of processing once we have access to those Sovereign places where in brotherhood we can move forward. Walk ever in the LIGHT and you will

not lose your path for you can walk around, over, or put aside the obstacles in the way before you.

I would like to refer to *COMMON SENSE* and share a chapter. If we fail to see the problem we cannot treat the disease once it is in full presentation. Once the disease is in the blood system it doesn't do much good to simply pour more hydrogen peroxide on the original wound.

[QUOTING From: *COMMON SENSE, An Introduction to The Dangers of The New World Order*, by George Humphrey:]

THE SOCIAL CONDITIONING OF AMERICA

"OUR JOB IS TO GIVE PEOPLE NOT WHAT THEY WANT, BUT WHAT WE DECIDE THEY OUGHT TO HAVE." Richard

Salant, former President of CBS News

"The ultimate tyranny in a society is not control by martial law. It is control by the psychological manipulation of consciousness, through which reality is defined, so that those who exist within it do not even realize that they are in prison." Barbara Marciniak, *Bringers of the Dawn*

There is a metaphysical law that we create

what we think about. Another way of saying it is, "As we think, so shall we become!" The Power Elite, who now in fact control our banks, our media, our government and many key multinational businesses, also want control of our minds. To be sure, The Elite have understood the reality of this law for a long time. They know that the only way to gain full control of world currencies and to then create a centralized world government is that they must weaken the mental clarity and destroy the social fabric of America from within. Cicero, the Roman orator and senator who fought to protect the Roman Republic said, "A nation can survive its fools and even the ambitious, but it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and he carries his banners openly. But the traitor moves among those within the gate freely." [H: Now, to you

close friends who have experienced betrayal, theft of your property and total denouncement by INSIDERS OF OUR VERY PROJECTS THEMSELVES—is there something somehow different in these references? NO, THIS IS VALID INPUT REGARDING THE FAMILY OR THE GLOBE.]

The power of the television, film and entertainment industries should not be underestimated. Every Chief Executive Officer (CEO) of the three major networks, almost every CEO of the major film and entertainment corporations and almost every CEO of the other news agencies are members of the Council on Foreign Relations (the CFR). This organization is dedicated to the creation of a one-world government! It is my opinion that most members of the CFR are not intentionally trying to hurt our country. They have joined the CFR as a career move without understanding the true nature of the organization. However, the leadership of the CFR, together with the direct, subtle or unknowing support of its membership, is intentionally destroying the sovereign vitality of America!

In America, the average television (there are over 160 million in the USA) is turned on for over six hours a day! Yes, the television has brought us entertainment and valuable information. At the same time, most people realize (if they think about it) that most television programming leaves the viewer lethargic and with less mental energy (that is one of the reasons the TV is often called "the mind sucker"). In fact, very few people even can remember what they watched on television just a few days before. It also does not take a prudish person to understand that most programs focus on extremely violent, angry and fearful emotions. Many of the stories of television are mindless, at best. If one is not watching sitcoms, there are always the 24-hour sports channels to "kill time". Common to the sports channels, sitcoms and movies is the unbelievable amount of time (close to 20 minutes per hour) that is dedicated to advertising. The basic theme of almost all advertising is that we need something. All of the tens of millions of hours each day Americans sit in front of the tube: killing time, watching hideous crimes and being told that they don't have enough, is subconsciously creating and instilling these feelings, thoughts and emotions into the minds of our people.

If this were not enough to think about, Americans who believe in personal liberty must also examine the facts surrounding our news media. Just as we were taught that the Russian people were mentally polarized with constant propaganda, we need to become aware that, though done in a much more professional manner, the subtle manipulation of the "news" we receive is nothing more than propaganda. Please think about this next point. Throughout the world every day there are hundreds of news events that affect

our nation. Now, as you also know, every controversial story has at least two different points of view. Why is it then, that on the nightly news with three supposedly 'competing' networks, you will see, night after night, week after week, year after year, exactly the same news stories, with almost exactly the same point of view! This is not chance; it is prearranged programming! Noam Chomsky, who is a brilliant man, produced a movie titled *Manufacturing Consent* and in this movie he shows that of the approximately 33,000 newspapers and magazines in our country, over 95% are controlled by 8 multinational corporations, which are all connected with the CFR. If we are to turn the tide and regain our freedom, we will have to realize that a true republic is dependent upon having a truly free press and access to the truth. John Kennedy had this to say in 1962: "We seek the free flow of information... a nation that is afraid to let the people judge the truth and falsehood in an open market is a nation afraid of its people."

THE POLITICAL REALITY OF AMERICA

"No truly sophisticated proponent of repression would be stupid enough to shatter the facade of democratic institutions." Murray Levin

The greatest myth in America is that we have a two-party system! At one time we did have a two-party system and it served our nation well. However, over the last seventy years the termites of special interests have gradually taken complete control of the inner sanctums of our nation's leadership. Today, both the Republicans and the Democrats are financed and controlled by the Elite. The leadership of both parties has been working together for years to perpetuate the myth of competition and at the same time move us toward centralized, federalized control.

For those good people who are active members of either party, I know that this is hard to believe or to stomach—most of you have fought the good fight for your party and your country for years. To be sure, there are good, honest and patriotic elected officials of both parties. However, we have to step back and look at the whole picture. The following is a very brief outline of who, how and when our American political system was taken over.

Woodrow Wilson was the president of the country in 1920. He was the man who had campaigned, in 1916, "to keep us out of war!" Within weeks after his election, he took steps to engage the United States in WW I, an incredibly vicious war. After the war was finished, the plans of the Elite were put into high gear as they moved forward to create the League of Nations. Wilson was one of their key men and he campaigned and lobbied hard for the United States to join the League. Weeks before the United States Senate was to vote on confirmation, Henry Cabot Lodge,

an American Senator, actually read the document and he discovered that if we joined the League we would forfeit our national sovereignty. At the time, most of the papers and radio stations in our nation were still independent and fiercely patriotic and spread the word, and confirmation to join the League was denied.

The Elite were furious. All of the work that they had done for years was set back. So, they decided that they would have to regroup and expand their support within the government. In 1921, Wilson, Jacob Schiff (who worked for the Rothschilds), Col. Edward Mandell House and a handful of others, formed the Council On Foreign Relations (CFR). The goal of the CFR was (and is) to create a One World Government (it must be remembered that the CFR is a vehicle of the Global Elite). So, with generous amounts of money, they supported politicians on both sides of the fence, and with guile, got many of their people into positions of power. Paul Warburg, who was the Federal Reserve Chairman (more on the Federal Reserve shortly), was one of their men and, in the late 1920s, he manipulated the supply of money to create the Great Depression. The Elite created the Depression (as they created the runaway inflation in Germany that allowed Hitler to take control) not only to transfer wealth to their chosen few but also to set the stage for social engineering and the election of Franklin Delano Roosevelt (FDR).

Roosevelt was smart and crafty, plus his family had a long history of closely working with the Elite. By the time Roosevelt was elected, the country was on its knees. Probably no man in the history of our nation has done so much damage to our Constitutional Republic and to the world balance of power. The list of acts that he knowingly initiated, which have had long-term negative consequences to our nation, are long (please read the reference books). Following is a listing of just some of the things he did, all of which deserve attention: a. he illegally stacked the Supreme Court to support his unconstitutional acts; b. he literally confiscated the gold of American citizens and sold it to foreign banks controlled by the Elite; c. he increased the debt of this country many fold; d. he and his supporters financially backed both Stalin and Hitler; e. he helped plan World War II; f. he had prior knowledge of the coming attack on Pearl Harbor and would not warn the commander at the base; g. he conspired with Stalin to give Eastern Europe to Russia; h. he set in motion the creation of the United Nations (not as an organization that would mediate for peace, but rather, as the international vehicle for the NWO); and i. he declared martial law illegally. By the time of Roosevelt's death he had placed CFR men in every appointive position of power: The State Department, The Treasury, The Justice Department, National Security, etc. During FDR's years as president, and after his

death, CFR members were able to buy many of the major newspaper chains and take control of the three major television networks.

This momentum and consolidation has continued through today, as CFR members have taken control of many insurance companies and several vital manufacturing corporations. Furthermore, they have taken control of the leadership of both political parties. For most members, they see joining the CFR as the single best career move in their lives, as membership has opened all sorts of doors. Today, the CFR's headquarters is located in New York City and there are approximately 3300 members. When one looks over the last fifty years of how the CFR has been involved in American politics, one sees: a. every President except Reagan has been a member; b. every Secretary of State has been a member; d. over seventy-five percent of the different Presidents' Cabinet appointments have been members; e. a high percentage of the Joint Chiefs of Staff (our military) have been members; and f. the leadership of both the Republican and Democratic House and Senate are members. The list of sensitive and important positions of power within our government, that have been totally controlled by CFR membership, goes on and on!

Most Americans, on hearing this information, have a very hard time understanding the magnitude of this situation, or refuse to believe it. The reality is that a small handful have had de facto control of American foreign and domestic policy for the last six decades. The long-term plans of the Elite have been carried out so well by the CFR that they have been able to maintain the appearance of normality and liberty within this country while gradually and chronically eating away at our freedoms. Today, there are only a small number of magazines, newspapers, radio stations and access television shows that even mention or discuss the CFR (or other Elite-controlled organizations such as the Bilderbergers or the Trilateral Commission). If the American public became aware of the extent of the manipulation and abuses to our nation, they would drive out these people in mass—the secret is waking up the American people from their slumber. The good news is that in the last five years, the number of Americans who have become aware of the CFR, the Bilderbergers and the Trilateral Commission has increased dramatically.

[END OF QUOTING]

I wish to leave this writing now because we are writing this in Manila where we have two weather phenomena under way—the ending thrusts of a typhoon, along with the ordinary season of monsoon rains, thunder and electrical storms that tear up the electricity circuits and, frankly, we have power failures in the midst of each "wave" of activity. We will just allow this one to pass and if we have opportunity we will return later in a more secure environment.

Thank you. GCH/d

Historical Influence of Secret Societies

HATONN-dharma Rec. #1 7/25/99

FUGGERS

Thank you, Valerie, for sharing about "Fuggers", Pfuchiers, Pfuchians, etc. Don't we miss the research of Nora?

Valerie T., being German, recognized something very important about the terms coming under direct fire these days from my writings in reference to the terms above.

It should be noted that these terms are very long-ago written in history, deliberately dropped and mistranslated and, of course, in every instance as languages and alphabets are projected: totally unrecognized as often-used terms or names. Whether the problem is in error, or is intentional to suit the needs of those wishing to control, matters not.

[QUOTING:]

These are the German FUGGERS (pronounced as double 'oo'), I believe. A family of Southern German MERCHANTS AND FINANCIERS, associated with Augsburg from 1367. They were prominent in the 15th and 16th centuries. They built part of Augsburg. They had a virtual monopoly of central European copper and silver, and acquired vast lands as securities for their loans to kings, emperors, and popes. Their money secured the election (1519) of Charles V as emperor.

[END OF QUOTING]

I truly don't set out to embarrass you or give you false information, readers, but I WILL GIVE YOU TRUTH. If you don't like the FACTS, I am greatly saddened that you would base your choices on such lack of knowledge ON YOUR PART.

You can tell this is the SAME grouping by their activities and special "talents" in commercial control and banking endeavors. And if you find it difficult to believe there could be many ways to, say, spell or pronounce names and terms, try Khazar, Cazars, Chazarians, Kazars, etc. And, if you tire of that game, try: Esu, Iisa, Joshua, Yaushua, Eesa, Immanuel, Emmanuel, Immanuel, Jesus, Hesus, Haysooz and on and on! I urge you TO STOP YOUR SILLINESS.

Now, do you think Fuggers sounds somehow better than Pfuchiers? I concern about your recognition of truth, chelas. The facts are that during the time of WW I and II, this group of Khazarian Fuggers had TOTAL CONTROL OF

ALL OF GERMANY.

You who now might say, "Well, what the heck about Germany?" Let me remind you that the GOSPELS of the Christian Bible were chosen and presented from nearly 3 dozen gospels and entered into the "Holy Bible" BY GERMAN SCHOLARS OVER THREE HUNDRED YEARS FOLLOWING ANY PRESENTATIONS OF SUCH AS THE "CHRISTED" LATER CALLED JESUS. You go forth and listen to evangelists and priests presenting from pulpits as if they had FACTS—which they DO NOT. They are not as well informed as you are now informed. They only work on the ultimatums and doctrines GIVEN TO THEM IN TRAINED ROTE PRESENTATIONS DUMPED ON THEM BY THEIR PROFESSORS AND TEACHERS—USUALLY WRONGLY. They are better trained to extract tithes and offerings from you to buy your redemption than anything of truth of historical reality. DO NOT LUMP ME INTO THIS GROUPING, PLEASE, FOR I WILL NOT FIT INTO YOUR CLASSIFICATION IN ANY WAY, SHAPE OR FORM—AND YOU WILL BE HELD RESPONSIBLE FOR YOURSELF!

