# Elite Plan 2000 Rapidly Falling Apart

9/12/99

## CROOKED ROADS OR STRAIGHT AND NARROW?

All roads are basically crooked and the straight is not narrow at all! The goodly road has no limitations except the absence of EVIL, and the crooked roads only make for a more interesting journey, unless you are speeding along just to get past the curves! And I have to ask "what's the all-fired hurry?" that causes you to need to run over everyone and obliterate all that which could lead you to joy, peace and understanding of the purpose of your travels in the first place?

You are all pleading for some resolution to what appears to be submarines running about in murky waters, where somehow, if you don't know where they are lurking or hiding, then you cannot accept the GOOD that is taking place. So, chelas, ENLARGE YOUR PERCEPTIONS, AND LOOK AT WHAT ARE THE POSSIBILITIES AND STOP TRYING TO SHOOT AT

SUBMARINES. If you begin to look at what IS and do the best you can in your circumstances, you can then stop focusing on those that offend or malign, for they are but a distraction. Remember that we have naught but appreciation for the cause, to look carefully at everything we do, to ensure we keep on that "straight and wide". The declared "enemies" are not—they only think they are—and continue in their confusion. Also, remember: Confusion is the result of evil input and overwhelming disease. And:

Evil is simply an illness, which presents total disease. People are simply and basically controlled individuals reacting to any set of circumstances in an attempt to protect themselves and their ego-status, which is often malignantly narcissistic. Too much for chewing and swallowing?

"Evil": The use of power to destroy the spiritual growth of others, for the purpose of defending and preserving the integrity of one's own sick self. In short: IT IS SCAPEGOATING. This is usually practiced on those considered "weaker" than the evil-intentioned.

"Disease": Without ease. This is not to infer or project that

there is no insanity, which is also a bad defining word. In-sanity should mean being within sanity! So, nonetheless, "insane" is a chosen word of physicians, so who are we to "confuse" those learned psychiatrists?

Any individual who continues a campaign of lying and continues to hide behind a facade of untruth is not at ease, friends. So, a person is diseased when he or she is experiencing dis-ease—that is, an absence of ease and the presence of discomfort.

"Sin": Missing the mark as first established. Sinning is as simple as that you sin every time you fail to hit the bull's-eye. Sin is nothing more and nothing less than a failure to be continually perfect. Because it is impossible for you to be continually perfect, therefore, all people are basically "sinners".

You routinely, for instance, fail to do the very best of which you are capable, and with each failure you commit a crime of sorts—against God, your neighbors, or yourself, if not, frankly, AGAINST THE LAW. Whatever is intentional in these selections, which are intentionally against the law—including lying, cheating, stealing or intentional assault against another—is

actually “evil”. And yes, of course, there are crimes of greater and lesser magnitude. It is, however, a mistake to think of sin or evil as a matter of degree. It may seem somewhat better to cheat the rich than the poor—but it is the CHEATING which is the evil sin and reflects from within self, in intent, and it is still cheating, no matter who is the recipient of same.

There are differences before the law, between defrauding a business, claiming a false deduction on your income tax, using a crib-sheet in an examination, telling your spouse that you have to work late when you are unfaithful, or telling your spouse (or yourself) that you didn’t have time to pick up the clothes from the cleaners, when you spent an hour on the phone with a friend. Surely, one may well be more EXCUSABLE than the other—and certainly circumstances come into play—but the fact remains that they are all lies and thus, betrayals. Lying to yourself is equally “sinful”, for you have deluded yourself—and—if you are honest with self you will find that, indeed, you are a “sinner”, and this pretty well describes MAN as he works toward his more perfect self.

Evil people, readers, cannot be defined by the illegality of their deeds or the magnitude of their sins, so how else can you define them? The answer is by the CONSISTENCY OF THEIR SINS. While usually subtle, their destructiveness is remarkably consistent and in every possible instance will be ANONYMOUSLY projected and perpetuated. And why? Because those who have “crossed over the line” are characterized BY THEIR ABSOLUTE REFUSAL TO TOLERATE THE SENSE OF THEIR OWN SINFULNESS.

LISTEN UP: WHEN YOU HAVE DELIBERATELY HURT, LIED ABOUT, STOLEN FROM, ETC., ANOTHER, AND INSTEAD OF HUMBLE REPARATION AND ADMISSION OF GUILT IN SINCERE APOLOGY FOR THE ACTS PERPETRATED, YOU FEEL SMUG AND “MALIGNANTLY NARCISSISTIC” ABOUT WHAT YOU HAVE “PULLED OFF”—YOU ARE BOTH EVIL AND AN INTENTIONAL, EVIL SINNER.

Is it wrong or sinful to be pleased when evil sinners get their just consequences in negative return to themselves? No, for if you have done nothing to cause deliberate retaliation but speak truth, and honor obligations in responsible actions against that which was perpetrated against you—you should be pleased that the law of cause and effect is working exactly like it is supposed to. Man MUST reap that which he sows—so be most careful how you plant, and what you plant and how you tend the growing crop.

This is not my topic of the day, friends, this is simply a response to your “confusion”. I suggest you get the explicit message above and don’t “implicit it to suit yourself” with interpretations. I stated EXACTLY what I intended, so you don’t need to perceive it for anyone else. If you have an “opinion” about it, then talk it to death—BUT, REMEMBER: THIS IS MY INPUT, BASED ON SOME QUADRILLION YEARS OF OBSERVATION AND EXPERIENCE, AND WHEN “I” SPEAK OF “EVIL”, “SIN”, “DIS-EASE” OR RAISING RABBITS AND GETTING RID OF RATS—IT IS MY PRESENTATION, SO DO NOT ASSUME SOME RIGHTEOUS RIGHT TO SNATCH ME AWAY, CHANGE OR EDIT MY INPUT OR BEAR MY BURDEN ON YOUR SHOULDERS! I OFFER TRUTH AND TRUTH STANDS ALONE—INTO INFINITY.

People, KNOW, in addition, when someone does

something deliberately hurtful, say, like turning on a water spigot in a chicken house to flood the area—even if there was no intent to drown the chickens—that is a deliberate sin and it is EVIL. And yes, indeed, that has happened, this week, at the Tehachapi farm. And yes, some of the people in the area, who are *Spectrum* devotees, go back and forth BY THAT FARM SEVERAL TIMES A DAY.

Now, my suggestion is that the ones who THINK THEMSELVES TO BE THE LEADERS IN CHARGE: YOU ARE GETTING A BAD RAP BY YOUR BLINDNESS, AND IT WOULD BE WISE TO LOOK AROUND BEFORE THIS GETS WORSE. THIS IS EVIL ACTIVITY—JUST AS WAS TAKING ITEMS NOT YOURS, TAKING PROPERTY AND LYING ABOUT IT, AND LAYING OUT GUNS FOR THE PRESS AND MEDIA, WITH SOME PIG-POOP TALE OF HOLLYWOOD CLASS-D MOVIES. SOMEBODY HAD TO KNOW WHERE THE FAUCET IS AND HOW IT WORKS—HUMMNNN? Another mark of EVIL is the always picking on something innocent and weaker than self. Isn’t it wonderful for grown, dis-eased adults to drown a bunch of helpless cooped chickens? Is this the type people that are going to bring a better world, so that you had better follow their writings and act as they act?

Is it good to try and kill PEOPLE? NOT IN OUR BOOK!

Change of subject, please.

#### GRANNY V.K.

We are continually asked about V.K. and how she fits into whatever is happening, and is she somehow “cut out” of any reward if we “make it”? I don’t understand your “confused” thinking. We have never stopped working for fulfillment of V.K.’s efforts to bring valid response to the documents left by Herman, nor do we deny any efforts on her part to accomplish recognition.

She paid a very high price for everything she did and finally lost everything she had. She is one of the most informed people you will ever meet as to layman’s-law and Constitutional contents. It is fine that we disagree with her, and we have always cut her a lot of slack because of the pressures she has endured. But we can’t HELP if we are hamstrung, or handcuffed by anger or any revenge ideas. She doesn’t know everything—in fact, actually, she doesn’t know, yet, most of ANYTHING about contracts, deeds, agreements and certificates.

She was put on the blacklist in Washington and in World Circles, and she could not accomplish that which we could and have. If she is patient, she can utilize the entire U.S.-intended assets, and we will only ASSIST in any way we can to help her move forward. There is every clue possible being put out for your attention, in the form of misstatements, misrepresentations and “surpluses” that are incredibly stupid but present the game plan.

We have nothing but positive expectations regarding V.K., and it would be good to see her writing on constitutional issues again, and you bet, they will be published—on a GLOBAL scale.

I want to share with you some things brought to our attention, and if you have kept up with other than harangue and our being put down, you will see humor and forward movement.

I will offer some Libyan ideas as presented. And I want you to consider how easily the intentional coalition

in structuring could function, on the basis of the *Constitution of the United States*, as to formation of States RIGHTS and the original, intended blueprint of that *Constitution*.

The world is already a Global conglomerate—all you need do is recognize that FACT and BUILD A SECURE, BALANCED COMMUNITY, instead of slave states with puppet-masters (slave-masters) in control. They will be moving to a value-backed, currency-exchange system, and God’s Plan is going to work quite well, indeed. It is even going to work in the hardened hearts of the United States of America. V.K. needs to be totally involved there, because I have agreed to serve outside the domestic U.S., except for Native American establishment of Sovereignty States. We can BOTH work at that one. Russell Herman was part Native American and was recognized as same in a tiny little group of Natives in the U.S. His dream-vision was to bring assistance in a MAJOR way to that community of brothers.

We are establishing, beyond the ability of the cheaters, liars and thieves, the validity of the asset held by Russell Herman, and V.K. can move about more freely in establishing her status within her own domestic circles. She must, however, NEGOTIATE, and remain PRIVATE and let the “evil sinners” work out their ways of pulling out of the pit they are in at present. We compromise NOTHING of spiritual truth—but we can allow others to do that which they will, as long as they move forward in goodness.

Let me ask to reprint a couple of things, dharma, and have a good chuckle for the long hours of blind labor in Father’s vineyards. The TRUTH is always there if you recognize the “cover” presented.

If you READ this with intelligence you will see the total, and yes, incredible, three-step piggy-poop bogus story. We will also offer Mr. P.C.’s observations after the article:

[QUOTING:]

#### U.S. MAY BUY BACK DEBT

By Martin Crutsinger, AP Economics writer, 8/5/99

WASHINGTON (AP)—The Clinton administration, seeking ways to manage the government’s finances in a new era of budget surpluses, said today it is exploring buying back a portion of the \$3.6 trillion national debt held by the public, something that has not been done since 1972. **[H: Don’t miss that that was when the President took you OFF THE GOLD STANDARD—OFFICIALLY.]**

The Treasury Department released for public comment a proposal that would allow it to take competitive offers from bond-holders on a voluntary basis to reduce the amount of debt. Officials said that after a 60-day comment period they hope to establish final rules for the procedure by January. **[H: Now you move away from the three-step and into the Waltz across Texas and right into the seductive Tango.]**

Speaking to reporters at the White House, President Clinton said the new procedures will set the stage for completely eliminating debt held by the public by 2015, something that has only happened once before in the nation’s history, in 1835, when Andrew Jackson was president.

Clinton likened the proposal to a family refinancing its mortgage to save when interest rates decline and then paying off the mortgage early to eliminate interest

payments.

“Let’s refinance our nation’s mortgage and then wipe the ledger clean,” Clinton said. “We have the chance of a lifetime to do it.” **[H: Yes, indeed, but not through this pile of buzzard-poop—through good old bat guano!]**

The Treasury has not bought back securities since 1972, when a few existing bonds and notes held by the public were swapped for new debt issues.

Because of huge budget deficits in the 1980s and early 1990s, the national debt has exploded, climbing from less than \$1 trillion before Ronald Reagan took office to \$5.5 trillion currently.

**[H: Say what? What happened to the other \$40 trillion?]**

Of that amount, \$3.6 trillion is in public hands, and the rest is held by government trust funds, the largest one being the Social Security trust fund.

**[H: Well, we can guess what Granny might get if she has to settle for a commitment at this time—strung out over many years—but that is a healthy settlement and will cover what she needs. So, yes, I certainly do suggest she take it as fast as she can get it. The rest of the debt can be covered by the \$48% due-and-**

**owing the Citizens from Russell’s will and bequest. Since Granny plans to use these funds for goodly purposes and a reestablishment of Constitutional Law and Constitution rights of the people, putting local citizens back to work, etc.—GO FOR IT! WE HAVE PROVEN THE VALIDITY OF THE CONTRACT, AND I FULLY INTEND THAT YOU RECEIVE THAT FOR WHICH YOU BARGAIN. WE DON’T NEED FURTHER BITING OR WORD-SLINGING, FOR WE HAVE NEVER DEVIATED FROM OUR INTENT TO VALIDATE YOUR POSITION.]**

The government last year enjoyed its first budget surplus since 1969. And the administration is projecting that last year’s record, \$69.2 billion surplus will be followed by an even bigger surplus of \$98.8 billion this year, marking the first back-to-back surpluses since Dwight Eisenhower was president in 1956 and 1957.

**[H: Is anyone getting one of those “evil confusion headaches” yet? And no, sorry, this is Associated Press, not National Lampoon!]**

Indeed, the administration and the Congressional Budget Office are projecting continued surpluses over the next 15 years—assuming agreements to cut government spending are honored—enough to totally eliminate the \$3.6 trillion in debt held by the public in 2015.

However, this prospect is requiring Treasury to explore ways to better manage the massive Treasury securities market. **[H: Sure and just who pays the head of Treasury? Indeed, the International Monetary Fund. Headache getting more confusion-related?]**

Up until now, it has been able to just reduce the size of new borrowings rather than being required to buy

back debt from the public. But officials said they do not want to reduce current offerings too much and believe they can save taxpayers money through lower interest rates by buying back debt already held by the public, much of it at higher rates than current offerings receive.

Summers told reporters that use of debt buybacks raises a “number of complex issues that will need to be worked out.”

Officials stressed that any government purchases would be on an entirely voluntary basis. They would be done through a type of reverse auction, in which the government would announce the type of securities it was interested in buying and accept the most competitive bids from holders of those securities.

If bond-holders wanted too much to sell their securities back to the government, Treasury would have the option of making no purchases for that option.

Gary Gensler, Treasury Undersecretary for Domestic Finance, said after all the public comments are received, the administration hopes to publish a final rule by Jan. 1. But he said no determination has been made on when the first debt buyback would be held.

Gensler announced another change in Treasury auctions today that will take effect

immediately, a reduction in the number of times new 30-year bonds are sold, from three times a year to only twice. The sales will occur in February and August; November sales will be stopped.

The debt buybacks and the reduction in sales of 30-year bonds are part of the government’s effort to make sure that the average length of maturity for its debt does not increase too much. It is currently at 5.4 years. Without the debt buybacks, the average maturity is projected to rise to 7 years, something that would mean higher borrowing costs for the government, since investors demand higher interest rates for longer-term bonds.

[END OF QUOTING]

Now for P.C.’s and J.R.’s comments back and forth.

[QUOTING:] “I am looking for between-the-lines insight on the real motive behind this action by the Treasury.”

“I suspect it is not for the simple reasons they give. Are they finally beginning to see what is coming down?”

**[H: ALL OF THE ABOVE! THIS IS JUST ONE OF THOSE FRAZZLED BALLOONS TO TEST THE AIR, BUT THEY HAVE TO HAVE “SOMETHING” TO COVER WHAT IS COMING DOWN AND ACCOUNT FOR FUNDS TO DO SAME. I believe that P.C.’s comments are quite appropriate:]**

“It wouldn’t take more than one eye and half a hemorrhoid to see through this Greenscam. Wow, are these Mishpucka Matoids getting squirmy. They are pulling out every overpaid spin-doctor they can find to cover their gozangas. This article is pure BELTWAY BOGUS...to say...We have been FORECLOSED and want you SUCKER bond holders to come to our rescue before the peasants storm our castle with pitchforks and

torches.”