WORK IS LOVE MADE VISIBLE

When your work is but joy in its production and the positive intent of bringing another's finest points and talents to allowance in his own life-stream, you have proven your own intent in love and in expression.

If you cannot work with love, but only with distaste, it is better that you should leave your work and sit at the gate of the temple and take alms of those who work with joy. I would suggest, however, that fewer and fewer alms will fall into the cups of those who continually TAKE without return save more complaints, lies against the givers and expectations of destroying the producers in order to gain more for selfish greed so that the taker has no need, in his own perception, other than to demand and take more, more and more as long as the "giver" will continue the endless spiral of being victimized. And yes, dear hearts, there ARE VICTIMS for any who succumb to the false teachings are truly "victims".

To stop being a "victim", TAKE CONTROL OF YOUR LIFE! ANOTHER'S ANNOUNCED "NEED" IS NEITHER YOUR COMMAND NOR YOUR DEMAND. EACH IS BORN WITH

THAT WHICH HE CAN MAKE A LIVING FOR SELF AND THOSE WHO COME FORTH AND DEMAND, WHILE ACTUALLY MAKING SURE THAT OTHERS "LOSE", ARE TO BE AVOIDED, DENIED AND DENOUNCED for their unrighteous attitudes and intent of THEFT.

THOSE, EKKERS, WHO ARE SIMPLY "TAKERS" OF MY VINEYARDS SHALL NOT BE REWARDED AND THE STEWARDS OF MY COFFERS SHALL HOLD RESPONSIBILITY TO SEE THAT THOSE WHO WORK AGAINST ME "AND THEE", WHEN YOU ARE WORKING IN MY SERVICE, GAIN NOTHING BUT ARE PUT DOWN IN THEIR OWN WASTE OF GREED. WE WILL ONLY LONGER ASSIST THOSE WHO WORK DILIGENTLY IN GOD'S WONDROUS VINEYARDS AND FIELDS THAT THE FRUIT OF THE LABORS BEARS GOODLY GROWTH AND DOES NOT FURTHER THE ATTITUDES OF THE "TAKERS" JUST BECAUSE THEY SOMEHOW "EXIST".

The Elite are "takers"—thieves of your energy, your possessions and your very substance. The non-Elite who utilize the same tactics—having learned from those Elite the methods of tampering, cheating and lying against you—are worse than the Elite who claim no other purpose than to get what you have through force or whatever other tactics of deceit are required. But when a man comes and speaks of Love and Friendship, especially in the Name of God, and follows the tactics of the Elite "takers", you are doubly damaged and those shall surely fall in disrepute and honorable recognition for the remainder of their manifest lives upon OUR planet. Those who serve ego shall fall by the doings of their own ego entrapment. Those, however, who claim confusion and inability to "decide" who or what is "right" are more than the perpetrators for they KNOW but claim ignorance. So, whatever the "excuses" might be for following along with or among the deceitful they are the saddest of all—for they LIE TO SELVES.

You who think that somehow Esu leapt onto a cross and was horribly tortured and crucified FOR YOUR SINS—are full of it, chelas. The Power Enforcers did restrain him, beat him, and held him to the cross from which he could not escape. He did not willing go for self, or for YOU, AND ESPECIALLY TO ATONE FOR "YOUR SINS". NO MAN CAN ATONE FOR ANOTHER'S SINS OR ANSWER FOR ANOTHER IN ANY MANNER WHATSOEVER IN TRUTH AND INTEGRITY.

Our enemies will fall to the wayside by their own handiwork and intent and sneaking dispositions, for that is the way of GOD. But, chelas, you must insist that justice and rectitude is not only demanded but accomplished in each instance for, in our circumstance, the theft and misguidance are against the many who trusted and

gave of themselves—and GOD IS "JUST"! This is as true of business activities as is so in soul—for you cannot separate the two as you experience this manifest journey through physical expression.

One of the biggest lies in historical reference is when a man turns from responsible response to an accusation with such as "that doesn't even merit a response"—he is lying right to your face. If he is the accuser through lies—YOU MUST CONFRONT. If he is refusing to respond on his own account when caught in indiscretion—DEMAND A RESPONSE AND DEMAND IT IN TRUTH. When a man insists that you do not have all the facts but must PROVE something; e.g., "Prove to me that there is God." No, you have no need to prove anything—THE ANTAGONIST MUST PROVE THERE IS NOT

GOD! It works either way as when Ed Young claims "Hatonn now serves me"—cause him to prove "his" speaker is "Hatonn", for I can promise you that it is NOT or he is misinterpreting truth to suit his own ego desires. That group has broken the laws of God and Man—I WOULD NEVER EVEN REMOTELY SUGGEST THAT TYPE OF ACTION TO ANYTHING! My teachings and demands of my team—are to never break either the laws of God OR Man. You must act in such a way, ALWAYS, that light may shine upon whatever you are doing or presenting—there needs be no question of integrity or good intent.

You who are working diligently against me shall find that I am as diligent in my JUSTICE presented in your behalf, although you will likely call it "against" or opposing you. So be it.

Let us turn back now to the ongoing discussion regarding THE POWER ELITE and COMMON SENSE.

[QUOTING:]

A BRIEF HISTORY OF THE ELITE—WHAT YOU WERE NEVER TAUGHT IN SCHOOL

"I sincerely believe...that banking establishments are more dangerous than standing armies." Thomas Jefferson

Since the beginning of recorded time men have tried to dominate other men. There has never been a period of history when some individual, group or

race was not planning, conspiring, or actively working, to take advantage of another individual, group or race. Yet, many Americans actually ridicule the idea that an international cadre of very powerful, highly-placed people would "conspire" to dominate our nation's banking, media and government. The Elite have done a masterful job of creating the paradigm that to speak of conspiracy is politically incorrect and something to be dismissed as not relevant.

In the "old days", one individual or society would control others through sheer force. In recent centuries, economic domination has replaced the sword as the primary source of power (The law of the Golden Rule: "Whoever has the gold makes the rules.") To understand the complexities and nature of just how deeply our society is

now controlled and dominated necessitates looking at the history of secret societies over the past centuries. We could pick up the common thread of secret organizations plotting to gain power almost any time over the last three thousand years. A period of history that is extremely interesting and crucial to our present time is just prior to the Crusades.

THE CRUSADES, THE ASSASSINS AND THE KNIGHTS TEMPLARS

THE ASSASSINS

The Crusades were the military expeditions started in 1096 AD by Pope Urban II to defeat the Moslems and take control of the "Holy Lands". Just a few decades previous to the first European soldiers arriving in the Middle East and capturing Jerusalem, another equally important event was taking place that is not often taught about in Western history. A young Persian man by the name of Hasan, was organizing a sect that would, in the next two hundred years, strike fear into the hearts of men from Afghanistan to Egypt, and whose organization would influence other secret societies and eventually our nation today. Hasan was called the Sheik of the Mountains and the organization he formed was called the Assassins (from which we derived the word for paid killers).

The Assassins were much more than just paid

killers because their knowledge, passion and protocol have affected the whole world. The philosophy and beliefs of the Assassin organization was influenced by several preceding Middle Eastern religions, sects and secret societies: the Babylonians, the Pharaohs, the Greeks and Romans, the Semitic Tribes (including the *Cabala* and *Torah*), the Gnostics, Zoroaster, the Mithra religion, the Coptics and, of course, Islam.

Hasan attended The Abode of Learning, a famous Shiite school in Cairo, that taught a secretive process that included nine different degrees of knowledge (the process of secret initiations and degrees is a common theme that has been and is used by several secret societies). After leaving the Abode of Learning, Hasan was able to amass a great deal of money, and because of his immense charisma, several former schoolmates became his dedicated followers. These devotees he initiated into his new secret sect he named The Assassins, which, in Arabic, means the "guardians of the secrets". [Ed: How many people know that as the root of the word? Assassins "guard the secrets"!] Hasan's followers were true fanatics, and a story of their devotion occurred in the year 1092 when Hasan was talking with the representative of the Emperor, Malik Shah. Hasan said, "Do you see my devotee on top of that cliff?" He then made a signal and the white-robed Assassin jumped from the steep cliff to his death. He turned to the representative of the Shah and said, "I have seventy thousand men who will follow my word. Can your master say the same?" Hasan's point was well made and his power grew. For the next two hundred years they were a major force throughout the Middle East, East Africa, Ceylon and Malaysia.

THE KNIGHTS TEMPLARS

Approximately twenty years after the first Crusaders began their battles, nine Knights in the highest spirit of chivalry came together with a pledge to protect all pilgrims visiting the Holy Lands. This handful of nobles originally called themselves the Militia Templi, or Knights of the Temple, which later came to be known as The Knights Templar. The Templars took four oaths: one of chastity, the second to follow the life and teachings of St. Augustine, the third to fight the Moslems, and the fourth, never to retreat in battle, even if faced with opposing forces that numbered three to their one. These original knights lived a life of half monk and half warrior, and won fame for their valor on the battlefield with their zeal and fearlessness. Soon their fame spread and they received the backing of the Pope and patronage from different princes in Europe. In the first decades after their formation, their numbers grew and they provided valuable havens of rest and security for the visiting pilgrims. As time went on they built several castles in the areas we now know

as Syria, Lebanon and Israel, and they became major players in the often-complex politics of these lands. Within time they started adopting many of the secretive initiation rites that they had learned from their association with the Assassins. At the same time, the Templars started organizing in Europe and became involved in banking, construction and other businesses.

As the decades passed, several changes occurred within the organization. In the Middle East, the third and fourth set of Crusades had gone badly, and the Crusaders had lost Jerusalem and many of their other conquests. Then came the famous 'Children's Crusade'

which ended in absolute failure. The Templars not only had the Moslems as their ever present foes, but also a Christian order by the name of the Knights Hospitalliers. The Hospitalliers also had amassed great wealth during the Crusades and the two competed in a political tug-of-war. The Templars were accused of forgetting their original mission and fighting only for their own fame, riches and power. Another accusation was that they were forgetting their Christian heritage and assimilating Saracen (nomadic desert people living between Syria and Arabia) ways of life. The validity of this second charge is hard to verify, but it was true that a high percentage of the Templars, in their second century of existence in the Middle East, had been born and bred in Moslem lands, and had the Arabic language and customs as a major part of their lives.

By 1300 AD, the Templars had long since shifted their headquarters from Jerusalem to Paris and their major focus was on their business concerns in Europe. The organization that had begun in humility had become a powerful political and banking force and owned large construction businesses throughout Europe. This did not happen, though, without resentment and jealousy. In 1307, the King of France, Philip the Fair, began plotting to overthrow the Templars. Philip was bankrupt from his excessive spending and knew the Templars' vaults were full of gold. The king sent messages to all of his sheriffs throughout France that on Friday the 13th (THAT IS WHERE WE GET THE SAYING ABOUT IT BEING AN UNLUCKY DAY) they were to initiate raids upon the Knights' buildings and churches, and that the Templars were to be imprisoned, tortured and questioned. In those days the rack was used, which brought forth a great number of "confessions" to sexual deviancy, alliance with the Moslems and crimes against the church. How much truth there was to these confessions, no one really knows. Many of the Templars, including their Grand Master, Jacques de Molay, were burned at the stake as heretics. With Molay's

death, the official Templar organization in Europe deteriorated quickly, but the story was far from over.

In 1307 AD, the Earl of Bruce of Scotland started another revolution for independence against the English (the first was led by William Wallace—the story of Wallace was made into the movie, *Braveheart*). At first, things went badly for Bruce, but he was able to rally and gain support from many of the Irish nobles, and gallantly fought back using guerrilla tactics for six years. During this

period of time, several of the Templars, who had fled their countries, came to Scotland for a safe haven,

and joined Bruce to help in the fight for freedom. The Templars had been the finest fighting force in Europe and began teaching Bruce's rag tag army discipline and the art of war. In 1314, the Battle of Bannockburn became the deciding battle. The English king had twice the number of foot soldiers and four times the number of mounted cavalry, and things looked very bad for the Scots. At the crucial point of the battle, when it looked like the English were going to overwhelm Bruce, a small handful of mounted knights came over the hill, carrying the Knights Templar banner (the banner was named Beauseant and is still famous today). Upon seeing this banner, the English king, Edward II, made a hasty retreat. When the English foot soldiers saw the King running away they also stopped fighting and ran from the field. From that day forward, the Scottish had 289 years of uninterrupted independence.

[H: The next is so important to you U.S. citizens and to the world citizens who believe that the U.S. is the LAND OF THE FREE, etc.—please, I ask the paper staff, to find and reprint the PICTURES and writings regarding the "layout" of Washington D.C. with full explanation of the Masonic Symbols, street layouts, central focus, etc. Thank you, for it becomes important as backup to the realization that we offer TRUTH in our presentations so that there is valid information available. FACTS are facts, readers, and you may interpret any way you like the commentary—but foolish is as foolish does.]