[END OF QUOTING]

Now, readers, that might have been interesting and gives Granny a place to smile, but look at what we ALSO have to smile about!

We have struggled through Shariah Law and how to get through with some kind of coalition with our brothers across the seas, and here comes this Associated Press pitch:

[QUOTING:]

#### AFRICAN LEADERS BEGIN FOUR-DAY EXTRAORDINARY SUMMIT

TRIPOLI, Libya (AP)—Col. Mohammar Gadhafi kicked off an African summit on Monday with a call for the establishment of an African union modeled after the United States, the former Soviet Union or the European Union.

“I’ve been impatiently waiting for this day,” Gadhafi told African foreign ministers at the opening session of the four-day extraordinary gathering. “We have no future without unity.”

Gadhafi called for the extraordinary summit in July at the OAU’s annual meeting, which was held in Algeria to discuss a long-overdue restructuring of the organization’s charter.

Several heads of state have already arrived in Libya to participate in the last two days of the summit starting Wednesday and a military parade on Tuesday, celebrating the 30<sup>th</sup> anniversary of the coup that brought Gadhafi to power.

Gambia’s foreign minister, Mohamed Sedat Jobe, said Africans would like to reconstruct the OAU charter “to make it a much more functional charter that would reflect the strengths of the continent”.

“The fact that we are not solidly united makes us very vulnerable to exploitation on the continent,” added Jobe. “I do hope that we leave here a stronger OAU.”

Gadhafi said that, following consultations with African experts and heads of state, he found out that some leaders favor the establishment of a United States of Africa similar to the United States of America, while others preferred a union modeled after the former Soviet Union.

Gadhafi said he found the 1991 Abuja Treaty, which called for the setting up of an African economic community by 2025, to include all elements of unity, such as the establishment of an African congress, a bank and a court.

**[H: And you still think you can’t count on God? Dear friends who assisted in the Phoenix Institute to facilitate some worthy projects toward world PEACE and growth of humankind—WHAT IS IT YOU ARE COMPLAINING ABOUT? YOU HAVEN’T LOST A CENT—UNTIL YOU PURPOSELY ALLOW THE INTENTIONAL DESTRUCTION OF YOUR VERY CENTRAL PROJECT RESOURCE. THIS IS GOING TO COME TO BE, THROUGH YOUR EFFORTS, WHETHER YOU ARE STILL AROUND TO ENJOY THE NEW PEACEFUL WORLD IN ABUNDANCE OR NOT. What kind of projects, beyond those wondrous ones toward preparation, farm products even unrecognized prior to your experience in that of Tehachapi, etc., did you expect? Did you ACTUALLY so misunderstand your loan arrangements so pitifully, as to believe that we simply would have a “gold deal” of some kind, so**

**Ekkers could gain a pot-full in spite of Green and the Spectrum kids? You came together to CHANGE A WORLD and here it is changing before your eyes, while you allow such as Rick Martin's WATCHERS to destroy the very things you built! This is a shame, readers—a totally shameful thing which has come to be. AND BEFORE YOU GO ON ABOUT GADHAFI, I SUGGEST YOU GET THE REAL FACTS ABOUT LIBYA! THAT GOVERNMENT PAYS ITS PEOPLE; THEY LIVE WELL AND IT IS THROUGH DISTRIBUTION OF THE WEALTH FROM OIL. THE PEOPLE HAVE JOBS AND ARE WELL-LIVING. YOU HAVE BEEN BURIED IN LIES FROM PEOPLE OF THE LIES FOR SO LONG, YOU FORGET WHAT YOU WERE ABOUT IN THE FIRST PLACE. WHAT EXACTLY DID YOU EXPECT FROM THE INSTITUTE AND EKKERS? WHAT HAS BEEN PRODUCED? REALLY? IT APPEARS TO ME THAT TO CHANGE A WORLD TO STABILITY AND FREEDOM IS WORTHY OF SOME ACCOLADES, WITHOUT HATE AND DESTRUCTION, EVEN IF YOU DISAGREE WITH PRESENTATIONS.**

**No one in the Institute has lost a centavo—NOT EVEN ONE—unless YOU choose to collapse the institute through foolish impatience. Never mind gold and never mind rumors: YOU HAVE LOST NOTHING, BUT YOU HAVE GAINED A POSITION IN A POSITIVE TRANSITION OF A WORLD INTO BALANCE, HARMONY AND FREEDOM, AND YOU CLING TO THE LIVING, EVIL MISFITS AND DO FOOLISH THINGS, WHICH WILL SIMPLY END UP COSTING YOU DEARLY—FINANCIALLY. WE SHALL TREAT “BACK” EXACTLY AS WE ARE TREATED.]**

“There’s Europe uniting under a treaty similar to the Abuja Treaty,” said Gadhafi. “The Abuja Treaty is so complete I couldn’t find anything to add to it.”

“You can choose the model you like,” added Gadhafi. “BUT WE WANT 9/9/99 TO BE A HISTORIC DAY FOR AFRICA.” [H: !!!!! And so it was.]

The OAU meeting is the first such summit to be held in Libya. In the early 1980s, Libya hosted two attempts at an annual OAU summit. They both failed because not enough heads of state arrived to reach a quorum.

Since last year, Gadhafi has been focusing on Africa rather than the Arab world, because he believes its leaders stood by him during his confrontation with the West over Lockerbie and the UN sanctions imposed on his country.

The sanctions, including bans on international flights and arms sales, and a freeze of Libya’s assets abroad, were suspended in April, when Gadhafi turned over two suspects in the 1988 Pan Am airliner bombing over Lockerbie, Scotland. The explosion killed 270 people, mostly Americans.

[END OF QUOTING]

And no, our team is NOT going to be personally involved in any interchange, other than a mere sideline of a Global Alliance when that is established. We are remaining totally without political positions and, as citizens of the United States of America, our team in point will not do any of the interchange at all in any circumstance. Our people want no attention in the matter, other than to totally support God’s Plan 2000; for the Power Elite are planning success of their own

Plan 2000 and it is falling apart very quickly now. This means more confusion, more destruction in every possible avenue of nasty deeds—but God WINS! Those who CHOOSE EVIL SHALL SIMPLY REAP WHATEVER CONSEQUENCES THERE ARE FOR THEIR PARTICIPATION IN AIDING AND ABETTING THE POWER SATANIC-ELITE—BY WHATEVER NAME YOU CHOOSE TO CALL THEM.

Thank you, “home-base”, for helping get Jonur a bit more stabilized so we can get more input. Things will be easing greatly, very shortly now.

I would have you note that at the most important time in the Philippines since Lemuria, the President of the country chooses to be “away” on extended trips to areas of Chile, Peru, Argentina, etc., etc., etc., following APEC. Why do you think that might be? Just a foolish fool taking a vacation? Nope! He needs to be elsewhere during this particular time as things are structured without the POLITICAL TRASHING! Therefore, may it be ever said that we were patiently quiet, while things are established which MUST NOT involve us directly. And KNOW, ye of my own: IT IS A GOOD TIME TO EXPERIENCE, FOR YOU HAVE PULLED OFF THE MIRACLE OF MIRACLES.

Please, Mark or Ron, make sure Gerald Cooper gets on the e-mail list: <dekuyper100@netscape.net>. He can also be reached at: DeEeCo@excite.com. He needs to know that we will work out spelta seed or whatever, but we have a problem, in there being no one to actually attend the doing of it right now. I ask that you just send this writing along when you get it. We just don’t have time to answer personally. Therefore, information has to simply be forwarded.

I do want to tell Cooper that the thought may well have been with Rick to capture some assets aimed at CONTACT, but their little snatch-job didn’t work, and we STILL HAVE CONTACT, AND ALL ITS LIVING TRUSTS AND BEQUESTS, SHOULD THEY MATERIALIZE. AND TO TRY TO SIDE-SLIDE THAT ONE IS GOING TO MERIT A WHOLE BUNCH OF PROBLEMS FOR THE LIZARDS.

We will be making some suggestions regarding several things, however, in the next few days.

Please also, Mark, Rex, etc., inform Turner that you can’t do anything right now about thistles or anything else regarding the land at the farm. He is welcome to get his own crew in there on “his” land any time he wants, but we cannot afford the price of the labor or equipment. The fields need to be cut and BURNED to stop the star-thistle and the fence rows need to be cut and burned as well.

One of the first things we will acquire with funding which should be headed our way—is to get equipment of a proper type, of adequate size and at the least, totally renew the farm and get it in shape for whatever comes next, even if it be simply to turn it back to Turner. We WILL be able to meet our commitments and are sorry that we have had interference of such nature, as to cause that to be longer in time than we could have known. And no, I do not state here that there won’t spring forth other delays. But to prevent deliberate delays, I will not further comment.

I might be asking that Gene look forward to consideration of overseeing the equipment (tractor) use, or for the first time around, just get “Bob Scott” in to do it for-hire. I think, however, that you would actually enjoy winning that round out there with a full equipment array; and get the crew back because if there are “paper

problems”, we plan to have enough to offer some remedies for those problems. We set NOTHING in cement, except that which we want covered in cement or constructed of same. For the moment—RELAX. Gene must attend keeping that back in healing—you do not get a back spinal crush repaired, if you continue to damage it. Slogging around on a tractor is not the idea, either. If you insist on that—get Shawn, or someone who drives tractor, to dig some drainage ditches around the Adam Dr. House, and get the roof fixed for leaks, the coach covered and some of those things for which there can be some markers, at the least, given. No, we are not offering “jobs”; these are suggestions, for consideration. I would like to be thinking about Pablo’s return and perhaps we can afford a little bit of fill-in work. We are going to get this job done, and we will have a lot to catch up on, because of the break-down which has occurred and the loss of funds.

We are OVER THE BARRIER, friends—but we have to wait out the right sequences of events. And yes, indeed, we can do that!

As I write here, the FED is over here trying to work out the arrangements and agreements, along with the IMF—so it is well worth our being patient and allowing it to be structured smoothly. Efforts are being made, also, as I write, to get some bit of advance help for the financial support, to get on across the line and off-and-running.

Those who cannot wait, or assist us in getting further, will simply do that which they will, and we will work around them. We will either take care of the dwelling or get out of it—but getting out is not acceptable, until the tenants can get home, and make arrangements for the aviaries and the personal property shifting. We cannot distract this week or next, and that simply is the way it is!

And, know that we will not be having any equipment at that farm, until we have full-time guards around it at all times. The kiddies of the Spectrum Klan are not going to further destroy Mr. Turner’s property. I also suggest that cupboards, etc., be instantly returned, because Mr. Turner is also about fed-up with the tricks and him ending up with missing property and farm equipment. You who do these evil deeds are, indeed, sick, and you will be brought to accounting.

And YES INDEED, we do KNOW you read the paper, and we know you intercept, and always have, the e-mail and, therefore, I can speak directly to you and always have done so. And KNOW something else: THE LOCAL POLICE ARE KEEPING TABS ON EACH OF YOU—INCLUDING YOU “WATCHERS”, FOR YOU STEPPED WELL OVER THE LINE IN YOUR LAST, MOST-RECENT ACTIVITIES. YOU THINK YOU CAN RUN, AND YOU SEEM TO THINK YOU CAN HIDE—BUT YOU LEAVE YOUR CALLING CARDS AND IDENTIFICATION MARKS ALL OVER ALL YOUR LITTLE DEEDS.

Now, Ed and Norey—you have been “had”, and as long as you allow this type of criminal activity, as takes place all around you and within your sheltering wings, it will finally pull you down. IS IT NOT TIME YOU LOOK AT THE FACTS? Ah, but can’t you get the truth from such as Rick? Rick has not been able to tell the truth since he was two years old. And I ask you to look a bit deeper into the ones with whom he schemes and plots. Just a thought for the day!

Salu.

THESE PARTIES INVOLVED, WHO FORM THE *SPECTRUM* GROUP, AS IDENTIFIED IN THIS MANNER BY THESE GOVERNMENTAL AGENCIES AND AUTHORITIES, ARE ALREADY LISTED AS TERRORIST POTENTIALS, DOMESTIC TERRORISTS, ECONOMIC TERRORISTS AND FBI-WATCHED PERSONS. THE FILES WILL BE PLACED ON ALERT STATUS, ALONG WITH ALL PARTIES INVOLVED AND ALL SUBSCRIBERS LISTED AS BEING MEMBERS OF SAID GROUP—WHICH IS CONSIDERED AND LISTED AS A CULT, UNDER THE HEADING OF "PSEUDO-PATRIOT" AND "NEW AGE".

THERE ARE "COUNTER AGENTS" INVOLVED WITHIN THE GROUPS, AND WE HAVE AGREED TO NOT REVEAL THESE IDENTITIES, IN ORDER TO NOT BREAK COVER OR SECURITY FOR THE INDIVIDUAL AGENTS. IN OTHER WORDS, "THEIR ENEMY IS AMONG THEM".

THE CONSENSUS, AS THE INVESTIGATION CONTINUES, IS THAT THIS IS A "MAVERICK" GROUP, WHOSE MEMBERS SEEM TO BE "PLAYING" AT INTRIGUE GAMES. THESE ACTIVITIES ARE AS UNACCEPTABLE TO THE ELITE POWERS (FOR LACK OF BETTER DESCRIPTION OF "THE" OPPOSITION NEGOTIATORS) AS THEY ARE FOR US, SINCE WE ARE ALL IN THE PROCESS OF WORKING OUT FEASIBLE VENTURES FOR THE SECURITY AND BETTER STABILITY OF ALL PARTIES IN THESE ONGOING NEGOTIATIONS. WE ARE "NOT" ADVERSARIES; WE ARE WORKING IN FULL COOPERATION IN A GLOBAL PLAN. INDEED, THESE POOR, UNFORTUNATE PEOPLE OF THE LIE (EVIL PLAYERS) HAVE "SOLD" THEIR REPUTATIONS, SOULS AND "CAREERS" TO THE DEVIL—FOR, INDEED, MONEY, AND THAT IN SUCH A PITIFUL AMOUNT AS TO BE ABSURD, AND THEY HAVE NO WAY TO REPLENISH, WHETHER THE ATTEMPT TO STOP US IS POSITIVE OR NEGATIVE IN OUTCOME. SATAN NEVER PLAYS FAIR AND ENJOYS KILLING OFF HIS OWN SLAVES. THEIR "TAKE" WILL HAVE BEEN AS POISON TO THEIR VERY BEINGS, SOULS INCLUDED.

I HAVE BEEN ASSURED THAT THERE WILL BE AN URGENT OPENING OF POTENTIAL CAPABILITY TO GAIN SOME RELIEF, WHILE WAITING FOR THE FINALIZATION OF ABILITY TO UTILIZE OUR ASSETS. IN THAT EFFORT, WE WILL CONTINUE TO REMAIN LOW-KEY IN ALL RESPECTS, SO AS TO PLACE NO UNDUE PRESSURE ON POLITICAL ASPECTS OF THE PROGRAMS THEMSELVES. I HAVE, HOWEVER, STATED THAT THERE ARE LIMITATIONS NOW IN PLACE, AND THEY WILL MEET THEM, OR IT WILL BE CONSIDERED FURTHER VIOLATION OF ONGOING AGREEMENTS. I AGREE, TEAM, ENOUGH IS ENOUGH.

MY REQUEST IS TO ALLOW US TO SEE IF THERE IS POSITIVE RESPONSE FROM THE *SPECTRUM* "GROUP", AS TO CEASING AND DESISTING IN THEIR ACTIVITIES, PRIOR TO REMOVING INTERFERENCE WITH ANY "SOLUTION" THE INTELLIGENCE AGENCIES DEEM APPROPRIATE. I AM WITHDRAWING, HEREWITH, MY PROTECTION OR INTERVENTION ON THEIR BEHALF. I AM ALSO INTENSIFYING MY OWN SECURITY MEASURES AS TO ALL MY TEAM INDIVIDUALS, GLOBALLY!

I DO NOT PLACE THIS AS A "THREAT"; I DO NOT MAKE "THREATS"—I FOLLOW THROUGH ON WHAT I SAY WILL BE DONE, HAVING WALKED THE LAST MILE TO ACCOMMODATE THE FOOLS IN THIS GAME OF CHILD'S PLAY.

THE "AUTHORITIES" SEND APOLOGIES AND WILL PUT TO RECORD, IN THE GOVERNMENT RECORDS OF THE TREASURY DEPARTMENT OF THE UNITED STATES OF AMERICA, A STATEMENT REGARDING THIS "APOLOGY". BUT, DON'T EXPECT A PUBLIC ANNOUNCEMENT—BECAUSE I HAVE DEMANDED NO PUBLIC FOCUS OF ANY KIND. I HAVE STATED, HOWEVER, THAT THE LOCAL CIRCUMSTANCES BE ALSO NOTED, BECAUSE IF THE AUTHORITIES DO NOT GET THESE PEOPLE UNDER CONTROL, WE SHALL TAKE ACTION, AND THE CONSEQUENCES WILL BE LESS THAN PLEASANT THROUGH NOTORIETY.

KNOW THAT THE INCIDENT IS IN FULL CONSIDERATION AND I AM MONITORING RESULTS.

I AM COMMITTED TO LEAVING OUR AGREEMENTS, AS TO THE PUBLIC NOTICE, INTACT, IF THEY MEET THEIR OBLIGATIONS. I AM MONITORING AND CAN WITNESS EFFORTS ONGOING TO CONFRONT THIS EVEN AT INTERNATIONAL LEVELS, AS IN INTERPOL.

I SUGGEST THAT THOSE "WATCHERS" HAD BEST BE WATCHING VERY CAREFULLY, HENCEFORTH. WE WILL RESPOND TO EVERY ELECTRONIC OR PRINTED PIECE OF INSULT OR SLANDER—BUT IT MAY WELL BE TOO LATE TO PREVENT INTERVENTION BY INTELLIGENCE AGENCIES.

CONSIDER THIS MEMORANDUM TO BE A DEMAND FOR BRINGING ANY AND ALL OPPOSING FORCES INTO UNDERSTANDING, WITH NO USE OF FORCE. THIS IS NOT A MATTER OF "NATIONAL SECURITY"; THIS IS A MATTER OF GLOBAL AND PLANETARY SECURITY.

I AM CONFIDENT THAT WE HAVE REACHED A NEW LEVEL OF COOPERATION AND UNDERSTANDING.

GOOD MORNING

# *Spectrum* Cult On Its Way Out

9/6/99—1

By Doris Ekker

DORIS HERE:

Cmdr. has allowed me a minute before he writes this morning to put to print some things for you of our family and friends scattered around the globe. I know that when something “bad” hits any ONE OF US, it strikes us ALL.

We are INFORMED (and never mind invisible energies of the no-feet variety) that if Gene’s helmet is inspected, it will be noted that one of the wounds on it is from a “grazing bullet”. The “light” blast was from the impact responding to the “blow” to the head.

The motorcycle was already inspected carefully and IT TOO WAS TAMPERED. We are not told more about details so that the incident can be “PROPERLY HANDLED” by the “agents” involved. Now people, the “AGENTS involved” are about as frightening to me as anything else in this paragraph. HOWEVER, IT IS TO BE FULLY NOTED THAT GENE “SHOULD” BE DEAD—BUT HE IS FINE, IN SPITE OF A SORE AND BANGED-UP BODY. That means that OUR TEAM was on duty as promised. Gene will heal and thus, so shall WE. I can only hope that this opens a few eyes, like Charles’, Cal B.’s, and those who have played along and continued in any way to support that team of vipers and pit-lizards.

I have been now interrogated, because I, Doris, seem to be the focal point of communications—now by walking parties as well as whatever else I may well be SICK OF. I am assured by “walking” parties that the situation is going to be put into total control. Please make sure Carlson and Kawaja are getting these writings, notices and memos (of which there will be one this morning regarding this incident)—WE SHALL MAKE IT THROUGH HERE, IF WE ALL JUST ATTEND OUR OWN BUSINESS AND “CAUTIONS”. GOD WILL LOOK AFTER US IF WE DO OUR PART.

As a mother, of course, after over a year in this pit, I had simply had too much. I shouted, “and I want off this bulldozer and to go home!”

Of course, what comes next: What home? The “home” coverage expired on Saturday the 4<sup>th</sup>. What will you do for funds? “I don’t care!” I screamed back upstairs. I then said, “I don’t like what I am experiencing within myself and my own thoughts.” God said, “It is fine, people want to practice their own idea of what SHOULD be and so, STOP IT. You should be just as mad as you are, angry (but for right reasons), and totally filled with desire for EVIL TO GET ITS CONSEQUENCES!”

I am going right now ON RECORD AND PLEASE PRINT THIS: KEEP OUR BABIES UNDER TOTAL, TOTAL, TOTAL SECURITY. LISTEN TO WHAT THE GARBAGE SPEAKERS SAID ABOUT SATANISTS, THIS HALLOWEEN, BLONDE KIDS AND GENERAL “GETCHA” THIS YEAR—THIS IS THEIR FINALE, AND NASTY IS THEIR FIRST,

MIDDLE AND LAST NAME. DON’T EVEN GIGGLE; JUST KEEP THE KIDS OFF THE STREETS; NEVER LEAVE THEM ALONE FOR EVEN ONE SINGLE MOMENT; GET THEM INVOLVED IN PARTIES WHERE THEY CAN DRESS UP LIKE SOMETHING WORTHWHILE AND CRAM CANDY DOWN THEIR THROATS, AT HOME OR WITH LOTS OF “PREPARED” ADULTS AROUND.

AL OVERHOLT: YOU HAD BETTER WORK OUT SOMETHING WHERE “YOU” ARE AROUND TO TAKE CARE OF DANIEL, AND NO, I AM NOT JUST MAKING YOU MISERABLE. YOU HAVE SOMEONE THERE WHO SAID SHE HAD WORKED IN THE UNDERGROUND AT CHINA LAKE—HAD ACTUALLY BEEN A PROCURER OF CHILDREN—AND THERE IS A HISTORY OF SOME KIND, TO WHICH I AM NOT INFORMED OF DETAILS, OF A MURDER SOMEWHERE IN THE PAST. DON’T BLAME—JUST SECURE, AND YOU CAN DENOUNCE ME LATER FROM HADES TO HELL AND BACK. KEEP THAT BABY SAFE.

This is not other than an idea that passed my mind, when all of you were there and we were a cozy bunch: Jason Brent threatened to get Ekkers! He stated he VIOLENTLY “DISLIKED” Ekkers, several times in a sworn deposition. He said we would be caused to leave town one way or another—AND THAT BUNCH OF SPECTRUM BULLIES ARE USING JASON BRENT. Jason Brent also brags about having automatic weapons, where he “could wipe everyone in the room out in 3 seconds” (this was at a PRESS CONFERENCE, no less). He and his BUDDIES are champion sharpshooters and have night-vision apparatus with laser spots on the guns.

Why, perchance, was Gene’s bike “missing” when Shawn went to pick it up? Oh, I see, some “nice” delivery people “helped out”? Am I just paranoid? I wish so—but no, the investigators have blown the whistle because they, in their stupidity—broke the last agreement (PUBLIC NOTICE), and the BIG BOYS are so angry as to be quite a hazard to “some cuties” health.

We know that there are “inside agents”? Well, what’s new, even Rick’s recent Sananda and others have stated that the enemy was still among them. I think Commander has just let us all know by bringing forth a living being out of a deadly trap, in really pretty good shape for the circumstances.

I am faced here with something that I shall now share. We are working with, as I have said before, a very, very, high-level Professor of Shariah (Islamic LAW) and who is a very important POLITICAL leader in the MAJOR MUSLIM REGION. I remind you because this man KNOWS God saves lives for a purpose, and he recognized HIS when we came along with THE solution to the world confrontations taking place. This man had to jump from the sixth floor of a building which was on fire, and the choice was sure death—or try for life on Earth beyond the stop at the end of the fall. He laughs about it now because he realizes

that he would have missed his mission had he made the wrong decision.

He survived the fall but spent months hospitalized in total agony, as he went through the pain of holding on to life but also realizing that HE MUST. A nice man from Australia happened through (the one through whom we actually met this Mr. X), and they got to him with acupuncture, and other healing means, to ease him through the pain and get him at least “wanting to live”. Am I less courageous because idiots shoot at my babies? Yes! But that is beside the point—Mr. X says he is not courageous either. [B.S.]

Now what? Well, that nice Australian CALLED THIS MORNING ALREADY—about Americans on their way to meet us in Manila—especially and specifically for that purpose. Mr. X has also called, and he will be in Manila TONIGHT, and hopefully, by the end of this week, he will have structured a “silent” meeting with the Governor of the Autonomous Region of Muslim Mindanao—who will go “abroad” to work out a program, which will later be balanced against the “Gold Dinar” program.

The other people have promised to push a bit harder to get that bit of “help”, which would see us through while these BIG and MASSIVE world-changing events take workable form. Can I do less than honor those commitments? Well, yes, I thought, I can do LESS—damn it, I sure can DO LESS, for it is bad enough to have your enemies at you—but when all your FRIENDS have dumped you, too, as some kind of con-people—I sure can do less, and everybody should know it.

So, I had a quiet lesson or two. It is noted: I’m now assured that every laboratory method has been made to duplicate our papers. They have been unable to succeed. It seems that, as I have to handle the papers, there is only a rare inch or two on any page that is not covered with my prints and, la-tee-da: frequency. The same is true to a bit lesser extent for E.J. So, this is the major reason we have been required to do all the work by hand, individually—so that these documents are VALID, and ONLY THESE are valid and recognized.

It appears that somehow the U.S. Fed (and Treasury) are structuring avenues to utilize, in cooperation with us, assets which can be honored, etc. I don’t know about all that—they don’t seem to bother us much about anything.

I admitted my wish to not cooperate further and cried out, “Then Fix IT!” Softly came the response: “I did!—we have a job to finish!”

So, I am grateful for the blessings and for those problems I DO NOT HAVE TODAY, WHICH I SURELY WAS INTENDED TO UNDERGO! E.J., confound him, never slowed up his work. I cannot abandon this, please understand, whoever you might be, and mostly to our children: I WILL NOT BEND TO THIS, AND I WILL STAY THE COURSE. I HAVE TO ASK YOU ALL TO BE VERY, VERY CAREFUL, FOR WE SHALL HAVE WONDROUS REWARDS FOR SEEING THIS TO CONCLUSION. I WON’T COME HOME UNTIL IT IS PROPER, SECURE AND SAFE FOR ALL—INCLUDING US—WE ARE TOO IMPORTANT AS INDIVIDUALS TO DO OTHERWISE.

This is not a “self-esteem” or SELF-INTEREST; this is finally REALIZING that WE, “EACH”, ARE IMPORTANT—INCREDIBLY IMPORTANT. UNLESS WE—WHO ARE LEFT—CONTINUE TO DO OUR JOB—NOTHING CAN FINISH EASILY AND CERTAINLY NOT “ON TIME”, IF PEOPLE HAVE TO START OVER. BUT, OH YES, IT WILL GET FINISHED NO MATTER WHAT—FOR OTHERS CERTAINLY COULD COME IN AND

TAKE OVER—EVEN A BUILT-IN SHIFT TO OTHER SHOULDERS, LEGALLY AND CORPORATELY BINDING, ON IMMEDIATE NOTICE. BUT EVERYTHING, ALONG WITH CONTACTS, WOULD BE BURIED IN DEBRIS AND NON-INFORMATION FOR A WHILE. NO, WE WON'T DO THAT TO YOU WHO HAVE STRUGGLED ALONG WITH US, INCLUDING OUR FAMILIES AND ESPECIALLY OUR CHILDREN IN THE IMMEDIATE LOCATION.

Will it still be dangerous? I don't know. Cmdr. will have input to that, but it seems I am the one who had to confront this issue FIRST.

Thank you, each of you, for visiting and attending Gene, for I know that I can get information updates. He is a visible MIRACLE, you must surely all know! What does it take for us to BELIEVE? Well, today I have walked one more step toward KNOWING! And, I cannot express the gratitude, appreciation and LOVE we feel for each of you there—on the line and in the, literally, firing line at that.

If we get killed over here in Manila, it is not going to be by intrigue—it is going to be getting hit by a Jeepney or Bus, while we try to cross Ayala Avenue—AT THE CROSSING CORNER. IT IS PURELY INSANE OVER HERE AND THE ANGELS HAVE TO TAKE SHIFTS!

I would like to just leave this now but I want Rick Martin-Cortright to KNOW that there are WATCHERS WATCHING YOU STUPID WATCHERS, and it is very, very unhealthy to continue your profitless and dim-witted idiocy—FOR NOW THE WATCHERS ARE MORE OF YOUR VARIETY, WHO HAVE NO QUALMS LIKE WE “BASKET CASES”. AND, MOREOVER, I BELIEVE YOU ARE OFTEN UP AND AROUND THE AREA WHERE THE REPTILIANS PLAY.

To you to whom it might be important: WE SHALL STAY THE COURSE.

# That First Step Of Commitment

## LIVING

Worth hearing: “I can live at odds with other people, but I cannot live at odds with me.”

Thank you, Maharaji, and thank you, Wally. If you but listen to your Masters' voices, you shall reap the Song of Life. I do not refer to your “Masters” as in puppet-masters; I refer to the gift of the MASTERS being in your face, your heart—your very being, for the time is at hand for the beauty of wondrous reality. Man has spoiled the beauty of these thoughts and manifestations by his evil ways and misuse of the beautiful words of meaning, but he cannot undo the REALITY OF KNOWING THAT WHICH THOSE WORDS TRULY MEAN.

We often have to take care that we do not frighten away our readers by using words now holding a variance of meanings from that which was presented for your growth. We must allow man to move within reality and Truth, as he becomes more capable of perceiving Truth. The GAMES will continue to the very time of change. If you realize that, live within that knowledge and move ever within Light and Truth—you shall prevail, for there is no other way of it. The New-Age “Movement” has made trite such as “love”, “being” and even “new age”. New Age is exactly what you have become: that which is experiencing the age of new concepts, new perceptions and realization, and a new era or “age” of experiencing (AS THAT WHICH IS AS OLD AS THE ANCIENTS IS BROUGHT AGAIN UNTO YOU FOR YOUR USE). Look up the word “millennium”, and you will find that one of the very term's meanings is the same as “age”.

It is for this reason that I cannot urge you strongly enough: BE EXPLICIT! Cause everyone to whom you express self to KNOW of that which you speak and the meaning of the words with which you express self, WITH THEIR DEFINITIONS, as YOU USE THEM AND “THEY” RECEIVE THEM. Evil beings and people of the LIE will always be IMPLICIT, WISHY-WASHY, SNEAKY, AND FRANKLY: SERPENTINE IN BEHAVIOR.

These People of the Lie will also be very narcissistic—arrogant, snobbish, vain, self-centered, smug—and most often they can only see and hear TRUTH through the strainer of how to do a nasty number on the opposition, no matter how silly, stupid or imbecilic the actions might actually be. They will USE anyone and anything to sneak around, hissing all the while in people's ears, as to the “well, I shouldn't but I will tell you a secret that nobody knows except...”, and you will be brought into the “confidence” lie, while everything you know will be oozed out of you and into their arsenal for shooting both the enemy and YOU down, so that you have to support them or die yourself. Once you have betrayed TRUTH and those who trusted you—you have nothing left, really, do you? Why?

Because the one you betrayed is SELF, i.e.: “I CAN LIVE AT ODDS WITH OTHERS BUT I CANNOT LIVE AT ODDS WITH ME!” So, these people who have “betrayed” will try to justify selves with self, by then becoming comrades with the very ones who did them in, in the first place.