THE FREEMASONS

"THE REAL RULERS IN WASHINGTON ARE INVISIBLE AND EXERCISE POWER FROM BEHIND THE SCENES." Felix Frankfurter, U.S. Supreme Court Justice

After the Battle of Bannockburn, the Templars went underground as not to incur the wrath of the King of France, or of the Pope who had also turned against them. Many married into the clans

and began new lives, many as master masons and builders. **[H: Can you see how innocently a group or cult becomes established?]**

From 1100-1500 AD, different crafts joined together in guilds and built meeting lodges for their members. The stoneworkers, like other crafts, developed such an organization. This period was marked as the great time of cathedral building, and because of the skill involved in their work, the masons were allowed the freedom to travel from one area to another, and this is how they got the name FREEmasons. The direct influence of the Templars in Scotland can still be seen at the Church of Rosslyn, which was built by Templar masons and incorporates dozens of Templar symbols.

The struggles between the Catholics and the Protestants, together with The Thirty Years War and the English Civil War, shook the foundations of Europe. Starting in the late 1500s and early 1600s, there was a decline in the building of the cathedrals, and at that time, some of the formerly operative Freemason guilds opened their organization up to non-stoneworkers. These lodges became more social and political in nature and the new members were called Speculative Masons. The 1600s also saw the start of the industrial age and the forming of a new middle class. This relatively new economic class had more education and they were hungry for freedom: political, social and spiritual.

The exact historic origination of the Freemasons has been, and is, a matter of great debate. Three very interesting personalities are connected with the start of Freemasonry as we know it today. Sir Robert Moray was the first recorded initiate to a Masonic lodge in England in 1641. Moray was a secret envoy for the Scots Guards, a respected scientist, and associated with the Rosicrucians (a quasi-secret society still in existence today that teaches metaphysical principles). Another important figure was Elias Ashmole, who was a soldier, an astrologer, a Rosicrucian and one of the cofounders of the Royal Society (one of the most important scientific organizations in history). Perhaps the most important figure to Freemasonry and slightly predating Ashmole and Moray was Sir Francis Bacon, who brought great changes to the point of view of both European and American citizens. There is much mystery about the life of Bacon. Contemporary history says that he was born to Lord Nicholas Bacon, who was the close confidant of Queen Elizabeth I, and that he held several positions within Elizabeth's court, which included being a courier to foreign countries. Other historians believe that he was the illegitimate son of Elizabeth and raised by the Bacons. The alternative historians make some very strong arguments that Bacon was actually the guiding light behind the plays of William Shakespeare, and

(Continued on page 21)

Change Your Thinking, Change Your World

SOLTEC-jonur 7/24/99

Soltec present to commune in Love and service. As always, the elite factions on your place are toying with that which they have no clue as to the short-term or long-term consequences. You cannot electrify your atmosphere with great sources of power that are atomic energy-based and not expect some damage to occur in your environment. The things which man finds irresistible to tamper with usually provide the greatest dangers to him. Yet your insatiable quality, of always trying to be the very best at everything you tackle, gets you into more trouble because in the fields of weapons research and development—it is a suicidal pursuit that can have only one outcome.

THE FEAR OF NOT BEING ACCEPTED

It isn't the desire to want to win that has brought you to the brink of blowing yourselves away through competition and ego satisfaction—it is your fear of not being accepted if you lose that is your big downfall.

Humans were not meant to “win” at everything they do. The very conscious act of trying to be “the best” is a detrimental ideal to live. “Just Do It” would be a more useable phrase to learn. More is lost during the actual preparation than the doing of a job.

The attaining of a goal is the same. Focus more on being in service to others—that is the natural state of being that causes the body to be at peace with itself. A body directed by the higher self will heal itself of negativity and toxins that cause it to fall into decay and die. You were meant to serve God and enjoy life while in the body. This means that you are electrically “wired” to feel good when you are following God's Laws and living your life in a manner that is in accordance with those Laws.

YOU ARE INTIMATELY CONNECTED WITH THE PLANET YOU'RE FROM

You must come into realization that every person, animal and inanimate object is intimately connected with the living organism that is Earth Shan. You interact in ways that are not fully understood by you, because you have lost track of your ability to sense past your basic senses. The rarified senses you possess are not relied on,

because you are not used to paying attention to the still voice of reason and guidance that is forever instructing you. The louder voice of physical sensations is welcomed much more than the voice that is always softly nagging you about the so-called “evils of your ways”.

Since all mankind is birthed with the knowledge of right versus wrong, it is a fact that you have to be taught all the negative stuff that adults have mastered by the time they're old enough to look after themselves. Along with being taught self-reliance, people are taught that they are miserable sinners and that any Godly or reasonable thoughts they may be holding onto are thoughts that should be discarded. You are taught that you cannot cure your own problems and be guided by inner guidance and should only seek outside help from appointed interpreters of divinity.

“JESUS” DID NOT COME TO EARTH TO “SAVE” ANYONE

It is a sad but true fact that if humans have a blame-taker, one who absolves their sins for them, they tend to give their personal responsibility to the one whom they believe will save them. This is a programmed response given to you by none other than the adversary himself. The story of Esu “Jesus” Immanuel Sananda, as passed down through two millennia, has been distorted and twisted in every conceivable way. It has been changed, because it is being used to keep you ignorant of your true power.

Esu did not come to Shan to save anyone. The reformers (and “interpreters” such as King James) wanted to keep you locked into a fear-based non-action mode. If you feared your own identity and status, as to where you fit in God's grand scheme of purposefulness, then it was natural for you to find a higher being to dump all your worries on, in that He will save you without the slightest concern or participation from you.

This is not a very good example of giving and regiving—by dumping all your responsibilities on another man, you forfeit your right to handle your problem yourself by giving in to the desire to let someone else live your experience. That practice gains you nothing as to your own lessons. Without the practical experiences for you to live through and make countless decisions about, you wouldn't learn what you came here to learn. You came to here to grow in your understanding of the human format—however, you can't grow in that

format unless you participate in the lessons that are required for graduation of the course.

Well, by giving away responsibility to act in a manner that is befitting a CHRIST-ian—by believing that your errors/sins are washed away by the blood of another man(?!?)—you literally strip away your power to receive higher guidance BECAUSE YOU ARE NO LONGER LOOKING FOR IT. When you give up your search for the meaning of life and your place in it, and worship wholly the doctrine of man, without the slightest consideration for possible errors in translation, you end up at the mercy of the doctrine. And if it is made to be in error intentionally, then you have fallen into the trap and your lack of knowledge is what will seal your doom.

SATAN IS ALLOWED TO FOOL YOU IF HE CAN

You are allowed to be tricked by the adversary, and if he can come between you and your knowingness of your individual relationship with God—which needs no intermediaries—then he controls every aspect of your life whether you know it or you do not.

Satan has at his disposal all the wonders of your modern age—and keep in mind that you as a citizenry are unaware of what is newly discovered science and technology versus that which is very ancient. Whichever the case may be—all of it is in secret use by the conspirators.

The ones who believe themselves to be above you in race reflection and in intelligence are not going to hand over the very chains and leg irons that keep the masses in line. Their edge over you is in their ability to keep you convinced that their “magic” is superior. So they cannot show you the tricks of YOUR confinement.

By allowing you to feel as though you are free, you don't question the obvious enslavement tactics that are being tested and implemented almost daily now. As long as your right to drink alcohol and party your Saturdays away is not infringed upon, you don't care too much about the spy cameras going up on the freeways and street corners. I believe you read somewhere that it was for your own good. Nothing could be farther from the truth.

ONE WORLD POLICE INFRASTRUCTURE IN PLACE

The law enforcement agencies are being groomed to be the headquarters for the elite enforcers. They wield the authority to treat you like a criminal until you prove that you are innocent. That little tale-tell sign should have been the wake-up call for Americans long ago. How dare you let your own courts legislate out of existence your right to live in freedom? Didn't you see it coming?

We've been trying to tell you and show you what you're up against, but it always seemed too outrageous to be true. As more and more ones are discovering it is true—that you have come under occupation of a foreign enemy government—serious opposition has confronted the would-be kings and queens of the world government. They understand that as you start to awaken, the days of their oligarchy are coming to an end.

SOON YOU ARE GOING TO BE "REACQUAINTED" WITH SPACE

Maintaining two stories about what man has achieved in space is the basis for understanding why NASA cannot come clean about what is going on outside your atmosphere. The shock, followed by anger, at what your nation has been doing the past twenty years while Russia colonized the Moon, Mars and has several space stations other than *Mir* orbiting many of your solar system's planets and moons, would be fatal to the American spirit. The fact that their own government would keep such a secret from them and then spend billions of dollars more just to keep the lie intact would be too much for the American people to forgive.

You have basically given the U.S. space program a blank check to do whatever it wanted as to the progress and exploration of space and other worlds. And to find out that that trust has been misplaced is not something that is easily forgettable in the minds of a public that is already tired of politicians; the last thing they need is to discover another large agency has fallen by the wayside. Americans need to believe in their institutions, and if that is destroyed too soon, they come into realization that there are no representatives in Washington—or anywhere else—that have the people's interest at heart.

You can hold the officials in government accountable for their crimes against you—just as the War Crimes Tribunal in Hague uses lies and murderous, deceitful tactics to hold Milosevic and the other accused war criminals accountable for the Bolshevik bombings of the civilian infrastructure in Serbia and Kosovo—Americans can do the same for politicians who fail to do that which they are being paid to do. You would no more want to pay for an employee who does not work than you would representatives who do not represent you.

YOU CAN LAWFULLY TAKE BACK WHAT IS GOD'S

It is not difficult to take back your country from the warlords; it is something that must be done if you are to restore the U.S. to her former greatness. The opportunities available for U.S. citizens "for the asking" (that go largely unrecognized because you don't know what conditions are like in other countries) are so

appealing to people who don't live there that they still see America as the land of opportunity. However, for residents who are all so used to the better standard of living, they do not realize how far above the rest of the world Americans were. So the depression you are going through is barely felt if you are looking at it from the perspective of another country. This is why it is so hard for Americans to respond to the challenge to "Throw the hypocritical rascals out!"

Your consciousness development from growing up in such a society as yours has created a tolerance that is not shared with most of the people of the world. You do not suffer the way other peoples suffer, so your bitterness after a war, for instance, has no comparison—America has never had wars like most everyone else has. To you the price of freedom came cheaply. This happened because the beautiful land that was "discovered" was the feather in the cap of any and all would-be conquerors—in addition to the millions of regular people that wanted to cut themselves a piece of the American pie. So the royal elitists had to plan this—their final conquest of a large nation—with great care and much legal maneuvering. If they lost they would be thrown out like the Christian Russians did to the same Bolshevik bunch in the late 1970s.

You too are going to have to throw out the parasites, but you must do it under the law and through peaceful means. By playing into the plans of armed conflict you fall right into their hands for they have kept many secret weapons programs hidden, to use on you when (or if) you choose to fight them. They do not expect a legal battle from the masses because, with all the lawyers illegally serving in government, they are sure they have stripped away your knowledge of what your rights are.

Too bad for the elitists, however, that your Constitutional Republic was based on simplicity of governing, so it didn't matter if the citizens got behind in their understanding of the mounds of new laws that cluttered the ideals of the fledgling country—you knew and remembered that the *Constitution* was written FOR the people in that the people could understand it.

It is when you forget what your country means to you and what it means to your soul's development that you get into trouble. Just as an abused or neglected child will show signs of that abuse in his development, which become negative traits in his adult life—the conditions of growing up in a country that impedes your soul's growth also dictate what type of experiences you align for yourselves as the soul seeks out its lessons.

You experience everything your soul is to have for its own development, but if you are in circumstances that do not allow you to reflect on that which you are experiencing because of sheer hopelessness at your situation, or that of your country, you don't benefit from the lessons like

you should.

Instead of advancing your level of growth through the joy of being on that voyage of discovery that never ends, you are so caught up with the negative emotions of your seeming plight, that you literally refuse to allow the experience to be one that is learned from. You get so caught up in your negative reactions, one following on the heels of the other, that you close your mind off to the learning process and enter into a condition of stagnated growth.

It is a tempest that will keep you experiencing the same old problems, because your negative feelings towards your troubles keep you re-experiencing similar life conditions. You have to let go of that which is holding you back and move on with manifesting solutions to your plight; when you do this you will discover that you not only can move to lessons that are fun to learn, but you will have less trouble in your lives as a result.

There will still be "turbulence", but it will not unseat you from your seat of sensation which is the center of your being. As long as you are centered, as to who you are and your oneness with God, the troubles that plagued you when you were in ignorance do not happen as frequently or with such severity as they did when you helped it along by your desperate reactions and emotional wallowing.

When the Elitists talk about quiet weapons for quiet wars you should not overlook the effects of psychological warfare. It is a phrase that is not heard much in relations to its use over countries like yours, but **it is a fact that "psyops" (psychological operations) are used more heavily on Western cultures than they are in Third World and so-called developing nations. There is no need to use such expensive and elaborate means of control of the masses where they can just use the gun, but in your country—since your citizenry are still armed and their ideal of freedom is far more advanced than poorer countries—PSYCHOLOGICAL WARFARE IS THE FIRST ACTION OF CHOICE TO BE USED AGAINST YOU!**

The elite conspirators consider themselves to be a smart bunch, but they have never failed to underestimate the intelligence of free-thinking, truth-seeking—AND GOD-RESPECTING—people. Their thrust to subjugate you is mighty, but their fear of an awakened populace is always at the forefront of their backup plans to their backup plans.