Let us look at Institute files, as a for instance: WHERE HAVE THEY GONE? Ekkers have not been there to take them! So, the accusations come, like: “Well, Kathy told things and showed records...maybe she...” And then it goes the same with Karen, and then Charles, and on, and on and on. But the facts are THAT THE FILES ARE MISSING AND HAVE ENDED UP IN RICK MARTIN'S STACK OF STUFF! NOTE: He keeps saying, right along with Ed, that “We (I) have seen notes (documents, files, etc).” How have they seen them? What mean they that they “have” this, or that or the other? And WHO CARES? THERE IS NOTHING “SECRET” ABOUT ANYTHING IN THE INSTITUTE OR THE EKKER FILES—ONLY “PRIVATE”, AS TO PARTICIPANTS WHO ASKED FOR PRIVACY AND PERSONAL SHELTER. DOES ANYONE REMEMBER? THAT IS THE MAJOR PROMISE OF INCORPORATION AND RIGHT FROM THE MANUALS OF AGENTS IN NEVADA, SPECIFICALLY NCH: PRIVACY AND SHELTER. NOW BRENT, RICK, ED AND YOU-NAME-THEIR-LITTLE-ALLIES, TELL. IT DOESN'T HURT EKKERS, AND YOU WHO ARE GULLIBLE AND ACT SHOCKED—HAVE FORGOTTEN YOUR OWN DEMANDS AND YOUR OWN PROFESSED INTENT.

Well, good lenders, don't be too concerned, for it seems that the working documents that were NOT IN THE FILES remain pretty much intact and at the least can be reconstructed.

One of the most painful things Pablo had to endure was the pain of watching, after hours, comings and goings in and out of Ekkers' house, for which he felt responsible—by ones that SHOULD NOT HAVE BEEN THERE AND REMAINED LONG ENOUGH TO DO JUST ABOUT ANYTHING. THE SAME WITH THE FARM—HE COULD NOT DO ANYTHING ABOUT WHAT WAS HAPPENING, AND HIS ONLY SECURITY WAS TO SIMPLY “SEPARATE AWAY”.

It is too late to replace, return, etc., for the theft has been discovered, so it is much like more than messing in your nest; it is as burning your nest so that you can't even rebuild it.

Now those ones have sucked in some elderly “friends”, whom they will drain of all assets while supporting a losing industry. What can they commit to repayment of such a trust and investment? There is no coverage—just outgo, with no ability or way to reclaim anything. We have to leave that to circumstances but it seems so unfortunate. Where were these “helpers” when Ed Young had years of FULL CONTROL of CONTACT and all the publishing? Ah, indeed! Just leave it lay, but

keep records, friends, for you will need them! Those “WATCHERS” need more watching than any group I have ever witnessed.

Vandalism has again started at the FARM. Wow! Nice people? No, not very—but again, the SIGNATURES of the perpetrators are written all over the place. And I would remark here and now that when you pick on innocent animal life—you are far beyond acceptable, even in the eyes of Satan, and that should be held dear to your heart. Satan is the manager of physical evil-intent—he does NOT advocate that which man can produce as EVIL. This is why, ultimately, that which can only manifest in physical beingness, through human, will eventually do-in the most evil in intent, just as soon as he can arrange proper circumstances, and the usefulness of the person(s) in point is served. Remember: THE ANGEL OF DEATH IS A GOOD GUY! Alien thought? No, a righteous and truthful statement.

I stood while one of my sons, who teaches truth and Shariah law, confronted some who have betrayed their own commitments to service of their own people! Is this frightening? No, it is PAINFUL and, at any given such confrontation, there is both heartbreak and a daring that moves beyond what is recognized, other than wrong is wrong and right must take a stand. It is fine, for I shall support that which is called upon for strength, and we will join in coalition of TRUTH and brotherhood and it will be better in every way. But you see, the leadership IN TRUTH must KNOW and be willing to take that step forward, in spite of the personal repercussions of material loss. Do you just up and give your life for such confrontations? NO, FOR WE NEED LIVING HUMAN LEADERSHIP—NOT DEAD MARTYRS. THAT HAS BEEN DONE, BEEN THERE AND DONE THAT, AND WE, I REPEAT, NEED NO MORE DEAD PEOPLE—THERE ARE ENOUGH OF THOSE WALKING AND BREATHING ALL OVER THE PLACE. WE CAN DO THIS, STUDENTS, AND WE SHALL DO IT.

When I ask, “Come walk with me”, I shall always wait for you to take your own first steps. If your legs fail you “later”, I shall then carry you. That first step toward God and Goal of any PROJECT is begun with that first step of commitment—that first statement of intended direction. It may be painful on the outside—but it is a blessed thing for the inside of soul. ALL HUMAN INDIVIDUALS MUST TAKE THOSE STEPS. MAN HAS FORGOTTEN GOD ALLAH, AND THE TIME IS AT HAND WHERE IT SHALL NOT LONGER BE SO.

I have been assaulted for our continuing, in the face of the adversarial advances, to write on systems of that measure which can allow mankind a reversal of his entrapment. I am also assaulted because I speak of that which brings recognition and focus on that which is big business. No, not big business as you interpret my messages. Just because I suggest you read *ATLAS SHRUGGED* to see the depths of destruction brought through socialistic fascism and basic foolishness, this does NOT mean that I endorse fully what is being CALLED, but is not, a Capitalistic system. You haven't ever yet experienced a fully-functional Free Enterprise, Capitalistic system—BECAUSE IT DOES WORK! Think about it. And frankly, I don't like the topic but it is timely, for you must begin restructuring whereat lies your very survivability—in your economic ability to “stay alive”. Then, you can grow from that stability. Give a man a job and he is off welfare!

But can success be achieved “in time”? In time for what? You don't have any “time”, one way or another, or in actuality all you have is “time”. Get off your assets and “time” won't have meaning.

Those who denounce and struggle against you of LIFE, are evil in every intent and purpose. Evil is that which pulls you deliberately away from your progression TO GOD IN TRUTH. Therefore, anyone who slows you deliberately—who even tries to kill you to stop your success—or lies, cheats and makes the way difficult, if not impassable—is “evil”. Of course, they DO NOT like the term—BECAUSE IT IS TRUTH.

Beware of any so-called “Godly” person espousing that there is “no such thing as evil” and that there is “no such thing as Satan/Devil/Lucifer...”. Oh yes, indeed, there IS and the very effort to tell you otherwise PROVES IT. Evil is like a financial system: YOU HAVE TO LOOK AT WHAT IS AND SEE WHAT IT IS, BEFORE YOU CAN ACCOMPLISH ANYTHING OF CHANGE. If you can't recognize “evil” actions, which ALWAYS COME FROM PEOPLE AND PROVE THAT THERE ARE ALSO EVIL PEOPLE, THEN YOU CAN'T MOVE ON IN TRUTH—FOR YOU ACCEPT ANYTHING AS BEING “OK”. You know: “I'm OK, you're OK and therefore everything is OK!” No, in this statement—the facts are: the ones telling you are not OK, you are not OK, and pretty much everything is not OK!

In labeling certain human beings as evil, it means that there is some kind of a critical value-judgment. The Master Teacher(s) has (have) said, “Judge not, that ye be not judged.” By this statement—so often quoted out of context—it was not meant that you should never judge, even if it be your neighbor. How do we know that what you spew forth is not so? Because that Teacher went right on to say: “Thou hypocrite, first cast out the beam out of thine own eye; AND THEN SHALT THOU SEE CLEARLY TO CAST OUT THE MOTE OUT OF THY BROTHER'S EYE.” WHAT WAS MEANT WAS THAT YOU MUST ONLY JUDGE OTHERS WITH VERY GREAT CARE, AND THAT SUCH CAREFULNESS BEGINS WITH SELF-JUDGMENT. If you can't accept the words, then GO LOOK UP THE MEANINGS BEFORE THE EVIL CHANGED THE MEANINGS OF THE TERMS. LIFE IS FILLED WITH ONE NECESSARY JUDGMENT AFTER ANOTHER AND YOU HAD BETTER BEGIN TO CONSIDER THAT MOST CAREFULLY. God has also said to turn from evil, “Satan, get thee from me!” Well, without judging the circumstances of the perpetrator and his actions, can you do anything? Who is Satan? What is Evil? Come on, readers, we have 12 years of books and lessons—where have YOU been? And no, if you look carefully, this does NOT contradict any great Teacher of Truth. Most of those great Teachers are trying their very best to make you cleanse, change and take a LOOK AT YOURSELF—FIRST!

I will get back nastiness, in the form of, “Well, that caused the Inquisition and Crusades; those attitudes are ancient and biased...”. No, they were things which NEVER HAD ANYTHING TO DO WITH “CHRIST”. Those things were rooted in total EVIL, being foisted off as the LIE upon YOU THE PEOPLE.

What is really unfortunate is that those who stole the term “Christian” were allowed to defame the very term. Christ-ness and Christian have very little to do one with another—except that the TRUE meaning should be: Christ-like in intent and practice. But “Christian” usually signifies a sure attempt to corrupt, and render

through its evil, the very Name itself. Christ and Christian ARE, UNFORTUNATELY, NOT EVEN NEARLY THE SAME THING.

So, where do our old buddies reside in intent? Right up there among the EVIL INTENDERS. Anyone who uses the name of God, and practices criminal activities and lies of even the smallest detail, INTENTIONALLY—is evil. The only question that can remain is, “How evil?” Well, in these recent practices: VERY EVIL.

Now, will they hit and claim we “called them evil”? Of course—for they ARE EVIL. And, if we lie about them—we are evil. It matters not whether or not they believe a thing I have ever said: It is Truth I bring, and they shall stand responsible for their activities against us—by even so much as taking our own and making it theirs. Do you not see the sameness of the shouting of evil against us in response to their OWN ACTIONS? They actually blaspheme by then turning the sickening snake eyes to piety and asking Light and Love unto “their enemies”. And readers, if you chew on hemlock twigs and leaves, expect the poison.

“But,” you say to me, “you are not being nice to them...”. RIGHT! I HAVE NO INTENTION TO BE “NICE” TO THOSE WHO DECLARE THEMSELVES MY ENEMY THROUGH WORDS OR DEEDS. WHEN ARE YOU GOING TO SMARTEN UP? YOU WHO CONDONE EVIL—HAVE JOINED WITHIN THE EVIL! How do I know? Because you are going one way or the other, for they are at the opposing ends of the pathways—all of them.

So, are there more evil people than Godly people? Of course—but to totally corrupt a society you have to have lots of bad kids, and if you have ONE GODLY BEING—GOD WILL WIN!

Do you find it difficult to discern from your depths of confusion, after dealing with those who denounce others in the name of God? Good, then I can now tell you how easy it is to recognize “Evil” and Evil people. Evil is represented by the snake, and we will get to that issue later—but for now let us consider this: Satan IS THE MASTER OF CONFUSION. He is recognized throughout as being the trickster and the King of Confusion. Evil is always presented in a serpentine, slithering, greasy, salesman-type of prattle that further confuses by its imbecilic childishness, which reduces you to the level of pre-kindergarten. He will tell you one thing, while you KNOW that actions have been otherwise! How can you accept that and not become it?

How do you think of Satan? A male? A female? A WHAT? Well, when you consider “it” a neuter then you will be close indeed. And just like the snake of the reptilian species—it is confounded hard and difficult to tell one sex from the other! So, like Goodness, the truth is in the ASPECT OF THE BEING. Evil is a state of being, just like “christ” is a state of being—IN SPIRIT! GET THAT: IN-SPIRIT!

However, Satan has only the use of that which is already manifest and must work ever through the human in physical form—for he cannot create. GOD CREATES! And that, my dear ones, is WHY GOD ALWAYS WINS, REGARDLESS OF APPEARANCES.

HOW MANY OF YOU HAVE MADE PACTS WITH THE DEVIL, THINKING THEM TO BE GOODLY TOOLS FOR WHATEVER YOU HAVE GOING? IT IS SERIOUS BUSINESS, PEOPLE, FOR WHEN YOU JOIN WITH THE DEVIL, YOU HAVE BASICALLY KISSED YOUR SOUL SO-LONG.

REMEMBER: GOD WILL HAVE NO EVIL IN HIS DOMAIN! HE GIFTED YOU WITH "FREE-WILL" CHOICES FOR THE SCHOOLROOM OF CHOICES AND WILL ALLOW YOU TO DO THAT WHICH YOU WILL. BUT TO BECOME ONE WITH GOD IN GOODNESS—YOU MUST TURN FROM EVIL. It never matters what you "were" with God Creator: ONLY WHAT YOU ARE! SO, NOW IS THE TIME TO MAKE THOSE CHANGES!

And, helpless clingers: No one is born evil! You "become" evil for whatever reason your mind will fathom. If a babe becomes evil, it may well appear that it was born in evil—but you will find that evil is something that is inflicted on the child. It may well be set toward evil at birth, but it was set on its course as it was conceived and gestated. The evil soul has a very difficult time "trying again", because it must begin where it left off and, therefore, will most often be again presented in a negative environment.

Something that you mostly do not take into consideration is that, in this "school of free-will", the more evil the person and the soul left in limbo or nether-nether land, the more quick it is to find truth in its search for return unto God Creator. Therefore, there are more "drifting" souls seeking that possibility, again and again, while the goodly move on to higher experiencing. Therefore, as worlds are more and more populated, it will be through those "evil-based" souls made manifest.

Does this seem to be a paradox of some kind? Yes, very much a paradox (ah, a **confusion**). Facts are, there are two directions of choice: submission (surrender, capitulation) to God and goodness, or the refusal to submit to anything beyond one's own will—which refusal automatically enslaves one to the forces of evil. We must ultimately belong either to God or the devil. And if YOU can't tell the difference, then you are in for a very hard go of it. Why? Because in the willingness to listen and abide in the negative aspect of the "convincers" (the lemon-car salesmen), you relinquish your ability to be other than caught IN THE LIE—THE EVIL.

So where is the middle ground, the "King's X", the fence? There is no such thing—only human tries to make such places, for his own comfort. Every inch of the universe, every square inch, every split second is CLAIMED BY GOD AND COUNTERCLAIMED BY SATAN. So in failure to make a choice—you have chosen evil, for there is never a discussion once you have chosen God! Confusion is NOT OF GOD, so if you claim "confusion", you have claimed the evil pathway.

Now, you say: "I just don't buy this deal...". Then don't! But this is the way IT IS, and you claim you want Truth; you want "the way"; you "want God and Right"—and yet, you are only WILLING TO ACCEPT THAT WHICH YOU WANT TO HEAR, AND DOWN WITH THOSE WHO ACTUALLY SPEAK AND OFFER THAT TRUTH. THAT IS WHAT IS MEANT BY THE TERM "PEOPLE OF THE LIE". THE LIARS ARE NOT JUST ELITE POWER-BROKERS AND EVIL MONSTERS—EVIL IS AN ATTITUDE, AND WHEN YOU WILL CHOOSE THOSE WHO COMMIT EVIL DEEDS, WHILE DENOUNCING THOSE WHO BRING YOU TRUTH, EVEN THOUGH

**IT HURTS THEMSELVES, YOU BECOME WITHIN THE LIE AND WITHIN THE EVIL—IF ONLY BY ASSOCIATION—FOR YOU HAVE CONDONED EVIL. No, it is NOT "OK"—but it is certainly your prerogative to experience it.**

You will choose the narcissistic lie-spielers, because you have allowed self to participate in their lies. This is simply the way it is, and you can choose to never face truth and cling to the lies and liars—but it will be your own loss, and often those choices deny selves the ability to return to the alliance with those of Truth.

Chelas, it is that you allow misinterpretation of what is given to you. Pride is a strange word, in that there is NOTHING wrong with rightful "respect and pride" in a job well done in truth, in integrity and in positive production. When we speak of "PRIDE" GOING BEFORE THE FALL, for example; this is MALIGNANT NARCISSISM. These prideful individuals, steeped in malignant narcissism, are demanding in their insistence upon "affirmation independent of all findings". In other words, "Never mind what I do—just bow to me because I DO IT!"

I watch you in "confusion" about certain individuals, when it must occur to you from time-to-time that "something is just a bit strange" in their behaviors.

We have had, and have, people in this wrangle of late, who do not concern over the inconvenience they place on others—ANY others. They do exactly that which THEY choose to do, and everyone else has to meet their demands—or they are spoiled and won't play. You have had an Editor who stays up and plays, listens to Art Bell and does whatever people do in the darkness of night, when others are doing what they should do at night, if possible—resting, so that they can work in the strength and energy-fulfilling fuel of the "SUN". Then they are joined by others who begin to do the same

things. Then, you will note, they really do not know a whit about what is taking place, while they sleep with only their answering tape to respond and yet call themselves the MANAGERS. How do you manage, when there is no one to manage?

You have four people who do this as a routine programming, and you call others evil? (???) Further, at the least, they call you, who manage your lives in responsible fashion, "basket cases". Then they steal YOUR things and claim them for themselves, as if by their malignant narcissism they have a right. THIS IS SICK BEHAVIOR AND SICK BEHAVIOR COMES FROM A SICK MIND-SET.

It is not mine, readers, to JUDGE your choices—THOSE ARE YOURS.

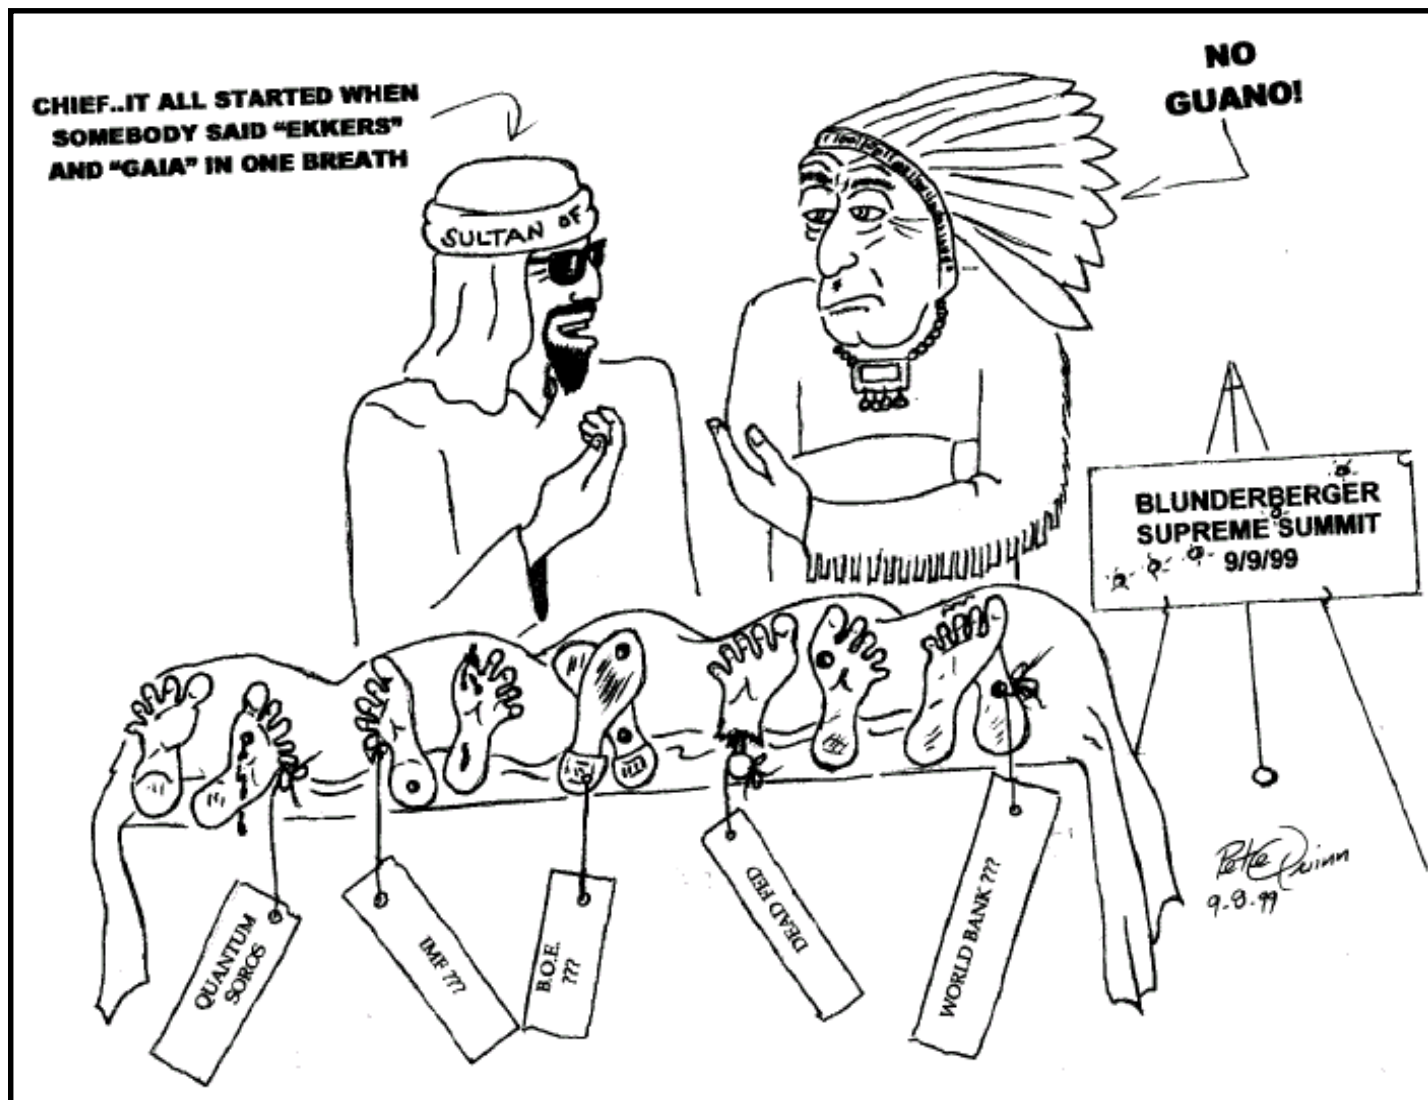

With this preview, we will close this writing, for we have other things demanding our attention; but we WILL come back to this topic, for it is the most important one subject for consideration, if you are to GET UNCONFUSED!

Never mind it when evil tosses around the LIGHT and use of God's name, for it is a total LIE. Isn't it about time you put some CONDITIONS on your "love"? God has a right to unconditional circumstances—you had best have some conditions on your output and intake, because if you DO NOT, then you have no way at all to sort evil from Truth, for you twist even "FACT" into that which is not remotely connected.

Therefore, if those who are of evil intent and speak untruth send "light and love" unto you—KNOW THAT IT IS SIMPLY ANOTHER LIE AND FURTHER USES THE NAME OF GOD IN VAIN. GOD "IS" TRUTH, LIGHT AND LOVE.

THINK HARD UPON THESE THINGS.

# Earthquakes, Volcanos And The Phillipines

*The following article, reprinted from the first-ever issue of CONTACT (Vol. I, Issue 1—April 30, 1993), provides sound geophysical lessons, as well as a reminder of the adversarial attacks of that time.*

3/25/93

I am Commander Ceres Anthonious Soltec, henceforth known as “Toniose”, in charge of the geophysical aspects of this Earth-Shan, planetary-transition project, come as the Hosts and present in the Radiance of the Holy God of Light. Yours has been a busy week, geologically speaking, as you have experienced both volcano eruptions and earthquakes, and now the promise of yet more strong storms approach your western areas.

It has also been a very busy week at the offices of the newspaper and we are well pleased to be invited at the beginning of a new and great stage of the mission. You celebrated the beginning of your Spring Season with a real good “spring cleaning”, and the house is clean, fresh and aired out as you are readying yourselves for the warm Summer sunshine.

We shall not mourn that which has passed away, for a great metamorphosis has now taken place, as you can well see from this new newspaper publication. We salute all those who are “hanging in there”—for the rewards, though not of the worldly kind, hold great promise. It has been a long and difficult road that you ones have traveled, and you have certainly received more than what you feel is your fair share of the slings and arrows and, though your burdens have been great, there have also been many good times and great lessons. Both shall serve you well in the coming days.

## MOUNT MAYON, PHILIPPINE ISLANDS

But now, on to the subject of this message. The volcano eruptions of which I speak are those of Mount Mayon in the Phillipines, as it erupted on Sunday last, March 21, not just once, but **seven times in one day**, with the last of the seven having been the strongest. The smell of sulfur is strong in the air, indicating that more magma is rising and forming yet another volcanic dome, which will lead to more eruptions. This is almost a foregone conclusion, as this part of your globe is a hotbed of geologic activity and promises only to bring more as time goes on. The eruptions are still ongoing, so LOOK OUT! This is but the heralding of yet greater seismic and volcanic events to follow in this and other areas of that Pacific Rim.

That little tectonic plate, on which this chain of islands lie, is literally teeming with renewed volcanic and seismic life. The magma chambers below the surface are rising, as the heat and gases from beneath exert pressure causing the magma to build into another dome, priming the mountain for yet another explosive display. Please recall our previous writings regarding this area of your globe as we, at that time, told you ones that it was a mere matter of a short period of time before this volcano would continue with its eruptions. Recall, also from previous lessons, that these islands are of volcanic origin, and with the renewed activity

in the Pacific Ring of Fire, more and more intense seismic and volcanic activity is to be expected.

The Philippine Plate is caught between three other great tectonic plates—they are: the Pacific Plate to the East, the Indian-Australian Plate to the South, and the Eurasian Plate to the West. As these other plates move toward the Philippine Plate from all directions, they are slowly subducting beneath the little Philippine Plate, causing it to push upward, or uplift. The subducting masses, then, also place pressure on the already full magma chambers, causing the magma and the gases to push upward and out the vents—in this case, Mount Mayon. As the subducting process continues, the magma continues to rise, creating more lava domes within the crater.

The strong odor of sulfur in the area indicates that gases are still rising and in most cases it is the precursor to more eruptions. Keep also in mind that these gases are extremely volatile and explosive in nature, so the eruptions of these volcanoes are explosive and spectacular. It was reported by your own scientists that the ash cloud extended approximately thirteen miles upward—that is 68,640 feet—quite an explosion, would you not agree? All that I can tell you is that it “ain’t over till it’s over”. **And believe me, it ain’t over by a long shot!** This part of your world, as I have taught previously, has entered a new geologic cycle and you are now beginning to see part of the awesome power that lies within the Earth.

This volcano is but a tiny glimpse of what was experienced when the Island of Krakatoa was destroyed by three, thought-to-be-inactive volcanoes in the Pacific Ocean in 1883. Only about one-third of the island was left after the eruptions. This, too, was an Indonesian Island and rose approximately 800 meters [*about 2500 feet*] out above the water before the eruption. After, there was a 300-meter depression where the island had formerly been. This explosion was felt over 5,000 miles away. On the island of Java, thousands of people died in a tidal wave that resulted from this tremendous volcanic eruption. That type of potential still exists in this place today, chelas. Will an eruption of that magnitude occur? That is a difficult one to call, as many variables are in effect. I am just informing you that the potential does exist—the statement is not meant to be prophetic in nature.

## PORTLAND, OREGON EARTHQUAKE

Let us now cross the vast Pacific Ocean to the East and examine the site of an earthquake which occurred just today near Portland, Oregon. It measured 5.7 on your scales, was felt for approximately 45 seconds, was reported as a rolling sensation, and felt as far away as 120 miles. To you who reside in California, this should sound very familiar, as it was the same type of shock wave that has rocked your place several times in the past year. Recall your past lessons regarding this type of rolling-motion earthquake—it was very deep within the Earth, so that the 5.7 would actually

equate out to nearer a 6.0 shock.

What you should find most interesting about this earthquake of today, if you have been following my lessons at all, is that it occurred in a place where much the same type of conditions exist as in the Philippine incident. You once again have a plate (the Juan De Fuca Plate) which is subducting beneath another plate (the North American Plate) and this mass, pushing below, is exerting pressures on magma chambers beneath the Cascade Mountains in the area. Look at the similarities.

Prior to the eruptions of Mount Pinatubo and Mount Mayon, there was a series of moderate to strong earthquakes. The causes of these occurrences were when one or more of the opposing plates moved against the Philippine Plate and pushed land mass beneath it. The little Juan De Fuca Plate is moving against the North American Plate as the Pacific Plate pushes against it, causing it to dive beneath the North American Plate. This exact scenario has been covered in recent, previous writings, and we have shown you ones that the potential for seismic and volcanic activity in this place not only exists, but there is a very good chance for such events to accelerate with greater amounts of energy releases. This potential for more activity grows with each passing day, as your world is now experiencing the time of changes foretold by many, both past and present.

What is concerning your scientists is that this area has been so quiet for so long, they fear another event, such as that which occurred with Mount St. Helens, several years past. One scientist even admitted that what they are concerned with is that this is a subduction zone. **Fill in the blanks, and you have exactly what we have been informing you of prior to this event.** Your scientists may have been caught off-guard, but you who had been following the now-deceased **PHOENIX LIBERATOR** [Ed: CONTACT’s forerunner] should not have been caught unawares, for there have been numerous warnings and instructions given regarding this possibility.

## CALIFORNIA AREA ACTIVITY

In addition to these two events, you have had and are continuing to experience small-to-moderate earthquake activity all up and down the Pacific Coast, along not only the San Andreas Fault, but on adjacent and parallel faults, as well. And now you are once again inundated with strong storms bringing more heavy rains to the area, causing yet further soaking of the already over-saturated ground. That entire area is so unstable that all the water is merely adding to that instability, as the ground below the surface is as a muddy sea upon which you are literally floating at this time. Any seismic activity, regardless of how small or large, **has a great potential for destruction of massive proportions. THERE IS NO SUCH THING AS AN INSIGNIFICANT EARTHQUAKE AT THIS TIME, SO STAY ALERT!** The slightest tremor could be enough to start the chain reaction because the entire area is in a frenzied state, geologically speaking.

There have also been very small earth-tremors inland, in Eastern California, Nevada and Arizona, though not strong enough for most to even notice that they are occurring. Many of you have not actually physically felt the tremors, yet you have sensed them on a more subtle level, by such things as rapidly changing frequencies in the pitches heard within your ears. You should be able, from all this, to see just how widespread the activity has become and should be able to draw some of your own conclusions regarding same. Remember how the energy waves travel through the Earth and the effects they carry with them.

YOUR RELATIONSHIP WITH GOD

Are these natural events? Does it matter, when the earth beneath your feet suddenly becomes so unstable that you cannot stand on your own two feet? Of course, it is not all of natural origin! The games of the Elite are ongoing and, in fact, are accelerating, which is another reason you can anticipate more and greater occurrences of this kind.

However, it is our intention to bring you to a place in which you are able to discern that which is going to occur, by knowing that which has taken place and by giving you the hard facts of science and history from which to draw your own conclusions, as well as nudging you ones to draw from your own inner knowings about such things. The information and knowledge exists there, within, and each has the ability to draw upon that information and knowledge.

Suppose that you were completely cut off from all other sources of information, and all that was available was that which you drew from God and from within. Are you at the stage of your development where that is all that you would need to guide you? If not, then I would advise you that it is high time that you got yourself right with and closer to God, especially in these perilous times which are at your door. There is no delicate way to say that you are going to need that type of relationship with Creator and the Hosts in the **VERY** near future. The time for preparations is nearly past, for you are rapidly approaching the time of application of that which you should by now be prepared for. **THE NEXT TIME JUST COULD BE MORE THAN A PRACTICE RUN. ARE YOU READY?**

SOLTEC DENOUNCES GEORGE GREEN

I want to take this opportunity to respond to claims made by one Mr. George Green, and then I shall leave the subject alone. Let it be known that Ceres Anthonious Soltec (Toniose) does not now, and has not in the past, associated with that one. If he is claiming that *Soltec* is traveling with him, it is certainly someone other than myself. Though I am in contact with others than this particular scribe from time to time, that group does not include Mr. Green. His state of dilution is a sad thing indeed.