You greatly outnumber them, so their victory over you must be one of cunning and well laid traps. A primitive man does not defeat the tiger with his bare hands or meager tool that is used for digging. And neither does he win with haphazard planning. The wild animal is dangerous and fully equipped with everything it needs to survive.

It has a warm coat to survive the changing environment, sharp claws and teeth, strong hunting instincts and powerful senses to locate and run

down its prey. Humans don't have any of that, so you rely on observation, caution and much forethought to compete with and survive alongside the tiger. A head-on approach to subduing it would spell a quick and painful death; however, using what tools you have been blessed with allows you to not only survive and fend for yourself but to even tame wild animals. Yet you are not much different than a helpless infant when compared in purely physical ways. It is your human mind and the advanced level of your thinking that makes you master of the other creatures on Earth.

The Khazarian elite see you much the same way as you see the tiger. They know that on an open, fair confrontation with you they would lose miserably. Their only weapon to use against you, in the beginning, was their mind. For if the adversary could not outthink you there would be no Anti-Christ group sided against you. The evil ones who desired to take what you had would be on equal footing, and there would be the give-and-take or "win some, lose some" campaigns and all would average out to more or less equal victories and losses depending on the overall state of the environment the humans found themselves in. If the land was lush and abundant, obviously there would be less fighting as the drive to struggle for survival wouldn't be as strong, since any potential "loser" could just as easily give in and move on to greener pastures over the next hill.

At stake in your adversary's game is ownership of a planet. The average person does not look at the possibility of a world up-for-grabs as a viable option. Number one, people do not normally look to the ultimate possession being a world that is ripe for the taking. And number two, the great reserves of wealth that are apparently needed to carry out such a crusade are not in the budget of the average citizen. And even those who have managed to build considerable assets can think of much more rewarding endeavors to spend the money on than trying to take it all.

The inbred belief that the nobility of society is the inheritor of this world is a sick and ego-based way of thinking. What must be going on in the human mind where his insatiable thrust for power and control knows no bounds? Can you not see that it is this attitude that causes and fuels the conflicts your world is experiencing? It is going to take a new kind of human being to turn things around. The old way of "just allowing", with no thoughts or actions on your part, will not cut it in these days of Satan's rule over these ending times. Evil will not just go away.

CHANGE YOUR THINKING AND YOU CHANGE YOUR WORLD

As man begins to change his thinking he is going to find that the earthquakes, flooding and volcanic activity are influenced by collective thoughts. The planet is intimately connected with

each and every inhabitant, and the combined unified thoughts of humans have either a positive or negative reaction on the Earth's emotional wellbeing. If Shan is "upset" because you are upset with your neighbor and contemplate bombing him out of existence, then the planet is going to experience those negative feelings, and they will manifest as physical releases in one way or another.

Certainly there are natural changes that are part of the evolution of any celestial sphere; as with anything else, however, the frequency and intensity and often location, are tied directly to your state of being in this time of change.

You are going to see more and pronounced examples of the lessons in your lives coming about faster as your ability to know and learn is increasing. Your desire to know God and come into enlightenment has brought you to a place and time where there is now only a short time-span between the need for a specific lesson and the manifestation of the lesson in physical form, so that you can experience it for recording in your eternal soul—or "book of life".

This is a cherished set of circumstances in the universe. These plans of demonstration are the very crash courses that are sought by the masters. They know that through these experiences of multiplied learning comes the fastest method there is in reaching their goals of spiritual evolvment.

When mankind as a whole looks at life in this manner he can achieve miracles, and it will appear that it is done without effort. This is the side effect of living a spiritual life. Your lives will automatically conform to the Forces of Light that work constantly to help you through the hurdles and pitfalls of your experience. And for you it will seem as if you found the shortcut everyone else is looking for.

Well, there are no shortcuts as such—however, there are easier or more rewarding paths to get where it is you want to go. Your guardian angels work with you to help you—provided you open yourselves up to commune with your unseen companions—find your footing in this wonderful journey. By looking at everything that comes your way with the optimism that comes from knowing God Aton within, you literally command the universe to work on your behalf.

Creation is a bilateral-orientated, co-creatorship with the source of all things. By allowing the natural process of living in communion with God,

you begin to live a life that is more befitting a Christ being. Coincidences of a pleasant nature become expected, welcome occurrences and no longer do the worries of the world work to destroy your body. Peace and harmony become your constant companions, and the desire to help your fellow co-creators creates the spirit of collective manifestation that is associated with an evolved society.

LOVE REALLY DOES MAKE THE WORLD GO 'ROUND

Won't it be a grand time when this type of thinking is predominant in your world? The evil elements would have no place to hide and their actions would find no place to take root in a balanced society. Love is the glue that holds the physical aspect of your reality together. Love is also the best offensive weapon to use against aggression that is directed to you or those whom you love.

As man begins to change his thinking he is going to find that the earthquakes, flooding and volcanic activity are influenced by collective thoughts. The planet is intimately connected with each and every inhabitant and the combined unified thoughts of humans have either a positive or negative reaction on the Earth's emotional wellbeing. If Shan is "upset" because you are upset with your neighbor and contemplate bombing him out of existence, then the planet is going to experience those negative feelings and they will manifest as physical releases in one way or another.

Keep in mind that at the core of all those things you know to be the source of evil actions and intentions, love is the binding tie that connects all. You are one, even with those perceived to be your most bitter enemy. That awareness may be lost on the evil one because his hatred, and the fear that drives him, is the all-consuming passion. But for you the allowance of love in place of negative emotions gives you the advantage.

You will have a clear head and access to inspired "advice" and instinctual action that is only able to be tapped into when you allow for the connection to be there. The higher state of beingness will not just float over you without the slightest bit of effort from you. Though it may only take a little effort in the direction of desiring divine help, a little is all you need to open the door to the process in that it can grow and be a part of your continued development.

God has given you all that you need, like that tiger; however, it must go through the intermediary of thought before it is given translation to the tangible world. You can no more build a good, long-lasting expansion bridge without plans than you can co-create a better life for yourself without knowing what it is that you want to achieve. If

(Continued on page 22)

Standoff: Bolsheviks Vs. Russians

GERMAIN-jonur 7/25/99

Germain present to share. The leaders of your world are meeting in various places in preparation for the millennium changeover. They believe they have covered all their bases and have sufficient safeguards against you-the-people that they can keep you in line no matter what they do to you. They have the utmost confidence in their technology to be able to manipulate you to the point of capitulation and are smug in the knowledge of having so much in preparation for the main event.

RUSSIA AND THE U.S. IN DIFFICULT TALKS

Washington and the Kremlin are in some very serious negotiations regarding the ground and space standoff that is happening right now. You first must know that the Shuttle launch that finally took place and the delays preceding liftoff were to cover the possibility of a public incident in which the Shuttle's destruction could not be hidden from the millions of viewers. Once the orbiter makes it past the range of your cameras a totally different mission is unfolded. The public announcements of leaking fuel and electrical failures are not harmless glitches—THESE ARE MAJOR CLUES!

The secret capabilities and military payloads are not going to hold up to the scrutiny of thorough questions and detailed explanations of the mission. And it was fully believed by the Bolshevik military planners that the world would witness another *Challenger* disaster, so the stories as to it being an accident were waiting in case they were needed.

Russia's difficulties with *Mir's* antennae deployment belies a more serious set of circumstances in light of the Shuttle problems and Russia's own failed rocket launch a couple of weeks ago. Do not make the mistake of thinking these space missions have no bearing on the war in Serbia against Russian and French troops who are on the side of the Serbs. The Bolshevik-run British government is allowing for the murder of Serb civilians to get you back into the fray. Russia is already setting Milosevic up with support for when he begins to move Serb troops and police back into Kosovo.

KOSOVAR-KHAZAR JEWS

The double standards that existed for the

Kosovar (Khazar Jews interspersed with the "ethnic" Albanians) refugees that were chased from their homes—not by Serb militias but by NATO bombs—don't seem to be of concern to Tony Blair and Albright now that the Kosovars are caught trying to "ethnically cleanse" Serbs.

The Khazars, posing as and taking advantage of the real Albanians, were the ones NATO forces were "protecting". Whenever you were shown a Khazar-Kosovar refugee going back to his home it was always a dwelling of obvious wealth and influence. The staged scenes of grief for the pretenders were so bad that the Khazar-Kosovars could not even cry real tears for the cameras. Numerous among them were ones being paid to grieve on cue—and most were not good actors!

The homes of the Khazar-Kosovars were carefully "ransacked" to make it look as though they suffered too. However, when you compare the relatively unscathed conditions of their homes or numerous businesses (Kosovo is a very poor country, who do you think owns all those shops and cafes? The same ones who own all the shopping malls, supermarkets and cafes in America. The Jewish domination game has no borders, friends.) to the completely gutted and burned out substandard homes of the many ethnic groups that make up Serbia and Kosovo, you can see that the only precision bombing done was that which spared the Khazar instigators.

THE KREMLIN WAS NOT FOOLED

In order for your allied forces to have what they are trying to convince you is the right to invade a foreign country without a declaration of war from Congress, spies had to be in position on the ground in areas that are known to the military leadership. You can be sure that no misguided missiles and bombs fell on the secret allies to the invasion of Kosovo—just as these same spies are now beginning their behind-the-scenes battle to mobilize a force to bring the war right to Milosevic's courtyard.

The Russians have not been fooled by the steady march to war under the guise of peace. The Bolshevik tricks that captured Russia and turned it into the communistic Soviet Union are familiar scenarios to the Kremlin's veterans of war. They know whom they're up against and are fully aware of the deceptive actions of the Zionist warmongers.

As for the U.S. understanding of things, you are completely in the dark. The media is a Bolshevik tool, and it is in expert hands as to the effects it is having on the psyche of the American public.

You will go along with anything the Zionist lobbyists in Washington order you to do. Even the thought of nuclear war is blissfully diluted from the minds of the public. Do you think that nuclear weapons are some mythical force out of Greek mythology? Do you think that somehow you can use magic to stop atomic weapons from raining out of a clear blue sky? Or do you just enjoy teasing and baiting the beast—bicycling and soccer not exciting enough for you?

THE BRITISH ARE COMING

Your government is in serious talks with superpower governments that want to blow you away in one way or another, and yet, it gets about as much attention as the daily lotto numbers. This pretending that things are fine is not the way to solve your problems. While you sleep in front of your televisions or at your dead-end job, the real power brokers are planning the new government that will control every aspect of your lives.

The solution to your financial woes is to take away your ability to take care of yourselves and have the state do it for you. Since when did you go from a pioneering example of a society built for the betterment of man, to a welfare state where you need your government to take care of you?

Weren't the British—the same guys that ordered you to war against a country you knew nothing about—the ones you fought for independence during one of several attempts to make you subservient to the royal crown? The British Israelites own your country, which places your entire hopes for the future in their hands. Well, they've shown you in the past and the present what kind of future they have in store for you. And you won't live to see it if you don't put a stop to the madness of your secret shadow government that is playing with fire. The traitors in your midst have sold your country from under you to the highest bidder, and the criminals make no apologies as they no longer even try to hide their connections to the evil cartels.

ANOTHER LOOK AT NEW WORLD ORDER PUPPETS

The appointed puppets of the New World Order Global Government gathered at the funeral of a fallen elitist. (There seems to be a rash of deaths of important leaders and backroom advisors of late—must be another shakeup of the elite family tree). This follows behind a similar pageantry of royals from across Europe who came to London for Princess Alexia's wedding.

The Arab world is in mourning over King

Hassan of Morocco—though he was only a British tool for the monarchy, he is still seen as an Arab. The Islamic world doesn't longer submit to intimidation of Western nations, because they know how the game works as concerns them. The Arabs know they have been used to glean untold fortunes for the Committee of 300 Olympian organization. They also know that great fortunes promised to their people will not see their open hands, because it is going to be "lost" in American holding companies that speculated in markets that are to be blamed for losing the Arab assets.

You are going to see many more traders, investment bankers and financiers like Martin Frankel, who turned up missing with more than \$3 billion in insurance company revenues. Ones like Frankel do not operate alone, and in this case he had the full backing of the Mossad dirty-tricks department. Those funds are in the coffers of Israel—as are stolen assets from numerous other public funds you have not been told about yet. The fall guys are either innocent dealers looking to make it big, or planted financial intelligence assets employed to facilitate easier confiscating (stealing) of funds.

Just as the Zionists mean to charge the entire industrialized world with blame in the Holocaust hoax and reveal just how greedy Khazarian Jews are in the process, all your institutions of public trust as to retirement accounts, medical care, Social Security, welfare, social services, board of education funds—**THE THIEVES MEAN TO DEPRIVE YOU OF THE MEANS TO SUSTAIN YOUR LIVES IN PHYSICAL FORMAT.** The Khazarian robber is never satisfied with getting the best of you in the market places, he has to destroy your means of self-sufficiency.

This kind of enemy is most dangerous in that his thrust is to constantly plan ways to take, take and take from you. If you are always on guard from the perpetual threat of being robbed, you do not take the time to rise above the threat and build your theft-proof asset protection. This does not mean that it is totally foolproof, but with the added protection of privacy, it does make you one of the more challenging targets of Khazar conquests, and Khazars are like the AIDS virus—they are very lazy parasites—they ravage the more susceptible hosts first.

This translates into **UNSUSPECTING** hosts, as Khazars are more inclined to take from those who believe them to be their good friends. To gain the world's supply of open and accountable gold by such a small group of people—over and above the masses of an entire planet—is nothing short of **organized crime**. The network for such organization is the various Jewish groups such as the ADL, JDL, Jewish lobbies, the American Motion Picture Association, ad infinitum. The American Medical Association and the America Bar Association are very powerful tools in the Khazar arsenal of control over the masses of non-

Jews in America, and, through America's military—the rest of the world.

RUSSIA HAS GOLD TOO

Russia's economic collapse last summer, that was calculated to bring the Russian military under submission, had the opposite effect. The people of Russia went on with their daily business and, for the most part, coped with whatever came their way. They have gone through enough to know how to survive the worst of times and still come out optimistic that things will get better.

They survived an occupational government under the Khazars and after losing over one hundred million people, and finally gaining the upper hand, the Russians realize that their happiness does not depend on how much money they have as a people.

Russia has immense deposits of gold inside her borders, and the military leadership is planning on using it when the time is right. There are other countries that have large supplies of gold as well, whether or not it is still within the Earth in its natural state or ferreted away by their people under their sleeping mattresses or buried under a rock, the Khazar moneychangers will no longer have the monopoly on wealth that they've held for so many centuries.

When God gives you the tools to do your building, you will be on equal footing with the Khazars as to project potential. The Elite One Worlders decided to use their wealth to acquire more and more of all that they saw. And their greed has gotten them massive riches, but it has also given them some bitter enemies as a result of how they went about securing their plunder.

God Aton's people are faced with the same temptations and the same choices of what to do with the power that comes from having great sums of money at your disposal. Freewill choice is never taken away from you; the choice of what to do is a part of your lesson. If you have indeed learned the lesson, the tests are in the choices you make once you know truth. This is often the biggest testing you will have that determines if you have made progress. Can you follow the Laws as given forth by man and by God when left to your own devices?

AMERICA IN THE YEAR 2000

The American people will either be an example of a country that has pulled itself out of the mouth of the beast, or they will be a cautionary tale of what not to do when dealing with the adversary of man. Your nation is being looked at to see what role a free society is supposed to adopt as to being the example for world leadership. At least that's the way it was.

The participation of the U.S. with the British elite has turned many a potential ally against you.

The world can see that what the British-Israel group is up to is along the lines of the evil foretold by the prophecies—the old ones as well as the new.

The religious among the masses are far more apt to enter a holy war with America today than they have been since the founding of your nation. To them you have sold them out. They too fought against British rule at some point in their history—just as you did. But you have joined the monarchy and have turned against your brothers that could relate to your Independence war. They had sympathy then, but now you have sold your soul to the devil, and they can no longer watch as you take up British Israel's cause.

If you allow a war to take place, that will be number three as world wars go, much focus will be on the U.S. as to who is going to bomb you first. You cannot take over the job of world elitist and not expect some flak to come your way. The enemy of the people has always been the elite ruling factions, but your nation was rich and powerful, and you had no obvious royal ties. Well, you do have blood members of current sitting kings and queens in the liberal political establishment in America, and so you have become just another British outpost in Her Majesty's empire. But it is going to be this generation that is part of the change that is coming. The days of elite, Satanic control over this planet are coming to an end. The factions that are doing the damage are going to be separated from all that is still good, and that is going to make it most easy to distinguish the good guys from the bad.

Only the lack of God in schools, in politics **AND IN CHURCH** has allowed you to not even notice how you are perceived in the world. The spirit of religion has been killed in your country and now you are ruled by mob rule. The voting in or out of something has become the means in which morality is judged. Have you forgotten your inner guidance of what is right or wrong? That's just the idea: The elite don't want you using those inner faculties because in almost all instances you would see right through the facade and demand that your leaders clean up their lives.

It boils down to accountability; if you do not make the people you send to the capitol stand behind their deeds, which all too often turn out to be bad for your state and for the nation, you are guilty of aiding and abetting a criminal cartel to function without making the slightest attempt to put an end to the crimes. If the Book of Life were to be opened right now, displaying the lives of all who live under the banner of your Constitutional Republic, it would show that nearly all would be guilty of war crimes against humanity.

We have told you that your country is being used as the instrument of death for the genocidal plans of the secret government. You have much evidence supporting this fact, yet you still allow the

(Continued on page 22)

How God Functions Is Being Revealed

HATONN-dharma Rec. #2 7/28/99

A MORNING RECOGNITION OF GOD

It helps to start your day with the RIGHT call to consciousness that we always defer our own will in favor of that which is all seeing, all knowing and all thinking—in perfection—GOD ALLAH CREATOR.

Once you have learned to turn over your will into the "will of God" you have reason to KNOW that what is toward perfection will always be accomplished—even if YOU do not recognize it to be so in your limitation of physical form.

I would note that many of you were able to relate to the "invisible" aspect of presence through the little reminder that you cannot see the wind but you KNOW that it is there when you see things moving in its wake. I have a bit more warm thought from a child:

A wee child sat before the window as a storm swept through the area. Fascinated, the child watched with no other notice of that which was around it.

The mother of the child had explained how the child might know the wind even if it would be invisible by the moving shadows as the wind swept the branches of the trees hither and yon in the sunshine. But now the rain came and the storm raged.

Mother finally asked the child what was so interesting and the child simply said, "I am watching the wind cry."

How many of you would note the wind "crying"?

So let us look unto a little verse that might bring to consciousness "HIS WILL" in our "SERVICE" so that we recognize that the wind laughs and the wind cries—even if only to give proof of HIS PRESENCE.

LORD

"Make me an instrument of Your peace; where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light, and where there is sadness, joy. O Divine master: grant that I may not so much seek to be consoled as to console; to be understood as to understand; to be loved, as to love, for it is in

giving that we receive; it is in pardoning that we are pardoned, and it is in dying that we are born."
—St. Francis of Assisi

Please allow me to add: Let me not serve in ignorance that which is evil while thinking I am serving goodness, for that is the way in which evil overtakes the ignorant. LET ME NOT SUPPORT, IN ANY WAY, THAT WHICH IS EVIL, BE IT THROUGH ASSENT TO WRONGDOING, POWER ELITISM, FUNDING FOR THEIR EVIL INTRIGUES, OR BY FAILING TO NOTE WRONGDOING IN ACKNOWLEDGMENT OF THAT WRONGDOING. WHEN WE BOW TO THE DEMANDS OF THOSE WHO WOULD DESTROY US WE ARE DESTROYING SELF MORE GREATLY. STOP IT, PLEASE, AND LET ME KNOW THE DIFFERENCES IN THAT WHICH PRESENTS UNTO ME AS RIGHTEOUS OR WRONG.

AND, FATHER, IN ASKING, YEA CALLING, I EXPECT THE ANSWER TO MY PETITION BUT I WAIT UPON YOUR WISDOM IN PERFECTION TO SEND UNTO ME THAT WHICH I NEED TO ACCOMPLISH YOUR WILL IN THE MOST PERFECT WAY POSSIBLE TO ME UNTO THEE.

THY WILL BE DONE AS I GROW IN STATURE THAT MY WILL "IS" THINE OWN. ALLOW ME TO BE YOUR SERVANT THAT TOGETHER WE MAY, IN WISDOM, ACCOMPLISH YOUR WILL THROUGH YOUR THOUGHT AND MY PHYSICAL PRESENTATIONS. THANK YOU FOR THE LESSONS WHICH ARE OFFERED THAT I MAY LEARN AND GROW, AND FATHER, I THANK YOU FOR THE PROBLEMS I DO NOT HAVE WHICH IN YOUR PERFECTION HAVE FAILED TO COME UNTO ME. THANK YOU IN REVERENCE AND RESPECT. THROUGH THIS DAY AND THOSE THAT PERCHANCE MAY COME MY WAY, LET ME PUT ASIDE MY PHYSICAL-EGO WISHES AND SERVE TRUTH, INTEGRITY, HONOR, LOVE AND LIGHT. I ONLY HAVE THIS MOMENT TO BRING BEAUTY AND TRUTH UNTO MY FELLOW TRAVELERS, BUT I MUST BEGIN TO RECOGNIZE POSITIVE CHANGE FROM THE SUPPORTING OF NEGATIVE EVIL INTENT. LET ME OFFER A MAN A JOB AND NOT A HANDOUT. LET ME OFFER CHARITY

WHERE IT IS NEEDED—WHILE THE RECIPIENT OF THE HELP FINDS HIS WAY TO WORTHY PRODUCTION AND NEVER ALLOW ME TO OFFER AS TO RESPONSE TO BEGGING—FOR THAT MAKES THE RECEIVER A BEGGAR AND NEVER, PLEASE NEVER, LET ME CONTRIBUTE TO LOW SELF ESTEEM OF ANY OTHER IF HE BE HONEST IN ASKING HELP OR GUIDANCE.

HARD LESSONS IN FULL PRESENTATION

Dharma questions my input regarding supporting evil in those who simply enjoy destroying another under perceptions that they seem to have "something" coming when they are actually THE GUILTY WRONGDOERS.

Example: Try the Phoenix Institute (PI) which is often under FULL ATTACK, and there too are the Ekkers, simply for making every effort under the heavens, including the heavens, to disallow any who touch us to have mischief reflect on any. They struggled; they lost all their property; they leased a farm and spent hundreds of thousands of dollars on bringing everything to code and never once has anyone at all paid for the privilege of use thereof OR has there been any production real therefrom.

The first tenant was even President, as well, of the Board of PI. But that party took, unlawfully, funds, and did actually take in valued loans and equipment an additional \$50,000—this in addition to free living, utilities, everything; with an additional sum of some \$50,000 PER YEAR. This party also gained thousands of dollars from the "Welfare" system for the support of the seven children and had full quota of ongoing Food Stamps from the Federal program. The farm was losing massive amounts of funds, and yet when stopped, the entire of the lot turned against Ekkers, as if somehow they had abused some privilege of supporting the cheats, liars and deadbeats. Other "takers" from PI funding also jumped into the fray, accusing Ekkers of being terrible people.

We can name many other instances but this one covers most. Green set forth PI while Ekkers PAID even for the Corporation. Green was on the Board of Directors but asked to not show as an officer for privacy to cover his activities. So, he directed ALL mail, communications, etc., to himself as he set forth to "raise money". Then he stole the gold he acquired into the over-half-million-dollar amounts, not to even mention other loans taken and funds DIVERTED.

Then some lenders came forth with lawsuits demanding their funds back in full on an instant's notice. Never were loans set up to be handled in such manner. NEVER. Once again, however, Ekkers tried to fit everyone's needs until finally the entire Institute is bound in legal morass and attempts to bring it into receivership.

Well, the agreement to any lender was to have

gold double in value from the day of the loan. This was Green's plan, but Ekker made it work. Green obviously planned to take the funds, the gold, and dump the Institute. But the cheat turned the cards to accuse the Ekkers. And that hue and cry was taken up by EVERY TAKER ALONG THE PATHWAY, FROM THE PAPER TO THE BOOK DISTRIBUTOR AND RIGHT THROUGH TAKING ACTUAL FUNDS FROM BANK ACCOUNTS HERE AND THERE, AND LARGE SUMS WHEN CAUGHT. BUT WHO IS BASHED, BUTCHERED AND BLAMED? AH INDEED, THE VERY ONES MAKING EVERY EFFORT UNDER THE HEAVENS TO INSURE NO LOSS TO ANYONE IN SPITE OF ANYTHING DONE TO THEM—WHICH IS NOW AGAIN LOSING THEIR HOME IN THEIR ABSENCE WITHOUT EVEN ABILITY TO MOVE OUT THEIR PERSONAL BELONGINGS AND BIRD AVIARIES. AND IT IS SAID TO THESE PEOPLE: "IT IS NOT PERSONAL, JUST GOOD BUSINESS."

So, what is good business? Good business is to STOP "FIXING" IT FOR THE NEREDOWELLS AND GRAFTERS, CHEATS AND LIARS. IT IS NOT EKKERS' RESPONSIBILITY, PEOPLE—ANY OF IT! SO WHY DO THEY KEEP TRYING TO MAKE IT THROUGH THE NEXT FARM LEASE PAYMENT? BECAUSE THEY DON'T WANT TO LOSE THE RESERVES IN GRAIN, BEANS AND GEAR THAT HAS TO BE AT THAT FARM. IS IT EKKERS' PROBLEM? NO, NO MORE THAN JOHN DOE'S.