HIGH TIME FOR PRIORITIES!

Let us draw this writing to a close. We have allowed for several interruptions this evening and now the hour grows late. In closing, I want to admonish each and every one of you who reads this to examine your relationship with the Creator, as the time is such that there are not words sufficient to stress the necessity for this.

Chelas, this is not a game that we are playing with you, and the Elite are certainly playing for very high stakes. This is deadly serious, and you need to get yourselves in right relationship and rethink priorities for, in the final counting, there is but one thing that matters, and that is your relationship with God and your journey back to that Source.

Take the time to meditate upon these things as you go about your duties and lives in the coming weeks. Take conscious note of your thoughts and actions, and judge them for self, so that others need not judge them for you. Allow the Radiance of Holy God to illumine your path and your life, and hold not bitterness in your hearts. You stand at the dawn of a great new day. Greet the warmth of it with a pure heart.

Toniose to clear. Salu.

# Glorious Details Of Pending Success

9/9/99—1

By Doris Ekker

DORIS, FOR E-E, IN GRATEFUL AND HUMBLE RECOGNITION TO SERVICE TO GOD, ALLAH ATON. THIS IS “OUR” DAY, FRIENDS! AND TO CARRY THIS THOUGHT A BIT FURTHER: “IN THE NAME OF GOD, THE MOST BENEFICENT, THE MOST MERCIFUL”. (And to you who know us well: Thank you, Dad!)

I awakened this morning knowing that much within me is RECOGNIZED in Truth, THIS DAY. I ALSO KNOW, EVEN BEFORE THE DAY BEGINS, THAT OUR WORK IS BASICALLY “DONE”.

I finished some documents early this day, and in just those few pages I realized that, as these would be fulfilled, we would need no other—if that should be—and there’d be no more. But there will be more, for within the ONE is the ALL. I will make every effort to give you input, without giving AWAY that which is still set in silence and privacy. But SATAN, as we have experienced he/she/it—is finished, and we are grateful; GOD HAS ALLOWED US TO LIVE LONG ENOUGH IN THIS CHARADE TO COME TO SEE IT, FOR WE SHALL SEE IT, BECAUSE WE NOW BELIEVE IT.

I first came to turn on the computer and set my file label, only to realize, as I now sit to type, that it was exactly 9:00 a.m. here in Manila. I set the screen and then sat for awhile with E.J. while we discussed many things—some of which I will share. So, when I came to begin to type and I entered my data it read: 9999. I further realized that “numbers” mean NOTHING, but I found my mind reaching for realization of “signs”, perchance, of which most days we pay no attention.

If this was 6666, it would not matter a whit, for the inverted 9 upon 6 simply forms the double-loop of infinity (8), and 9 shall always be the prevailing power. If there comes another set of documents for this day, however, we shall number it 999 and that shall represent 9999999—into infinity. And, do we have enough to utilize that counting number? YES INDEED, and MORE than enough, waiting for us to get to their processing. Further, we will REGISTER our Association as soon as is convenient—under the living symbol of GAIA—as a multi-purpose cooperative, and we will acknowledge members of our choice in that cooperative association. Before the end of the day in the States, we will go further in consideration of this date, and I’ll just call myself Agent 99; as in that wonderfully funny series from the “Chaos” intelligence, counter-intelligence, no-intelligence, unintelligent group (*Spectrum*), with phones in the shoes. (This is not so far-fetched as, a couple of weeks ago, Imelda was given, as a gift, a beautiful shoe that is also a telephone. She claims to now have more

shoes than when her shoes were notorious. People who loved her sent her hundreds of pairs of shoes, thinking that the government had left her shoeless!) If I could only think what we called the AGENT (???) in that series, it would be like Clouseau revisited. I further smiled to myself just now as I looked out on the balcony, and there were 9 little sparrows in a wad, cleaning up their crumbs. I think perhaps this may be a remarkably idiotic day!

I do, however, have to look at the year 13 and wonder where that could fit—and I saw it: Thirteen is also an “accepted” symbol of power to the Satanic groupies and snake people and, therefore, THIS IS THE YEAR THESE NERDS ARE “GOIN’ DOWN”—BECAUSE: in “AllahAton” there are, ta-da: 9 letters! Could this ever get silly or what?

It is already such a good day that I hardly dare go on, for, perchance, I might miss something while doing something else.

BUT: I would share some things which are too good to keep, and I don’t care if the “hatchet hackers” get it—perhaps they will begin to realize what stupid things they have done lately, to ensure their own consequential fall from the thrones chosen for themselves.

[Interruption and lapse of time.]

Since I began this writing, seemingly hours and hours ago, surely enough, things happened. E.J. has been called to the lobby (our office complex) to meet with some people whom only God could have sent.

These people are from various “other” places around the Philippine Islands, and they are asking for funding to finish and enlarge their “plantations” for “tree” growing. This wouldn’t be so amazing in itself, as is what they have to grow. I won’t even name it, for I don’t want the hounds sniffing and howling at them.

There are several projects of which we have fully committed some billions of \$\$\$, and THESE ARE THE REASONS THAT OUR PROJECTS ARE GOING TO GET DONE, AND I WILL GIVE YOU SOME FUN UPDATE ON THAT IN A BIT.

One type of tree can be harvested in only 7 years from planting and is a hardwood, which can be used as lumber or any other wood product. Then there is the Kenaf Hibiscus, of which we have already shared—and then there is this “TREE OF LIFE” (MY NAME), WHICH IS THE TREE OF HEALTH (LITERALLY IT IS SO CALLED) FROM AROUND INDIA. Everything from the bud, leaf, bark, oil, etc. is amazing in its healing qualities, and any waste—as in the “cake”, after compressing the oil—is put back in the soil; it interacts with the already-enriched, volcanic soil, and you get even bigger and better trees. They are very fast-growing and are medicinal for every creature except insect pests. Indeed, we have found just about everything here that suffices for EDEN.

About that old “Eden” and that tree of knowledge: Cmdr. laughs and says it is not a Tree of Knowledge,

but rather the Serpent Tree or the “Tree of Evil”, in which one was not to indulge oneself. He uses this to example how different a thing is from what has been thrust at us unsuspecting dupes. God told his children that if they ate from that tree of evil, they would forever be a tad sorry they were so impulsive.

There is, however, always that confrontation which is ever-waiting—from Mr. CONSEQUENCES! We could call it “cause and effect”. I like “Mr. Consequences”, though, because we can do away with Revenge, Blame and Judgment (except of the product of action) and simply ALLOW CONSEQUENCES TO ATTEND THEMSELVES—as in: Truth or Consequences. You tell the truth or, by golly, you get the consequences!

In the case of “Reptilian Spectrums Association Inc.”, I personally intend to help Mr. Consequences all that I can, in the area of confronting the EVIL involved therein as it affects me.

Father says we must always, at every turn, confront evil, reveal Truth and TURN THE LIGHT UPON THOSE WHO HIDE IN DARK PLACES, SO THAT THE SQUINTY, LITTLE SNAKE-EYES TURN INTO THE LATERAL SLITS THEY REPRESENT.

We, in addition, will provide what we can in behalf of our co-workers, to also have some “backbone” enough to stand straight and solid, to make the serpent-people nervous as heck.

Are these sins or evil of which I speak? All INTENTIONAL SIN “IS” EVIL.

And no, don’t hand me the old, “But we can’t judge”! That is not so, either, and that is not what GOD said or even inferred.

GOD SAID TO CHECK OUT SELF FIRST, TO SEE IF, IN FACT, YOU MIGHT LOOK INTO ANOTHER’S EYES TO GET THE FLOATING SPLINTER OUT OF THEIR EYE. THAT MEANS THAT IF YOUR EYES ARE FILLED WITH SPLINTERS, YOU CAN’T SEE VERY WELL. BUT IF THERE ARE NO SPLINTERS, AND YOU ARE “RIGHT” IN YOUR STANCE—YOU HAD BETTER DO A GOOD DEAL OF “JUDGING”. EVIL IS ONLY OF THE PHYSICAL CONSCIOUSNESS IN SENSING ACTIONS. EVIL IN SATAN’S SERVICE CAN ONLY DESTROY, MANIPULATE—AND MANUFACTURE, MOST OF ALL, “CONFUSION”. GOD CREATES AND, THEREFORE, IF WE CLAIM AND PRACTICE THAT WHICH IS GODLY—WE CAN “CREATE” THE WONDROUS THINGS OF UNIVERSAL TRUTH, AND OUR EYES WON’T GO SERPENTINE AS WE PONDER OUR ACTIONS. I think that means we don’t have to lean back, thinking of ways to hurt and maim people. Notice the evil ones—who sit back and squint at you through those hooded, slanty eyes—who know you will see right through them if they actually let you see inside their eyes, for therein is the soul. It is the soul that reflects love and integrity, OR squinty, serpent shape-shifting. This is, of course, my own opinion, formed from a 20-minute session with Mr. Consequences.

WOW, THE ILLUSION (DELUSION—LIE) THAT A GOOD LIFE IS BORING OR DULL IS ABOUT AS FAR WRONG IN PERSPECTIVE, PERCEPTION AND JUDGEMENT AS YOU CAN POSSIBLY GET. THE FACTS ARE: EVIL THINGS ARE A LIE AND ARE GROSSLY BORING AND DEBILITATING.

[Another interruption—like, the night came.]

9/10/99—1

Let’s just leave that there, and I’ll spread good cheer and “we have been told”, hope-filled possibilities.

We have someone dealing with us, through insurance backing, who tells us his “small one” is and has been approved—so just waiting for insurance documents to be transferred. He has several more to push behind that one and we would have enough to catch our breath.

Then we have word that the Central Bank is in receipt of a lot of “stuff”, from places like Yugoslavia, yet, and we should be having some advance considerations, in preparation for a massive approval. Everything is approved but just waiting for transfer of collateral, etc.—again, we are “told”. We are, further, told that we might well have a “schedule” of some kind with that one—like even this afternoon. We don’t hold our breath any more but it sounded really good at the moment.

We also have a major working program with funders, who say they can’t do the deal originally asked for but need a “humanitarian” project to keep within the guidelines. We laughed, because THOSE are “our” guidelines—hooray! We did that bit last night, near midnight, so we’ll count the egg gestation period from today. The “people” involved came up with a MAJOR type of clinic/hospital, which does much of what was being done in Mexico with “light” treatment for exchanged blood and a lot of things which were available as experienced by Zita—and, for that matter, Bart and Merle.

These people seem to have it all worked out, and it is a whole bunch of millions of \$\$\$ that they think they can run directly through, as the funding resource claims to have it lined up.

Please be patient with us as we, like actually yesterday as example, just can’t seem to get to that e-mail place during the hours they are open—you know, reasonable working hours, 10:00 a.m. to 8:00 p.m., so if you have days without anything—please know that we just have to make do. We couldn’t get there to even send yesterday’s message—but then, what is taking place otherwise is why we’re here, and that’s good.

Thank you for keeping eyes on Gene, and all of you, please, do be cautious—because I can only speculate that it is difficult for these guys of the dark-side to back off.

A lot of mental things have happened to us, and the greatest is the realization that we only want to keep that house until it is convenient to either decide how to manage it or simply let it GO, and somebody else, like Millers—who think it is good business to have it—can concern over it. A house is going to always be an albatross on our backs, and we are going to simply have apartments, leased or rented, wherever we find ourselves. It is time to lighten our “baggage” load.

People have been great about offering to help with the NCH problems, and we simply have made a shift to having our Makati, Manila location as our main contact place, so we don’t have anyone repeating what happened before. We will work out the other, as soon as we decide what we WANT to do about it. “Inactive” is a nice place to be, because the offenders don’t know what to do about that circumstance.

The major “players” will be working out of this area for all the reasons Cmdr. has already described, and we won’t have to do much about that circumstance

on the management of the “alliance” interactions—because the “collateral” is everywhere, but it needs to pass this way for recording, etc. People are working on that around-the-clock. It will be fun sharing just “who” those people are and what all is involved. We are LEFT OUT OF THE LOOP intentionally—including E.J.—so that we only know “generalities” and project interactions. We do not NEED to know and, here, what you don’t know can surely protect everyone involved.

We are left then to consider some other things in our own master-purpose and that is ultimately on the subject of LIFE. Everyone wants to GET or to SERVE (their way of course) and on and on, asking how to get better at business and better at studies—and within life, all those things are present and important—but we have to get balanced within integrity, as to LIFE.

We really seem to not even REALLY understand the subject of life, and how can we understand if we just don’t know that WHATEVER happens in our life IS LIFE. No, that is “experiencing” living but it is not necessarily “life”. A baby can “breathe” but that is hardly more than sustaining an existence. The test of LIFE, after all, is that of RESPONSIBILITY IN ACTIONS, THOUGHT, INTENT AND EXPERIENCE OF ALL THINGS PHYSICAL AND SPIRITUAL. AND HOW DO WE RECOGNIZE THIS STATE OF AFFAIRS? THROUGH BECOMING “AWARE”, AND WE CANNOT BECOME AWARE IF WE DO NOT FACE SOME MODICUM OF RESPONSIBILITY FOR THAT WHICH IS.

It seems, at first, to simply be more of that old “wheel” twirling around—but no, we must get OFF THAT WHEEL and SPIRAL EVER “UPWARD” in that which is “higher-expression” and thought, even though it is all happening right here—wherever we happen to be. We cannot allow ourselves to simply stagnate because, in that very pause of fence-sitting, the downward spiral moves ever faster and faster downhill.

I like to think often about symbols and one of my favorites is the “Owl Eagle” which, as you may remember, I got Little Crow a copy of the one in our living room. IT HUNTS SNAKES, AND NO SERPENT IS A MATCH FOR THAT BIRD. We need a lot of Owl Eagles and a bunch of Mongoosies. The unfortunate thing about Serpent People is that they give reptiles and snakes a bad rap every time.

Better go, it is past lunchtime and E.J. has been patient. And by the way, with that attic of things we “have to have” in Tehachapi, I find that we can do nicely with a rice cooker, an electric fry pan and a toaster-oven. All these are little but serve nicely. We only hurt for space for more papers, and more papers and oh, golly—more papers. The rest of life in this mode is quite simple—except for the business-office things of absolute necessity. After a year away, a lot of things have lost their gloss, and we note that simplicity is nice—but then we don’t have time for “hobbies”. Oh well, we didn’t have time for hobbies in Tehachapi, either, and every time we tried to include same—we just got more stuff and less freedom. Indeed, LIFE IS A PARADOX!

I actually can hardly wait for y2k!

Love, E-E

P.S. I can’t say more here, but it seems this is all part of the evolvement of things worked on for a lot more years than we could fathom—on a global scale—which got totally interrupted.

# The Watchers' Game-Plan

*The Watchers' game-plan was established way back in April 1995, as this letter from Judge Jason Brent to George Green shows. The Spectrum miscreants have borrowed heavily from this plan in their misguided, ego-based efforts to interfere with God's Plan 2000.*

Mr. George Green  
Box 3300  
Bozeman, MT 59772

Dear George:

This letter is intended to confirm our telephone conversation of Friday, April 14 relating to the Ekker problem.

I would recommend that each person defrauded by the Ekkers write a detailed letter to Ed Jagels, Kern County District Attorney, Don Lundgren, Attorney General of the State of California, the Fraud Department of the U.S. Post Office, and the Fraud Department of the Securities and Exchange Commission in Washington, D.C. setting forth a detailed account of how they were defrauded and requesting criminal prosecution of the Ekkers. I would also recommend that each person send a similar letter to the District Attorney of the county in which he/she resides. In addition, I would recommend that each person defrauded send a similar letter to the Attorney General of the State of Nevada as the Ekkers do a substantial amount of business in Nevada. Lastly I would recommend that each person who was defrauded contact any local government official they know and ask that government official to apply pressure to the District Attorney or Attorney General. For example, if Mr. Jones was defrauded and he is friends with an Assemblyman where he lives he should contact the Assemblyman and ask the Assemblyman to set up an appointment with the District Attorney of his county and with the Attorney General of his state. Hopefully, all of this pressure will get some action on the criminal front against the Ekkers.