Are the return of funds, as in loan repayments, Ekker's problem? No, Ekker was treasurer and had to sign his name to loan documents—no other.

Doris wrote some 250 Journals, did tapes for me, perfected my products to keep an income flow moving so that people could be paid and obligations met, while instead of having assets, Ekkers were hounded in court over and over again for others' transgressions and now have remained away from home for a year in distant Third World nations for MY SERVICE and our renewal of ability to meet all obligations in spite of the evil destroyers.

And, they do their dirty deeds and accusations in every rotten and corrupt manner known to political thugs. This is deliberate destruction in intent of not just Ekkers, readers, but to prevent being caught further in their own misguided and unlawful actions.

Why do I again speak of these things? Because you have to understand that when you try to meet responsibilities which protect or serve the adversary—you ARE THE DESTROYER!!!

So, it is over, chelas. Those who do these evil deeds can depend on no further help from any of MY TEAM, INCLUDING EKKERS.

The legal counsels who would place PI into receivership? They may they go where the Sun is

very seldom seen due to the deep walls of the pit in which they have dug for themselves.

And you who would now push PI into BANKRUPTCY? Be our guest and good luck for what will happen is that ALL lenders will lose their sums because of the fact that the value of gold has been deliberately dumped and NO LOANS ARE EVEN DUE AND OWING. And yes, that "maturity" clause was fully recognized by courts of law. And regular interest payments? Well, funny thing, Mr. Martin (Cortright), Gail Irwin, Ed Young, et al., felt that they needed YOUR INTEREST RESERVES worse than YOU—and TOOK IT RIGHT OUT OF THE BANK ACCOUNTS FOR THEIR PERSONAL USE AND THE STARTING OF ANOTHER PAPER AND PUBLISHING CORPORATION AT YOUR EXPENSE, AFTER DESTROYING CONTACT.

And the farm and Bilgers? Wow, what about them, aided and abetted by such as their friend Al, etc.? Well, they made up a whole "cult" scenario with guns and everything and sent the pictures to the local TV and media. Jan Dominick joined in the secret television as if she wouldn't be caught in her deeds. She also worked with such as Brent Moorhead to conspire to get the largest lender for the house property to FORECLOSE. Oh yes, indeed, PROOF ABOUND!

Then, when working diligently to bring funds through international sources, the largest one transaction was followed up by the checking-out of our working Association, G.A.I.A., which is agencied at Nevada Corporate Headquarters, and that under Cort Christie—as of May (this year). Brent Moorhead told the investigators from that "transaction" which was with the Sultan of Brunei, but as well, accompanied by TWO MILITARY INTELLIGENCE OFFICERS (GENERALS) DIRECTLY FROM PRESIDENT ESTRADA THAT NCH "DOES NOT REPRESENT THAT CORPORATION, AS ITS AGENT". FURTHER, DEROGATORY ACCUSATIONS WERE MADE AGAINST EKKERS, STATING THAT THEY "OWE A LOT TO PEOPLE IN THE PHILIPPINES AND ALL OVER AS WELL".

The parties knew of the lies because they had come from the Nevada Secretary of State, directly. However, this stopped a multi-billion \$\$\$ transaction and a multi-million \$\$\$ loan to Ekkers to allow meeting of all assumed obligations. I believe anyone wishing to check this out can find that Mr. Martin is in knowing that the other party to the transactions is after his head, so to speak, and we are told that Martin (Cortright) is in hiding. TRUTH ALWAYS COMES OUT, READERS—AND IT IS TAKING LESS TIME WITH WORSE CONSEQUENCES FOR EVIL.

So, Ekkers? Doris stated it: LET THEM HAVE IT ALL; I SIMPLY DO NOT INTEND TO FURTHER SUPPORT THE EVIL OF THESE TRAITORS, AND I RESIGN FROM ANY CONNECTION WITH THE PHOENIX

INSTITUTE.

The corporate books for PI have been MISSING (taken) since Green left and moved himself and the stolen goods to Nevada. There has been reference from Mark Williams, Green's right-hand man, that Green owned the Institute, thus making the gold his own and not at all thieved. So, who exactly owes the return of loans? Well, any help having come in these latter few years and months—I DO. And, "I" have taken care to protect the people (lenders). I will also protect my students and team. GREEN OWES THE REST OF YOU FOR THAT WHICH HE THIEVED AND THAT WHICH HE BORROWED WITHOUT RETURN. AND THE 110,000 JOURNALS HE APPARENTLY SOLD AT \$10/EA. WOULD MORE THAN PAY OFF ANY DEBTS.

Responsibility is not just with the ones YOU CHOOSE to pronounce the responsibility for your own cause just because you pronounce it to be so, nor does anyone have to meet your demands.

I can tell you now that Ekkers will not cease to fight for the right to LIVE AND EXIST. They have given everything to the leeches and backshooters. They are THROUGH, because I demand that they be THROUGH, and let the flak fall where it belongs, on the destroyers, traitors, betrayers of truth, honor and JUSTICE. GO FORTH, PEOPLE, AND COLLECT FROM THE CULPRITS WHO TOOK YOUR PROPERTY AND USED IT FOR THEMSELVES WHILE CLAIMING UNDER THE VERY RECEIVING AND HONOR OF GOD. TRY SPECTRUM GROUP CULT AND THOSE TAKERS AND THEN REREAD ALL OF MAY 15th's EDITION OF THEIR USURPED PAPER IN "MY" NAME. THESE ARE LIARS, CHEATS, THIEVES AND CONSPIRATORS, AND YOU MAY QUOTE THIS, "IN MY NAME"!

You may have to vacate the farm property, but there is no way that we cannot meet obligations on that property before there is legal need to forfeit the products therein.

I ask that an accounting, Margie and Rex, of all the missing items at that farmhouse and known adjacent buildings and a formal demand for return of all things be made to Bilgers or we will bring charges for theft against them. No, we do not even forfeit one used pillowcase. This is WRONG and it is time the thieves confront their wrongs for we are weary of supporting evil-doers, with your funds or ours—period.

What will we do about the NCH debacle and Brent Moorhead who was acting, in Cort's absence, as Manager? That is under consideration and private for the moment. However, you who participate with us—IT IS YOUR LIFE, YOUR LIVELIHOOD AND OUR ABILITY TO FUNCTION AND PROSPER THAT CONFRONTS US HERE. THIS IS NOT A LOSS FOR EKKERS ALONE; THEY WERE

SIMPLY WILLING TO PLACE THEIR NECKS ON THE BLOCK TO ENSURE NO LOSS TO ANYONE SAVE THEMSELVES—AND THE TRANSACTION LOAN AND PROJECT HAVE STOPPED DEAD TO SEE HOW TO BEST CONTINUE OR TO NOT CONTINUE AT ALL.

However, with THIS, know that it is OVER. We will continue to act and, yes indeed, around the clock we work and all will be balanced—but in honor and integrity for those who have struggled with us to arrive at harvest. I DO NOT SERVE MY ADVERSARIES—PERIOD. And when they ask me: "But what will happen to me?" There is a very, very good response once given to a spoiled and evil little brat by Rhett Butler in *Gone with the Wind*: "Frankly my dear(s), I don't give a damn." Oh, but God "Wouldn't say that?" Oh yes HE WOULD!

Ekkers have NOTHING and have even spent every cent of their old-age pensions on making payments to these demanders. It IS OVER! There is nothing with them, nothing with any corporation and frankly it would be the best time in the history of mankind—to fold the Institute, for the banks would have taken the gold, and you now have to rely on the very notes as THEY WERE ISSUED, for the gold was for the Institute in point as collateral to the banks which simply took it. There is a lot of debt and perhaps some confusion on the part of you who followed and served such as Green and Tuten, and their insipid attorneys. The notes are with the Institute—and as you destroy the Institute—there is no recovery, and you had better think about it, because receivership is not in question any longer. If you are to recover—you will support us and the Ekkers, that the Institute be able to meet commitments, for we can promise that *none* of our Alliance funding will move into that entity for the conspiring thieves to skim.

I will see to it that MY people not only do not lose anything but will have abundant return and additional reward. This is the way of God in HIS functioning. OUR DECLARED, AND YES WE KNOW EVEN THE ONES WHO HAVEN'T ACTUALLY "DECLARED", SO-CALLED ENEMIES WHO HAVE DENOUNCED US WHILE MAKING EVERY EFFORT TO DESTROY US AND CONSPIRE FOR THEIR OWN GAIN. THERE IS NOTHING BUT DEBT TO BE HAD, AND GAIN FOR THOSE EVIL CONSPIRATORS SHALL NOT MERIT A FARTHING. YOU WHO CLAIM FAITH IN GOD AND HONORED US WITH HELP FOR RECOVERY WILL REJOICE. THE OTHERS WILL BE DANGLING IN TERROR AT THIS READING, BECAUSE THEY KNOW THAT THEY HAVE BLOWN THE OPPORTUNITY OF THE MILLENNIUM. WE ASKED FOR NO "INVESTMENT" AND DECLINED ANY SUCH ATTITUDE ALL ALONG THE WAY, AND WE WILL NO LONGER SIMPLY CONCERN WITH

WHAT SOME OTHER MIGHT HAVE "TOLD YOU" OTHERWISE. AND, ALL OF YOU PARTICIPANTS, GIVERS OF GIFTS OR LOANS, YOU MUST REALIZE THAT TO DESTROY THE INSTITUTE IS NOW DESTRUCTION OF THE LOANS THEMSELVES.

What do I suggest? That you do all you can to HELP get through the next few short weeks and leave the operation intact, help get out the paper so that you have regular information; for this paper, *CONTACT*, is for communications with our team and crew. I also suggest you try to raise funds to save the farm which is somewhere around \$5,000 due and immediately owing on the lease. We are working out the business transactions, and we have passed "critical mass" when our agreed-upon current agreements are finished and processed. And one transaction will quadruple amounts needed for EVERYTHING. But if you do not wish to save your own assets, we cannot help, for the funds will be left where they cannot be stolen or misused—period.

We are going to move forward with inter-relations between these transactions and our Sovereign Brothers of Native America. The assets are huge but all assets that might be considered as Ekkers' pay for services will be turned over legally to third party corporate entities. Ekkers would rather have NOTHING for selves than to pay one more cent to the evil takers. All will be "loans", anyway, and backed by HARD GOLD COLLATERAL—NEVER TO AGAIN BE STRUCTURED WHERE THEFT CAN TAKE ANYTHING OR EVERYTHING.

But is it too late to help solve the problems and set things to "right"? In some places, no—in others, yes. Certainly the house matter could be simply interrupted short of more litigation and court actions. The farm can be shored up into September's end by less than \$10,000 plus some utilities and would give ample time for any transactions to finalize as presented to us by those doing the transactions. Can transactions fall through? Of course, but with six hundred over \$62.5 million—some of them will NOT and I will not further discuss the REASONS for not falling through in this writing or any other that will move into adversarial hands the minute it is placed on the electronic equipment or shared around by generous information holders.

Do we care who has information? Not really—but the facts are that the information given is USED FALSELY and therefore becomes what is assumed to be a weapon against us, and we are weary of the ongoing Nut-hatch Coo-coo-bird handling of our most private negotiations and transactions. Our agreements with the Power-Elite call for "privacy", and we KEEP OUR WORD ON ALL THINGS GIVEN THAT WORD.

Now, E.J. asks about the inconvenience of any action regarding things back "home". It has been

a year and, dear heart, there has been so much information taken from your offices and dwelling, as to leave nothing on most of your priorly involved corporations; as THEY THOUGHT THEY WERE GETTING PROOF OF SOMETHING OR OTHER TO HANG YOU. WHAT THEY HAVE FOUND IS THAT NOTHING INCORRECT WAS DONE—BUT THEY HAVE TAKEN, AND NOW CAN'T RETURN WITHOUT DISCOVERY, THE DOCUMENTATION FOR THE FILES. THE INSTITUTE IS LEFT NOTHING BUT ONGOING INTEREST-RECEIVERS AND A GENERAL LISTING OF MOST PARTICIPANTS—EVEN THE CORPORATE RECORDS HAVE BEEN TAKEN. CHARLES NEIL IS BEING BLAMED, BECAUSE HE ALWAYS HAD TOTAL ACCESS TO EVERYTHING, INCLUDING ALL INCOMING FAX, MAIL, ETC., DOCUMENTS TO ANYONE EVEN CIRCULATING THROUGH THE OFFICES. FINE, PERHAPS HE WILL NOW SEE TO IT THAT THE GUILTY PARTIES OWN UP—BUT THEY WON'T, SO THEY WILL LEAVE HIM TO NOW SUFFER THE CONSEQUENCES OF THEIR UNLAWFUL BREAKING AND ENTERING WITH REMOVAL OF PROPERTY.

KATHY IS ALSO BEING "BLAMED" FOR GIVING PRIVATE INFORMATION, AS IS BRENT MOORHEAD, AS TO BOOKS, PARTICIPANTS, AND GENERAL OPERATING INFORMATION GIVEN, BY HER OWN WORDS, TO RICK MARTIN-CORTRIGHT, THINKING HIM TO BE A FRIEND. WELL, RICK NOW HIDES WHILE OTHERS TAKE BLAME FOR HIS DEEDS. SO BE IT. WE HAD NOTHING TO HIDE—EVER—AND NOW THE DIRTY DEED-DOERS HAVE TAKEN THE RECORDS TO PROVE SOME PERCEIVED WRONGDOING, EVEN TAKING INFORMATION OFF THE COMPUTERS IN E.J.'S OFFICE, ONLY TO FACTUALLY ONLY TAKE THE DOCUMENTS WHICH NOW INCRIMINATE OR AT THE LEAST DEPRIVE USE IN ANY COURT CASE—FOR IF THE VERY ADVERSARY HAS REMOVED DOCUMENTS AND FILES, THEN THERE ARE NONE TO BE HAD FOR THE EKKERS TO PRODUCE ON DEMAND.

BUT EKKERS ARE GOING TO DEMAND FROM EVERYONE AROUND, DOCUMENTATION STARTING WITH THE "TRUST-DEEDS" OR WHATEVER WAS DONE TO ESTABLISH THE PROPERTY MANAGEMENT YEARS AGO. BETTY TUTEN PRODUCED THEM FOR MR. HORN FOR DEPOSITION, AND IT COST THE HOUSE, IN TOTAL, TO BE LOST TO EKKERS UNDER THE ASSUMPTION THAT THE HOUSE WAS SOMEHOW BOUGHT DIRECTLY "FOR" THEM. NO, AND WE

INTEND TO BRING TO LIGHT EXACTLY WHAT HAPPENED, FOR CORT CHRISTIE, WHO SET UP THE PROGRAM WITH ED CLEARY (DECEASED), HAS NOW DUMPED THE CORPORATE STRUCTURE AS WELL. THIS TURNS OUT, CHELAS, TO BE A REMARKABLY INTERESTING THING TO CONSIDER. THE TITLE TO THAT PROPERTY IS NOW SO HOPELESSLY IN QUESTION AS TO BOGGLE ANY TITLE INSURANCE COMPANY. Sale at foreclosure? Perhaps, but the title will be clouded as in a monsoon rainstorm. Ekkers have no way to sort it out and more especially from half-a-world away and no way to get home in order to negotiate anything, as this is all done deliberately in THEIR ABSENCE. WELL, YOU ARE NOW PLAYING GAMES WITH "ME", LITTLE CHILDREN—YOU KNOW, THAT OLD NASTY HATONN, WHO DID NOT MOVE ANYWHERE WITH ANYONE IN *SPECTRUM*. NOW, PLEASE, TAKE UP YOUR EVIL ATTITUDES WITH GOD, FOR I HAVE NO MORE TIME TO TOLERATE THE NASTY, DIRTY TRICKS "IN THE NAME OF GOD AND JUST GOOD BUSINESS". IT IS NOT GODLY, AND IT IS TERRIBLE "BUSINESS" ON ITS OWN MERIT WITHOUT CONSIDERING ANYTHING ELSE AFOOT. IT IS, HOWEVER, GOOD AND SUBSTANTIAL SORTING.

EVIL IS THROUGH PREVAILING, READERS. WE ARE TO A NEW MILLENNIUM AND THE "TIME OF THE LORD", AND WE ARE GOING TO BRING AS MANY BACK AS ARE REQUIRED TO CHANGE THIS SICK WORLD INTO HEALTHY FREEDOM AND PEACE, AS FAR AS IS POSSIBLE AMONG THE HUMAN RACES.

You just didn't realize that the "NEW JERUSALEM" OF GOD is NOT the same old "New Jerusalem" of the Fuggers. But, if you paid any attention to the TRUE seers and true PROPHETS, you would know that the NEW CITIES AND NATIONS OF GOD IN FREEDOM AND ABUNDANCE WOULD COME OUT OF THE SEA OF PEACE IN WHAT YOU WILL CALL THE OLD LEMURIA—RE-ESTABLISHED. IT DOESN'T HAVE TO RAISE OUT OF THE SEA TO BECOME WONDROUS TO BEHOLD—THIS HAPPENS TO BE WHERE IT IS AT AND WHERE WE, LONG AGO, SET RESERVES AGAINST THIS DAY FOR THIS VERY PROGRAM, AND IT WOULD COME TO BE THAT MAN WOULD UNDERSTAND AND USE IN GOODNESS THE GIFTS PRESENTED IN HONOR OF GOD ALLAH. THERE IS DUE A NEW WORLD, OK, BUT IT IS NOT THE NEW WORLD ORDER OF DECEIT AND ENSLAVEMENT.

Now, KNOW, that you can serve with us

(ME) or you can do everything you choose against us—BUT WE SHALL WIN THE HOUR, THE DAY AND THE WAY. BUT MY PEOPLE WILL NO LONGER SERVE YOU WHO ARE BUT TAKERS AND SELFISH GRABBERS. IT SIMPLY IS THE WAY IT IS, AND SURELY YOU KNEW GOD COULD DO IT, STUDENTS OF LIFE.

Dharma had not anticipated this writing or the Memorandum given earlier this day but in each writing and in each happening, it becomes easy to see that which is beyond your limitations, at WORK, right, chela? GOD DOES NOT LEAVE NOR DOES HE ABANDON HIS FAITHFUL TRAVELERS.

Is Dharma actually some "basket case" or "dark" something or other? Oh, wouldn't the adversarial has-beens wish so! No, sorry little dark chilluns—you made some incredibly large blunders, and the light shall focus on you without mercy for there is no mercy for intentional evil presenters, who would destroy others just to cover selfish and evil deeds.

Why linger on this? Because the sorting time

has come, and the separation must be sharp and clear before we move on to accomplish this new change now allowed to mankind. You may find your own choices within Heaven or Hell as you so desire—but those who have chosen the evil-mongers will not move with us into the joy and glory of our own new opportunities, as in IN CHARGE of anything—money or otherwise, for you have PROVEN an inability to be trustworthy.

I would like to go on with the dissertation on *COMMON SENSE*, returning to "The Rothschilds".

Thank you for bearing with us through this continuing saga of light and dark, for herein are your own choices, for this paper was not ever birthed for simple prattling of news items. Some day it will be THE source of wondrous things to come—but at this time in evolvment it is to separate the wheat from the fungus-infected chaff. And, moreover, YOU did not lend funds to pay the takers and grabbers and it is time that "I" SEE TO IT THAT IT DOES NOT CONTINUE.

Salu and good afternoon.

Errata from July 26, 1999 Issue:

Attentive readers noticed a break in continuity between page 3 and its continuation on page 22 in last week's issue, for which we can only blame the "gremlins" (and late-night weariness). Text leading up to and following the inadvertent break is in italics. The missing text is non-italicized.

THE APPARATUS IS ALREADY IN PLACE

The troops that turned on the people did not get bussed in or emerge from hiding from great underground subterranean cities (though you do have that now and that is why we say you cannot win a shooting war with your enemies—no matter who they turn out to be), they came from the system the people already knew. It was a system that the masses were told was for THEIR protection. Just as with what America is facing with mind-controlled CIA assassins (like the man in Atlanta who murdered his family—WITH HELP FROM TRAINED MJ-12 KILLERS—and the little boy survived to tell the story) let loose in your homes and suburbs so that legislation (already drafted to the day of a particular incident with exact types of weapons or issues ready for airing to the public) is enacted that allows for American secret police (FBI, BATF, fronting for foreign mercenary soldiers fresh from the killing fields of Africa, Afghanistan, South America and now Kosovo—as well as dozens of undeclared hot spots) to legally come into your homes and remove your guns. The new catchphrase is "accidental shootings". And there are going to be a big increase in these "accidents" this summer as more waiting legislation is ready to be aired on cue.

Why do you think you need so much fire power in your police stations if the national crime statistics are down? And how many police calls

require fully armed paramilitary **NAVY SEAL-TRAINED** strike teams? These are not for making the streets safer, friends; the goal is to accomplish just the opposite. What of Jessie Ventura, former Navy SEAL and pro wrestler, turned governor? Could he be a solution to the problem of a New World Order slave state headed by the Zionist Elite? Well one thing's for sure, the voting power of the people in your fixed elections did make the other players stand up and take notice. As to whether or not he is the man to make the difference, that opinion ultimately rests with you. I am not here to direct your politics for you—I can show you the overall picture and point out things you may not be aware of, in that it will give you more information to base your decision on.

As to Ventura's credibility, he is a man who knows firsthand what your Zionist occupied government is capable of. He and his brother served in Viet Nam and were among your most elite of fighting forces. Ventura has no love for the Elite, though his political victories are *not just luck as some might have you believe. This goes for all ones who gain headway into the world of blood and money partnership of the ordained world of politics. Yes, there are ones who are not tainted when they enter the fray, but it takes a strong will and an iron constitution of personal strength to not be wooed, bullied or blackmailed by the conspirators' lobby.*

GLOBAL ALLIANCE INVESTMENT ASSOCIATION PUBLIC NOTICE

In fulfillment of legal requirements, this is the second of three required publications of this Public Notice, the first having appeared in last week's issue of CONTACT. As Global Alliance Investment Association gets closer and closer to realizing the enormous value of "BONUS 3392-181", the "real McCoy", it is not surprising that fraudulent documents would be scattered about to confuse the issue. G.A.I.A. hereby acknowledges and distances itself from any such fraudulent instruments.

PUBLIC NOTICE FOR PUBLICATION

URGENT MEMORANDUM RE: FRAUDULENT PERUVIAN CERTIFICATES

DATE: JULY 22, 1999

THIS IS AN URGENT WARNING THAT WE OF GLOBAL ALLIANCE INVESTMENT ASSOCIATION (GAIA) ARE TAKING FORMAL NOTICE OF A PROBLEM OF FRAUDULENT PERUVIAN DOCUMENTS BEING PUBLICLY CIRCULATED. GREAT QUANTITIES OF SUCH DOCUMENTS (COPIES) ARE BEING UTILIZED IN AN EFFORT TO COLLECT LARGE SUMS OF MONEY FROM INDIVIDUALS AND PUBLIC FACILITIES, I.E. BANKS.

THERE ARE ALSO BEING CIRCULATED DOCUMENTS WHICH ARE AN ENLARGED COPY OF A (US) FED. RES. NOTE (\$100) BEARING, USUALLY, THE SIGNATURE OF "MORGENTHAU" AS SEC. OF THE TREASURY. THE "AMOUNT OF VALUE" IS MADE TO READ "\$100,000,000" AND COMES WITH AFFIXED COUPONS. THESE ARE ALSO CIRCULATING GLOBALLY AND SOME HAVE BEEN SEIZED WITHIN THE UNITED STATES WITH THE HOLDING PARTIES BEING ARRESTED FOR CARRYING FRAUDULENT DOCUMENTS.

THE PERUVIAN CERTIFICATES CIRCULATING ARE SUPPOSEDLY BASED ON BONDS ISSUED THROUGH HURTADA OF NEW YORK IN 1875 AND ARE MADE TO APPEAR TO HAVE BEEN ISSUED IN THE SAME SERIES AS 3392-181, WHICH IS NO LONGER IN CIRCULATION. THIS IS TO ACKNOWLEDGE THAT WE HAVE BEEN CONTACTED BY THE U.S. TREASURY DEPARTMENT NOTIFYING US OF SUCH OFFERINGS NOW IN CIRCULATION.

GAIA HAS NO INTEREST OR PARTICIPATION IN ANY WAY IN ANY SUCH DOCUMENTS. IT IS FURTHER RECOGNIZED THAT ANY ATTEMPT TO SELL OR HYPOTHECATE SUCH DOCUMENTS CONSTITUTES FRAUD AND WILL BE TREATED BY ANY NATION AS A DELIBERATE ATTEMPT TO DEFRAUD. ANY PARTIES OF BUSINESS INTERACTION WITH GAIA WHO PRESENT SUCH DOCUMENTS WITH INTENT TO UTILIZE SAME WILL BE DISMISSED AND ALL RELATIONS TERMINATED. GAIA, HOWEVER, HOLDS NO RESPONSIBILITY FOR THAT WHICH IS PRESENTED BY OTHERS WHO MAY WELL HAVE OCCASION TO ATTEMPT TO UTILIZE SUCH DOCUMENTS WITHOUT OUR KNOWLEDGE. WE HAVE NO RESPONSIBILITY FOR SUCH ACTIONS BUT WE WILL NOTIFY EVERY PERSON CONTACTING US WITH, AT THE LEAST, THIS PUBLIC NOTICE, THAT WE ARE AWARE OF SUCH FRAUD. WE WILL PRESENT THIS PUBLIC NOTICE TO EACH INDIVIDUAL ATTENDING ANY BUSINESS MEETINGS HELD RELATIVE TO GAIA

WE ARE NOT AWARE OF ANY ACTUAL USE OF SAID CERTIFICATES BUT WE ARE AWARE THAT THESE DOCUMENTS ARE BEING SCATTERED GLOBALLY IN MASSIVE QUANTITIES. WE ALSO RECOGNIZE THIS AS AN AUTHENTIC AND VERIFIED "STING" OPERATION TO CATCH WOULD-BE GUILTY PARTIES WHO MIGHT BE UTILIZING OR INTEND TO UTILIZE SUCH DOCUMENTS.