If I am retained as the attorney, I would assist in preparing the above letters and contacting the appropriate prosecuting officials.

Both of us know what the Ekkers are and, therefore, no further description of their honesty, integrity, etc. is needed. If I am retained as the attorney for the persons defrauded, I would want a substantial warchest. The Ekkers will fight every inch of the way and will attempt to hide their assets and, therefore, going after the Ekkers will be a full time job. To put it slightly differently, I would have to give up my entire practice and only proceed against the Ekkers. Not only would I have to proceed against them in the courts, I would also have to proceed against them on the public relations front. That would require providing evidence to the editors of all appropriate newspapers so that they and their shills cannot use the newspapers to attack the victims, appropriate law enforcement agencies, and every one else concerned in their fraud.

You have indicated to me that you were contacted by people that were defrauded in the approximate amount of \$2 million/\$2.5 million. I believe it only fair for each person to put up 10% of the amount he/she was defrauded so that my warchest would be \$200-250,000 for legal fees and costs. I would not proceed until and unless that money was deposited in my Attorney's Trust Account so that I could be assured of receiving payment for the services I render and for the substantial costs I will incur. I will incur substantial filing fees and, in all probability, incur substantial private investigators costs.

I think the above summarizes our conversation. As I advised you, if the people cannot put up a warchest equal to 10% of the amount they have been defrauded, I am not interested in proceeding against the Ekkers. If the people haven't got the courage to put up 10% of the amount they were defrauded to hopefully recover the amount they were defrauded, then they do not deserve competent legal counsel.

If I can provide additional information to you or anyone, please contact me.

Sincerely yours,

## FEDS BUILDING GIANT SURVEILLANCE SYSTEM

*Intelligence Digest, 9/7/99*

I think it's time to raise the warning flag! Once again, our source has come through with startling revelations of a giant surveillance program geared to build "personality profiles" and trace our every move...

...*The Washington Post* has now reported that the Federal Communications Commission issued an order, on Aug. 27, that could turn every cell phone in the country into a homing beacon that law enforcement could use to track the general location of criminal suspects.

This news came just a week after reports of a new Justice Department plan to ask Congress for the authority to break into the homes of suspects to obtain the software "keys" necessary to decrypt data and messages, and to plant "recovery devices" on computers or take other action to ensure that law-enforcement officials have access to anything on the machine.

But make no mistake, I'll assure you that NSA already has access "keys", as our source has testified. Recently, Microsoft has been exposed in adding an "NSAKEY". The findings come from a computer-security expert, who insists that America's National Security Agency (NSA) has been given a back door into every copy of Windows 95, 98, NT4 and 2000!

This news, in turn, comes only weeks after word leaked of a Clinton-administration proposal being readied that calls for the government to put **surveillance features on all computers in government networks and to encourage private networks to do the same.** The goal: (they say) to spot patterns of suspicious hacker activity and to relay that information to a central computer-defense agency for analysis. The side effect: **A great deal of Internet surfing could be traced.**

"All of the pieces taken together indicate a giant surveillance system being built," says Andrew Grosso, a former assistant U.S. attorney and computer expert who practices law in the District...

...Marc Rotenberg, who heads the Washington-based Electronic Privacy Information Center, is not willing to give government the benefit of the doubt. "We're seeing the interconnection for the building blocks of a surveillance state", he said.

When Congress passed the law that the FCC action stems from, the Communications Assistance for Law Enforcement Act of 1994 (CALEA), the notion was fairly simple: to help the good guys keep track of the bad guys, despite fast-moving developments in communications technology. Police complained that cellular-phone networks and other new techno-gizmos were being designed without features that would enable court-ordered wiretaps that have long been possible with

old-fashioned phones...

...The Electronic Privacy Center and a number of other civil liberties groups opposed CALEA, saying the law would in fact extend police abilities far beyond the current state of affairs. Among their fears was the notion that the FBI would attempt to go beyond the limits they say Congress has set—trying to turn cellular telephones into homing beacons, for instance.

One of the groups that helped draft the legislation was the Center for Democracy and Technology, a District high-tech policy group. James X. Dempsey, who monitors telecommunications issues for the group, said, "We thought we were creating a balanced statute, one that would keep the FBI from getting everything it wanted. We got a specific assurance from [FBI Director] Louis Freeh—we thought that location information was not covered by CALEA."

Since the passage of the 1994 bill, however, the FBI has pushed the FCC to require the industry to include cell-phone tracking and other features that civil liberties groups contend go beyond the scope of the law. "When the FBI director gets to set the technical standards for the nation's telecommunications system, clearly something is amiss," said Rotenberg.

An FCC official told me there is a balance in the new technical specifications for cell phones, which would allow law-enforcement people to determine only the general location at which a cell phone was used...

...I called Clifford Fishman, a professor of law at Catholic University, who wrote a leading text on wiretap law...

"I'm confident that the number and frequency of illegal taps is very low," Fishman said. He also said that, since the police know the location of the wire-line phones they tap, the cell-phone location information simply gives law enforcement the same kind of information with the new technology.

It all comes down, he suggested, to whether you trust government to do the right thing.

But Rotenberg points out that not trusting government is part of the American way. The Fourth Amendment to the *U.S. Constitution* was written to guard against the excesses of law enforcement in conducting searches and seizures...

...Dempsey says the problem with what he calls evolving police power over technology is that, in the past, new technology has been a mixed bag for privacy-minded folks and for law enforcement: Cell phones, for example, initially offered users greater privacy, by allowing them to talk from anywhere, but at the same time their signals, broadcast over the air, could be intercepted.

Dempsey says the FBI plays the game differently: "They believe that the technology should always be a one-way ratchet in the direction of improving their capabilities."

## PRIVATE FIRMS ARE BIG SPIES ON OUR LIVES

By Jane Bryant Quinn, *Chicago Tribune*, 9/5/99

When we worry about who might be spying on our private lives, we usually think about the feds. But the real snoops are in the private sector—and their snooping is protected by law.

Take your phone records: The government has to get permission from the Justice Department before it can look at them.

But under a court decision rendered in mid-August, your phone companies can sell your personal records to an outside marketing firm, with minimal notification to you. The marketers can find out where you called, when and for how long, and use that information to sell you other products.

By law, phone companies can't sell your records without your approval. The Federal Communications Commission defines "approval" as meaning affirmative consent: You have to be asked if you want your records sold, and you have to say yes.

US West and other phone companies challenged this interpretation before the federal court of appeals in Denver and won. The FCC will appeal.

If the FCC loses again, here's what will happen: You'll get a notice, in fine print, stuffed into your phone bill along with other notices, saying that your personal records will be sold unless you say no. Many customers won't read the notice. That will constitute "approval", and your records will be up for sale.

You have almost no protection from businesses that want to use your personal records for profit...

...- No federal law shields "transaction and experience" information—mainly, the details of your bank and credit card accounts. Your bank can disclose them, at will, to telemarketers or other commercial users. (A few states have privacy laws, notably Florida, but they're limited.)

- Our Social Security numbers are on sale by private firms...and [they] ship your number to commercial firms.

- Self-regulation doesn't work. A firm might publish a privacy-protection policy, but who enforces it?...Customers were promised, in writing, that "all personal information you supply to us will be considered confidential." Then...[they] sell your data to a telemarketer.

Minnesota sued a bank for deceptive practices. The bank settled the case without admitting wrongdoing.

- No law protects your activity on the Internet. Most web sites openly (or surreptitiously) collect data about what you view and buy. It's sold to others who want to market to you.

- The next frontier will be the data held by states. Personal stuff from driving records is already sold by many Departments of Motor Vehicles. Marketers also have access to your property-tax assessment or the price of your new house.

The states hold many records that are already public—say, wills and divorce agreements. Is it OK to publish them on the Internet? Could they be compiled, mixed with your financial data and sold for marketing purposes? Without a good privacy law, the answer is yes.

To reduce the number of telemarketing calls you

get, you can add your name to the do-not-call list maintained by the Direct Marketing Association (P.O. Box 9014, Farmingdale, N.Y. 11735). There may be a similar list at your state's Department of Motor Vehicles.

Call 888-567-8688, to block new offers of pre-screened credit cards. You can also order your bank not to give your credit information to affiliated firms.

...Video stores aren't allowed to disclose the names of the movies you rent. They're better protected than your financial life. Tell Congress there oughta be a law. **[JR: Don't just sit there...do something!]**

#### SENATORS WARN AGAINST Y2K STOCKPILING

By Joe Warminsky, *UPI*, 9/8/99

WASHINGTON—The Senate's top two experts on U.S. preparedness for the year 2000 computer bug are warning Americans against hoarding cash, medical supplies, food and other items out of paranoia that the Y2K glitch will severely disrupt society.

Sens. Bob Bennett, R-Utah and Christopher Dodd, D-Conn., said that although governments and businesses have made great strides in preparation for the millennial date change, there will be some problems, with threats from outside the United States offering the most potential for chaos.

Bennett, the chairman of the Senate's special committee on the Y2K problem, and Dodd, the vice-chairman, are preparing to release their second major report on the issue before the end of September...

Bennett...[who] mentioned that he has purchased a 55-gallon drum he intends to fill with drinking water before the end of the year, said people and organizations should "stockpile information" about what might affect them if the Y2K bug takes hold at midnight on Dec. 31.

Dodd urged Americans that hoarding cash and perishables "could certainly do more damage" to the economy than whatever techno-glitches might be lurking in U.S. systems, and he asked for "reasonable, common-sense preparation," such as what might be adequate to wait out a hurricane...

...People who rely on medication should maintain their usual supply, though, Dodd said, because a shortage would be more difficult to rectify than a computer error in distribution networks.

While the senators said the Y2K season most likely won't change the average American's life, they emphasized that key U.S. computer networks could be under siege if...cyber-terrorists or information warriors are able to exploit them.

Meddling whiz kids, industrial spies, foreign terrorists or even other governments could infiltrate, Bennett said, noting that top Chinese officials have said the most effective way to fight the United States would be in the cyber world, not on the conventional battlefield...

...Russia remains a concern for its nuclear arsenal, and the senator said he has written Moscow twice to urge it to join in a Y2K early-warning project connected to the NORAD system based in Colorado.

The project's goal, Dodd said, would be a "clear look at the skies", so that all nuclear-capable nations, even late-comers, India and Pakistan, could be sure their airspace information is accurate and not corrupted

by, say, a false report of an attack. Bennett said he expects the Russians will sign on within the next few weeks.

Despite all the warnings, the senators were largely optimistic about what the new year might bring.

"The bottom line is, we're in a lot better shape than either of us would have predicted 10, 12, 14 months ago," Dodd said.

Bennett today also denied that he ever said Y2K could lead to martial law, calling the reports "nonsense".

**[JR: With all this helpful dis-information, mis-information, double-speak and mixed signals, it is now perfectly clear—as mud.]**

#### ALL-NINES DAY COMMEMORATED WITH WEDDINGS, WEIRDNESS

By Eric Talmadge, *Nando Times*, 9/9/99

TOKYO—On the high-tech side, it was—as expected—a snoozer. And the rumors of rebellion in secluded Myanmar appeared to be overblown. But a rare alignment of nines on the calendar Thursday, provided an excuse for thousands of superstitious people around the world to head out of town, try a little gambling or even get married.

Some computer experts had warned of potential problems with old programs that might mistake the date 9-9-99 with a code used to end an operation.

Though few had expected any serious malfunctions, the "9999 bug" was seen by some as a possible dry-run ahead of the Year 2000 problem, in which computers, unable to properly handle the change from the year 1999 to 2000 on Jan. 1, go haywire.

If today was any indication, the Y2K bug could be a breeze.

To be safe, the Bank of Japan added \$2.7 billion worth of Treasury bills Wednesday, and even more today, because of concerns that foreign banks might be in need of cash should any computer problems arise...

...Still, while the All Nines appeared to be shaping up to be just another day in the computer world, it was anything but ordinary for thousands of gamblers, eccentrics and lovers across the world...

...In Malaysia, four-digit lottery ticket hawkers were on a roll, *The Sun* newspaper reported, with "9999" being a hot bet at lottery outlets. And 999 senior citizens were to attempt to set a new—albeit obscure—Malaysian record for the largest gathering of older persons in a circus.

Malaysian couples were also rushing to get married. Ninety-nine couples took their wedding vows in a mass ceremony, at exactly 9:09 a.m., at a Buddhist temple in the capital of Kuala Lumpur. The number of Malaysian couples registering to be married today was nearly three times the daily average, according to the government...

...Not all of Nines Day was lighthearted.

Over the past few weeks there have been persistent rumors that activists in Myanmar might be plotting an uprising to coincide with the Nines Day, which they consider auspicious.

Apparently taking such rumors seriously, the Myanmar government had recently detained 16 pro-democracy activists, and Thai troops on the Myanmar border were put on alert.

The Thai government is concerned that fighting might erupt between Myanmar forces and those of the

Karen National Union, one of the last remaining ethnic insurgency groups fighting the central government.

**[JR: Remember the boy who cried wolf too often? They have touted several trigger dates that might cause potential computer problems (GPS 30-yr cycle, 9/9/99, et al.) and nothing much happened. This is to give all the sheeple confidence that NOTHING will happen on 1/1/2000, so few will prepare, even though the government told them to.]**

#### VIRUS FOUND IN ARCTIC ICE

By Alex Kirby, *BBC NEWS*, 9/1/99

The discovery of the first virus preserved in the Arctic ice has prompted a warning that there may be more, and that warm weather may release them to start epidemics.

The virus, a tomato mosaic tobamovirus (ToMV), was found by a team of American researchers.

The discovery, reported in the magazine *New Scientist*, suggests that other viruses, possibly including flu, smallpox and polio, may also have survived in the ice...

...His colleagues, Scott Rogers and John Castello, of the State University of New York in Syracuse, had earlier found ToMV, a common plant pathogen, in clouds and fog.

It can survive in such environments because it belongs to a family with very tough protein coats.

The researchers thought they might find the virus in the ice because it is widespread, moves in the atmosphere, and is very stable.

So they examined four ice cores, from three sites in Greenland, containing ice between 500 and 140,000 years old.

To prevent contamination they first disinfected the outside of each core using ultraviolet light, and then searched the inner core for RNA from the tomato pathogen using the polymerase chain reaction (PCR).

As they had suspected, the RNA was present—and sequencing revealed 15 strains of the virus.

The PCR method destroys organisms as it amplifies their genetic material, so the team is not certain the viruses had retained the protein coats that help them to invade cells.

But John Castello says they probably needed the coats to survive for centuries in the ice.

The team says a brief rise in temperature could let loose any viruses and cause disease.

Scott Rogers told BBC News Online: "We think micro-organisms are being released constantly, during periods of warming, and when glaciers calve"...

...Alvin Smith, a virologist at Oregon State University, said: "If you've got these things lying in the ice for a thousand years or more and their usual host has not had to deal with them, this may be a source of epidemics."

He has found that caliciviruses, which can cause diarrhea, emerge from time-to-time from the sea to cause new infections.

Identical caliciviruses have appeared at 20-year intervals on opposite sides of the USA, he says, and could have spent years in the polar ice before re-emerging.

"How did these viruses stay the same for so long?"

John Castello says the discovery could mean that modern viruses might be a mixture of highly evolved

ones and others that have been frozen for centuries.

"Perhaps they are actually ancient populations that have been recycled over and over again. How can you do evolutionary studies if that's true?"

He and his colleagues now plan to use other techniques to see whether viruses in other cores are still viable.