COPIES OF THIS NOTICE WILL BE SENT TO APPROPRIATE INSTITUTIONS, LAW OFFICERS AND GOVERNMENTAL DEPARTMENTS OR PARTIES. THIS WILL SERVE AS PUBLIC NOTICE WITH NOTIFICATION OF SAME TO THE APPLICABLE PARTIES OF INTEREST. WE EXPRESS PUBLIC APPRECIATION TO BEING INFORMED IN THIS MATTER.

E.J. EKKER, PRES. & DIRECTOR

DORIS J. EKKER, SEC., & DIRECTOR

The Illuminati and the Horrors of Montauk

(Continued from page 4)

project initiatives that had to do with a defense posture for the solar system. It was a directive of the people in command at Montauk to physically and psychically approach this defense mechanism, in order to find a way to turn the system off. It was done. If it were turned back on, the system would in effect become more "conscious" and able to reject outside intrusion.

CONNECTION TO THE PLANETARY GRID

Planetary grid towers are scattered every fifty miles and grid nodes are located on almost every military base. Signals are being pumped into the grid points, which are comparable to human chakras. Tampering with the planetary grid affects the "mind" of Earth and is responsible for anomalies like whales beaching themselves and birds losing their migratory bearings. Human populations are specifically targeted for crowd control when the adversary wants to have a more direct or "hands on" approach to manipulating the masses.

By manipulating the invisible essence that constitutes your simulated experience as flesh and blood human beings, various effects in the natural forces that make up your "unified field" can be turned into destructive weapons—**that take on the appearance of Mother Nature's fury. In this way, enemies of the Khazarian elitists can be gotten rid of during sudden inclement weather or by an "unlucky" lightning strike. This is the way the game is played in the Star Wars skirmishes of today.**

There is so much bombardment of your senses and your bodies from pulsed frequency systems, that many ones hear a constant ringing in the ears. Only calling for the protection of the Light can counter this type of attack. The actual loving frequency of the Divine Light is enough to disperse the negative effects of whatever your enemies are beaming and pulsing at you. Do not make the mistake of doubting—and not using—something that counters the debilitating attacks against you.

In addition to learning all you need to know to counter the negative thrusts against your nation by the adversary, it is equally important to maintain a functioning physical body in which to do God's work. You can survive quite nicely during the manmade plagues being loosed on the land. The raising of the body's vibratory frequency, along with NEW GAIA foods and dietary supplements, will see God's people through to be able to help the masses when the stuff really hits the fan.

Korton to stand by, please.

Adonai.

Historical Influence of Secret Societies

(Continued from page 10)

that later in life he was instrumental in the development of both Freemasonry and the Rosicrucians. Both groups of historians agree that his book, *The New Atlantis*, greatly influenced philosophical and scientific thought throughout Europe, and especially in the American colonies.

For a period of time in the late 1600s, the Freemasons, the Rosicrucians and the members of the Royal College, all shared ideas and concepts that included philosophy, mathematics, geometry, the natural sciences, metaphysics, and concepts about political reform. Masonry grew and spread throughout Europe and to the new colonies in America. However, as with most human endeavors, everything within the organization was not totally unified and Freemasonry split into: The Grand Lodge, which was predominately Protestant in membership and centered in England, and Jacobite Masonry, which had predominately Catholic members in Ireland and France. Many of the Knights Templars' themes resurfaced again at this time and became a part of the highest levels of initiation of Jacobite Masonry, which was called the Order of The Strict Observance.

In the last two hundred years, Freemasonry has spread to all corners of the world. Most of us have friends or relatives who have been, or are, Masons and know most of these people to be good neighbors and friends who serve their communities. It is a sad fact, though, that in the 1800s, the leadership of Freemasonry was subverted and today the very highest echelons of Masonry secretly serve as vehicles of the Elite.

THE AMERICAN REVOLUTION

"Man will ultimately be governed by God or by tyrants." Benjamin Franklin

The American colonies, by the 1760s, had grown considerably in population and relative size of commerce. Thousands of Europeans were coming to the colonies each year, and many of them were looking for social and political freedom. Masonry spread throughout the colonies quickly, as the idealism that it represented was quite compatible with many of the free-spirited colonists.

What was not compatible with the colonists was the increased taxation being demanded by King George. Furthermore, King George had a very difficult personality and suffered from mental disorders. Though he was the King of England, he was Prussian by culture, and his attention, when focused, was on the European mainland. He consistently neglected to respond to the American colonists' requests, or when he did so, it was with arrogance and little regard.

With the start of the 1770s, the strain between

England and the colonies was getting worse. At this time, some individuals had the courage and clarity to organize, and their work has dramatically changed the course of history for the better. Our founding fathers—Washington, Jefferson, Adams, Madison, Paine (who wrote the original *COMMON SENSE*), Franklin, Hancock, Revere and others—had the revolutionary concept not just to separate from England, but to create a Constitutional REPUBLIC, in which the rights of the individual citizen were more important than the creation of a powerful government to promote the interest of a powerful few. In those days the only governments were monarchies or dictatorships in which citizens had very few rights, privileges or opportunities. It is my belief that our Founding Fathers had a deep awareness of the spiritual context of life and that they wanted to create a society where spiritual faith would be honored and fostered and not condemned or suppressed.

Most of us have taken courses on the American Revolution and know of the gallantry and bravery shown by the Americans. However, quite a bit about the war, which is not taught, is very interesting. Of the signers of *The Declaration of Independence*, almost 80% were Freemasons. Of the English Naval and Army officers, almost 50% were Freemasons, and though they were loyal to the Crown and excellent commanders, most of them had great sympathy for the progressive ideals of the Americans. Also, many of the English officers had family members who were part of the revolution. There is no question that many of the English officers, especially Admiral Howe and his brother, General Howe, did not pursue the war with the intensity that they had shown in other campaigns. It is an interesting fact that at the end of the war the English still had significantly more soldiers and better equipment than Washington had with the Colonial Army.

[END OF QUOTING]

This would seem to be a good place to have a break in the writing. When we sit again we will take up THE ROTHSCHILDS.

And, to those who refuse to go further in reading because you just "don't like the subject or the information", fine, but just remember that you plead constantly to God to "show me the way" and then you sit and pick and choose that which you will accept because it makes you either comfortable or totally uncomfortable.

Well, my obligation and responsibility is to respond to those petitions for input in Truth and so shall it be. You have no "obligation", perhaps, but you certainly have responsibilities. And, by the way, KNOWING TRUTH comes with RESPONSIBILITY so if you choose to deny factual truth because you prefer to not accept any such burdens, it is your problem, not ours. My responsibility is to offer—yours to do whatever you choose with it.

Salu.

Change Your Thinking, Change the World

(Continued from page 13)

you don't know what it is you want to create, how do you expect God to give you what you desire?

God will always know better than you what is truly beneficial for you, but you won't know one way or the other if your dreams can become reality if you don't ask. The bad guys are in the business of taking, with no thoughts about tomorrow. They are so far out in front of you they scarcely look back over their shoulders to see where you are. The elite are convinced of their interim victory—they do not think you will open your eyes anytime soon and be any sort of threat to them.

This overconfidence on the part of the conspirators has been your saving grace on more than one occasion. It is during these underestimations of your abilities that you can have the opportunity to grow strong in the face of your oppressors.

By quietly coming into your own—and taking back your God-bestowed responsibilities (and the power that goes along with them)—you can stand up and in one gesture and show of unity, cause the evil elements to become overwhelmed.

Darkness cannot compete with lighted and openhearted expressions of truth. Satan's empire is built on a foundation of lies which will crumble and fall when truth becomes the order of the day for man as a whole. When that happens evil must go elsewhere, for there will be nothing for evil to attach itself to. And just like a deadly disease that has been successfully dispersed, the remaining evil elements will die off or become inert—waiting for the opportunity to renew themselves (if still present in any measure), if you let your guard down. But once you have made it this far, ones are usually never caught back in the trap for your evolvment has proven to you that you don't have to descend so low just to get the lesson.

Reminding you that you are among God's chosen is enough to let you know that you are indeed on the path. We too are on that path as way-showers and guides, so never fear that you will lose your way—as long as Aton is the center of your spiritual and physical being, you will steer clear of any serious trouble (though it may not always seem like it while you are going through it) in your lives.

There is a Divine Plan, dear hearts, and it is coming about in grand order. You are a part of it, and it is up to you to hold up your portion of it lest that side sags. The goodly forces are all around you—though you may not recognize them yet. However, each and every one of you are known to us and it will be through you that the Kingdom of Heaven shall come.

Commander Soltec to clear. Thank you.

Standoff: Bolsheviks Vs. Russians

(Continued from page 15)

murder and plans for still more deaths of innocent people to continue. You may be able to use ignorance when you go abroad, but with Aton your participation is duly noted. He knows what your intentions are and also the excuses you use for not putting a stop to the killings when you had the chance. Every small effort is worthy, because it is in the unseen world that all monumental changes are made that affect the seen world.

Cultivate your inner as well as outer vision in that you will be able to guide your miracles of divine manifestation and achieve wondrous results. The transmuting process of alchemy is one that happens wholly in the privacy of your own temples (bodies), and it is there that your meditative states, or quiet time, should be focused. For it is within where the Kingdom of Heaven will first be seen—then it will be the job of the messengers to waken it in the masses. It is a daunting task to be sure, however, the hour of awakening has no equal in the human experience.

Go in peace.

I AM GERMAIN

John Kennedy Knew Who Killed His Father

Gary (Gareth) Wean, author *A FISH IN THE COURTHOUSE*; July 25, '99.

In June '94, I wrote an article exposing amazing facts about the assassination of RFK (Robert F. Kennedy) never before revealed. It named conspirators and participants in his murder and their nature.

This article was first printed by the *CONTACT* in their June 12, '94 issue. That was more than five years ago. Now the *CONTACT* again will be the first in letting their readers and America in on the true facts of the JFK Jr. murder.

On Monday, July 5, '99 I had a one-hour-long interview and discussion with an experienced political radio talk-show host on the air.

I discussed the facts wherein Bobby Kennedy was assassinated within hours after Sgt. Ed Patton and I gave him telephone company records. These documents revealed the identity of persons who were monitored by the phone company. They were discussing the assassination of JFK in Dallas, Texas, fifteen minutes **before** the murder occurred. The FBI was notified.

When Patton and I gave these documents to Bobby Kennedy, he stated that he had never believed Lee Harvey Oswald had killed his brother. He knew that he could never expose the real killers unless he had the power of the Presidency.

We advised him strongly that he should tell no one about the documents we gave him until the proper time. But obviously he did not heed this warning.

On July 16, '99, eleven days after my radio interview, JFK Jr. was killed in the mysterious airplane crash. JFK Jr. had also made similar statements that he intended one day to expose who had killed his father. Also that he might run

for President in 2000 under a third party, as he trusted Democrats no more than he did Republicans.

In my personal opinion, I believe if JFK Jr. had done this he would have annihilated the Democrats and Republicans.

President George Bush's son George Jr. had already amassed \$35 million just for this primary. But then if he had \$235 million, he would never have beaten JFK Jr. . I imagine how the Bush family must have felt at the thought of losing all their power to the son of JFK.

A person who is presently the manager of political news at a major radio station was a high-ranking Democratic Committee member close to Bobby Kennedy when he was assassinated . Along with the Kennedys he had been staying with Paul Zifren at his Malibu home at this time. When contacted, this person stated, "I was well aware that RFK made a quick trip to Oxnard from Malibu to meet someone for some mysterious reason, just before he was assassinated, but he would not tell me why. I have puzzled about it for years and now I know why."

All the money-grubbers are on the Internet hoping to make a buck claiming they know something about the Kennedy assassinations. The rumor mill is cranking out rumors by the ton.

But I refer to the last paragraph of my five-year-old article printed in the *CONTACT*: "The only thing in this world that can bring the country back to sanity is bringing out the truth—the whole truth and nothing but the truth for the entire people of the country to see and to know that there is nothing, nothing at all left hanging over their heads." Rumors just won't do the job!!!

TELEPHONE HOTLINE 805-822-0202

As an adjunct to CONTACT, the Telephone Hotline keeps you as informed as possible on current events and other important information that needs to get to our subscribers before our publishing date.

The message machine will answer after 2 rings if there are any new messages for that day, and after 4 rings if not. Thus daily callers can hang up after 2 rings and save toll charges if no new message has been recorded. If the Hotline does not answer your call, then there is currently no Hotline message.