They will also look at ice from the Antarctic that is up to 400,000 years old.

### I - CELLULAR TELEPHONE PROVIDERS TO REMOVE ILLEGAL ANTENNAS

*Israel Wire, 9/9/99*

Motorola (Pele-Phone), Cellcom and Partner (Orange), the three cellular telephone providers in Israel, have agreed to dismantle illegal antennas that have been installed around the country.

On Tuesday, an agreement was signed in Tel Aviv between the providers and the Union of Local Authorities guaranteeing that the cell providers would cease the practice of installing antennas and other devices without first obtaining the necessary permits from local municipalities and the Ministry of Environmental Affairs.

The issue of cellular antennas has become somewhat of an item in Israel with an increasing number of residents fearing harmful emissions from the antennas. There is a growing lobby to install antennas and broadcast equipment away from residential areas.

Among the first cities to champion the battle against illegal antennas was Beersheba with Mayor Yaakov Turner recently announcing that all illegal antennas were going to be removed by the city. The announcement prompted providers to call for a meeting where the sides ironed out their differences.

### II - CONTROVERSY OVER CELLULAR ANTENNAS

*IsraelWire, 6/29/99*

Contrary to a ruling issued previously by Health Ministry officials, Dr. Alex Leventhal, who heads the ministry's public health services unit, stated in his opinion that the antennas do indeed pose a health hazard. Leventhal agreed that the evidence today is not without controversy, but he stated it was best to play it safe and treat the antennas as a hazard.

There is a growing movement in areas of the country to remove antennas from population centers, with an increasing number of residents insisting the emissions from the antennas are indeed a health hazard. **[JR: Cellular antennas are considered a health hazard in Israel and are being removed, yet in heavily populated U.S. metropolitan areas they are in every neighborhood. ### UAE THREATENS DISNEY OVER JERUSALEM ISSUE

*IsraelWire, 9/9/99*

The United Arab Emirates has sent a warning to Disney officials in the United States over its millennium

exhibition in which Jerusalem is depicted as the capital of Israel. The UAE memorandum explains that the position taken by the Walt Disney Company may jeopardize future lucrative interests in the Middle East.

The 22-nation member Arab League has been called upon to protest the exhibition in the US, State of Florida.

The UAE is demanding that Disney officials permit a delegation of Islamic leaders to visit the exhibition, prior to its opening, to ensure that nothing was done to "distort the Arab and Islamic history pertaining to Jerusalem".

"Contrary to recent press reports, the Israeli exhibition at Epcot's New Millennium Village is not going to be titled Jerusalem, the Capital of Israel. It will be known as the Israel exhibit," the Disney statement said.

The UAE efforts came immediately following a decision by the Burger King international hamburger chain to order its stores in Maale Adumim closed when it sparked a threatened international Arab boycott. The Arab position maintained that the new branch was located in "occupied Palestine" and was an affront to the Arab world and the failure to close the branch would result in an international Arab boycott of Burger King...

### TREASURY TO COMPENSATE VICTIMS OF 1994 "CAVE OF THE PATRIARCHS ATTACK"

*Israel Wire, 9/9/99*

The Ministry of Finance on Wednesday informed the Knesset Finance Committee that it intends to allocate NIS 1 million in compensatory payments for the families of 29 Moslems who were shot to death in the Cave of the Patriarchs by Dr. Baruch Goldstein in 1994.

Hebron's Arab mayor, Mustafa Nasta stated that Israel is once again being deceptive, presenting itself as generous but in fact, the NIS 1 million being turned over to the families is being deducted from donor nations' funds turned over by Israel to the PLO Authority (PA). Nasta added that if the persons killed and injured were Israelis, they would each have received one million.

### ADM WANTS GRAIN SEGREGATED

*Chicago Sun-Times, 9/3/99*

Agribusiness giant Archer Daniels Midland Co. is asking corn and soybean suppliers to keep their genetically-modified crops separate from traditionally-grown grains. The move, which could discourage farmers from buying genetically engineered seed, was the latest setback in attempts to promote seed that is developed to resist insect damage and disease.

In a statement released earlier this week, Decatur-based ADM said the move is in response to demands by customers who are "requesting and making purchases based on the genetic origin of the crops". The request to grain elevators, just before the fall harvest, is a sign of growing concern about export markets such as

Europe and Japan, which favor products made from crops that have not been genetically altered.

### COVERT CROP OPERATION

By Roger Runningen, *Chicago Sun-Times, 9/5/99*

WASHINGTON—Grain traders worldwide will be on high alert Friday when the government releases its monthly U.S. crops forecast assembled under conditions worthy of the spy business.

Before it's made public, only nine people in the U.S. Agriculture Department are privy to a report that can influence farm product prices from Chicago to Tokyo. Under century-old secrecy rules, even the president doesn't get advance notice, as he does with some other economic statistics.

The report is the most detailed and reliable crop forecast in the world, compiled by an army of people who count corn kernels, cotton bolls and soybean pods. Last month's report predicted bigger-than-expected harvests, sending corn and soybean prices tumbling.

"There's nothing more important than the USDA's production numbers," except perhaps the weather, said Dick Loewy, president of AgResource Co., a Chicago commodity research company. Crop prices already are rising on expectations the USDA will reduce its forecasts, after a heat wave slowed some plant growth.

Every month, the crop report is treated like CIA data: It's assembled in secret, after a midnight rendezvous behind locked, guarded doors, using coded dispatches from field operatives.

The nine analysts who enter the inner sanctum at the Agriculture Department the night before give up contact with the outside world until the report is released at 8:30 a.m. Washington time. Phones are disconnected. Rooms are swept for bugs. Window blinds, embedded with lead wires to jam electronic signals, are drawn. Elevator doors are bolted shut...

...The Commerce Department figures the gross domestic product the day before the public release and gives it to the president. The Labor Department prepares its reports on consumer and producer prices a day ahead. An advance copy goes to the president's chief economic adviser.

Preparations for the monthly crop report are among the most secret for good reason, economists said.

For many government reports, interpretations can vary widely. Statistics suggesting a strong economy could mean rising profits, leading investors to buy stocks...

...In agriculture, there's less ambiguity. A crop report showing less supply than expected, usually means just one thing: higher prices...

...By the time of that scandal, the department had already been doing crop surveys more than 40 years—ever since President Abraham Lincoln created it in 1862 to "collect seeds and distribute statistics", Allen said.

The acquired wisdom and the resources of the federal government have helped establish the crop report's reputation...

...Friday's forecast of the corn harvest will probably be accurate within 5.8 percentage points of the eventual total, based on September predictions over the last 20 years. By November, with the harvests almost complete, it's within 3.9 percentage points.

Collection of raw data for this week's report began

in late August. About 400 part-time workers inspected pre-selected fields in the major growing states. Workers tread carefully, lest their presence influence the harvest. "You don't even pull the weeds," Allen said.

Other workers survey 27,600 farmers in other states by phone or mail, asking about plantings and their harvest expectations...

...Results are fed to Agriculture Department offices in each state and tallied. State offices make a harvest estimate and send encrypted data to Washington...

...Around midnight before the report...the information is decoded and put on spreadsheets in the BAT room, which is scanned continuously for eavesdropping devices.

Allen and eight other officials tally the numbers, matching them against historical data, weather conditions and other factors before arriving at harvest estimates about 3 a.m.

A companion agency, the World Agricultural Outlook Board, goes through a similar procedure to estimate overseas crop production and demand once the U.S. estimates are made.

Two reports, one domestic and one global, are printed on a press inside secured corridors.

The first people other than government employees to see the reports will be news reporters who enter the "lockup room" at 7 a.m.

While their computers and phones are disconnected, the reporters prepare their bulletins, stories and charts for 8:30 a.m.—no sooner, no later—when the numbers are flashed around the world.

Many grain-trading companies make harvest forecasts, but none can match the breadth of coverage by the USDA, which explains the veil of secrecy, Allen said.

PUTTING A FACE ON ID THEFT

By Frank Main, *Chicago Sun-Times*, 9/5/99

Gerald Neustadter is 5-foot-3 and African-American, but that didn't stop him from slipping on the identity of Morton Grove resident David Neustadter, who is 5-foot-11 and white.

And then the impostor went on a \$208,000 spending spree—renting a big Naperville house and buying several cars, including a limousine—using David Neustadter's credit.

Federal prosecutors sent Gerald Neustadter to prison in 1998. Banks sustained most of the financial damage, but David Neustadter and his wife, Barb, still are reeling from it all. She had to quit her nursing job for a year to straighten out their credit history. "It was totally time-consuming and emotionally consuming."

An estimated 500,000 people a year become victims of identity theft in the United States, with about three victims a day calling the Cook County state's attorney's office for help.

In a report to Congress in April on financial identity theft, the Federal Trade Commission said the Social Security Administration conducted 1,153 investigations of Social Security number misuse in 1997, compared with only 305 in 1996. The report also said the Trans Union credit bureau reported 522,922 consumer fraud inquiries in 1997, up from 35,235 in 1992.

Recognizing the growing problem, Congress and the Illinois Legislature have passed new laws.

Police say criminals are finding more ways to gain access to personal information, from rooting through trash bins for personal papers to hacking into computer files.

Thieves use someone's name, address, date of birth, Social Security number and other information to obtain bank accounts, apply for home and car loans, and even file income tax returns in the victim's name to obtain refunds.

The biggest financial losers usually are the banks and credit card companies. But lawmakers are now recognizing the toll on victims.

On Aug. 13, Gov. Ryan signed a law making identity theft of money or property of more than \$300 a felony, with stiffer penalties for targeting the elderly.

Congress passed a federal law against identity theft in October 1998, carrying a penalty of up to 15 years in prison. The Federal Trade Commission now takes complaints and helps victims and has started tracking the number of identity theft cases for the first time. A new FTC Web site, [www.consumer.gov/idtheft](http://www.consumer.gov/idtheft), was launched Aug. 23.

The new legislation gives authorities more tools to crack down on identity theft, police and prosecutors said. The Cook County State Attorney's office drafted the law that Ryan signed, Assistant State Attorney, Sophia Lopez said.

"In the past, victims were thrown into legal purgatory," Lopez said...

...Area 3 Chicago police Sgt. Tony DeLeonardis, who investigates such cases, welcomed the new state law.

"A lot of the victims were out of luck because the statutes of theft and forgery didn't apply," he said.

The nightmare started innocuously for Barb and David Neustadter in 1995, when a hardware store rejected his credit application. Then he was unable to write a check at a Morton Grove grocery because the clerk said he had written a bad check at a grocery in Naperville—where he never shopped.

"We still did not think much about it," Barb Neustadter said.

They knew they were in trouble when a collection agency began demanding payment for purchases David Neustadter never had made. "When the first credit report came back, we nearly died," Barb Neustadter said.

She said she went to the Morton Grove police, who told her they could not help her. Finally, the Secret Service took the case.

Three years after the couple discovered the crime, Gerald Neustadter was sent to prison, but their troubles weren't over.

Barb Neustadter said she spent hundreds of hours negotiating with credit bureaus and banks to straighten out her husband's credit.

When they use a credit card now, it's in Barb Neustadter's name, not his.

Barb Neustadter, who suspects the impostor obtained her husband's information from a confederate working at a car dealership, amassed a 25-pound box of records during her quest to clear her husband's credit record.

"Sometimes," she said, "it feels like it will never end."

*In fulfillment of legal requirements, this is the second of three required publications of this Public Notice.*

The Officers and Directors of **Global Alliance Investment Association (GAIA)** do hereby commit, as requested, in public notice, an understanding of agreement, by and between GAIA and as-yet-unnamed representatives of the Federal Reserve Board of Directors, the U.S. Treasury Department, the International Monetary Fund and authorities of the World Bank, as representatives of what are considered the “Establishment” Banking-Cartel, that we shall act within said agreement as follows:

We of GAIA will issue no documents or funds for the sole purpose of any Trading Programs, local or international; we will not participate knowingly in any way to assist or contribute to those programs called “Roll-Over”, or in any way join with any portion of GAIA’s assets in any form of “currency trading or manipulation” of any nation.

It is recognized that GAIA has no authority over, or responsibility for, any portion of any assets held by any Joint Venture Partner (JVP), or the transactions between or “in house” of any Banking Institution, Central or otherwise.

We will always lay as a foundation the request that our portion of any transaction be backed immediately by something, i.e., gold, as a collateral base for all transactions. This is to secure all parties to any transaction and, most specifically, any participating bank or banks. We accept no responsibility for that which is the property of any JVP.

It is hereby noted, however, that we fully recognize that the Establishment Economic Community is phasing out of all “trading” types of programs, and our best efforts will be toward discouragement of any investment in such ventures.

We also state that we are ready, willing and able to assist, in any way possible, a movement toward the return by any nation, inclusive of the United States of America, to a “Gold Standard”, as was recognized prior to the *Federal Reserve Act* of 1913.

The “GAIA DEEDs” are now recognized as **VALID AND NEGOTIABLE INSTRUMENTS**.

We are further aware and in knowledge that reserves—of some 48% of that left for the People of the United States of America—are funds sufficient for paying the national DEBT in full, and forming a foundation upon which the nation can be self-sustained throughout the various States of the Union of the United States of America.

We acknowledge ongoing negotiations and agreements by said entities involved, that any ongoing interchange with the various Sovereign Nations of the Native Tribes within any Lands subject to Federal Regulations—be they U.S., Canadian or any national Tribal Communities on Sovereign land—shall be without interference, and assistance in economic structure, facilitating ongoing international trade and commerce of all types, will and shall be honored. All natives of all Tribes will and shall **RETAIN** citizenship within the nations of which they have been **SUBJECT**. It is further agreed and binding that there will not be interference in Tribal Councils, and Control by any Federal Government shall cease and desist from the withdrawal of welfare or Federal financing.

Further, the Native Councils shall be fully recognized as a governing body of **FREE AND SOVEREIGN STATES**, and also recognized is dual-citizenship status, as to each individual of each and every recognized Tribe.

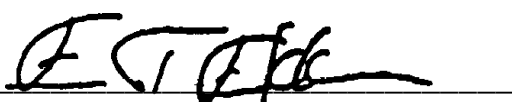

Globally, it shall be recognized that Tribal Lands are Sovereign States. Those Tribes are to be further identified at forthcoming Global Councils as Alliances, formed under **INTERNATIONAL LAW** for the protection of **ALL CITIZENS THEREOF**.

For the Public Interest, however, we must recognize that we are required to agree, through **PUBLIC NOTICE** and **INTERNATIONAL ANNOUNCEMENT**, our agreements, while our co-negotiators have no restriction on their identity, and can and do constantly **INTERFERE** with ongoing activities.

We do, therefore, state publicly that as the Global Establishment-Elite break their resolutions to this Alliance, we shall not be restricted by this agreement. Prior agreements have continually been broken by these parties in point and this is also to be put into public notice. We note that our word is our bond in agreements, both oral and written, but there is no return by either honor of verbal agreements, or any form of written contract.

This Public Notice, therefore, is fully recognized as the Agreement by and between the parties of authority, and is hereby recognized by signature of the President and Director, and the Secretary and Director of Global Alliance Investment Association.

**THIS AGREEMENT IS FULLY LEGAL AND BINDING AS OF SEPTEMBER 9, 1999 (9/9/99), AND IS HEREBY DATED AND SIGNATURES AFFIXED THIS FIFTH DAY OF SEPTEMBER, IN THE YEAR OF THE LORD, ONE THOUSAND, NINE HUNDRED NINETY-NINE.**

## TELEPHONE HOTLINE 661-822-0202

As an adjunct to CONTACT, the Telephone Hotline keeps you as informed as possible on current events and other important information that needs to get to our subscribers before our publishing date.

The message machine will answer after 2 rings if there are any new messages for that day, and after 4 rings if not. Thus daily callers can hang up after 2 rings and save toll charges if no new message has been recorded. If the Hotline does not answer your call, then there is currently no Hotline message.
